Editor's Note. — Session Laws 2007-550, s. 8(b), made this section effective August 1, 2007, and applicable to any application for a permit for a solid waste management facility that is pending on that date.

Session Laws 2007-550, s. 8(b) further provides in part: "The section shall not apply to:

"(1) Identification of routes from the nearest limited access highway used to access the proposed facility.

"(2) Daily and hourly traffic volumes that will result along each approach route between the nearest limited access highway and the proposed facility.

"(3) A map identifying land uses located along the identified approach routes, including, but not limited to, residential, commercial, industrial development, and agricultural operations. The map shall identify residences, schools, hospitals, nursing homes, and other significant buildings that front the approach routes.

"(4) Identification of locations on approach routes where road conditions are inadequate to handle the increased traffic associated with the proposed facility and a description of the mitigation measures proposed by the applicant to address the conditions.

"(5) A description of the potential adverse impacts of increased traffic associated with the proposed facility and the mitigation measures proposed by the applicant to address these impacts.

"(6) An analysis of the impact of any increase in freight traffic on railroads and waterways.

Session Laws 2007-550, s. 19, is a severability clause.

§ 130A-295.6. Additional requirements for sanitary landfills.

(a) The Department shall conduct a study of the environmental impacts of any proposed sanitary landfill. The study shall meet all of the requirements set forth in G.S. 113A-4 and rules adopted pursuant to G.S. 113A-4. If an environmental impact statement is required, the Department shall publish notice of the draft environmental impact statement and shall hold a public hearing in the county where the landfill will be located no sooner than 30 days following the public notice. The Department shall consider the study of environmental impacts and any mitigation measures proposed by the applicant in deciding whether to issue or deny a permit. An applicant for a permit for a sanitary landfill shall pay all costs incurred by the Department to comply with this subsection including the costs of any special studies that may be required.

(b) The Department shall require a buffer between any perennial stream or wetland and the nearest waste disposal unit of a sanitary landfill of at least 200 feet. The Department may approve a buffer of less than 200 feet, but in no case less than 100 feet, if it finds all of the following:

(1) The proposed sanitary landfill or expansion of the sanitary landfill will serve a critical need in the community.

(2) There is no feasible alternative location that would allow siting or expansion of the sanitary landfill with 200-foot buffers.

(c) A waste disposal unit of a sanitary landfill shall not be constructed within:

(1) A 100-year floodplain or land removed from a 100-year floodplain designation pursuant to 44 Code of Federal Regulations Part 72 (1 October 2006 Edition) as a result of man-made alterations within the floodplain such as the placement of fill, except as authorized by variance granted under G.S. 143-215.54A(b). This subdivision does not apply to land removed from a 100-year floodplain designation (i) as a result of floodplain map corrections or updates not resulting from man-made alterations of the affected areas within the floodplain, or (ii) pursuant to 44 Code of Federal Regulations Part 70 (1 October 2006 Edition) by a letter of map amendment.

(2) A wetland, unless the applicant or permit holder can show all of the following, as to the waste disposal unit:

a. Where applicable under section 404 of the federal Clean Water Act or applicable State wetlands laws, the presumption that a practicable alternative to the proposed waste disposal unit is available which does not involve wetlands is clearly rebutted;

b. Construction of the waste disposal unit will not do any of the following:

1. Cause or contribute to violations of any applicable State water quality standard.
2. Violate any applicable toxic effluent standard or prohibition under section 307 of the federal Clean Water Act.
3. Jeopardize the continued existence of endangered or threatened species or result in the destruction or adverse modification of a critical habitat, protected under the federal Endangered Species Act of 1973.
4. Violate any requirement under the federal Marine Protection, Research, and Sanctuaries Act of 1972.

c. Construction of the waste disposal unit will not cause or contribute to significant degradation of wetlands.

d. To the extent required under section 404 of the federal Clean Water Act or applicable State wetlands laws, any unavoidable wetlands impacts will be mitigated.

(d) The Department shall not issue a permit to construct any disposal unit of a sanitary landfill if, at the earlier of (i) the acquisition by the applicant or permit holder of the land or of an option to purchase the land on which the waste disposal unit will be located, (ii) the application by the applicant or permit holder for a franchise agreement, or (iii) at the time of the application for a permit, any portion of the proposed waste disposal unit would be located within:

(1) Five miles of the outermost boundary of a National Wildlife Refuge.

(2) One mile of the outermost boundary of a State gameland owned, leased, or managed by the Wildlife Resources Commission pursuant to G.S. 113-306.

(3) Two miles of the outermost boundary of a component of the State Parks System.

(e) A sanitary landfill for the disposal of construction and demolition debris waste shall be constructed with a liner system that consists of a flexible membrane liner over two feet of soil with a maximum permeability of 1×10^{-5} centimeters per second. The flexible membrane liner shall have a minimum thickness of thirty one-thousandths of an inch (0.030″), except that a liner that consists of high-density polyethylene shall be at least sixty one-thousandths of an inch (0.060″) thick. The flexible membrane liner shall be installed in direct and uniform contact with the soil layer. The Department may approve an alternative to the soil component of the liner system if the Department finds, based on modeling, that the alternative liner system will provide an equivalent or greater degree of impermeability.

(f) A sanitary landfill, other than a sanitary landfill for the disposal of construction and demolition debris waste, shall be constructed so that the post-settlement bottom elevation of the liner system, or the post-settlement bottom elevation of the waste if no liner system is required, is a minimum of four feet above both the seasonal high groundwater table and the bedrock datum plane contours. A sanitary landfill for the disposal of construction and demolition debris waste shall be constructed so that the post-settlement bottom elevation of the flexible membrane liner component of the liner system is a minimum of four feet above both the seasonal high groundwater table and the bedrock datum plane contours.

(g) A permit holder for a sanitary landfill shall develop and implement a waste screening plan. The plan shall identify measures adequate to ensure compliance with State laws and rules and any applicable local ordinances that prohibit the disposal of certain items in landfills. The plan shall address all sources of waste generation. The plan is subject to approval by the Department.

(h) The following requirements apply to any sanitary landfill for which a liner is required:

(1) A geomembrane base liner system shall be tested for leaks and damage by methods approved by the Department that ensure that the entire liner is evaluated.

(2) A leachate collection system shall be designed to return the head of the liner to 30 centimeters or less within 72 hours. The design shall be based on the precipitation that would fall on an empty cell of the sanitary landfill as a result of a 25-year-24-hour storm event. The leachate collection system shall maintain a head of less than 30 centimeters at all times during leachate recirculation. The Department may require the operator to monitor the head of the liner to demonstrate that the head is being maintained in accordance with this subdivision and any applicable rules.

(3) All leachate collection lines shall be designed and constructed to permanently allow cleaning and remote camera inspection. All leachate collection lines shall be cleaned at least once a year, except that the Department may allow leachate collection lines to be cleaned once every two years if: (i) the facility has continuous flow monitoring; and (ii) the permit holder demonstrates to the Department that the leachate collection lines are clear and functional based on at least three consecutive annual cleanings. Remote camera inspections of the leachate collection lines shall occur upon completion of construction, at least once every five years thereafter, and following the clearing of blockages.

(4) Any pipes used to transmit leachate shall provide dual containment outside of the disposal unit. The bottom liner of a sanitary landfill shall be constructed without pipe penetrations.

(i) The Department shall not issue a permit for a sanitary landfill that authorizes:

(1) A capacity of more than 55 million cubic yards of waste.

(2) A disposal area of more than 350 acres.

(3) A maximum height, including the cap and cover vegetation, of more than 250 feet above the mean natural elevation of the disposal area.

(j) This section does not apply to landfills for the disposal of land clearing and inert debris or to Type I or Type II compost facilities. (2007-543, s. 1(a)-(c); 2007-550, s. 9(a), (c).)

Reimbursement for Costs of Application for Solid Waste Management Permit. — Session Laws 2007-543, s. 3(a)-(g), provides: "(a) Declaration of Purpose and Intent. — Notwithstanding that an applicant for a permit does not have a reasonable expectation that the law governing the permit will remain unchanged and that the applicant acquires no vested right by virtue of having made an application, the General Assembly finds that it is in the public interest to provide for the potential compensation of certain applicants who submitted an application for a permit for a solid waste management facility prior to 1 August 2006 and whose application would be denied under G.S. 130A-295.6(d).

"(b) Reimbursement of Application Costs. — An applicant for a permit for a sanitary landfill may request reimbursement for the reasonable costs for preparation of the permit application incurred prior to 1 August 2006 if the permit would be denied under G.S. 130A-295.6(d).

"(c) Eligibility for Reimbursement. — To be eligible for reimbursement under this section, the request for reimbursement shall demonstrate all of the following:

"(1) The application for a permit to construct a sanitary landfill was submitted to the Department on or before 1 August 2006.

"(2) The applicant obtained a landfill franchise from the local government with jurisdiction over the site of the proposed landfill on or before 1 August 2006.

"(3) The Department did not grant the permit application in whole or in part.

"(4) The Department did not deny the permit application before 1 August 2007.

"(5) The applicant did not withdraw the permit application before 1 August 2007.

"(6) That the applicant had a reasonable expectation that the application for a permit would have been approved but for the enactment of G.S. 130A-295.6(d).

"(d) Costs Eligible for Reimbursement. — Costs that are necessary for the preparation of the permit application and that are reasonably incurred are eligible for reimbursement under this section. These costs may include site studies, facility plans, construction and engineering plans, construction quality assurance plans, geologic and hydrologic investigations, operation plans, wildlife or wildlife management studies, closure and post-closure plans, information required by the Department to satisfy financial assurance and financial responsibility requirements, and other information required by the Department in the permit review. These costs may also include the reasonable fees of environmental consultants, engineers, geologists, other professionals whose services were necessary to prepare the permit application or to respond to information requests from the Department, and legal costs to obtain a landfill franchise or other approval from the local government with jurisdiction over the site of the proposed sanitary landfill.

"(e) Costs Not Eligible for Reimbursement. — None of the following costs incurred by or on behalf of the applicant is eligible for reimbursement:

"(1) The costs of acquiring interests in land for construction of the proposed sanitary landfill.

"(2) Legal or lobbying costs incurred in attempting to influence an administrative or legislative body.

"(f) Request for Reimbursement. — The request for reimbursement shall be submitted to the Department no later than 31 December 2007 with information necessary to document the reasonable and necessary costs eligible for reimbursement under this section. The Department shall review the request for reimbursement and notify the applicant and the Secretary of Revenue of the costs approved for reimbursement under this section. The Secretary of Revenue shall reimburse the approved costs from the proceeds of the tax imposed under G.S. 105-187.61 subject to availability of funds. Approved reimbursement costs shall be paid from the proceeds of the tax prior to crediting or distributing the proceeds of the tax as provided in G.S. 105-187.63.

"(g) Waiver and Covenant Not to Sue. — An applicant for a permit for a sanitary landfill who accepts reimbursement of costs under this section waives the right to seek reimbursement of those costs under any other provision of law. Prior to receiving any reimbursement under this section, the applicant shall execute a covenant not to sue the State of North Carolina or any political subdivision of the State for any costs described in subsections (d) and (e) of this section."

Session Laws 2007-543, s. 4, is a severability clause.

Editor's Note. — Session Laws 2007-550, s. 9(b), as amended by Session Laws 2007-543, s. 1(b), made this section effective August 1, 2007, and applicable to any application for a permit for a solid waste management facility that is pending on that date, except that G.S. 130A-295.6(d), as enacted by this section, becomes effective August 1, 2007 and applies to any application for a permit for a solid waste management facility that is submitted on or after that date. G.S. 130A-295.6(d) applies to any application for a permit for a solid waste management facility that is pending on August 1, 2007 on the basis of the boundaries of the lands described in subdivisions (1), (2), and (3) of G.S. 130A-295.6(d) as of August 1, 2007. To the extent that G.S. 130A-295.6, as enacted by this section, imposes requirements that are more stringent than those in effect prior to August 1, 2007, the more stringent requirements do not apply to:

"(1) An amendment, modification, or other change to a permit for a landfill issued on or before June 1, 2006.

"(2) A permit for a horizontal or vertical expansion of the landfill permitted on or before June 1, 2006.

"(3) A permit to construct a new landfill within the facility boundary identified in the facility plan of a landfill permitted on or before June 1, 2006.

"(4) A permit to operate a new landfill if a permit to construct the new landfill was issued on or before June 1, 2006.

"(5) A permit for a sanitary landfill used only to dispose of waste generated by a coal-fired generating unit that is owned or operated by an investor-owned utility subject to the requirements of G.S. 143-215.107D.

"(6) A permit for a sanitary landfill determined to be necessary by the Secretary of Environment and Natural Resources in order to respond to an imminent hazard to public health or a natural disaster."

Session Laws 2007-550, s. 9(c), as added by Session Laws 2007-543, s. 1(c), effective August 31, 2007, has been codified as subsection (j) of this section at the direction of the revisor of statutes.

Session Laws 2007-550, s. 19, is a severability clause.

§ 130A-295.7: Reserved for future codification purposes.

§ 130A-295.8. Fees applicable to permits for solid waste management facilities.

(a) The Solid Waste Management Account is established as a nonreverting account within the Department. All fees collected under this section shall be credited to the Account and shall be used to support the solid waste management program established pursuant to G.S. 130A-294.

(b) As used in this section:

(1) "New permit" means any of the following:
  a. An application for a permit for a solid waste management facility that has not been previously permitted by the Department. The term includes one site suitability review, the initial permit to construct, and one permit to operate the constructed portion of a phase included in the permit to construct.
  b. An application that proposes to expand the boundary of a permitted waste management facility for the purpose of expanding the permitted activity.
  c. An application that includes a proposed expansion to the boundary of a waste disposal unit within a permitted solid waste management facility.
  d. An application for a substantial amendment to a solid waste permit, as defined in G.S. 130A-294.

(2) "Permit amendment" means any of the following:
  a. An application for a permit to construct and one permit to operate for the second and subsequent phases of landfill development described in the approved facility plan for a permitted solid waste management facility.
  b. An application for the five-year renewal of a permit for a permitted solid waste management facility or for a permit review of a permitted solid waste management facility.
  c. Any application that proposes a change in ownership or corporate structure of a permitted solid waste management facility.

(3) "Permit modification" means any of the following:
  a. An application for any change to the plans approved in a permit for a solid waste management facility that does not constitute a "permit amendment" or a "new permit".
  b. A second or subsequent permit to operate for a constructed portion of a phase included in the permit to construct.

(c) An applicant for a permit shall pay an application fee upon submission of an application according to the following schedule:

(1) Municipal Solid Waste Landfill accepting less than 100,000 tons/year of solid waste, New Permit — $25,000.
(2) Municipal Solid Waste Landfill accepting less than 100,000 tons/year of solid waste, Amendment — $15,000.
(3) Municipal Solid Waste Landfill accepting less than 100,000 tons/year of solid waste, Modification — $1,500.
(4) Municipal Solid Waste Landfill accepting 100,000 tons/year or more of solid waste, New Permit — $50,000.
(5) Municipal Solid Waste Landfill accepting 100,000 tons/year or more of solid waste, Amendment — $30,000.
(6) Municipal Solid Waste Landfill accepting 100,000 tons/year or more of solid waste, Modification — $3,000.
(7) Construction and Demolition Landfill accepting less than 100,000 tons/year of solid waste, New Permit — $15,000.
(8) Construction and Demolition Landfill accepting less than 100,000 tons/year of solid waste, Amendment — $9,000.
(9) Construction and Demolition Landfill accepting less than 100,000 tons/year of solid waste, Modification — $1,500.
(10) Construction and Demolition Landfill accepting 100,000 tons/year or more of solid waste, New Permit — $30,000.
(11) Construction and Demolition Landfill accepting 100,000 tons/year or more of solid waste, Amendment — $18,500.
(12) Construction and Demolition Landfill accepting 100,000 tons/year or more of solid waste, Modification — $2,500.
(13) Industrial Landfill accepting less than 100,000 tons/year of solid waste, New Permit — $15,000.
(14) Industrial Landfill accepting less than 100,000 tons/year of solid waste, Amendment — $9,000.
(15) Industrial Landfill accepting less than 100,000 tons/year of solid waste, Modification — $1,500.
(16) Industrial Landfill accepting 100,000 tons/year or more of solid waste, New Permit — $30,000.
(17) Industrial Landfill accepting 100,000 tons/year or more of solid waste, Amendment — $18,500.
(18) Industrial Landfill accepting 100,000 tons/year or more of solid waste, Modification — $2,500.
(19) Tire Monofill, New Permit — $1,750.
(20) Tire Monofill, Amendment — $1,250.
(21) Tire Monofill, Modification — $500.
(22) Treatment and Processing, New Permit — $1,750.
(23) Treatment and Processing, Amendment — $1,250.
(24) Treatment and Processing, Modification — $500.
(25) Transfer Station, New Permit — $5,000.
(26) Transfer Station, Amendment — $3,000.
(27) Transfer Station, Modification — $500.
(28) Incinerator, New Permit — $1,750.
(29) Incinerator, Amendment — $1,250.
(30) Incinerator, Modification — $500.
(31) Large Compost Facility, New Permit — $1,750.
(32) Large Compost Facility, Amendment — $1,250.
(33) Large Compost Facility, Modification — $500.
(34) Land Clearing and Inert, New Permit — $1,000.
(35) Land Clearing and Inert, Amendment — $500.
(36) Land Clearing and Inert, Modification — $250.

(d) A permitted solid waste management facility shall pay an annual permit fee on or before 1 August of each year according to the following schedule:

(1) Municipal Solid Waste Landfill — $3,500.
(2) Post-Closure Municipal Solid Waste Landfill — $1,000.
(3) Construction and Demolition Landfill — $2,750.
(4) Post-Closure Construction and Demolition Landfill — $500.
(5) Industrial Landfill — $2,750.
(6) Post-Closure Industrial Landfill — $500.
(7) Transfer Station — $750.
(8) Treatment and Processing Facility — $500.
(9) Tire Monofill — $500.
(10) Incinerator — $500.
(11) Large Compost Facility — $500.
(12) Land Clearing and Inert Debris Landfill — $500.

(e) The Department shall determine whether an application for a permit for a solid waste management facility that is subject to a fee under this section is complete within 90 days after the Department receives the application for the permit. A determination of completeness means that the application includes all required components but does not mean that the required components provide all of the information that is required for the Department to make a decision on the application. If the Department determines that an application is not complete, the Department shall notify the applicant of the components needed to complete the application. An applicant may submit additional information to the Department to cure the deficiencies in the application. The Department shall make a final determination as to whether the application is complete within the later of: (i) 90 days after the Department receives the application for the permit less the number of days that the applicant uses to provide the additional information; or (ii) 30 days after the Department receives the additional information from the applicant. The Department shall issue a draft permit decision on an application for a permit within one year after the Department determines that the application is complete. The Department shall hold a public hearing and accept written comment on the draft permit decision for a period of not less than 30 or more than 60 days after the Department issues a draft permit decision. The Department shall issue a final permit decision on an application for a permit within 90 days after the comment period on the draft permit decision closes. The Department and the applicant may mutually agree to extend any time period under this subsection. If the Department fails to act within any time period set out in this subsection, the applicant may treat the failure to act as a denial of the permit and may challenge the denial as provided in Chapter 150B of the General Statutes. (2007-550, s. 13(a).)

Editor's Note. — Session Laws 2007-550, s. 13(b), made this section effective August 1, 2007, and applicable to any application for a permit for a solid waste management facility that is pending on that date, except that during the period 1 August 2007 through 1 August 2008 the Department shall determine whether an application or a permit for a solid waste management facility is complete within 270 days after the Department receives the application for the permit.

Session Laws 2007-550, s. 19, is a severability clause.

§ 130A-295.9. Solid waste disposal tax; use of proceeds.

It is the intent that the proceeds of the solid waste disposal tax imposed by Article 5G of Chapter 105 of the General Statutes shall be used only for the following purposes:

(1) Funds credited pursuant to G.S. 105-187.63(1) to the Inactive Hazardous Sites Cleanup Fund shall be used by the Department of Environment and Natural Resources to fund the assessment and remediation of pre-1983 landfills, except up to seven percent (7%) of the funds

credited under this subdivision may be used to fund administrative expenses related to the assessment and remediation of inactive hazardous waste sites.

(2) Funds credited pursuant to G.S. 105-187.63(3) to the Solid Waste Management Trust Fund shall be used by the Department of Environment and Natural Resources to fund grants to State agencies and units of local government to initiate or enhance local recycling programs and to provide for the management of difficult to manage solid waste, including abandoned mobile homes and household hazardous waste. Up to seven percent (7%) of the funds credited under this subdivision may be used by the Department to administer this Part. (2007-550, s. 14(b); 2009-451, s. 13.3E.)

Cross References. — As to solid waste disposal tax, generally, see G.S. 105-187.60 et seq.

Editor's Note. — Session Laws 2007-550, s. 14(e), made this section effective July 1, 2008.

Session Laws 2007-550, s. 19, is a severability clause.

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 13.3E, effective July 1, 2009, in subdivision (1), substituted "landfills, except up to" for "landfills. Up to" near the middle, and "administrative expenses related to the assessment and remediation of inactive hazardous waste sites" for "staff to administer contracts for the assessment and remediation of pre-1983 landfills" at the end.

§ 130A-296: Repealed by Session Laws 1993, c. 501, s. 15.

§ 130A-297. Receipt and distribution of funds.

The Department may accept loans and grants from the federal government and other sources for carrying out the purposes of this Article, and shall adopt reasonable policies governing the administration and distribution of funds to units of local government, other State agencies, and private agencies, institutions or individuals for studies, investigations, demonstrations, surveys, planning, training, and construction or establishment of solid waste management facilities. (1969, c. 899; 1973, c. 476, s. 128; 1977, 2nd Sess., c. 1216; 1983, c. 1891, s. 2.)

§ 130A-298. Hazardous waste fund.

A nonreverting hazardous waste fund is established within the Department which shall be available to defray the cost to the State for monitoring and care of hazardous waste disposal facilities after the termination of the period during which the facility operator is required by applicable State and federal statutes, rules or regulations to remain responsible for post-closure monitoring and care. The establishment of this fund shall in no way be construed to relieve or reduce the liability of facility operators or any persons for damages caused by the facility. The fund shall be maintained by fees collected pursuant to the provisions of G.S. 130A-294(a)(6). (1981, c. 704, s. 7; 1983, c. 891, s. 2; 1989, c. 168, s. 25.)

§ 130A-299. Single agency designation.

The Department is designated as the single State agency for purposes of RCRA or any State or federal legislation enacted to promote the proper management of solid waste. (1969, c. 899; 1973, c. 476, s. 128; 1977, 2nd Sess., c. 1216; 1983, c. 891, s. 2; 1989, c. 168, s. 26.)

OPINIONS OF ATTORNEY GENERAL

As to North Carolina prohibition of the dumping of waste materials such as bags of medical refuse, especially that which may be hazardous or infectious, into the Atlantic Ocean, the authority of North Carolina with respect to dumping beyond three miles in the ocean which results in wastes entering State waters or being deposited on the State shores and the extent State law applies to such events and what departments are responsible for enforcing such laws. See opinion of Attorney General to Mr. Robert B. Jordan, III, Lieutenant Governor, 58 N.C.A.G. 57 (1988).

§ 130A-300. Effect on laws applicable to water pollution control.

This Article shall not be construed as amending, repealing or in any manner abridging or interfering with those sections of the General Statutes of North Carolina relative to the control of water pollution as now administered by the Environmental Management Commission nor shall the provisions of this Article be construed as being applicable to or in any way affecting the authority of the Environmental Management Commission to control the discharges of wastes to the waters of the State as provided in Articles 21 and 21A, Chapter 143 of the General Statutes. (1977, 2nd Sess., c. 1216; 1983, c. 891, s. 2.)

OPINIONS OF ATTORNEY GENERAL

As to North Carolina prohibition of the dumping of waste materials such as bags of medical refuse, especially that which may be hazardous or infectious, into the Atlantic Ocean, the authority of North Carolina with respect to dumping beyond three miles in the ocean which results in wastes entering State waters or being deposited on the State shores and the extent State law applies to such events and what departments are responsible for enforcing such laws. See opinion of Attorney General to Mr. Robert B. Jordan, III, Lieutenant Governor, 58 N.C.A.G. 57 (1988).

§ 130A-301. Recordation of permits for disposal of waste on land and Notice of Open Dump.

(a) Whenever the Department approves a permit for a sanitary landfill or a facility for the disposal of hazardous waste on land, the owner of the facility shall be granted both an original permit and a copy certified by the Secretary. The permit shall include a legal description of the site that would be sufficient as a description in an instrument of conveyance.

(b) The owner of a facility granted a permit for a sanitary landfill or a facility for the disposal of hazardous waste on land shall file the certified copy of the permit in the office of the register of deeds in the county or counties in which the land is located.

(c) The register of deeds shall record the certified copy of the permit and index it in the grantor index under the name of the owner of the land.

(d) The permit shall not be effective unless the certified copy is filed as required under subsection (b) of this section.

(e) When a sanitary landfill or a facility for the disposal of hazardous waste on land is sold, leased, conveyed or transferred, the deed or other instrument of transfer shall contain in the description section in no smaller type than that used in the body of the deed or instrument a statement that the property has been used as a sanitary landfill or a disposal site for hazardous waste and a reference by book and page to the recordation of the permit.

(f) When the Department determines that an open dump exists, the Department shall notify the owner or operator of the open dump of applicable requirements to take remedial action at the site of the open dump to protect public health and the environment. If the owner or operator fails to take remedial action, the Department may record a Notice of Open Dump in the office of the register of deeds in the county or counties where the open dump is located. Not less than 30 days before recording the Notice of Open Dump, the Department shall notify the owner or operator of its intention to file a Notice of Open Dump. The Department may notify the owner or operator of its intention to file a Notice of Open Dump at the time it notifies the owner or operator of applicable requirements to take remedial action. An owner or operator may challenge a decision of the Department to file a Notice of Open Dump by filing a contested case under Article 3 of Chapter 150B of the General Statutes. If an owner or operator challenges a decision of the Department to file a Notice of Open Dump, the Department shall not file the Notice of Open Dump until the contested case is resolved, but may file a notice of pending litigation under Article 11 of Chapter 1 of the General Statutes. This power is additional and supplemental to any other power granted to the Department. This subsection does not repeal or supersede any statute or rule requiring or authorizing record notice by the owner.

(1) The Department shall file the Notice of Open Dump in the office of the register of deeds in substantially the following form:

> **"NOTICE OF OPEN DUMP**
>
> The Division of Waste Management of the North Carolina Department of Environment and Natural Resources has determined that an open dump exists on the property described below. The Department provides the following information regarding this open dump as a public service. This Notice is filed pursuant to G.S. 130A-301(f).
>
> Name(s) of the record owner(s): ______________________
> Description of the real property: ______________________
> Description of the particular area where the open dump is located: _
> Any person who has questions regarding this Notice should contact the Division of Waste Management of the North Carolina Department of Environment and Natural Resources. The contact person for this Notice is: ______________ who may be reached by telephone at ______________ or by mail at ______________. Requests for inspection and copying of public records regarding this open dump may be directed to ______________ who may be reached by telephone at ______________ or by mail at ______________.
>
> ____
> Secretary of Environment and Natural Resources by ______________ Date: ______________________."

(2) The description of the particular area where the open dump is located shall be based on the best information available to the Department but need not be a survey plat that meets the requirements of G.S. 47-30 unless a survey plat that meets those requirements and that is approved by the Department is furnished by the owner or operator.

(3) The register of deeds shall record the Notice of Open Dump and index it in the grantor index under the name of the record owner or owners. After recording the Notice of Open Dump, the register of deeds shall return the Notice of Open Dump to the Department in care of the person listed as the contact person in the Notice of Open Dump.

(4) When the owner removes all solid waste from the open dump site to the satisfaction of the Department, the Department shall file a Cancellation of the Notice of Open Dump. The Cancellation shall be in a form similar to the original Notice of Open Dump and shall state

that all the solid waste that constituted the open dump has been removed to the satisfaction of the Department. The Cancellation shall be filed and indexed in the same manner as the original Notice of Open Dump. (1973, c. 444; c. 476, s. 128; 1977, 2nd Sess., c. 1216; 1981, c. 480, s. 3; 1983, c. 891, s. 2; 1997-330, s. 2; 1997-443, s. 11A.119(b).)

§ 130A-301.1. Land clearing and inert debris landfills with a disposal area of 1/2 acre or less; recordation.

(a) No landfill for the on-site disposal of land clearing and inert debris shall, at the time the landfill is sited, be sited 50 feet or less from a boundary of an adjacent property.

(b) The owner of a landfill for the on-site disposal of land clearing and inert debris shall file a certified copy of a survey of the property on which the landfill is located in the register of deeds' office in the county in which the property is located, which survey shall accurately show the location of the landfill and the record owner of the land on which the landfill is situated.

(c) Prior to the lease or conveyance of any lot or tract of land which directly abuts or is contiguous to the disposal area used for land clearing and inert debris, the owner of the lot or tract shall prepare a document disclosing that a portion of the property has been used as a disposal area for land clearing and inert debris or has been used to meet applicable minimum buffer requirements. The disclosure shall include a legal description of the property that would be sufficient in an instrument of conveyance and shall be filed in the register of deeds office prior to any lease or conveyance.

(d) No public, commercial, or residential building shall be located or constructed on the property, or any portion of the property on which the landfill for the on-site disposal of land clearing and inert debris is located, 50 feet or less from the landfill. Construction of such buildings, with the exception of site preparation and foundation work, shall not commence until after closure of the on-site land clearing and inert debris landfill.

(e) Source reduction methods including, but not limited to, chipping and mulching of land clearing and inert debris shall be utilized to the maximum degree technically and economically feasible.

(f) The Department of Transportation is exempt from subsections (b) and (c) of this section for the on-site disposal of land clearing and inert debris on highway rights-of-way. (1993 (Reg. Sess., 1994), c. 580, s. 2.)

§ 130A-301.2: Expired September 30, 2003, pursuant to Session Laws 1995, c. 502, s. 4, as amended by Session Laws 2001-357, s. 2.

§ 130A-302. Sludge deposits at sanitary landfills.

Sludges generated by the treatment of wastewater discharges which are point sources subject to permits granted under Section 402 of the Federal Water Pollution Control Act, as amended (P.L. 92-500), or permits generated under G.S. 143-215.1 by the Environmental Management Commission shall not be deposited in or on a sanitary landfill permitted under this Article unless in a compliance with the rules concerning solid waste adopted under this Article. (1977, 2nd Sess., c. 1216; 1983, c. 891, s. 2.)

§ 130A-303. Imminent hazard.

(a) The judgment of the Secretary that an imminent hazard exists concerning solid waste shall be supported by findings of fact made by the Secretary.

(b) In order to eliminate an imminent hazard, the Secretary may, without notice or hearing, issue an order requiring that immediate action be taken to protect the public health or the environment. This order may be directed to a generator or transporter of solid waste or to the owner or operator of a solid waste management facility. Where the imminent hazard is caused by an inactive hazardous substance or waste disposal site, the Secretary shall follow the procedures set forth in G.S. 130A-310.5. (1977, 2nd Sess., c. 1216; 1981, c. 704, s. 7; 1983, c. 891, s. 2; 1987, c. 574, s. 3; 2009-570, s. 27.)

Effect of Amendments. — Session Laws 2009-570, s. 27, effective August 28, 2009, substituted "judgment" for "judgement" near the beginning of subsection (a).

OPINIONS OF ATTORNEY GENERAL

As to North Carolina prohibition of the dumping of waste materials such as bags of medical refuse, especially that which may be hazardous or infectious, into the Atlantic Ocean, the authority of North Carolina with respect to dumping beyond three miles in the ocean which results in wastes entering State waters or being deposited on the State shores and the extent State law applies to such events and what departments are responsible for enforcing such laws. See opinion of Attorney General to Mr. Robert B. Jordan, III, Lieutenant Governor, 58 N.C.A.G. 57 (1988).

§ 130A-304. Confidential information protected.

(a) The following information received or prepared by the Department in the course of carrying out its duties and responsibilities under this Article is confidential information and shall not be subject to disclosure under G.S. 132-6:

(1) Information which the Secretary determines is entitled to confidential treatment pursuant to G.S. 132-1.2. If the Secretary determines that information received by the Department is not entitled to confidential treatment, the Secretary shall inform the person who provided the information of that determination at the time such determination is made. The Secretary may refuse to accept or may return any information that is claimed to be confidential that the Secretary determines is not entitled to confidential treatment.

(2) Information that is confidential under any provision of federal or state law.

(3) Information compiled in anticipation of enforcement or criminal proceedings, but only to the extent disclosure could reasonably be expected to interfere with the institution of such proceedings.

(b) Confidential information may be disclosed to officers, employees, or authorized representatives of federal or state agencies if such disclosure is necessary to carry out a proper function of the Department or the requesting agency or when relevant in any proceeding under this Article.

(c) Except as provided in subsection (b) of this section or as otherwise provided by law, any officer or employee of the State who knowingly discloses information designated as confidential under this section shall be guilty of a Class 1 misdemeanor and shall be removed from office or discharged from employment. (1977, 2nd Sess., c. 1216; 1983, c. 891, s. 2; 1985, c. 738, s. 5; 1987, c. 282, s. 20; 1991, c. 745, s. 2; 1993, c. 539, s. 951; 1994, Ex. Sess., c. 24, s. 14(c).)

OPINIONS OF ATTORNEY GENERAL

Determination of Confidentiality of Information. — Department of Environment and Natural Resources staff should review requests for information by determining whether any of the exemptions from disclosure authorized by the North Carolina Public Records Act apply to the information received or prepared by the department in the course of carrying out its duties and responsibilities under Article 9 of Chapter 130A, G.S. 130A-290 et seq. Department staff must also determine whether such information is subject to any of the exemptions from disclosure pursuant to the Freedom of Information Act (FOIA), either by identifying whether such information was received by a federal agency with the stipulation that it be kept confidential pursuant to a specific FOIA provision or by examining the relevant memorandum of agreement or similar document which should identify the types of documents that the federal agency expects to be treated as confidential pursuant to FOIA. Information at issue must acquire its confidential status pursuant to federal law. See opinion of Attorney General to Mr. Daniel McLawhorn, Office of General Counsel, Department of Environment and Natural Resources, 2001 N.C. AG LEXIS 1 (1/4/2001).

§ 130A-305. Construction.

This Article shall be interpreted as enabling the State to obtain federal financial assistance in carrying out its solid waste management program and to obtain the authority needed to assume primary enforcement responsibility for that portion of the solid waste management program concerning the management of hazardous waste. (1983, c. 891, s. 2.)

§ 130A-306. Emergency Response Fund.

There is established under the control and direction of the Department, an Emergency Response Fund which shall be a nonreverting fund consisting of any money appropriated for such purpose by the General Assembly or available to it from grants, fees, charges, and other money paid to or recovered by or on behalf of the Department pursuant to this Article, except fees and penalties specifically designated by this Article for some other use or purpose. The Emergency Response Fund shall be treated as a special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3. The Fund shall be used to defray expenses incurred by the Department in developing and implementing an emergency hazardous waste remedial plan and to reimburse any federal, State or local agency and any agent or contractor for expenses incurred in developing and implementing such a plan that has been approved by the Department. These funds shall be used upon a determination that sufficient funds or corrective action cannot be obtained from other sources without incurring a delay that would significantly increase the threat to life or risk of damage to the environment. This Fund may not exceed five hundred thousand dollars ($500,000); money in excess of five hundred thousand dollars ($500,000) shall be deposited in the Inactive Hazardous Sites Cleanup Fund. The Secretary is authorized to take the necessary action to recover all costs incurred by the State for site investigation and the development and implementation of an emergency hazardous waste remedial plan, including attorney's fees and other expenses of bringing the cost recovery action from the responsible party or parties. The provisions of G.S. 130A-310.7 shall apply to actions to recover costs under this section except that: (i) reimbursement shall be to the Emergency Response Fund and (ii) the State need not show that it has complied with the provisions of Part 3 of this Article. (1983 (Reg. Sess., 1984), c. 1034, s. 74; 1989, c. 286, s. 1; 1998-215, s. 54(b).)

Legal Periodicals. — For a survey of 1996 developments in constitutional law, see 75 N.C.L. Rev. 2252 (1997).

§ 130A-307: Reserved for future codification purposes.

§ 130A-308. Continuing releases at permitted facilities; notification of completed corrective action.

(a) Standards adopted under G.S. 130A-294(c) and a permit issued under G.S. 130A-294(c) shall require corrective action for all releases of hazardous waste or constituents from any solid waste management unit at a treatment, storage, or disposal facility seeking a permit under G.S. 130A-294(c), regardless of the time at which waste was placed in such unit. Permits issued under G.S. 130A-294(c) which implement Section 3005 of RCRA (42 U.S.C. § 6925) shall contain schedules of compliance for corrective action if corrective action cannot be completed prior to issuance of the permit and establishment of financial assurance for completing corrective action. Notwithstanding any other provision of this section, this section shall apply only to units, facilities, and permits that are covered by Section 3004(u) of RCRA (42 U.S.C. § 6924(u)). Notwithstanding the foregoing, corrective action authorized elsewhere in this Chapter shall not be limited by this section.

(b) The definitions set out in G.S. 130A-310.31(b) apply to this subsection. Any person may submit a written request to the Department for a determination that a corrective action for a release of a hazardous waste or constituents from a solid waste management unit that is a treatment, storage, or disposal facility permitted under G.S 130A-294(c) has been completed to unrestricted use standards. A request for a determination that a corrective action at a facility has been completed to unrestricted use standards shall be accompanied by the fee required by G.S. 130A-310.39(a)(2). If the Department determines that the corrective action at a facility has been completed to unrestricted use standards, the Department shall issue a written notification that no further corrective action will be required at the facility. The notification shall state that no further corrective action will be required at the facility unless the Department later determines, based on new information or information not previously provided to the Department, that the corrective action at the facility has not been completed to unrestricted use standards or that the Department was provided with false or incomplete information. Under any of those circumstances, the Department may withdraw the notification and require responsible parties to take corrective action at a facility to bring the facility into compliance with unrestricted use standards. (1985, c. 738, s. 4; 1989, c. 168, s. 27; 1997-357, s. 4; 2001-384, s. 11; 2007-107, s. 1.1(f).)

Editor's Note. — Session Laws 1997-357, s. 8, provides: "This act shall not be construed to obligate the General Assembly to make any appropriation to implement the provisions of this act. The Department of Environment, Health, and Natural Resources (now the Department of Environment and Natural Resources) shall implement the provisions of this act from funds otherwise available or appropriated to the Department."

Session Laws 2001-384, s. 13, provides: "This act becomes effective 1 September 2001. This act applies to any cleanup of a discharge or release of petroleum from an underground storage tank pursuant to Part 2A of Article 21A of Chapter 143 of the General Statutes except that land-use restrictions and recordation of residual contamination are not required with respect to a discharge or release of petroleum for which the Department of Environment and Natural Resources issued a determination that no further action is required prior to 1 September 2001."

Session Laws 2007-107, s. 6.2, contains a severability clause.

§ 130A-309. Corrective actions beyond facility boundary.

Standards adopted under G.S. 130A-294(c) shall require that corrective action be taken beyond the facility boundary where necessary to protect human health and the environment unless the owner or operator of the facility concerned demonstrates to the satisfaction of the Department that, despite the owner or operator's best efforts, the owner or operator was unable to obtain the necessary permission to undertake such action. Such standards shall take effect upon adoption and shall apply to:

(1) All facilities operating under permits issued under G.S. 130A-294(c); and

(2) All disposal facilities, surface impoundments, and waste pile units (including any new units, replacements of existing units or lateral expansions of existing units) which receive hazardous waste after July 26, 1982.

Pending adoption of such rules, the Department shall issue corrective action orders for facilities referred to in (1) and (2), on a case-by-case basis, consistent with the purposes of this section. Notwithstanding any other provision of this section, this section shall apply only to units, facilities, and permits that are covered by Section 3004(v) of RCRA (42 U.S.C. § 6924(v)). Notwithstanding the foregoing, corrective action authorized elsewhere in this Chapter shall not be limited by this section. (1985, c. 738, s. 4; 1989, c. 168, s. 28.)

Part 2A. Nonhazardous Solid Waste Management.

§ 130A-309.01. Title.

This Part may be cited as the Solid Waste Management Act of 1989. (1989, c. 784, s. 2.)

Cross References. — As to provisions for regional solid waste management authorities, see Article 22 of Chapter 153A, G.S. 153A-421 et seq.

Editor's Note. — Session Laws 2007-550, s. 15, provides: "(a) The Commission for Health Services shall review rules governing the design, construction, operation, maintenance, closure, and post-closure monitoring and maintenance of solid waste management facilities to determine whether changes are required to protect public health, safety, welfare, and the environment; to improve the performance of solid waste management facilities; to take advantage of technological advances in landfill design, construction, operation, maintenance, and closure; and to provide additional protection to environmentally sensitive areas of the State. The Commission shall adopt rules necessary to minimize impacts from solid waste management facilities on public health, safety, welfare, and the environment. These rules shall:

"(1) Establish standards for the collection, control, and utilization or destruction of landfill gases at municipal solid waste landfills.

"(2) Establish standards for the design, construction, operation, maintenance, closure, and post-closure monitoring and maintenance of bioreactor landfills.

"(3) Establish criteria for development of bird and wildlife management plans.

"(4) Incorporate measures necessary to minimize impacts to natural, historic, and cultural resources, including, but not limited to, wetlands, critical fisheries habitats, parks, recreation areas, cultural and historic sites, and potential water supplies.

"(b) This section is effective when it becomes law [August 31, 2007]."

§ 130A-309.02. Applicability.

This Part shall apply to solid waste other than hazardous waste and sludges. (1989, c. 784, s. 2.)

§ 130A-309.03. Findings, purposes.

(a) The General Assembly finds that:

(1) Inefficient and improper methods of managing solid waste create hazards to public health, cause pollution of air and water resources, constitute a waste of natural resources, have an adverse effect on land values, and create public nuisances.

(2) Problems of solid waste management have become a matter statewide in scope and necessitate State action to assist local governments in improving methods and processes to promote more efficient methods of solid waste collection and disposal.

(3) The continuing technological progress and improvements in methods of manufacture, packaging, and marketing of consumer products have resulted in an ever-mounting increase of the mass of material discarded by the purchasers of the products, thereby necessitating a statewide approach to assisting local governments around the State with their solid waste management programs.

(4) The economic growth and population growth of our State have required increased industrial production together with related commercial and agricultural operations to meet our needs, which have resulted in a rising tide of unwanted and discarded materials.

(5) The failure or inability to economically recover material and energy resources from solid waste results in the unnecessary waste and depletion of our natural resources; such that, maximum resource recovery from solid waste and maximum recycling and reuse of the resources must be considered goals of the State.

(6) Certain solid waste, due to its quantity; concentration; or physical, chemical, biological, or infectious characteristics; is exceptionally hazardous to human health, safety, and to the environment; such that exceptional attention to the transportation, disposal, storage, and treatment of the waste is necessary to protect human health, safety, and welfare; and to protect the environment.

(7) This Part should be integrated with other State laws and rules and applicable federal law.

(b) It is the purpose of this Part to:

(1) Regulate in the most economically feasible, cost-effective, and environmentally safe manner the storage, collection, transport, separation, processing, recycling, and disposal of solid waste in order to protect the public health, safety, and welfare; enhance the environment for the people of this State; and recover resources which have the potential for further usefulness.

(2) Establish and maintain a cooperative State program of planning, technical assistance, and financial assistance for solid waste management.

(3) Require counties and municipalities to adequately plan and provide efficient, environmentally acceptable solid waste management programs; and require counties to plan for proper hazardous waste management.

(4) Require review of the design, and issue permits for the construction, operation, and closure of solid waste management facilities.

(5) Promote the application of resource recovery systems that preserve and enhance the quality of air, water, and land resources.

(6) Ensure that exceptionally hazardous solid waste is transported, disposed of, stored, and treated in a manner adequate to protect human health, safety, and welfare; and the environment.

(7) Promote the reduction, recycling, reuse, or treatment of solid waste, specifically including hazardous waste, in lieu of disposal of the waste.

(8) Promote methods and technology for the treatment, disposal, and transportation of hazardous waste which are practical, cost-effective, and economically feasible.

(9) Encourage counties and municipalities to utilize all means reasonably available to promote efficient and proper methods of managing solid waste and to promote the economical recovery of material and energy resources from solid waste, including contracting with persons to provide or operate resource recovery services or facilities on behalf of the county or municipality.

(10) Promote the education of the general public and the training of solid waste professionals to reduce the production of solid waste, to ensure proper disposal of solid waste, and to encourage recycling.

(11) Encourage the development of waste reduction and recycling as a means of managing solid waste, conserving resources, and supplying energy through planning, grants, technical assistance, and other incentives.

(12) Encourage the development of the State's recycling industry by promoting the successful development of markets for recycled items and by promoting the acceleration and advancement of the technology used in manufacturing processes that use recycled items.

(13) Give the State a leadership role in recycling efforts by granting a preference in State purchasing to products with recycled content.

(14) Require counties to develop and implement recycling programs so that valuable materials may be returned to productive use, energy and natural resources conserved, and the useful life of solid waste management facilities extended.

(15) Ensure that medical waste is transported, stored, treated, and disposed of in a manner sufficient to protect human health, safety, and welfare; and the environment.

(16) Require counties, municipalities, and State agencies to determine the full cost of providing storage, collection, transport, separation, processing, recycling, and disposal of solid waste in an environmentally safe manner; and encourage counties, municipalities, and State agencies to contract with private persons for any or all the services in order to assure that the services are provided in the most cost-effective manner. (1989, c. 784, s. 2.)

CASE NOTES

Cited in County of Wake v. N.C. Dep't of Env't & Natural Res., 155 N.C. App. 225, 573 S.E.2d 572, 2002 N.C. App. LEXIS 1632 (2002).

§ 130A-309.04. State solid waste management policy and goals.

(a) It is the policy of the State to promote methods of solid waste management that are alternatives to disposal in landfills and to assist units of local government with solid waste management. In furtherance of this State policy, there is established a hierarchy of methods of managing solid waste, in descending order of preference:

(1) Waste reduction at the source;
(2) Recycling and reuse;
(3) Composting;
(4) Incineration with energy recovery;
(5) Incineration without energy recovery;

(6) Disposal in landfills.

(b) It is the policy of the State to encourage research into innovative solid waste management methods and products and to encourage regional solid waste management projects.

(c) It is the goal of this State to reduce the municipal solid waste stream, primarily through source reduction, reuse, recycling, and composting, by forty percent (40%) on a per capita basis by 30 June 2001.

(1), (2) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 8.

(c1) To measure progress toward the municipal solid waste reduction goal in a given year, comparison shall be made between the amount by weight of the municipal solid waste that, during the baseline year and the given year, is received at municipal solid waste management facilities and is:

(1) Disposed of in a landfill;
(2) Incinerated;
(3) Converted to tire-derived fuel; or
(4) Converted to refuse-derived fuel.

(c2) Comparison shall be between baseline and given years beginning on 1 July and ending on 30 June of the following year. The baseline year shall be the year beginning 1 July 1991 and ending 30 June 1992. However, a unit of local government may use an earlier baseline year if it demonstrates to the satisfaction of the Department that it has sufficient data to support the use of the earlier baseline year.

(c3) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 8.

(d) In furtherance of the State's solid waste management policy, each State agency shall develop a solid waste management plan that is consistent with the solid waste management policy of the State.

(d1) It is the policy of the State to obtain, to the extent practicable, economic benefits from the recovery from solid waste and reuse of material and energy resources. In furtherance of this policy, it is the goal of the State to foster partnerships between the public and private sectors that strengthen the supply of, and demand for, recyclable and reusable materials and that foster opportunities for economic development from the recovery and reuse of materials.

(e), (f) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 8. (1989, c. 784, s. 2; 1991, c. 621, s. 2; 1991 (Reg. Sess., 1992), c. 1013, s. 6; 1995 (Reg. Sess., 1996), c. 594, s. 8.)

Editor's Note. — Session Laws 1991 (Reg. Sess., 1992), c. 1013, which amended this section, in s. 8 provides: "Any contract for solid waste collection or disposal entered into by any county, city, or town that would have been lawful if this act had been in effect at the time the contract was entered into is validated. The provisions of this act that limit a contract or franchise for the collection and disposal of solid waste to a period of not more than 30 years shall not be construed to invalidate any contract or franchise for a longer period up to 60 years that was entered into by any county, city, or town prior to the date this act is effective." The act became effective July 22, 1992.

§ 130A-309.05. Regulated wastes; certain exclusions.

(a) Notwithstanding other provisions of this Article, the following waste shall be regulated pursuant to this Part:

(1) Medical waste; and
(2) Ash generated by a solid waste management facility from the burning of solid waste.

(b) Ash generated by a solid waste management facility from the burning of solid waste shall be disposed of in a properly designed solid waste disposal area that complies with standards developed by the Department for the disposal of the ash. The Department shall work with solid waste management facilities that burn solid waste to identify and develop methods for recycling and reusing incinerator ash or treated ash.

(c) Recovered material is not subject to regulation as solid waste under this Article. In order for a material that would otherwise be regulated as solid waste to qualify as a recovered material, the Department may require any person who owns or has control over the material to demonstrate that the material meets the requirements of this subsection. In order to protect public health and the environment, the Commission may adopt rules to implement this subsection. In order to qualify as a recovered material:

(1) A majority of the recovered material at a facility shall be sold, used, or reused within one year;

(2) The recovered material or the products or by-products of operations that process recovered material shall not be discharged, deposited, injected, dumped, spilled, leaked, or placed into or upon any land or water so that the products or by-products or any constituent thereof may enter other lands or be emitted into the air or discharged into any waters including groundwaters, or otherwise enter the environment or pose a threat to public health and safety; and

(3) The recovered material shall not be a hazardous waste or have been recovered from a hazardous waste. (1989, c. 784, s. 2; 1995 (Reg. Sess., 1996), c. 594, s. 9.)

§ 130A-309.06. Additional powers and duties of the Department.

(a) In addition to other powers and duties set forth in this Part, the Department shall:

(1) Develop a comprehensive solid waste management plan consistent with this Part. The plan shall be developed in consultation with units of local government and shall be updated at least every three years. In developing the State solid waste management plan, the Department shall hold public hearings around the State and shall give notice of these public hearings to all units of local government and regional planning agencies.

(2) Provide guidance for the orderly collection, transportation, storage, separation, processing, recovery, recycling, and disposal of solid waste throughout the State.

(3) Encourage coordinated local activity for solid waste management within a common geographical area.

(4) Provide planning, technical, and financial assistance to units of local government and State agencies for reduction, recycling, reuse, and processing of solid waste and for safe and environmentally sound solid waste management and disposal.

(5) Cooperate with appropriate federal agencies, local governments, and private organizations in carrying out the provisions of this Part.

(6) Promote and assist the development of solid waste reduction, recycling, and resource recovery programs that preserve and enhance the quality of the air, water, and other natural resources of the State.

(7) Maintain a directory of recycling and resource recovery systems in the State and provide assistance with matching recovered materials with markets.

(8) Manage a program of grants for programs for recycling and special waste management, and for programs that provide for the safe and proper management of solid waste.

(9) Provide for the education of the general public and the training of solid waste management professionals to reduce the production of solid

waste, to ensure proper processing and disposal of solid waste, and to encourage recycling and solid waste reduction.

(10) Develop descriptive literature to inform units of local government of their solid waste management responsibilities and opportunities.

(11) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 10.

(12) Provide and maintain recycling bins for the collection and recycling of newspaper, aluminum cans, glass containers, and recyclable plastic beverage containers at the North Carolina Zoological Park.

(13) Identify, based on reports required under G.S. 130A-309.14 and any other relevant information, those materials in the municipal solid waste stream that are marketable in the State or any portion thereof and that should be recovered from the waste stream prior to treatment or disposal.

(14) Identify and analyze, with assistance from the Department of Commerce pursuant to G.S. 130A-309.14, components of the State's recycling industry and present and potential markets for recyclable materials in this State, other states, and foreign countries.

(b) Repealed by Session Laws 2007-550, s. 6(b), effective August 1, 2007, and applicable to any application for a permit for a solid waste management facility that is pending on that date.

(c) The Department shall report to the Environmental Review Commission on or before 15 January of each year on the status of solid waste management efforts in the State. The report shall include:

(1) A comprehensive analysis, to be updated in each report, of solid waste generation and disposal in the State projected for the 20-year period beginning on 1 July 1991.

(2) The total amounts of solid waste recycled and disposed of and the methods of solid waste recycling and disposal used during the calendar year prior to the year in which the report is published.

(3) An evaluation of the development and implementation of local solid waste management programs and county and municipal recycling programs.

(4) An evaluation of the success of each county or group of counties in meeting the municipal solid waste reduction goal established in G.S. 130A-309.04.

(5) Recommendations concerning existing and potential programs for solid waste reduction and recycling that would be appropriate for units of local government and State agencies to implement to meet the requirements of this Part.

(6) An evaluation of the recycling industry, the markets for recycled materials, the recycling of polystyrene, and the success of State, local, and private industry efforts to enhance the markets for these materials.

(7) Recommendations to the Governor and the Environmental Review Commission to improve the management and recycling of solid waste in the State, including any proposed legislation to implement the recommendations.

(8) A description of the condition of the Solid Waste Management Trust Fund and the use of all funds allocated from the Solid Waste Management Trust Fund, as required by G.S. 130A-309.12(c).

(9) A description of the review and revision of bid procedures and the purchase and use of reusable, refillable, repairable, more durable, and less toxic supplies and products by both the Department of Administration and the Department of Transportation, as required by G.S. 130A-309.14(a1)(3).

(10) A description of the implementation of the North Carolina Scrap Tire Disposal Act that includes the beginning and ending balances in the

Scrap Tire Disposal Account for the reporting period, the amount credited to the Scrap Tire Disposal Account during the reporting period, and the amount of revenue used for grants and to clean up nuisance tire collection sites, as required by G.S. 130A-309.63(e).

(11) A description of the management of white goods in the State, as required by G.S. 130A-309.85.

(12) A summary of the report by the Department of Transportation on the amounts and types of recycled materials that were specified or used in contracts that were entered into by the Department of Transportation during the previous fiscal year, as required by G.S. 136-28.8(g).

(13) A summary of the reports by each State department, institution, agency, community college, and local school administrative unit authorized to purchase materials and supplies detailing the amounts and types of materials and supplies with recycled content that were purchased during the previous fiscal year and the progress toward reaching the goals under G.S. 143-58.3, as required by G.S. 143-58.2(f).

(14) **(Expiring October 1, 2023)** A description of the activities related to the management of abandoned manufactured homes in the State in accordance with G.S. 130A-117, the beginning and ending balances in the Solid Waste Management Trust Fund for the reporting period and the amount of funds used, itemized by county, for grants made under Part 2F of Article 9 of Chapter 130A of the General Statutes.

(d) Repealed by Session Laws 2001-452, s. 3.1, effective October 28, 2001. (1989, c. 784, s. 2; 1991, c. 336, s. 4; c. 621, ss. 3, 4; 1993, c. 250, s. 3; 1995 (Reg. Sess., 1996), c. 594, s. 10; 2001-452, s. 3.1; 2007-550, s. 6(b); 2008-136, s. 2.)

Editor's Note. — Session Laws 1991, c. 336, s. 5, provides: "This act shall not be construed to obligate the General Assembly to make any appropriation to implement the provisions of this act. Each department and agency to which this act applies shall implement the provisions of this act from funds otherwise appropriated to that department or agency."

G.S. 143-58.2(f), referred to in subdivision (c)(13), was repealed by Session Laws 2009-484, s. 15.

Effect of Amendments. — Session Laws 2008-136, s. 2, effective July 1, 2009, and expiring October 1, 2023, added subdivision (c)(14).

§ 130A-309.07. State solid waste management plan.

The State solid waste management plan shall include, at a minimum:

(1) Procedures to encourage cooperative efforts in solid waste management by counties and municipalities and groups of counties and municipalities where appropriate, including the establishment of joint agencies pursuant to G.S. 160A-462.

(2) Provisions for the continuation of existing effective regional resource recovery, recycling, and solid waste management facilities and programs.

(3) Planning guidance and technical assistance to counties and municipalities to aid in meeting the municipal solid waste reduction goals established in G.S. 130A-309.04.

(4) Planning guidance and technical assistance to counties and municipalities to assist the development and implementation of solid waste reduction programs.

(5) Technical assistance to counties and municipalities in determining the full cost for solid waste management as required in G.S. 130A-309.08.

(6) Planning guidance and technical assistance to counties and municipalities to assist the development and implementation of programs for alternative disposal, processing, or recycling of the solid wastes

prohibited from disposal in landfills pursuant to G.S. 130A-309.10 and for special wastes.

(7) A public education program, to be developed in cooperation with the Department of Public Instruction, units of local government, other State agencies, and business and industry organizations, to inform the public of the need for and the benefits of recycling solid waste and reducing the amounts of solid and hazardous waste generated and disposed of in the State. The public education program shall be implemented through public workshops and through the use of brochures, reports, public service announcements, and other materials.

(8) Provisions to encourage partnerships between the public and private sectors that strengthen the supply of, and demand for, recyclable materials and that foster opportunities for economic development from the recovery and reuse of materials. (1989, c. 784, s. 2; 1991, c. 621, s. 5; 1995 (Reg. Sess., 1996), c. 594, s. 11.)

§ 130A-309.08. Determination of cost for solid waste management; local solid waste management fees.

(a) Each county and each municipality shall annually determine the full cost for solid waste management within the service area of the county or municipality for the preceding year. The Commission shall establish by rule the method for units of local government to use in calculating full cost.

(b) Each municipality shall establish a system to inform, no less than once a year, residential and nonresidential users of solid waste management services within the municipality's service area of the user's share, on an average or individual basis, of the full cost for solid waste management as determined pursuant to subsection (a) of this section. Counties shall provide the information required of municipalities only to residential and nonresidential users of solid waste management services within the county's service area that are not served by a municipality. Municipalities shall include costs charged to them or to persons contracting with them for disposal of solid waste in the full cost information provided to residential and nonresidential users of solid waste management services. Counties and municipalities are encouraged to operate their solid waste management systems through use of an enterprise fund.

(c) For purposes of this section, "service area" means the area in which the county or municipality provides, directly or by contract, solid waste management services. The provisions of this section shall not be construed to require a person operating under a franchise contract or other agreement to collect or dispose of solid waste within the service area of a county or municipality to make the calculations or to establish a system to provide the information required under this section, unless such person agrees to do so as part of such franchise contract or other agreement.

(d) A county may charge fees for the collection, processing, or disposal of solid waste as provided in Article 15 of Chapter 153A of the General Statutes. A city may charge fees for the collection, processing, or disposal of solid waste as provided in Article 16 of Chapter 160A of the General Statutes.

(e), (f) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 12. (1989, c. 784, s. 2; 1991, c. 621, s. 6; 1995 (Reg. Sess., 1996), c. 594, s. 12.)

§ 130A-309.09: Recodified as G.S. 130A-309.09A to 130A.09C by Session Laws 1991, c. 621, ss. 7 through 10.

§ 130A-309.09A. Local government solid waste responsibilities.

(a) The governing board of each unit of local government shall assess local solid waste collection services and disposal capacity and shall determine the adequacy of collection services and disposal capacity to meet local needs and to protect human health and the environment. Each unit of local government shall implement programs and take other actions that it determines are necessary to address deficiencies in service or capacity required to meet local needs and to protect human health and the environment. A unit of local government may adopt ordinances governing the disposal, in facilities that it operates, of solid waste generated outside of the area designated to be served by the facility. Such ordinances shall not be construed to apply to privately operated disposal facilities located within the boundaries of the unit of local government.

(b) Each unit of local government, either individually or in cooperation with other units of local government, shall develop a 10-year comprehensive solid waste management plan. Units of local government shall make a good-faith effort to achieve the State's forty percent (40%) municipal solid waste reduction goal and to comply with the State's comprehensive solid waste management plan. Each unit of local government shall develop its solid waste management plan with public participation, including, at a minimum, one advertised public meeting. The Department shall assist units of local government in the preparation of the plan required by this subsection if the unit of local government requests assistance. Each plan shall be updated at least every three years. In order to assure compliance with this subsection, each unit of local government shall provide the Department with a copy of its current plan upon request by the Department. Each plan shall:

(1) Evaluate the solid waste stream in the geographic area covered by the plan.

(2) Include a goal for the reduction of municipal solid waste on a per capita basis by 30 June 2001 and a goal for the further reduction of municipal solid waste by 30 June 2006. The solid waste reduction goals shall be determined by the unit or units of local government that prepare the plan, and shall be determined so as to assist the State, to the maximum extent practical, to achieve the State's forty percent (40%) municipal solid waste reduction goal as set out in G.S. 130A-309.04(c).

(3) Be designed to achieve the solid waste reduction goals established by the plan.

(4) Include a description of the process by which the plan was developed, including provisions for public participation in the development of the plan.

(5) Include an assessment of current programs and a description of intended actions with respect to the following solid waste management methods:
   a. Reduction at the source.
   b. Collection.
   c. Recycling and reuse.
   d. Composting and mulching.
   e. Incineration with energy recovery.
   f. Incineration without energy recovery.
   g. Transfer outside the geographic area covered by the plan.
   h. Disposal.

(6) Include an assessment of current programs and a description of intended actions with respect to:

a. Education with the community and through the schools.
b. Management of special wastes.
c. Prevention of illegal disposal and management of litter.
d. Purchase of recycled materials and products manufactured with recycled materials.
e. **(Effective July 1, 2010)** For each county and each municipality with a population in excess of 25,000, collection of discarded computer equipment and televisions, as defined in G.S. 130A-309.91.

(7) Include a description and assessment of the full cost of solid waste management, including the costs of collection, disposal, waste reduction, and other programs, and of the methods of financing those costs.
(8) Consider the use of facilities and other resources for management of solid waste that may be available through private enterprise.
(9) **(Expires October 1, 2023)** Include as a component a written plan for the management of abandoned manufactured homes as required under G.S. 130A-309.113(a).

(c) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 12.

(d) In order to assess the progress in meeting the goal set out in G.S. 130A-309.04, each unit of local government shall report to the Department on the solid waste management programs and waste reduction activities within the unit of local government by 1 September of each year. At a minimum, the report shall include:

(1) A description of public education programs on recycling.
(2) The amount of solid waste received at municipal solid waste management facilities, by type of solid waste.
(3) The amount and type of materials from the solid waste stream that were recycled.
(4) The percentage of the population participating in various types of recycling activities instituted.
(5) The annual reduction in municipal solid waste, measured as provided in G.S. 130A-309.04.
(6) Information regarding programs and other actions implemented as part of the local comprehensive solid waste management plan.
(7) A statement of the costs of solid waste management programs implemented by the unit of local government and the methods of financing those costs.

(e) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 13.

(f) Each operator of a municipal solid waste management facility shall weigh all solid waste when it is received.

(g) A unit of local government that is a collector of municipal solid waste shall not knowingly collect for disposal, and the owner or operator of a municipal solid waste management facility that is owned or operated by a unit of local government shall not knowingly dispose of, any type or form of municipal solid waste that is generated within the boundaries of a unit of local government that by ordinance:

(1) Prohibits generators or collectors of municipal solid waste from disposing of that type or form of municipal solid waste.
(2) Requires generators or collectors of municipal solid waste to recycle that type or form of municipal solid waste. (1989, c. 784, s. 2; 1989 (Reg. Sess., 1990), c. 1009, s. 4; 1991, c. 621, s. 7; 1995 (Reg. Sess., 1996), c. 594, s. 13; 2007-550, s. 16.2; 2008-136, s. 3; 2008-198, s. 11.4; 2008-208, ss. 2, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 594, s. 30(a), effective October 1, 1996, provides: "Each unit of local government shall adopt a resolution approving the comprehensive solid waste management plan required by G.S. 130A-309.09A, as amended by Section 13 of this act, and shall begin implementation of the plan by 1 July 1997. Units of local government that prepared a solid waste management plan pursuant to G.S. 130A-309.09A(b) prior to the date this act becomes effective may, in lieu of developing a new plan, update their existing plan to meet the requirements of G.S. 130A-309.09A(b), as amended by Section 13 of this act."

Session Laws 2007-550, s. 16.6(b), as amended by Session Laws 2008-208, s. 7, Session Laws 2008-198, s. 11.4, Session Laws 2009-484, s. 16(a), and Session Laws 2009-550, s. 10(a), makes subdivision (b)(6)e effective July 1, 2010.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by 2009-550, s. 10(b), makes the amendment to this section by Session Laws 2008-208, s. 2, effective July 1, 2010.

Effect of Amendments. — Session Laws 2008-136, s. 3, effective July 1, 2009 and expiring October 1, 2023, added subdivision (b)(9).

Session Laws 2008-208, s. 2, effective August 9, 2008, inserted "and televisions" in subdivision (b)(6)e.

CASE NOTES

County was liable to landowner for temporary taking of easement across county's landfill where regulations were promulgated under G.S. 130A-294 requiring that the facility be secured by means of gates, chains, berms, fences, and other security measures to prevent unauthorized entry. Tolbert v. County of Caldwell, 121 N.C. App. 653, 468 S.E.2d 504 (1996).

§ 130A-309.09B. Local government waste reduction programs.

(a) Each unit of local government shall establish and maintain a solid waste reduction program that will enable the unit of local government to meet the local solid waste reduction goals established pursuant to G.S. 130A-309.09A(b)(2). The following requirements shall apply:

(1) Demolition debris consisting of used asphalt or used asphalt mixed with dirt, sand, gravel, rock, concrete, or similar nonhazardous material may be used as fill and need not be disposed of in a permitted landfill or solid waste disposal facility, provided that demolition debris may not be placed in the waters of the State or at or below the seasonal high water table.

(2) Repealed by Session Laws 1991, c. 621, s. 8.

(3) Units of local government are encouraged to separate marketable plastics, glass, metal, and all grades of paper for recycling prior to final disposal and are further encouraged to recycle yard trash and other organic solid waste into compost available for agricultural and other acceptable uses.

(b) To the maximum extent practicable, units of local government should participate in the preparation and implementation of joint waste reduction and solid waste management programs, whether through joint agencies established pursuant to G.S. 153A-421, G.S. 160A-462, or any other means provided by law. Nothing in a county's solid waste management or waste reduction program shall affect the authority of a municipality to franchise or otherwise provide for the collection of solid waste generated within the boundaries of the municipality.

(c) through (e) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 14.

(f) A county or counties and its or their municipalities may jointly determine, through a joint agency established pursuant to G.S. 153A-421 or G.S. 160A-462, which local governmental agency shall administer a solid waste management or waste reduction program.

(g) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 14. (1989, c. 784, s. 2; 1989 (Reg. Sess., 1990), c. 1009, s. 4; 1991, c. 537, s. 2; c. 621, s. 8; 1993, c. 86, s. 1; 1995 (Reg. Sess., 1996), c. 594, s. 14.)

§ 130A-309.09C. Additional powers of local governments; construction of this Part; effect of noncompliance.

(a) To effect the purposes of this Part, counties and municipalities are authorized, in addition to other powers granted pursuant to this Part:

(1) To contract with persons to provide resource recovery services or operate resource recovery facilities on behalf of the county or municipality.

(2) To indemnify persons providing resource recovery services or operating resource recovery facilities for liabilities or claims arising out of the provision or operation of such services or facilities that are not the result of the sole negligence of the persons providing the services or operating the facilities.

(3) To contract with persons to provide solid waste disposal services or operate solid waste disposal facilities on behalf of the county or municipality.

(b) A county or municipality may enter into a written agreement with other persons, including persons transporting solid waste, to undertake to fulfill some or all of the county's or municipality's responsibilities under this Part.

(c) Nothing in this Part shall be construed to prevent the governing board of any county or municipality from providing by ordinance or regulation for solid waste management standards which are stricter or more extensive than those imposed by the State solid waste management program and rules and orders issued to implement the State program.

(d) Nothing in this Part or in any rule adopted by any agency shall be construed to require any county or municipality to participate in any regional solid waste management until the governing board of the county or municipality has determined that participation in such a program is economically feasible for that county or municipality. Nothing in this Part or in any special or local act or in any rule adopted by any agency shall be construed to limit the authority of a municipality to regulate the disposal of solid waste located within its boundaries or generated within its boundaries so long as a facility for any such disposal has been approved by the Department, unless the municipality is included within a solid waste management program created under a joint agency or special or local act. If bonds had been issued to finance a solid waste management program in reliance on State law granting to a unit of local government, a region, or a special district the responsibility for the solid waste management program, nothing herein shall permit any governmental agency to withdraw from the program if the agency's participation is necessary for the financial feasibility of the project, so long as the bonds are outstanding.

(e) Nothing in this Part or in any rule adopted by any State agency pursuant to this Part shall require any person to subscribe to any private solid waste collection service.

(f) In the event a region, special district, or other entity by special act or joint agency, has been established to manage solid waste, any duty or responsibility or penalty imposed under this Part on a unit of local government shall apply to such region, special district, or other entity to the extent of the grant of the duty or responsibility or imposition of such penalty. To the same extent, such region, special district, or other entity shall be eligible for grants or other benefits provided pursuant to this Part.

(g) In addition to any other penalties provided by law, a unit of local government that does not comply with the requirements of G.S. 130A-309.09A(b) and G.S. 130A-309.09B(a) shall not be eligible for grants from the Solid Waste Management Trust Fund, the Scrap Tire Disposal Account, or the

White Goods Management Account and shall not receive the proceeds of the scrap tire disposal tax imposed by Article 5B of Chapter 105 of the General Statutes or the proceeds of the white goods disposal tax imposed by Article 5C of Chapter 105 of the General Statutes to which the unit of local government would otherwise be entitled. The Secretary shall notify the Secretary of Revenue to withhold payment of these funds to any unit of local government that fails to comply with the requirements of G.S. 130A-309.09A(b) and G.S. 130A-309.09B(a). Proceeds of the scrap tire disposal tax that are withheld pursuant to this subsection shall be credited to the Scrap Tire Disposal Account and may be used as provided in G.S. 130A-309.63. Proceeds of the white goods disposal tax that are withheld pursuant to this subsection shall be credited to the White Goods Management Account and may be used as provided in G.S. 130A-309.83. (1989, c. 784, s. 2; 1989 (Reg. Sess., 1990), c. 1009, s. 4; 1991, c. 621, s. 9; 1995 (Reg. Sess., 1996), c. 594, s. 15.)

§ 130A-309.09D. Responsibilities of generators of municipal solid waste owners and operators of privately owned solid waste management facilities and collectors of municipal solid waste.

(a) A generator of municipal solid waste shall not knowingly dispose of, a collector of municipal solid waste shall not knowingly collect for disposal, and the owner or operator of a privately owned or operated municipal solid waste management facility shall not knowingly dispose of, any type or form of municipal solid waste that is generated within the boundaries of a unit of local government that by ordinance:

(1) Prohibits generators or collectors of municipal solid waste from disposing of that type or form of municipal solid waste.

(2) Requires generators or collectors of municipal solid waste to recycle that type or form of municipal solid waste.

(b) On or before 1 August, the owner or operator of a privately owned solid waste management facility shall report to the Department, for the previous year beginning 1 July and ending 30 June, the amount by weight of the solid waste that was received at the facility and disposed of in a landfill, incinerated, or converted to fuel. To the maximum extent practicable, the reports shall indicate by weight the county of origin of all solid waste. The owner or operator shall transmit a copy of the report to the county in which the facility is located and to each county from which solid waste originated.

(c) A generator of industrial solid waste that owns and operates an industrial solid waste facility for the management of industrial solid waste generated by that generator shall develop a 10-year waste management plan. The plan shall be updated at least every three years. In order to assure compliance with this subsection, each generator to which this subsection applies shall provide the Department with a copy of its current plan upon request by the Department. Each generator to which this subsection applies shall file a report on its implementation of the plan required by this subsection with the Department by 1 August of each year. A generator to which this subsection applies may provide the Department with a copy of a current plan prepared pursuant to an ordinance adopted by a unit of local government or prepared for any other purpose if the plan meets the requirements of this subsection. The plan shall have the following components:

(1) A waste reduction goal established by the generator.

(2) Options for the management and reduction of wastes evaluated by the generator.

(3) A waste management strategy, including plans for waste reduction and waste disposal, for the 10-year period covered by the plan. (1991, c. 621, s. 11; 1995 (Reg. Sess., 1996), c. 594, s. 16.)

§ 130A-309.10. Prohibited acts relating to packaging; coded labeling of plastic containers required; disposal of certain solid wastes in landfills or by incineration prohibited.

(a) No beverage shall be sold or offered for sale within the State in a beverage container designed and constructed so that the container is opened by detaching a metal ring or tab.

(b) No person shall distribute, sell, or offer for sale in this State, any product packaged in a container or packing material manufactured with fully halogenated chlorofluorocarbons (CFC). Producers of containers or packing material manufactured with chlorofluorocarbons (CFC) are urged to introduce alternative packaging materials that are environmentally compatible.

(c)(1) No plastic bag shall be provided at any retail outlet to any retail customer to use for the purpose of carrying items purchased by that customer unless the bag is composed of material that is recyclable.

(2) It is the goal of the State that at least twenty-five percent (25%) of the plastic bags provided at retail outlets in the State to retail customers for carrying items purchased by the customer be recycled.

(d)(1) No person shall distribute, sell, or offer for sale in this State any polystyrene foam product that is to be used in conjunction with food for human consumption unless the product is composed of material that is recyclable.

(2) Repealed by Session Laws 1995, c. 321, s. 1.

(e) No person shall distribute, sell, or offer for sale in this State any rigid plastic container, including a plastic beverage container unless the container has a molded label indicating the plastic resin used to produce the container. The code shall consist of a number placed within three triangulated arrows and letters placed below the triangulated arrows. The three arrows shall form an equilateral triangle with the common point of each line forming each angle of the triangle at the midpoint of each arrow and rounded with a short radius. The arrowhead of each arrow shall be at the midpoint of each side of the triangle with a short gap separating the arrowhead from the base of the adjacent arrow. The triangle formed by the three arrows curved at their midpoints shall depict a clockwise path around the code number. The label shall appear on or near the bottom of the container and be clearly visible. A container having a capacity of less than eight fluid ounces or more than five gallons is exempt from the requirements of this subsection. The numbers and letters shall be as follows:

(1) For polyethylene terephthalate, the letters "PETE" and the number 1.
(2) For high density polyethylene, the letters "HDPE" and the number 2.
(3) For vinyl, the letter "V" and the number 3.
(4) For low density polyethylene, the letters "LDPE" and the number 4.
(5) For polypropylene, the letters "PP" and the number 5.
(6) For polystyrene, the letters "PS" and the number 6.
(7) For any other, the letters "OTHER" and the number 7.

(f) No person shall knowingly dispose of the following solid wastes in landfills:

(1) Repealed by Session Laws 1991, c. 375, s. 1.
(2) Used oil.
(3) Yard trash, except in landfills approved for the disposal of yard trash under rules adopted by the Commission. Yard trash that is source separated from solid waste may be accepted at a solid waste disposal area where the area provides and maintains separate yard trash composting facilities.
(4) White goods.

(5) Antifreeze (ethylene glycol).
(6) Aluminum cans.
(7) Whole scrap tires, as provided in G.S. 130A-309.58(b). The prohibition on disposal of whole scrap tires in landfills applies to all whole pneumatic rubber coverings, but does not apply to whole solid rubber coverings.
(8) Lead-acid batteries, as provided in G.S. 130A-309.70.
(9) Beverage containers that are required to be recycled under G.S. 18B-1006.1.
(10) Motor vehicle oil filters.
(11) Recyclable rigid plastic containers that are required to be labeled as provided in subsection (e) of this section, that have a neck smaller than the body of the container, and that accept a screw top, snap cap, or other closure. The prohibition on disposal of recyclable rigid plastic containers in landfills does not apply to rigid plastic containers that are intended for use in the sale or distribution of motor oil or pesticides.
(12) Wooden pallets, except that wooden pallets may be disposed of in a landfill that is permitted to only accept construction and demolition debris.
(13) Oyster shells.
(14) **(Effective January 1, 2011)** Discarded computer equipment, as defined in G.S. 130A-309.91.
(15) **(Effective January 1, 2011)** Discarded televisions, as defined in G.S. 130A-309.91.

(f1) No person shall knowingly dispose of the following solid wastes by incineration in an incinerator for which a permit is required under this Article:
(1) Antifreeze (ethylene glycol) used solely in motor vehicles.
(2) Aluminum cans.
(3) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 17.
(4) White goods.
(5) Lead-acid batteries, as provided in G.S. 130A-309.70.
(6) Beverage containers that are required to be recycled under G.S. 18B-1006.1.
(7) **(Effective January 1, 2011)** Discarded computer equipment, as defined in G.S. 130A-309.91.
(8) **(Effective January 1, 2011)** Discarded televisions, as defined in G.S. 130A-309.91.

(f2) Subsection (f1) of this section shall not apply to solid waste incinerated in an incinerator solely owned and operated by the generator of the solid waste. Subsection (f1) of this section shall not apply to antifreeze (ethylene glycol) that cannot be recycled or reclaimed to make it usable as antifreeze in a motor vehicle.

(g) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 17.

(h) The accidental or occasional disposal of small amounts of prohibited solid waste by landfill shall not be construed as a violation of subsection (f) of this section.

(i) The accidental or occasional disposal of small amounts of prohibited solid waste by incineration shall not be construed as a violation of subsection (f1) of this section if the Department has approved a plan for the incinerator as provided in subsection (j) of this section or if the incinerator is exempt from subsection (j) of this section.

(j) The Department may issue a permit pursuant to this Article for an incinerator that is subject to subsection (f1) of this section only if the applicant for the permit has a plan approved by the Department pursuant to this subsection. The applicant shall file the plan at the time of the application for the permit. The Department shall approve a plan only if it complies with the requirements of this subsection. The plan shall provide for the implementation of a program to prevent the incineration of the solid waste listed in subsection (f1) of this section. The program shall include the random visual inspection prior to incineration of at least ten percent (10%) of the solid waste to be incinerated. The program shall also provide for the retention of the records of the random visual inspections and the training of personnel to recognize the solid waste listed in subsection (f1) of this section. If a random visual inspection discovers solid waste that may not be incinerated pursuant to subsection (f1) of this section, the program shall provide that the operator of the incinerator shall dispose of the solid waste in accordance with applicable federal and State laws, regulations, and rules. This subsection does not apply to an incinerator that disposes only of medical waste.

(k) A county or city may petition the Department for a waiver from the prohibition on disposal of a material described in subdivisions (9), (10), (11) and (12) of subsection (f) of this section in a landfill based on a showing that prohibiting the disposal of the material would constitute an economic hardship.

(*l*) Oyster shells that are delivered to a landfill shall be stored at the landfill for at least 90 days or until they are removed for recycling. If oyster shells that are stored at a landfill are not removed for recycling within 90 days of delivery to the landfill, then, notwithstanding subdivision (12) of subsection (f) of this section, the oyster shells may be disposed of in the landfill. (1989, c. 784, s. 2; 1991, c. 23, s. 1; c. 375, s. 1; 1991 (Reg. Sess., 1992), c. 932, ss. 1, 2; 1993, c. 290, s. 1; 1995, c. 321, s. 1; c. 504, s. 9; 1995 (Reg. Sess., 1996), c. 594, s. 17; 2001-440, ss. 3.1, 3.2; 2005-348, s. 3; 2005-362, ss. 2, 3; 2006-226, s. 24(a); 2006-264, ss. 98.5(a), (c); 2007-550, ss. 16.3, 16.4; 2008-198, s. 11.4; 2008-208, ss. 3, 4, 7; 2009-499, s. 1; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — This section was amended by Session Laws 2005-362, s. 2 in the coded bill drafting format provided by G.S. 120-20.1. The act failed to incorporate the changes in subdivision (f)(7) made by Session Laws 2005-348, s. 3. The version of subdivision (f)(7) effective October 1, 2009 is set out in the form above at the direction of the Revisor of Statutes.

Session Laws 2001-440, s. 3.3, provides: "If an incinerator that is subject to the new G.S. 130A-309.10(j) as enacted by Section 3.2 of this act [s. 3.2 of Session Laws 2001-440, which added subsections (i) and (j) of G.S. 130A-309.10] has received a permit pursuant to this Article prior to the effective date of Section 3.2 of this act [October 15, 2001], then a plan that complies with the requirements of G.S. 130A-309.10(j) shall be submitted to the Department for approval within 90 days after Section 3.2 of this act becomes effective. The Department shall review and either approve or disapprove a plan submitted pursuant to this section [s. 3.3 of Session Laws 2001-440] within 90 days of the day the plan is submitted. Upon approval by the Department, a plan submitted pursuant to this section [s. 3.3 of Session Laws 2001-440] shall be implemented within 60 days of the date of its approval."

Session Laws 2001-440, s. 3.4, provides: "The Environmental Management Commission shall adopt temporary rules in accordance with 65 Federal Register No. 235 pp. 76,378 through 76,405 (6 December 2000) by 1 March 2002. These rules shall include a compliance schedule that requires existing small municipal waste combustion units to achieve final compliance with the rules no later than 1 March 2003." For extension of the date by which certain small municipal waste combustion units must achieve compliance with the rules adopted pursuant to this provision, see Session Laws 2002-24, s. 2.

Session Laws 2001-440, s. 3.5, provides: "The Lower Cape Fear River Research and Education Program, located at and administered by the Center for Marine Science at the University of North Carolina at Wilmington, shall pursue and apply for funding to conduct water quality and sediment sampling for heavy metals and other contaminants in the Lower Cape Fear River."

Session Laws 2002-24, s. 2, provides: "Notwithstanding the provisions of Section 3.4 of S.L. 2001-440 to the contrary, rules adopted by the Environmental Management Commission pursuant to Section 3.4 of S.L. 2001-440 shall include a compliance schedule that requires existing small municipal waste combustion units to achieve final compliance with the rules on and after 1 December 2004. The Environmental Management Commission shall amend rules adopted pursuant to Section 3.4 of S.L. 2001-440 to conform to the requirements of this section."

Session Laws 2005-348, s. 3, added subdivision (f)(9). Session Laws 2005-362, s. 2, added subdivisions (f)(9) through (12), which were redesignated subdivisions (f)(10) through (13) at the direction of the Revisor of Statutes.

Session Laws 2005-362, s. 4, as amended by Session Laws 2006-264, s. 98.5(c), provides: "Sections 1, 2, and 3 of this act become effective 1 October 2009 except that G.S. 130A-309.10(f)(12) [now G.S. 130A-309.10(f)(13)], as enacted by Section 2 of this act, becomes effective 1 January 2007. Section 4 of this act becomes effective 1 January 2007."

Session Laws 2007-550, s. 16.6(b), as amended by Session Laws 2008-208, s. 7, as amended by Session Laws 2008-198, s. 11.4, as amended by Session Laws 2009-484, s. 16(a), and as amended by Session Laws 2009-550, s. 10(a), provides that the amendment by Session Laws 2007-550, ss. 16.3 and 16.4, which added subdivisions (f)(14) and (f1)(7), is effective January 1, 2011.

Session Laws 2007-550, s. 19, is a severability clause.

Session Laws 2008, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), provides that the amendment to this section by Session Laws 2008-208 ss. 3 and 4, which added subdivisions (f)(15) and (f1)(8), is effective January 1, 2011.

Effect of Amendments. — Session Laws 2006-226, s. 24(a), effective October 1, 2009, deleted "of the disposal of" following "The prohibition" in the second sentence of subdivision (f)(7).

Session Laws 2007-550, ss. 16.3 and 16.4, effective January 1, 2011, added subdivisions (f)(14) and (f1)(7).

Session Laws 2008-208, ss. 3 and 4, effective January 1, 2011, added subdivisions (f)(15) and (f1)(8).

Session Laws 2009-499, s. 1, effective October 1, 2009, added "or pesticides" at the end of subdivision (f)(11).

§ 130A-309.11. Compost standards and applications.

(a) In order to protect the State's land and water resources, compost produced, utilized, or disposed of by the composting process at solid waste management facilities in the State must meet criteria established by the Department.

(b) The Commission shall adopt rules to establish standards for the production of compost. Rules shall be adopted not later than 24 months after the initiation of rule making. Such rules shall include:

(1) Requirements necessary to produce hygienically safe compost products for varying applications.
(2) A classification scheme for compost based on:
  a. The types of waste composted, including at least one type containing only yard trash;
  b. The maturity of the compost, including at least three degrees of decomposition for fresh, semi-mature, and mature; and
  c. The levels of organic and inorganic constituents in the compost.

(c) The compost classification scheme shall address:

(1) Methods for measurement of the compost maturity.
(2) Particle sizes.
(3) Moisture content.
(4) Average levels of organic and inorganic constituents, including heavy metals, for such classes of compost as the Department establishes, and the analytical methods to determine those levels.

(d) The Commission shall adopt rules to prescribe the allowable uses and application rates of compost. Rules shall be adopted not later than 24 months after the initiation of rule making. Such rules shall be based on the following criteria:

(1) The total quantity of organic and inorganic constituents, including heavy metals, allowed to be applied through the addition of compost to the soil per acre per year.
(2) The allowable uses of compost based on maturity and type of compost.

(e) If compost is produced which does not meet the criteria prescribed by the Department for agricultural and other use, the compost must be reprocessed or disposed of in a manner approved by the Department, unless a different application is specifically permitted by the Department. (1989, c. 784, s. 2; 1995 (Reg. Sess., 1996), c. 594, s. 18.)

§ 130A-309.12. Solid Waste Management Trust Fund.

(a) The Solid Waste Management Trust Fund is created and is to be administered by the Department for the purposes of:

(1) Funding activities of the Department to promote waste reduction and recycling including but not limited to public education programs and technical assistance to units of local government;

(2) Funding research on the solid waste stream in North Carolina;

(3) Funding activities related to the development of secondary materials markets;

(4) Providing funding for demonstration projects as provided by this Part; and

(5) Providing funding for research by The University of North Carolina and independent nonprofit colleges and universities within the State which are accredited by the Southern Association of Colleges and Schools as provided by this Part.

(6) Providing funding for the activities of the Division of Pollution Prevention and Environmental Assistance.

(b) The Solid Waste Management Trust Fund shall consist of the following:

(1) Funds appropriated by the General Assembly.

(2) Contributions and grants from public or private sources.

(3) Five percent (5%) of the proceeds of the scrap tire disposal tax imposed under Article 5B of Chapter 105 of the General Statutes.

(4) Eight percent (8%) of the proceeds of the white goods disposal tax imposed under Article 5C of Chapter 105 of the General Statutes.

(c) The Department shall include in the report required by G.S. 130A-309.06(c) a description of the condition of the Solid Waste Management Trust Fund and the use of all funds allocated from the Solid Waste Management Trust Fund. (1989, c. 784, s. 2; 1991, c. 690, s. 10; 1991 (Reg. Sess., 1992), c. 990, s. 7; 1993, c. 471, ss. 5, 8; c. 513, s. 1; c. 548, s. 3; 1997-209, s. 1; 1998-24, ss. 3, 7; 2000-109, s. 9(a); 2001-265, s. 5; 2001-452, s. 3.2; 2009-451, s. 13.3A.)

Editor's Note. — Session Laws 1993, c. 471, s. 8 provided that subdivision (b)(4) of this section would be repealed. Session Laws 1993, c. 471, s. 11, as amended by Session Laws 1998-24, s. 7, had provided that the repeal of subdivision (b)(4) would be effective July 1, 2002. Session Laws 2000-109, s. 9(a), effective July 13, 2000, amended Session Laws 1993, c. 471, s. 11, to delete the postponed date for this amendment. Subsequently, Session Laws 2001-265, s. 5, effective retroactively to July 13, 2000, repealed Session Laws 1993, c. 471, s. 8. Subdivision (b)(4) is therefore not repealed.

Session Laws 2008-136, s. 4, effective July 1, 2009, and expiring October 1, 2023, provides: "The Department of Environment and Natural Resources shall annually use up to one million dollars ($1,000,000) from the Solid Waste Management Trust Fund established by G.S. 130A-309.12 in order to fund the cleanup of abandoned mobile homes as provided in G.S. 130A-309.115."

Session Laws 2008-136, s. 5, effective July 1, 2009, and expiring October 1, 2023, provides: "A county designated as a development tier one or two area pursuant to G.S. 143B-437.08 may, upon resolution by the Board of Commissioners of their intent to (i) develop a plan for the management of abandoned manufactured homes and (ii) implement the plan once developed, request a planning grant of up to two thousand five hundred dollars ($2,500) from the Solid Waste Management Trust Fund. These funds shall be used by the county to prepare a plan as provided in G.S. 130A-309.113, as enacted by Section 1 of this act [codified as G.S. 130A-309.111 through 130A-309.118, and to identify abandoned manufactured homes."

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws

2009-451, s. 13.3A, effective July 1, 2009, added subdivision (a)(6).

§ 130A-309.13: Reserved for future codification purposes.

§ 130A-309.14. Duties of State agencies.

(a) Each State agency, including the General Assembly, the General Court of Justice, and The University of North Carolina shall:

(1) Establish a program in cooperation with the Department and the Department of Administration for the collection of all recyclable materials generated in State offices throughout the State. The program shall provide that recycling containers are readily accessible on each floor where State employees are located in a building occupied by a State agency. Recycling containers required pursuant to this subdivision shall be clearly labeled to identify the types of recyclable materials to be deposited in each container and, to the extent practicable, recycling containers for glass, plastic, and aluminum shall be located near trash receptacles. The program shall provide for the collection of all of the following recyclable materials.

a. Aluminum.
b. Newspaper.
c. Sorted office paper.
d. Recyclable glass.
e. Plastic bottles.

As used in this subdivision, the term "sorted office paper" means paper used in offices that is of a high quality for purposes of recycling and includes copier paper, computer paper, letterhead, ledger, white envelopes, and bond paper.

(2) Provide procedures for collecting and storing recyclable materials, containers for storing materials, and contractual or other arrangements with buyers of the recyclable materials.

(3) The Department of Administration and the Department of Transportation shall each provide by 1 October of each year to the Department of Environment and Natural Resources a detailed description of the respective Agency's review and revision of bid procedures and purchase and use of reusable, refillable, repairable, more durable, and less toxic supplies and products. The information provided by the Department of Administration and the Department of Transportation to the Department of Environment and Natural Resources shall also be included in the report required by G.S. 130A-309.06(c).

(4) Establish and implement, in cooperation with the Department and the Department of Administration, a solid waste reduction program for materials used in the course of agency operations. The program shall be designed and implemented to achieve maximum feasible reduction of solid waste generated as a result of agency operations.

(5) Prepare any written report in compliance with the model report under subsection (j) of this section. The State agency shall, in lieu of distributing the report in mass:

a. Notify persons to whom each agency is required to report, and any other persons it deems appropriate, that a report has been published, its subject and title, and the locations, including State libraries, at which the report is available;
b. Deliver any report to only those State libraries that each agency determines is likely to receive requests for a particular report; and

c. Distribute a report to only those who request the report.

A State library that has received a report shall distribute a report only upon request. Any State agency required by law to report to an entity shall be in compliance with that law by notifying that entity under sub-subdivision a. of this subdivision.

(a1) The Department of Administration shall review and revise its bid procedures and specifications set forth in Article 3 of Chapter 143 of the General Statutes and the Department of Transportation shall review and revise its bid procedures and specifications set forth in Article 2 of Chapter 136 of the General Statutes to encourage the purchase or use of reusable, refillable, repairable, more durable, and less toxic supplies and products.

(1) The Department of Administration shall require the procurement of such supplies and products to the extent that the purchase or use is practicable and cost-effective. The Department of Administration shall require the purchase or use of remanufactured toner cartridges for laser printers to the extent practicable.

(2) The Department of Transportation shall require the purchase or use of such supplies and products in the construction and maintenance of highways and bridges to the extent that the purchase or use is practicable and cost-effective.

(3) The Department of Administration and the Department of Transportation shall each provide by 1 October of each year to the Department of Environment and Natural Resources a detailed description of the respective Agency's review and revision of bid procedures and purchase and use of reusable, refillable, repairable, more durable, and less toxic supplies and products. The information provided by the Department of Administration and the Department of Transportation to the Department of Environment and Natural Resources shall also be included in the report required by G.S. 130A-309.06(c).

(b) The Department of Commerce shall assist and encourage the recycling industry in the State. Assistance and encouragement of the recycling industry shall include:

(1) Assisting the Department in the identification and analysis, by the Department pursuant to G.S. 130A-309.06, of components of the State's recycling industry and present and potential markets for recyclable materials in this State, other states, and foreign countries;

(2) Providing information on the availability and benefits of using recycled materials to businesses and industries in the State; and

(3) Distributing any material prepared in implementing this section to the public, businesses, industries, units of local government, or other organizations upon request.

(c) Repealed by Session Laws 1993, c. 250, s. 2.

(d) The Department of Commerce shall investigate the potential markets for composted materials and shall submit its findings to the Department for the waste registry informational program administered by the Department in order to stimulate absorption of available composted materials into such markets.

(e) On or before 1 March 1991, the Department of Commerce shall report to the General Assembly its findings relative to:

(1) Potential markets for composted materials, including private and public sector markets;

(2) The types of materials which may legally and effectively be used in a successful composting operation; and

(3) The manner in which the composted materials should be marketed for optimum use.

(f)(1) All State agencies, including the Department of Transportation and the Department of Administration, and units of local government are required to procure compost products when they can be substituted for, and cost no more than, regular soil amendment products, provided the compost products meet all applicable engineering and environmental quality standards, specifications, and rules. This product preference shall apply to, but not be limited to, highway construction and maintenance projects, highway planting and beautification projects, recultivation and erosion control programs, and other projects.

(2) The Department of Transportation shall, consistent with economic feasibility and applicable engineering and environmental quality standards, use scrap tires, demolition debris, and untreated, stabilized, or encapsulated ash from boilers and incinerators in highway construction and maintenance projects.

(g) The Department of Public Instruction, with the assistance of the Department and The University of North Carolina, shall develop, distribute, and encourage the use of guidelines for the collection of recyclable materials and for solid waste reduction in the State system of education. At a minimum, the guidelines shall address solid waste generated in administrative offices, classrooms, dormitories, and cafeterias. The guidelines shall be developed by 1 January 1991.

(h) In order to orient students and their families to the recycling of waste and to encourage the participation of schools, communities, and families in recycling programs, the school board of each school district in the State shall make available an awareness program in the recycling of waste materials. The program shall be provided at both the elementary and secondary levels of education.

(i) The Department of Public Instruction is directed to develop, from funds appropriated for environmental education, curriculum materials and resource guides for a recycling awareness program for instruction at the elementary, middle, and high school levels.

(j) The Department of Administration shall develop a model report for reports published by any State agency, the General Assembly, the General Court of Justice, or The University of North Carolina. This model report shall satisfy the following:

(1) The paper in the report shall, to the extent economically practicable, be made from recycled paper and shall be capable of being recycled.

(2) The other constituent elements of the report shall, to the extent economically practicable, be made from recycled products and shall be capable of being recycled or reused.

(3) The report shall be printed on both sides of the paper if no additional time, staff, equipment, or expense would be required to fulfill this requirement.

(4) State publications that are of historical and enduring value and importance to the citizens of North Carolina shall be printed on alkaline (acid-free) paper according to G.S. 125-11.13.

(k) The Department of Transportation shall provide and maintain recycling containers at each rest area located in this State on a highway in the Interstate Highway System or in the State highway system for the collection of each of the following recyclable materials for which recycling is feasible:

(1) Aluminum.
(2) Newspaper.
(3) Recyclable glass.
(4) Plastic bottles.

For each rest area that has recycling containers, the Department of Transportation shall install signs, or modify existing signs, that are proximately located to the rest area to notify motorists that the rest area has recycling containers.

(*l*) Any State agency or agency of a political subdivision of the State that is using State funds, or any person contracting with any agency with respect to work performed under contract, shall procure products of recycled steel if all of the following conditions are satisfied:

(1) The product must be acquired competitively within a reasonable time frame.
(2) The product must meet appropriate performance standards.
(3) The product must be acquired at a reasonable price.

(m) The Alcoholic Beverage Control Commission, with the assistance of the Department, shall develop a model recycling program for holders of on-premises malt beverage permits, on-premises unfortified wine permits, on-premises fortified wine permits, and mixed beverages permits under G.S. 18B-1001 that are required to recycle beverage containers under G.S. 18B-1006.1. The model program shall provide for the separation, storage, and collection for recycling of all beverage containers that are required to be recycled under G.S. 18B-1006.1 and shall provide alternatives that reflect variations in local circumstances across the State. The Alcoholic Beverage Control Commission may adopt rules to comply with this section. (1989, c. 784, s. 2; 1991, c. 522, s. 1; 1991 (Reg. Sess., 1992), c. 959, s. 32; 1993, c. 197, s. 1; c. 250, ss. 1, 2; c. 448, ss. 1, 2; c. 553, s. 74; 2001-144, s. 1; 2001-452, s. 3.3; 2001-512, ss. 13, 14; 2003-284, s. 6.10(a); 2003-340, s. 1.6; 2005-348, s. 2.)

Editor's Note. — The second sentence of subdivision (a1)(3) was apparently intended to be added by Session Laws 2001-452, s. 3.3; however, Session Laws 2001-452 was in the coded bill drafting format, but did not underline that sentence. The sentence was subsequently added by Session Laws 2003-340, s. 1.6, effective July 27, 2003.

Session Laws 2001-512, s. 15, provides: "This act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of this act. Every agency to which this act applies shall implement the provisions of this act from funds otherwise appropriated or available to the agency."

Session Laws 2003-284, s. 6.10(b), provides: "The Department of Administration shall report to the Joint Legislative Commission on Governmental Operations on agencies' compliance with this section."

Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 49.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2003-2005 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2003-2005 fiscal biennium."

Session Laws 2003-284, s. 49.5, is a severability clause.

Session Laws 2003-340, s. 8, is a severability clause.

Effect of Amendments. — Session Laws 2005-348, s. 2, effective January 1, 2008, added subsection (m).

§ 130A-309.14A. Reports by certain State-assisted entities.

Any community college, as defined in G.S. 115D-2(2), and any nonprofit corporation that receives State funds are encouraged to prepare any written reports in compliance with G.S. 130A-309.14(j). (1993, c. 448, s. 3.)

§ 130A-309.15. Prohibited acts regarding used oil.

(a) No person may knowingly:

(1) Collect, transport, store, recycle, use, or dispose of used oil in any manner which endangers the public health or welfare.
(2) Discharge used oil into sewers, drainage systems, septic tanks, surface waters, groundwaters, watercourses, or marine waters.
(3) Dispose of used oil in landfills in the State unless such disposal has been approved by the Department.
(4) Mix used oil with solid waste that is to be disposed of in landfills.

(5) Mix used oil with hazardous substances that make it unsuitable for recycling or beneficial use.

(b) A person who violates subsection (a) of this section shall be guilty of a misdemeanor and upon conviction shall be punished as provided by G.S. 130A-25(a) and G.S. 14-3.

(c) A person who disposes of used oil in a landfill where such used oil has been mixed with other solid waste which may be lawfully disposed of in such landfill, and who is without knowledge that such solid waste has been mixed with used oil, is not guilty of a violation under this section.

(d) Used oil shall not be used for road oiling, dust control, weed abatement, or other similar purposes that have the potential to release used oil into the environment. (1989, c. 784, s. 2.)

§ 130A-309.16. Public education program regarding used oil collection and recycling.

The Department shall conduct a public education program to inform the public of the needs for and benefits of collecting and recycling used oil and shall:

(1) Encourage persons who annually sell at retail, in containers for use off the premises, more than 500 gallons of oil to provide the purchasers with information on the locations of collection facilities and information on proper disposal practices.

(2) Establish, maintain, and publicize a used oil information center that disperses materials or information explaining local, State, and federal laws and rules governing used oil and informing the public of places and methods for proper disposal of used oil.

(3) Encourage the voluntary establishment of used oil collection and recycling programs and provide technical assistance to persons who organize such programs.

(4) Encourage the procurement of recycled automotive, industrial, and fuel oils and oils blended with recycled oils for all State and local government uses. Recycled oils procured under this section shall meet equipment manufacturer's specifications. (1989, c. 784, s. 2.)

§ 130A-309.17. Registration of persons transporting, collecting, or recycling used oil; fees; reports and records.

(a) The following persons shall register annually with the Department pursuant to rules of the Department on forms prescribed by it:

(1) Any person who transports over public highways more than 500 gallons of used oil per week.

(2) Any person who maintains a collection facility that receives more than 6,000 gallons of used oil annually. For purposes of registration, the amount received does not include used oil delivered to collection centers by individuals that change their own personal motor oil.

(3) Any facility that recycles more than 10,000 gallons of used oil annually.

(b) An electric utility which generates during its operation used oil that is then reclaimed, recycled, or rerefined by the electric utility for use in its operations is not required to register or report pursuant to this section.

(c) An on-site burner which only burns a specification used oil generated by the burner is not required to register or report pursuant to this section, provided that the burning is done in compliance with any air permits issued by the Department.

(d) The Department may prescribe a fee for the registration required by this section in an amount which is sufficient to cover the cost of processing applications but which does not exceed twenty-five dollars ($25.00).

(e) The Department shall require each registered person to submit, no later than 1 July of each year, a report which specifies the type and quantity of used oil transported, collected, and recycled during the preceding calendar year.

(f) Each registered person who transports or recycles used oil shall maintain records which identify:

(1) The source of the materials transported or recycled;
(2) The quantity of materials received;
(3) The date of receipt; and
(4) The destination or end use of the materials.

(g) The Department shall perform technical studies to sample used oil at facilities of representative used oil transporters and at representative recycling facilities to determine the incidence of contamination of used oil with hazardous, toxic, or other harmful substances.

(h) Any person who fails to register with the Department as required by this section shall be guilty of a misdemeanor and upon conviction shall be punished as provided by G.S. 130A-25(a) and G.S. 14-3.

(i) The proceeds from the registration fees imposed by this section shall be deposited into the Solid Waste Management Trust Fund. (1989, c. 784, s. 2.)

§ 130A-309.18. Regulation of used oil as hazardous waste.

Nothing in this Part shall prohibit the Department from regulating used oil as a hazardous waste in a manner consistent with applicable federal law and this Article. (1989, c. 784, s. 2.)

§ 130A-309.19. Coordination with other State agencies.

The Department of Transportation shall study the feasibility of using recycled oil products in road construction activities and shall report to the President Pro Tempore of the Senate and the Speaker of the House of Representatives annually, beginning 1 January 1991, on the results of its study. (1989, c. 784, s. 2.)

§ 130A-309.20. Public used oil collection centers.

(a) The Department shall encourage the voluntary establishment of public used oil collection centers and recycling programs and provide technical assistance to persons who organize such programs.

(b) All State agencies and businesses that change motor oil for the public are encouraged to serve as public used oil collection centers.

(c) A public used oil collection center must:

(1) Notify the Department annually that it is accepting used oil from the public; and
(2) Annually report quantities of used oil collected from the public.

(d) No person may recover from the owner or operator of a used oil collection center any costs of response actions resulting from a release of either used oil or a hazardous substance against the owner or operator of a used oil collection center if such used oil is:

(1) Not mixed with any hazardous substance by the owner or operator of the used oil collection center;
(2) Not knowingly accepted with any hazardous substances contained therein;
(3) Transported from the used oil collection center by a certified transporter pursuant to G.S. 130A-309.23; and

(4) Stored in a used oil collection center that is in compliance with this section.

(e) Subsection (d) of this section applies only to that portion of the public used oil collection center used for the collection of used oil and does not apply if the owner or operator is grossly negligent in the operation of the public used oil collection center. Nothing in this section shall affect or modify in any way the obligations or liability of any person under any other provisions of State or federal law, including common law, for injury or damage resulting from a release of used oil or hazardous substances. For purposes of this section, the owner or operator of a used oil collection center may presume that a quantity of no more than five gallons of used oil accepted from any member of the public is not mixed with a hazardous substance, provided that the owner or operator acts in good faith. (1989, c. 784, s. 2.)

§ 130A-309.21. Incentives program.

(a) The Department is authorized to establish an incentives program for individuals who change their own oil to encourage them to return their used oil to a used oil collection center.

(b) The incentives used by the Department may involve the use of discount or prize coupons, prize drawings, promotional giveaways, or other activities the Department determines will promote collection, reuse, or proper disposal of used oil.

(c) The Department may contract with a promotion company to administer the incentives program. (1989, c. 784, s. 2.)

§ 130A-309.22. Grants to local governments.

(a) The Department shall develop a grants program for units of local government to encourage the collection, reuse, and proper disposal of used oil. No grant may be made for any project unless the project is approved by the Department.

(b) The Department shall consider for grant assistance any unit of local government project that uses one or more of the following programs or any activity that the Department feels will reduce the improper disposal and reuse of used oil:

(1) Curbside pickup of used oil containers by a unit of local government or its designee.

(2) Retrofitting of solid waste equipment to promote curbside pickup or disposal of used oil at used oil collection centers designated by the unit of local government.

(3) Establishment of publicly operated used oil collection centers at landfills or other public places.

(4) Providing containers and other materials and supplies that the public can utilize in an environmentally sound manner to store used oil for pickup or return to a used oil collection center.

(5) Providing incentives for the establishment of privately operated public used oil collection centers.

(c) Eligible projects shall be funded according to provisions established by the Department; however, no grant may exceed twenty-five thousand dollars ($25,000).

(d) The Department shall initiate rule making on or before 1 January 1991, necessary to carry out the purposes of this section. (1989, c. 784, s. 2.)

§ 130A-309.23. Certification of used oil transporters.

(a) Any person who transports over public highways after 1 January 1992, more than 500 gallons of used oil in any week must be a certified transporter or must be employed by a person who is a certified transporter.

(b) The Department of Transportation shall develop a certification program for transporters of used oil, and shall issue, deny, or revoke certifications authorizing the holder to transport used oil. Certification requirements shall help assure that a used oil transporter is familiar with appropriate rules and used oil management procedures.

(c) The Department of Transportation shall adopt rules governing certification, which shall include requirements for the following:

(1) Registration and annual reporting pursuant to G.S. 130A-309.17.
(2) Evidence of familiarity with applicable State laws and rules governing used oil transportation.
(3) Proof of liability insurance or other means of financial responsibility for any liability which may be incurred in the transport of used oil.
(4) Marking, by the certified transporter of used oil, of all vehicles which transport used oil or all containers of used oil when it is not feasible to mark the vehicle. The mark must clearly identify the certified used oil transporter and clearly indicate that the vehicle is used to transport used oil. The marking must be visible to others travelling on the highway. (1989, c. 784, s. 2; 1991, c. 488, s. 1.)

§ 130A-309.24. Permits for used oil recycling facilities.

(a) Each person who intends to operate, modify, or close a used oil recycling facility shall obtain an operation or closure permit from the Department prior to operating, modifying, or closing the facility.

(b) By 1 January 1992, the Department shall develop a permitting system for used or recycling facilities after reviewing and considering the applicability of the permit system for hazardous waste treatment, storage, or disposal facilities.

(c) Permits shall not be required under this section for the burning of used oil as a fuel, provided:

(1) A valid air permit issued by the Department is in effect for the facility; and
(2) The facility burns used oil in accordance with applicable United States Environmental Protection Agency regulations, local government regulations, and the requirements and conditions of its air permit.

(d) No permit is required under this section for the use of used oil for the beneficiation or flotation of phosphate rock. (1989, c. 784, s. 2.)

§ 130A-309.25. Training of operators of solid waste management facilities.

(a) The Department shall establish qualifications for, and encourage the development of training programs for, operators of incinerators, operators of landfills, coordinators of local recycling programs, and other solid waste management facilities.

(b) The Department shall work with accredited community colleges, vocational technical centers, State universities, and private institutions in developing educational materials, courses of study, and other such information to be made available for persons seeking to be trained as operators of solid waste management facilities.

(c) A person may not perform the duties of an operator of a solid waste management facility after 1 January 1998, unless he has completed an operator training course approved by the Department. An owner of a solid waste management facility may not employ any person to perform the duties of an operator unless the person has completed an approved solid waste management facility operator training course.

(d) The Commission may adopt rules and minimum standards to effectuate the provisions of this section and to ensure the safe, healthy, and lawful operation of solid waste management facilities. The Commission may establish, by rule, various classifications for operators to address the need for differing levels of training required to operate various types of solid waste management facilities due to different operating requirements at the facilities.

(e) In developing training programs for incinerator operators under this section, the Department shall establish and consult with ad hoc advisory groups to help coordinate the requirements under this section with other training programs for incinerator operators.

(f) This section does not apply to any operator of a solid waste management facility who has five years continuous experience as an operator of a solid waste management facility immediately preceding January 1, 1998, provided that the operator attends a course and completes the continuing education requirements approved by the Department. (1989, c. 784, s. 2; 1993, c. 29, s. 1; 1995 (Reg. Sess., 1996), c. 594, s. 19; 1997-443, s. 15.49(a).)

§ 130A-309.26. Regulation of medical waste.

(a) As used in this section:

(1) "Sharps" means needles, syringes, and scalpel blades.

(2) "Treatment" means any process, including steam sterilization, chemical treatment, incineration, and other methods approved by the Commission which changes the character or composition of medical waste so as to render it noninfectious.

(b) It is the intent of the General Assembly to protect the public health by establishing standards for the safe packaging, storage, treatment, and disposal of medical waste. The Commission shall adopt and the Department shall enforce rules for the packaging, storage, treatment, and disposal of:

(1) Medical waste at facilities where medical waste is generated;

(2) Medical waste from the point at which the waste is transported from the facility where it was generated;

(3) On-site and off-site treatment of medical waste; and

(4) The off-site transport, storage, treatment or disposal of medical waste.

(c) No later than 1 August 1990, the Commission shall adopt rules necessary to protect the health, safety, and welfare of the public and to carry out the purpose of this section. Such rules shall address, but need not be limited to, the packaging of medical waste, including specific requirements for the safe packaging of sharps and the segregation, storage, treatment, and disposal of medical wastes at the facilities in which such waste is generated. (1989, c. 784, s. 2; 1995 (Reg. Sess., 1996), c. 594, s. 20.)

§ 130A-309.27. Joint and several liability.

(a) As used in this section:

(1) "Owner or operator" means, in addition to the usual meanings of the term, any owner of record of any interest in land on which a landfill is or has been sited, any person or business entity that owns a majority interest in any other business entity which is the owner or operator of a landfill, and any person designated as a joint permittee pursuant to G.S. 130A-295.2(e).

(2) "Proceeds" means all funds collected and received by the Department, including interest and penalties on delinquent fees.

(b) Every owner or operator of a landfill is jointly and severally liable for the improper operation and closure of the landfill, as provided by law.

(c) through (f) Repealed by Session Laws 2007-550, s. 5(b), effective August 1, 2007. (1989, c. 784, s. 2; 2007-550, s. 5(b).)

§ 130A-309.28. University research.

Research, training, and service activities related to solid and hazardous waste management conducted by The University of North Carolina shall be coordinated by the Board of Governors of The University of North Carolina through the Office of the President. Proposals for research contracts and grants; public service assignments; and responses to requests for information and technical assistance by the State and units of local government, business, and industry shall be addressed by a formal process involving an advisory board of university personnel appointed by the President and chaired and directed by an individual appointed by the President. The Board of Governors of The University of North Carolina shall consult with the Department in developing the research programs and provide the Department with a copy of the proposed research program for review and comment before the research is undertaken. Research contracts shall be awarded to independent nonprofit colleges and universities within the State which are accredited by the Southern Association of Colleges and Schools on the same basis as those research contracts awarded to The University of North Carolina. Research activities shall include the following areas:

(1) Methods and processes for recycling solid and hazardous waste;
(2) Methods of treatment for detoxifying hazardous waste; and
(3) Technologies for disposing of solid and hazardous waste. (1989, c. 784, s. 2.)

§ 130A-309.29. Adoption of rules.

The Commission may adopt rules to implement the provisions of this Part pursuant to Article 2A of Chapter 150B of the General Statutes. (1991, c. 621, s. 12; 2000-189, s. 12.)

Editor's Note. — Session Laws 1997-374, s. 1, provides: "The Commission for Health Services [now the Commission for Public Health] shall adopt a rule regarding design criteria for municipal solid wasted landfills that complies with 40 C.F.R. Part 258.40 (1 July 1996 Edition) and that provides for alternate landfills liners that are at least as protective as the liner currently authorized under the rules of the Commission for Health Services [now the Commission for Public Health]."

Session Laws 1997-374, s. 2, provides: "This act constitutes a recent act of the General Assembly within the meaning of G.S. 150B-21.1. The Commission for Health Services [now the Commission for Public Health] shall adopt the rule required by Section 1 of this act as a temporary rule no later than 1 July 1998."

§§ 130A-309.30 through 130A-309.50: Reserved for future codification purposes.

Part 2B. Scrap Tire Disposal Act.

§ 130A-309.51. Title.

This Part may be cited as the "North Carolina Scrap Tire Disposal Act." (1989, c. 784, s. 3.)

§ 130A-309.52. Findings; purpose.

(a) The General Assembly finds that:

(1) Scrap tire disposal poses a unique and troublesome solid waste management problem.
(2) Scrap tires are a usable resource that may be recycled for energy value.

(3) Uncontrolled disposal of scrap tires may create a public health and safety problem because tire piles act as breeding sites for mosquitoes and other disease-transmitting vectors, pose substantial fire hazards, and present a difficult disposal problem for landfills.
(4) A significant number of scrap tires are illegally dumped in North Carolina.
(5) It is in the State's best interest to encourage efforts to recycle or recover resources from scrap tires.
(6) It is desirable to allow units of local government to control tire disposal for themselves and to encourage multicounty, regional approaches to scrap tire disposal and collection.
(7) It is desirable to encourage reduction in the volume of scrap tires being disposed of at public sanitary landfills.

(b) The purpose of this Part is to provide statewide guidelines and structure for the environmentally safe disposal of scrap tires to be administered through units of local government. (1989, c. 784, s. 3.)

§ 130A-309.53. Definitions.

Unless a different meaning is required by the context, the following definitions shall apply throughout this Part:
(1) "Collection site" means a site used for the storage of scrap tires.
(2) "Disposal fee" is any amount charged by a tire collector, tire processor, or unit of local government in exchange for accepting scrap tires.
(3) "In-county scrap tire" means any scrap tire brought for disposal from inside the county in which the collection or processing site is located.
(4) "Out-of-county scrap tire" means any scrap tire brought for disposal from outside the county in which the collection or processing site is located.
(5) "Processing site" means a site actively used to produce or manufacture usable materials, including fuel, from scrap tires. Commercial enterprises processing scrap tires shall not be considered solid waste management facilities insofar as the provisions of G.S. 130A-294(a)(4) and G.S. 130A-294(b) are concerned.
(6) "Scrap tire" means a tire that is no longer suitable for its original, intended purpose because of wear, damage, or defect.
(7) "Tire" means a continuous solid or pneumatic rubber covering that encircles the wheel of a vehicle. Bicycle tires and other tires for vehicles propelled by human power are not subject to the provisions of this Part.
(8) "Tire collector" means a person who owns or operates a site used for the storage, collection, or deposit of more than 50 scrap tires.
(9) "Tire hauler" means a person engaged in the picking up or transporting of scrap tires for the purpose of storage, processing, or disposal.
(10) "Tire processor" means a person who engages in the processing of scrap tires or one who owns or operates a tire processing site.
(11) "Tire retailer" means a person who engages in the retail sale of a tire in any quantity for any use or purpose by the purchaser other than for resale. (1989, c. 784, s. 3; 1991, c. 221, s. 2; 1995 (Reg. Sess., 1996), c. 594, s. 21.)

§ 130A-309.54. Use of scrap tire tax proceeds.

Article 5B of Chapter 105 imposes a tax on new tires to provide funds for the disposal of scrap tires, for the cleanup of inactive hazardous waste sites under Part 3 of this Article, and for all the purposes for which the Bernard Allen

Memorial Emergency Drinking Water Fund may be used under G.S. 87-98. A county may use proceeds of the tax distributed to it under that Article only for the disposal of scrap tires pursuant to the provisions of this Part or for the abatement of a nuisance pursuant to G.S. 130A-309.60. (1989, c. 784, s. 3; 1991, c. 221, s. 3; 1993, c. 364, s. 1(a); 2009-451, s. 13.3B(b).)

Editor's Note. — Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 13.3B(b), effective July 1, 2009, added "for the cleanup of inactive hazardous waste sites under Part 3 of this Article, and for all the purposes for which the Bernard Allen Memorial Emergency Drinking Water Fund may be used under G.S. 87-98" at the end of the first sentence.

§§ 130A-309.55, 130A-309.56: Repealed by Session Laws 1991, c. 221, s. 4.

Cross References. — As to privilege taxes imposed upon new tire sales, see G.S. 105-187.16. As to use of such tax proceeds, see G.S. 105-187.19.

§ 130A-309.57. Scrap tire disposal program.

(a) The owner or operator of any scrap tire collection site shall, within six months after October 1, 1989, provide the Department with information concerning the site's location, size, and the approximate number of scrap tires that are accumulated at the site and shall initiate steps to comply with subsection (b) of this section.

(b) On or after July 1, 1990:

(1) A person may not maintain a scrap tire collection site or a scrap tire disposal site unless the site is permitted.

(2) It is unlawful for any person to dispose of scrap tires in the State unless the scrap tires are disposed of at a scrap tire collection site or at a tire disposal site, or disposed of for processing at a scrap tire processing facility.

(c) By January 1, 1990, the Commission shall adopt rules to carry out the provisions of this section. Such rules shall:

(1) Provide for the administration of scrap tire collector and collection center permits and scrap tire disposal site permits, which may not exceed two hundred fifty dollars ($250.00) annually;

(2) Set standards for scrap tire processing facilities and associated scrap tire sites, scrap tire collection centers, and scrap tire collectors; and

(3) Authorize the final disposal of scrap tires at a permitted solid waste disposal facility provided the tires have been cut into sufficiently small parts to assure their proper disposal.

(d) A permit is not required for:

(1) A tire retreading business where fewer than 1,000 scrap tires are kept on the business premises;

(2) A business that, in the ordinary course of business, removes tires from motor vehicles if fewer than 1,000 of these tires are kept on the business premises; or

(3) A retail tire-selling business which is serving as a scrap tire collection center if fewer than 1,000 scrap tires are kept on the business premises.

(e) The Department shall encourage the voluntary establishment of scrap tire collection centers at retail tire-selling businesses, scrap tire processing facilities, and solid waste disposal facilities, to be open to the public for the deposit of used and scrap tires. The Department may establish an incentives program for individuals to encourage them to return their used or scrap tires to a scrap tire collection center. (1989, c. 784, s. 3.)

§ 130A-309.58. Disposal of scrap tires.

(a) Each county is responsible for providing for the disposal of scrap tires located within its boundaries in accordance with the provisions of this Part and any rules issued pursuant to this Part. The following are permissible methods of scrap tire disposal:

(1) Incinerating;
(2) Retreading;
(3) Constructing crash barriers;
(4) Controlling soil erosion when whole tires are not used;
(5) Chopping or shredding;
(6) Grinding into crumbs for use in road asphalt, tire derived fuel, and as raw material for other products;
(7) Slicing vertically, resulting in each scrap tire being divided into at least two pieces;
(8) Sludge composting;
(9) Using for agriculture-related purposes;
(10) Chipping for use as an oyster cultch as approved by rules adopted by the Marine Fisheries Commission;
(11) Cutting, stamping, or dyeing tires;
(12) Pyrolizing and other physico-chemical processing;
(13) Hauling to out-of-State collection or processing sites; and
(14) Monofilling split, ground, chopped, sliced, or shredded scrap tires.

(b) The Commission may adopt rules approving other permissible methods of scrap tire disposal. Landfilling of whole scrap tires is prohibited. The prohibition against landfilling whole tires applies to all whole pneumatic rubber coverings, but does not apply to whole solid rubber coverings.

(c) Units of local government may enter into joint ventures or other cooperative efforts with other units of local government for the purpose of disposing of scrap tires. Units of local government may enter into leases or other contractual arrangements with units of local government or private entities in order to dispose of scrap tires.

(d) Each county is responsible for developing a description of scrap tire disposal procedures. These procedures shall be included in any solid waste management plan required by the Department under this Article. Further, any revisions to the initial description of the scrap tire disposal procedures shall be forwarded to the Department.

(e) A county shall provide, directly or by contract with another unit of local government or private entity, at least one site for scrap tire disposal for that county. The unit of local government or contracting party may not charge a disposal fee for the disposal of scrap tires except as provided in this subsection. A unit of local government or contracting party may charge a disposal fee that does not exceed the cost of disposing of the scrap tires only if:

(1) The scrap tires are new tires that are being disposed of by their manufacturer because they do not meet the manufacturer's standards for salable tires; or
(2) The scrap tires are delivered to a local government scrap tire disposal site without an accompanying certificate required by G.S. 130A-309.58(f) that indicates that the tires originated in a county within North Carolina.

(f) Every tire retailer or other person disposing of scrap tires shall complete and sign a certification form prescribed by the Department and distributed to each county, certifying that the tires were collected in the normal course of business for disposal, the county in which the tires were collected, and the number of tires to be disposed of. This form also shall be completed and signed by the tire hauler, certifying that the load contains the same tires that were received from the tire retailer or other person disposing of scrap tires. The tire hauler shall present this certification form to the tire processor or tire collector at the time of delivery of the scrap tires for disposal, collection, or processing. Copies of these certification forms shall be retained for a minimum of three years after the date of delivery of the scrap tires.

(g) The provisions of subsection (f) of this section do not apply to tires that are brought for disposal in quantities of five or less by someone other than a tire collector, tire processor, or tire hauler. (1989, c. 784, s. 3; 1991, c. 221, s. 5; 1993, c. 548, s. 4; 1995 (Reg. Sess., 1996), c. 594, s. 22; 1997-209, s. 1.)

§ 130A-309.59. Registration of tire haulers.

(a) Before engaging in the hauling of scrap tires in this State, any tire hauler must register with the Department whereupon the Department shall issue to the tire hauler a scrap tire hauling identification number. A tire retailer licensed under G.S. 105-164.29 and solely engaged in the hauling of scrap tires received by it in connection with the retail sale of replacement tires is not required to register under this section.

(b) Each tire hauler shall furnish its hauling identification number on all certification forms required under G.S. 130A-309.58(f). Any tire retailer engaged in the hauling of scrap tires and not required by subsection (a) of this section to be registered shall supply its merchant identification number on all certification forms required by G.S. 130A-309.58(f). (1989, c. 784, s. 3.)

§ 130A-309.60. Nuisance tire collection sites.

(a) On or after July 1, 1990, if the Department determines that a tire collection site is a nuisance, it shall notify the person responsible for the nuisance and request that the tires be processed or removed within 90 days. If the person fails to take the requested action within 90 days, the Department shall order the person to abate the nuisance within 90 days. If the person responsible for the nuisance is not the owner of the property on which the tire collection site is located, the Department may order the property owner to permit abatement of the nuisance. If the person responsible for the nuisance fails to comply with the order, the Department shall take any action necessary to abate the nuisance, including entering the property where the tire collection site is located and confiscating the scrap tires, or arranging to have the scrap tires processed or removed.

(b) When the Department abates the nuisance pursuant to subsection (a) of this section, the person responsible for the nuisance shall be liable for the actual costs incurred by the Department for its nuisance abatement activities and its administrative and legal expenses related to the abatement. The Department may ask the Attorney General to initiate a civil action to recover these costs from the person responsible for the nuisance. Nonpayment of the actual costs incurred by the Department shall result in the imposition of a lien on the owner's real property on which the tire collection site is located.

(c) This section does not apply to any of the following:

(1) A retail business premises where tires are sold if no more than 500 scrap tires are kept on the premises at one time;

(2) The premises of a tire retreading business if no more than 3,000 scrap tires are kept on the premises at one time;

(3) A premises where tires are removed from motor vehicles in the ordinary course of business if no more than 500 scrap tires are kept on the premises at one time;

(4) A solid waste disposal facility where no more than 60,000 scrap tires are stored above ground at one time if all tires received for storage are processed, buried, or removed from the facility within one year after receipt;
(5) A site where no more than 250 scrap tires are stored for agricultural uses; and
(6) A construction site where scrap tires are stored for use or used in road surfacing and construction of embankments.

(d) The descending order of priority for the Department's abatement activities under subsection (a) of this section is as follows:
(1) Tire collection sites determined by the Department to contain more than 1,000,000 tires;
(2) Tire collection sites which constitute a fire hazard or threat to public health;
(3) Tire collection sites in densely populated areas; and
(4) Any other tire collection sites that are determined to be a nuisance.

(e) This section does not change the existing authority of the Department to enforce any existing laws or of any person to abate a nuisance.

(f) As used in this section, "nuisance" means an unreasonable danger to public health, safety, or welfare or to the environment. (1989, c. 784, s. 3.)

CASE NOTES

When Owner Not Liable. — An owner who is not the "person responsible for the nuisance" under this section is not liable in a civil action by the Attorney General. D.G. Matthews & Son v. State ex rel. McDevitt, 131 N.C. App. 520, 508 S.E.2d 331 (1998).

§ 130A-309.61. Effect on local ordinances.

This Part preempts any local ordinance regarding the disposal of scrap tires to the extent the local ordinance is inconsistent with this Part or the rules adopted pursuant to this Part. (1989, c. 784, s. 3; 1993, c. 548, s. 5; 1997-209, s. 1.)

§ 130A-309.62. Fines and penalties.

Any person who knowingly hauls or disposes of a tire in violation of this Part or the rules adopted pursuant to this Part shall be assessed a civil penalty of fifty dollars ($50.00) per violation. Each tire hauled or disposed of in violation of this Part or rules adopted pursuant to this Part constitutes a separate violation.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1989, c. 784, s. 3; 1998-215, s. 55.)

§ 130A-309.63. Scrap Tire Disposal Account.

(a) Creation. — The Scrap Tire Disposal Account is established as a nonreverting account within the Department. The Account consists of revenue credited to the Account from the proceeds of the scrap tire disposal tax imposed by Article 5B of Chapter 105 of the General Statutes.

(b) Use. — The Department may use revenue in the Account only as authorized by this section.
(1) The Department may use up to fifty percent (50%) of the revenue in the Account to make grants to units of local government to assist them in disposing of scrap tires. To administer the grants, the Department

shall establish procedures for applying for a grant and the criteria for selecting among grant applicants. The criteria shall include the financial ability of a unit of local government to provide for scrap tire disposal, the severity of a unit of local government's scrap tire disposal problem, the effort made by a unit of local government to ensure that only tires generated in the normal course of business in this State are provided free disposal, and the effort made by a unit of local government to provide for scrap tire disposal within the resources available to it.

(2) The Department may use up to forty percent (40%) of the revenue in the Account to make grants to encourage the use of processed scrap tire materials. These grants may be made to encourage the use of tire-derived fuel, crumb rubber, carbon black, or other components of tires for use in products such as fuel, tires, mats, auto parts, gaskets, flooring material, or other applications of processed tire materials. These grants shall be made in consultation with the Department of Commerce, the Division of Pollution Prevention and Environmental Assistance of the Department, and, where appropriate, the Department of Transportation. Grants to encourage the use of processed scrap tire materials shall not be used to process tires.

(3) The Department may use revenue in the Account to support a position to provide local governments with assistance in developing and implementing scrap tire management programs designed to complete the cleanup of nuisance tire collection sites and prevent scrap tires generated from outside of the State from being presented for free disposal in the State.

(4) The Department may use the remaining revenue in the Account only to clean up scrap tire collection sites that the Department has determined are a nuisance. The Department may use funds in the Account to clean up a nuisance tire collection site only if no other funds are available for that purpose.

(c) Eligibility. — A unit of local government is not eligible for a grant for scrap tire disposal unless its costs for disposing of scrap tires for the six-month period preceding the date the unit of local government files an application for a grant exceeded the amount the unit of local government received during that period from the proceeds of the scrap tire tax under G.S. 105-187.19. A grant to a unit of local government for scrap tire disposal may not exceed the unit of local government's unreimbursed cost for the six-month period.

(d) Repealed by Session Laws 2002-126, s. 12.5(b), effective July 1, 2002.

(e) Reporting. — The Department shall include in the report to be delivered to the Environmental Review Commission on or before 15 January of each year pursuant to G.S. 130A-309.06(c) a description of the implementation of the North Carolina Scrap Tire Disposal Act for the fiscal year ending the preceding 30 June. The description of the implementation of the North Carolina Scrap Tire Disposal Act shall include the beginning and ending balances in the Account for the reporting period, the amount credited to the Account during the reporting period, and the amount of revenue used for grants and to clean up nuisance tire collection sites. (1993, c. 548, s. 6; 1995 (Reg. Sess., 1996), c. 594, s. 23; 1997-209, ss. 1, 2; 2001-452, s. 3.4; 2002-126, s. 12.5(b).)

§§ 130A-309.64 through 130A-309.69: Reserved for future codification purposes.

Part 2C. Lead-Acid Batteries.

§ 130A-309.70. Landfilling and incineration of lead-acid batteries prohibited; delivery for recycling.

(a) No person shall knowingly place or dispose of a used lead-acid battery in a landfill, incinerator, or in any waste-to-energy facility. Any person may deliver a lead-acid battery to a battery retailer or wholesaler, or to a secondary lead smelter, or to a collection or recycling facility authorized under this Chapter or by the United States Environmental Protection Agency.

(b) No battery retailer shall knowingly place or dispose of a used lead-acid battery in a landfill, incinerator, or waste-to-energy facility. Any battery retailer may deliver a used lead-acid battery to the agent of a battery wholesaler or a secondary lead smelter, to a battery manufacturer for delivery to a secondary lead smelter, or to a collection or recycling facility authorized under this Chapter or by the United States Environmental Protection Agency.

(c) Any person who knowingly places or disposes of a lead-acid battery in violation of this section shall be assessed a civil penalty of not more than fifty dollars ($50.00) per violation. Each battery improperly disposed of shall constitute a separate violation.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1991, c. 375, s. 2; 1998-215, s. 56.)

Editor's Note. — Session Laws 1991, c. 375, s. 3, provides: "This Act shall not be construed to obligate the General Assembly to make any appropriation to implement the provisions of this Act. The Department of Environment, Health, and Natural Resources [now the Department of Environment and Natural Resources] shall implement the provisions of this act from funds otherwise appropriated or available to the Department."

§ 130A-309.71. Retailers required to accept lead-acid batteries for recycling; posting of notice required.

(a) A person who sells or offers for sale lead-acid batteries at retail in this State shall accept from customers, at the point of transfer or sale, used lead-acid batteries of the type and in a quantity at least equal to the number of new batteries purchased, if offered by customers.

(b) A person who sells or offers for sale lead-acid batteries at retail in this State shall post written notice which must be at least 81/2 inches by 11 inches in size and must contain the universal recycling symbol and the following language:

(1) "It is illegal to improperly dispose of a motor vehicle battery or other lead-acid battery."
(2) "Recycle your used batteries."
(3) "State law requires us to accept used motor vehicle batteries or other lead-acid batteries for recycling in exchange for new batteries purchased."

(c) Any person who fails to post the notice required by subsection (b) of this section after receiving a written warning from the Department to do so shall be assessed a civil penalty of not more than fifty dollars ($50.00) per day for each day the person fails to post the required notice.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1991, c. 375, s. 2; 1998-215, s. 57.)

§ 130A-309.72. Wholesalers required to accept lead-acid batteries.

(a) No person selling new lead-acid batteries at wholesale shall refuse to accept from customers at the point of transfer, used lead-acid batteries of the type and in a quantity at least equal to the number of new batteries purchased, if offered by customers. A person accepting batteries in transfer from a battery retailer shall be allowed a period not to exceed 90 days to remove batteries from the retail point of collection.

(b) Any person who violates this section shall be assessed a civil penalty of fifty dollars ($50.00) per violation. Each battery refused by a wholesaler or not removed from the retail point of collection within 90 days shall constitute a separate violation.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1991, c. 375, s. 2; 1998-215, s. 58.)

§ 130A-309.73. Inspections of battery retailers authorized; construction of this Part.

(a) The Department may inspect any place, building, or premise subject to the provisions of G.S. 130A-309.71. The Department may issue warnings to persons who fail to comply with the provisions of this Part.

(b) The provisions of this Part shall not be construed to prohibit any person who does not sell lead-acid batteries` from collecting and recycling such batteries. (1991, c. 375, s. 2.)

§§ 130A-309.74 through 130A-309.79: Reserved for future codification purposes.

Part 2D. Management of Discarded White Goods.

§ 130A-309.80. Findings and purpose.

The General Assembly finds that white goods are difficult to dispose of, that white goods that contain chlorofluorocarbon refrigerants pose a danger to the environment, and that it is in the best interest of the State to require that chlorofluorocarbon refrigerants be removed from discarded white goods. This Part therefore provides for the management of discarded white goods. (1993, c. 471, s. 4.)

§ 130A-309.81. Management of discarded white goods; disposal fee prohibited.

(a) Duty. — Each county is responsible for providing at least one site for the collection of discarded white goods. It must also provide for the disposal of discarded white goods and for the removal of chlorofluorocarbon refrigerants from white goods. A county may contract with another unit of local government or a private entity in accordance with Article 15 of Chapter 153A of the General Statutes to provide for the management of discarded white goods or for the removal of chlorofluorocarbon refrigerants from white goods.

(b) Restrictions. — A unit of local government or a contracting party may not charge a disposal fee for the disposal of white goods. A white good may not be disposed of in a landfill, an incinerator, or a waste-to-energy facility.

(c) Plan. — Each county shall establish written procedures for the management of white goods. The county shall include the procedures in any solid waste management plan required by the Department under this Article. (1993, c. 471, ss. 4, 6; 1993 (Reg. Sess., 1994), c. 745, ss. 36, 37; 2001-265, s. 6.)

Editor's Note. — Session Laws 1993 (Reg. Sess., 1994), c. 745, s. 37, repealed Session Laws 1993, c. 471, s. 6, which would have deleted "not" following "a contracting party may" in subsection (b). However, Session Laws 1993 (Reg. Sess., 1994), c. 745, s. 38, effective July 1, 1998, itself made the same change. Subsequently, Session Laws 2001-265, s. 6, effective retroactively to July 1, 1998, repealed s. 38 of Session Laws 1993 (Reg. Sess., 1994), c. 745.

Session Laws 1993, c. 471, s. 11, as originally enacted, had provided that the version of this section as amended by Session Laws 1993, c. 471, s. 6 (but subsequently repealed) would be effective July 1, 1998. Session Laws 1998-24, s. 11, had extended this date to July 1, 2002, and Session Laws 2000-109, s. 9(a), effective July 13, 2000, had deleted the postponed date for this amendment.

The section is set out above as it read prior to amendment by Session Laws 1993, c. 471, s. 6 and by Session Laws 1993 (Reg. Sess., 1994), c. 745, s. 38.

§ 130A-309.82. Use of disposal tax proceeds by counties.

Article 5C of Chapter 105 of the General Statutes imposes a tax on new white goods to provide funds for the management of discarded white goods. A county must use the proceeds of the tax distributed to it under that Article for the management of discarded white goods. The purposes for which a county may use the tax proceeds include, but are not limited to, the following:

(1) Capital improvements for infrastructure to manage discarded white goods, such as concrete pads for loading, equipment essential for moving white goods, storage sheds for equipment essential to white goods disposal management, and freon extraction equipment.

(2) Operating costs associated with managing discarded white goods, such as labor, transportation, and freon extraction.

(3) The cleanup of illegal white goods disposal sites, the cleanup of illegal disposal sites consisting of more than fifty percent (50%) discarded white goods, and, as to those illegal disposal sites consisting of fifty percent (50%) or less discarded white goods, the cleanup of the discarded white goods portion of the illegal disposal sites.

Except as provided in subdivision (3) of this section, a county may not use the tax proceeds for a capital improvement or operating expense that does not directly relate to the management of discarded white goods. Except as provided in subdivision (3) of this section, if a capital improvement or operating expense is partially related to the management of discarded white goods, a county may use the tax proceeds to finance a percentage of the costs equal to the percentage of the use of the improvement or expense directly related to the management of discarded white goods. (1993, c. 471, s. 4; 1998-24, ss. 4, 7; 2000-109, s. 9(a); 2001-265, s. 5.)

Editor's Note. — Session Laws 1993, c. 471, s. 4 enacted this section and s. 7 provided for its postponed repeal; subsequently, Session Laws 2001-265, s. 5, effective retroactively to July 13, 2000, repealed s. 7 of Session Laws 1993, c. 471. Session Laws 1993, c. 471, s. 11 made the section effective January 1, 1994, to repeal on July 1, 1999. Session Laws 1998-24, s. 7 amended Session Laws 1993, c. 471, s. 11 to extend the postponed repeal date to July 1, 2002. Session Laws 2000-109, s. 9(a), effective July 13, 2000, amended s. 11 to delete the postponed date for repeal of this section.

§ 130A-309.83. White Goods Management Account.

(a) The White Goods Management Account is established within the Department. The Account consists of revenue credited to the Account from the proceeds of the white goods disposal tax imposed by Article 5C of Chapter 105 of the General Statutes.

(b) The Department shall use revenue in the Account to make grants to units of local government to assist them in managing discarded white goods. To administer the grants, the Department shall establish procedures for applying for a grant and the criteria for selecting among grant applicants. The criteria shall include the financial ability of a unit to manage white goods, the severity of a unit's white goods management problem, and the effort made by a unit to manage white goods within the resources available to it.

(c) A unit of local government is not eligible for a grant unless its costs of managing white goods for a six-month period preceding the date the unit files an application for a grant exceeded the amount the unit received during that period from the proceeds of the white goods disposal tax under G.S. 105-187.24. The Department shall determine the six-month period to be used in determining who is eligible for a grant. A grant to a unit may not exceed the unit's unreimbursed cost for the six-month period.

(d) If a unit of local government anticipates that its costs of managing white goods during a six-month period will exceed the amount the unit will receive during that period because the unit will make a capital expenditure for the management of white goods or because the unit will incur other costs resulting from improvements to that unit's white goods management program, the unit may request that the Department make an advance determination that the costs are eligible to be paid by a grant from the White Goods Management Account and that there will be sufficient funds available in the Account to cover those costs. If the Department determines that the costs are eligible for reimbursement and that funds will be available, the Department shall reserve funds for that unit of local government in the amount necessary to reimburse allowable costs. The Department shall notify the unit of its determination and fund availability within 60 days of the request from the unit of local government. This subsection applies only to capital expenditures for the management of white goods and to costs resulting from improvements to a unit's white goods management program. (1993, c. 471, s. 4; 1995 (Reg. Sess., 1996), c. 594, s. 24; 1998-24, s. 7; 2000-109, s. 9(a); 2001-265, s. 5.)

Editor's Note. — Session Laws 1993-471, s. 4 enacted this section and s. 7 provided for its postponed repeal; subsequently, Session Laws 2001-265, s. 5, effective retroactively to July 13, 2000, repealed s. 7 of Session Laws 1993, c. 471. Session Laws 1993-471, s. 11 made the section effective January 1, 1994, to repeal on July 1, 1999. Session Laws 1998-24, s. 7 amended Session Laws 1993-471, s. 11 to extend the postponed repeal date to July 1, 2002. Session Laws 2000-109, s. 9(a), effective July 13, 2000, amended s. 11 to delete the postponed date for repeal of this section.

§ 130A-309.84. Civil penalties for improper disposal.

The Department may assess a civil penalty of not more than one hundred dollars ($100.00) against a person who, knowing it is unlawful, places or otherwise disposes of a discarded white good in a landfill, an incinerator, or a waste-to-energy facility. The Department may assess this penalty for the day the unlawful disposal occurs and each following day until the white good is disposed of properly.

The Department may assess a penalty of up to one hundred dollars ($100.00) against a person who, knowing it is required, fails to remove chlorofluorocarbon refrigerants from a discarded white good. The Department may assess this penalty for the day the failure occurs and each following day until the chlorofluorocarbon refrigerants are removed.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1993, c. 471, s. 4; 1998-215, s. 59.)

§ 130A-309.85. Reporting on the management of white goods.

The Department shall include in the report to be delivered to the Environmental Review Commission on or before 15 January of each year pursuant to G.S. 130A-309.06(c) a description of the management of white goods in the State for the fiscal year ending the preceding 30 June. The description of the management of white goods shall include the following information:

(1) The amount of taxes collected and distributed under G.S. 105-187.24 during the period covered by the report.
(2) The cost to each county of managing white goods during the period covered by the report.
(3) The beginning and ending balances of the White Goods Management Account for the period covered by the report and a list of grants made from the Account for the period.
(4) Any other information the Department considers helpful in understanding the problem of managing white goods.
(5) A summary of the information concerning the counties' white goods management programs contained in the counties' Annual Financial Information Report. (1993, c. 471, s. 4; 1995 (Reg. Sess., 1996), c. 594, s. 25; 1998-24, ss. 5, 7; 2000-109, s. 9(a); 2001-265, s. 5; 2001-452, s. 3.5.)

Editor's Note. — Session Laws 1993, c. 471, s. 9 was a postponed amendment to this section. Session Laws 1998-24, s. 7, amended Session Laws 1993-471, s. 11, to change the effective date of the amendment by Session Laws 1993-471, s. 9 to July 1, 2002. Session Laws 2000-109, s. 9(a), effective July 13, 2000, amended s. 11 to delete the postponed date for this amendment. Subsequently, Session Laws 2001-265, s. 5, effective retroactively to July 13, 2000, repealed Session Laws 1993, c. 471, s. 9. This section is therefore set out without the changes from the 1993 amendment.

Session Laws 1996, Second Extra Session, c. 18, s. 27.10, provides: "Beginning in 1997, the Department of Environment, Health and Natural Resources shall report on the generation, storage, treatment, and disposal of hazardous waste in North Carolina no more often than it is required to report under a federal law or federal regulation."

Session Laws 1996, Second Extra Session, c. 18, s. 1.1, provides: "This act shall be known as the Current Operations Appropriations Act of 1996."

Session Laws 1996, Second Extra Session, c. 18, s. 29.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1996-97 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1996-97 fiscal year."

§ 130A-309.86. Effect on local ordinances.

This Part preempts any local ordinance regarding the management of white goods that is inconsistent with this Part or the rules adopted pursuant to this Part. It does not preempt any local ordinance regarding the management of white goods that is consistent with this Part or rules adopted pursuant to this Part. (1993, c. 471, s. 4.)

§ 130A-309.87. Eligibility for disposal tax proceeds.

(a) Receipt of Funds. — A county may not receive a quarterly distribution of the white goods disposal tax proceeds under G.S. 105-187.24 unless the undesignated balance in the county's white goods account at the end of its fiscal year is less than the threshold amount. Based upon the information in a county's Annual Financial Information Report, the Department must notify the Department of Revenue by March 1 of each year which counties may not receive a distribution of the white goods disposal tax for the current calendar year. The Department of Revenue will credit the undistributed tax proceeds to the White Goods Management Account.

If the undesignated balance in a county's white goods account subsequently falls below the threshold amount, the county may submit a statement to the Department, certified by the county finance officer, that the undesignated balance in its white goods account is less than the threshold amount. Upon receipt of the statement, the Department will notify the Department of Revenue to distribute to the county its quarterly distribution of the white goods disposal tax proceeds. The Department must notify the Department of Revenue of the county's change of status at least 30 days prior to the next quarterly distribution.

For the purposes of this subsection, the term "threshold amount" means twenty-five percent (25%) of the amount of white goods disposal tax proceeds a county received, or would have received if it had been eligible to receive them under G.S. 130A-309.87, during the preceding fiscal year.

(b) Annual Financial Information Report. — On or before November 1 of each year, a county must submit a copy of its Annual Financial Information Report, prepared in accordance with G.S. 159-33.1, to the Department. The Secretary of the Local Government Commission must require the following information in that report:

(1) The tonnage of white goods scrap metal collected.
(2) The amount of revenue credited to its white goods account. This revenue should include all receipts derived from the white goods disposal tax, the sale of white goods scrap metals and freon, and a grant from the White Goods Management Account.
(3) The expenditures from its white goods account. The expenditures should include operating expenses and capital improvement costs associated with its white goods management program.
(4) The designated and undesignated balance of its white goods account.
(5) A comparison of the undesignated balance of its white goods account at the end of the fiscal year and the amount of white goods disposal tax proceeds it received, or would have received if it had been eligible to receive it under G.S. 130A-309.87, during the fiscal year. (1998-24, s. 6.)

§§ 130A-309.88, 130A-309.89: Reserved for future codification purposes.

Part 2E. Discarded Computer Equipment and Television Management.

§ 130A-309.90. (Effective July 1, 2010) Findings.

The General Assembly finds that:

(1) The computer equipment and television waste stream is growing rapidly in volume and complexity and can introduce toxic materials into solid waste landfills.
(2) It is in the best interests of the citizens of this State to have convenient, simple, and free or low-cost access to recycling services for discarded computer equipment and televisions.

(3) Collection programs operated by manufacturers, and local government and nonprofit agencies are an efficient way to divert discarded computer equipment and televisions from disposal and to provide recycling services to all citizens of this State.

(4) The development of local and nonprofit collection programs is hindered by the high costs of recycling and transporting discarded computer equipment and televisions.

(5) No comprehensive system currently exists, either provided by electronics manufacturers, retailers, or others, to adequately serve all citizens of the State and to divert large quantities of discarded computer equipment and televisions from disposal.

(6) Manufacturer responsibility is an effective way to ensure that manufacturers of computer equipment take part in a solution to the electronic waste problem.

(7) The recycling of certain discarded computer equipment and televisions recovers valuable materials for reuse and will create jobs and expand the tax base of the State.

(8) While some computers and computer monitors can be refurbished and reused and other consumer electronics products contain valuable materials, some older and bulkier consumer electronic products, including some televisions, may not contain any valuable products but should nevertheless be recycled to prevent the release of toxic substances to the environment.

(9) For the products covered by this Part, differences in product life expectancy, market economics, residual value, and product portability necessitate different approaches to recycling.

(10) In order to ensure that end-of-life computer equipment and televisions are responsibly recycled, to promote conservation, and to protect public health and the environment, a comprehensive and convenient system for recycling and reuse of certain electronic equipment should be established on the basis of shared responsibility among manufacturers, retailers, consumers, and the State. (2007-550, s. 16.1(a); 2008-198, s. 11.4; 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2007-550, s. 19, is a severability clause.

Session Laws 2007-550, s. 16.6(a), as amended by Session Laws 2008-208, s. 7, as amended by Session Laws 2008-198, s. 11.4, as amended by Session Laws 2009-484, s. 16(a) and as amended by Session Laws 2009-550, s. 10(a), makes this section effective July 1, 2010.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b) and as amended by Session Laws 2009-550, s. 10(b), provides that the amendment to this section by Session Laws 2008-208, s. 1, is effective July 1, 2010.

Effect of Amendments. — Session Laws 2008-208, s. 1, effective July 1, 2010, in the introductory language, substituted "finds that" for "makes the following findings"; in subdivision (1), inserted "and television"; in subdivision (2), inserted "or low-cost" and "and televisions"; in subdivision (3), inserted "manufacturers, and" and "and televisions"; in subdivision (4), added "and televisions"; in subdivision (5), substituted "no comprehensive system" for "no other system," inserted "and televisions"; in subdivision (7), inserted "certain" and "and televisions"; and added subdivisions (8) through (10).

§ 130A-309.91. (Effective July 1, 2010) Definitions.

As used in this Part, the following definitions apply:

(1) Business entity. — Defined in G.S. 55-1-40(2a).

(2) Computer equipment. — Any desktop central processing unit, any laptop computer, the monitor or video display unit for a computer system, and the keyboard, mice, and other peripheral equipment. Computer equipment does not include a printing device such as a

printer, a scanner, a combination print-scanner-fax machine, or other device designed to produce hard paper copies from a computer; an automobile; a television; a household appliance; a large piece of commercial or industrial equipment, such as commercial medical equipment, that contains a cathode ray tube, a cathode ray tube device, a flat panel display, or similar video display device that is contained within, and is not separate from, the larger piece of equipment, or other medical devices as that term is defined under the federal Food, Drug, and Cosmetic Act.

(2a) Computer manufacturer. — A person that manufactures computer equipment sold under its own brand or label; sells under its own brand or label computer equipment produced by other suppliers; imports into the United States computer equipment that was manufactured outside of the United States; or owns a brand that it licenses to another person for use on computer equipment. Manufacturer includes a business entity that acquires another business entity that manufactures or has manufactured computer equipment.

(2b) Covered device. — Computer equipment and televisions. The term does not include a device that is:

a. Part of a motor vehicle or any component of a motor vehicle assembled by, or for, a vehicle manufacturer or franchised dealer, including replacement parts for use in a motor vehicle.

b. (i) Physically a part of or integrated within a larger piece of equipment designed and intended for use in an industrial, governmental, commercial, research and development, or medical setting; (ii) equipment used for diagnostic, monitoring, or other medical products as that term is defined under the Federal Food, Drug, and Cosmetic Act; (iii) equipment used for security, sensing, monitoring, antiterrorism purposes, or emergency services purposes.

c. Contained within a household appliance, including, but not limited to, a clothes washer, clothes dryer, refrigerator, refrigerator and freezer, microwave oven, conventional oven or range, dishwasher, room air conditioner, dehumidifier, air purifier, or exercise equipment.

(3) Discarded computer equipment. — Computer equipment that is solid waste.

(3a) Discarded television. — A television that is solid waste.

(4) Discarded computer equipment or television collector. — A municipal or county government, nonprofit agency, or retailer that accepts discarded computer equipment or a television from the public.

(5) Recodified as G.S. 130A-309.91(2a).

(5a) Market share. — A television manufacturer's obligation to recycle discarded televisions. A television manufacturer's market share is the television manufacturer's prior year's sales of televisions as calculated by the Department pursuant to G.S. 130A-309.95(4) divided by all manufacturers' prior year's sales for all televisions as calculated by the Department pursuant to G.S. 130A-309.95(4). Market share may be expressed as a percentage, a fraction, or a decimal fraction.

(6) Orphan discarded computer equipment. — Any discarded computer equipment for which a manufacturer cannot be identified or for which the manufacturer is no longer in business and has no successor in interest.

(7) Retailer. — A person that sells computer equipment or televisions in the State to a consumer. Retailer includes a manufacturer of computer equipment or televisions that sells directly to a consumer through any

means, including transactions conducted through sales outlets, catalogs, the Internet, or any similar electronic means, but does not include a person that sells computer equipment or televisions to a distributor or retailer through a wholesale transaction.

(8) Television. — Any electronic device that contains a tuner that locks on to a selected carrier frequency and is capable of receiving and displaying of television or video programming via broadcast, cable, or satellite, including, without limitation, any direct view or projection television with a viewable screen of 9 inches or larger whose display technology is based on cathode ray tube (CRT), plasma, liquid crystal (LCD), digital light processing (DLP), liquid crystal on silicon (LCOS), silicon crystal reflective display (SXRD), light emitting diode (LED), or similar technology marketed and intended for use by a consumer primarily for personal purposes. The term does not include computer equipment.

(9) Television manufacturer. — A person that: (i) manufactures for sale in this State a television under a brand that it licenses or owns; (ii) manufactures for sale in this State a television without affixing a brand; (iii) resells into this State a television under a brand it owns or licenses produced by other suppliers, including retail establishments that sell a television under a brand that the retailer owns or licenses; (iv) imports into the United States or exports from the United States a television for sale in this State; (v) sells at retail a television acquired from an importer that is the manufacturer as described in sub-subdivision (iv) of this subdivision, and the retailer elects to register in lieu of the importer as the manufacturer of those products; (vi) manufactures a television for or supplies a television to any person within a distribution network that includes wholesalers or retailers in this State and that benefits from the sale in this State of the television through the distribution network; or (vii) assumes the responsibilities and obligations of a television manufacturer under this Part. In the event the television manufacturer is one that manufactures, sells, or resells under a brand it licenses, the licensor or brand owner of the brand shall not be considered to be a television manufacturer under (i) or (iii) of this subdivision. (2007-550, s. 16.1(a); 2008-198, ss. 11.3, 11.4; 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2007-550. s. 16.6(a), as amended by Session Laws 2008-208, s. 7, as amended by Session Laws 2008-198, s. 11.4, as amended by Session Laws 2009-484, s. 16(a), and as amended by Session Laws 2009-550, s. 10(a) makes this section effective July 1, 2010.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), provides that the amendment to this section by Session Laws 2008-208, s. 1, is effective July 1, 2010.

Subdivision (5), as amended by Session Laws 2008-208, s. 1, was redesignated as present subdivision (2a), former subdivision (2a), as enacted by Session Laws 2008-208, s. 1, was redesignated as subdivision (2b), and subdivision (5) has been set out as recodified at the direction of the Revisor of Statutes.

Session Laws 2007-550, s. 16.1(b), as amended by Session Laws 2008-208, s. 6, provides: "The Department shall include in the annual report for 15 January 2011, as required by G.S. 130A-309.98, as enacted by Section 16.1(a) of this act, an analysis of the feasibility and advisability of adding additional products to the list of covered devices in the definition of computer equipment as set out in G.S. 130A-309.91, as enacted by Section 16.1(a) of this act."

Effect of Amendments. — Session Laws 2008-198, s. 11.3, effective August 8, 2008, substituted "sub-subdivision (iv)" for "(i)" near the middle of the first sentence of subdivision (9).

Session Laws 2008-208, s. 1, effective July 1, 2010, added subdivisions (2a) and (3a); in subdivision (4), inserted "or television" and "or a television"; in subdivision (5), substituted "computer manufacturer" for "manufacturer," substituted "that manufactures" for "who manufactures"; added subdivision (5a); in subdivision (7), substituted "person that sells" for "person who sells" twice, inserted "or televisions" three times; and added subdivisions (8) and (9).

§ 130A-309.92. (Effective July 1, 2010) Responsibility for recycling discarded computer equipment and televisions.

In addition to the specific requirements of this Part, discarded computer equipment and television collectors and manufacturers share responsibility for the recycling of discarded computer equipment and televisions and the education of citizens of the State as to recycling opportunities for discarded computer equipment and televisions. (2007-550, s. 16.1(a); 2008-198, s. 11.4; 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2007-550. s. 16.6(a), as amended by Session Laws 2008-208, s. 7, as amended by Session Laws 2008-198, s. 11.4, as amended by Session Laws 2009-484, s. 16(a), and as amended by Session Laws 2009-550, s. 10(a), makes this section effective July 1, 2010.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), provides that the amendment to this section by Session Laws 2008-208, s. 1, is effective July 1, 2010.

Effect of Amendments. — Session Laws 2008-208, s. 1, effective July 1, 2010, inserted "and televisions" throughout.

§ 130A-309.93. (For effective dates, see note) Requirements for computer manufacturers.

(a) Registration and Fee Required. — Each manufacturer of computer equipment, before selling or offering for sale computer equipment in North Carolina, shall register with the Department and, at the time of registration, shall pay an initial registration fee of ten thousand dollars ($10,000) to the Department. A computer equipment manufacturer that has registered shall pay an annual renewal registration fee of one thousand dollars ($1,000) to the Department. The annual renewal registration fee shall be paid each year no later than the first day of the month in which the initial registration fee was paid. The proceeds of these fees shall be credited to the Computer Equipment Management Account. A manufacturer of computer equipment that sells 1,000 items of computer equipment or less per year is exempt from the requirement to pay the registration fee and the annual renewal fee imposed by this subsection.

(b) Manufacturer Label Required. — A manufacturer shall not sell or offer to sell computer equipment in this State unless a visible, permanent label clearly identifying the manufacturer of that device is affixed to the equipment.

(c) Computer Equipment Recycling Plan. — Each manufacturer of computer equipment shall develop and submit to the Department a plan for reuse or recycling of discarded computer equipment in the State produced by the manufacturer. The manufacturer shall submit a proposed plan to the Department within 120 days of registration as required by subsection (a) of this section. The plan shall:

(1) Describe any direct take-back program to be implemented by the manufacturer, including mail-back programs and collection events.

(2) Provide that the manufacturer will take responsibility for discarded computer equipment it manufactured.

(3) Include a detailed description as to how the manufacturer will implement and finance the plan.

(4) Provide for environmentally sound management practices to transport and recycle discarded computer equipment.

(5) Describe the performance measures that will be used by the manufacturer to document recovery and recycling rates for discarded computer equipment. The calculation of recycling rates shall include the amount of discarded computer equipment managed under the manufacturer's program divided by the amount of computer equipment sold by the manufacturer in North Carolina.

(6) Describe in detail how the manufacturer will provide for transportation of discarded computer equipment at no cost from discarded computer equipment collectors.

(7) Describe in detail how the manufacturer will fully cover the costs of processing discarded computer equipment received from discarded computer equipment collectors.

(8) Include a public education plan on the laws governing the recycling and reuse of discarded computer equipment under this Part and on the methods available to consumers to comply with those requirements.

(d) Computer Equipment Recycling Plan Revision. — A manufacturer may prepare a revised plan and submit it to the Department at any time as the manufacturer considers appropriate in response to changed circumstances or needs. The Department may require a manufacturer to revise or update a plan if the Department finds that the plan is inadequate or out-of-date.

(e) Payment of Costs for Plan Implementation. — Each manufacturer is responsible for all costs associated with the development and implementation of its plan. A manufacturer shall not collect a charge for the management of discarded computer equipment at the time the equipment is discarded.

(f) Joint Computer Equipment Recycling Plans. — A manufacturer may fulfill the requirements of this section by participation in a joint recycling plan with other manufacturers. A joint plan shall meet the requirements of subsection (c) of this section.

(g) Annual Report. — Each manufacturer shall submit a report to the Department by 1 February of each year that includes all of the following for the previous calendar year:

(1) A description of the collection and recycling services used to recover the manufacturer's products.

(2) The quantity and type of computer equipment sold by the manufacturer to retail consumers in this State.

(3) The quantity and type of discarded computer equipment collected by the manufacturer for recovery in this State for the preceding calendar year.

(4) Any other information requested by the Department. (2007-550, s. 16.1(a); 2008-198, s. 11.4; 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2007-550. s. 16.6(a), as amended by Session Laws 2008-208, s. 7, Session Laws 2008-198, s. 11.4, Session Laws 2009-484, s. 16(a), and Session Laws 2009-550, s. 10(a), makes subsections (a)-(f) effective July 1, 2010, and subsection (g) effective February 1, 2011.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), provides that the amendment to this section by Session Laws 2008-208, s. 1, is effective July 1, 2010.

Effect of Amendments. — Session Laws 2008-208, s. 1, effective July 1, 2010, inserted "computer" in the section heading.

§ 130A-309.93A. (For effective dates, see note) Requirements for television manufacturers.

(a) Each television manufacturer, before selling or offering for sale televisions in the State, shall register with the Department and, at the time of registration, shall pay an initial registration fee of two thousand five hundred dollars ($2,500) to the Department. An initial registration shall be valid from the day of registration through the last day of the fiscal year in which the registration fee was paid. A television manufacturer that has registered shall pay an annual renewal registration fee of two thousand five hundred dollars ($2,500) to the Department. The annual renewal registration fee shall be paid to the Department each fiscal year no later than 30 June of the previous fiscal year. The Department may charge an administrative fee of up to one hundred fifty dollars ($150.00) for failure to pay the permit fee by 30 June of each year. The proceeds of these fees shall be credited to the Television Management Account. A television manufacturer that sells 1,000 televisions or less per year is exempt from the requirement to pay the registration fee and the annual renewal fee imposed by this subsection.

(b) A television manufacturer shall not sell or offer to sell any television in this State unless a visible, permanent label clearly identifying the manufacturer of that device is affixed to the equipment.

(c) The obligation to recycle televisions shall be allocated to each television manufacturer based on the television manufacturer's market share. A television manufacturer must annually recycle or arrange for the recycling of its market share of televisions pursuant to this section.

(d) A television manufacturer shall conduct and document due diligence assessments of the recyclers the manufacturer contracts with, including an assessment of compliance with environmentally sound recovery standards adopted by the Department.

(e) A television manufacturer shall provide the Department with contact information for the manufacturer's designated agent or employee whom the Department may contact for information related to the manufacturer's compliance with the requirements of this section.

(f) A television manufacturer may fulfill the requirements of this section either individually or in participation with other television manufacturers.

(g) A television manufacturer shall report to the Department by 1 October of each year the total weight of televisions the manufacturer collected and recycled in the State during the previous year. (2008-198, s. 11.4; 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2008-208, s. 7, as amended by Session Laws 2008-198, s. 11.4, Session Laws 2009-484, s. 16(a), and Session Laws 2009-550, s. 10(a), makes subsections (a)-(f) effective July 1, 2010, and subsection (g) effective October 1, 2011.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), provides that the addition of this section by Session Laws 2008-208, s. 1, is effective July 1, 2010.

§ 130A-309.93B. (Effective July 1, 2010) Requirements applicable to retailers.

(a) A manufacturer must not sell or offer for sale or deliver to retailers for subsequent sale new televisions unless: (i) the covered device is labeled with the manufacturer's brand, which label is permanently affixed and readily visible; and (ii) the manufacturer has filed a registration with the Department, as specified in this Part.

(b) A retailer that sells or offers for sale new televisions must, before the initial offer for sale, review the Department's Web site to determine that all new covered devices that the retailer is offering for sale are labeled with the manufacturer's brands that are registered with the Department.

(c) A retailer is not responsible for an unlawful sale under this section if the manufacturer's registration expired or was revoked and the retailer took possession of the covered device prior to the expiration or revocation of the manufacturer's registration and the unlawful sale occurred within six months after the expiration or revocation. (2008-198, s. 11.4; 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2008-208, s. 7, as amended by Session Laws 2008-198, 11.4, Session Laws 2009-484, s. 16(a), and Session Laws 2009-550 s. 10(a), makes this section effective July 1, 2010.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), makes the addition of this section effective July 1, 2010.

§ 130A-309.94. (Effective July 1, 2010) Requirements for discarded computer equipment and television collectors.

Each discarded computer equipment and television collector shall ensure that discarded computer equipment and televisions received by the collector are properly stored, and either held for pickup by a manufacturer or delivered to a facility designated by a manufacturer. (2007-550, s. 16.1(a); 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2007-550, s. 16.6(a), as amended by Session Laws 2008-208, s. 7, Session Laws 2008-198, 11.4, Session Laws 2009-484, s. 16(a), and Session Laws 2009-550, s. 10(a), makes this section effective July 1, 2010.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), makes the amendment to this section by Session Laws 2008-208, s. 1, effective July 1, 2010.

Effect of Amendments. — Session Laws 2008-208, s. 1, effective July 1, 2010, inserted "and television" each place it appears and substituted "the collector are" for "the collector is consolidated at central location."

§ 130A-309.95. (Effective July 1, 2010) Responsibilities of the Department.

In addition to its other responsibilities under this Part, the Department shall:

(1) Develop and maintain a current list of manufacturers that are in compliance with the requirements of G.S. 130A-309.93 and G.S. 130A-309.93A and provide the current list to the Office of Information Technology Services each time that the list is updated.

(2) Develop and implement a public education program on the laws governing the recycling and reuse of discarded televisions and computer equipment under this Part and on the methods available to consumers to comply with those requirements. The Department shall make this information available on the Internet and shall provide technical assistance to manufacturers to meet the requirements of G.S. 130A-309.93(c)(8) and G.S. 130A-309.93A(c)(8). The Department shall also provide technical assistance to units of local government on the establishment and operation of discarded computer equipment and television collection centers and in the development and implementation of local public education programs.

(3) Maintain the confidentiality of any information that is required to be submitted by a manufacturer under this Part that is designated as a trade secret, as defined in G.S. 66-152(3) and that is designated as confidential or as a trade secret under G.S. 132-1.2.

(4) The Department shall use national televisions sales data available from commercially available analytical sources to calculate the generation of discarded televisions and to determine each television manufacturer's recovery responsibilities for televisions based on the

manufacturer's market share. The Department shall extrapolate data for the State from national data on the basis of the State's share of the national population. (2007-550, s. 16.1(a); 2008-198, s. 11.4; 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2007-550, s. 16.6(a), as amended by Session Laws 2008-208, s. 7, Session Laws 2008-198, s. 11.4, Session Laws 2009-484, s. 16(a), and Session Laws 2009-550, s. 10(a), makes subdivisions (1)-(3) effective July 1, 2010.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), makes the amendment to this section by Session Laws 2008-208, s. 1, effective July 1, 2010.

Effect of Amendments. — Session Laws 2008-208, s. 1, effective July 1, 2010, in subdivision (1), inserted "and G.S. 130A-309.93A"; in subdivision (2), inserted "televisions and," "and G.S. 130A-309.93A(c)(8)," and "and televisions"; and added subdivision (4).

§ 130A-309.96. (Effective July 1, 2010) Computer Equipment Management Account; Television Management Account.

(a) The Computer Equipment Management Account is created as a nonreverting account within the Department. Funds in the Account shall be used by the Department to implement the provisions of this Part.

(b) The Television Management Account is created as a nonreverting account within the Department. Funds in the Account shall be used by the Department to implement the provisions of this Part. (2007-550, s. 16.1(a); 2008-198, s. 11.4; 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2007-550, s. 16.6(a), as amended by Session Laws 2008-208, s. 7, Session Laws 2008-198, 11.4, Session Laws 2009-484, s. 16(a), and Session Laws 2009-550, s. 10(a), makes this section effective July 1, 2010.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), makes the amendment to this section by Session Laws 2008-208, s. 1, effective July 1, 2010.

Effect of Amendments. — Session Laws 2008-208, s. 1, effective July 1, 2010, in the section heading, added "Television Management Account"; designated the previous existing provisions as subsection (a); and added subsection (b).

§ 130A-309.97. (Effective July 1, 2010) Enforcement.

This Part may be enforced as provided by Part 2 of Article 1 of this Chapter. (2007-550, s. 16.1; 2008-198, s. 11.4; 2008-208, s. 7; 2009-484, ss. 16(a); 2009-550, ss. 10(a).)

Editor's Note. — Session Laws 2007-550, s. 16.6(a), as amended by Session Laws 2008-208, s. 7, Session Laws 2008-198, 11.4, Session Laws 2009-484, s. 16(a), and Session Laws 2009-550, s. 10(a), makes this section effective July 1, 2010.

§ 130A-309.98. (Effective January 15, 2011) Annual report.

No later than 15 January of each year, the Department shall submit a report on the recycling of discarded computer equipment and televisions in the State under this Part to the Environmental Review Commission. The report must include an evaluation of the recycling rates in the State for discarded computer equipment and televisions, a discussion of compliance and enforcement related to the requirements of this Part, and any recommendations for any changes to the system of collection and recycling of discarded computer equipment televisions, or other electronic devices. (2007-550, s. 16.1; 2008-198, s. 11.4; 2008-208, ss. 1, 7; 2009-484, s. 16(a), (b); 2009-550, s. 10(a), (b).)

Editor's Note. — Session Laws 2007-550, s. 16.1(b), as amended by Session Laws 2008-208, s. 6, provides: "The Department shall include in the annual report for 15 January 2011, as required by G.S. 130A-309.98, as enacted by Section 16.1(a) of this act, an analysis of the feasibility and advisability of adding additional products to the list of covered devices in the definition of computer equipment as set out in G.S. 130A-309.91, as enacted by Section 16.1(a) of this act."

Session Laws 2007-550, s. 16.6(a), as amended by Session Laws 2008-208, s. 7, Session Laws 2008-198, 11.4, Session Laws 2009-484, s. 16(a), and Session Laws 2009-550, s. 10(a), makes this section effective January 15, 2011.

Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s. 16(b), and as amended by Session Laws 2009-550, s. 10(b), makes the amendment to this section by Session Laws 2008-208, s. 1, effective July 1, 2010.

Effect of Amendments. — Session Laws 2008-208, s. 1, effective July 1, 2010, in the first sentence, substituted "15 January" for "1 April" and inserted "and televisions"; and in the last sentence, inserted "and televisions" and "televisions."

§ 130A-309.99. (Effective July 1, 2010) Local government authority not preempted.

Nothing in this Part shall be construed as limiting the authority of any local government to manage computer equipment and televisions that are solid waste. (2008-208, s. 1; 2009-484, s. 16(b); 2009-550, s. 10(b).)

Editor's Note. — Session Laws 2008-208, s. 8, as amended by Session Laws 2009-484, s.16(b), and as amended by Session Laws 2009-550, s. 10(b), makes this section effective July 1, 2010.

Part 2F. Management of Abandoned Manufactured Homes.

§ 130A-309.111. (Expires October 1, 2023) Purpose.

The purpose of this Part is to provide units of local government with the authority, funding, and guidance needed to provide for the efficient and proper identification, deconstruction, recycling, and disposal of abandoned manufactured homes in this State. (2008-136, s. 1.)

Editor's Note. — Session Laws 2008-136, s. 1, enacted this Part as G.S. 130A-309.99A through 130A-209.99H. It has been renumbered as G.S 130A-309.111 through 130A-309.118 at the direction of the Revisor of Statutes.

Session Laws 2008-136, s. 6, makes this Part effective July 1, 2009, and expiring October 1, 2023.

§ 130A-309.112. (Expires October 1, 2023) Definitions.

The following definitions apply to this Part:

(1) "Abandoned manufactured home" means a manufactured home or mobile classroom that is both:
  a. Vacant or in need of extensive repair.
  b. An unreasonable danger to public health, safety, welfare, or the environment.

(2) "Intact" when used in connection with "abandoned manufactured home" means an abandoned manufactured home from which the wheels and axles, white goods, and recyclable materials have not been removed.

(3) "Manufactured home" is defined in G.S. 105-164.3.
(4) "Responsible party" means any person or entity that possesses an ownership interest in an abandoned manufactured home. (2008-136, s. 1.)

Editor's Note. — For expiration of this section, see the Editor's note under G.S. 130A-309.111.

§ 130A-309.113. (Expires October 1, 2023) Management of abandoned manufactured homes.

(a) Plan. — Each county shall consider whether to implement a program for the management of abandoned manufactured homes. If, after consideration, the county decides not to implement a program, the county must state in the comprehensive solid waste management plan that it is required to develop under G.S. 130A-309.09A(b) that the county considered whether to implement a program for the management of abandoned manufactured homes and decided not to do so. A county may, at any time, reconsider its decision not to implement a program for the management of abandoned manufactured homes. If the county decides to implement a program, the county shall develop a written plan for the management of abandoned manufactured homes and include the plan as a component of the comprehensive solid waste management plan it is required to develop under G.S. 130A-309.09A(b). At a minimum, the plan shall include:

(1) A method by which the county proposes to identify abandoned manufactured homes in the county, including, without limitation, a process by which manufactured home owners or other responsible parties may request designation of their home as an abandoned manufactured home.
(2) A plan for the deconstruction of these abandoned manufactured homes.
(3) A plan for the removal of the deconstructed components, including mercury switches from thermostats, for reuse or recycling, as appropriate.
(4) A plan for the proper disposal of abandoned manufactured homes that are not deconstructed under subdivision (2) of this subsection.

(b) Authority to Contract. — A county may contract with another unit of local government or a private entity in accordance with Article 15 of Chapter 153A of the General Statutes to provide for the management of abandoned manufactured homes within the county and the implementation of its plan under subsection (a) of this section.

(c) Fee Authority. — A unit of local government or a party that contracted with the county under subsection (b) of this section may charge a disposal fee for the disposal of any abandoned manufactured home at a landfill pursuant to this Part.

(d) An intact abandoned manufactured home shall not be disposed of in a landfill. (2008-136, s. 1.)

Editor's Note. — For expiration of this section, see the Editor's note under G.S. 130A-309.111.

Session Laws 2008-136, s. 5, effective July 1, 2009, and expiring October 1, 2023, provides: "A county designated as a development tier one or two area pursuant to G.S. 143B-437.08 may, upon resolution by the Board of Commissioners of their intent to (i) develop a plan for the management of abandoned manufactured homes and (ii) implement the plan once developed, request a planning grant of up to two thousand five hundred dollars ($2,500) from the Solid Waste Management Trust Fund. These funds shall be used by the county to prepare a plan as provided in G.S. 130A-

309.113, as enacted by Section 1 of this act [codified as G.S. 130A-309.111 through 130A-309.118], and to identify abandoned manufactured homes."

§ 130A-309.114. (Expires October 1, 2023) Process for the disposal of abandoned manufactured homes.

(a) If a county adopts and implements a plan for the management of abandoned manufactured homes pursuant to this Part, the county shall notify the responsible party and the owner of the property on whose land the abandoned manufactured home is located for each identified abandoned manufactured home in the county that the abandoned manufactured home must be properly disposed of by the responsible party within 90 days. The notice shall be in writing and shall be served on the person as provided by Rule 4(j) of the Rules of Civil Procedure, G.S. 1A-1. The notice shall disclose the basis for the action and advise that a hearing will be held before a designated public officer at a place within the county in which the manufactured home is located not less than 10 days nor more than 30 days after the serving of the notice; that the responsible party shall be given the right to file an answer to the order and to appear in person, or otherwise, and give testimony at the place and time fixed in the notice; and that the rules of evidence prevailing in courts of law or equity shall not be controlling in hearings before the public officer.

(b) If, after notice and hearing, the public officer determines that the manufactured home under consideration is abandoned, the officer shall state in writing the officer's findings of fact in support of that determination, and the county shall order the responsible party to dispose of the abandoned manufactured home within 90 days of the expiration of this period. If the responsible party fails to comply with this order, the county shall take any action it deems reasonably necessary to dispose of the abandoned manufactured home, including entering the property where the abandoned manufactured home is located and arranging to have the abandoned manufactured home deconstructed and disposed of in a manner consistent with the plan developed under G.S. 130A-309.113(a). If the responsible party is not the owner of the property on which the abandoned manufactured home is located, the county may order the property owner to permit entry onto the owner's property by an appropriate party to permit the removal and proper disposal of the abandoned manufactured home.

(c) When a county removes, deconstructs, and disposes of an abandoned manufactured home pursuant to this section, whether directly or through a party that contracted with the county, the responsible party shall be liable for the actual costs incurred by the county, directly or indirectly, for its abatement activities and its administrative and legal expenses incurred, less the amount of grants for reimbursement received by the county under G.S. 130A-309.115 for the disposal activities for that manufactured home. The county may initiate a civil action to recover these unpaid costs from the responsible party. Nonpayment of any portion of the actual costs incurred by the county shall result in the imposition of a lien on any real property in the county owned by the responsible party.

(d) This section does not apply to any of the following:

(1) A retail business premises where manufactured homes are sold.

(2) A solid waste disposal facility where no more than 10 manufactured homes are stored at one time if all of the manufactured homes received for storage are deconstructed or removed from the facility within one year after receipt.

(e) This section does not change the existing authority of a county or a municipality to enforce any existing laws or of any person to abate a nuisance. (2008-136, s. 1.)

Editor's Note. — For expiration of this section, see the Editor's note under G.S. 130A-309.111.

§ 130A-309.115. (Expires October 1, 2023) Grants to local governments.

(a) The Department shall use funds from the Solid Waste Trust Fund established by G.S. 130A-309.12 to:

(1) Provide grants to counties to reimburse their expenses for activities under this Part.

(2) Provide technical assistance and support to counties to achieve the purposes of this Part.

(3) Implement this Part, including costs associated with staffing, training, submitting reports, and fulfilling program goals.

(b) Each county that requests a reimbursement grant from the Department shall also submit to the Department a proposed budget specifying in detail the expenses it expects to incur in a specified time period in connection with the activities under this Part. The Department shall review each submitted budget and make modifications, if necessary, in light of the availability of funds, the county's capacity to effectively and efficiently manage the abatement of abandoned manufactured homes, and any other factors that the Department reasonably determines are relevant. When the Department and a county agree on the amount of the county's budget under this subsection, the Department and the county shall execute an agreement that reflects this amount and that specifies the time period covered by the agreement, and the Department shall reserve funds for the county in the amount necessary to reimburse allowable costs. The amount of a reimbursement grant shall be calculated in accordance with subsections (c) and (d) of this section. A county shall not receive a reimbursement grant unless it has filed all the annual reports it is required to submit under G.S. 130A-309.117.

(c) Reimbursement grants shall be made in accordance with the terms of the grant agreement developed pursuant to subsection (b) of this section, but in any event, all reimbursements shall be calculated on a per-unit basis and based on the actual cost of such activities, not to exceed one thousand dollars ($1,000) for each unit. For a county designated as a development tier one or two area pursuant to G.S. 143B-437.08 where the costs associated with the disposition of an abandoned manufactured home in a manner consistent with this Part exceed one thousand dollars ($1,000) per unit, a county may request a supplemental grant in an amount equal to fifty percent (50%) of the amount in excess of one thousand dollars ($1,000). The Department shall consider the efficiency and effectiveness of the county program in making the supplemental grant, and the county participation must be a cash match.

(d) A county shall use reimbursement grant funds only for operating expenses that are directly related to the management of abandoned manufactured homes. If an operating expense is partially related to the management of abandoned manufactured homes, a county may use the reimbursement grant funds to finance the percentage of the cost that equals the percentage of the expense that is directly related to the management of abandoned manufactured homes. (2008-136, s. 1.)

Editor's Note. — For expiration of this section, see the Editor's note under G.S. 130A-309.111.

Session Laws 2008-136, s. 4, effective July 1, 2009, and expiring October 1, 2023, provides: "The Department of Environment and Natural Resources shall annually use up to one million dollars ($1,000,000) from the Solid Waste Management Trust Fund established by G.S. 130A-309.12 in order to fund the cleanup of abandoned mobile homes as provided in G.S. 130A-309.115."

§ 130A-309.116. (Expires October 1, 2023) Authority to adopt ordinances.

A county, or a unit of local government that is delegated authority to do so by the county, may adopt ordinances it deems necessary in order to implement this Part. (2008-136, s. 1.)

Editor's Note. — For expiration of this section, see the Editor's note under G.S. 130A-309.111.

§ 130A-309.117. (Expires October 1, 2023) Reporting on the management of abandoned manufactured homes.

(a) On or before 1 August of each year, any county that receives a reimbursement grant under G.S. 130A-309.115 shall submit a report to the Department that includes all of the following information:

(1) The number of units and approximate tonnage of abandoned manufactured homes removed, deconstructed, recycled, and disposed of during the previous fiscal year.

(2) A detailed statement of the county's abandoned manufactured homes account receipts and disbursements during the previous fiscal year that sets out the source of all receipts and the purpose of all disbursements.

(3) The obligated and unobligated balances in the county's abandoned manufactured homes account at the end of the fiscal year.

(4) An assessment of the county's progress in removing, deconstructing, recycling, and disposing of abandoned manufactured homes consistent with this Part.

(b) The Department shall include in its annual report to the Environmental Review Commission under G.S. 130A-309.06(c) a description of the management of abandoned manufactured homes in the State for the fiscal year ending the preceding 30 June. The description of the management of abandoned manufactured homes shall include all of the following information:

(1) The cost to each county of managing its abandoned manufactured home program during the reporting period.

(2) The beginning and ending balances of the Solid Waste Management Trust Fund for the reporting period and a list of grants made from the Fund for the period, itemized by county.

(3) A summary of the information contained in the reports submitted by counties pursuant to subsection (a) of this section.

(4) Any other information the Department considers helpful in understanding the problem of managing abandoned manufactured homes in the State. (2008-136, s. 1.)

Editor's Note. — For expiration of this section, see the Editor's note under G.S. 130A-309.111.

§ 130A-309.118. (Expires October 1, 2023) Effect on local ordinances.

This Part shall not be construed to limit the authority of counties under Article 18 of Chapter 153A of the General Statutes or the authority of cities under Article 19 of Chapter 160A of the General Statutes. (2008-136, s. 1.)

Editor's Note. — For expiration of this section, see the Editor's note under G.S. 130A-309.111.

§ 130A-309.119: Reserved for future codification purposes.

Part 2G. Plastic Bag Management.

§ 130A-309.120. Findings.

The General Assembly makes the following findings:

(1) Distribution of plastic bags by retailers to consumers for use in carrying, transporting, or storing purchased goods has a detrimental effect on the environment of the State.

(2) Discarded plastic bags contribute to overburdened landfills, threaten wildlife and marine life, degrade the beaches and other natural landscapes of North Carolina's coast, and, in many cases, require consumption of oil and natural gas during the manufacturing process.

(3) It is in the best interest of the citizens of this State to gradually reduce the distribution and use of plastic bags.

(4) Environmental degradation is especially burdensome in counties with barrier islands where soundside and ocean pollution are more significant, where removing refuse from such isolated places is more difficult and expensive, where such refuse deters tourism, and where the presence of a National Wildlife Refuge or National Seashore shows that the federal government places special value on protecting the natural environment in that vicinity.

(5) The barrier islands are most relevant in that they are where sea turtles come to nest. North Carolina has some of the most important sea turtle nesting areas on the East Coast, due to the proximity of the islands to the Gulf Stream. Plastic bag debris can be harmful to sea turtles and other land and marine life. The waters adjacent to the barrier islands, because they serve as habitat for the turtles, are particularly sensitive to waterborne debris pollution.

(6) Inhabitated barrier islands are visited by a high volume of tourists and therefore experience a high consumption of bags relative to their permanent population due to large numbers of purchases from restaurants, groceries, beach shops, and other retailers by the itinerant tourist population.

(7) Barrier islands are small and narrow, and therefore the comparative impact of plastic bags on the barrier islands is high. (2009-163, s. 1.)

Cross References. — As to administrative penalties for violations of this Part, see G.S. 130A-22.

Editor's Note. — Session Laws 2009-163, s. 3, made this Part effective September 1, 2009, and applicable to retail sales made on or after that date.

§ 130A-309.121. Definitions.

As used in this Part, the following definitions apply:

(1) Plastic bag. — A carryout bag composed primarily of thermoplastic synthetic polymeric material, which is provided by a store to a customer at the point of sale and incidental to the purchase of other goods.

(2) Prepared foods retailer. — A retailer primarily engaged in the business of selling prepared foods, as that term is defined in G.S. 105-164.3, to consumers.

(3) Recycled paper bag. — A paper bag that meets all of the following requirements:

a. The bag is manufactured from one hundred percent (100%) recycled content, including postconsumer content, postindustrial content, or a mix of postconsumer and postindustrial content.

b. The bag displays the words "made from recycled material" and "recyclable."

(4) Retail Chain. — Five or more stores located within the State that are engaged in the same general field of business and (i) conduct business under the same business name or (ii) operate under common ownership or management or pursuant to a franchise agreement with the same franchisor.

(5) Retailer. — A person who offers goods for sale in this State to consumers and who provides a single-use plastic bag to the consumer to carry or transport the goods and (i) has more than 5,000 square feet of retail or wholesale space or (ii) is one of a retail chain.

(6) Reusable bag. — A durable plastic bag with handles that is at least 2.25 mils thick and is specifically designed and manufactured for multiple reuse or a bag made of cloth or other machine washable fabric with handles. (2009-163, s. 1.)

§ 130A-309.122. Certain plastic bags banned.

No retailer shall provide customers with plastic bags unless the bag is a reusable bag, or the bag is used solely to hold sales to an individual customer of otherwise unpackaged portions of the following items:

(1) Fresh fish or fresh fish products.

(2) Fresh meat or fresh meat products.

(3) Fresh poultry or fresh poultry products.

(4) Fresh produce. (2009-163, s. 1.)

§ 130A-309.123. Substitution of paper bags restricted.

(a) A retailer subject to G.S. 130A-309.122 may substitute paper bags for the plastic bags banned by that section, but only if all of the following conditions are met:

(1) The paper bag is a recycled paper bag.

(2) The retailer offers one of the following incentives to any customer who uses the customer's own reusable bags instead of the bags provided by the retailer: (i) a cash refund; (ii) a store coupon or credit for general store use; or (iii) a value or reward under the retailer's customer loyalty or rewards program for general store use. The amount of the incentive shall be equal to or greater than the cost to the retailer of providing a recycled paper bag, multiplied by the number of reusable bags filled with the goods purchased by the customer.

(b) Nothing in this Part shall prevent a retailer from providing customers with reused packaging materials originally used for goods received from the retailer's wholesalers or suppliers.

(c) Notwithstanding subsection (a) of this section, a prepared foods retailer may package prepared foods in a recycled paper bag, regardless of the availability of a reusable bag, in order to comply with food sanitation or handling standards or best practices. (2009-163, s. 1.)

§ 130A-309.124. Required signage.

A retailer subject to G.S. 130A-309.122 other than a prepared foods retailer shall display a sign in a location viewable by customers containing the following notice: "[county name] County discourages the use of single-use plastic and paper bags to protect our environment from excess litter and greenhouse gases. We would appreciate our customers using reusable bags, but if you are not able to, a 100% recycled paper bag will be furnished for your use." The name of the county where the retailer displaying the sign is located should be substituted for "[county name]" in the language set forth in this section. (2009-163, s. 1.)

§ 130A-309.125. Applicability.

(a) This Part applies only in a county which includes a barrier island or barrier peninsula, in which the barrier island or peninsula meets both of the following conditions:

(1) It has permanent inhabitation of 200 or more residents and is separated from the North Carolina mainland by a sound.
(2) It contains either a National Wildlife Refuge or a portion of a National Seashore.

(b) Within any county covered by subsection (a) of this section, this Part applies only to an island or peninsula that both:

(1) Is bounded on the east by the Atlantic Ocean.
(2) Is bounded on the west by a coastal sound. (2009-163, s. 1.)

Part 3. Inactive Hazardous Sites.

§ 130A-310. Definitions.

Unless a different meaning is required by the context, the following definitions shall apply throughout this Part:

(1) "CERCLA/SARA" means the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, Pub. L. 96-510, 94 Stat. 2767, 42 U.S.C. 9601 et seq., as amended, and the Superfund Amendments and Reauthorization Act of 1986, Pub. L. 99-499, 100 Stat. 1613, as amended.
(2) "Hazardous substance" means hazardous substance as defined in CERCLA/SARA.
(3) "Inactive hazardous substance or waste disposal site" or "site" means any facility, as defined in CERCLA/SARA. These sites do not include hazardous waste facilities permitted or in interim status under this Article.
(4) "Operator" means the person responsible for the overall operation of an inactive hazardous substance or waste disposal site.
(5) "Owner" means any person who owns an inactive hazardous substance or waste disposal site, or any part thereof.
(6) "Release" means release as defined in the CERCLA/SARA.
(7) "Remedy" or "Remedial Action" means remedy or remedial action as defined in CERCLA/SARA.
(8) "Remove" or "Removal" means remove or removal as defined in CERCLA/SARA.
(9) "Responsible party" means any person who is liable pursuant to G.S. 130A-310.7. (1987, c. 574, s. 2; 1989, c. 286, s. 2; 1999-83, s. 1.)

Editor's Note. — Section 4 of Session Laws 1987, c. 574, provided: "This act shall not be construed to obligate the General Assembly to make any appropriation to implement the provisions of this act; nor shall it be construed to obligate the Secretary to implement any monitoring program, testing program, or inactive hazardous substance or waste disposal site remedial action program for which no funding is available, from appropriations or otherwise."

Legal Periodicals. — For note on the Brownfields Property Reuse Act of 1997, see 78 N.C.L. Rev. 1015 (1998).

§ 130A-310.1. Identification, inventory, and monitoring of inactive hazardous substance or waste disposal sites; duty of owners, operators, and responsible parties to provide information and access; remedies.

(a) The Department shall develop and implement a program for locating, cataloguing, and monitoring all inactive hazardous substance or waste disposal sites in North Carolina. The Secretary shall compile and maintain an inventory of all inactive hazardous substance or waste disposal sites based on information submitted by owners, operators, and responsible parties, and on data obtained directly by the Secretary. The Secretary shall maintain records of any evidence of contamination to the air, surface water, groundwater, surface or subsurface soils, or waste streams for inventoried sites. The records shall include all available information on the extent of any actual damage or potential danger to public health or to the environment resulting from the contamination.

(b) The Commission shall develop and make available a format and checklist for submission of data relevant to inactive hazardous substance or waste disposal sites. Within 90 days of the date on which an owner, operator, or responsible party knows or should know of the existence of an inactive hazardous substance or waste disposal site, the owner, operator, or responsible party shall submit to the Secretary all site data that is known or readily available to the owner, operator, or responsible party. The owner, operator, or responsible party shall certify under oath that, to the best of his knowledge and belief, the data is complete and accurate.

(c) Whenever the Secretary determines that there is a release, or substantial threat of a release, into the environment of a hazardous substance from an inactive hazardous substance or waste disposal site, the Secretary may, in addition to any other powers he may have, order any responsible party to conduct any monitoring, testing, analysis, and reporting that the Secretary deems reasonable and necessary to ascertain the nature and extent of any hazard posed by the site. Written notice of any order issued pursuant to this section shall be given to all persons subject to the order as set out in G.S. 130A-310.3(c). The Secretary, prior to the entry of any order, shall solicit the cooperation of the responsible party.

(d) If a person fails to submit data as required in subsection (b) of this section or violates the requirements or schedules in an order issued pursuant to subsection (c) of this section, the Secretary may institute an action for injunctive relief, irrespective of all other remedies at law, in the superior court of the county where the violation occurred or where a defendant resides.

(e) Whenever a person ordered to take any action pursuant to this section is unable or fails to do so, or if the Secretary, after making a reasonable attempt, is unable to locate any responsible party, the Secretary may take the action. The cost of any action by the Secretary pursuant to this section may be paid from the Inactive Hazardous Sites Cleanup Fund, subject to a later action for reimbursement pursuant to G.S. 130A-310.7. The provisions of subdivisions (a)(1) to (a)(3) of G.S.130A-310.6 shall apply to any action taken by the Secretary pursuant to this section.

(f) Upon reasonable notice, the Secretary may require any person to furnish to the Secretary any information, document, or record in that person's possession or under that person's control that relates to:

(1) The identification, nature, and quantity of material that has been or is generated, treated, stored, or disposed of at an inactive hazardous substance or waste disposal site or that is transported to an inactive hazardous substance or waste disposal site.

(2) The nature and extent of a release or threatened release of a hazardous substance or hazardous waste at or from an inactive hazardous substance or waste disposal site.

(3) Information relating to the ability of a person to pay for or to perform a cleanup.

(g) A person who is required to furnish any information, document, or record under subsection (f) of this section shall either allow the Secretary to inspect and copy all information, documents, and records or shall copy and furnish to the Secretary all information, documents, and records at the expense of the person.

(h) To collect information to administer this Part, the Secretary may subpoena the attendance and testimony of witnesses and the production of documents, records, reports, answers to questions, and any other information that the Secretary deems necessary. Witnesses shall be paid the same fees and mileage that are paid to witnesses in proceedings in the General Court of Justice. In the event that a person fails to comply with a subpoena issued under this subsection, the Secretary may seek enforcement of the subpoena in the superior court in any county where the inactive hazardous substance or waste disposal site is located, in the county where the person resides, or in the county where the person has his or her principal place of business.

(i) A person who owns or has control over an inactive hazardous substance or waste disposal site shall grant the Secretary access to the site at reasonable times. If a person fails to grant the Secretary access to the site, the Secretary may obtain an administrative search and inspection warrant as provided by G.S. 15-27.2. (1987, c. 574, s. 2; 1989, c. 286, s. 3; 1997-53, s. 1.)

Legal Periodicals. — For 1997 legislative survey, see 20 Campbell L. Rev. 443 (1998).

§ 130A-310.2. Inactive Hazardous Waste Sites Priority List.

(a) No later than six months after July 1, 1987, the Commission shall develop a system for the prioritization of inactive hazardous substance or waste disposal sites based on the extent to which such sites endanger the public health and the environment. The Secretary shall apply the prioritization system to the inventory of sites to create and maintain an Inactive Hazardous Waste Site Priority List, which shall rank all inactive hazardous substance or waste disposal sites in decreasing order of danger. This list shall identify the location of each site and the type and amount of hazardous substances or waste known or believed to be located on the site. The first such list shall be published within two years after July 1, 1987, with subsequent lists to be published at intervals of not more than two years thereafter. The Secretary shall notify owners, operators, and responsible parties of sites listed on the Inactive Hazardous Waste Sites Priority List of their ranking on the list. The Inactive Hazardous Sites Priority List shall be used by the Department in determining budget requests and in allocating any State appropriation which may be made for remedial action, but shall not be used so as to impede any other action by the Department, or any remedial or other action for which funds are available.

(b) No later than January 1 of each year, the Department shall report to each member of the General Assembly who has an inactive hazardous substance or waste disposal site in the member's district. This report shall include the location of each inactive hazardous substance or waste disposal site in the member's district, the type and amount of hazardous substances or waste known or believed to be located on each of these sites, the last action taken at each of these sites, and the date of that last action. (1987, c. 574, s. 2; 2008-107, s. 12.1A(a).)

Editor's Note. — Session Laws 2008-107, s. 12.1A(b), provides: "The initial report under G.S. 130A-310.2(b), as amended by this section, shall be due no later than January 1, 2009."

Session Laws 2008-107, s. 1.2, provides: "This act shall be known as 'The Current Operations and Capital Improvements Appropriations Act of 2008'."

Session Laws 2008-107, s. 30.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2008-2009 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2008-2009 fiscal year."

Session Laws 2008-107, s. 30.5 is a severability clause.

Effect of Amendments. — Session Laws 2008-107, s. 12.1A(a), effective July 1, 2008, designated the previous existing provisions as subsection (a); and added subsection (b).

§ 130A-310.3. Remedial action programs for inactive hazardous substance or waste disposal sites.

(a) The Secretary may issue a written declaration, based upon findings of fact, that an inactive hazardous substance or waste disposal site endangers the public health or the environment. After issuing such a declaration, and at any time during which the declaration is in effect, the Secretary shall be responsible for:

(1) Monitoring the inactive hazardous substance or waste disposal site;

(2) Developing a plan for public notice and for community and local government participation in any inactive hazardous substance or waste disposal site remedial action program to be undertaken;

(3) Approving an inactive hazardous substance or waste disposal site remedial action program for the site;

(4) Coordinating the inactive hazardous substance or waste disposal site remedial action program for the site; and

(5) Ensuring that the hazardous substance or waste disposal site remedial action program is completed.

(b) Where possible, the Secretary shall work cooperatively with any owner, operator, responsible party, or any appropriate agency of the State or federal government to develop and implement the inactive hazardous substance or waste disposal site remedial action program. The Secretary shall not take action under this section to the extent that the Environmental Management Commission, the Commissioner of Agriculture, or the Pesticide Board has assumed jurisdiction pursuant to Articles 21 or 21A of Chapter 143 of the General Statutes.

(c) Whenever the Secretary has issued such a declaration, and at any time during which the declaration is in effect, the Secretary may, in addition to any other powers he may have, order any responsible party:

(1) To develop an inactive hazardous substance or waste disposal site remedial action program for the site subject to approval by the Department, and

(2) To implement the program within reasonable time limits specified in the order.

Written notice of such an order shall be provided to all persons subject to the order personally or by certified mail. If given by certified mail, notice shall be deemed to have been given on the date appearing in the return of the receipt. If giving of notice cannot be accomplished either personally or by certified mail, notice shall be given as provided in G.S. 1A-1, Rule 4(j).

(d) In any inactive hazardous substance or waste disposal site remedial action program implemented hereunder, the Secretary shall ascertain the most nearly applicable cleanup standard as would be applied under CERCLA/SARA, and may seek federal approval of any such program to insure concurrent compliance with federal standards. State standards may exceed and be more comprehensive than such federal standards. The Secretary shall assure concurrent compliance with applicable standards set by the Environmental Management Commission.

(e) For any removal or remedial action conducted entirely on-site under this Part, to the extent that a permit would not be required under 42 U.S.C. § 9621(e) for a removal or remedial action conducted entirely on-site under CERCLA/SARA, the Secretary may grant a waiver from any State law or rule that requires that an environmental permit be obtained from the Department. The Secretary shall not waive any requirement that a permit be obtained unless either the removal or remedial action is being conducted pursuant to G.S. 130A-310.3(c), 130A-310.5, or 130A-310.6, or the owner, operator, or other responsible party has entered into an agreement with the Secretary to implement a voluntary remedial action plan under G.S. 130A-310.9(b). The Secretary shall invite public participation in the development of the remedial action plan in the manner set out in G.S. 130A-310.4 prior to granting a permit waiver, except for a removal or remedial action conducted pursuant to G.S. 130A-310.5.

(f) In order to reduce or eliminate the danger to public health or the environment posed by an inactive hazardous substance or waste disposal site, an owner, operator, or other responsible party may impose restrictions on the current or future use of the real property comprising any part of the site if the restrictions meet the requirements of this subsection. The restrictions must be agreed to by the owner of the real property, included in a remedial action plan for the site that has been approved by the Secretary, and implemented as a part of the remedial action program for the site. The Secretary may approve restrictions included in a remedial action plan in accordance with standards determined as provided in subsection (d) of this section or pursuant to rules adopted under Chapter 150B of the General Statutes. Restrictions may apply to activities on, over, or under the land, including, but not limited to, use of groundwater, building, filling, grading, excavating, and mining. Any approved restriction shall be enforced by any owner, operator, or other party responsible for the inactive hazardous substance or waste disposal site. Any land-use restriction may also be enforced by the Department through the remedies provided in Part 2 of Article 1 of this Chapter or by means of a civil action. The Department may enforce any land-use restriction without first having exhausted any available administrative remedies. A land-use restriction may also be enforced by any unit of local government having jurisdiction over any part of the site. A land-use restriction shall not be declared unenforceable due to lack of privity of estate or contract, due to lack of benefit to particular land, or due to lack of any property interest in particular land. Any person who owns or leases a property subject to a land-use restriction under this Part shall abide by the land-use restriction. (1987, c. 574, s. 2; 1989, c. 727, s. 145; 1991, c. 281, ss. 1, 2; 1997-394, s. 1; 2002-154, s. 2.)

§ 130A-310.4. Public participation in the development of the remedial action plan.

(a) Within 10 days after the Secretary issues a declaration pursuant to G.S. 130A-310.3, he shall notify in writing the local board of health and the local health director having jurisdiction in the county or counties in which an inactive hazardous substance or waste disposal site is located that the site may endanger the public health or environment and that a remedial action plan is being developed. The Secretary shall involve the local health director in the development of the remedial action plan.

(b) Before approving any remedial action plan, the Secretary shall make copies of the proposed plan available for inspection as follows:

(1) A copy of the plan shall be provided to the local health director.
(2) A copy of the proposed plan shall be filed with the register of deeds in the county or counties in which the site is located.
(3) A copy of the plan shall be provided to each public library located in the county or counties in which the site is located.
(4) The Secretary may place copies of the plan in other locations so as to assure the availability thereof to the public.

In addition, copies of the plan shall be available for inspection and copying at cost by the public during regular business hours in the offices of the agency within the Department with responsibility for the administration of the remedial action program.

(c) Before approving any remedial action plan, the Secretary shall give notice of the proposed plan as follows:

(1) A notice and summary of the proposed plan shall be published weekly for a period of three consecutive weeks in a newspaper having general circulation in the county or counties where the site is located.
(2) Notice that a proposed remedial action plan has been developed shall be given by first class mail to persons who have requested such notice. Such notice shall state the locations where a copy of the remedial action plan is available for inspection. The Department shall maintain a mailing list of persons who request notice pursuant to this section.

(d) The Secretary may conduct a public meeting to explain the proposed plan and alternatives to the public.

(e) At least 45 days from the latest date on which notice is provided pursuant to subsection (c)(1) of this section shall be allowed for the receipt of written comment on the proposed remedial action plan prior to its approval. If a public hearing is held pursuant to subsection (f) of this section, at least 20 days will be allowed for receipt of written comment following the hearing prior to the approval of the remedial action plan.

(f) If the Secretary determines that significant public interest exists, he shall conduct a public hearing on the proposed plan and alternatives. The Department shall give notice of the hearing at least 30 days prior to the date thereof by:

(1) Publication as provided in subdivision (c)(1) of this section, with first publication to occur not less than 30 days prior to the scheduled date of the hearing; and
(2) First class mail to persons who have requested notice as provided in subdivision (c)(2) of this section.

(g) The Commission on Health Services [Commission for Public Health] shall adopt rules prescribing the form and content of the notices required by this section. The proposed remedial action plan shall include a summary of all alternatives considered in the development of the plan. A record shall be maintained of all comment received by the Department regarding the remedial action plan. (1987, c. 574, s. 2; 1997-28, s. 2.)

Editor's Note. — Session Laws 2007-182, s. 2, effective July 5, 2007, provides: "In order to better reflect the functions and duties performed by the Commission for Health Services of the Department of Health and Human Services, the Commission for Health Services is renamed the Commission for Public Health. Wherever the name "Commission for Health Services" appears in the General Statutes, the Revisor of Statutes shall replace "Commission for Health Services" with "Commission for Public Health."

§ 130A-310.5. Authority of the Secretary with respect to sites which pose an imminent hazard.

(a) An imminent hazard exists whenever the Secretary determines, that there exists a condition caused by an inactive hazardous substance or waste disposal site, including a release or a substantial threat of a release into the environment of a hazardous substance from the site, which is causing serious harm to the public health or environment, or which is likely to cause such harm before a remedial action plan can be developed. Whenever the Secretary determines that an imminent hazard exists he may, in addition to any other powers he may have, without notice or hearing, order any known responsible party to take immediately any action necessary to eliminate or correct the condition, or the Secretary, in his discretion, may take such action without issuing an order. Written notice of any order issued pursuant to this section shall be provided to all persons subject to the order as set out in G.S. 130A-310.3(c). Unless the time required to do so would increase the harm to the public health or the environment, the Secretary shall solicit the cooperation of responsible parties prior to the entry of any such order. The provisions of subdivisions (1) to (3) of G.S. 130A-310.6(a) shall apply to any action taken by the Secretary pursuant to this section, and any such action shall be considered part of a remedial action program, the cost of which may be recovered from any responsible party.

(b) If a person violates the requirements or schedules in an order issued pursuant to this section, the Secretary may institute an action for injunctive relief, irrespective of all other remedies at law, in the superior court of the county where the violation occurred or where a defendant resides.

(c) The cost of any action by the Secretary pursuant to this section may be paid from the Inactive Hazardous Sites Cleanup Fund, or the Emergency Response Fund established pursuant to G.S. 130A-306, subject to a later action for reimbursement pursuant to G.S. 130A-310.7. (1987, c. 574, s. 2; 1989, c. 286, s. 4; 1989 (Reg. Sess., 1990), c. 1004, s. 9; c. 1024, s. 30(a); 1991, c. 342, s. 8.)

§ 130A-310.6. State action upon default of responsible parties or when no responsible party can be located.

(a) Whenever a person ordered to develop and implement an inactive hazardous substance or waste disposal site remedial action program is unable or fails to do so within the time specified in the order, the Secretary may develop and implement or cause to be developed and implemented such a program. The cost of developing and implementing a remedial action program pursuant to this section may be paid from the Inactive Hazardous Sites Cleanup Fund, subject to a later action for reimbursement pursuant to G.S. 130A-310.7.

(1) The Department is authorized and empowered to use any staff, equipment or materials under its control or provided by other cooperating federal, State or local agencies and to contract with any agent or contractor it deems appropriate to develop and implement the

remedial action program. State agencies shall provide to the maximum extent feasible such staff, equipment, and materials as may be available for developing and implementing a remedial action program.

(2) Upon completion of any inactive hazardous substance or waste disposal remedial action program, any State or local agency that has provided personnel, equipment, or material shall deliver to the Department a record of expenses incurred by the agency. The amount of the incurred expenses shall be disbursed by the Secretary to each such agency. The Secretary shall keep a record of all expenses incurred for the services of State personnel and for the use of the State's equipment and material.

(3) As soon as feasible or after completion of any inactive hazardous substance or waste disposal site remedial action program, the Secretary shall prepare a statement of all expenses and costs of the program expended by the State and issue an order demanding payment from responsible parties. Written notice of such an order shall be provided to all persons subject to the order personally or by certified mail. If given by certified mail, notice shall be deemed to have been given on the date appearing on the return of the receipt. If giving of notice cannot be accomplished either personally or by certified mail, notice shall then be given as provided in G.S. 1A-1, Rule 4(j).

(b) If the Secretary, after declaring that an inactive hazardous substance or waste disposal site may endanger the public health or the environment, is unable, after making a reasonable attempt, to locate any responsible party, the Department may develop and implement a remedial action program for the site as provided in subsection (a)(1) and (2) of this section. If responsible parties are subsequently located, the Secretary may issue an order demanding payment from such persons in the manner set forth in subdivision (a)(3) of this section for the necessary expenses incurred by the Department for developing and implementing the remedial action program. If the persons subject to such an order refuse to pay the sum expended, or fail to pay such sum within the time specified in the order, the Secretary shall bring an action in the manner set forth in G.S. 130A-310.7.

(c) The Secretary shall use funds allocated to the Department under G.S. 130A-295.9(1) to assess pre-1983 landfills, to determine the priority for remediation of pre-1983 landfills, and to develop and implement a remedial action plan for each pre-1983 landfill that requires remediation. Environmental and human health risks posed by a pre-1983 landfill may be mitigated using a risk-based approach for assessment and remediation.

(d) The Secretary shall not seek cost recovery from a unit of local government for assessment and remedial action performed under subsection (c) of this section at a pre-1983 landfill. The Secretary shall not seek cost recovery for assessment and remedial action performed under subsection (c) of this section at a pre-1983 landfill from any other potentially responsible party if the Secretary develops and implements a remedial action plan for that pre-1983 landfill. If any potentially responsible party fails to cooperate with assessment of a site and implementation of control and mitigation measures at any site which the potentially responsible party owns or over which the potentially responsible party exercises control through a lease or other property interest, the Secretary may seek cost recovery for assessment and remedial action. Cooperation with assessment of a site and implementation of control and mitigation measures includes, but is not limited to, granting access to the site, allowing installation of monitoring wells, allowing installation and maintenance of improvements to the landfill cap, allowing installation of security measures, agreeing to record and implement land-use restrictions, and providing access to any records regarding the pre-1983 landfill. Nothing in this section shall alter any right, duty, obligation, or liability between a unit of local government and a third party. Nothing in this section shall alter any right, duty, obligation, or liability between any other potentially responsible party and a unit of local government, a third party, or, except as provided in this subsection, to the State.

(e) The Secretary shall develop and implement remedial action plans for pre-1983 landfills in the order of their priority determined as provided in subsection (c) of this section. The Secretary shall not develop or implement a remedial action plan for a pre-1983 landfill unless the Secretary determines that sufficient funds will be available from the Inactive Hazardous Sites Cleanup Fund to pay the costs of development and implementation of a remedial action plan for that pre-1983 landfill.

(f) A unit of local government that voluntarily undertakes assessment or remediation of a pre-1983 landfill may request that the Department reimburse the costs of assessment of the pre-1983 landfill and implementation of measures necessary to remediate the site to eliminate an imminent hazard. The Department shall provide reimbursement under this subsection if the Department finds all of the following:

(1) The unit of local government undertakes assessment and remediation under a plan approved by the Department.
(2) The unit of local government provides a certified accounting of costs incurred for assessment and remediation.
(3) Each contract for assessment and remediation complies with the requirements of Articles 3D and 8 of Chapter 143 of the General Statutes.
(4) Remedial action is limited to measures necessary to abate the imminent hazard.

(g) The Department may undertake any additional action necessary to remediate a pre-1983 landfill based on the priority ranking of the site under subsection (c) of this section. (1987, c. 574, s. 2; 1989, c. 286, s. 5; 2007-550, s. 14(c).)

Editor's Note. — Session Laws 2007-550, s. 19, is a severability clause.

Effect of Amendments. — Session Laws 2007-550, s. 14(c), effective July 1, 2008, added subsections (c) through (g).

§ 130A-310.7. Action for reimbursement; liability of responsible parties; notification of completed remedial action.

(a) Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in this subsection, any person who:

(1) Discharges or deposits; or
(2) Contracts or arranges for any discharge or deposit; or
(3) Accepts for discharge or deposit; or
(4) Transports or arranges for transport for the purpose of discharge or deposit

any hazardous substance, the result of which discharge or deposit is the existence of an inactive hazardous substance or waste disposal site, shall be considered a responsible party. Neither an innocent landowner who is a bona fide purchaser of the inactive hazardous substance or waste disposal site without knowledge or without a reasonable basis for knowing that hazardous substance or waste disposal had occurred nor a person whose interest or ownership in the inactive hazardous substance or waste disposal site is based on or derived from a security interest in the property shall be considered a responsible party. A responsible party shall be directly liable to the State for any or all of the reasonably necessary expenses of developing and implementing a remedial action program for such site. The Secretary shall bring an action for reimbursement of the Inactive Hazardous Sites Cleanup Fund in the name of the State in the superior court of the county in which the site is located to recover such sum and the cost of bringing the action. The State must show that a danger to the public health or the environment existed and that the State complied with the provisions of this Part.

(b) There shall be no liability under this section for a person who can establish by a preponderance of the evidence that the danger to the public health or the environment caused by the site was caused solely by:

(1) An act of God; or
(2) An act of war; or
(3) An intentional act or omission of a third party (but this defense shall not be available if the act or omission is that of an employee or agent of the defendant, or if the act or omission occurs in connection with a contractual relationship with the defendant); or
(4) Any combination of the above causes.

(c) The definitions set out in G.S. 130A-310.31(b) apply to this subsection. Any person may submit a written request to the Department for a determination that a site that is subject to this Part has been remediated to unrestricted use standards as provided in Part 5 of Article 9 of Chapter 130A of the General Statutes. A request for a determination that a site has been remediated to unrestricted use standards shall be accompanied by the fee required by G.S. 130A-310.39(a)(2). If the Department determines that the site has been remediated to unrestricted use standards, the Department shall issue a written notification that no further remediation will be required at the site. The notification shall state that no further remediation will be required at the site unless the Department later determines, based on new information or information not previously provided to the Department, that the site has not been remediated to unrestricted use standards or that the Department was provided with false or incomplete information. Under any of those circumstances, the Department may withdraw the notification and require responsible parties to remediate the site to unrestricted use standards. (1987, c. 574, s. 2; 1989, c. 286, s. 6; 1989 (Reg. Sess., 1990), c. 1004, s. 10; c. 1024, s. 30(b); 1997-357, s. 5; 2001-384, s. 11.)

Editor's Note. — Session Laws 1997-357, s. 8, provides: "This act shall not be construed to obligate the General Assembly to make any appropriation to implement the provisions of this act. The Department of Environment, Health, and Natural Resources [now the Department of Environment and Natural Resources] shall implement the provisions of this act from funds otherwise available or appropriated to the Department."

Session Laws 2001-384, s. 13, provides: "This act becomes effective 1 September 2001. This act applies to any cleanup of a discharge or release of petroleum from an underground storage tank pursuant to Part 2A of Article 21A of Chapter 143 of the General Statutes except that land-use restrictions and recordation of residual contamination are not required with respect to a discharge or release of petroleum for which the Department of Environment and Natural Resources issued a determination that no further action is required prior to 1 September 2001."

§ 130A-310.8. Recordation of inactive hazardous substance or waste disposal sites.

(a) After determination by the Department of the existence and location of an inactive hazardous substance or waste disposal site, the owner of the real property on which the site is located, within 180 days after official notice to the owner to do so, shall submit to the Department a survey plat of areas designated by the Department that has been prepared and certified by a professional land surveyor, and entitled "NOTICE OF INACTIVE HAZARDOUS SUBSTANCE OR WASTE DISPOSAL SITE". Where an inactive hazardous substance or waste disposal site is located on more than one parcel or tract of land, a composite map or plat showing all parcels or tracts may be recorded. The Notice shall include a legal description of the site that would be sufficient as a description in an instrument of conveyance, shall meet the requirements of G.S. 47-30 for maps and plats, and shall identify:

(1) The location and dimensions of the disposal areas and areas of potential environmental concern with respect to permanently surveyed benchmarks.

(2) The type, location, and quantity of hazardous substances known by the owner of the site to exist on the site.

(3) Any restrictions approved by the Department on the current or future use of the site.

(b) After the Department approves and certifies the Notice, the owner of the site shall file the certified copy of the Notice in the register of deeds' office in the county or counties in which the land is located within 15 days of the date on which the owner receives approval of the Notice from the Department.

(c) The register of deeds shall record the certified copy of the Notice and index it in the grantor index under the names of the owners of the lands.

(d) In the event that the owner of the site fails to submit and file the Notice required by this section within the time specified, the Secretary may prepare and file such Notice. The costs thereof may be recovered by the Secretary from any responsible party. In the event that an owner of a site who is not a responsible party submits and files the Notice required by this section, he may recover the reasonable costs thereof from any responsible party.

(e) When an inactive hazardous substance or waste disposal site is sold, leased, conveyed, or transferred, the deed or other instrument of transfer shall contain in the description section, in no smaller type than that used in the body of the deed or instrument, a statement that the property has been used as a hazardous substance or waste disposal site and a reference by book and page to the recordation of the Notice.

(f) A Notice of Inactive Hazardous Substance or Waste Disposal Site filed pursuant to this section may, at the request of the owner of the land, be cancelled by the Secretary after the hazards have been eliminated. If requested in writing by the owner of the land and if the Secretary concurs with the request, the Secretary shall send to the register of deeds of each county where the Notice is recorded a statement that the hazards have been eliminated and request that the Notice be cancelled of record. The Secretary's statement shall contain the names of the owners of the land as shown in the Notice and reference the plat book and page where the Notice is recorded. The register of deeds shall record the Secretary's statement in the deed books and index it on the grantor index in the names of the owners of the land as shown in the Notice and on the grantee index in the name "Secretary of Environment and Natural Resources". The register of deeds shall make a marginal entry on the Notice showing the date of cancellation and the book and page where the Secretary's statement is recorded, and the register of deeds shall sign the entry. If a marginal entry is impracticable because of the method used to record maps and plats, the register of deeds shall not be required to make a marginal entry.

(g) Recordation under this section is not required for any inactive hazardous substance or waste disposal site that is undergoing voluntary remedial action pursuant to this Part unless the Secretary determines that either:

(1) A concentration of a hazardous substance or hazardous waste that poses a danger to public health or the environment will remain following implementation of the voluntary remedial action program.

(2) The voluntary remedial action program is not being implemented in a manner satisfactory to the Secretary and in compliance with the agreement between the Secretary and the owner, operator, or other responsible party.

(h) The Secretary may waive recordation under this section with respect to any residential real property that is contaminated solely because a hazardous substance or hazardous waste migrated to the property from other property by means of groundwater flow if disclosure of the contamination is required under Chapter 47E of the General Statutes. An owner of residential real property whose recordation requirement is waived by the Secretary under this subsection and who fails to disclose contamination as required by Chapter 47E of the General Statutes is subject to both the penalties and remedies under this Chapter applicable to a person who fails to comply with the recordation requirements of this section as though those requirements had not been waived and to the remedies available under Chapter 47E of the General Statutes. (1987, c. 574, s. 2; 1989, c. 727, s. 219(34); 1989 (Reg. Sess., 1990), c. 1004, s. 19(b); 1997-394, s. 2; 1997-443, ss. 11A.119(a), (b); 1997-528, s. 1.)

§ 130A-310.9. Voluntary remedial actions; limitation of liability; agreements; implementation and oversight by private engineering and consulting firms.

(a) No one owner, operator, or other responsible party who voluntarily participates in the implementation of a remedial action program under G.S. 130A-310.3 or G.S. 130A-310.5 may be required to pay in excess of five million dollars ($5,000,000) for the cost of implementing a remedial action program at a single inactive hazardous substance or waste disposal site. The owner, operator, or other responsible party who voluntarily participates in the implementation of a remedial action program under G.S. 130A-310.3 or G.S. 130A-310.5 shall be required to pay in addition to the cost of implementing the remedial action program a fee of one thousand dollars ($1,000) to be used for the Department's cost of monitoring and enforcing the remedial action program. The limitation of liability contained in this subsection applies to the cost of implementing the program and to the fee under this subsection. The limitation of liability contained in this subsection does not apply to the cost of developing the remedial action plan.

(b) The Secretary may enter into an agreement with an owner, operator, or other responsible party that provides for implementation of a voluntary remedial action program in accordance with a remedial action plan approved by the Department. Investigations, evaluations, and voluntary remedial actions are subject to the provisions of G.S. 130A-310.1(c), 130A-310.1(d), 130A-310.3(d), 130A-310.3(f), 130A-310.5, 130A-310.8, and any other requirement imposed by the Department. A voluntary remedial action and all documents that relate to the voluntary remedial action shall be fully subject to inspection and audit by the Department. At least 30 days prior to entering into any agreement providing for the implementation of a voluntary remedial action program, the Secretary shall mail notice of the proposed agreement as provided in G.S. 130A-310.4(c)(2). Sites undergoing voluntary remedial actions shall be so identified as a separate category in the inventory of sites maintained pursuant to G.S. 130A-310.1 but shall not be included on the Inactive Hazardous Waste Sites Priority List required by G.S. 130A-310.2.

(c) The Department may approve a private environmental consulting and engineering firm to implement and oversee a voluntary remedial action by an owner, operator, or other responsible party. An owner, operator, or other responsible party who enters into an agreement with the Secretary to implement a voluntary remedial action may hire a private environmental consulting or engineering firm approved by the Department to implement and oversee the voluntary remedial action. A voluntary remedial action that is implemented and overseen by a private environmental consulting or engineering firm shall be implemented in accordance with all federal and State laws, regulations, and rules that apply to remedial actions generally and is subject to rules adopted pursuant to G.S. 130A-310.12(b). The Department may revoke its approval of the oversight of a voluntary remedial action by a private environmental consulting or engineering firm and assume direct oversight of the voluntary remedial action whenever it appears to the Department that the voluntary remedial action is not being properly implemented or is not being adequately overseen. The Department may require the owner, operator, other responsible party, or private environmental consulting or engineering firm to take any action necessary to bring the voluntary remedial action into compliance with applicable requirements. (1987, c. 574, s. 2; 1989, c. 286, s. 7; 1993 (Reg. Sess., 1994), c. 598, s. 1; 1995, c. 327, s. 2; 1997-394, s. 3; 2007-107, s. 1.1(g); 2009-451, s. 13.3C(a).)

Editor's Note. — Session Laws 2007-107, s. 6.2, contains a severability clause.

Session Laws 2009-451, s. 13.3C(b), provides: "This section applies to any voluntary remedial action program that is developed or implemented on or after the effective date of this section [July 1, 2009] and also applies to any voluntary remedial action program that is pending as of the effective date of this section."

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 13.3C(a), effective July 1, 2009, in subsection (a), substituted "five million dollars ($5,000,000)" for "three million dollars ($3,000,000)" in the first sentence, added the second and last sentences, and substituted "subsection applies to the cost of implementing the program and to the fee under this subsection" for "section applies only to the cost of implementation of the program and does not apply to the cost of the development of the remedial action plan" in the third sentence. For applicability, see Editor's Note.

§ 130A-310.10. Annual reports.

(a) The Secretary shall report on inactive hazardous sites to the Environmental Review Commission on or before 1 October of each year. The report shall include at least:

(1) The Inactive Hazardous Waste Sites Priority List;
(2) A list of remedial action plans requiring State funding through the Inactive Hazardous Sites Cleanup Fund;
(3) A comprehensive budget to implement these remedial action plans and the adequacy of the Inactive Hazardous Sites Cleanup Fund to fund the cost of said plans;
(4) A prioritized list of sites that are eligible for remedial action under CERCLA/SARA together with recommended remedial action plans and a comprehensive budget to implement such plans. The budget for implementing a remedial action plan under CERCLA/SARA shall include a statement as to any appropriation that may be necessary to pay the State's share of such plan;
(5) A list of sites and remedial action plans undergoing voluntary cleanup with Departmental approval;
(6) A list of sites and remedial action plans that may require State funding, a comprehensive budget if implementation of these possible remedial action plans is required, and the adequacy of the Inactive Hazardous Sites Cleanup Fund to fund the possible costs of said plans;

(7) A list of sites that pose an imminent hazard;

(8) A comprehensive budget to develop and implement remedial action plans for sites that pose imminent hazards and that may require State funding, and the adequacy of the Inactive Hazardous Sites Cleanup Fund; and

(9) Any other information requested by the General Assembly or the Environmental Review Commission.

(b) Repealed by Session Laws 2001-452, s. 2.3, effective October 28, 2001. (1987, c. 574, s. 2; 1989, c. 286, s. 8; 1997-28, s. 1; 2001-452, s. 2.3.)

Editor's Note. — Session Laws 1996, Second Extra Session, c. 18, s. 27.10, provides: "Beginning in 1997, the Department of Environment, Health, and Natural Resources [now the Department of Environment and Natural Resources] shall report on the generation, storage, treatment, and disposal of hazardous waste in North Carolina no more often than it is required to report under federal law or federal regulation."

Session Laws 1996, Second Extra Session, c. 18, s. 29.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1996-97 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1996-97 fiscal year."

§ 130A-310.11. Inactive Hazardous Sites Cleanup Fund created.

(a) There is established under the control and direction of the Department the Inactive Hazardous Sites Cleanup Fund. This fund shall be a revolving fund consisting of any monies appropriated for such purpose by the General Assembly or available to it from grants, taxes, and other monies paid to it or recovered by or on behalf of the Department. The Inactive Hazardous Sites Cleanup Fund shall be treated as a nonreverting special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3.

(b) Funds credited to the Inactive Hazardous Sites Cleanup Fund pursuant to G.S. 130A-295.9 shall be used only as provided in G.S. 130A-295.9(1) and G.S. 130A-310.5(c). (1987, c. 574, s. 2; 1989, c. 286, s. 9; 2007-550, s. 14(d); 2009-484, s. 11.)

Editor's Note. — Session Laws 2007-550, s. 19, is a severability clause.

Effect of Amendments. — Session Laws 2007-550, s. 14(d), effective July 1, 2008, designated the existing provisions as subsection (a); and added subsection (b).

Session Laws 2009-484, s. 11, effective August 26, 2009, substituted "G.S. 130A-295.9(1) and G.S. 130A-310.5(c)" for "G.S. 130A-309.295.9(c)" at the end of subsection (b).

§ 130A-310.12. Administrative procedure; adoption of rules.

(a) The provisions of Chapter 150B of the General Statutes apply to this Part. The Commission shall adopt rules for the implementation of this Part.

(b) The Commission shall adopt rules governing the selection and use of private environmental consulting and engineering firms to implement and oversee voluntary remedial actions by owners, operators, or other responsible parties under G.S. 130A-310.9(c). Rules adopted under this subsection shall specify:

(1) Standards applicable to private environmental consulting and engineering firms.

(2) Criteria and procedures for approval of firms by the Department.

(3) Requirements and procedures under which the Department monitors and audits a voluntary remedial action to ensure that the voluntary remedial action complies with applicable federal and State law, regulations, and under which the owner, operator, or other responsible party reimburses the Department for the cost of monitoring and auditing the voluntary remedial action.

(4) Any financial assurances that may be required of an owner, operator, or other responsible party.

(5) Requirements for the preparation, maintenance, and public availability of work plans and records, reports of data collection including sampling, sample analysis, and other site testing, and other records and reports that are consistent with the requirements applicable to remedial actions generally. (1987, c. 574, ss. 2, 5; 1993 (Reg. Sess., 1994), c. 598, s. 2; 1995, c. 327, s. 3.)

§ 130A-310.13. Short title.

This Part shall be known and may be cited as the Inactive Hazardous Sites Response Act of 1987. (1991, c. 281, s. 3.)

§§ 130A-310.14 through 130A-310.19: Reserved for future codification purposes.

Part 4. Superfund Program.

§ 130A-310.20. Definitions.

Unless a different meaning is required by the context, the following definitions shall apply throughout this Part:

(1) "CERCLA/SARA" or "Superfund" means the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, Pub. L. No. 96-510, 94 Stat. 2767, 42 U.S.C. § 9601 et seq., as amended, and the Superfund Amendments and Reauthorization Act of 1986, Pub. L. No. 99-499, 100 Stat. 1613, as amended. (1989, c. 286, s. 10.)

Editor's Note. — As enacted, this section contained a subdivision (1) but no subdivision (2).

§ 130A-310.21. Administration of the Superfund program.

The Department shall maintain an appropriate administrative subunit within the solid waste management unit authorized by G.S. 130A-291 to carry out those activities in which the State is authorized to engage under CERCLA/SARA. (1989, c. 286, s. 10.)

§ 130A-310.22. Contracts authorized.

(a) The Department is authorized to enter into contracts and cooperative agreements with the United States and to engage in any activity otherwise authorized by law to identify, investigate, evaluate, and clean up any site or facility covered by CERCLA/SARA including but not limited to performing preliminary assessments, site investigations, remedial investigations, and feasibility studies; preparation of records of decision; conducting emergency response, remedial, and removal actions; and engaging in enforcement activities in accordance with the provisions of CERCLA/SARA.

(b) The Department may make all assurances required by federal law or regulation including but not limited to assuring that the State will assume responsibility for the operation and maintenance of any remedial action for the anticipated duration of the remedial action; assuring that the State will provide its share of the cost of any remedial action at a site or facility which was privately owned or operated; assuring that the State will provide its share of the cost of any removal, remedial planning, and remedial action at a site or facility owned or operated by the State or a political subdivision of the State; assuring the availability of off-site treatment, storage, or disposal capacity needed to effectuate a remedial action; assuring that the State will take title to, acquire an interest in, or accept transfer of any interest in real property needed to effectuate a remedial action; assuring that the State has adequate capacity to meet the assurances required by CERCLA/SARA (42 U.S.C. § 9604(c)(9)); assuring access to the facility and any adjacent property including the securing of any right-of-way or easement needed to effectuate a remedial action; and assuring that the State will satisfy all federal, State, and local requirements for permits and approvals necessary to effectuate a remedial action.

(c) Each contract entered into by the Department under this section shall stipulate that all obligations of the State are subject to the availability of funds. Neither this section nor any contract entered into under authority of this section shall be construed to obligate the General Assembly to make any appropriation to implement this Part or any contract entered into under this section. The Department shall implement this Part and any contract entered into under this section from funds otherwise available or appropriated to the Department for such purpose. (1989, c. 286, s. 10; 1989 (Reg. Sess., 1990), c. 1004, s. 11; c. 1024, s. 30(c).)

§ 130A-310.23. Filing notices of CERCLA/SARA (Superfund) liens.

Notices of liens and certificates of notices affecting liens for obligations payable to the United States under CERCLA/SARA (Superfund) (42 U.S.C. § 9607(l)) shall be filed in accordance with Article 11A of Chapter 44 of the General Statutes. (1989 (Reg. Sess., 1990), c. 1047, s. 1.1; 1991 (Reg. Sess., 1992), c. 890, s. 11.)

§§ 130A-310.24 through 130A-310.29: Reserved for further codification purposes.

Part 5. Brownfields Property Reuse Act.

§ 130A-310.30. Short title.

This Part may be cited as The Brownfields Property Reuse Act of 1997. (1997-357, s. 2.)

Editor's Note. — Session Laws 1997-357, s. 1, provides: "The General Assembly makes the following findings:

"(1) There are abandoned, idle, and underused properties in North Carolina, often referred to as 'brownfields', that may have been or were contaminated by past industrial and commercial activities, but that are attractive locations for redevelopment.

"(2) The reuse, development, redevelopment, transfer, financing, and other use of brownfields is impaired by the potential liability associated with the risk of contamination.

"(3) The safe redevelopment of brownfields would benefit the citizens of North Carolina in many ways, including improving the tax base of local government and creating job opportunities for citizens in the vicinity of brownfields.

"(4) Potential purchasers and developers of brownfields and other parties who have no connection with the contamination of the property, including redevelopment lenders, should be encouraged to provide capital and labor to improve brownfields without undue risk of liability for problems they did not create, so long as the property can be and is made safe for appropriate future use.

"(5) Public and local government involvement in commenting on the safe reuse of brownfields will improve the quality and acceptability of their redevelopment."

Session Laws 1997-357, s. 8, provides: "This act shall not be construed to obligate the General Assembly to make any appropriation to implement the provisions of this act. The Department of Environment, Health, and Natural Resources [now the Department of Environment and Natural Resources] shall implement the provisions of this act from funds otherwise available or appropriated to the Department."

§ 130A-310.31. Definitions.

(a) Unless a different meaning is required by the context or unless a different meaning is set out in subsection (b) of this section, the definitions in G.S. 130A-2 and G.S. 130A-310 apply throughout this Part.

(b) Unless a different meaning is required by the context:

(1) "Affiliate" has the same meaning as in 17 Code of Federal Regulations § 240.12b-2 (1 April 1996 Edition).

(2) "Brownfields agreement" means an agreement between the Department and a prospective developer that meets the requirements of G.S. 130A-310.32.

(3) "Brownfields property" or "brownfields site" means abandoned, idled, or underused property at which expansion or redevelopment is hindered by actual environmental contamination or the possibility of environmental contamination and that is or may be subject to remediation under any State remedial program other than Part 2A of Article 21A of Chapter 143 of the General Statutes or that is or may be subject to remediation under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. § 9601, et seq.) except for a site listed on the National Priorities List pursuant to 42 U.S.C. § 9605.

(4) "Contaminant" means a regulated substance released into the environment.

(5) "Unrestricted use standards" when used in connection with "cleanup", "remediated", or "remediation" means contaminant concentrations for each environmental medium that are considered acceptable for all uses and that comply with generally applicable standards, guidance, or established methods governing the contaminants that are established by statute or adopted, published, or implemented by the Environmental Management Commission, the Commission, or the Department instead of the site-specific contaminant levels established pursuant to this Part.

(6) "Environmental contamination" means contaminants at the property requiring remediation and that are to be remediated under the brownfields agreement including, at a minimum, hazardous waste, as defined in G.S. 130A-290; a hazardous substance, as defined in G.S. 130A-310; a hazardous substance, as defined in G.S. 143-215.77; or oil, as defined in G.S. 143-215.77.

(7) "Local government" means a town, city, or county.

(8) "Parent" has the same meaning as in 17 Code of Federal Regulations § 240.12b-2 (1 April 1996 Edition).

(9) "Potentially responsible party" means a person who is or may be liable for remediation under a remedial program.

(10) "Prospective developer" means any person with a bona fide, demonstrable desire to either buy or sell a brownfields property for the

purpose of developing or redeveloping that brownfields property and who did not cause or contribute to the contamination at the brownfields property.

(11) "Regulated substance" means a hazardous waste, as defined in G.S 130A-290; a hazardous substance, as defined in G.S. 143-215.77A; oil, as defined in G.S. 143-215.77; or other substance regulated under any remedial program implemented by the Department other than Part 2A of Article 21A of Chapter 143 of the General Statutes.

(12) "Remedial program" means a program implemented by the Department for the remediation of any contaminant, including the Inactive Hazardous Sites Response Act of 1987 under Part 3 of this Article, the Superfund Program under Part 4 of this Article, and the Oil Pollution and Hazardous Substances Control Act of 1978 under Part 2 of Article 21A of Chapter 143 of the General Statutes.

(13) "Remediation" means action to clean up, mitigate, correct, abate, minimize, eliminate, control, or prevent the spreading, migration, leaking, leaching, volatilization, spilling, transport, or further release of a contaminant into the environment in order to protect public health or the environment.

(14) "Subsidiary" has the same meaning as in 17 Code of Federal Regulations § 240.12b-2 (1 April 1996 Edition). (1997-357, s. 2; 1997-392, ss. 4.2-4.4; 2001-384, s. 11; 2006-71, ss. 1, 2, 3.)

Editor's Note. — Session Laws 1997-392, s. 6(c), provides: "Sections 4.2 through 4.5 of this act become effective if and when 1997 House Bill 1121 becomes law." House Bill 1121 was enacted as Session Laws 1997-357, effective October 1, 1997.

§ 130A-310.32. Brownfields agreement.

(a) The Department may, in its discretion, enter into a brownfields agreement with a prospective developer who satisfies the requirements of this section. A prospective developer shall provide the Department with any information necessary to demonstrate that:

(1) The prospective developer, and any parent, subsidiary, or other affiliate of the prospective developer has substantially complied with:
  a. The terms of any brownfields agreement or similar agreement to which the prospective developer or any parent, subsidiary, or other affiliate of the prospective developer has been a party.
  b. The requirements applicable to any remediation in which the applicant has previously engaged.
  c. Federal and state laws, regulations, and rules for the protection of the environment.

(2) As a result of the implementation of the brownfields agreement, the brownfields property will be suitable for the uses specified in the agreement while fully protecting public health and the environment instead of being remediated to unrestricted use standards.

(3) There is a public benefit commensurate with the liability protection provided under this Part.

(4) The prospective developer has or can obtain the financial, managerial, and technical means to fully implement the brownfields agreement and assure the safe use of the brownfields property.

(5) The prospective developer has complied with or will comply with all applicable procedural requirements.

(b) In negotiating a brownfields agreement, parties may rely on land-use restrictions that will be included in a Notice of Brownfields Property required under G.S. 130A-310.35. A brownfields agreement may provide for remediation standards that are based on those land-use restrictions.

(c) A brownfields agreement shall contain a description of the brownfields property that would be sufficient as a description of the property in an instrument of conveyance and, as applicable, a statement of:

(1) Any remediation to be conducted on the property, including:
  a. A description of specific areas where remediation is to be conducted.
  b. The remediation method or methods to be employed.
  c. The resources that the prospective developer will make available.
  d. A schedule of remediation activities.
  e. Applicable remediation standards.
  f. A schedule and the method or methods for evaluating the remediation.
(2) Any land-use restrictions that will apply to the brownfields property.
(3) The desired results of any remediation or land-use restrictions with respect to the brownfields property.
(4) The guidelines, including parameters, principles, and policies within which the desired results are to be accomplished.
(5) The consequences of achieving or not achieving the desired results.

(d) Any failure of the prospective developer or the prospective developer's agents and employees to comply with the brownfields agreement constitutes a violation of this Part by the prospective developer. (1997-357, s. 2; 2001-384, s. 11.)

Cross References. — As to taxation of qualifying improvements on brownsfields, see G.S. 105-277.13.

§ 130A-310.33. Liability protection.

(a) A prospective developer who enters into a brownfields agreement with the Department and who is complying with the brownfields agreement shall not be held liable for remediation of areas of contaminants identified in the brownfields agreement except as specified in the brownfields agreement, so long as the activities conducted on the brownfields property by or under the control or direction of the prospective developer do not increase the risk of harm to public health or the environment and the prospective developer is not required to undertake additional remediation to unrestricted use standards pursuant to subsection (c) of this section. The liability protection provided under this Part applies to all of the following persons to the same extent as to a prospective developer, so long as these persons are not otherwise potentially responsible parties or parents, subsidiaries, or affiliates of potentially responsible parties and the person is not required to undertake additional remediation to unrestricted use standards pursuant to subsection (c) of this section:

(1) Any person under the direction or control of the prospective developer who directs or contracts for remediation or redevelopment of the brownfields property.
(2) Any future owner of the brownfields property.
(3) A person who develops or occupies the brownfields property.
(4) A successor or assign of any person to whom the liability protection provided under this Part applies.
(5) Any lender or fiduciary that provides financing for remediation or redevelopment of the brownfields property.

(b) A person who conducts an environmental assessment or transaction screen on a brownfields property and who is not otherwise a potentially responsible party is not a potentially responsible party as a result of conducting the environmental assessment or transaction screen unless that person increases the risk of harm to public health or the environment by failing to exercise due diligence and reasonable care in performing the environmental assessment or transaction screen.

(c) If a land-use restriction set out in the Notice of Brownfields Property required under G.S. 130A-310.35 is violated, the owner of the brownfields property at the time the land-use restriction is violated, the owner's successors and assigns, and the owner's agents who direct or contract for alteration of the brownfields property in violation of a land-use restriction shall be liable for remediation to unrestricted use standards. A prospective developer who completes the remediation or redevelopment required under a brownfields agreement or other person who receives liability protection under this Part shall not be required to undertake additional remediation at the brownfields property unless any of the following apply:

(1) The prospective developer knowingly or recklessly provides false information that forms a basis for the brownfields agreement or that is offered to demonstrate compliance with the brownfields agreement or fails to disclose relevant information about contamination at the brownfields property.

(2) New information indicates the existence of previously unreported contaminants or an area of previously unreported contamination on or associated with the brownfields property that has not been remediated to unrestricted use standards, unless the brownfields agreement is amended to include any previously unreported contaminants and any additional areas of contamination. If the brownfields agreement sets maximum concentrations for contaminants, and new information indicates the existence of previously unreported areas of these contaminants, further remediation shall be required only if the areas of previously unreported contaminants raise the risk of the contamination to public health or the environment to a level less protective of public health and the environment than that required by the brownfields agreement.

(3) The level of risk to public health or the environment from contaminants is unacceptable at or in the vicinity of the brownfields property due to changes in exposure conditions, including (i) a change in land use that increases the probability of exposure to contaminants or in the vicinity of the brownfields property or (ii) the failure of remediation to mitigate risks to the extent required to make the brownfields property fully protective of public health and the environment as planned in the brownfields agreement.

(4) The Department obtains new information about a contaminant associated with the brownfields property or exposures at or around the brownfields property that raises the risk to public health or the environment associated with the brownfields property beyond an acceptable range and in a manner or to a degree not anticipated in the brownfields agreement. Any person whose use, including any change in use, of the brownfields property causes an unacceptable risk to public health or the environment may be required by the Department to undertake additional remediation measures under the provisions of this Part.

(5) A prospective developer fails to file a timely and proper Notice of Brownfields Development under this Part. (1997-357, s. 2; 2001-384, s. 11.)

§ 130A-310.34. Public notice and community involvement.

(a) A prospective developer who desires to enter into a brownfields agreement shall notify the public and the community in which the brownfields property is located of planned remediation and redevelopment activities. The prospective developer shall submit a Notice of Intent to Redevelop a Brownfields Property and a summary of the Notice of Intent to the Department. The Notice of Intent shall provide, to the extent known, a legal description of the location of the brownfields property, a map showing the location of the brownfields property, a description of the contaminants involved and their concentrations in the media of the brownfields property, a description of the intended future use of the brownfields property, any proposed investigation and remediation, and a proposed Notice of Brownfields Property prepared in accordance with G.S. 130A-310.35. Both the Notice of Intent and the summary of the Notice of Intent shall state the time period and means for submitting written comment and for requesting a public meeting on the proposed brownfields agreement. The summary of the Notice of Intent shall include a statement as to the public availability of the full Notice of Intent. After approval of the Notice of Intent and summary of the Notice of Intent by the Department, the prospective developer shall provide a copy of the Notice of Intent to all local governments having jurisdiction over the brownfields property. The prospective developer shall publish the summary of the Notice of Intent in a newspaper of general circulation serving the area in which the brownfields property is located. The prospective developer shall conspicuously post a copy of the summary of the Notice of Intent at the brownfields property, and the prospective developer shall mail or deliver a copy of the summary to each owner of property contiguous to the brownfields property. The prospective developer shall submit documentation of the public notices to the Department prior to the Department entering into a brownfields agreement.

(b) Publication of the approved summary of the Notice of Intent in a newspaper of general circulation, posting the summary at the brownfields property, and mailing or delivering the summary to each owner of property contiguous to the brownfields property shall begin a public comment period of at least 30 days from the latest date of publication, posting, and mailing or delivering. During the public comment period, members of the public, residents of the community in which the brownfields property is located, and local governments having jurisdiction over the brownfields property may submit comment on the proposed brownfields agreement, including methods and degree of remediation, future land uses, and impact on local employment.

(c) Any person who desires a public meeting on a proposed brownfields agreement shall submit a written request for a public meeting to the Department within 21 days after the public comment period begins. The Department shall consider all requests for a public meeting and shall hold a public meeting if the Department determines that there is significant public interest in the proposed brownfields agreement. If the Department decides to hold a public meeting, the Department shall, at least 15 days prior to the public meeting, mail written notice of the public meeting to all persons who requested the public meeting and to each owner of property contiguous to the brownfields property. The Department shall also direct the prospective developer to publish, at least 15 days prior to the date of the public meeting, a notice of the public meeting at least one time in a newspaper having general circulation in such county where the brownfields property is located. In any county in which there is more than one newspaper having general circulation, the Department shall direct the prospective developer to publish a copy of the notice in as many newspapers having general circulation in the county as the Department in its discretion determines to be necessary to assure that the notice is generally available throughout the county. The Department shall prescribe the form and content of the notice to be published. The Department shall prescribe the procedures to be followed in the public meeting. The Department shall take detailed minutes of the meeting. The minutes shall include any written comments, exhibits, or documents presented at the meeting.

(d) Prior to entering into a brownfields agreement, the Department shall take into account the comment received during the comment period and at the public meeting if the Department holds a public meeting. The Department shall incorporate into the brownfields agreement provisions that reflect comment received during the comment period and at the public meeting to the extent practical. The Department shall give particular consideration to written comment that is supported by valid scientific and technical information and analysis and to written comment from the units of local government that have taxing jurisdiction over the brownfields property. (1997-357, s. 2; 2000-158, s. 2; 2006-71, ss. 4, 5; 2009-181, s. 1.)

Effect of Amendments. — Session Laws 2009-181, s. 1, effective October 1, 2009, and applicable to Notices of Intent to Redevelop a Brownfields Property and summaries of Notices of Intent submitted on or after that date, in subsection (a), deleted "and shall file a copy of the summary of the Notice of Intent with the Codifier of Rules, who shall publish the summary of the Notice of Intent in the North Carolina Register" at the end of the seventh sentence, rewrote the eighth sentence, and added the last sentence; in subsection (b), substituted "in a newspaper of general circulation, posting the summary at the brownfields property, and mailing or delivering the summary to each owner of property contiguous to the brownfields property shall begin a public comment period of at least 30 days from the latest date of publication, posting, and mailing or delivering" for "in the North Carolina Register and publication in a newspaper of general circulation shall begin a public comment period of at least 30 days from the later date of publication" in the first sentence; and, in subsection (c), substituted "each owner of property contiguous to the brownfields property" for "any other person who had previously requested notice" at the end of the third sentence.

§ 130A-310.35. Notice of Brownfields Property; land-use restrictions in deed.

(a) In order to reduce or eliminate the danger to public health or the environment posed by a brownfields property being addressed under this Part, a prospective developer who desires to enter into a brownfields agreement with the Department shall submit to the Department a proposed Notice of Brownfields Property. A Notice of Brownfields Property shall be entitled "Notice of Brownfields Property", shall include a survey plat of areas designated by the Department that has been prepared and certified by a professional land surveyor and that meets the requirements of G.S. 47-30, shall include a legal description of the brownfields property that would be sufficient as a description of the property in an instrument of conveyance, and shall identify all of the following:

(1) The location and dimensions of the areas of potential environmental concern with respect to permanently surveyed benchmarks.

(2) The type, location, and quantity of regulated substances and contaminants known to exist on the brownfields property.

(3) Any restrictions on the current or future use of the brownfields property or, with the owner's permission, other property that are necessary or useful to maintain the level of protection appropriate for the designated current or future use of the brownfields property and that are designated in the brownfields agreement. These land-use restrictions may apply to activities on, over, or under the land, including, but not limited to, use of groundwater, building, filling, grading, excavating, and mining. Where a brownfields property encompasses more than one parcel or tract of land, a composite map or plat showing all parcels or tracts may be recorded.

(b) After the Department approves and certifies the Notice of Brownfields Property under subsection (a) of this section, a prospective developer who enters into a brownfields agreement with the Department shall file a certified copy of the Notice of Brownfields Property in the register of deeds' office in the county or counties in which the land is located. The prospective developer shall file the Notice of Brownfields Property within 15 days of the prospective developer's receipt of the Department's approval of the notice or the prospective developer's entry into the brownfields agreement, whichever is later.

(c) The register of deeds shall record the certified copy of the notice and index it in the grantor index under the names of the owners of the land, and, if different, also under the name of the prospective developer conducting the redevelopment of the brownfields property.

(d) When a brownfields property is sold, leased, conveyed, or transferred, the deed or other instrument of transfer shall contain in the description section, in no smaller type than that used in the body of the deed or instrument, a statement that the brownfields property has been classified and, if appropriate, cleaned up as a brownfields property under this Part.

(e) A Notice of Brownfields Property filed pursuant to this section may, at the request of the owner of the land, be cancelled by the Secretary after the hazards have been eliminated. If requested in writing by the owner of the land and if the Secretary concurs with the request, the Secretary shall send to the register of deeds of each county where the notice is recorded a statement that the hazards have been eliminated and request that the notice be cancelled of record. The Secretary's statement shall contain the names of the owners of the land as shown in the notice and reference the plat book and page where the notice is recorded. The register of deeds shall record the Secretary's statement in the deed books and index it on the grantor index in the names of the owners of the land as shown in the Notice of Brownfields Property and on the grantee index in the name "Secretary of Environment and Natural Resources". The register of deeds shall make a marginal entry on the Notice of Brownfields Property showing the date of cancellation and the book and page where the Secretary's statement is recorded, and the register of deeds shall sign the entry. If a marginal entry is impracticable because of the method used to record maps and plats, the register of deeds shall not be required to make a marginal entry.

(f) Any land-use restriction filed pursuant to this section shall be enforced by any owner of the land. Any land-use restriction may also be enforced by the Department through the remedies provided in Part 2 of Article 1 of this Chapter or by means of a civil action. The Department may enforce any land-use restriction without first having exhausted any available administrative remedies. A land-use restriction may also be enforced by any unit of local government having jurisdiction over any part of the brownfields property by means of a civil action without the unit of local government having first exhausted any available administrative remedy. A land-use restriction may also be enforced by any person eligible for liability protection under this Part who will lose liability protection if the land-use restriction is violated. A land-use restriction shall not be declared unenforceable due to lack of privity of estate or contract, due to lack of benefit to particular land, or due to lack of any property interest in particular land. Any person who owns or leases a property subject to a land-use restriction under this section shall abide by the land-use restriction.

(g) This section shall apply in lieu of the provisions of G.S. 130A-310.8 for brownfields properties remediated under this Part. (1997-357, s. 2; 1997-443, s. 11A.119(b).)

§ 130A-310.36. Appeals.

A decision by the Department as to whether or not to enter into a brownfields agreement including the terms of any brownfields agreement is reviewable under Article 3 of Chapter 150B of the General Statutes. (1997-357, s. 2.)

§ 130A-310.37. Construction of Part.

(a) This Part is not intended and shall not be construed to:

(1) Affect the ability of local governments to regulate land use under Article 19 of Chapter 160A of the General Statutes and Article 18 of Chapter 153A of the General Statutes. The use of the identified brownfields property and any land-use restrictions in the brownfields agreement shall be consistent with local land-use controls adopted under those statutes.

(2) Amend, modify, repeal, or otherwise alter any provision of any remedial program or other provision of this Chapter, Chapter 143 of the General Statutes, or any other provision of law relating to civil and criminal penalties or enforcement actions and remedies available to the Department, except as may be provided in a brownfields agreement.

(3) Prevent or impede the immediate response of the Department or responsible party to an emergency that involves an imminent or actual release of a regulated substance that threatens public health or the environment.

(4) Relieve a person receiving liability protection under this Part from any liability for contamination later caused by that person on a brownfields property.

(5) Affect the right of any person to seek any relief available against any party to the brownfields agreement who may have liability with respect to the brownfields property, except that this Part does limit the relief available against any party to a brownfields agreement with respect to remediation of the brownfields property to the remediation required under the brownfields agreement.

(6) Affect the right of any person who may have liability with respect to the brownfields property to seek contribution from any other person who may have liability with respect to the brownfields property and who neither received nor has liability protection under this Part.

(7) Prevent the State from enforcing specific numerical remediation standards, monitoring, or compliance requirements specifically required to be enforced by the federal government as a condition to receive program authorization, delegation, primacy, or federal funds.

(8) Create a defense against the imposition of criminal and civil fines or penalties or administrative penalties otherwise authorized by law and imposed as the result of the illegal disposal of waste or for the pollution of the land, air, or waters of this State on a brownfields property.

(9) Relieve a person of any liability for failure to exercise due diligence and reasonable care in performing an environmental assessment or transaction screen.

(b) Notwithstanding the provisions of the Tort Claims Act, G.S. 143-291 through G.S. 143-300.1 or any other provision of law waiving the sovereign immunity of the State of North Carolina, the State, its agencies, officers, employees, and agents shall be absolutely immune from any liability in any proceeding for any injury or claim arising from negotiating, entering, monitoring, or enforcing a brownfields agreement or a Notice of Brownfields Property under this Part or any other action implementing this Part.

(c) The Department shall not enter into a brownfields agreement for a site listed on the National Priorities List pursuant to 42 U.S.C. § 9605. (1997-357, s. 2; 1997-392, s. 4.5; 2006-71, s. 6.)

Editor's Note. — Session Laws 1997-392, s. 6(c), provides: "Sections 4.2 through 4.5 of this act become effective if and when 1997 House Bill 1121 becomes law." House Bill 1121 was enacted as Session Laws 1997-357, effective October 1, 1997.

§ 130A-310.38. Brownfields Property Reuse Act Implementation Account.

The Brownfields Property Reuse Act Implementation Account is created as a nonreverting interest-bearing account in the Office of the State Treasurer. The Account shall consist of fees and interest collected under G.S. 130A-310.39, moneys appropriated to it by the General Assembly, moneys received from the federal government, moneys contributed by private organizations, and moneys received from any other source. Funds in the Account shall be used by the Department to defray the costs of implementing this Part. The Department may contract with a private entity for any services necessary to implement this Part. (1997-357, s. 2; 1999-360, s. 17.2.)

§ 130A-310.39. Fees.

(a) The Department shall collect the following fees:

(1) A prospective developer who submits a proposed brownfields agreement for review by the Department shall pay an initial fee of two thousand dollars ($2,000).

(2) A prospective developer who enters into a brownfields agreement with the Department shall pay a fee in an amount equal to the full cost to the Department and the Department of Justice of all activities related to the brownfields agreement, including but not limited to negotiation of the brownfields agreement, public notice and community involvement, and monitoring the implementation of the brownfields agreement. The procedure by which the amount of this fee is determined shall be established by agreement between the prospective developer and the Department and shall be set out as a part of the brownfields agreement. The fee imposed by this subdivision shall be paid in two installments. The first installment shall be due at the time the prospective developer and the Department enter into the brownfields agreement and shall equal all costs that have been incurred by the Department and the Department of Justice at that time less the amount of the initial fee paid pursuant to subdivision (1) of this subsection. The Department shall not enter into the brownfields agreement unless the first installment is paid in full when due. The second installment shall be due at the time the prospective developer submits a final report certifying completion of remediation under the brownfields agreement and shall include any additional costs that have been incurred by the Department and the Department of Justice, including all costs of monitoring the implementation of the brownfields agreement.

(b) Fees and interest imposed under this section shall be credited to the Brownfields Property Reuse Act Implementation Account.

(c) If a prospective developer fails to pay the full amount of any fee due under this section, interest on the unpaid portion of the fee shall accrue from the time the fee is due until paid at the rate established by the Secretary of Revenue pursuant to G.S. 105-241.21. A lien for the amount of the unpaid fee plus interest shall attach to the real and personal property of the prospective developer and to the brownfields property until the fee and interest is paid. The Department may collect unpaid fees and interest in any manner that a unit of local government may collect delinquent taxes. (1997-357, s. 2; 1999-360, s. 17.3; 2007-491, s. 44(1)(a).)

Effect of Amendments. — Session Laws 2007-491, s. 44(1)(a), effective January 1, 2008, substituted "G.S. 105-241.21" for "G.S. 105-241.1(i)" in subsection (c).

§ 130A-310.40. Legislative reports.

The Department shall prepare and submit to the Environmental Review Commission, concurrently with the report on the Inactive Hazardous Sites Response Act of 1987 required under G.S. 130A-310.10, an evaluation of the effectiveness of this Part in facilitating the remediation and reuse of existing industrial and commercial properties. This evaluation shall include any recommendations for additional incentives or changes, if needed, to improve the effectiveness of this Part in addressing such properties. This evaluation shall also include a report on receipts by and expenditures from the Brownfields Property Reuse Act Implementation Account. (1997-357, s. 2.)

§§ 130A-310.41 through 130A-310.49: Reserved for future codification purposes.

Part 6. Mercury Switch Removal.

§ 130A-310.50. (Effective until December 31, 2017) Definitions.

As used in this Part:

(1) Repealed by Session Laws 2007-142, s. 1, effective June 29, 2007.

(2) "End-of-life vehicle" means a vehicle that is sold, given, or otherwise conveyed to a vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility for the purpose of recycling.

(2a) "Inaccessible", when used in connection with mercury switch, means that, due to the condition of the vehicle, the mercury switch cannot be removed from a vehicle without a significant risk of a release of mercury into the environment.

(3), (4) Repealed by Session Laws 2007-142, s. 1, effective June 29, 2007.

(4a) "Mercury recovery performance ratio" means the ratio of the number of pounds of mercury recovered from mercury switches from the State in a calendar year to the estimated number of pounds of mercury available to be recovered from mercury switches from the State in the same calendar year.

(5) "Mercury switch" means each capsule or assembly containing mercury that is part of a convenience light switch installed in a vehicle.

(5a) Reserved for future codification purposes.

(5b) "National mercury recovery performance ratio" means the ratio of the number of pounds of mercury recovered from mercury switches from the United States in a calendar year to the estimated number of pounds of mercury available to be recovered from mercury switches from the United States in the same calendar year.

(5c) "NVMSRP" means the Memorandum of Understanding to establish the National Vehicle Mercury Switch Recovery Program dated 11 August 2006.

(6) "Scrap vehicle processing facility" means a fixed location where machinery and equipment are used to process scrap vehicles into specification grade commodities including facilities where a shredder or fragmentizer is used to process scrap vehicles into shredded scrap and facilities where end-of-life vehicles are prepared to be shredded.

G.S. 130A-310.50 is set out twice. See notes.

---

(7) "Vehicle" means any passenger automobile or passenger car, station wagon, truck, van, or sport utility vehicle with a gross vehicle weight rating of less than 12,000 pounds.

(7a) "Vehicle crusher" means a person who engages in the business of flattening, crushing, or otherwise processing end-of-life vehicles for recycling. Vehicle crusher includes, but is not limited to, a person who uses fixed or mobile equipment to flatten or crush end-of-life vehicles for a vehicle recycler or a scrap vehicle processing facility.

(7b) "Vehicle dismantler" has the same meaning as "vehicle recycler."

(7c) "Vehicle manufacturer" means a person, firm, association, partnership, corporation, governmental entity, organization, combination, or joint venture that is the last person in the production or assembly process of a motor vehicle that contains one or more mercury switches, or in the case of an imported vehicle, the importer or domestic distributor of the vehicle. "Vehicle manufacturer" does not include any person engaged in the business of selling new motor vehicles at retail or any person who converts or modifies new motor vehicles after the production or assembly process.

(8) "Vehicle recycler" means a person or entity engaged in the business of acquiring, dismantling, or destroying six or more end-of-life vehicles in a calendar year for the primary purpose of resale of parts of the vehicle, including scrap metal. (2005-384, s. 1; 2006-255, s. 5; 2007-142, s. 1.)

Section Set Out Twice. — The section above is effective until December 31, 2017. For this section as in effect December 31, 2017, see the following section, also numbered G.S. 130A-310.50.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b), either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

Editor's Note. — Session Laws 2005-384, s. 3, provides: "The Commission for Health Services [now the Commission for Public Health] shall amend 15A NCAC 13A.0119 to adopt rules governing the management of waste mercury-containing devices, as defined in the Notice of Proposed Rulemaking published on June 12, 2002 in the Federal Register, Volume 67, Number 113, Pages 40507 through 40528, as universal waste."

Session Laws 2007-142, s. 1, enacted a new subdivision (5a), which was redesignated as subdivision (4a) at the direction of the Revisor of Statutes to maintain alphabetical order.

Effect of Amendments. — Session Laws 2007-142, s. 1, effective June 29, 2007, and expiring December 31, 2017, deleted subdivision (1) concerning "Capture rate"; in subdivision (2), inserted "vehicle crusher, vehicle dismantler" and substituted "scrap vehicle processing" for "scrap metal recycling"; added subdivision (2a); deleted former subdivision (3) concerning "Manufacturer"; deleted former subdivision (4) concerning "Mercury minimization plan"; substituted "capsule or assembly containing mercury that is part of a convenience light switch" for "mercury containing capsule, commonly known as a 'bullet', that is part of a convenience light switch assembly" in subdivision (5); added subdivisions (5a) through (5c); rewrote subdivision (6); added subdivision (7a) through (7c); and, in subdivision (8), substituted "a person" for "an individual" near the beginning and added "including scrap metal" at the end.

§ 130A-310.50. (Effective December 31, 2017) Definitions.

As used in this Part:

G.S. 130A-310.50 is set out twice. See notes.

---

(1) "Capture rate" means the annual removal, collection, and recovery of mercury switches as a percentage of the total number of mercury switches available for removal from end-of-life vehicles.

(2) "End-of-life vehicle" means a vehicle that is sold, given, or otherwise conveyed to a vehicle recycler or scrap metal recycling facility for the purpose of recycling.

(3) "Manufacturer" means a person, firm, association, partnership, corporation, governmental entity, organization, combination, or joint venture that is the last person in the production or assembly process of a new vehicle that utilizes mercury switches, or in the case of an imported vehicle, the importer or domestic distributor of the vehicle.

(4) "Mercury minimization plan" means a plan for removing, collecting, and recovering mercury switches from end-of-life vehicles that is prepared as provided in G.S. 130A-310.53.

(5) "Mercury switch" means each mercury-containing capsule, commonly known as a "bullet", that is part of a convenience light switch assembly installed in a vehicle.

(6) "Scrap metal recycling facility" means a fixed location where machinery and equipment are used to process scrap metal into specific grades of scrap metal for sale and whose primary product is scrap iron, scrap steel, or nonferrous metallic scrap.

(7) "Vehicle" means any passenger automobile or passenger car, station wagon, truck, van, or sport utility vehicle with a gross vehicle weight rating of less than 12,000 pounds.

(8) "Vehicle recycler" means an individual or entity engaged in the business of acquiring, dismantling, or destroying six or more end-of-life vehicles in a calendar year for the primary purpose of resale of parts of the vehicle. (2005-384, s. 1; 2006-255, s. 5; 2007-142, ss. 1, 9.)

Section Set Out Twice. — The section above is effective December 31, 2017. For the section as in effect until December 31, 2017, see the preceding section, also numbered G.S. 130A-310.50.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b) [repealed], either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

Editor's note. — Session Laws 2005-384, s. 3, provides: "The Commission for Health Services [now the Commission for Public Health] shall amend 15A NCAC 13A.0119 to adopt rules governing the management of waste mercury-containing devices, as defined in the Notice of Proposed Rulemaking published on June 12, 2002 in the Federal Register, Volume 67, Number 113, Pages 40507 through 40528, as universal waste."

§ 130A-310.51. (For expiration date — see note) Purpose.

The purpose of this Part is to reduce the quantity of mercury that is released into the environment by removing mercury switches from end-of-life vehicles and by creating a removal, collection, and recovery program for mercury switches that are removed from end-of-life vehicles in this State. (2005-384, s. 1; 2006-255, s. 5.)

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b) [repealed], either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

§ 130A-310.52: Repealed by Session Laws 2007-142, s. 2, effective June 29, 2007, and expiring on December 31, 2017.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005, except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b), either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

Expiration of Repeal of Section. — Session Laws 2007-142, s. 9 provides that the act, which repealed G.S. 130A-310.52, expires on December 31, 2017.

Former G.S. 130A-310.52, prior to its repeal by Session Laws 2007-142, s.2, read as follows: "**§ 130A-310.52. Mercury minimization plan.**

"(a) The Department shall develop and administer a mercury minimization plan to achieve the goal of having a capture rate of at least ninety percent (90%). In preparing the plan, the Department shall consult with manufacturers of vehicles, who shall participate in the development of the plan on an advisory basis. To the extent practicable, the mercury minimization plan shall utilize the currently available end-of-life vehicle recycling infrastructure. To the extent adequate, affordable, and environmentally sound end-of-life vehicle recycling infrastructure is unavailable, the plan shall provide for the development of this infrastructure.

"(b) A plan developed under subsection (a) of this section shall include the following:

"(1) A compilation of the make, model, and year of any vehicle that was sold or offered for sale by the vehicle manufacturer and contains one or more mercury switches and a description and the location of each mercury switch in the vehicle. A vehicle manufacturer shall report to the Department the information needed to make the compilation.

"(2) A description of all safe and environmentally sound methods for removal of mercury switches from end-of-life vehicles. A vehicle manufacturer shall report to the Department the information needed to make the description.

"(3) A presumption that if the manufacturer does not know or is uncertain as to whether or not a switch contains mercury, the switch does contain mercury.

"(4) A system to mark end-of-life vehicles that are to be shredded or crushed to indicate the presence or absence of a mercury switch.

"(5) Educational materials to assist a vehicle recycler or a scrap metal recycling facility in undertaking a safe and environmentally sound method for the removal of the mercury switches from end-of-life vehicles. The materials shall include information on hazards related to mercury and on the proper handling of mercury.

"(6) A method for storage and disposal of the mercury switches, including packaging and shipping of mercury switches to permitted recycling, storage, or disposal facilities. To the extent adequate, affordable, and environmentally sound mercury switch disposal technology is unavailable, a method for the temporary storage of mercury switches."

§ 130A-310.53. (Effective until December 31, 2017) Removal of mercury switches from end-of-life vehicles.

(a) A vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility shall not flatten, crush, bale, or shred an end-of-life vehicle that contains accessible mercury switches. Except as provided in this subsection, a vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility shall remove all accessible mercury switches from end-of-life vehicles before the vehicle is flattened, crushed, baled, or shredded, or before the vehicle is conveyed to another vehicle crusher, vehicle dismantler,

G.S. 130A-310.53 is set out twice. See notes.

vehicle recycler, or scrap vehicle processing facility. If a vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility conveys an end-of-life vehicle to another vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility without removing accessible mercury switches, the receiving vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility must agree to accept the end-of-life vehicle and assume responsibility for the proper removal of all accessible mercury switches. The agreement to assume responsibility for the proper removal of all accessible mercury switches shall be documented on an invoice that is provided by the vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility to the person to whom the vehicle is conveyed.

(b) A vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility that removes all accessible mercury switches from an end-of-life vehicle shall mark the vehicle to indicate that all accessible mercury switches have been removed. The vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility shall certify to any person to whom the vehicle is conveyed, in a form acceptable to the Department, that all accessible mercury switches have been removed from the vehicle.

(c), (d) Repealed by Session Laws 2007-142, s. 3, effective July 1, 2007.

(e) Mercury switches that are removed from end-of-life vehicles are considered “universal waste” as defined in 40 Code of Federal Regulations § 273.9 (July 1, 2006 Edition). Mercury switches that are removed from end-of-life vehicles shall be collected, transported, treated, stored, disposed of, and otherwise handled in accordance with rules adopted by the Commission governing universal waste.

(f) Vehicle manufacturers, in cooperation with the Department, shall develop, implement, and bear the costs of a mercury switch collection system in accordance with the NVMSRP. This system shall be developed and implemented so as to enhance vehicle recyclability, promote public education and outreach, and provide for the proper removal, collection, and disposal of mercury switches from end-of-life vehicles. (2005-384, s. 1; 2006-255, s. 5; 2007-142, s. 3.)

Section Set Out Twice. — The section above is effective until December 31, 2017. For this section as in effect December 31, 2017, see the following section, also numbered G.S. 130A-310.53.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: “Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b), either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026.”

Effect of Amendments. — Session Laws 2007-142, s. 3, effective July 1, 2007, and expiring December 31, 2017, rewrote subsections (a) and (b); deleted subsections (c) and (d); substituted “2006 Edition” for “2004 Edition” in the middle of subsection (e); and added subsection (f).

§ 130A-310.53. (Effective December 31, 2017) Removal of mercury switches from end-of-life vehicles.

(a) A vehicle recycler that conveys ownership of an end-of-life vehicle to a scrap metal recycling facility shall remove all mercury switches identified in the mercury minimization plan prior to delivery of the vehicle to the scrap metal recycling facility. If a mercury switch is inaccessible, the fact that the

G.S. 130A-310.53 is set out twice. See notes.

mercury switch remains in the vehicle shall be noted on the vehicle recycler's invoice.

(b) A scrap metal recycling facility that accepts an end-of-life vehicle that has not been flattened, crushed, baled, or shredded and that contains mercury switches shall remove the mercury switches before the end-of-life vehicle is flattened, crushed, baled, or shredded unless the mercury switch is inaccessible.

(c) A mercury switch is inaccessible if, due to the condition of the vehicle, the switch cannot be removed in accordance with the mercury minimization plan and removal of the switch would significantly increase the risk of a release of mercury into the environment.

(d) A vehicle recycler or scrap metal recycling facility that removes mercury switches pursuant to subsection (a) or (b) of this section shall make quarterly reports to the Department on the following:

(1) The number of vehicles that it processed for recycling.

(2) The number of vehicles from which it removed a mercury switch by make.

(3) The number of vehicles for which it could not remove the mercury switch because the switch was inaccessible.

(e) Mercury switches that are removed from end-of-life vehicles are considered "universal waste" as defined in 40 Code of Federal Regulations § 273.9 (1 July 2004 Edition). Mercury switches that are removed from end-of-life vehicles shall be collected, transported, treated, stored, disposed of, and otherwise handled in accordance with rules adopted by the Commission governing universal waste. (2005-384, s. 1; 2006-255, s. 5; 2007-142, ss. 3, 9.)

Section Set Out Twice. — The section above is effective December 31, 2017. For this section as effective until December 31, 2017, see the preceding section, also numbered G.S. 130A-310.53.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b) [repealed], either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

§ 130A-310.54. (Effective until December 31, 2017) Mercury Switch Removal Account.

(a) The Mercury Switch Removal Account is established in the Department. Revenue is credited to the Account from the certificate of title fee under G.S. 20-85.

(b) Revenue in the Mercury Switch Removal Account shall be used to reimburse the Department and others for costs incurred in implementing the mercury switch removal program. The reimbursable costs are:

(1) Five dollars ($5.00) for each mercury switch removed by a vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility pursuant to this Article and sent to destination facilities in accordance with the NVMSRP for recycling or disposal.

(2) Costs incurred by the Department in administering the program.

(c) The Department shall reimburse vehicle crushers, vehicle dismantlers, vehicle recyclers, and scrap vehicle processing facilities based on a reimbursement request that attests to the number of switches sent to destination facilities for recycling or disposal in accordance with the NVMSRP. Each

G.S. 130A-310.54 is set out twice. See note.

reimbursement request shall be verified against information posted on the Internet site provided by the vehicle manufacturers in accordance with the NVMSRP, or against other information that verifies the reimbursement requested to the satisfaction of the Department. The vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility shall provide the Department with any information requested by the Department to verify the accuracy of a reimbursement request. Each vehicle crusher, vehicle dismantler, vehicle recycler, or scrap vehicle processing facility shall maintain accurate records that support each reimbursement request for a minimum of three years from the date the reimbursement request is approved. (2005-384, s. 1; 2006-255, s. 5; 2007-142, s. 4.)

Section Set Out Twice. — The section above is effective until December 31, 2017. For this section as in effect December 31, 2017, see the following section, also numbered G.S. 130A-310.54.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b), either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

Effect of Amendments. — Session Laws 2007-142, s. 4, effective July 1, 2007, and expiring December 31, 2017, substituted "Mercury Switch Removal Account" for "Funds to implement plan" in the section heading; substituted "Switch Removal" for "Pollution Prevention" in subsections (a) and (b); substituted "switch removal program" for "minimization plan" at the end of the first sentence of subsection (b); inserted "vehicle crusher, vehicle dismantler" and substituted "scrap vehicle processing facility pursuant to this Article and sent to destination facilities in accordance with the NVMSRP for recycling or disposal" for "scrap metal recycling facility pursuant to this Article" in subdivision (b)(1); substituted "program" for "plan" in subdivision (b)(2); and rewrote subsection (c).

§ 130A-310.54. (Effective December 31, 2017) Funds to implement plan.

(a) The Mercury Pollution Prevention Account is established in the Department. Revenue is credited to the Account from the certificate of title fee under G.S. 20-85.

(b) Revenue in the Mercury Pollution Prevention Account shall be used to reimburse the Department and others for costs incurred in implementing the mercury minimization plan. The reimbursable costs are:

(1) Five dollars ($5.00) for each mercury switch removed by a vehicle recycler or scrap metal recycling facility pursuant to this Article.

(2) Costs incurred by the Department in administering the plan.

(c) The Department shall reimburse vehicle recyclers and scrap metal recycling facilities based on the quarterly reports submitted under G.S. 130A-310.53. The Department may request any information needed to determine the accuracy of the reports. (2005-384, s. 1; 2006-255, s. 5; 2007-142, ss. 4, 9.)

Section Set Out Twice. — The section above is effective December 31, 2017. For this section as effective until December 31, 2017, see the preceding section, also numbered G.S. 130A-310.54.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law

(September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b) [repealed], either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

§ 130A-310.55. Violations of Article; enforcement.

(a) It is unlawful for a person to do any of the following:

(1) Knowingly flatten, crush, bale, shred, or otherwise alter the condition of a vehicle from which accessible mercury switches have not been removed, in any manner that would prevent or significantly hinder the removal of a mercury switch.

(2) Willfully fail to remove a mercury switch when the person is required to do so.

(3) Knowingly make a false report that a mercury switch has been removed from an end-of-life vehicle.

(4) Obtain a mercury switch from another source and falsely report that it was removed from a vehicle processed for recycling.

(b) **(Effective until December 31, 2017)** Any person who violates subdivision (1) or (2) of subsection (a) of this section shall be punished as provided in G.S. 14-3.

(b) **(Effective December 31, 2017)** This Part may be enforced as provided in Part 2 of Article 1 of this Chapter.

(c) **(Expires December 31, 2017)** Any person who violates subdivision (3) or (4) of subsection (a) of this section shall be guilty of a Class 2 misdemeanor and, upon conviction, shall be punished as provided in G.S. 130A-26.2.

(d) **(Expires December 31, 2017)** A violation of any provision of this Part, any rule adopted pursuant to this Part, or any rule governing universal waste may be enforced by an administrative or civil action as provided in Part 2 of Article 1 of this Chapter. (2005-384, s. 1; 2006-255, s. 5; 2007-142, ss. 5, 9.)

Subsection (b) Set Out Twice. — The first version of subsection (b) set out above is effective until December 31, 2017. The second version of subsection (b) set out above is effective December 31, 2017.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b) [repealed], either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

Session Laws 2007-142, which rewrote this section, in s. 9, provides that the act expires on December 31, 2017.

Effect of Amendments. — Session Laws 2007-142, s. 5, effective July 1, 2007, and applicable to violations that occur on or after that date, rewrote subsection (b), and added subsections (c) and (d). See Editor's note for expiration date.

§ 130A-310.56: Repealed by Session Laws 2007-142, s. 6, effective June 29, 2007, and expiring December 31, 2017.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b), either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

Expiration of Repeal of Section. — Session Laws 2007-142, s. 9, provides that the act, which repealed G.S. 130A-310.56, expires on December 31, 2017.

Former G.S. 130A-310.56, prior to its repeal by Session Laws 2007-142, s. 6, read as follows:

"**§ 130A-310.56. Evaluation of vehicle design changes that affect mercury recyclability; reporting requirements.**

"(a) Each vehicle manufacturer shall, either individually or as part of a group, submit an annual report to the Department that describes in detail the status of vehicle design changes that are intended to facilitate recycling of vehicle components that contain mercury. The report is due on or before July 1. At a minimum, the report shall include all of the following:

"(1) For each make and model for the upcoming model year, a list of all vehicle components that contain mercury.

"(2) A description of all design changes that each manufacturer has implemented for the upcoming model year or plans to implement in future model years to reduce or eliminate vehicle components that contain mercury, the achieved or anticipated amount of each reduction.

"(3) A summary of all policies that each manufacturer has implemented or will implement to ensure that the manufacturers' vehicles are designed to be recycled in a safe, cost-effective, and environmentally sound manner.

"(4) A summary of any recommendations, complaints, or reports that the manufacturer has received within the previous calendar year from vehicle recyclers, scrap metal recycling facilities, government entities, or other persons, as well as any other information available to the manufacturer, regarding vehicle design features that adversely affect the recyclability of vehicle components that contain mercury.

"(b) A vehicle manufacturer or group of vehicle manufacturers that submits the report required by subsection (a) of this section may designate any information in the report that constitutes a trade secret, as defined in G.S. 66-152, as confidential information in accordance with G.S. 132-1.2. Information so designated shall be protected as provided in G.S. 130A-304.

"(c) The Department may evaluate the extent to which vehicle design promotes or impedes recycling of vehicle components that contain mercury. The Department may conduct hearings from time to time to receive public comment regarding vehicle design changes that affect recycling of vehicle components that contain mercury. The Department may develop recommendations as to changes in vehicle design that would further promote the recyclability of these components. If the Department develops recommendations pursuant to this subsection, it shall report these recommendations, together with its findings and any legislative proposals, to the Environmental Review Commission."

§ 130A-310.57. (Effective until December 31, 2017) Reports.

The Department shall submit an annual report on the mercury switch removal program under this Part to the Environmental Review Commission and the Senate and House of Representatives Appropriations Subcommittees on Natural and Economic Resources on or before 1 October of each year. The report shall include, at a minimum, all of the following:

(1) A detailed description of the mercury recovery performance ratio achieved by the mercury switch removal program.

(1a) A detailed description of the mercury switch collection system developed and implemented by vehicle manufacturers in accordance with the NVMSRP.

(2) In the event that a mercury recovery performance ratio of at least 0.90 of the national mercury recovery performance ratio as reported by the NVMSRP is not achieved, a description of additional or alternative actions that may be implemented to improve the mercury switch removal program.

(3) The number of mercury switches collected and a description of how the mercury switches were managed.

(4) A statement that details the costs required to implement the mercury switch removal program including a summary of receipts and dis-

bursements from the Mercury Switch Removal Account. (2005-384, s. 1; 2006-255, s. 5; 2007-142, s. 7.)

Section Set Out Twice. — The section above is effective until December 31, 2017. For the section as in effect December 31, 2017, see the following section, also numbered G.S. 130A-310.57.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b) [repealed], either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

Session Laws 2007-142, s. 9, provides, in part, that the Department shall submit the first annual report required by G.S. 130A-310.57 on or before October 1, 2008.

Effect of Amendments. — Session Laws 2007-142, s. 7, effective June 29, 2007, and expiring December 31, 2017, rewrote the section.

§ 130A-310.57. (Effective December 31, 2017) Report on plan.

The Department shall publish an annual report on the mercury minimization plan on or before November 1. The report shall include, at a minimum, all of the following:

(1) A detailed description and documentation of the capture rate achieved.

(2) In the event that a capture rate of at least ninety percent (90%) is not achieved, a description of additional or alternative actions that may be implemented to improve the mercury minimization plan and its implementation.

(3) The number of mercury switches collected, the number of end-of-life vehicles containing mercury switches, the number of end-of-life vehicles processed for recycling, and a description of how the mercury switches were managed.

(4) A statement that details the costs required to implement the mercury minimization plan. (2005-384, s. 1; 2006-255, s. 5; 2007-142, ss. 7, 9.)

Section Set Out Twice. — The section above is effective December 31, 2017. For the section as in effect until December 31, 2017, see the preceding section, also numbered G.S. 130A-310.57.

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b) [repealed], either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

§ 130A-310.58. (For expiration date — see note) Adoption of rules; administrative procedure.

(a) The Department may adopt rules to implement this Part.

(b) Chapter 150B of the General Statutes governs implementation of this Part. (2005-384, s. 1; 2006-255, s. 5.)

Part 6 Has a Delayed Repeal Date. — Session Laws 2005-384, which enacted this Part, in s. 4, as amended by Session Laws 2006-255, s. 5, provides: "Sections 1, 3, and 4 of this act are effective when this act becomes law (September 13, 2005), except that G.S. 130A-310.53, 130A-310.54(c), and 130A-310.55 become effective July 1, 2007. Section 2 of this act becomes effective October 1, 2005. Each vehicle manufacturer that is subject to the requirements of this act shall provide the information required by G.S. 130A-310.52(b) [repealed], either individually or as a group of manufacturers, on or before January 1, 2007. This act expires on July 1, 2026."

Editor's note. — Session Laws 2005-384, s. 3, provides: "The Commission for Health Services [now the Commission for Public Health] shall amend 15A NCAC 13A.0119 to adopt rules governing the management of waste mercury-containing devices, as defined in the Notice of Proposed Rulemaking published on June 12, 2002 in the Federal Register, Volume 67, Number 113, Pages 40507 through 40528, as universal waste."

ARTICLE 10.

North Carolina Drinking Water Act.

§ 130A-311. Short title.

This Article shall be cited as the "North Carolina Drinking Water Act." (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

Extension of Permits. — For provisions pertaining to extension of permits during state of economic emergency in the real estate sector, pursuant to Session Laws 2009-406, ss. 1 through 5.1, as amended by Session Laws 2009-484, s. 5.1, 2009-550, s. 5.2, and 2009-572, ss. 1-3, see the Editor's note at G.S. 160A-385.1.

Editor's Note. — Session Laws 2008-198, s. 9, provides: "For purposes of this section, 'contamination of drinking water' means any exceedance of the drinking water standards adopted by the United States Environmental Protection Agency pursuant to the federal Safe Drinking Water Act or by the drinking water standards adopted by the Commission for Health Services pursuant to Article 10 of Chapter 130A of the General Statutes. It is the intent of the General Assembly that the Department of Environment and Natural Resources aggressively compel persons who are responsible for contamination of groundwater that results in contamination of drinking water to assess and remediate the groundwater contamination as required by law."

CASE NOTES

Cited in In re Environmental Mgt. Comm'n, 80 N.C. App. 1, 341 S.E.2d 588 (1986).

§ 130A-312. Purpose.

The purpose of this Article is to regulate water systems within the State which supply drinking water that may affect the public health. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

CASE NOTES

Cited in In re Environmental Mgt. Comm'n, 80 N.C. App. 1, 341 S.E.2d 588 (1986).

§ 130A-313. Definitions.

The following definitions shall apply throughout this Article:

(1) "Administrator" means the Administrator of the United States Environmental Protection Agency.

(2) "Certified laboratory" means a facility for performing bacteriological, chemical or other analyses on water which has received interim or

final certification by either the Environmental Protection Agency or the Department.

(3) "Contaminant" means any physical, chemical, biological or radiological substance or matter in water.

(3a) "Department" means the Department of Environment and Natural Resources.

(4) "Drinking water rules" means rules adopted pursuant to this Article.

(5) "Federal act" means the Safe Drinking Water Act of 1974, P.L. 93-523, as amended.

(6) "Federal agency" means any department, agency or instrumentality of the United States.

(7) "Maximum contaminant level" means the maximum permissible level of a contaminant in water which is delivered to any user of a public water system.

(8) "National primary drinking water regulations" means primary drinking water regulations promulgated by the Administrator pursuant to the federal act.

(9) "Person" means an individual, corporation, company, association, partnership, unit of local government, State agency, federal agency or other legal entity.

(10) "Public water system" means a system for the provision to the public of water for human consumption through pipes or other constructed conveyances if the system serves 15 or more service connections or which regularly serves 25 or more individuals. The term includes:

a. Any collection, treatment, storage or distribution facility under control of the operator of the system and used primarily in connection with the system; and

b. Any collection or pretreatment storage facility not under the control of the operator of the system that is used primarily in connection with the system.

A public water system is either a "community water system" or a "noncommunity water system" as follows:

a. "Community water system" means a public water system that serves 15 or more service connections or that regularly serves at least 25 year-round residents.

b. "Noncommunity water system" means a public water system that is not a community water system.

A connection to a system that delivers water by a constructed conveyance other than a pipe is not a connection within the meaning of this subdivision under any one of the following circumstances:

a. The water is used exclusively for purposes other than residential uses. As used in this subdivision, "residential uses" mean drinking, bathing, cooking, or other similar uses.

b. The Department determines that alternative water to achieve the equivalent level of public health protection pursuant to applicable drinking water rules is provided for residential uses.

c. The Department determines that the water provided for residential uses is centrally treated or treated at the point of entry by the provider, a pass-through entity, or the user to achieve the equivalent level of protection provided by the applicable drinking water rules.

(10a) "Secretary" means the Secretary of Environment and Natural Resources.

(11) "Supplier of water" means a person who owns, operates or controls a public water system.

(12) "Treatment technique requirement" means a requirement of the drinking water rules which specifies a specific treatment technique for

a contaminant which leads to reduction in the level of the contaminant sufficient to comply with the drinking water rules. (1979, c. 788, s. 1; 1983, c. 891, s. 2; 1987, c. 704, s. 2; 1993 (Reg. Sess., 1994), c. 776, s. 14; 1997-30, s. 1; 1997-443, s. 11A.81A.)

§ 130A-314. Scope of the Article.

(a) The provisions of this Article shall apply to each public water system in the State unless the public water system meets all of the following conditions:

(1) Consists only of distribution and storage facilities and does not have any collection and treatment facilities;
(2) Obtains all of its water from, but is not owned or operated by, a public water system to which the drinking water rules apply;
(3) Does not sell water to any person; and
(4) Is not a carrier which conveys passengers in interstate commerce.

(b) A provision of any charter granted to a public water system in conflict with the provisions of this Article is repealed. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-315. Drinking water rules; exceptions; limitation on implied warranties.

(a) The Commission shall adopt and the Secretary shall enforce drinking water rules to regulate public water systems. The rules may distinguish between community water systems and noncommunity water systems.

(b) The rules shall:

(1) Specify contaminants which may have an adverse effect on the public health;
(2) Specify for each contaminant either:
    a. A maximum contaminant level which is acceptable in water for human consumption, if it is feasible to establish the level of the contaminant in water in public water systems; or
    b. One or more treatment techniques which lead to a reduction in the level of contaminants sufficient to protect the public health, if it is not feasible to establish the level of the contaminants in water in a public water system; and
(3) Establish criteria and procedures to assure a supply of drinking water which dependably complies with maximum contaminant levels and treatment techniques as determined in paragraph (2) of this subsection. These rules may provide for:
    a. The minimum quality of raw water which may be taken into a public water system;
    b. A program of laboratory certification;
    c. Monitoring and analysis;
    d. Record-keeping and reporting;
    e. Notice of noncompliance, failure to perform monitoring, variances and exemptions;
    f. Inspection of public water systems; inspection of records required to be kept; and the taking of samples;
    g. Criteria for design and construction of new or modified public water systems;
    h. Review and approval of design and construction of new or modified public water systems;
    i. Siting of new public water system facilities;
    j. Variances and exemptions from the drinking water rules; and
    k. Additional criteria and procedures as may be required to carry out the purpose of this Article.

(b1) The rules may also establish criteria and procedures to insure an adequate supply of drinking water. The rules may:

(1) Provide for record keeping and reporting.
(2) Provide for inspection of public water systems and required records.
(3) Establish criteria for the design and construction of new public water systems and for the modification of existing public water systems.
(4) Establish procedures for review and approval of the design and construction of new public water systems and for the modification of existing public water systems.
(4a) Limit the number of service connections to a public water system based on the quantity of water available to the public water system, provided that the number of service connections shall not be limited for a public water system operating in accordance with a local water supply plan that meets the requirements of G.S. 143-355(*l*).
(5) Establish criteria and procedures for siting new public water systems.
(6) Provide for variances and exemptions from the rules.
(7) Provide for notice of noncompliance in accordance with G.S. 130A-324.

(b2) Two or more water systems that are adjacent, that are owned or operated by the same supplier of water, that individually serve less than 15 service connections or less than 25 persons but that in combination serve 15 or more service connections or 25 or more persons, and that individually are not public water systems shall meet the standards applicable to public water systems for the following contaminants: coliform bacteria, nitrates, nitrites, lead, copper, and other inorganic chemicals for which testing and monitoring is required for public water systems on 1 July 1994. The standards applicable to these contaminants shall be enforced by the Commission as though the water systems to which this subsection applies were public water systems.

(b3) The Department shall not certify or renew a certification of a laboratory under rules adopted pursuant to subdivision (3)b. of subsection (b) of this section unless the laboratory offers to perform composite testing of samples taken from a single public water supply system for those contaminants that the laboratory is seeking certification or renewal of certification to the extent allowed by regulations adopted by the United States Environmental Protection Agency.

(c) The drinking water rules may be amended as necessary in accordance with required federal regulations.

(d) When a person that receives water from a public water system is authorized by the Utilities Commission, pursuant to G.S. 62-110(g), to charge for the costs of providing water or sewer service, that person shall not be subject to regulation under this Article solely as a result of submetering and billing for water service. The supplying water system shall perform the same level of monitoring, analysis, and record keeping that the supplying system would perform if the providing water system had not been authorized to charge for the costs of providing water or sewer service pursuant to G.S. 62-110(g).

(e) When a public water system supplies water through a master meter to a water system not regulated by this Article, the supplying water system is not responsible for operation, maintenance, or repair of the providing water system. The supplying water system shall not be responsible for contamination that is confined to the providing water system if the supplying water system meets applicable requirements for water quality, treatment, and system operation for that contaminant. The supplying water system may monitor the water within the providing water system for contamination pursuant to rules adopted under this Article. The supplying water system and the Department shall have access to the providing water system to investigate water quality problems and to determine whether any contamination is confined to the providing water system and whether the quality of the water supplied by the supplying water system is contributing contamination to the providing water system.

(f) If water in the providing water system exceeds the maximum contaminant levels established pursuant to this Article and the Department determines that the supplying water system is not responsible, the supplying water system must notify the providing water system owner in writing within one day of determining that the contamination is confined solely to the providing water system for bacteria, nitrate, and nitrite, and within 30 days for all other contaminants.

(g) A supplier of water regulated under this Article shall not be deemed to provide any warranty under Article 2 of Chapter 25 of the General Statutes, including an implied warranty of merchantability or an implied warranty of fitness for a particular purpose. (1979, c. 788, s. 1; 1983, c. 891, s. 2; 1985, c. 417, ss. 1, 2; 1991 (Reg. Sess., 1992), c. 826, s. 1; 1993 (Reg. Sess., 1994), c. 776, s. 15; 1995, c. 25, s. 1; 2000-172, s. 1.1; 2001-502, s. 6; 2004-143, s. 8; 2008-140, s. 1.)

Legislative Findings. — Session Laws 2005-190, s. 1, effective July 15, 2005, provides: "The General Assembly finds that:

"(1) Drinking water supply reservoirs are an essential source of water needed to meet municipal, industrial, and agricultural needs.

"(2) Drinking water supply reservoirs provide recreational opportunities and wildlife habitat and, if properly managed, improve water quality.

"(3) Management and protection of the quality and quantity of water in drinking water supply reservoirs are essential to the economic vitality of North Carolina.

"(4) Excessive nutrients are a major source of impairment of water quality in drinking water supply reservoirs.

"(5) It would be beneficial for the State to study the condition of drinking water supply reservoirs and to develop nutrient control criteria to prevent drinking water supply reservoirs from becoming impaired.

"(6) It would be beneficial for the State to develop calibrated nutrient response models and nutrient management strategies to ensure that drinking water supply reservoirs that are showing evidence of impairment are protected, as envisioned by Part 1 of Article 21 of Chapter 143 of the General Statutes and S.L. 1997-458, the Clean Water Responsibility and Environmentally Sound Policy Act."

Study of Drinking Water Supply Reservoirs. — Session Laws 2005-190, s. 2(a), effective July 15, 2005, provides: "The Environmental Management Commission shall study the water quality in the drinking water supply reservoirs in the State to determine whether the reservoirs meet current water quality standards. The Commission shall analyze existing data and report its findings and recommendations to the Environmental Review Commission by 1 May 2006."

Nutrient Control Criteria. — Session Laws 2005-190, s. 2(b), effective July 15, 2005, provides: "Based on the results of the study of drinking water supply reservoirs and an evaluation of current water quality standards, the Environmental Management Commission shall identify any nutrient control criteria necessary to prevent excess nutrient loading in each drinking water supply reservoir in order to protect public health and other designated uses by 1 January 2009. The Commission shall adopt final nutrient control criteria for each drinking water supply reservoir by 1 May 2010. If the Commission finds that the nutrient control criteria for any drinking water supply reservoir are not being achieved, the Commission shall develop and implement a plan for enhanced water quality monitoring in that drinking water supply reservoir within one year of the determination. The Commission shall report its progress in implementing this section, including its findings and recommendations, to the Environmental Review Commission as a part of each quarterly report it makes pursuant to G.S. 143B-282(b)."

Applicability of Section to Certain Reservoirs. — Session Laws 2005-190, s. 3(a), effective July 15, 2005, provides: "This section applies only to drinking water supply reservoirs that meet all of the following criteria as of 1 July 2005:

"(1) The reservoir serves a population greater than 300,000 persons.

"(2) The Environmental Management Commission has classified all or any part of the water in the reservoir as a nutrient sensitive water (NSW).

"(3) Water quality monitoring data indicates that water quality in the reservoir violates the chlorophyll A standard.

"(4) The Division of Water Quality of the Department of Environment and Natural Resources has not prepared or updated a calibrated nutrient response model for the reservoir since 1 July 2002."

Temporary Limitation on Increased Nutrient Loading. — Session Laws 2005-190, s. 3(b), effective July 15, 2005, provides: "If the Environmental Management Commission determines either that water quality in all or in any part of a drinking water supply reservoir to which this section applies does not meet current water quality standards or that it is likely that water quality will not meet water quality standards at any time prior to 1 July 2010, the Commission shall not make any new or increased nutrient loading allocation to any person who is required to obtain a permit under G.S. 143-215 for an individual wastewater discharge directly or indirectly into that reservoir. This limitation on new or increased nutrient loading allocation shall not be construed to prohibit a person who holds a permit for a wastewater discharge into a drinking water supply reservoir from purchasing a nutrient loading allocation from another person who holds a permit for a wastewater discharge into the same drinking water supply reservoir. This subsection expires with respect to a drinking water supply reservoir when permanent rules adopted by the Commission to implement the nutrient management strategy for that reservoir become effective."

Nutrient Management Strategy. — Session Laws 2005-190, s. 3(c), as amended by Session Laws 2006-259, s. 31(a), and Session Laws 2009-486, s. 2(a), effective July 15, 2005, provides: "(c) The Environmental Management Commission shall develop a nutrient management strategy for drinking water supply reservoirs to which this section applies by 15 January 2011. The nutrient management strategy shall be based on a calibrated nutrient response model that meets the requirement of G.S. 143-215.1(c5). The nutrient management strategy shall include specific mandatory measures to achieve the reduction goals. In developing the nutrient management strategy, the Commission shall consider the effectiveness of measures previously implemented in the watershed and the cost of the proposed measures in relation to their effectiveness. These measures could include, but are not limited to, buffers, erosion and sedimentation control requirements, post-construction stormwater management, agricultural nutrient reduction measures, the addition of nutrient removal treatment processes to point source permitted wastewater treatment plants, the removal of point source discharging wastewater treatments through regionalization and conversion to nondischarge treatment technologies, measures to address nutrient inputs from on-site wastewater treatment systems, control of atmospheric deposition, allowing the sale and purchase of nutrient offsets, allowing trading of nutrient loading allocations and credits for nutrient reductions, and any other measures that the Commission determines to be necessary to meet the nutrient reduction goals. To the extent that one or more other State programs already mandate any of these measures, the nutrient management strategy shall incorporate the mandated measures and any extension of those measures and any additional measures that may be necessary to achieve the nutrient reduction goals. In making a nutrient loading allocation to a permit holder, the Commission shall, to the extent allowed by federal and State law, give consideration to all voluntary efforts taken by the permit holder to protect water quality prior to the development of the nutrient management strategy."

Eligibility under the Clean Water Resolving Loan and Grant Act. — Session Laws 2005-190, s. 3(d), as amended by Session Laws 2006-259, s. 31 and Session Laws 2009-486, s.2(a), provides: "The definitions set out in G.S. 159G-3 apply to this subsection. The operator of a wastewater treatment works that is owned by an agency of the State may apply for a loan or grant under Chapter 159G of the General Statutes on the same basis as any other applicant if the operator is a local government unit and if the local government unit operates the wastewater treatment works pursuant to a contract with the State agency that contemplates that the local government unit will eventually acquire ownership of the wastewater treatment works."

Implementation; Rulemaking. — Session Laws 2005-190, s. 3(e), as amended by Session Laws 2006-259, s. 31(b), and Session Laws 2009-486, s. 2(a), effective July 15, 2005, provides: "The Environmental Management Commission shall adopt permanent rules to implement the nutrient management strategies required by this section by 15 January 2011. The rules shall require that reductions in nutrient loading from all sources begin no later than five years after the rules become effective. The rules shall require that stormwater management programs to reduce nutrient loading from new development be implemented no later than 30 months after the rules become effective."

Reports. — Session Laws 2005-190, s. 3(f), effective July 15, 2005, provides: "The Environmental Management Commission shall report its progress in implementing this section to the Environmental Review Commission as a part of each quarterly report it makes pursuant to G.S. 143B-282(b)."

Compensatory Mitigation for Riparian Buffer Loss; Nutrient Offset Purchases. — Session Laws 2005-190, s. 3(g), as amended by Session Laws 2009-486, s. 2(b), provides: "(g) Compensatory mitigation for riparian buffer loss in the watershed of a drinking water supply to which this section applies must be performed in the watershed of the drinking water supply. The Environmental Management Commission may further limit the area in which compensatory mitigation for riparian buffer loss must be performed in the watershed of a drinking water supply to which this section applies. Any nutrient offset purchased to offset loading in the watershed of a drinking water supply to which this section applies may only be obtained from an offset project located in the watershed of the drinking water supply. The Environmental Management Commission may further limit the area from which nutrient offsets may be obtained in the watershed of a drinking water supply to which this section applies."

Additional Standards for Land-disturbing Activities in the Water Supply Watershed. — Session Laws 2005-190, s. 3(h), as added by Session Laws 2009-486, s. 2(b), provides: "For purposes of this section, 'land-disturbing activity' does not include the land-disturbing activities set out in G.S. 113A-52.01. In addition to any other requirements of State, federal, and local law, land-disturbing activity in the watershed of the water supply reservoir to which this section applies shall meet all of the following design standards for sedimentation and erosion control:

"(1) Erosion and sedimentation control measures, structures, and devices shall be planned, designed, and constructed to provide protection from the runoff of the 25-year storm that produces the maximum peak rate of runoff as calculated according to procedures set out in the United States Department of Agriculture Soil Conservation Service's 'National Engineering Field Manual for Conservation Practices' or according to procedures adopted by any other agency of the State or the United States or any generally recognized organization or association.

"(2) Sediment basins shall be planned, designed, and constructed so that the basin will have a settling efficiency of at least seventy percent (70%) for the 40-micron size soil particle transported into the basin by the runoff of the two-year storm that produces the maximum peak rate of runoff as calculated according to procedures in the United States Department of Agriculture Soil Conservation Service's 'National Engineering Field Manual for Conservation Practices' or according to procedures adopted by any other agency of the State or the United States or any generally recognized organization or association.

"(3) Newly constructed open channels shall be planned, designed, and constructed with side slopes no steeper than two horizontal to one vertical if a vegetative cover is used for stabilization unless soil conditions permit steeper slopes or where the slopes are stabilized by using mechanical devices, structural devices, or other acceptable ditch liners. In any event, the angle for side slopes shall be sufficient to restrain accelerated erosion.

"(4) For an area of land-disturbing activity where grading activities have been completed, temporary or permanent ground cover sufficient to restrain erosion shall be provided as soon as practicable, but in no case later than seven days after completion of grading. For an area of land-disturbing activity where grading activities have not been completed, temporary ground cover shall be provided as follows:

"a. For an area with no slope, temporary ground cover shall be provided for the area if it has not been disturbed for a period of 14 days.

"b. For an area of moderate slope, temporary ground cover shall be provided for the area if it has not been disturbed for a period of 10 days. For purposes of this subdivision, 'moderate slope' means an inclined area, the inclination of which is less than or equal to three units of horizontal distance to one unit of vertical distance.

"c. For an area of steep slope, temporary ground cover shall be provided for the area if it has not been disturbed for a period of seven days. For purposes of this subdivision, 'steep slope' means an inclined area, the inclination of which is greater than three units of horizontal distance to one unit of vertical distance."

Session Laws 2005-190, s. 3(i), as added by Session Laws 2009-486, s. 2(b) provides: "(i) For purposes of this section, 'land-disturbing activity' does not include the land-disturbing activities set out in G.S. 113A-52.01. No later than December 31, 2011, the Sedimentation Control Commission shall adopt rules for the control of erosion and sedimentation resulting from land-disturbing activities in the watershed of the water supply reservoir to which this section applies. In developing the rules, the Commission shall consider the standards established pursuant to Section 3(h), as enacted by Section 2(b) of this act."

Session Laws 2005-190, s. 3(j), as added by Session Laws 2009-486, s. 2(b) provides: "(j) The Department of Environment and Natural Resources, in consultation with the Environmental Management Commission, shall identify improvements needed in the design, operation, and siting of septic tank systems in order to reduce excess nutrient loading from septic tank systems in the watershed of a drinking water supply to which this section applies. The Department shall report its findings and recommendations for specific changes to standards adopted by the Commission for Public Health pursuant to G.S. 130A-355 to the Commission for Public Health and to the Environmental Review Commission no later than March 1, 2010."

Other Drinking Water Supply Reservoirs. — Session Laws 2005-190, s. 4, as amended by Session Laws 2006-259, s. 31(c), effective July 15, 2005, provides: "The Environmental Management Commission shall not make any new or increased nutrient loading allocation to any person who is required to obtain a permit under G.S. 143-215 for an individual wastewater discharge directly or indirectly into any drinking water supply reservoir for which the Division of Water Quality of the Department of Environment and Natural Resources has prepared or updated a calibrated nutrient response model since 1 July 2002 until permanent rules adopted by the Commission to implement the nutrient management strategy for that reservoir become effective. The Commission shall report its progress in developing and implementing nutrient management strategies for reservoirs to which this section applies to the Environmental Review Commission by 1 April of each year beginning 1 April 2006."

Session Laws 2009-486, s. 4, provides in part: "Section 3(h) of S.L. 2005-190, as enacted by Section 2(b) of this act, becomes effective January 1, 2010, applies to land-disturbing activities begun on or after January 1, 2010, and expires on the date that rules adopted pursuant to Section 3(i) of S.L. 2005-190, as enacted by Section 2(b) of this act, become effective."

Editor's Note. — Session Laws 2000-172, s. 1.2, provides: "In enacting Section 1.1 of this act, it is the intent of the General Assembly to promote water conservation while protecting public health, safety, welfare, and the environment and avoiding unduly burdensome requirements on consecutive water systems. Section 1.1 of this act shall not be construed to impose any requirement on a supplying water system other than the requirements that apply to the supplying water system on the date this act becomes effective and that would apply to the supplying water system if a consecutive water system had not been authorized."

Session Laws 2000-172, s. 8.2, contains a severability clause.

The preamble to Session Laws 2009-486, provides: "Whereas, that portion of the Neuse River Basin that is upstream of the Falls Dam and that includes Falls Lake is often referred to as the Upper Neuse River Basin; and

"Whereas, the nine drinking water supply reservoirs in the Upper Neuse River Basin provide water for drinking, sanitation, food processing, cooling, industrial processing, and other essential uses for the citizens of Orange, Person, Durham, Granville, and Wake Counties; and

"Whereas, the General Assembly enacted S.L. 1997-458, the Clean Water Responsibility and Environmentally Sound Policy Act, to protect and restore the waters of the State in 1997; and

"Whereas, the General Assembly enacted S.L. 2005-190, the Clean Lakes Act, to protect and restore the drinking water supply reservoirs of the State in 2005; and

"Whereas, the North Carolina Division of Water Quality in the Department of Environment and Natural Resources listed Falls Lake in the Upper Neuse River Basin as impaired waters in 2008, and the U.S. Environmental Protection Agency also classifies Falls Lake as impaired waters due to nutrients and turbidity; and

"Whereas, the quality and quantity of the water in the nine drinking water supply reservoirs in the Upper Neuse River Basin are essential to public health, environmental quality, and the economic vitality of the region; and

"Whereas, the North Carolina Environmental Management Commission may not develop a nutrient management strategy and rules to implement the nutrient management strategy for the Upper Neuse River Basin by July 1, 2009, as required by law; and

"Whereas, delayed development of a nutrient management strategy and rules to implement the nutrient management strategy threatens the quality and quantity of drinking water supply reservoirs in the Upper Neuse River Basin; Now, therefore,"

Session Laws 2009-486, s. 1(a)-(c), provides: "(a) Definition. — For purposes of this section, the term 'Upper Neuse River Basin' is that portion of the Neuse River Basin upstream of the Falls Dam, including Falls Lake.

"(b) Credit for Early Adoption. — The Environmental Management Commission shall encourage local governments, landowners, and others to develop, adopt, and implement policies and practices to reduce the runoff and discharge of nitrogen, phosphorus, sediment, and other pollutants into the surface waters and drinking water supply reservoirs in the Upper Neuse River Basin before it adopts permanent rules to implement the nutrient management strategy and the turbidity strategy for Upper Falls Lake. The Environmental Management Commission shall, in its permanent rules, provide credit for the early implementation of the nutrient management strategy for the Upper Neuse River Basin and the turbidity strategy for Falls Lake to local governments, landowners, and others who implement policies and practices after January 1, 2007, to reduce runoff and discharge of nitrogen, phosphorus, and sediment in the Upper Neuse River Basin.

"(c) Reports. — The Environmental Management Commission shall report its progress in implementing this section to the Environmental Review Commission as part of each quarterly report it makes pursuant to G.S. 143B-282(b)."

Effect of Amendments. — Session Laws 2008-140, s. 1, effective July 28, 2008, added subsection (g).

CASE NOTES

§ 130A-316. Department to examine waters.

The Department shall examine all waters and their sources and surroundings which are used as, or proposed to be used as, sources of public water supply to determine whether the waters and their sources are suitable for use as public water supply sources. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

CASE NOTES

Cited in In re Environmental Mgt. Comm'n, 80 N.C. App. 1, 341 S.E.2d 588 (1986).

§ 130A-317. Department to provide advice; submission and approval of public water system plans.

(a) The Department shall advise all persons and units of local government locating, constructing, altering or operating or intending to locate, construct, alter or operate a public water system of the most appropriate source of water supply and the best practical method of purifying water from that source having regard to the present and prospective needs and interests of other persons and units of local government which may be affected. The Department shall also advise concerning accepted engineering practices in the location, construction, alteration and operation of public water systems.

(b) All persons and units of local government constructing or altering a public water system shall give prior notice and submit plans, specifications and other information to the Department. The Commission shall adopt rules providing for the amount of prior notice required to be given and the nature and detail of the plans, specifications and other information required to be submitted. The Commission shall take into consideration the complexity of the construction or alteration which may be involved and the resources of the Department to review the plans, specifications and other information. The Department shall review the plans, specifications and other information, and notify the person, Utilities Commission and unit of local government of compliance or lack of compliance with applicable statutes and rules of the Commission.

(c) No person or unit of local government shall begin construction or alteration of a public water system or award a contract for construction or alteration unless all of the following conditions are met:

(1) The plans for construction or alteration have been prepared by an engineer licensed by this State.

(2) The Department has determined that the system, as constructed or altered, will be capable of compliance with the drinking water rules.

(3) The Department has determined that the system is capable of interconnection at an appropriate time with an expanding municipal, county or regional system.

(4) The Department has determined that adequate arrangements have been made for the continued operation, service and maintenance of the public water system.

(5) The Department has approved the plans and specifications.

(d) Municipalities, counties, local boards or commissions, water and sewer authorities, or groups of municipalities and counties may establish and administer within their utility service areas their own approval program in lieu of State approval of water system plans required in subsection (c) of this section for construction or alteration of the distribution system of a proposed or existing public water system, subject to the prior certification of the Department. For purposes of this subsection, the service area of a municipality shall include only that area within the corporate limits of the municipality and that area outside a municipality in its extraterritorial jurisdiction where water service is already being provided to the permit applicant by the municipality or connection to the municipal water system is immediately available to the applicant; the service areas of counties and the other entities or groups shall include only those areas where water service is already being provided to the applicant by the permitting authority or connection to the permitting authority's system is immediately available. No later than the 180th day after the receipt of an approval program and statement submitted by any local government, commission, authority, or board, the Department shall certify any local program that meets all of the following conditions:

(1) Provides by ordinance or local law for requirements compatible with those imposed by this Article, and the standards and rules adopted pursuant to this Article.

(2) Provides that the Department receives notice and a copy of each application for approval and that the Department receives copies of approved plans.

(3) Provides that plans and specifications for all construction and alterations be prepared by or under the direct supervision of an engineer licensed to practice in this State.

(4) Provides for the adequate enforcement of the program requirements by appropriate administrative and judicial process.

(5) Provides for the adequate administrative organization, engineering staff, financial and other resources necessary to effectively carry out its plan review program. A local government, commission, authority, or board may either employ an engineer licensed under Chapter 89C of the General Statutes to practice as a professional engineer in the State or contract with an engineer licensed under Chapter 89C of the General Statutes to practice as a professional engineer in the State in order to provide for adequate engineering staff under this subdivision.

(6) Provides that the system is capable of interconnection at an appropriate time with an expanding municipal, county, or regional system.

(7) Provides for the adequate arrangement for the continued operation, service, and maintenance of the public water system.

(8) Provides that an approved system, as constructed or altered, will be capable of compliance with the drinking water rules.

(9) Is approved by the Department as adequate to meet the requirements of this Article and any applicable rules adopted pursuant to this Article.

(e) The Department may deny, suspend, or revoke the certification of a local program upon a finding that a violation of the provisions in subsection (d) of this section has occurred. A local government administering an approval program shall be given notice that there has been a tentative decision to deny, suspend, or revoke certification and that an administrative hearing will be held in accordance with Chapter 150B of the General Statutes where the decision may be challenged. If a violation of the provisions in subsection (d) of this section presents an imminent hazard, certification may be suspended or revoked immediately. The Department shall give notice of the immediate suspension or revocation and notice that an administrative hearing will be held in accordance with Chapter 150B of the General Statutes where the decision may be challenged.

(f) Notwithstanding any other provisions of subsection (d) of this section, if the Department determines that a public water system is violating plan approval requirements of a local program and that the local government has not acted to enforce those approval requirements, the Department may, after written notice to the local government, take enforcement action in accordance with the provisions of this Article. (1979, c. 788, s. 1; 1983, c. 891, s. 2; 1985, c. 697, s. 1; 1987, c. 827, s. 1; 2006-238, s. 1.)

§ 130A-318. Disinfection of public water systems.

(a) The Department is authorized to require disinfection of:

(1) Public water systems introduced on or after January 1, 1972; and

(2) All public water systems, regardless of the date introduced, whenever:

a. The maximum microbiological contaminant level is exceeded; or

b. Conditions exist which make continued use of the water potentially hazardous to public health.

(b) Public water systems shall employ disinfection methods and procedures approved by the Department. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-319. Condemnation of lands for public water systems.

All units of local government operating public water systems and all water companies operating under franchise from the State or units of local government, may acquire by condemnation lands and rights in lands and water necessary for the successful operation and protection of their systems. Condemnation proceedings under this section shall be the same as prescribed by law under Chapter 40A of the General Statutes. (1979, c. 788, s. 1; 1981, c. 919, s. 14; 1983, c. 891, s. 2.)

CASE NOTES

Power to Condemn Not Limited to Easement. — The power of a municipal corporation to condemn land for its watershed in order to protect its water supply from contamination is not limited to an easement, but it has been given power to condemn the fee for that purpose. Town of Morganton v. Hutton & Bourbonnais Co., 251 N.C. 531, 112 S.E.2d 111 (1960), decided under former statutory provisions.

§ 130A-320. Sanitation of watersheds; rules; inspections.

(a) The Commission shall adopt rules governing the sanitation of watersheds from which public drinking water supplies are obtained. In adopting these rules the Commission is authorized to consider the different classes of watersheds, taking into account general topography, nature of watershed development, density of population and need for frequency of sampling of raw water. The rules shall govern the keeping of livestock, operation of recreational areas, maintenance of residences and places of business, disposal of sewage, establishment of cemeteries or burying grounds, and any other factors which would endanger the public water supply.

(b) Any person operating a public water system and furnishing water from unfiltered surface supplies shall inspect the watershed area at least quarterly, and more often when the Department determines that more frequent inspections are necessary. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

Clean Lakes Act. — Session Laws 2005-190, as amended, enacted the Clean Lakes Act in 2005 to protect and restore drinking water supply reservoirs in the state. It is noted in full under G.S. 130A-315.

Editor's Note. — The preamble to Session Laws 2009-486, provides: "Whereas, that portion of the Neuse River Basin that is upstream of the Falls Dam and that includes Falls Lake is often referred to as the Upper Neuse River Basin; and

"Whereas, the nine drinking water supply reservoirs in the Upper Neuse River Basin provide water for drinking, sanitation, food processing, cooling, industrial processing, and other essential uses for the citizens of Orange, Person, Durham, Granville, and Wake Counties; and

"Whereas, the General Assembly enacted S.L. 1997-458, the Clean Water Responsibility and Environmentally Sound Policy Act, to protect and restore the waters of the State in 1997; and

"Whereas, the General Assembly enacted S.L. 2005-190, the Clean Lakes Act, to protect and restore the drinking water supply reservoirs of the State in 2005; and

"Whereas, the North Carolina Division of Water Quality in the Department of Environment and Natural Resources listed Falls Lake in the Upper Neuse River Basin as impaired waters in 2008, and the U.S. Environmental Protection Agency also classifies Falls Lake as impaired waters due to nutrients and turbidity; and

"Whereas, the quality and quantity of the water in the nine drinking water supply reservoirs in the Upper Neuse River Basin are essential to public health, environmental quality, and the economic vitality of the region; and

"Whereas, the North Carolina Environmental Management Commission may not develop a nutrient management strategy and rules to implement the nutrient management strategy for the Upper Neuse River Basin by July 1, 2009, as required by law; and

"Whereas, delayed development of a nutrient management strategy and rules to implement the nutrient management strategy threatens the quality and quantity of drinking water supply reservoirs in the Upper Neuse River Basin; Now, therefore,"

Session Laws 2009-486, s. 1(a)-(c), provides: "(a) Definition. — For purposes of this section, the term 'Upper Neuse River Basin' is that portion of the Neuse River Basin upstream of the Falls Dam, including Falls Lake.

"(b) Credit for Early Adoption. — The Environmental Management Commission shall encourage local governments, landowners, and others to develop, adopt, and implement policies and practices to reduce the runoff and discharge of nitrogen, phosphorus, sediment, and other pollutants into the surface waters and drinking water supply reservoirs in the Upper Neuse River Basin before it adopts permanent rules to implement the nutrient management strategy and the turbidity strategy for Upper Falls Lake. The Environmental Management Commission shall, in its permanent rules, provide credit for the early implementation of the nutrient management strategy for the Upper Neuse River Basin and the turbidity strategy for Falls Lake to local governments, landowners, and others who implement policies and practices after January 1, 2007, to reduce runoff and discharge of nitrogen, phosphorus, and sediment in the Upper Neuse River Basin.

"(c) Reports. — The Environmental Management Commission shall report its progress in implementing this section to the Environmental Review Commission as part of each quarterly report it makes pursuant to G.S. 143B-282(b)."

§ 130A-321. Variances and exemptions; considerations; duration; condition; notice and hearing.

(a) The Secretary may authorize variances from the drinking water rules.

(1) The Secretary may grant one or more variances to a public water system from any requirement respecting a maximum contaminant level of an applicable drinking water rule upon a finding that:

a. Because of characteristics of the raw water sources reasonably available to the system, the system cannot meet the requirements respecting the maximum contaminant levels of the drinking water rules after application of the best technology, treatment techniques, or other means which the Secretary finds are available (taking costs into consideration); and

b. The granting of a variance will not result in an unreasonable risk to public health when considering the population exposed, the projected duration of the requested variance and the degree to which the maximum contaminant level is being or will be exceeded.

(2) The Secretary may grant one or more variances to a public water system from any requirement of a specified treatment technique of an applicable drinking water rule upon a finding that the public water system applying for the variance has demonstrated that the treatment technique is not necessary to protect the public health because of the nature of the raw water source of the system.

(3) In consideration of whether the public water system is unable to comply with a contaminant level required by the drinking water rules because of the nature of the raw water sources, the Secretary shall consider factors such as:

a. The availability and effectiveness of treatment methods for the contaminant for which the variance is requested; and

b. Costs of implementing the best treatment(s), improving the quality of the raw water by the best means or using an alternate source.

(4) In consideration of whether a public water system should be granted a variance from a required treatment technique because the treatment is unnecessary to protect the public health, the Secretary shall consider factors such as:

a. Quality of the water source including water quality data and pertinent sources of pollution; and

b. Source protection measures employed by the public water system.

(5) In order to implement sub-subdivision a. of subdivision (1) of this subsection, the Commission shall adopt by rule a list of the best available technologies, treatment techniques, or other means available, to deal with each contaminant for which a maximum contaminant level is established.

(b) The Secretary may authorize exemptions from the drinking water rules.

(1) The Secretary may exempt a public water system from any requirement respecting a maximum contaminant level or any treatment technique requirement, or from both, of an applicable drinking water rule upon a finding that:

a. Due to compelling factors, including economic factors, the public water system is unable to comply with the contaminant level or treatment technique requirement;

b. The public water system was in operation on the effective date of the contaminant level or treatment technique requirement or, for a system that was not in operation on that date, only if no reasonable alternative source of drinking water is available to the new system; and

c. The granting of the exemption will not result in an unreasonable risk to public health when considering the population exposed, the projected duration of the requested exemption and the degree to which the maximum contaminant level is being or will be exceeded.

(2) In consideration of whether the public water system is unable to comply due to compelling factors, the Secretary shall consider factors such as:

a. Construction, installation or modification of treatment equipment or systems;

b. The time needed to put into operation a new treatment facility to replace an existing system which is not in compliance; and

c. Economic feasibility of immediate compliance.

(c) As a condition of issuance of either a variance or an exemption, the Secretary shall issue a schedule of compliance for the public water system, including increments of progress for each drinking water rule for which the variance or exemption was issued. As a further condition of a variance or exemption, the Secretary shall require the public water system to implement any necessary control measures prescribed by the Secretary during the period of the variance or exemption. The compliance schedule for an exemption shall require compliance as expeditiously as practical but no later than June 19, 1987, for existing maximum contaminant levels and treatment techniques, or no later than one year from the issuance of the exemption for any newly adopted maximum contaminant level or treatment technique. The final date for compliance provided in any exemption schedule may be extended up to three years after the date of the issuance of the exemption if the water system establishes:

(1) The water system cannot meet the standard without capital improvements which cannot be completed within the period of exemption, or
(2) The system needs financial assistance for necessary improvements and has entered into an agreement to obtain such assistance, or
(3) The system has entered into an enforceable agreement to become part of a regional public water system and the system is taking all practical steps to meet the standard.

If a public water system serves 500 or fewer service connections and needs financial assistance for necessary improvements, an exemption may be renewed for one or more additional two-year periods if the system establishes it meets the requirements set forth in subdivisions (1) and (2) of this section.

(d) The Secretary shall provide notice and opportunity for public hearing on proposed variances and proposed variance and exemption schedules. (1979, c. 788, s. 1; 1981, c. 353, ss. 1, 2; 1983, c. 891, s. 2; 1987, c. 704, ss. 3-5.)

§ 130A-322. Imminent hazard; power of the Secretary.

(a) The Secretary shall judge whether an imminent hazard exists concerning a present or potential condition in a public water system.

(b) In order to eliminate an imminent hazard, the Secretary may, without notice or hearing, issue an order requiring the person or persons involved to immediately take action necessary to protect the public health. A copy of the order shall be delivered by certified mail or personal service. The order shall become effective immediately and shall remain in effect until modified or rescinded by the Secretary or by a court of competent jurisdiction. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-323. Emergency plan for drinking water; emergency circumstances defined.

(a) The Secretary shall develop and implement an adequate plan for the provision of drinking water under emergency circumstances. When the Secretary determines that emergency circumstances exist with respect to a need for drinking water, the Secretary may take action in accordance with the plan as necessary in order to provide drinking water.

(b) Emergency circumstances shall exist whenever the available supply of drinking water is inadequate. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-324. Notice of noncompliance; failure to perform monitoring; variances and exemptions.

Whenever a public water system:

(1) Is not in compliance with the drinking water rules;
(2) Fails to perform an applicable testing procedure or monitoring required by the drinking water rules;

(3) Is subject to a variance granted for inability to meet a maximum contaminant level requirement;
(4) Is subject to an exemption; or
(5) Fails to comply with the requirements prescribed by a variance or exemption,

the supplier shall as soon as possible, but not later than 48 hours after discovery, notify the Department and give public notification as prescribed by the drinking water rules. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-325. Prohibited acts.

The following acts are prohibited:
(1) Failure by a supplier of water to comply with this Article, an order issued under this Article, or the drinking water rules;
(2) Failure by a supplier of water to comply with the requirements of G.S. 130A-324 or the dissemination by a supplier of any false or misleading information with respect to remedial actions being undertaken to achieve compliance with the drinking water rules;
(3) Refusal by a supplier of water to allow the Department or local health department to inspect a public water system as provided for in G.S. 130A-17;
(4) The willful defiling by any person of any water supply of a public water system or the willful damaging of any pipe or other part of a public water system;
(5) The discharge by any person of sewage or other waste above the intake of a public water system, unless the sewage or waste has been passed through a system of purification approved by the Department; and
(6) The failure by a person to maintain a system approved by the Department for collecting and disposing of all accumulations of human excrement located on the watershed of a public water system. (1979, c. 788, s. 1; 1983, c. 891, s. 2; 1985, c. 462, s. 2; 1989, c. 727, s. 146.)

§ 130A-326. Powers of the Secretary.

To carry out the provisions of this Article, the Secretary is authorized to:
(1) Administer and enforce the provisions of this Article, the drinking water rules and orders issued under this Article;
(2) Enter into agreements or cooperative arrangements with, or participate in related programs of other states, other state agencies, federal or interstate agencies, units of local government, educational institutions, local health departments or other organizations or individuals;
(3) Receive financial and technical assistance from the federal government and other public or private agencies;
(4) Require public water systems to take actions or make modifications as necessary to comply with the requirements of this Article or the drinking water rules;
(5) Prescribe policies and procedures necessary or appropriate to carry out the Secretary's function under this Article;
(6) Establish and collect fees to recover the costs of laboratory analyses performed for compliance with this Article. The fees shall not exceed two hundred dollars ($200.00) for each analysis; and
(7) Establish and collect fees for certification and certification renewal of laboratories to perform analyses for compliance under this Article. The fees shall not exceed twenty dollars ($20.00) per analyte certified. The minimum fee for certification or certification renewal shall be two

hundred fifty dollars ($250.00) per analyte category. The maximum fee for certification or certification renewal shall be six hundred dollars ($600.00) per analyte category. The fees collected under this subdivision shall be used to administer blind performance evaluation samples to certified laboratories to determine compliance with certification requirements. (1979, c. 788, s. 1; 1981, c. 562, s. 9; 1983, c. 891, s. 2; 1987, c. 471; 1991 (Reg. Sess., 1992), c. 1039, s. 10.)

§ 130A-327. Construction.

This Article shall be interpreted as giving the State the authority needed to assume primary enforcement responsibility under the federal act. (1979, c. 788, s. 1; 1983, c. 891, s. 2.)

§ 130A-328. Public water system operating permit and permit fee.

(a) No person shall operate a community or non transient non-community water system who has not been issued an operating permit by the Department. A community or non transient non-community water system operating permit shall be valid from January 1 through December 31 of each year unless suspended or revoked by the Department for cause. The Commission shall adopt rules concerning permit issuance and renewal and permit suspension and revocation. The annual fees in subsection (b) shall be prorated on a monthly basis for permits obtained after January 1 of each year.

(b) The following fees are imposed for the issuance or renewal of a permit to operate a community or non transient non-community water system; the fees are based on the number of persons served by the system:

	Fee
Non Community Water Systems:	
Base fee:	
Non transient non-community	$150
Community Water Systems:	
Number of Persons Served	
50 or fewer	$255
More than 50 but no more than 100	$270
More than 100 but no more than 200	$330
More than 200 but no more than 300	$350
More than 300 but no more than 400	$385
More than 400 but no more than 500	$420
More than 500 but no more than 750	$780
More than 750 but no more than 1000	$810
More than 1000 but no more than 2000	$840
More than 2000 but no more than 3000	$870
More than 3000 but no more than 4000	$1350
More than 4000 but no more than 5000	$1460
More than 5000 but no more than 7500	$1925
More than 7500 but no more than 10,000	$2065
More than 10,000 but no more than 25,000	$2600
More than 25,000 but no more than 50,000	$2925
More than 50,000 but no more than 75,000	$4250

	Fee
More than 75,000 but no more than 100,000	$4675
More than 100,000 but no more than 250,000	$5100
More than 250,000 but no more than 500,000	$5525
More than 500,000	$5950

(c) The following fees are imposed for the review of plans, specifications, and other information submitted to the Department for approval of construction or alteration of a public water system. The fees are based on the type of constructions or alteration proposed:

Distribution system:	Fee
Construction of water lines, less than 5000 linear feet	$150
Construction of water lines, 5000 linear feet or more	$200
Other construction or alteration to a distribution system	$75
Ground water system:	
Construction of a new ground water system or adding a new well	$200
Alteration to an existing ground water system	$100
Surface Water system:	
Construction of a new surface water treatment facility	$250
Alteration to an existing surface water treatment facility	$150
Water System Management Plan review	$75
Miscellaneous changes or maintenance not covered above	$50

(d) The Department may charge an administrative fee of up to one hundred fifty dollars ($150.00) for failure to pay the permit fee by January 31 of each year.

(e) All fees collected under this section shall be applied to the costs of administering and enforcing this Article. (1991, c. 576, s. 1; 1991 (Reg. Sess., 1992), c. 811, s. 6; c. 1039, s. 11; 2006-66, s. 11.7(a).)

Editor's Note. — Session Laws 2006-66, s. 1.2, provides: "This act shall be known as 'The Current Operations and Capital Improvements Appropriations Act of 2006'."

Session Laws 2006-66, s. 11.7(b), provides: "The Department of Environment and Natural Resources may create a schedule for phasing in the new fees added to G.S. 130A-328, as amended by subsection (a) of this section, over multiple operating permit cycles."

Session Laws 2006-66, s. 28.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2006-2007 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2006-2007 fiscal year."

Session Laws 2006-66, s. 28.6 is a severability clause.

§ 130A-329. Reporting.

Reports required to be submitted under this Article or under rules adopted by the Commission shall be submitted electronically on a form specified by the Department. The Department may waive the requirement for electronic submission of a report if the water system demonstrates that it lacks the technical capability to report electronically. (2008-143, s. 12.)

Editor's Note. — Session Laws 2008-143, s. 21, made this section effective July 31, 2008.

Session Laws 2008-143, s. 20, provides: "Nothing in this act shall be construed to expand or limit the authority of a unit of government or public water supply system to regulate water use from a well located outside of its jurisdiction, a well not connected to its water system, or any other private well."

§§ 130A-330 through 130A-332: Reserved for future codification purposes.

ARTICLE 11.

Wastewater Systems.

§ 130A-333. Purpose.

The General Assembly finds and declares that continued installation, at a rapidly and constantly accelerating rate, of septic tank systems and other types of wastewater systems in a faulty or improper manner and in areas where unsuitable soil and population density adversely affect the efficiency and functioning of these systems, has a detrimental effect on the public health and environment through contamination of land, groundwater and surface waters. Recognizing, however, that wastewater can be rendered ecologically safe and the public health protected if methods of wastewater collection, treatment and disposal are properly regulated and recognizing that wastewater collection, treatment and disposal will continue to be necessary to meet the needs of an expanding population, the General Assembly intends to ensure the regulation of wastewater collection, treatment and disposal systems so that these systems may continue to be used, where appropriate, without jeopardizing the public health. (1973, c. 452, s. 3; 1981, c. 949, s. 3; 1983, c. 891, s. 2; 1991 (Reg. Sess., 1992), c. 944, ss. 1, 2.)

Extension of Permits. — For provisions pertaining to extension of permits during state of economic emergency in the real estate sector, pursuant to Session Laws 2009-406, ss. 1 through 5.1, as amended by Session Laws 2009-484, s. 5.1, 2009-550, s. 5.2, and 2009-572, ss. 1-3, see the Editor's note at G.S. 160A-385.1.

Editor's Note. — Session Laws 1997-443, s. 1.1, provides: "This act shall be known as 'The Current Operations and Capital Improvements Appropriations Act of 1997.'"

Session Laws 1997-443, s. 15.18, provides that, notwithstanding the provisions of Article 11 of Chapter 130A of the General Statutes to the contrary, the Department of Environment, Health, and Natural Resources (now the Department of Environment and Natural Resources) or the local health department shall issue an improvement permit and an authorization for wastewater system construction for any wastewater system that was the subject of an improvement permit issued by a local health department between July 1, 1982, and September 30, 1995, that expired prior to the installation of that wastewater system, upon certain conditions.

Session Laws 1997-443, s. 35.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1997-99 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1997-99 fiscal biennium."

Session Laws 2004-140, s. 1, provides: "A subsurface wastewater disposal system shall be located the maximum feasible horizontal distance, but not less than 10 feet from any other subsurface wastewater disposal system, when all of the following conditions are met:

"(1) The lot or tract of land on which the system will be located is specifically described in a deed, other instrument conveying fee simple title, or on a plat recorded prior to 1 July 1977.

"(2) The lot or tract of land is of insufficient size to allow the minimum horizontal separation distance for a conventional wastewater system required in 15A NCAC 18A.1950.

"(3) The system will receive sewage from only one single-family residence not to exceed four bedrooms.

"(4) The residence is not capable of being served by a public or community wastewater system at the time construction of the system commences.

"(5) The system will be installed in sand or loamy sand soils as defined in 15A NCAC 18A.1935 and installed in accordance with rules adopted pursuant to Article 11 of Chapter 130A of the General Statutes."

Session Laws 2004-140, s. 2, provides: "The Commission for Health Services [now the Commission for Public Health] may adopt rules that incorporate the provisions of Section 1 of this act [Session Laws 2004-140]. Except as provided by Section 1 of this act [Session Laws

2004-140], this act [Session Laws 2004-140] does not limit the authority of the Commission for Health Services [now the Commission for Public Health] or the Environmental Management Commission to adopt rules governing the location, construction, operation, maintenance, or repair of subsurface wastewater disposal systems pursuant to G.S. 130A-335 or other provisions of Article 11 of Chapter 130A of the General Statutes."

Session Laws 2006-255, s. 5.1(b), provides: "Management, including land application, of septage generated by the operation of a wastewater system permitted under Article 11 of Chapter 130A of the General Statutes shall be governed by 40 Code of Federal Regulations Part 503 (July 1, 2003, Edition) and rules adopted by the Commission for Health Services [now the Commission for Public Health] pursuant to G.S. 130A-291.1, as amended by subsection (a) of this section."

CASE NOTES

Cited in Batch v. Town of Chapel Hill, 92 N.C. App. 601, 376 S.E.2d 22 (1989).

§ 130A-334. Definitions.

The following definitions shall apply throughout this Article:

(1) "Construction" means any work at the site of placement done for the purpose of preparing a residence, place of business or place of public assembly for initial occupancy, or subsequent additions or modifications which increase sewage flow.

(1a) "Department" means the Department of Environment and Natural Resources.

(2) Repealed by Session Laws 1985, c. 462, s. 18.

(2a) "Industrial process wastewater" means any water-carried waste resulting from any process of industry, manufacture, trade, or business.

(3) "Location" means the initial placement for occupancy of a residence, place of business or place of public assembly.

(3a) "Maintenance" means normal or routine maintenance including replacement of broken pipes, cleaning, or adjustment to an existing wastewater system.

(4), (5) Repealed by Session Laws 1985, c. 462, s. 18.

(6) "Place of business" means a store, warehouse, manufacturing establishment, place of amusement or recreation, service station, office building or any other place where people work.

(7) "Place of public assembly" means a fairground, auditorium, stadium, church, campground, theater or any other place where people assemble.

(7a) "Plat" means a property survey prepared by a registered land surveyor, drawn to a scale of one inch equals no more than 60 feet, that includes: the specific location of the proposed facility and appurtenances, the site for the proposed wastewater system, and the location of water supplies and surface waters. "Plat" also means, for subdivision lots approved by the local planning authority and recorded with the county register of deeds, a copy of the recorded subdivision plat that is accompanied by a site plan that is drawn to scale.

(7b) "Pretreatment" means any biological, chemical, or physical process or system for improving wastewater quality and reducing wastewater constituents prior to final treatment and disposal in a subsurface wastewater system and includes, but is not limited to aeration, clarification, digestion, disinfection, filtration, separation, and settling.

(8) "Public or community wastewater system" means a single system of wastewater collection, treatment and disposal owned and operated by a sanitary district, a metropolitan sewage district, a water and sewer authority, a county or municipality or a public utility.

(9) "Relocation" means the displacement of a residence or place of business from one site to another.

(9a) "Repair" means the extension, alteration, replacement, or relocation of existing components of a wastewater system.

(10) "Residence" means a private home, dwelling unit in a multiple family structure, hotel, motel, summer camp, labor work camp, manufactured home, institution or any other place where people reside.

(10a) "Secretary" means the Secretary of Environment and Natural Resources.

(11) Repealed by Session Laws 1992, c. 944, s. 3.

(12) "Septic tank system" means a subsurface wastewater system consisting of a settling tank and a subsurface disposal field.

(13) "Sewage" means the liquid and solid human body waste and liquid waste generated by water-using fixtures and appliances, including those associated with foodhandling. The term does not include industrial process wastewater or sewage that is combined with industrial process wastewater.

(13a) "Site plan" means a drawing not necessarily drawn to scale that shows the existing and proposed property lines with dimensions, the location of the facility and appurtenances, the site for the proposed wastewater system, and the location of water supplies and surface waters.

(14) "Wastewater" means any sewage or industrial process wastewater discharged, transmitted, or collected from a residence, place of business, place of public assembly, or other places into a wastewater system.

(15) "Wastewater system" means a system of wastewater collection, treatment, and disposal in single or multiple components, including a privy, septic tank system, public or community wastewater system, wastewater reuse or recycle system, mechanical or biological wastewater treatment system, any other similar system, and any chemical toilet used only for human waste. (1973, c. 452, s. 4; 1981, c. 949, s. 3; 1983, c. 891, s. 2; 1985, c. 462, s. 18; c. 487, s. 9; 1987, c. 435; 1991, c. 256, s. 1; 1991 (Reg. Sess., 1992), c. 944, s. 3; c. 1028, s. 4; 1995, c. 285, s. 1; 1995 (Reg. Sess., 1996), c. 585, s. 1; 1996, 2nd Ex. Sess., c. 18, ss. 27.31(a), (b); 1997-443, s. 11A.82.)

Editor's Note. — The subdivision designations (7a) and (7b) were redesignated at the direction of the Revisor of Statutes, the definition of "Plat" having been enacted as subdivision (7b).

Session Laws 2006-136, s. 1, provides: "The definitions in G.S. 130A-334 apply throughout this act. For the purposes of this act, 'Commission' means the Commission for Health Services [now the Commission for Public Health]. 'Licensed soil scientist' has the same meaning as in G.S. 89F-3(3)."

Session Laws 2006-136, s. 2(a), provides: "The Department of Environment and Natural Resources shall develop and implement a pilot program to begin no later than 1 August 2006 and to terminate 1 July 2011 regarding the process for the issuance of an improvement permit for an on-site wastewater system pursuant to Article 11 of Chapter 130A of the General Statutes. A county that meets all of the following criteria may participate in the pilot program:

"(1) The population of the county must not exceed 25,000 according to the most recent federal decennial census.

"(2) The county must have more than 900 applications for improvement permits or authorizations to construct that are pending before the local health department on the effective date of this act.

"(3) The board of county commissioners and the local board of health for the county must both approve a resolution requesting to participate in the pilot program."

Session Laws 2006-136, s. 2(b), provides: "Notwithstanding G.S. 130A-336, the Department of Environment and Natural Resources shall authorize licensed soil scientists and the local health department to evaluate any proposed site for a residence, place of business, or place of public assembly in an area not served by an approved wastewater system. The local health department shall issue an improvement permit after one of the following has occurred:

"(1) A soil and site evaluation has been completed by an authorized agent of the Department or local health department that finds that the site is suitable for a wastewater system.

"(2) The local health department receives a completed soil and site evaluation for a wastewater system designed to treat 3,000 gallons per day or less of sewage that has been signed and sealed by a licensed soil scientist that finds that the site is suitable for a wastewater system."

Session Laws 2006-136, s. 2(c), provides: "A licensed soil scientist who submits a completed soil and site evaluation pursuant to this section shall have in force errors and omissions coverage or other appropriate liability insurance that has policy limits of not less than one million dollars ($1,000,000) per claim and that shall remain in force for at least six years after the date on which the improvement permit is approved. The licensed soil scientist shall provide the local health department with evidence satisfactory to the local health department that the coverage required by this section is in force. The local health department shall maintain a register of all licensed soil scientists who work in the county that have submitted completed soil and site evaluations under this section."

Session Laws 2006-136, s. 2(d), provides: "An improvement permit issued pursuant to this section shall include:

"(1) For permits that are valid for five years, a site plan drawn to scale with setbacks labeled. No permits shall be issued that are valid without expiration.

"(2) A description of the facility the proposed site is to serve and any factors that would affect the wastewater load.

"(3) The type and layout of the proposed wastewater system and its location.

"(4) The design wastewater flow and characteristics.

"(5) Any proposed landscape, site, drainage, or soil modifications.

"(6) A detailed soil profile description of at least two locations within the proposed disposal area. The detailed soil profile descriptions shall include soil taxonomic classifications, horizons, depth, texture, structure, soil wetness conditions, restrictive horizons, matrix color, and redoximorphic colors.

"(7) Any other information required by the rules of the Commission."

Session Laws 2006-136, s. 2(e), provides: "An improvement permit issued pursuant to this section shall not be affected by change in ownership of the site for the wastewater system provided both the site for the wastewater system and the facility the system serves are unchanged and remain under the ownership or control of the person owning the facility. No person shall commence or assist in the construction, location, or relocation of a residence, place of business, or place of public assembly in an area not served by an approved wastewater system unless an improvement permit and an authorization for wastewater system construction are obtained from the local health department. This requirement shall not apply to a manufactured residence exhibited for sale or stored for later sale and intended to be located at another site after sale."

Session Laws 2006-136, s. 2(f), provides: "The local health department shall issue an authorization for wastewater system construction authorizing work to proceed and the installation or repair of a wastewater system when it has determined after a field investigation that the system can be installed and operated in compliance with Article 11 of Chapter 130A of the General Statutes and rules adopted pursuant to the Article. This authorization for wastewater system construction shall be valid for a period equal to the period of validity of the improvement permit, not to exceed five years, and may be issued at the same time the improvement permit is issued. No person shall commence or assist in the installation, construction, or repair of a wastewater system unless an improvement permit and an authorization for wastewater system construction have been obtained from the local health department. No improvement permit or authorization for wastewater system construction shall be required for maintenance of a wastewater system. The Department of Environment and Natural Resources and the local health department may impose conditions on the issuance of an improvement permit and an authorization for wastewater system construction."

Session Laws 2006-136, s. 2(g), provides: "When a local health department issues an improvement permit or authorization to construct based upon work performed by a licensed soil scientist pursuant to this section, the improvement permit or authorization to construct shall bear a statement that reads: 'The soil, site, and system evaluation and documentation necessary to issue this ________ (improvement permit or authorization to construct) was performed by ________ (name of licensed soil scientist), a licensed soil scientist, license number ________ (license number).'."

Session Laws 2006-136, s. 2(h), provides: "When a local health department denies an application for an improvement permit or authorization to construct prepared by a licensed soil scientist pursuant to this section, the denial shall include a written report that specifically identifies the provisions of Article 11 of Chapter 130A of the General Statutes or rules adopted pursuant to the Article on which the denial is based."

Session Laws 2006-136, s. 2(i), provides: "A local health department may employ or contract with a licensed soil scientist for the review of an application for an improvement permit or authorization to construct. A licensed soil scientist who reviews a completed application for an improvement permit or authorization to construct under this subsection shall have in force errors and omissions coverage or other appropriate liability insurance that has policy limits of not less than one million dollars ($1,000,000) per claim."

Session Laws 2006-136, s. 2(j), provides: "The Department of Environment and Natural Resources shall: (i) specify uniform procedures for the review of an application prepared by a licensed soil scientist; (ii) establish documentation that must be included in the application; (iii) establish the necessary documentation that must be included in the local health department's written permit application review report; and (iv) specify the rights and obligations of each party."

Session Laws 2006-136, s. 2(k), provides: "In addition to any fees authorized under G.S. 130A-39(g), a local board of health may impose an additional fee not to exceed two hundred dollars ($200.00) for the costs of review and consideration of applications for an improvement permit or an authorization to construct that has been prepared by a licensed soil scientist pursuant to this section."

Session Laws 2006-136, s. 2(*l*), provides: "Except as provided in this section, the provisions of Article 11 of Chapter 130A of the General Statutes and rules adopted pursuant to that Article apply to this section. This section applies only to the counties eligible to participate in the pilot program."

Session Laws 2006-136, s. 3, provides: "In order to determine the effectiveness of the pilot program, the Department of Environment and Natural Resources shall evaluate whether: (i) the program resulted in a reduction in the length of time improvement permits or authorizations to construct are pending in the participating counties; (ii) the program resulted in increased system failures or other adverse impacts; and (iii) the program resulted in new or increased environmental impacts. The Department shall annually report its interim findings and recommendations, including any legislative proposals, to the Environmental Review Commission beginning 1 October 2007. The Department shall report its final findings and recommendations, including any legislative proposals, to the Environmental Review Commission no later than 1 October 2011."

CASE NOTES

Property owners' negligent misrepresentation claim against the county agencies concerning an application for a septic tank on the owners' property was barred by sovereign immunity because the North Carolina Legislature vested the North Carolina Department of Health and Human Services via the local boards of health with the authority to approve and regulate wastewater systems, including septic tank systems. Tabor v. County of Orange, 156 N.C. App. 88, 575 S.E.2d 540, 2003 N.C. App. LEXIS 28 (2003).

§ 130A-335. Wastewater collection, treatment and disposal; rules.

(a) A person owning or controlling a residence, place of business or a place of public assembly shall provide an approved wastewater system. Except as may be allowed under another provision of law, all wastewater from water-using fixtures and appliances connected to a water supply source shall discharge to the approved wastewater system. A wastewater system may include components for collection, treatment and disposal of wastewater.

(b) All wastewater systems shall be regulated by the Department under rules adopted by the Commission except for the following wastewater systems that shall be regulated by the Department under rules adopted by the Environmental Management Commission:

(1) Wastewater collection, treatment, and disposal systems designed to discharge effluent to the land surface or surface waters.

(2) Wastewater systems designed for groundwater remediation, groundwater injection, or landfill leachate collection and disposal.

(3) Wastewater systems designed for the complete recycle or reuse of industrial process wastewater.

(c) A wastewater system subject to approval under rules of the Commission shall be reviewed and approved under rules of a local board of health in the following circumstances:

(1) The local board of health, on its own motion, has requested the Department to review its proposed rules concerning wastewater systems; and

(2) The local board of health has adopted by reference the wastewater system rules adopted by the Commission, with any more stringent modifications or additions deemed necessary by the local board of health to protect the public health; and

(3) The Department has found that the rules of the local board of health concerning wastewater collection, treatment and disposal systems are at least as stringent as rules adopted by the Commission and are sufficient and necessary to safeguard the public health.

(d) The Department may, upon its own motion, upon the request of a local board of health or upon the request of a citizen of an affected county, review its findings under subsection (c) of this section.

The Department shall review its findings under subsection (c) of this section upon modification by the Commission of the rules applicable to wastewater systems. The Department may deny, suspend, or revoke the approval of local board of health wastewater system rules upon a finding that the local wastewater rules are not as stringent as rules adopted by the Commission, are not sufficient and necessary to safeguard the public health, or are not being enforced. Suspension and revocation of approval shall be in accordance with G.S. 130A-23.

(e) The rules of the Commission and the rules of the local board of health shall address at least the following: Wastewater characteristics; Design unit; Design capacity; Design volume; Criteria for the design, installation, operation, maintenance and performance of wastewater collection, treatment and disposal systems; Soil morphology and drainage; Topography and landscape position; Depth to seasonally high water table, rock and water impeding formations; Proximity to water supply wells, shellfish waters, estuaries, marshes, wetlands, areas subject to frequent flooding, streams, lakes, swamps and other bodies of surface or groundwaters; Density of wastewater collection, treatment and disposal systems in a geographical area; Requirements for issuance, suspension and revocation of permits; and Other factors which affect the effective operation and performance of wastewater collection, treatment and disposal systems. The rules regarding required design capacity and required design volume for wastewater systems shall provide that exceptions may be granted upon a showing that a system is adequate to meet actual daily water consumption.

(f) The rules of the Commission and the rules of the local board of health shall classify systems of wastewater collection, treatment and disposal according to size, type of treatment and any other appropriate factors. The rules shall provide construction requirements, including pretreatment and system control requirements, standards for operation, maintenance, monitoring, reporting, and ownership requirements for each classification of systems of wastewater collection, treatment and disposal in order to prevent, as far as reasonably possible, any contamination of the land, groundwater and surface waters. The Department and local health departments may impose conditions on the issuance of permits and may revoke the permits for failure of the system to satisfy the conditions, the rules, or this Article. Permits other than improvement permits shall be valid for a period prescribed by rule. Improvement permits shall be valid upon a showing satisfactory to the Department or the local health department that the site and soil conditions are unaltered, that the facility, design wastewater flow, and wastewater characteristics are not increased, and that a wastewater system can be installed that meets the permitting requirements in effect on the date the improvement permit was issued. Improvement permits for which a plat is provided shall be valid without expiration. Improvement permits for which a site plan is provided shall be valid for five years. The period of time for which the permit is valid and a statement that the permit is subject to revocation if the site plan or plat, whichever is applicable, or the intended use changes shall be displayed prominently on both the application form for the permit and the permit.

(f1) A preconstruction conference with the owner or developer, or an agent of the owner or developer, and a representative of the local health department shall be required for any authorization for wastewater system construction issued with an improvement permit under G.S. 130-336 when the authorization is greater than five years old. Following the conference, the local health department shall issue a revised authorization for wastewater system construction that includes current technology that can reasonably be expected to improve the performance of the system.

(f2) For each septic tank system that is designed to treat 3,000 gallons per day or less of sewage, rules adopted pursuant to subsection (f) of this section shall require the use of an effluent filter to reduce the total suspended solids entering the drainfield and the use of an access device for each compartment of the septic tank to provide access to the compartment in order to facilitate maintenance of the septic tank. The Commission shall not adopt specifications for the effluent filter and access device that exceed the requirements of G.S. 130A-335.1. Neither this section nor G.S. 130A-335.1 shall be construed to prohibit the use of an effluent filter or access device that exceeds the requirements of G.S. 130A-335.1. The Department shall approve effluent filters that meet the requirements of this section, G.S. 130A-335.1, and rules adopted by the Commission.

(g) Prior to denial of an improvement permit, the local health department shall advise the applicant of possible site modifications or alternative systems, and shall provide a brief description of those systems. When an improvement permit is denied, the local health department shall issue the site evaluation in writing stating the reasons for the unsuitable classification. The evaluation shall also inform the applicant of the right to an informal review by the Department, the right to appeal under G.S. 130A-24, and to have the appeal held in the county in which the site for which the improvement permit was requested is located.

(h) Except as provided in this subsection, a chemical or portable toilet may be placed at any location where the chemical or portable toilet can be operated and maintained under sanitary conditions. A chemical or portable toilet shall not be used as a replacement or substitute for a water closet or urinal where a water closet or urinal connected to a permanent wastewater treatment system is required by the North Carolina State Building Code, except that a chemical or portable toilet may be used to supplement a water closet or urinal during periods of peak use. A chemical or portable toilet shall not be used as an alternative to the repair of a water closet, urinal, or wastewater treatment system. It shall be unlawful to discharge sewage or other waste from a chemical or portable toilet used for human waste except into a wastewater system that has been approved by the Department under rules adopted by the Commission or by the Environmental Management Commission or at a site that is permitted by the Department under G.S. 130A-291.1. (1957, c. 1357, s. 1; 1973, c. 471, s. 1; c. 476, s. 128; c. 860; 1977, c. 857, s. 1; 1979, c. 788, s. 2; 1981, c. 949, s. 3; c. 1127, s. 47; 1983, c. 891, s. 2; 1987, c. 267, ss. 1, 2; 1989, c. 727, s. 147; c. 764, ss. 6, 7; 1989 (Reg. Sess., 1990), c. 1075, s. 2; 1991 (Reg.

Sess., 1992), c. 944, s. 4; 1993, c. 173, s. 5; 1995, c. 285, s. 1; 1995 (Reg. Sess., 1996), c. 585, s. 2; 1996, 2nd Ex. Sess., c. 18, s. 27.31(c); 1998-126, s. 1; 1998-217, s. 46(a); 2008-143, s. 13.)

Editor's Note. — Session Laws 2004-140, s. 1, provides: "A subsurface wastewater disposal system shall be located the maximum feasible horizontal distance, but not less than 10 feet from any other subsurface wastewater disposal system, when all of the following conditions are met:

"(1) The lot or tract of land on which the system will be located is specifically described in a deed, other instrument conveying fee simple title, or on a plat recorded prior to 1 July 1977.

"(2) The lot or tract of land is of insufficient size to allow the minimum horizontal separation distance for a conventional wastewater system required in 15A NCAC 18A.1950.

"(3) The system will receive sewage from only one single-family residence not to exceed four bedrooms.

"(4) The residence is not capable of being served by a public or community wastewater system at the time construction of the system commences.

"(5) The system will be installed in sand or loamy sand soils as defined in 15A NCAC 18A.1935 and installed in accordance with rules adopted pursuant to Article 11 of Chapter 130A of the General Statutes."

Session Laws 2004-140, s. 2, provides: "The Commission for Health Services [now the Commission for Public Health] may adopt rules that incorporate the provisions of Section 1 of this act [Session Laws 2004-140]. Except as provided by Section 1 of this act [Session Laws 2004-140], this act [Session Laws 2004-140] does not limit the authority of the Commission for Health Services [now the Commission for Public Health] or the Environmental Management Commission to adopt rules governing the location, construction, operation, maintenance, or repair of subsurface wastewater disposal systems pursuant to G.S. 130A-335 or other provisions of Article 11 of Chapter 130A of the General Statutes."

Session Laws 2008-143, s. 14, provides: "(a) For purposes of this section, 'gray water' means wastewater removed from household wash basins, bathtubs, and showers.

"(b) The Commission for Health Services shall adopt rules to authorize the use of gray water during periods of drought to hand water trees, shrubs, and inedible plants on single-family residential property. The rules shall encourage the use of gray water as provided in this section while protecting public health, safety, welfare, and the environment. In developing the rules, the Commission shall review the provisions set out in subsection (c) of this section.

"(c) Notwithstanding G.S. 130A-335(a), untreated gray water may be used in periods of drought to hand water trees, shrubs, and inedible plants on single-family residential property under the following conditions:

"(1) Gray water shall be applied as soon as practicable. Untreated gray water should not be stored for later use.

"(2) Gray water containing hazardous chemicals including, but not limited to, residue from solvents shall not be used.

"(3) Use of untreated gray water is restricted to the residential property where the gray water originates. Untreated gray water shall not be allowed to run off onto adjoining property, roadways, or into drainage features such as ditches and storm drains.

"(4) Untreated gray water shall be applied using buckets, watering cans, or other handheld containers. Gray water may not be used in an irrigation system unless the gray water has been treated in accordance with standards set out in the State Plumbing Code.

"(5) Gray water shall not be applied closer than 100 feet to surface waters or a water supply well."

Session Laws 2008-143, s. 20, provides: "Nothing in this act shall be construed to expand or limit the authority of a unit of government or public water supply system to regulate water use from a well located outside of its jurisdiction, a well not connected to its water system, or any other private well."

Session Laws 2008-143, s. 21 provides that Session Laws 2008-143, s. 14(c), noted above, is effective July 31, 2008, and expires when rules adopted pursuant to Session Laws 2008-143, s. 14(b), become effective.

Effect of Amendments. — Session Laws 2008-143, s. 13, effective July 31, 2008, inserted the second sentence in subsection (a).

CASE NOTES

Preliminary Soil Evaluation. — Where the rules of the Commission for Health Services [now the Commission for Public Health] did not provide for nor prohibit the use of preliminary soil evaluations, local sanitarian was enforcing the rules of the Commission when it conducted such an evaluation. Cates v. North Carolina Dep't of Justice, 121 N.C. App. 243, 465 S.E.2d

64 (1996), modified and aff'd, 346 N.C. 781, 487 S.E.2d 723 (1997).

Cited in EEE-ZZZ Lay Drain Co. v. North Carolina Dep't of Human Resources, 108 N.C. App. 24, 422 S.E.2d 338 (1992); Houck & Sons v. Transylvania County, 852 F. Supp. 442 (W.D.N.C. 1993).

OPINIONS OF ATTORNEY GENERAL

Effect of Commission Rules on Local Rules. — The rules and regulations of a local board of health may permit the installation of a septic tank system or an alternative ground absorption sewage disposal system in soil classified as "unsuitable" if such installation will not have a detrimental effect on the public health. However, after the effective date of the rules and regulations of the Commission for Health Services [now the Commission for Public Health] governing sewage disposal, the provisions of such rules may apply. See opinion of Attorney General to Mr. Howard B. Campbell, 23 July 1975, rendered under former G.S. 130-166.25.

§ 130A-335.1. Effluent filters and access devices for certain septic tank systems.

(a) The person who manufactures, installs, repairs, or pumps any septic tank to be installed in this State as a part of a septic tank system that is designed to treat 3,000 gallons per day or less of sewage shall provide an effluent filter approved by the Department pursuant to the requirements of G.S. 130A-335, this section, and rules adopted by the Commission. Any person who manufactures, installs, repairs, or pumps systems described in this section may purchase and install any approved filters on the systems. The person who installs the effluent filter shall install the effluent filter as a part of the septic tank system in accordance with the specifications provided by the manufacturer of the effluent filter. An effluent filter shall:

(1) Be made of materials that are capable of withstanding the corrosives to which septic tank systems are normally subject.

(2) Prevent solid material larger than one-sixteenth of an inch, as measured along the shortest axis of the material, from entering the drainfield.

(3) Be designed and constructed to allow for routine maintenance.

(4) Be designed and constructed so as not to require maintenance more frequently than once in any three-year period under normally anticipated use.

(b) The access device required by G.S. 130A-335(f) shall provide access to each compartment of a septic tank for inspection and maintenance either by means of an opening in the top of the septic tank or by a riser assembly and shall include an appropriate cover. The access device shall:

(1) Be of sufficient size to facilitate inspection and service.

(2) Be designed and constructed to equal or exceed the minimum loading specifications applicable to the septic tank.

(3) Prevent water entry.

(4) Come to within six inches of the finished grade.

(5) Be visibly marked so that the access device can be readily located. (1998-126, s. 2; 2006-255, s. 4; 2006-264, s. 63(a).)

Editor's Note. — Session Laws 2006-264, s. 63(a), rewrote the introductory paragraph of subsection (a). However, Session Laws 2006-264, s. 63(b) provided that if Session Laws 2006-255 becomes law, Session Laws 2006-264, s. 63 is repealed. Therefore, the amendments made by Session Laws 2006-264, s. 63(a) have not been implemented.

Legal Periodicals. — See legislative survey, 21 Campbell L. Rev. 323 (1999).

§ 130A-336. Improvement permit and authorization for wastewater system construction required.

(a) Any proposed site for a residence, place of business, or place of public assembly in an area not served by an approved wastewater system shall be evaluated by the local health department in accordance with rules adopted pursuant to this Article. An improvement permit shall be issued in compliance with the rules adopted pursuant to this Article. An improvement permit shall include:

(1) For permits that are valid without expiration, a plat or, for permits that are valid for five years, a site plan.
(2) A description of the facility the proposed site is to serve.
(3) The proposed wastewater system and its location.
(4) The design wastewater flow and characteristics.
(5) The conditions for any site modifications.
(6) Any other information required by the rules of the Commission.

The improvement permit shall not be affected by change in ownership of the site for the wastewater system provided both the site for the wastewater system and the facility the system serves are unchanged and remain under the ownership or control of the person owning the facility. No person shall commence or assist in the construction, location, or relocation of a residence, place of business, or place of public assembly in an area not served by an approved wastewater system unless an improvement permit and an authorization for wastewater system construction are obtained from the local health department. This requirement shall not apply to a manufactured residence exhibited for sale or stored for later sale and intended to be located at another site after sale.

(b) The local health department shall issue an authorization for wastewater system construction authorizing work to proceed and the installation or repair of a wastewater system when it has determined after a field investigation that the system can be installed and operated in compliance with this Article and rules adopted pursuant to this Article. This authorization for wastewater system construction shall be valid for a period equal to the period of validity of the improvement permit, not to exceed five years, and may be issued at the same time the improvement permit is issued. No person shall commence or assist in the installation, construction, or repair of a wastewater system unless an improvement permit and an authorization for wastewater system construction have been obtained from the Department or the local health department. No improvement permit or authorization for wastewater system construction shall be required for maintenance of a wastewater system. The Department and the local health department may impose conditions on the issuance of an improvement permit and an authorization for wastewater system construction.

(c) Unless the Commission otherwise provides by rule, plans, and specifications for all wastewater systems designed for the collection, treatment, and disposal of industrial process wastewater shall be reviewed and approved by the Department prior to the issuance of an authorization for wastewater system construction by the local health department.

(d) If a local health department repeatedly fails to issue or deny improvement permits for conventional septic tank systems within 60 days of receiving completed applications for the permits, then the Department of Environment and Natural Resources may withhold public health funding from that local health department. (1973, c. 452, s. 5; c. 476, s. 128; 1981, c. 949, s. 3; 1983, c. 891, s. 2; 1985, c. 273; 1991, c. 256, s. 2; 1991 (Reg. Sess., 1992), c. 944, s. 5; 1995, c. 285, s. 1; 1995 (Reg. Sess., 1996), c. 585, s. 3; 1996, 2nd Ex. Sess., c. 18, s. 27.31(d)-(f); 1997-443, ss. 11A.83, 11A.119(a).)

Editor's Note. — Session Laws 2006-136, s. 1, provides: "The definitions in G.S. 130A-334 apply throughout this act. For the purposes of this act, 'Commission' means the Commission for Health Services [now the Commission for Public Health]. 'Licensed soil scientist' has the same meaning as in G.S. 89F-3(3)."

Session Laws 2006-136, s. 2(a), provides: "The Department of Environment and Natural Resources shall develop and implement a pilot program to begin no later than 1 August 2006 and to terminate 1 July 2011 regarding the process for the issuance of an improvement permit for an on-site wastewater system pursuant to Article 11 of Chapter 130A of the General Statutes. A county that meets all of the following criteria may participate in the pilot program:

"(1) The population of the county must not exceed 25,000 according to the most recent federal decennial census.

"(2) The county must have more than 900 applications for improvement permits or authorizations to construct that are pending before the local health department on the effective date of this act.

"(3) The board of county commissioners and the local board of health for the county must both approve a resolution requesting to participate in the pilot program."

Session Laws 2006-136, s. 2(b), provides: "Notwithstanding G.S. 130A-336, the Department of Environment and Natural Resources shall authorize licensed soil scientists and the local health department to evaluate any proposed site for a residence, place of business, or place of public assembly in an area not served by an approved wastewater system. The local health department shall issue an improvement permit after one of the following has occurred:

"(1) A soil and site evaluation has been completed by an authorized agent of the Department or local health department that finds that the site is suitable for a wastewater system.

"(2) The local health department receives a completed soil and site evaluation for a wastewater system designed to treat 3,000 gallons per day or less of sewage that has been signed and sealed by a licensed soil scientist that finds that the site is suitable for a wastewater system."

Session Laws 2006-136, s. 2(c), provides: "A licensed soil scientist who submits a completed soil and site evaluation pursuant to this section shall have in force errors and omissions coverage or other appropriate liability insurance that has policy limits of not less than one million dollars ($1,000,000) per claim and that shall remain in force for at least six years after the date on which the improvement permit is approved. The licensed soil scientist shall provide the local health department with evidence satisfactory to the local health department that the coverage required by this section is in force. The local health department shall maintain a register of all licensed soil scientists who work in the county that have submitted completed soil and site evaluations under this section."

Session Laws 2006-136, s. 2(d), provides: "An improvement permit issued pursuant to this section shall include:

"(1) For permits that are valid for five years, a site plan drawn to scale with setbacks labeled. No permits shall be issued that are valid without expiration.

"(2) A description of the facility the proposed site is to serve and any factors that would affect the wastewater load.

"(3) The type and layout of the proposed wastewater system and its location.

"(4) The design wastewater flow and characteristics.

"(5) Any proposed landscape, site, drainage, or soil modifications.

"(6) A detailed soil profile description of at least two locations within the proposed disposal area. The detailed soil profile descriptions shall include soil taxonomic classifications, horizons, depth, texture, structure, soil wetness conditions, restrictive horizons, matrix color, and redoximorphic colors.

"(7) Any other information required by the rules of the Commission."

Session Laws 2006-136, s. 2(e), provides: "An improvement permit issued pursuant to this section shall not be affected by change in ownership of the site for the wastewater system provided both the site for the wastewater system and the facility the system serves are unchanged and remain under the ownership or control of the person owning the facility. No person shall commence or assist in the construction, location, or relocation of a residence, place of business, or place of public assembly in an area not served by an approved wastewater system unless an improvement permit and an authorization for wastewater system construction are obtained from the local health department. This requirement shall not apply to a manufactured residence exhibited for sale or stored for later sale and intended to be located at another site after sale."

Session Laws 2006-136, s. 2(f), provides: "The local health department shall issue an authorization for wastewater system construction authorizing work to proceed and the installation or repair of a wastewater system when it has determined after a field investigation that the system can be installed and operated in compliance with Article 11 of Chapter 130A of the General Statutes and rules adopted pursuant to the Article. This authorization for wastewater system construction shall be valid for a period equal to the period of validity of the improvement permit, not to exceed five years, and may be issued at the same time the improvement permit is issued. No person shall commence or assist in the installation, construction, or repair of a wastewater system unless an improvement permit and an authorization for wastewater system construction have been obtained from the local health department. No improvement permit or authorization for wastewater system construction shall be required for maintenance of a wastewater system. The Department of Environment and Natural Resources and the local health department may impose conditions on the issuance of an improvement permit and an authorization for wastewater system construction."

Session Laws 2006-136, s. 2(g), provides: "When a local health department issues an improvement permit or authorization to construct based upon work performed by a licensed soil scientist pursuant to this section, the improvement permit or authorization to construct shall bear a statement that reads: 'The soil, site, and system evaluation and documentation necessary to issue this ________ (improvement permit or authorization to construct) was performed by ________ (name of licensed soil scientist), a licensed soil scientist, license number ________ (license number).'."

Session Laws 2006-136, s. 2(h), provides: "When a local health department denies an application for an improvement permit or authorization to construct prepared by a licensed soil scientist pursuant to this section, the denial shall include a written report that specifically identifies the provisions of Article 11 of Chapter 130A of the General Statutes or rules adopted pursuant to the Article on which the denial is based."

Session Laws 2006-136, s. 2(i), provides: "A local health department may employ or contract with a licensed soil scientist for the review of an application for an improvement permit or authorization to construct. A licensed soil scientist who reviews a completed application for an improvement permit or authorization to construct under this subsection shall have in force errors and omissions coverage or other appropriate liability insurance that has policy limits of not less than one million dollars ($1,000,000) per claim."

Session Laws 2006-136, s. 2(j), provides: "The Department of Environment and Natural Resources shall: (i) specify uniform procedures for the review of an application prepared by a licensed soil scientist; (ii) establish documentation that must be included in the application; (iii) establish the necessary documentation that must be included in the local health department's written permit application review report; and (iv) specify the rights and obligations of each party."

Session Laws 2006-136, s. 2(k), provides: "In addition to any fees authorized under G.S. 130A-39(g), a local board of health may impose an additional fee not to exceed two hundred dollars ($200.00) for the costs of review and consideration of applications for an improvement permit or an authorization to construct that has been prepared by a licensed soil scientist pursuant to this section."

Session Laws 2006-136, s. 2(*l*), provides: "Except as provided in this section, the provisions of Article 11 of Chapter 130A of the General Statutes and rules adopted pursuant to that Article apply to this section. This section applies only to the counties eligible to participate in the pilot program."

Session Laws 2006-136, s. 3, provides: "In order to determine the effectiveness of the pilot program, the Department of Environment and Natural Resources shall evaluate whether: (i) the program resulted in a reduction in the length of time improvement permits or authorizations to construct are pending in the participating counties; (ii) the program resulted in increased system failures or other adverse impacts; and (iii) the program resulted in new or increased environmental impacts. The Department shall annually report its interim findings and recommendations, including any legislative proposals, to the Environmental Review Commission beginning 1 October 2007. The Department shall report its final findings and recommendations, including any legislative proposals, to the Environmental Review Commission no later than 1 October 2011."

CASE NOTES

Cited in EEE-ZZZ Lay Drain Co. v. North Carolina Dep't of Human Resources, 108 N.C. App. 24, 422 S.E.2d 338 (1992); Houck & Sons v. Transylvania County, 852 F. Supp. 442 (W.D.N.C. 1993); Tabor v. County of Orange, 156 N.C. App. 88, 575 S.E.2d 540, 2003 N.C. App. LEXIS 28 (2003).

OPINIONS OF ATTORNEY GENERAL

Mobile Home Placed on Lot for Storage or Sale or Occupied for Business Purposes. — Former G.S. 130-166.25 required any person who located, relocated or caused to be located or relocated any mobile home to first obtain an improvements permit and required a certificate of completion to be obtained before any person occupied a mobile home. The section did not require an improvements permit and a certificate of completion before a mobile home was placed on a lot for storage and for sale or before a mobile home was occupied for business purposes. See opinion of Attorney General to Mr. Ben Eaton, Division of Health Services, Department of Human Resources, 43 N.C.A.G. 410 (1974), opinion rendered under former G.S. 130-166.25.

Special Duty Exception to Public Duty Doctrine Applied. — Montgomery County Health Department, an agent of the North Carolina Department of Environment and Natural Resources (NCDENR), was a state agency required to inspect sites for suitability of wastewater treatment systems before issuing improvement permits by G.S. 130A-336, and could avail itself of the protection afforded by the public duty doctrine; however, the special duty exception applied, as NCDENR, through the Health Department, made a promise to a property owner by issuing an improvement permit warranting that the owner could construct a three-bedroom home on the property as described in the site plan, and the owner relied on the permit in negotiating the purchase of the property. Watts v. N.C. Dep't of Env't & Natural Res., 182 N.C. App. 178, 641 S.E.2d 811, 2007 N.C. App. LEXIS 595 (2007), aff'd in part, modified in part, 362 N.C. 487, 666 S.E.2d 752 (2008).

§ 130A-337. Inspection; operation permit required.

(a) No system of wastewater collection, treatment and disposal shall be covered or placed into use by any person until an inspection by the local health department has determined that the system has been installed or repaired in accordance with any conditions of the improvement permit, the rules, and this Article.

(b) Upon determining that the system is properly installed or repaired and that the system is capable of being operated in accordance with the conditions of the improvement permit, the rules, this Article and any conditions to be imposed in the operation permit, as applicable, the local health department shall issue an operation permit authorizing the residence, place of business or place of public assembly to be occupied and for the system to be placed into use or reuse.

(c) Upon determination that an existing wastewater system has a valid operation permit and is operating properly in a manufactured home park, the local health department shall issue authorization in writing for a manufactured home to be connected to the existing system and to be occupied. Notwithstanding G.S. 130A-336, an improvement permit is not required for the connection of a manufactured home to an existing system with a valid operation permit in a manufactured home park.

(d) No person shall occupy a residence, place of business or place of public assembly, or place a wastewater system into use or reuse for a residence, place of business or place of public assembly until an operation permit has been issued or authorization has been obtained pursuant to G.S. 130A-337(c). (1973, c. 452, s. 6; 1981, c. 949, s. 3; 1983, c. 891, s. 2; 1985, c. 487, s. 9; 1991 (Reg. Sess., 1992), c. 944, s. 6; 1995, c. 285, s. 1.)

CASE NOTES

Cited in Houck & Sons v. Transylvania County, 852 F. Supp. 442 (W.D.N.C. 1993).

§ 130A-338. Authorization for wastewater system construction required before other permits to be issued.

Where construction, location or relocation is proposed to be done upon a residence, place of business or place of public assembly, no permit required for electrical, plumbing, heating, air conditioning or other construction, location or relocation activity under any provision of general or special law shall be issued until an authorization for wastewater system construction has been issued under G.S. 130A-336 or authorization has been obtained under G.S. 130A-337(c). (1973, c. 452, s. 7; 1981, c. 949, s. 3; 1983, c. 891, s. 2; 1995, c. 285, s. 1.)

CASE NOTES

Cited in Tri-County Paving, Inc. v. Ashe County, 281 F.3d 430, 2002 U.S. App. LEXIS 2747 (4th Cir. 2002).

§ 130A-339. Limitation on electrical service.

No person shall allow permanent electrical service to a residence, place of business or place of public assembly upon construction, location or relocation until the official electrical inspector with jurisdiction as provided in G.S. 143-143.2 certifies to the electrical supplier that the required improvement permit authorization for wastewater system construction and an operation permit or authorization under G.S. 130A-337(c) has been obtained. Temporary electrical service necessary for constructing a residence, place of business or place of public assembly can be provided upon compliance with G.S. 130A-338. (1973, c. 452, s. 8; 1981, c. 949, s. 3; 1983, c. 891, s. 2; 1995, c. 285, s. 1.)

§ 130A-340. Review procedures and appeals.

The Department, upon request by an applicant for an improvement permit, shall provide a technical review of any scientific data and system design submitted by the applicant. The data and system design shall be evaluated by professional peers of those who prepared the data and system design. The results of the technical review shall be available prior to a decision by the local health department and shall not affect an applicant's right to a contested hearing under Chapter 150B of the General Statutes. (1989, c. 764, s. 5.)

§ 130A-341. Consideration of a site with existing fill.

Upon application to the local health department, a site that has existing fill, including one on which fill material was placed prior to July 1, 1977, and that has sand or loamy sand for a depth of at least 36 inches below the existing ground surface, shall be evaluated for an on-site wastewater system. The Commission shall adopt rules to implement this section. (1989, c. 764, s. 8; 1991 (Reg. Sess., 1992), c. 944, s. 7.)

§ 130A-342. Residential wastewater treatment systems.

(a) Individual residential wastewater treatment systems that are approved and listed in accordance with the standards adopted by the National Sanitation Foundation, Inc. for Class I residential wastewater treatment systems, as set out in Standard 40 of the National Sanitation Foundation, Inc., (as approved 13 January 2001) as amended, shall be permitted under rules adopted by the Commission. The Commission may establish standards in addition to those set by the National Sanitation Foundation, Inc.

(b) A permitted system shall be operated and maintained by a certified wastewater treatment facility operator.

(c) Each county, in which one or more residential wastewater treatment systems permitted pursuant to this section are in use, shall document the performance of each system and report the results to the Department annually. (1989, c. 727, s. 223(b); c. 764, s. 9; 1989 (Reg. Sess., 1990), c. 1004, ss. 12, 37;

1991 (Reg. Sess., 1992), c. 944, s. 8; 1995, c. 285, s. 1; 1997-443, ss. 11A.84, 11A.119(a); 2001-505, s. 2.1.)

Editor's Note. — Session Laws 2001-505, s. 2.5, provides: "The Commission for Health Services [now the Commission for Public Health] shall adopt temporary and permanent rules to implement the provisions of Sections 2.1 and 2.2 of this act. The Commission may review its current rules to determine whether any wastewater system, as defined by G.S. 130A-334, that is described in its rules should be designated as an accepted wastewater system or approved as an innovative wastewater system, as those terms are defined in G.S. 130A-343, as amended by Section 2.2 of this act. Notwithstanding G.S. 130A-343, as amended by Section 2.2 of this act, the Commission may designate a wastewater system that, prior to 1 October 2001, is described in its rules as an accepted wastewater system whether or not the wastewater system was described or approved as an innovative wastewater system prior to 1 October 2001. If the Commission determines that a wastewater system that is described in its rules prior to 1 October 2001 should not be designated as an accepted wastewater system, the Commission may amend its rules to remove the description of the wastewater system. If the Commission amends its rules to remove a description of a wastewater system pursuant to this section [s. 2.5 of Session Laws 2001-505], the wastewater system shall be deemed to be an approved innovative wastewater system without further action by the Department of Environment and Natural Resources. This section [s. 2.5 of Session Laws 2001-505] shall not be construed to require the Commission or the Department to change the current designation or approval status of any wastewater system."

§ 130A-343. Approval of on-site subsurface wastewater systems.

(a) Definitions. — As used in this section:

(1) "Accepted wastewater system" means any wastewater system, other than a conventional wastewater system, or any technology, device, or component of a wastewater system that: (i) has been previously approved as an innovative wastewater system by the Department; (ii) has been in general use in this State as an innovative wastewater system for more than five years; and (iii) has been approved by the Commission for general use or use in one or more specific applications. An accepted wastewater system may be approved for use in applications for which a conventional wastewater system is unsuitable. The Commission may impose any design, operation, maintenance, monitoring, and management requirements on the use of an accepted wastewater system that it determines to be appropriate.

(2) "Controlled demonstration wastewater system" means any wastewater system or any technology, device, or component of a wastewater system that, on the basis of acceptable research, is approved by the Department for research, testing, or trial use under actual field conditions in this State pursuant to a protocol that has been approved by the Department.

(3) "Conventional wastewater system", "conventional sewage system", or "conventional septic tank system" means a wastewater system that consists of a traditional septic or settling tank and a gravity-fed subsurface disposal field that uses washed gravel or crushed stone to distribute effluent to soil in one or more nitrification trenches and that does not include any other appurtenance.

(4) "Experimental wastewater system" means any wastewater system or any technology, device, or component of a wastewater system that is approved by the Department for research, testing, or limited trial use under actual field conditions in this State pursuant to a protocol that has been approved by the Department.

(5) "Innovative wastewater system" means any wastewater system, or any technology, device, or component of a wastewater system that: (i)

has been demonstrated to perform in a manner equal or superior to a conventional wastewater system; (ii) is constructed of materials whose physical and chemical properties provide the strength, durability, and chemical resistance to allow the system to withstand loads and conditions as required by rules adopted by the Commission; and (iii) has been approved by the Department for general use or for one or more specific applications. An innovative wastewater system may be approved for use in applications for which a conventional wastewater system is unsuitable. The Department may impose any design, operation, maintenance, monitoring, and management requirements on the use of an innovative wastewater system that it determines to be appropriate.

(b) Adoption of Rules Governing Approvals. — The Commission shall adopt rules for the approval and permitting of experimental, controlled demonstration, innovative, and accepted wastewater systems. The rules shall address the criteria to be considered prior to issuing a permit for a system, requirements for preliminary design plans and specifications that must be submitted, methodology to be used, standards for monitoring and evaluating the system, research evaluation of the system, the plan of work for monitoring system performance and maintenance, and any additional matters the Commission deems appropriate.

(c) Approved Systems. — The Department may modify, suspend, or revoke the approval of a wastewater system if the Department determines that the approval is based on false, incomplete, or misleading information or if the Department finds that modification, suspension, or revocation is necessary to protect public health, safety, or welfare. The Department shall provide a listing of all approved experimental, controlled demonstration, innovative, and accepted wastewater systems to the local health departments annually, and more frequently, when the Department makes a final agency decision related to the approval of a wastewater system or the Commission adopts rules related to the approval of a wastewater system.

(d) Evaluation Protocols. — The Department shall approve one or more nationally recognized protocols for the evaluation of on-site subsurface wastewater systems. Any protocol approved by the Department shall specify a minimum number of sites that must be evaluated and the duration of the evaluation period. At the request of a manufacturer of a wastewater system, the Department may approve an alternative protocol for use in the evaluation of the performance of the manufacturer's wastewater system. A protocol for the evaluation of an on-site subsurface wastewater system is a scientific standard within the meaning of G.S. 150B-2(8a)h.

(e) Experimental Systems. — A manufacturer of a wastewater system that is intended for on-site subsurface use may apply to the Department to have the system evaluated as an experimental wastewater system as provided in this subsection. The manufacturer shall submit a proposal for evaluation of the system to the Department. The proposal for evaluation shall include the design of the system, a description of any laboratory or field research or testing that will be used to evaluate the system, a description of the research or testing protocol, and the credentials of the independent laboratory, consultant, or other entity that will be conducting the research or testing on the system. The proposal may include an evaluation of research and testing conducted in other states to the extent that the research and testing involves soil types, climate, hydrology, and other relevant conditions that are comparable to conditions in this State and if the research or testing was conducted pursuant to a protocol acceptable to the Department. The manufacturer shall enter into a contract for an evaluation of the performance of the experimental wastewater system with an independent laboratory, consultant, or other entity that has expertise in the evaluation of wastewater systems and that is approved by the Department. The manufacturer may install up to 50 experimental systems pursuant to a protocol approved by the Department on sites that are suitable for a conventional wastewater system and that have a repair area of sufficient size to allow installation of a conventional wastewater system, an approved innovative wastewater system, or an accepted wastewater system if the experimental wastewater system fails to perform properly.

(f) Controlled Demonstration Systems. — A manufacturer of a wastewater system intended for on-site subsurface use may apply to the Department to have the system evaluated as a controlled demonstration wastewater system as provided in this subsection. The manufacturer shall submit a proposal for evaluation of the system to the Department. The proposal for evaluation shall include the design of the system, a description of any laboratory or field research or testing that will be used to evaluate the system, a description of the research or testing protocol, and the credentials of the independent laboratory, consultant, or other entity that will be conducting the research or testing on the system. If the system was evaluated as an experimental system under subsection (e) of this section, the proposal shall include the results of the evaluation. The proposal may include an evaluation of research and testing conducted in other states to the extent that the research and testing involves soil types, climate, hydrology, and other relevant conditions that are comparable to conditions in this State and if the research or testing was conducted pursuant to a protocol acceptable to the Department. The manufacturer shall enter into a contract for an evaluation of the performance of the controlled demonstration wastewater system with an independent laboratory, consultant, or other entity that has expertise in the evaluation of wastewater systems and that is approved by the Department. The manufacturer may install up to 200 controlled demonstration wastewater systems pursuant to a protocol approved by the Department on sites that are suitable for a conventional wastewater system and that have a repair area of sufficient size to allow installation of a conventional wastewater system, an approved innovative wastewater system, or an accepted wastewater system if the controlled demonstration wastewater system fails to perform properly. If the controlled demonstration wastewater system is intended for use on sites that are not suitable, or that are provisionally suitable, for a conventional wastewater system, the Department may approve the installation of the controlled demonstration wastewater system if the Department determines that the manufacturer can provide an acceptable alternative method for collection, treatment, and disposal of the wastewater.

(g) Innovative Systems. — A manufacturer of a wastewater system for on-site subsurface use that has been evaluated as an experimental wastewater system as provided in subsection (e) of this section or that has been evaluated as a controlled demonstration wastewater system as provided in subsection (f) of this section may apply to the Department to have the system approved as an innovative wastewater system as provided in this subsection. A manufacturer of a wastewater system for on-site subsurface use that has not been evaluated as an experimental wastewater system or as a controlled demonstration wastewater system may also apply to the Department to have the system approved as an innovative wastewater system on the basis of research and testing conducted in other states. The manufacturer shall provide the Department with the data and findings of all evaluations of the performance of the system that have been conducted in any state by or on behalf of the manufacturer. The manufacturer shall also provide the Department with a summary of the data and findings of all other evaluations of the performance of the system that are known to the manufacturer. The Department shall publish a notice that the manufacturer has submitted an application under this subsection in the North Carolina Register and may provide additional notice to the public via the Internet or by other means. The Department shall receive public comment on the application for at least 30 days after the date the notice is published in the North Carolina Register. In making a determination under this subsection, the Department shall consider the data, findings, and recommendations submitted by the manufacturer and all public comment. The Department may also consider any other information that the Department determines to be relevant. The Department shall determine: (i) whether the system performs in a manner equal or superior to a conventional wastewater system; (ii) whether the system is constructed of materials whose physical and chemical properties provide the strength, durability, and chemical resistance to allow the system to withstand loads and conditions as required by rules adopted by the Commission; (iii) the circumstances in which use of the system is appropriate; and (iv) any conditions and limitations related to the use of the system. The Department shall make the determinations required by this subsection and approve or deny the application within 180 days after the Department receives a complete application from a manufacturer. If the Department fails to act on the application within 180 days, the manufacturer may treat the application as denied and challenge the denial by filing a contested case as provided in Article 3 of Chapter 150B of the General Statutes. If the Department approves an innovative wastewater system, the Department shall specify the circumstances in which use of the system is appropriate and any conditions and limitations related to the use of the system.

(h) Accepted Systems. — A manufacturer of an innovative wastewater system that has been in general use in this State for more than five years may petition the Commission to have the system designated as an accepted wastewater system as provided in this subsection. The manufacturer shall provide the Commission with the data and findings of all prior evaluations of the performance of the system. In addition, the manufacturer shall provide the Commission with information sufficient to enable the Commission to fully evaluate the performance of the system in this State for at least the five-year period immediately preceding the petition. The Commission shall designate a wastewater system as an accepted wastewater system only if it finds that there is clear, convincing, and cogent evidence (i) to confirm the findings made by the Department at the time the Department approved the system as an innovative wastewater system and (ii) that the system performs in a manner that is equal or superior to a conventional wastewater system under actual field conditions in this State. The Commission shall specify the circumstances in which use of the system is appropriate and any conditions and limitations related to the use of the system.

(i) Miscellaneous Provisions. —

(1) In evaluating applications for approval under this section, the Department may consult with persons who have special training and experience related to on-site subsurface wastewater systems and may form a technical advisory committee for this purpose. However, the Department is responsible for making timely and appropriate determinations under this section.

(2) The Department may initiate a review of a nonproprietary wastewater system and approve the system for on-site subsurface use as an experimental wastewater system, a controlled demonstration wastewater system, or an innovative wastewater system without having received an application from a manufacturer. The Department may recommend that the Commission designate a nonproprietary wastewater system as an accepted wastewater system without having received a petition from a manufacturer.

(j) Warranty Required in Certain Circumstances. — The Department shall not approve a reduction of the total nitrification trench length for an innovative wastewater system or accepted wastewater system handling untreated septic tank effluent of more than twenty-five percent (25%) as compared to the total nitrification trench length required for a 36-inch-wide conventional wastewater system unless the manufacturer of the innovative wastewater system or accepted wastewater system provides a performance warranty for the nitrification trench system to each owner or purchaser of the system for a warranty period of at least five years from the date on which the wastewater system is placed in operation. The warranty shall provide that the manufacturer shall provide all material and labor that may be necessary to provide a fully functional wastewater system. The Commission shall establish minimum terms and conditions for the warranty required by this subsection. This subsection shall not be construed to require that a manufacturer warrant a wastewater system that is not properly sized to meet the design load required for a particular use, that is improperly installed, or that is improperly operated and maintained.

(k) Fees. — The Department shall collect the following fees under this section:

(1) Review of an alternative protocol under subsection (d) of this section	$1,000.00
(2) Review of an experimental system	$3,000.00
(3) Review of a controlled demonstration system	$3,000.00
(4) Review of an innovative system	$3,000.00
(5) Review of an accepted system	$3,000.00
(6) Review of a residential wastewater treatment system pursuant to G.S. 130A-342	$1,500.00
(7) Review of a component of a system	$ 100.00
(8) Modification to approved innovative system	$1,000.00

(*l*) On-Site Wastewater System Account. — The On-Site Wastewater System Account is established as a nonreverting account within the Department. Fees collected pursuant to this section shall be placed in the On-Site Wastewater System Account and shall be applied only to the costs of implementing this section. (1989, c. 764, s. 10; 1991 (Reg. Sess., 1992), c. 944, s. 9; 1995, c. 285, s. 1; 2001-505, s. 2.2.)

Editor's Note. — Session Laws 2001-505, ss. 2.3 and 2.4, provide: "Section 2.3. Until the Department approves an evaluation protocol as provided in G.S. 130A-343(d), as amended by Section 2.2 of this act [s. 2.2 of Session Laws 2001-505], the Department may accept for review the data and findings of evaluations of performance of experimental, controlled demonstration, and innovative wastewater systems that are conducted as provided in: (i) 'Protocol for the Verification of Wastewater Treatment Technologies' prepared by NSF International for the United States Environmental Protection Agency (April 2001); (ii) 'Protocol for the Verification of Residential Wastewater Treatment Technologies for Nutrient Reduction' prepared by NSF International for the United States Environmental Protection Agency (27 November 2000); and (iii) 'A Protocol for Testing, Assessing, and Approving Innovative or Alternative On-Site Wastewater Disposal Systems' prepared by New Jersey Department of Environmental Protection (24 July 2001).

"Section 2.4. The Department of Environment and Natural Resources shall not accept an application for approval of an innovative wastewater system until it has acted on all applications for approval of innovative wastewater systems that were submitted to the Department prior to 1 October 2001. The Department shall act on all applications for approval of innovative wastewater systems that were submitted to the Department prior to 1 October 2001 within 120 days of the date on which this act [Session Laws 2001-505] becomes effective. The Department may act on an application for a reduction of the total nitrification trench length for an innovative wastewater system handling untreated septic tank effluent as compared to the total nitrification trench length required for a 36-inch-wide conventional wastewater system that was submitted to the Department prior to 1 October 2001 only as provided in this section [s. 2.4 of Session Laws 2001-505]. The Department may approve a reduction of the total nitrification trench length for an innovative wastewater system handling untreated septic tank effluent of not more than thirty-five percent (35%) as compared to the total nitrification trench length required for a 36-inch-wide conventional wastewater system. The Department shall not approve a reduction of the total nitrification trench length for an innovative wastewater system handling untreated septic tank effluent of more than twenty-five percent (25%) as compared to the total nitrification trench length required for a 36-inch-wide conventional wastewater system unless the manufacturer of the innovative wastewater system provides a performance warranty for the nitrification trench system to each owner or purchaser of the innovative wastewater system for a warranty period of at least five years from the date on which the innovative wastewater system is placed in operation. The warranty shall provide that the manufacturer shall provide all material and labor that may be necessary to provide a fully functional wastewater system. The Department shall approve the terms and conditions of the warranty. This section [s. 2.4 of Session Laws 2001-505] shall not be construed to require that a manufacturer warrant an innovative wastewater system that is not properly sized to meet the design load required for a particular use, that is improperly installed, or that is improperly operated and maintained."

Session Laws 2001-505, s. 2.5, provides: "The Commission for Health Services [now the Commission for Public Health] shall adopt temporary and permanent rules to implement the provisions of Sections 2.1 and 2.2 of this act. The Commission may review its current rules to determine whether any wastewater system, as defined by G.S. 130A-334, that is described in its rules should be designated as an accepted wastewater system or approved as an innovative wastewater system, as those terms are defined in G.S. 130A-343, as amended by Section 2.2 of this act. Notwithstanding G.S. 130A-343, as amended by Section 2.2 of this act, the Commission may designate a wastewater system that, prior to 1 October 2001, is described in its rules as an accepted wastewater system whether or not the wastewater system was described or approved as an innovative wastewater system prior to 1 October 2001. If the Commission determines that a wastewater system that is described in its rules prior to 1 October 2001 should not be designated as an accepted wastewater system, the Commission may amend its rules to remove the description of the wastewater system. If the Commission amends its rules to remove a description of a wastewater system pursuant to this section [s. 2.5 of Session Laws 2001-505], the wastewater system shall be deemed to be an approved innovative wastewater system without further action by the Department of Environment and Natural Resources. This section [s. 2.5 of Session Laws 2001-505] shall not be construed to require the Commission or the Department to change the current designation or approval status of any wastewater system."

§ 130A-343.1. Transfer of ownership of provisionally approved septic tanks and innovative septic tank systems to joint agency in certain counties; inspection fees in those counties.

(a) As used in this section, "provisionally approved septic tank or innovative septic tank system" means a septic tank system located in soil that is classified as provisionally suitable or an innovative septic tank system, as those terms are used in Subchapter 18A of Chapter 18 of Title 15A of the North Carolina Administrative Code, G.S. 130A-343, and any applicable local rules or ordinances.

(b) As used in this subsection, "unit of local government" has the same meaning as in G.S. 160A-460. One or more units of local government located in the Counties of Camden, Chowan, Currituck, Gates, Hertford, Pasquotank, Perquimans, Tyrrell, and Washington may establish a joint agency for the purpose of owning and operating a provisionally approved septic tank or innovative septic tank system as provided in Article 20 of Chapter 160A of the General Statutes. Bertie County may join any joint agency established under this subsection. The owner of any provisionally approved septic tank or innovative septic tank system may, upon acceptance by a joint agency established under this subsection, transfer ownership of any real or personal property or interest therein that is a part of or used in connection with the provisionally approved septic tank or innovative septic tank system to the joint agency. Notwithstanding G.S. 160A-462(a), a joint agency created pursuant to this subsection may hold real property necessary to the undertaking. Any county named in this subsection may accept real or personal property described in this subsection from the owner of the property for transfer to a joint agency established as provided in this subsection.

(c) The Counties of Bertie, Camden, Chowan, Currituck, Gates, Hertford, Pasquotank, Perquimans, Tyrrell, and Washington may adopt an ordinance providing that any fee for the inspection, maintenance, and repair of a provisionally approved septic tank or other innovative septic tank system may be billed as property taxes, may be payable in the same manner as property taxes, and in the case of nonpayment, may be collected in any manner by which property taxes can be collected. If the ordinance states that delinquent fees can be collected in the same manner as delinquent real property taxes, the delinquent fees are a lien on the real property described on the bill that includes the fee. (1999-288, ss. 1-3; 2001-78, ss. 1-3.)

Editor's Note. — Session Laws 2001-78, effective May 15, 2001, amended Session Laws 1999-288, expanding its applicability by inserting the third sentence in present subsection (b), relating to Bertie County, and by inserting reference to Bertie, Camden, Chowan, Currituck, Pasquotank, Perquimans, Tyrrell and Washington Counties in present subsection (c). At the direction of the Reviser of Statutes, ss. 1 to 3 of Session Laws 1999-288, as amended, have now been codified as G.S. 130A-343.1.

Subsection (c) of G.S. 130A-343.1, derived from s. 3 of Session Laws 1999-288, was originally made applicable to fees imposed for inspections performed in Gates and Hertford Counties on or after the effective date of the 1999 act (July 14, 1999).

Section 3 of Session Laws 2001-78 provides: "This act applies to only Bertie, Camden, Chowan, Currituck, Pasquotank, Perquimans, Tyrrell and Washington Counties."

Section 4 of Session Laws 2001-78 provides that s. 2 of that act, which amended present subsection (c), applies to fees imposed for inspections in Bertie, Camden, Chowan, Currituck, Pasquotank, Perquimans, Tyrrell, and Washington Counties performed on or after May 15, 2001, and that s. 2 applies to fees imposed for maintenance and repairs in these eight counties plus Gates and Hertford performed on or after that date.

§ 130A-344: Repealed by Session Laws 1995, c. 285, s. 2.

§ 130A-345: Reserved for future codification purposes.

ARTICLE 12.

Mosquito and Vector Control.

Part 1. Mosquito and Vector Control Program.

§ 130A-346. Mosquito and vector control program; definition.

(a) The Department shall establish and administer a vector control program to protect the public health and to promote an environment suitable for habitation. A vector is a living transporter and transmitter of the causative agent of a disease. The program shall address the problems presented by vectors and other arthropods and rodents of public health significance in this State, including, but not limited to, mosquitoes, ticks, rodents, fleas and flies. The Department is authorized to engage in research, conduct investigations and surveillance, implement a vector control program and take other actions necessary to control vectors.

(b) The Commission shall adopt rules necessary to implement the program including rules for the control of vectors and other arthropods and rodents.

(c) The following definitions shall apply throughout this Article:

(1) "Department" means the Department of Environment and Natural Resources.

(2) "Secretary" means the Secretary of Environment and Natural Resources. (1957, c. 832, ss. 1, 2; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 1997-443, s. 11A.83A.)

§ 130A-347. Mosquito control funds.

Funds received by the Department for mosquito control may be used to aid mosquito control districts and other units of local government engaged in mosquito control. The Commission shall adopt rules concerning the allocation of the funds. The rules shall provide for priority funding to those local activities that involve the abatement of breeding grounds. The rules may include provisions to withhold part of the mosquito control funds for the suppression of potential or documented mosquito-borne disease outbreaks. State aid for local physical control methods such as, but not limited to, cleaning, reopening or construction of ditches, restoration of streams and construction of impoundments shall not exceed the amount of funds and the value of services and facilities provided locally except State aid may be provided up to twice the locally provided amount for physical control methods in salt marsh areas. State aid for local chemical and biological control methods such as, but not limited to, control of immature and adult mosquitoes by use of chemicals, bacteria, fungi and mosquito fish shall not exceed the amount of funds and the value of services and facilities provided locally. State aid shall not be granted with respect to each individual project until the Department finds and certifies in writing for each project that: (i) the required local share is available; (ii) there is a documented mosquito problem which requires abatement; (iii) a work plan describing the method and procedures to be used for abatement is appropriate; and (iv) the rules of the Commission have been met. (1957, c. 832, s. 4; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 1995, c. 324, s. 26.7A.)

§ 130A-348. Control of impounded water.

For the protection of the public health, the Commission shall adopt rules concerning the impoundment of water. The rules shall address proper preparation of the land for inundation, maintenance of the shoreline after inundation and any other factors necessary to control mosquitoes. Persons shall obtain permits from the Department before constructing impoundments and impounding water. (1983, c. 891, s. 2.)

§ 130A-349. Control of outbreaks.

In the event of potential or documented outbreaks of vector-borne disease as determined by the Secretary, the Secretary is authorized to use all appropriate means, including the expenditure of unallocated mosquito control funds, to prevent or suppress the outbreaks. (1983, c. 891, s. 2.)

§§ 130A-350, 130A-351: Reserved for future codification purposes.

Part 2. Mosquito Control Districts.

§ 130A-352. Creation and purpose of mosquito control districts.

For the purpose of protecting and promoting the public health and welfare by providing for the control of mosquitoes and other arthropods of public health significance, mosquito control districts may be created in accordance with the provisions of this Part. A mosquito control district may be comprised of one or more contiguous counties or contiguous parts of one or more counties. (1957, c. 1247, s. 1; 1983, c. 891, s. 2.)

§ 130A-353. Nature of district; procedure for forming districts.

(a) A mosquito control district shall be a body politic and corporate and a political subdivision of the State. A mosquito control district may sue and be sued in its corporate name.

(b) If the proposed district lies wholly within a county, ten percent (10%) or more of the resident freeholders within the proposed district may petition the board of commissioners of the county in which the proposed district lies setting forth the boundaries of the district and a suggested name for the district. For the purposes of this Part, the term "freeholders" shall mean persons holding a deed to a tract of land within the district or proposed district, and also shall mean a person who has entered into a contract to purchase a tract of land within the district or proposed district, is making payments pursuant to a contract, and will receive a deed upon completion of the contractual payments. If the county board of commissioners considers the formation of the district to be in the interest of the public health, the board shall forward the petition to the Department. If the Department considers the formation of the district to be in the interest of the public health, the Department shall notify the county board of commissioners. Upon notification, the board shall give notice of a public hearing on the question of the formation of the district by advertising the time, place and purpose of the hearing once a week for four successive weeks prior to the hearing in a newspaper either published in the county or having a general circulation in the county. The public hearing shall be presided over by the chairman of the county board of commissioners and shall be attended by a representative of the Department. The hearing may be continued as may be necessary to hear the proponents and opponents of the formation of the district. If after the hearing, the county board of commissioners deem it advisable that the district be created, the board shall submit the question of whether or not the district shall be created to the voters residing within the proposed district at an election called for that purpose. Upon determining that the district should be created and established, and prior to the submission of the question of the formation of the district to the voters of the proposed district, the county board of commissioners may determine the maximum amount of special tax to be levied for mosquito control purposes should the formation of the district be approved by the voters. In no event shall the maximum authorized levy exceed thirty-five cents (35¢) upon the one hundred dollar ($100.00) assessed valuation. If the county board of commissioners determines that the maximum amount of special tax to be levied for mosquito control purposes is to be less than thirty-five cents (35¢) on the one hundred dollar ($100.00) valuation, the maximum amount must appear on the ballot to be used by the voters on the question of the creation of the district.

(c) Prior to the election, the county board of commissioners may make minor deviations in defining the boundaries of the proposed district if: (1) the board determines that minor deviation from the boundaries described in the petition is in the interest of public health; and (2) ten percent (10%) of the resident freeholders within the revised boundaries have signed the petition proposing the creation of the district or additional resident freeholders within the revised boundaries of the proposed district sign the petition to bring the total number of petitioners within the proposed revised boundaries to not less than ten percent (10%) of the voters therein.

(d) The county board of commissioners shall request the county board of elections to hold the election and shall pay the expense of the election. The election shall be held in accordance with the applicable provisions of Chapter 163 of the General Statutes. Notice shall be given as provided in G.S. 163-33(8).

(e) The form of the question to be stated on the ballot shall be in substantially the following words:

"☐ FOR creation of the (here insert name) Mosquito Control District and the levy of a special tax (here insert the words "not to exceed" and the maximum amount of special tax to be levied for mosquito control purposes if the county board of commissioners has determined that the maximum authorized amount is to be less than thirty-five cents (35¢) on the one hundred dollar ($100.00) assessed valuation) for mosquito control purposes.

☐ AGAINST creation of the (here insert name) Mosquito Control District and the levy of a special tax (here insert the words "not to exceed" and the maximum amount of special tax to be levied for mosquito control purposes if the county board of commissioners has determined that the maximum authorized amount is to be less than thirty-five cents (35¢) on the one hundred dollar ($100.00) assessed valuation) for mosquito control purposes."

The affirmative and negative forms shall be printed on one ballot and the voters shall make a mark of an "X" in one of the squares preceding the form.

(f) If a majority of the voters voting at the election vote in favor of creation of the district and the levy of the special tax, the county board of commissioners shall declare the district created and shall adopt a resolution to that effect.

(g) In the event the proposed mosquito control district shall embrace lands lying in two or more counties, the petition signed by the requisite number of resident freeholders within the proposed district shall be addressed to the Department. If the Department deems the formation of the proposed district to be in the interest of the public health, the Department shall hold public hearings within the proposed district after first giving notice of the time and place of the hearings by publication once a week for four successive weeks in a newspaper published or circulated in the proposed district. A public hearing shall be held in the courthouse of each of the counties in which any part of the proposed district is situated. After the hearing, if the Department deems the formation of the district to be in the interest of the public health, the Department shall order an election to be held upon the question of the formation of the district after first advertising the time of the election in the manner provided in subsection (d). At the request of the Commission, the county commissioners of the counties in which the proposed district lies shall request the county board of elections to hold an election on the question with substantially the same form of ballot set forth in subsection (e). Each county shall bear the expense of the election held in that county. The board of elections shall certify the results to the county commissioners and the Commission. If a majority of the votes cast favor creation of the district and the levy of the special tax, the Commission shall declare the district created and the county commissioners shall enter the certification upon the minutes of the board. Registration shall be in accordance with G.S. 163-288.2. (1957, c. 1247, s. 2; 1959, c. 622, s. 1; 1973, c. 476, s. 128; 1981, c. 188, ss. 1, 2; 1983, c. 891, s. 2.)

§ 130A-354. Governing bodies for mosquito control districts.

(a) A mosquito control district shall be governed by a board of commissioners. In the case of a district lying wholly within a single county, the board shall be composed of five members, all of whom shall be residents of the district. Three of the members shall be appointed by the county board of commissioners, one for an initial term of one year, one for an initial term of two years and one for an initial term of three years. All subsequent appointments made by the county board of commissioners shall be for terms of three years. One member shall be appointed by the Secretary and one member by the Director of the Wildlife Resources Commission. These two appointees shall serve at the pleasure of the appointing authority. A vacancy shall be filled by the authority which appointed the member creating the vacancy.

(b) In the case of a district lying in two or more counties, the Secretary shall appoint one member and the Director of the Wildlife Commission shall appoint one member. The board of commissioners of each county in which any part of the district lies shall appoint one member. In the event the district lies in only two counties, the board of commissioners of the county in which a majority of the acreage of the district lies shall appoint two members, one for an initial term of one year and the other for an initial term of two years. The other county shall appoint one member for an initial term of three years. All succeeding terms of county appointees shall be for three years. A vacancy shall be filled by the authority which appointed the member creating the vacancy, and the appointees of the Secretary and the Director of the Wildlife Resources Commission shall hold office at the pleasure of the appointing authority.

(c) At its first meeting, the board shall elect a chairman, a vice-chairman, a secretary and a treasurer. The office of secretary and treasurer may be held by the same member. All official acts done by the board shall be entered in a book of minutes to be kept by the secretary. The board shall meet at least quarterly and may meet in a special meeting at any time upon call of the chairman or any two members, and upon notice of the time, place and purpose of the meeting of not less than three days. Before entering upon the discharge of their duties, each member shall take and subscribe an oath of office as follows and the oath shall be entered in the minute book:

"I, ________, do solemnly swear that I will well and truly perform my duties as a Commissioner of the ______ Mosquito Control District.

____
Signature

Affirmed and subscribed before me this ______ day of ________ ____

____
Signature of Officer Administering Oath."

(1957, c. 1247, s. 3; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 1999-456, s. 59.)

§ 130A-355. Corporate powers.

A mosquito control district created in accordance with the provisions of this Part shall have and exercise through its board of commissioners the following corporate powers in addition to any incidental powers as may be necessary in order to discharge its corporate functions:

(1) To levy ad valorem taxes upon all the taxable property within the district at a rate not to exceed thirty-five cents (35¢) upon the adjusted one hundred dollar ($100.00) assessed valuation, except as provided in subdivision (a) of this subsection.

  a. Where a mosquito control district lies solely within a single county and includes the entire county, the county board of commissioners may levy and determine the rate of ad valorem tax to be levied at a rate not to exceed thirty-five cents (35¢) upon the adjusted one hundred dollar ($100.00) assessed valuation. Where a mosquito control district lies wholly within a single county and the maximum authorized special tax approved by the voters at the time of voting on the creation of the district was less than thirty-five cents (35¢) on the one hundred dollar assessed valuation, the ad valorem tax levy shall not exceed the lesser amount.

b. In the case of a district lying wholly within a single county, the valuations assessed by the county tax authorities shall be used by the mosquito control district or the county board of commissioners as the basis for its tax assessment. The mosquito control district or the county board of commissioners shall certify its tax rate to the county tax collector or supervisor in time to have the rate and the amount of tax due upon the valuation entered upon the official county tax receipts and stubs or duplicates. The county tax collector shall collect the taxes at the same time as county taxes are collected and shall deposit the receipts to the credit of the mosquito control district in a depository or depositories designated by the governing board of the district.

c. In the case of a district lying in two or more counties, the commissioners of the mosquito control district shall horizontally equalize the assessed valuations of the property in all counties in which the district lies by adjusting the ratio of assessed valuation in the counties to the true values of the taxable property in the counties. From the adjusted and equalized valuations, any county board of commissioners may appeal to the Department of Revenue using the procedures set forth in Subchapter II of Chapter 105 of the General Statutes.

d. The board of commissioners of the mosquito control district shall levy a tax based upon the equalized assessed valuations and shall certify the amount of the levy against each taxpayer to the appropriate county tax collector or supervisor in time for the amount of the mosquito control district tax to be entered upon the county tax receipts and stubs or duplicates. The county tax collectors shall collect the tax and deposit the receipts to the credit of the mosquito control district in a depository or depositories designated by the commissioners of the district.

e. The taxes levied according to this Part shall become due; shall be subject to the same discounts, penalties and interest; and shall have the same remedies for the collection and refund of the taxes as provided for county and municipal ad valorem taxation by Chapter 310 of the Session Laws of 1939 as amended. These taxes shall constitute a lien to the same extent and with the same force and effect as county and municipal ad valorem taxes and shall have equal priority with those taxes;

(2) To accept gifts or endowments and to receive federal and State grants-in-aid. All money or property acquired under this section or any other source, shall be deposited in a separate fund to be used solely for the purpose of carrying out the provisions of this Part. The deposited funds shall be withdrawn by warrants signed by the chairperson of the governing board of the district and countersigned by the secretary;

(3) To take all necessary and proper steps to prevent the breeding of mosquitoes and other arthropods of public health significance within the district, and to destroy adult mosquitoes and other arthropods of public health significance found within the district;

(4) To conduct arthropod control measures in cooperation with individuals, firms and corporations, and federal, State and local governmental agencies;

(5) To enter all places both publicly and privately owned within the district to inspect, survey and treat with proper means all places

where mosquitoes or other arthropods of public health significance are breeding and to take other actions as may be necessary;

(6) To acquire by purchase, condemnation or otherwise, and to hold real and personal property, easements, rights-of-way or other property necessary or convenient for accomplishing the purpose of this Part. Any land which has been acquired by the board and improved by drainage, filling, diking or other treatment, and other real property held by the board may be sold or leased through competitive bidding. All condemnation proceedings are to be in accordance with the provisions of Chapter 40A of the General Statutes;

(7) To employ necessary personnel; fix salaries; purchase equipment, supplies and materials; make contracts; rent office or storage space; and perform other administrative functions necessary for the purpose of carrying out this Part;

(8) To borrow money in anticipation of tax collection and to execute and deliver its notes or bonds. Money shall be borrowed in gross amounts not to exceed the anticipated tax receipts for the fiscal year;

(9) To reimburse members and employees of the board for actual expenditures incurred in authorized travel; and

(10) To employ a district superintendent who is an engineer, entomologist or otherwise qualified as an arthropod control specialist. The professional qualifications of the superintendent must be approved by the Secretary. (1957, c. 1247, s. 4; 1959, c. 622, s. 2; 1973, c. 476, ss. 128, 193; 1981, c. 919, s. 15; 1983, c. 891, s. 2.)

§ 130A-356. Adoption of plan of operation.

(a) At least 60 days prior to the initiation of operations, the governing board of each mosquito control district must submit to the Secretary, a plan of procedure and operation in a form and manner prescribed by the Secretary. The Secretary shall have authority to approve, modify or take other appropriate action in regard to the plans. No contract may be entered into, program commenced or work begun prior to the approval of the plan by the Secretary.

(b) At least 60 days prior to the expiration of each fiscal year, the governing board of each mosquito control district must submit to the Secretary a plan of procedure and operation for the next fiscal year in a form and manner prescribed by the Secretary. The Secretary shall have authority to approve, modify or take other appropriate action in regard to the plans. No contract may be entered into, program commenced or work begun or continued prior to the approval of the plan by the Secretary. (1957, c. 1247, s. 5; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

Local Modification to Former § 130-214.
— Onslow: 1961, c. 750.

§ 130A-357. Bond issues.

A mosquito control district shall have power to issue bonds and notes under the Local Government Bond Act. (1957, c. 1247, s. 6; 1971, c. 780, s. 25; 1983, c. 891, s. 2.)

§ 130A-358. Dissolution of certain mosquito control districts.

Fifty-one percent (51%) or more of the resident freeholders of a mosquito control district which has no outstanding indebtedness may submit a petition for dissolution to the county board of commissioners in which all or the greater portion of the resident freeholders of the district are located. The county board of commissioners shall notify the Department and the county board of commissioners of any other county or counties in which any portion of the district lies, of the receipt of the petition, and shall request the Department to hold a joint public hearing with the county commissioners concerning the dissolution of the district. The Department and the chairperson of the county board of commissioners shall name a time and place within the district for the public hearing. The chairperson of the county board of commissioners of the county in which all or the greater portion of the resident freeholders of the district are located shall give prior notice of the hearing by posting a notice at the courthouse door of each county and also by publication in a newspaper or newspapers published in the county or counties at least once a week for four successive weeks. In the event that all matters pertaining to the dissolution of the mosquito control district cannot be concluded at the hearing, the hearing may be continued to a time and place determined by the Department. If after the hearing, the Commission and the county commissioners shall deem it advisable to comply with the request of the petition, the Commission shall adopt a resolution dissolving the district. (1959, c. 622, s. 3; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§§ 130A-359, 130A-360: Reserved for future codification purposes.

Article 13.

Nutrition.

§ 130A-361. Department to establish nutrition program.

(a) The Department shall establish and administer a nutrition program to promote the public health by achieving and maintaining optimal nutritional status in the population through activities such as nutrition screening and assessment; dietary counseling and treatment; nutrition education; follow-up; referral; and the direct provision of food. The program may also include, but shall not be limited to, establishing policies and standards for nutritional practices; monitoring and surveillance of nutritional status; promoting interagency cooperation, professional education and consultation; providing technical assistance; conducting and supporting field research; providing direct care; and advising State and private institutions and other State and local agencies and departments in the establishment of food, nutrition and food service management standards.

(b) The Commission for Public Health shall adopt rules necessary to implement the program. (Resolution 112, 1973, p. 1413; 1983, c. 891, s. 2; 1989, c. 204; 1991, c. 188, s. 1; 2007-182, s. 2.)

§§ 130A-362 through 130A-365: Reserved for future codification purposes.

Article 14.

Dental Health.

§ 130A-366. Department to establish dental health program.

(a) The Department shall establish and administer a dental health program for the delivery of preventive, educational and dental care services to preschool children, school-age children, and adults. The program shall include, but not be limited to, providing teacher training, adult and child education, consultation, screening and referral, technical assistance, community coordination, field research and direct patient care. The primary emphasis of the program shall be the delivery of preventive, educational, and dental care services to preschool children and school-age children.

(b) The Commission shall adopt rules necessary to implement the program. (1983, c. 891, s. 2; 1993, c. 321, s. 269.)

§ 130A-367. Dental providers for problem access areas.

The State's dental public health program shall encourage the expansion of current educational and training programs for dentists, dental hygienists, and dental assistants targeted to serve citizens' unmet needs, particularly in the rural and low-income areas that have traditionally had problems in accessing dental care. The program shall also promote and encourage the recruitment of in-State and out-of-state private sector dental personnel to work in these dental health professional shortage areas. (2002-37, s. 1.)

Cross References. — As to issuance of limited volunteer dental license to practice dentistry in nonprofit health care facilities serving low-income populations, see G.S. 90-37.1.

§§ 130A-368 through 130A-370: Reserved for future codification purposes.

Article 15.

State Center for Health Statistics.

§ 130A-371. State Center for Health Statistics established.

A State Center for Health Statistics is established within the Department. (1983, c. 891, s. 2.)

§ 130A-372. Definitions.

The following definitions shall apply throughout this Article:

(1) "Health data" means information relating to the health status of individuals, the availability of health resources and services, and the use and cost of these resources and services. The term shall not include vital records registered under the provisions of Article 4 of this Chapter.

(2) "Medical records" means health data relating to the diagnosis or treatment of physical or mental ailments of individuals. (1983, c. 891, s. 2.)

§ 130A-373. Authority and duties.

(a) The State Center for Health Statistics is authorized to:

(1) Collect, maintain and analyze health data on:
  a. The extent, nature and impact of illness and disability on the population of the State;
  b. The determinants of health and health hazards;
  c. Health resources, including the extent of available work power and resources;

d. Utilization of health care;
e. Health care costs and financing; and
f. Other health or health-related matters; and

(2) Undertake and support research, demonstrations and evaluations respecting new or improved methods for obtaining data.

(b) The State Center for Health Statistics may collect health data on behalf of other governmental or nonprofit organizations.

(c) The State Center for Health Statistics shall collect data only on a voluntary basis except when there is specific legal authority to compel mandatory reporting of the health data. In collecting health data on a voluntary basis, the State Center for Health Statistics shall give the person a statement in writing:

(1) That the data is being collected on a voluntary basis and that the person is not required to respond; and
(2) The purposes for which the health data is being collected.

(d) Subject to the provisions of G.S. 130A-374, the State Center for Health Statistics may share health data with other persons, agencies and organizations.

(e) The State Center for Health Statistics shall:

(1) Take necessary action to assure that statistics developed under this Article are of high quality, timely and comprehensive, as well as specific and adequately analyzed and indexed; and
(2) Publish, make available and disseminate statistics on as wide a basis as practical.

(f) The State Center for Health Statistics shall coordinate health data activities within the State in order to eliminate unnecessary duplication of data collection and to maximize the usefulness of data collected by:

(1) Participating with State and local agencies in the design and implementation of a cooperative system for producing comparable and uniform health information and statistics at the State and local levels; and
(2) Undertaking and supporting research, development, demonstration and evaluation respecting the cooperative system. (1983, c. 891, s. 2)

§ 130A-374. Security of health data.

(a) Medical records of individual patients shall be confidential and shall not be public records open to inspection. The State Center for Health Statistics may disclose medical records of individual patients which identify the individual described in the record only if:

(1) The individual described in the medical record has authorized the disclosure; or
(2) The disclosure is for bona fide research purposes. The Commission shall adopt rules providing for the use of the medical records for research purposes.

(b) The State Center for Health Statistics shall take appropriate measures to protect the security of health data collected by the Center, including:

(1) Limiting the access to health data to authorized individuals who have received training in the handling of this data;
(2) Designating a person to be responsible for physical security; and
(3) Developing and implementing a system for monitoring security. (1983, c. 891, s. 2.)

§§ 130A-375, 130A-376: Reserved for future codification purposes.

Article 16.

Postmortem Investigation and Disposition.

Part 1. Postmortem Medicolegal Examinations and Services.

§ 130A-377. Establishment and maintenance of central and district offices.

The Department shall establish and maintain a central office with appropriate facilities and personnel for postmortem medicolegal examinations. District offices, with appropriate facilities and personnel, may also be established and maintained if considered necessary by the Department for the proper management of postmortem examinations. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1967, c. 1154, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)

§ 130A-378. Qualifications and appointment of the Chief Medical Examiner.

The Chief Medical Examiner shall be a forensic pathologist certified by the American Board of Pathology and licensed to practice medicine. The Chief Medical Examiner shall be appointed by the Secretary. (1983, c. 891, s. 2.)

§ 130A-379. Duties of the Chief Medical Examiner.

The Chief Medical Examiner shall perform postmortem medicolegal examinations as provided in this Part. The Chief Medical Examiner may, upon request, provide instruction in health science, legal medicine and other subjects related to his duties at The University of North Carolina, the North Carolina Justice Academy and other institutions of higher learning. (1983, c. 891, s. 2.)

§ 130A-380. The Chief Medical Examiner's staff.

The Chief Medical Examiner may employ qualified pathologists to serve as Associate and Assistant Medical Examiners in the central and district offices. The Associate and Assistant Medical Examiners shall perform duties assigned by the Chief Medical Examiner. Forensic chemists may be employed by the Chief Medical Examiner to provide toxicological and related support. (1983, c. 891, s. 2.)

CASE NOTES

Expert Testimony. — In a prosecution for murder, the witness' position as Assistant Medical Examiner and his testimony regarding the number of other cases he had seen indicated sufficient expertise such that the trial court did not err in admitting his opinion of the cause of death. State v. Hamilton, 77 N.C. App. 506, 335 S.E.2d 506 (1985), cert. denied, 315 N.C. 593, 341 S.E.2d 33 (1986).

§ 130A-381. Additional services and facilities.

In order to provide proper facilities for investigating deaths as authorized in this Part, the Chief Medical Examiner may arrange for the use of existing public or private laboratory facilities. Each county shall provide or contract for an appropriate facility for the examination and storage of bodies under

Medical Examiner jurisdiction. The Chief Medical Examiner may contract with qualified persons to perform or to provide support services for autopsies and other studies and investigations. (1967, c. 1154, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2; 2007-187, s. 5.)

§ 130A-382. County medical examiners; appointment; term of office; vacancies.

One or more county medical examiners for each county shall be appointed by the Chief Medical Examiner for a three-year term. County medical examiners shall be appointed from a list of physicians licensed to practice medicine in this State submitted by the medical society of the county in which the appointment is to be made. If no names are submitted by the society, the Chief Medical Examiner shall appoint one or more medical examiners from physicians in the county licensed to practice medicine in this State. In the event no licensed physician in a county accepts an appointment, the Chief Medical Examiner may appoint as acting county medical examiner one or more physicians licensed to practice medicine in this State from other counties, a licensed physician assistant, a nurse, a coroner, or an individual who has taken an approved course of training as required by the Chief Medical Examiner. The acting county medical examiner shall have all the duties and authority of the physician medical examiner except to perform autopsies. A medical examiner may serve more than one county. The Chief Medical Examiner may take jurisdiction in any case or appoint another medical examiner to do so. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1963, c. 492, s. 4; 1967, c. 1154, s. 1; 1973, c. 476, s. 128; 1981, c. 187, ss. 2-4; 1983, c. 891, s. 2; 2007-187, s. 4.)

CASE NOTES

Cited in Epps v. Duke Univ., Inc., 122 N.C. App. 198, 468 S.E.2d 846 (1996).

§ 130A-383. Medical examiner jurisdiction.

(a) Upon the death of any person resulting from violence, poisoning, accident, suicide or homicide; occurring suddenly when the deceased had been in apparent good health or when unattended by a physician; occurring in a jail, prison, correctional institution or in police custody; occurring in State facilities operated in accordance with Part 5 of Article 4 of Chapter 122C of the General Statutes; occurring pursuant to Article 19 of Chapter 15 of the General Statutes; or occurring under any suspicious, unusual or unnatural circumstance, the medical examiner of the county in which the body of the deceased is found shall be notified by a physician in attendance, hospital employee, law-enforcement officer, funeral home employee, emergency medical technician, relative or by any other person having suspicion of such a death. No person shall disturb the body at the scene of such a death until authorized by the medical examiner unless in the unavailability of the medical examiner it is determined by the appropriate law enforcement agency that the presence of the body at the scene would risk the integrity of the body or provide a hazard to the safety of others. For the limited purposes of this Part, expression of opinion that death has occurred may be made by a nurse, an emergency medical technician or any other competent person in the absence of a physician.

(b) The discovery of anatomical material suspected of being part of a human body shall be reported to the medical examiner of the county in which the material is found.

(c) Upon completion of the investigation and in accordance with the rules of the Commission, the medical examiner shall release the body to the next of kin or other interested person who will assume responsibility for final disposition. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1963, c. 492, s. 4; 1967, c. 1154, s. 1; 1983, c. 891, s. 2; 1989, c. 353, s. 1; 2008-131, s. 2.)

Local Modification to Former § 130-198. — Bladen: 1989, c. 267, s. 2; Cleveland: 1977, c. 189; Rutherford: 1977, c. 189.

Effect of Amendments. — Session Laws 2008-131, s. 2, effective July 28, 2008, inserted "occurring in State facilities operated in accordance with Part 5 of Article 4 of Chapter 122C of the General Statutes" in the first sentence of subsection (a).

CASE NOTES

Applied in Grad v. Kaasa, 312 N.C. App. 310, 321 S.E.2d 888 (1984).

Cited in Pickrell v. Motor Convoy, Inc., 322 N.C. 363, 368 S.E.2d 582 (1988); Reaves v. Indus. Pump Serv., — N.C. App. —, 671 S.E.2d 14, 2009 N.C. App. LEXIS 63 (2009).

§ 130A-384. Notification concerning out-of-state body.

When a body is brought into this State for disposal and there is reason to believe either that the death was not investigated properly or that there is not an adequate certificate of death, the body shall be reported to a medical examiner in the county where the body resides or to the Chief Medical Examiner. These deaths may be investigated by the same procedure as deaths occurring in this State under G.S. 130A-383. (1983, c. 891, s. 2.)

§ 130A-385. Duties of medical examiner upon receipt of notice; reports; copies.

(a) Upon receipt of a notification under G.S. 130A-383, the medical examiner shall take charge of the body, make inquiries regarding the cause and manner of death, reduce the findings to writing and promptly make a full report to the Chief Medical Examiner on forms prescribed for that purpose.

The Chief Medical Examiner or the county medical examiner is authorized to inspect and copy the medical records of the decedent whose death is under investigation. In addition, in an investigation conducted pursuant to this Article, the Chief Medical Examiner or the county medical examiner is authorized to inspect all physical evidence and documents which may be relevant to determining the cause and manner of death of the person whose death is under investigation, including decedent's personal possessions associated with the death, clothing, weapons, tissue and blood samples, cultures, medical equipment, X rays and other medical images. The Chief Medical Examiner or county medical examiner is further authorized to seek an administrative search warrant pursuant to G.S. 15-27.2 for the purpose of carrying out the duties imposed under this Article. In addition to the requirements of G.S. 15-27.2, no administrative search warrant shall be issued pursuant to this section unless the Chief Medical Examiner or county medical examiner submits an affidavit from the office of the district attorney in the district in which death occurred stating that the death in question is not under criminal investigation.

The Chief Medical Examiner shall provide directions as to the nature, character and extent of an investigation and appropriate forms for the required reports. The facilities of the central and district offices and their staff services shall be available to the medical examiners and designated pathologists in their investigations.

(b) The medical examiner shall complete a certificate of death, stating the name of the disease which in his opinion caused death. If the death was from external causes, the medical examiner shall state on the certificate of death the means of death, and whether, in the medical examiner's opinion, the manner of death was accident, suicide, homicide, execution by the State, or undetermined. The medical examiner shall also furnish any information as may be required by the State Registrar of Vital Statistics in order to properly classify the death.

(c) The Chief Medical Examiner shall have authority to amend a medical examiner death certificate.

(d) A copy of the report of the medical examiner investigation may be forwarded to the appropriate district attorney.

(e) In cases where death occurred due to an injury received in the course of the decedent's employment, the Chief Medical Examiner shall forward to the Commissioner of Labor a copy of the medical examiner's report of the investigation, including the location of the fatal injury and the name and address of the decedent's employer at the time of the fatal injury. The Chief Medical Examiner shall forward this report within 30 days of receipt of the information from the medical examiner.

(f) If a death occurred in a facility licensed subject to Article 2 or Article 3 of Chapter 122C of the General Statutes, or Articles 1 or 1A of Chapter 131D of the General Statutes, and the deceased was a client or resident of the facility or a recipient of facility services at the time of death, then the Chief Medical Examiner shall forward a copy of the medical examiner's report to the Secretary of Health and Human Services within 30 days of receipt of the report from the medical examiner. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1967, c. 1154, s. 1; 1973, c. 476, s. 128; 1977, 2nd Sess., c. 1145; 1983, c. 891, s. 2; 1989, c. 353, s. 2; c. 797; 1991 (Reg. Sess., 1992), c. 894, s. 6; 2000-129, s. 4.)

CASE NOTES

Medical Examiner's Expert Testimony Admissible. — Because a medical examiner was qualified as an expert in forensic pathology and medical examination, the trial court did not err in permitting his expert opinion as to the cause of the victims death. State v. Smith, 157 N.C. App. 493, 581 S.E.2d 448, 2003 N.C. App. LEXIS 748 (2003).

Cited in Pickrell v. Motor Convoy, Inc., 322 N.C. 363, 368 S.E.2d 582 (1988); Melton v. City of Rocky Mount, 118 N.C. App. 249, 454 S.E.2d 704 (1995); In re J.S.B., 183 N.C. App. 192, 644 S.E.2d 580, 2007 N.C. App. LEXIS 1041 (2007); Reaves v. Indus. Pump Serv., — N.C. App. —, 671 S.E.2d 14, 2009 N.C. App. LEXIS 63 (2009).

OPINIONS OF ATTORNEY GENERAL

Medical Examiners' Reports Are Public Records. — See opinion of Attorney General to Mr. Rodney C. Hobbs, Division of Health Services, 44 N.C.A.G. 193 (1974), rendered under former statutory provisions.

§ 130A-386. Subpoena authority.

The Chief Medical Examiner and the county medical examiners are authorized to issue subpoenas for the attendance of persons and for the production of documents as may be required by their investigation. (1983, c. 891, s. 2.)

§ 130A-387. Fees.

For each investigation and prompt filing of the required report, the medical examiner shall receive a fee paid by the State. However, if the deceased is a resident of the county in which the death or fatal injury occurred, that county shall pay the fee. The fee shall be one hundred dollars ($100.00). (1983, c. 891, s. 2; 1991, c. 463, s. 1; 2005-368, s. 1.)

Editor's Note. — The fee increase from $75.00 to $100.00 in this section, as amended by Session Laws 2005-368, s. 1, effective September 8, 2005, is applicable to deaths investigated on or after that date.

§ 130A-388. Medical examiner's permission necessary before embalming, burial and cremation.

(a) No person knowing or having reason to know that a death may be under the jurisdiction of the medical examiner pursuant to G.S. 130A-383 or 130A-384, shall embalm, bury or cremate the body without the permission of the medical examiner.

(b) A dead body shall not be cremated or buried at sea unless a medical examiner certifies that he has inquired into the cause and the manner of death and has the opinion that no further examination is necessary. This subsection shall not apply to deaths occurring less than 24 hours after birth or to deaths of patients resulting only from natural disease and occurring in a licensed hospital unless the death falls within the jurisdiction of the medical examiner under G.S. 130A-383 or 130A-384. The Commission is authorized to adopt rules creating additional exceptions to this subsection. For making this certification, the medical examiner shall be entitled to a fee in an amount determined reasonable and appropriate by the Secretary, not to exceed fifty dollars ($50.00), to be paid by the applicant. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1963, c. 492, s. 4; 1967, c. 1154, s. 1; 1971, c. 444, s. 7; 1973, c. 873, s. 7; 1983, c. 891, s. 2.)

§ 130A-389. Autopsies.

(a) If, in the opinion of the medical examiner investigating the case or of the Chief Medical Examiner, it is advisable and in the public interest that an autopsy or other study be made; or, if an autopsy or other study is requested by the district attorney of the county or by any superior court judge, an autopsy or other study shall be made by the Chief Medical Examiner or by a competent pathologist designated by the Chief Medical Examiner. A complete autopsy report of findings and interpretations, prepared on forms designated for the purpose, shall be submitted promptly to the Chief Medical Examiner. Subject to the limitations of G.S. 130A-389.1 relating to photographs and video or audio recordings of an autopsy, a copy of the report shall be furnished to any person upon request. A fee for the autopsy or other study shall be paid by the State. However, if the deceased is a resident of the county in which the death or fatal injury occurred, that county shall pay the fee. The fee shall be one thousand dollars ($1,000).

(b) In deaths where the Chief Medical Examiner and the medical examiner investigating the case do not deem it advisable and in the public interest that an autopsy be performed, but the next-of-kin of the deceased requests that an autopsy be performed, the Chief Medical Examiner or a designated pathologist may perform the autopsy, unless the deceased's health care power of attorney granted authority for such decisions to the health care agent. If the Chief Medical Examiner or a designated pathologist performs the autopsy at the request of the next of kin, the cost shall be paid by the next of kin.

(c) When the next-of-kin of a decedent whose death does not fall under G.S. 130A-383 or 130A-384 requests that an autopsy be performed, the Chief Medical Examiner or a designated pathologist may perform that autopsy and the cost shall be paid by the next-of-kin.

(d) The report of autopsies performed pursuant to subsections (b) and (c) shall be a part of the decedents' medical records and therefore not public records open to inspection. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1967, c. 1154, s. 1; 1973, c. 47, s. 2; c. 476, s. 128; 1975, c. 9; 1981, c. 187, s. 7; c. 562, p. 5; 1983, c. 891, s. 2; 1991, c. 463, s. 2; 1998-212, s. 29A.10(a); 2005-351, s. 4; 2005-393, s. 2; 2006-226, s. 32.)

Editor's Note. — Session Laws 2005-393, s. 4, provides: "This act becomes effective December 1, 2005, and applies to offenses committed on or after that date. This act applies to all unauthorized disclosures of autopsy photographs or video or audio recordings that occur on or after the effective date, regardless of whether the autopsy was performed before or after that date."

Subsection (a), as amended by Session Laws 2005-393, s. 2, effective December 1, 2005, is applicable to offenses committed on or after that date.

Session Laws 2005-351, s. 4, as amended by Session Laws 2006-226, s. 32, effective October 1, 2005, which substituted "autopsy, unless the deceased's health care power of attorney granted authority for such decisions to the health care agent. If the Chief Medical Examiner or a designated pathologist performs the autopsy at the request of the next of kin, the cost" for "autopsy and the cost" near the end of subsection (b), is applicable to powers of attorney created on, before, or after that date.

CASE NOTES

The doctrine of governmental immunity protects a medical examiner from liability for alleged negligence when he was officially requested by another medical examiner to conduct an autopsy to serve the public interest. Cherry v. Harris, 110 N.C. App. 478, 429 S.E.2d 771, cert. denied, 335 N.C. 171, 436 S.E.2d 371 (1993).

No Liability for Mere Negligence. — If a public officer is sued in his individual capacity, he is entitled to immunity for actions constituting mere negligence, but may be subject to liability for actions which are corrupt, malicious or outside the scope of his official duties. Epps v. Duke Univ., Inc., 116 N.C. App. 305, 447 S.E.2d 444 (1994).

OPINIONS OF ATTORNEY GENERAL

Chief Medical Examiner, after performing duties required by law, may release the body of the deceased to the spouse or next of kin who claims the body for final disposition even though he or she may be suspected of, arrested for, or indicted for a criminal act in connection with the death of the deceased. See opinion of Attorney General to Page Hudson, M.D., Chief Medical Examiner, 50 N.C.A.G. 7 (1980), rendered under former statutory provisions.

Public Records. — Autopsy reports, except upon exhumed body or remains, are public records. See opinion of Attorney General to Mr. Rodney C. Hobbs, Division of Health Services, 44 N.C.A.G. 193 (1974), rendered under former statutory provisions.

§ 130A-389.1. Photographs and video or audio recordings made pursuant to autopsy.

(a) Except as otherwise provided by law, any person may inspect and examine original photographs or video or audio recordings of an autopsy performed pursuant to G.S. 130A-389(a) at reasonable times and under reasonable supervision of the custodian of the photographs or recordings. Except as otherwise provided by this section, no custodian of the original recorded images shall furnish copies of photographs or video or audio recordings of an autopsy to the public. For purposes of this section, the Chief Medical Examiner shall be the custodian of all autopsy photographs or video or audio recordings unless the photographs or recordings were taken by or at the direction of an investigating medical examiner and the investigating medical examiner retains the original photographs or recordings. If the investigating medical examiner has retained the original photographs or recordings, then the investigating medical examiner is the custodian of the photographs or video or audio recordings and must allow the public to inspect and examine them in accordance with this subsection.

(b) The following public officials may obtain copies of autopsy photographs or video or audio recordings for official use only. These public officials shall not disclose the photographs or video or audio recordings to the public except as provided by law:

(1) The Chief Medical Examiner or a pathologist designated by the Chief Medical Examiner.
(2) Investigating Medical Examiner.
(3) District attorney.
(4) Superior court judge.
(5) Law enforcement officials conducting an investigation relating to the death.

A public official authorized by this subsection to obtain copies may provide a copy of the photograph or videotape to another person for the sole purpose of aiding in the identification of the deceased through publication of the photograph or videotape.

(c) The following persons may obtain copies of autopsy photographs or video or audio recordings but may not disclose the photographs or video or audio recordings to the public unless otherwise authorized by law:

(1) The personal representative of the estate of the deceased.
(2) A person authorized by an order issued in a special proceeding pursuant to subsection (d) of this section.
(3) A physician licensed to practice in North Carolina who uses a copy of the photographs or video or audio recording to confer with attorneys or others with a bona fide professional need to use or understand forensic science, provided that the physician promptly returns the copy to the custodian.
(4) After redacting all information identifying the decedent, including name, address, and social security number, and after anonymizing any physical recognition, a medical examiner, coroner, physician, or their designee who uses such material for:
    a. Medical or scientific teaching or training purposes;
    b. Teaching or training of law enforcement personnel;
    c. Teaching or training of attorneys or others with a bona fide professional need to use or understand forensic science;
    d. Conferring with medical or scientific experts in the field of forensic science; or
    e. Publication in a scientific or medical journal or textbook.

    A medical examiner, coroner, or physician who has in good faith complied with this subsection shall not be subject to any penalty under this section.

Any person who lawfully obtains a copy of a photograph or video or audio recording pursuant to this subsection shall be required to sign a statement acknowledging that they have received notice that any unauthorized disclosure of the photograph or video or audio recording is a Class 2 misdemeanor.

(d) A person who is denied access to copies of photographs or video or audio recordings, or who is restricted in the use the person may make of the photographs or video or audio recordings under this section, may commence a special proceeding in accordance with Article 33 of Chapter 1 of the General Statutes. Upon a showing of good cause, the clerk may issue an order authorizing the person to copy or disclose a photograph or video or audio recording of an autopsy and may prescribe any restrictions or stipulations that the clerk deems appropriate. In determining good cause, the clerk shall consider whether the disclosure is necessary for the public evaluation of governmental performance; the seriousness of the intrusion into the family's right to privacy and whether the disclosure is the least intrusive means available; and the availability of similar information in other public records, regardless of form. In all cases, the viewing, copying, listening to, or other handling of a photograph or video or audio recording of an autopsy shall be under the direct supervision of the Chief Medical Examiner or the Chief Medical Examiner's designee. A party aggrieved by an order of the clerk may appeal to the appropriate court in accordance with Article 27A of Chapter 1 of the General Statutes.

(e) The petitioner shall provide reasonable notice of the commencement of a special proceeding, as authorized by subsection (d) of this section, and reasonable notice of the opportunity to be present and heard at any hearing on the matter in accordance with Rule 5 of the Rules of Civil Procedure. The notice shall be provided to the personal representative of the estate of the deceased, if any, and to the surviving spouse of the deceased. If there is no surviving spouse, then the notice shall be provided to the deceased's parents, and if the deceased has no living parent, then to the adult child of the deceased or to the guardian or custodian of a minor child of the deceased.

(f) This section does not apply to the use of autopsy photographs or video or audio recordings in a criminal, civil, or administrative proceeding except that nothing in this section prohibits a court or presiding officer, upon good cause shown, from restricting or otherwise controlling the disclosure to persons other than the parties and attorneys to the proceeding of an autopsy, crime scene, or similar photograph or video or audio recordings in the manner provided under this section.

(g) Any person who willfully and knowingly violates this section is guilty of a Class 2 misdemeanor, provided that more than one disclosure of the same item by the same person is not a separate offense.

(h) Any person not authorized by this section to obtain a copy of an autopsy photograph or video or audio recording, who knowingly and willfully removes, copies, or otherwise creates an image of an autopsy photograph or video or audio recording with intent to steal the same, is guilty of a Class 1 misdemeanor. (2005-393, s. 3.)

Editor's Note. — Session Laws 2005-393, s. 4, provides: "This act becomes effective December 1, 2005, and applies to offenses committed on or after that date. This act applies to all unauthorized disclosures of autopsy photographs or video or audio recordings that occur on or after the effective date, regardless of whether the autopsy was performed before or after that date."

§ 130A-390. Exhumations.

(a) In any case of death described in G.S. 130A-383 or 130A-384 where the body is buried without investigation by a medical examiner as to the cause and manner of death or where sufficient cause develops for further investigation after a body is buried as determined by a county medical examiner or the Chief Medical Examiner, the Chief Medical Examiner shall authorize an investigation and send a report of the investigation with recommendations to the appropriate district attorney. The district attorney may forward the report to the superior court judge and petition for disinterment. The judge may order that the body be exhumed and that an autopsy be performed by the Chief Medical Examiner. A report of the autopsy and other pathological studies shall be delivered to the judge. The cost of the exhumation, autopsy, transportation and disposition of the body shall be paid by the State. However, if the deceased is a resident of the county in which death or fatal injury occurred, that county shall pay the cost.

(b) Any person may petition a judge of the superior court for an order of exhumation. Upon showing of sufficient cause, the judge may order the body exhumed. The cost incurred shall be assigned to the petitioner.

(c) Without applying for a judicial exhumation order, the next-of-kin of a deceased person may have the remains exhumed, examined by the Chief Medical Examiner and redisposed. The cost shall be paid by the next-of-kin. (1983, c. 891, s. 2; 1991, c. 463, s. 3.)

CASE NOTES

Cited in Batcheldor v. Boyd, 108 N.C. App. 275, 423 S.E.2d 810 (1992).

§ 130A-391: Repealed by Session Laws 2008-153, s. 3, effective August 2, 2008.

§ 130A-392. Reports and records as evidence.

Reports of investigations made by a county medical examiner or by the Chief Medical Examiner and toxicology and autopsy reports made pursuant to this Part may be received as evidence in any court or other proceeding. Copies of records, photographs, laboratory findings and records in the Office of the Chief Medical Examiner, any county medical examiner or designated pathologist, when duly certified, shall have the same evidentiary value as the original. (1967, c. 1154, s. 1; 1973, c. 476, s. 128; 1981, c. 187, s. 8; 1983, c. 891, s. 2.)

CASE NOTES

Statements Listing Insured's Death as Suicide Excluded. — In case brought by widow of insured to recover under life insurance policy, statements listing suicide as the cause of death in the medical examiner's report were properly excluded at trial. Drain v. United Servs. Life Ins. Co., 85 N.C. App. 174, 354 S.E.2d 269, cert. denied, 320 N.C. 630, 360 S.E.2d 85 (1987).

Cited in Pickrell v. Motor Convoy, Inc., 322 N.C. 363, 368 S.E.2d 582 (1988); Reaves v. Indus. Pump Serv., — N.C. App. —, 671 S.E.2d 14, 2009 N.C. App. LEXIS 63 (2009).

§ 130A-393. Rules.

The Commission shall adopt rules to carry out the intent and purpose of this Part. (1967, c. 1154, s. 1; 1973, c. 476, s. 128; 1981, c. 614, s. 15; 1983, c. 891, s. 2.)

§ 130A-394. Coroner to hold inquests.

In every case requiring the medical examiner to be notified, as provided by G.S. 130A-383, the coroner shall be notified by the medical examiner, and the coroner shall hold an inquest and preliminary hearing in those instances as required in G.S. 152-7. The coroner shall file a written report of his investigation with the district attorney of the superior court and the medical examiner. The body shall remain in the custody and control of the medical examiner. However, if a county has abolished the office of coroner pursuant to the provisions of Chapter 152A at a time when Chapter 152A was in effect in the county: (i) The provisions of this Article relating to coroner shall not be applicable to the county, (ii) the provisions of G.S. 152A-9 shall remain in full force and effect in the county, and (iii) Chapter 152 of the General Statutes shall not be applicable in the county. (1955, c. 972, s. 1; 1957, c. 1357, s. 1; 1967, c. 1154, s. 1; 1969, c. 299; 1973, c. 47, s. 2; 1983, c. 891, s. 2; 1985, c. 462, s. 1.)

Editor's Note. — Chapter 152A, referred to in this section, was repealed by Session Laws 1967, c. 1154, s. 8.

§ 130A-395. Handling and transportation of bodies.

(a) It shall be the duty of the physician licensed to practice medicine under Chapter 90 attending any person who dies and is known to have smallpox, plague, HIV infection, hepatitis B infection, rabies, or Jakob-Creutzfeldt to provide written notification to all individuals handling the body of the proper precautions to prevent infection. This written notification shall be provided to funeral service personnel at the time the body is removed from any hospital, nursing home, or other health care facility. When the patient dies in a location other than a health care facility, the attending physician shall notify the funeral service personnel verbally of the precautions required in subsections (b) and (c) as soon as the physician becomes aware of the death.

(b) The body of a person who died from smallpox or plague shall not be embalmed. The body shall be enclosed in a strong, tightly sealed outer case which will prevent leakage or escape of odors as soon as possible after death and before the body is removed from the hospital room, home, building, or other premises where the death occurred. This case shall not be reopened except with the consent of the local health director.

(c) Persons handling bodies of persons who died and were known to have HIV infection, hepatitis B infection, Jakob-Creutzfeldt, or rabies shall be provided written notification to observe blood and body fluid precautions. (1989, c. 698, s. 4.)

§§ 130A-396, 130A-397: Reserved for future codification purposes.

Part 2. Autopsies.

§ 130A-398. Limitation on right to perform autopsy.

The right to perform an autopsy shall be limited to those cases in which:

(1) The Chief Medical Examiner or a county medical examiner, acting pursuant to G.S. 130A-389, directs that an autopsy be performed;

(2) The Commission of Anatomy, acting pursuant to G.S. 130A-415, has given written consent for an autopsy to be performed on an unclaimed body;

(3) A prosecuting officer or district attorney, acting pursuant to G.S. 15-7 in case of homicide, directs that an autopsy be performed;

(4) The decedent directs in writing prior to death that an autopsy be performed upon the occurrence of the decedent's death;

(4a) The health care agent under a health care power of attorney with authority to make decisions with respect to autopsies requests that an autopsy be performed upon the deceased principal;

(5) The personal representative of the estate of the decedent requests that an autopsy be performed upon the decedent; or

(6) Any of the following persons, in order of priority, when persons in prior classes are not available at the time of death, and in the absence of actual notice of contrary indications by the decedent or actual opposition by a member of the same or prior class, authorizes an autopsy to be performed:

  a. The spouse;
  b. Any adult child or stepchild;

c. Any parent or stepparents;
d. Any adult sibling;
e. A guardian of the person of the decedent at the time of the decedent's death;
f. Any relative or person who accepts responsibility for final disposition of the body by other customary and lawful procedures;
g. Any person under obligation to dispose of the body. (1931, c. 152; 1933, c. 209; 1967, c. 1154, s. 4; 1969, c. 444; 1973, c. 47, s. 2; 1983, c. 891, s. 2; 2005-351, s. 5; 2006-226, s. 32.)

Editor's Note. — Session Laws 2005-351, s. 5, as amended by Session Laws 2006-226, s. 32, effective October 1, 2005, which added subdivision (4a), is applicable to powers of attorney created on, before, or after that date.

CASE NOTES

A cause of action exists in this State for wrongful autopsy. The cause of action arises from a quasi-property right of the surviving next-of-kin to bury the dead without wrongful interference. Grad v. Kaasa, 68 N.C. App. 128, 314 S.E.2d 755, rev'd on other grounds, 312 N.C. 310, 321 S.E.2d 888 (1984), decided under former G.S. 130-198 and G.S. 130-200.

But a Violation Will Not Automatically Result in Liability. — Although the regulations and statutes limit a medical examiner's authority to order autopsies, a violation will not inevitably result in liability. A public official will be held liable only if it is shown that he acted entirely outside the scope of his authority or that his act, while inside his authority, was malicious or corrupt. Grad v. Kaasa, 68 N.C. App. 128, 314 S.E.2d 755, rev'd on other grounds, 312 N.C. 310, 321 S.E.2d 888 (1984), decided under former G.S. 130-198 and G.S. 130-200.

When Medical Examiner Is Immune from Liability. — A medical examiner acts outside his authority if he subjectively determines that an autopsy is not authorized by statute, yet proceeds anyway, or if he fails to make any subjective determination at all concerning whether an autopsy would serve the public interest before proceeding. Conversely, where a medical examiner receives a death report under G.S. 130-198 (see now G.S. 130A-383) or 10 N.C. Administrative Code § 11.0203, and then makes a subjective determination that an autopsy is advisable and in the public interest, his actions are within the scope of his authority and he is immune from liability unless his actions are motivated by malice or corruption. Grad v. Kaasa, 68 N.C. App. 128, 314 S.E.2d 755, rev'd on other grounds, 312 N.C. 310, 321 S.E.2d 888 (1984), decided under former G.S. 130-198 and G.S. 130-200.

§ 130A-399. Postmortem examination of inmates of certain public institutions.

Upon the death of any inmate of an institution maintained by the State, or a city, county or other political subdivision of the State, for the care of the sick, mentally ill or mentally retarded, the administrator of the institution in which the death occurs is empowered to authorize a postmortem examination of the deceased person. The examination shall be of a scope and nature necessary to promote knowledge of the human organism and its disorders. (1943, c. 87, s. 1; 1983, c. 891, s. 2.)

§ 130A-400. Written consent for postmortem examinations required.

An administrator of an institution shall not authorize a postmortem examination described in G.S. 130A-399 without first securing the written consent of the deceased person's spouse, one of the next-of-kin or nearest known relative, or other person charged by law with the duty of burial, in the order named and as known. A copy of the written consent shall be filed in the office of the administrator of the institution where the inmate died. (1943, c. 87, s. 3; 1983, c. 891, s. 2.)

§ 130A-401. Postmortem examinations in certain medical schools.

The postmortem examinations and studies authorized by G.S. 130A-399 may be made in the laboratories of medical schools of colleges and universities on conditions established by the administrator. (1943, c. 87, s. 2; 1983, c. 891, s. 2.)

Part 3. Uniform Anatomical Gift Act.

§§ 130A-402 through 130A-412.2: Repealed by Session Laws 2007-538, s. 3.(b), effective October 1, 2007.

Editor's Note. — As to present similar provisions pertaining to the Revised Uniform Anatomical Gift Act, as enacted by Session Laws 2007-538, s. 1, see G.S. 130A-412.3 et seq.

Former G.S. 130A-410, 130A-411, 130A-412.1, and 130A-412.2 of this Part were recodified under Part 3A of Article 16 of Chapter 130A, as G.S. 130A-412.30, 130A-412.31, 130A-412.32, and 130-412.33, respectively, by Session Laws 2007-538, s. 3(a), effective October 1, 2007.

Part 3A. Revised Uniform Anatomical Gift Act.

§ 130A-412.3. Short title.

This Part may be cited as the Revised Uniform Anatomical Gift Act. (2007-538, s. 1.)

Editor's Note. — Session Laws 2007-538, s. 14, made this Part effective October 1, 2007.

Session Laws 2007-538, s. 11, provides: "The North Carolina Department of Transportation, Division of Motor Vehicles, in cooperation with the License to Give Trust Fund Commission, shall use available grant-in-aid funds from the State and federal governments and other sources to enhance online access such that donors and prospective donors may update, amend, or revoke information on the donor's or prospective donor's drivers license or donor card."

Session Laws 2007-538, s. 12, provides: "This act modifies, limits, and supersedes the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001, et seq., but does not modify, limit, or supersede section 101(a) of that act, 15 U.S.C. § 7001, or authorize electronic delivery of any of the notices described in section 103(b) of that act, 15 U.S.C. § 7003(b)."

Session Laws 2007-538, s. 13, provides: "The North Carolina General Statutes Commission ('General Statutes Commission') shall review G.S. 130A-391 [repealed], G.S. 90-602, and other statutes related to organ donation to determine whether the statutes should be amended to be consistent with and conform to the Revised Uniform Anatomical Gift Act as enacted in this act. The General Statutes Commission shall make its recommendations upon the convening of the 2008 Regular Session of the 2007 General Assembly."

§ 130A-412.4. Definitions.

The following definitions apply in this Part:

(1) "Adult" means an individual who is at least 18 years of age.

(2) "Agent" means an individual:
  a. Authorized to make an anatomical gift on the principal's behalf under a power of attorney for health care; or
  b. Expressly authorized to make an anatomical gift on the principal's behalf by any other record signed by the principal.

(3) "Anatomical gift" means a donation of all or part of a human body to take effect after the donor's death for the purpose of transplantation, therapy, research, or education.

(4) "Body part" means an organ, an eye, or tissue of a human being. The term does not include the whole body.

(5) "Decedent" means a deceased individual whose body or body part is or may be the source of an anatomical gift. The term includes a stillborn infant and, subject to restrictions imposed by law other than this Article, a fetus.

(6) "Disinterested witness" means any individual except for the following:

a. The donor's: spouse, child, parent, sibling, grandchild, grandparent, or guardian.

b. An adult who exhibited special care and concern for the donor.

c. A person to whom an anatomical gift could pass under G.S. 130A-412.13.

(7) "Document of gift" means a donor card or other record used to make an anatomical gift. The term includes a statement or symbol on a drivers license, identification card, or donor registry.

(8) "Donor" means an individual whose body or body part is the subject of an anatomical gift.

(9) "Donor registry" means a database that contains records of anatomical gifts and amendments to or revocations of anatomical gifts.

(10) "Drivers license" means a license or permit issued by the North Carolina Department of Transportation, Division of Motor Vehicles, to operate a vehicle, whether or not conditions are attached to the license or permit.

(11) "Eye bank" means an entity that is licensed, accredited, or regulated under federal or state law to engage in the recovery, screening, testing, processing, storage, or distribution of human eyes or portions of human eyes.

(12) "Guardian" means a person appointed by a court to make decisions regarding the support, care, education, health, or welfare of an individual. The term does not include a guardian ad litem.

(12a) "Health care decision" means any decision made regarding the health care of the prospective donor.

(13) "Hospital" means a facility licensed as a hospital under the law of any state or a facility operated as a hospital by the United States, a state, or a subdivision of a state.

(14) "Identification card" means an identification card issued by the North Carolina Department of Transportation, Division of Motor Vehicles.

(15) "Know" means to have actual knowledge.

(16) "Minor" means an individual who is under 18 years of age.

(17) "Organ procurement organization" means a person designated by the Secretary of the United States Department of Health and Human Services as an organ procurement organization.

(18) "Parent" means a parent whose parental rights have not been terminated.

(19) "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, public corporation, government or governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

(20) "Physician" means an individual authorized to practice medicine or osteopathy under the law of any state.

(21) "Procurement organization" means an eye bank, organ procurement organization, or tissue bank.

(22) "Prospective donor" means an individual who is dead or near death and has been determined by a procurement organization to have a body part that could be medically suitable for transplantation, therapy, research, or education. The term does not include an individual who has made a refusal.

(23) "Reasonably available" means able to be contacted by a procurement organization without undue effort and willing and able to act in a timely manner consistent with existing medical criteria necessary for the making of an anatomical gift.
(24) "Recipient" means an individual into whose body a decedent's body part has been or is intended to be transplanted.
(25) "Record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.
(26) "Refusal" means a record created under G.S. 130A-412.9 that expressly states an intent to bar other persons from making an anatomical gift of an individual's body or body part.
(27) "Sign" means, with the present intent to authenticate or adopt a record:
  a. To execute or adopt a tangible symbol; or
  b. To attach to or logically associate with the record an electronic symbol, sound, or process.
(28) "State" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States.
(29) "Technician" means an individual determined to be qualified to remove or process body parts by an appropriate organization that is licensed, accredited, or regulated under federal or state law. The term includes an enucleator.
(30) "Tissue" means a portion of the human body other than an organ or an eye. The term does not include blood unless the blood is donated for the purpose of research or education.
(31) "Tissue bank" means a person that is licensed, accredited, or regulated under federal or state law to engage in the recovery, screening, testing, processing, storage, or distribution of tissue.
(32) "Transplant hospital" means a hospital that furnishes organ transplants and other medical and surgical specialty services required for the care of transplant patients. (2007-538, s. 1.)

§ 130A-412.5. Applicability.

This act applies to an anatomical gift or amendment to, revocation of, or refusal to make an anatomical gift, whenever made. (2007-538, s. 1.)

§ 130A-412.6. Who may make an anatomical gift before donor's death.

Subject to G.S. 130A-412.10, an anatomical gift of a donor's body or body part may be made during the life of the donor for the purpose of transplantation, therapy, research, or education in the manner provided in G.S. 130A-412.7 by:
(1) The donor, if the donor is an adult or if the donor is a minor and is:
  a. Emancipated; or
  b. Authorized under State law to apply for a drivers license because the donor is at least 16 years of age;
(2) An agent of the donor to the extent authorized under a power of attorney for health care or other record;
(3) A parent of the donor, if the donor is an unemancipated minor; or
(4) The donor's guardian. (2007-538, s. 1.)

§ 130A-412.7. Manner of making anatomical gift before donor's death.

(a) A donor may make an anatomical gift by any of the following methods:

(1) By authorizing that a statement or symbol be imprinted on the donor's drivers license or identification card indicating that the donor has made an anatomical gift. Anatomical gifts made by this method shall not include a donation of tissue or the donor's body.
(2) In a will.
(3) During a terminal illness or injury of the donor, by any form of communication addressed to at least two adults, at least one of whom is a disinterested witness.
(4) As provided in subsection (b) of this section.

(b) A donor or other person authorized to make an anatomical gift under G.S. 130A-412.6 may make a gift by a signed donor card or other record signed by the donor or other person making the gift or by authorizing that a statement or symbol indicating that the donor has made an anatomical gift be included on a donor registry. If the donor or other person is physically unable to sign a record, the record may be signed by another individual at the direction of the donor or other person and must:
(1) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the donor or the other person; and
(2) State that it has been signed and witnessed as provided in subdivision (1) of this subsection.

(c) Revocation, suspension, expiration, or cancellation of a drivers license or identification card upon which an anatomical gift is indicated does not invalidate the gift.

(d) An anatomical gift made by will takes effect upon the donor's death whether or not the will is probated. Invalidation of the will after the donor's death does not invalidate the gift. (2007-538, s. 1.)

§ 130A-412.8. Amending or revoking anatomical gift before donor's death.

(a) Subject to G.S. 130A-412.10, a donor or other person authorized to make an anatomical gift under G.S. 130A-412.6 may amend or revoke an anatomical gift by:
(1) A record signed by:
a. The donor;
b. The other person; or
c. Subject to subsection (b) of this section, another individual acting at the direction of the donor or the other person if the donor or other person is physically unable to sign; or
(2) A later-executed document of gift that amends or revokes a previous anatomical gift or portion of an anatomical gift, either expressly or by inconsistency.

(b) A record signed pursuant to sub-subdivision c. of subdivision (1) of subsection (a) of this section must:
(1) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the donor or the other person; and
(2) State that it has been signed and witnessed as provided in subdivision (1) of this subsection.

(c) Subject to G.S. 130A-412.10, a donor or other person authorized to make an anatomical gift under G.S. 130A-412.6 may revoke an anatomical gift by the destruction or cancellation of the document of gift, or the portion of the document of gift used to make the gift, with the intent to revoke the gift.

(d) A donor may amend or revoke an anatomical gift that was not made in a will by any form of communication during a terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.

(e) A donor who makes an anatomical gift in a will may amend or revoke the gift in the manner provided for amendment or revocation of wills or as provided in subsection (a) of this section. (2007-538, s. 1.)

§ 130A-412.9. Refusal to make anatomical gift; effect of refusal.

(a) An individual may refuse to make an anatomical gift of the individual's body or body part by:

(1) A record signed by:
  a. The individual; or
  b. Subject to subsection (b) of this section, another individual acting at the direction of the individual if the individual is physically unable to sign;

(2) The individual's will, whether or not the will is admitted to probate or invalidated after the individual's death; or

(3) Any form of communication made by the individual during the individual's terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.

(b) A record signed pursuant to sub-subdivision b. of subdivision (1) of subsection (a) of this section must:

(1) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the individual; and

(2) State that it has been signed and witnessed as provided in subdivision (1) of this subsection.

(c) An individual who has made a refusal may amend or revoke the refusal:

(1) In the manner provided in subsection (a) of this section for making a refusal;

(2) By subsequently making an anatomical gift pursuant to G.S. 130A-412.7 that is inconsistent with the refusal; or

(3) By destroying or canceling the record evidencing the refusal, or the portion of the record used to make the refusal, with the intent to revoke the refusal.

(d) Except as otherwise provided in G.S. 130A-412.10(h), in the absence of an express, contrary indication by the individual set forth in the refusal, an individual's unrevoked refusal to make an anatomical gift of the individual's body or body part bars all other persons from making an anatomical gift of the individual's body or body part. (2007-538, s. 1.)

§ 130A-412.10. Preclusive effect of an anatomical gift, amendment, or revocation.

(a) Except as otherwise provided in subsection (g) of this section and subject to subsection (f) of this section, in the absence of an express, contrary indication by the donor, a person other than the donor is barred from making, amending, or revoking an anatomical gift of a donor's body or body part if either of the following apply:

(1) The donor made an anatomical gift of the donor's body or body part under G.S. 130A-412.7.

(2) The donor made an amendment to an anatomical gift of the donor's body or body part under G.S. 130A-412.8.

(b) A donor's revocation of an anatomical gift of the donor's body or body part under G.S. 130A-412.8 is not a refusal and does not bar another person specified in G.S. 130A-412.6 or G.S. 130A-412.11 from making an anatomical gift of the donor's body or body part under G.S. 130A-412.7 or G.S. 130A-412.12.

(c) If a person other than the donor makes an unrevoked anatomical gift of the donor's body or body part under G.S. 130A-412.7 or an amendment to an anatomical gift of the donor's body or body part under G.S. 130A-412.8, another person may not make, amend, or revoke the gift of the donor's body or body part under G.S. 130A-412.12.

(d) A revocation of an anatomical gift of a donor's body or body part under G.S. 130A-412.8 by a person other than the donor does not bar another person from making an anatomical gift of the body or body part under G.S. 130A-412.7 or G.S. 130A-412.12.

(e) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under G.S. 130A-412.6, an anatomical gift of a body part is neither a refusal to give another body part nor a limitation on the making of an anatomical gift of another body part at a later time by the donor or another person.

(f) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under G.S. 130A-412.6, an anatomical gift of a body part for one or more of the purposes set forth in G.S. 130A-412.6 is not a limitation on the making of an anatomical gift of the body part for any of the other purposes by the donor or any other person under G.S. 130A-412.7 or G.S. 130A-412.12.

(g) If a donor who is an unemancipated minor dies, a parent of the donor who is reasonably available may revoke or amend an anatomical gift of the donor's body or body part.

(h) If an unemancipated minor who signed a refusal dies, a parent of the minor who is reasonably available may revoke the minor's refusal. (2007-538, s. 1.)

§ 130A-412.11. Who may make an anatomical gift of decedent's body or body part.

(a) Subject to subsections (b) and (c) of this section, and unless barred by G.S. 130A-412.9 or G.S. 130A-412.10, an anatomical gift of a decedent's body or body part for purpose of transplantation, therapy, research, or education may be made by any member of the following classes of persons who is reasonably available, in the order of priority listed:

(1) An agent of the decedent at the time of death who could have made an anatomical gift under G.S. 130A-412.6(2) immediately before the decedent's death;
(2) The spouse of the decedent;
(3) Adult children of the decedent;
(4) Parents of the decedent;
(5) Adult siblings of the decedent;
(6) Adult grandchildren of the decedent;
(7) Grandparents of the decedent;
(8) An adult who exhibited special care and concern for the decedent;
(9) The persons who were acting as the guardians of the person of the decedent at the time of death; and
(10) Any other person having the authority to dispose of the decedent's body.

(b) If there is more than one member of a class listed in subdivision (a)(1), (3), (4), (5), (6), (7), or (9) of this section entitled to make an anatomical gift, an anatomical gift may be made by a member of the class unless that member or a person to which the gift may pass under G.S. 130A-412.13 knows of an objection by another member of the class. If an objection is known, the gift may be made only by a majority of the members of the class who are reasonably available.

(c) A person may not make an anatomical gift if, at the time of the decedent's death, a person in a prior class under subsection (a) of this section is reasonably available to make or to object to the making of an anatomical gift. (2007-538, s. 1.)

§ 130A-412.12. Manner of making, amending, or revoking anatomical gift of decedent's body or body part.

(a) A person authorized to make an anatomical gift under G.S. 130A-412.11 may make an anatomical gift by a document of gift signed by the person making the gift or by that person's oral communication that is electronically recorded or is contemporaneously reduced to a record and signed by the individual receiving the oral communication.

(b) Subject to subsection (c) of this section, an anatomical gift by a person authorized under G.S. 130A-412.11 may be amended or revoked orally or in a record by any member of a prior class who is reasonably available. If more than one member of the prior class is reasonably available, the gift made by a person authorized under G.S. 130A-412.11 may be:

(1) Amended only if a majority of the reasonably available members agrees to the amending of the gift; or
(2) Revoked only if a majority of the reasonably available members agrees to the revoking of the gift or if they are equally divided as to whether to revoke the gift.

(c) A revocation under subsection (b) of this section is effective only if, before an incision has been made to remove a body part from the donor's body or before invasive procedures have begun to prepare the recipient, the procurement organization, transplant hospital, or physician or technician knows of the revocation. (2007-538, s. 1.)

§ 130A-412.13. Persons that may receive anatomical gift; purpose of anatomical gift.

(a) An anatomical gift may be made to the following persons named in the document of gift:

(1) A hospital; accredited medical school, dental school, college, or university; organ procurement organization; or other appropriate person, including the Commission on Anatomy, for research or education;
(2) Subject to subsection (b) of this section, an individual designated by the person making the anatomical gift if the individual is the recipient of the body part;
(3) An eye bank or tissue bank.

(b) If an anatomical gift to an individual under subdivision (a)(2) of this section cannot be transplanted into the individual, the body part passes in accordance with subsection (g) of this section in the absence of an express, contrary indication by the person making the anatomical gift.

(c) If an anatomical gift of one or more specific body parts or of all body parts is made in a document of gift that does not name a person described in subsection (a) of this section but identifies the purpose for which an anatomical gift may be used, the following rules apply:

(1) If the body part is an eye and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate eye bank.

(2) If the body part is tissue and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate tissue bank.
(3) If the body part is an organ and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate organ procurement organization as custodian of the organ.
(4) If the body part is an organ, an eye, or tissue and the gift is for the purpose of research or education, the gift passes to the appropriate procurement organization.

(d) For the purpose of subsection (c) of this section, if there is more than one purpose of an anatomical gift set forth in the document of gift but the purposes are not set forth in any priority, the gift must be used for transplantation or therapy, if suitable. If the gift cannot be used for transplantation or therapy, the gift may be used for research or education.

(e) If an anatomical gift of one or more specific body parts is made in a document of gift that does not name a person described in subsection (a) of this section and does not identify the purpose of the gift, the gift may be used only for transplantation or therapy, and the gift passes in accordance with subsection (g) of this section.

(f) If a document of gift specifies only a general intent to make an anatomical gift by words such as "donor," "organ donor," or "body donor," or by a symbol or statement of similar import, the gift may be used only for transplantation or therapy, and the gift passes in accordance with subsection (g) of this section.

(g) For purposes of subsections (b), (e), and (f) of this section, the following rules apply:
(1) If the body part is an eye, the gift passes to the appropriate eye bank.
(2) If the body part is tissue, the gift passes to the appropriate tissue bank.
(3) If the body part is an organ, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(h) An anatomical gift of an organ for transplantation or therapy, other than an anatomical gift under subdivision (a)(2) of this section, passes to the organ procurement organization as custodian of the organ.

(i) If an anatomical gift does not pass pursuant to subsections (a) through (h) of this section or the decedent's body or body part is not used for transplantation, therapy, research, or education, then custody of the body or body part passes to the person under obligation to dispose of the body or body part.

(j) A person may not accept an anatomical gift if the person knows that the gift was not effectively made under G.S. 130A-412.7 or G.S. 130A-412.12 or if the person knows that the decedent made a refusal under G.S. 130A-412.9 that was not revoked. For purposes of this subsection, if a person knows that an anatomical gift was made on a document of gift, the person is deemed to know of any amendment or revocation of the gift or any refusal to make an anatomical gift on the same document of gift.

(k) Except as otherwise provided in subdivision (a)(2) of this section, nothing in this act affects the allocation of organs for transplantation or therapy. (2007-538, s. 1.)

§ 130A-412.14. Search and notification.

A search of an individual who is reasonably believed to be dead or near death for a document of gift or other information identifying the individual as a donor or as an individual who made a refusal, and, if applicable, notification of the hospital to which the individual is taken, shall be governed by G.S. 90-602. (2007-538, s. 1; 2008-153, s. 2.)

Effect of Amendments. — Session Laws 2008-153, s. 2, effective August 2, 2008, rewrote the section.

§ 130A-412.15. Delivery of document of gift not required; right to examine.

(a) A document of gift need not be delivered during the donor's lifetime to be effective.

(b) Upon or after an individual's death, a person in possession of a document of gift or a refusal to make an anatomical gift with respect to the individual shall allow examination and copying of the document of gift or refusal by a person authorized to make or object to the making of an anatomical gift with respect to the individual or by a person to which the gift could pass under G.S. 130A-412.13. (2007-538, s. 1.)

§ 130A-412.16. Rights and duties of procurement organization and others.

(a) When a hospital refers an individual at or near death to a procurement organization, the organization shall make a reasonable search of the records of the North Carolina Department of Transportation, Division of Motor Vehicles, and any donor registry that it knows exists for the geographical area in which the individual resides to ascertain whether the individual has made an anatomical gift.

(b) A procurement organization must be allowed reasonable access to information in the records of the North Carolina Department of Transportation, Division of Motor Vehicles, to ascertain whether an individual at or near death is a donor.

(c) When a hospital refers an individual at or near death to a procurement organization, the organization may conduct any reasonable examination necessary to ensure the medical suitability of a body part that is or could be the subject of an anatomical gift for transplantation, therapy, research, or education from a donor or a prospective donor. During the examination period, measures necessary to ensure the medical suitability of the body part may not be withdrawn unless the hospital or procurement organization knows that the individual expressed a contrary intent.

(d) Unless prohibited by law other than this Part, at any time after a donor's death, the person to which a body part passes under G.S. 130A-412.13 may conduct any reasonable examination necessary to ensure the medical suitability of the body or body part for its intended purpose.

(e) Unless otherwise prohibited by law, an examination under subsection (c) or (d) of this section may include an examination of all medical and dental records of the donor or prospective donor.

(f) Upon the death of a minor who was a donor or had signed a refusal, unless a procurement organization knows the minor is emancipated, the procurement organization shall conduct a reasonable search for the parents of the minor and provide the parents with an opportunity to revoke or amend the anatomical gift or revoke the refusal.

(g) Upon referral by a hospital under subsection (a) of this section, a procurement organization shall make a reasonable search for any person listed in G.S. 130A-412.11 having priority to make an anatomical gift on behalf of a prospective donor. If a procurement organization receives information that an anatomical gift to any other person was made, amended, or revoked, it shall promptly advise the other person of all relevant information.

(h) Subject to G.S. 130A-412.13(i) and G.S. 130A-412.25, the rights of the person to which a body part passes under G.S. 130A-412.13 are superior to the rights of all others with respect to the body part. The person may accept or reject an anatomical gift in whole or in part. Subject to the terms of the document of gift and this Part, a person that accepts an anatomical gift of an entire body may allow embalming, burial, or cremation, and use of remains in a funeral service. If the gift is of a body part, the person to which the body part passes under G.S. 130A-412.13, upon the death of the donor and before embalming, burial, or cremation, shall cause the body part to be removed without unnecessary mutilation.

(i) Neither the physician who attends the decedent at death nor the physician who determines the time of the decedent's death may participate in the procedures for removing or transplanting a part from the decedent.

(j) A physician or technician may remove a donated body part from the body of a donor that the physician or technician is qualified to remove. (2007-538, s. 1.)

§ 130A-412.17. Coordination of procurement and use.

Each hospital in this State shall enter into agreements or affiliations with procurement organizations for coordination of procurement and use of anatomical gifts. (2007-538, s. 1.)

§ 130A-412.18. Sale or purchase of body parts prohibited.

(a) Except as otherwise provided in subsection (b) of this section, a person, that for valuable consideration, knowingly purchases or sells a body part for transplantation or therapy if removal of a body part from an individual is intended to occur after the individual's death commits a Class H felony and upon conviction may be fined up to fifty thousand dollars ($50,000) for each offense.

(b) A person may charge a reasonable amount for the removal, processing, preservation, quality control, storage, transportation, implantation, or disposal of a body part. (2007-538, s. 1.)

§ 130A-412.19. Other prohibited acts.

A person that, in order to obtain a financial gain, intentionally falsifies, forges, conceals, defaces, or obliterates a document of gift, an amendment or revocation of a document of gift, or a refusal commits a Class H felony and upon conviction may be fined up to fifty thousand dollars ($50,000) for each offense. (2007-538, s. 1.)

§ 130A-412.20. Immunity.

(a) A person that acts with due care in accordance with this Part or with the applicable anatomical gift law of another state, or attempts in good faith to do so, is not liable for the act in a civil action, criminal prosecution, or administrative proceeding.

(b) Neither the person making an anatomical gift nor the donor's estate is liable for any injury or damage that results from the making or use of the gift.

(c) In determining whether an anatomical gift has been made, amended, or revoked under this Part, a person may rely upon representations of an individual listed in subdivisions (2) through (8) of G.S. 130A-412.11(a) relating to the individual's relationship to the donor or prospective donor unless the person knows that the representation is untrue. (2007-538, s. 1.)

§ 130A-412.21. Law governing validity; choice of law as to execution of document of gift; presumption of validity.

(a) A document of gift is valid if executed in accordance with:
(1) This Part;
(2) The laws of the state or country where it was executed; or
(3) The laws of the state or country where the person making the anatomical gift was domiciled, has a place of residence, or was a national at the time the document of gift was executed.

(b) If a document of gift is valid under this section, the law of this State governs the interpretation of the document of gift.

(c) A person may presume that a document of gift or amendment of an anatomical gift is valid unless that person knows that it was not validly executed or was revoked. (2007-538, s. 1.)

§ 130A-412.22. Donor registry.

The online Organ Donor Registry Internet site established pursuant to G.S. 20-43.2 shall be the State donor registry for anatomical gifts made pursuant to this Part. Requirements for maintenance and use of the State donor registry shall be as provided under G.S. 20-43.2. (2007-538, s. 1.)

§ 130A-412.23. Cooperation between a medical examiner and the procurement organization.

(a) The medical examiner shall cooperate with procurement organizations to maximize the opportunity to recover anatomical gifts for the purpose of transplantation, therapy, research, or education.

(b) If a medical examiner receives notice from a procurement organization that an anatomical gift might be available or was made with respect to a decedent whose body is under the jurisdiction of the medical examiner and a postmortem examination is going to be performed, unless the medical examiner denies recovery in accordance with G.S. 130A-412.24, the medical examiner or designee shall conduct a postmortem examination of the body or the body part in a manner and within a period compatible with its preservation for the purposes of the gift.

(c) A body part may not be removed from the body of a decedent under the jurisdiction of a medical examiner for transplantation, therapy, research, or education unless the body part is the subject of an anatomical gift. The body of a decedent under the jurisdiction of the medical examiner may not be delivered to a person for research or education unless the body is the subject of an anatomical gift. This subsection does not preclude a medical examiner from performing the medicolegal investigation upon the body or body parts of a decedent under the jurisdiction of the medical examiner.

(d) As used in this section and G.S. 130A-412.24, "medical examiner" includes the Chief Medical Examiner, a county medical examiner, or a designee of either. (2007-538, s. 1.)

§ 130A-412.24. Facilitation of anatomical gift from decedent whose body is under the jurisdiction of a medical examiner.

(a) Upon request of a procurement organization, a medical examiner shall release to the procurement organization the name, contact information, and available medical and social history of a decedent whose body is or will come under the jurisdiction of the medical examiner. If the decedent's body or body part is medically suitable for transplantation, therapy, research, or education, the medical examiner shall release postmortem examination results to the procurement organization. The procurement organization may make a subsequent disclosure of the postmortem examination results or other information received from the medical examiner only if relevant to transplantation or therapy.

(b) The medical examiner may conduct a medicolegal examination, including physical examination of a donor or prospective donor and review of all medical records, laboratory test results, X-rays, other diagnostic results, and other information that any person possesses about a donor or prospective donor whose body is under the jurisdiction of the medical examiner or whose body would be under the medical examiner's jurisdiction upon death and that the medical examiner determines may be relevant to the investigation.

(c) A person that has any information requested by a medical examiner pursuant to subsection (b) of this section shall provide that information as expeditiously as possible to allow the medical examiner to conduct the medicolegal investigation within a period compatible with the preservation of body parts for the purpose of transplantation, therapy, research, or education.

(d) If an anatomical gift has been or might be made of a body part of a decedent whose body is under the jurisdiction of the medical examiner and a postmortem examination is not required, or the medical examiner determines that a postmortem examination is required but that the recovery of the body part that is the subject of an anatomical gift will not interfere with the examination, the medical examiner and procurement organization shall cooperate in the timely removal of the body part from the decedent for the purpose of transplantation, therapy, research, or education.

(e) If an anatomical gift of a body part from the decedent under the jurisdiction of the medical examiner has been or might be made, but the medical examiner initially believes that the recovery of the body part could interfere with the postmortem investigation into the decedent's cause or manner of death, the collection of evidence, or the description, documentation, or interpretation of injuries on the body, the medical examiner shall consult with the procurement organization or physician or technician designated by the procurement organization about the proposed recovery. After consultation, the medical examiner may deny or allow the recovery.

(f) If the medical examiner or designee allows recovery of a body part under subsection (d) or (e) of this section, the procurement organization shall provide the medical examiner or designee with a record describing the condition of the body part signed by the physician or technician who removes the body part and any other information and observations that would assist in the postmortem examination. (2007-538, s. 1.)

§§ 130A-412.25 through 130A-412.29: Reserved for future codification purposes.

§ 130A-412.30. Use of tissue declared a service; standard of care; burden of proof.

The procurement, processing, distribution or use of whole blood, plasma, blood products, blood derivatives and other human tissues such as corneas, bones or organs for the purpose of injecting, transfusing or transplanting any of them into the human body is declared to be, for all purposes, the rendition of a service by every participating person or institution. Whether or not any remuneration is paid, the service is declared not to be a sale of whole blood, plasma, blood products, blood derivatives or other human tissues, for any purpose. No person or institution shall be liable in warranty, express or implied, for the procurement, processing, distribution or use of these items but nothing in this section shall alter or restrict the liability of a person or institution in negligence or tort in consequence of these services. (1971, c. 836; 1983, c. 891, s. 2; 2007-538, s. 3(a).)

Editor's Note. — Session Laws 2007-538, s. 3(a), recodified former G.S. 130A-410 as G.S. 130A-412.30, effective October 1, 2007.

Legal Periodicals. — For note, "The Legal Liability of Blood Donor Services and Transfusion Providers in the Wake of the AIDS Crisis," see 290 N.C. Cent. L.J. 20 (1992).

For Survey of Developments in North Carolina Law (1992), see 71 N.C.L. Rev. 1893 (1993).

CASE NOTES

Editor's Note. *— The cases below were decided under former G.S. 130A-410.*

Personal Jurisdiction over Organ Procurement Organization. — Under the Uniform Anatomical Gift Act the procurement of organs is expressly considered a service, and where out-of-state organ procurement organization was responsible for the transportation of a kidney to the destination of a recipient member of organ procurement network, packaged and shipped the kidney to North Carolina so that its service was not complete until the kidney was delivered to this State, and directly billed a North Carolina entity for its services, the exercise of jurisdiction over the organ procurement organization pursuant to G.S. 1-75.4(5)(a) was proper. Slaughter v. Life Connection, 907 F. Supp. 929 (M.D.N.C. 1995).

Cited in Doe v. American Nat'l Red Cross, 798 F. Supp. 301 (E.D.N.C. 1992).

§ 130A-412.31. Giving of blood by persons 16 years of age or more.

A person who is 16 years of age or more may give or donate blood to an individual, hospital, blood bank or blood collection center without the consent of the parent or parents or guardian of the donor. It shall be unlawful for a person under the age of 18 years to sell blood. (1971, c. 10; c. 1093, s. 16; 1977, c. 373; 1983, c. 891, s. 2; 2007-538, s. 3(a); 2008-153, s. 9.)

Editor's Note. — Session Laws 2007-538, s. 3(a), recodified former G.S. 130A-411 as G.S. 130A-412.31, effective October 1, 2007.

Effect of Amendments. — Session Laws 2008-153, s. 9, effective August 2, 2008, substituted "16 years" for "17 years" in the section heading and in the first sentence.

§ 130A-412.32. Duty of hospitals to establish organ procurement protocols.

(a) In order to facilitate the goals of this Part, each hospital shall establish written protocols that:

(1) Require that only the organ procurement organization designated by the Secretary of Health and Human Services be notified of all deaths or impending brain deaths meeting criteria for notification as established by the designated organ procurement organization; and

(2) Ensure that notification required under subdivision (1) of this subsection be made as soon as it is determined that brain death is imminent or cardiac death has occurred.

(b) Hospitals shall provide their federally designated organ procurement organizations and tissue banks reasonable access to patients' medical records for the purpose of determining organ or tissue donation potential.

(c) The family of any person whose organ or tissue is donated for transplantation shall not be financially liable for any costs related to the evaluation of the suitability of the donor's organ or tissue for transplantation, or for any costs of retrieval of the organ or tissue.

(d) Each hospital shall provide its federally designated organ procurement organization with reasonable access during regular business hours to the medical records of deceased patients for the following purposes:

(1) Determining the hospital's organ and tissue donation potential;
(2) Assessing the educational needs of the hospital in regard to the organ and tissue donation process; and
(3) Providing documentation to the hospital to evaluate the effectiveness of the hospital's efforts.

(e) Each hospital shall have a signed agreement with its federally designated organ procurement organization that addresses the requirements of this section and the requirements of G.S. 130A-412.33.

(f) The requirements of this section, or of any hospital procurement protocols established pursuant to this section, shall not exceed those provided for by the hospital organ protocol provisions of Title XI of the Social Security Act, except for the purposes of this section the term "organ and tissue donors" shall include cornea and tissue donors for transplantation.

(g) Hospitals and hospital personnel shall not be subject to civil or criminal liability nor to discipline for unprofessional conduct for actions taken in good faith to comply with this section. This subsection shall not provide immunity from civil liability arising from gross negligence. (1987, c. 719, s. 1; 1989, c. 537, s. 4; 1997-192, s. 2; 1997-456, s. 48; 2007-538, ss. 3(a), 4.)

Editor's Note. — Session Laws 2007-538, s. 3(a), recodified former G.S. 130A-412.1 as G.S. 130A-412.32, effective October 1, 2007.

§ 130A-412.33. Duty of designated organ procurement organizations and tissue banks.

(a) After notification regarding an impending brain death, brain death, or cardiac death has been made to the federally designated organ procurement organization, the federally designated organ procurement organization shall evaluate donation potential.

(b) The federally designated organ procurement organization or tissue bank shall assure that families of potential organ and tissue donors are made aware of the option of organ and tissue donation and their option to decline.

(c) The federally designated organ procurement organization or tissue bank shall, working collaboratively with the hospital, request consent for organ or tissue donation in the order of priority established under G.S. 130A-412.11 and shall have designated, trained staff available to perform the consent process 24 hours a day, 365 days a year.

(d) The federally designated organ procurement organization or tissue bank shall encourage discretion and sensitivity with respect to the circumstances, views, and beliefs of the families of potential organ and tissue donors.

(e) All hospital and patient information, interviews, reports, statements, memoranda, and other data obtained or created by a tissue bank or federally designated organ procurement organization from the medical records review described in G.S. 130A-412.33 shall be privileged and confidential and may be used by the tissue bank or federally designated organ procurement organization only for the purposes set forth in G.S. 130A-412.33 and shall not be subject to discovery or introduction as evidence in any civil action, suit, or proceeding. However, hospital and patient information, interviews, reports, statements, memoranda, and other data otherwise available are not immune from discovery or use in a civil action, suit, or proceeding merely because they were obtained or created by a tissue bank or federally designated organ procurement organization from the medical records review described in G.S. 130A-412.33.

(f) If the hospital is made a party of any action, suit, or proceeding arising out of the failure of a federally designated organ procurement organization or tissue bank to comply with the requirements of this section, the hospital shall be held harmless from any and all liability and costs, including the amounts of judgments, settlements, fines, or penalties, and expenses and reasonable attorneys' fees incurred in connection with the action, suit, or proceeding. (1997-192, s. 3; 2007-538, ss. 3(a), 5, 6.)

Editor's Note. — Session Laws 2007-538, s. 3(a), recodified former G.S. 130A-412.2 as G.S. 130A-412.33, effective October 1, 2007.

Part 4. Human Tissue Donation Program.

§ 130A-413. Coordinated human tissue donation program; legislative findings and purpose; program established.

(a) The General Assembly finds that there is an increasing need for human tissues for transplantation purposes; that there is a continuing need for human tissues for the purposes of medical education and research; and that these needs are not being sufficiently filled at the present because of a shortage of human tissue donors. The General Assembly establishes a coordinated human tissue donation program to facilitate the acquisition and distribution of human tissues to promote the public health. For the purposes of this Part, the term "human tissue" includes cadavers.

(b) The Department shall establish and administer a coordinated program among departments and agencies of the State and all groups, both public and private, involved in the acquisition and distribution of human tissue to:

(1) Increase awareness of the need for human tissue donations and of the methods by which these donations are made;
(2) Increase awareness of the existing programs of human tissue transplantation and of medical research and education which employs human tissue and share information with the public;
(3) Study the problems surrounding the acquisition and distribution of human tissue and make suggestions for their solution;
(4) Disseminate information to health and other professionals concerning the techniques of human tissue retrieval and transplantation, the legalities involved in making anatomical gifts; and
(5) Arrange for the quick and precise transportation of donated human tissue in emergency transplant situations.

(c) All departments and agencies of the State and county and municipal law-enforcement agencies shall cooperate with the coordinated human tissue donation program instituted by the Department. (1983, c. 891, s. 2.)

Legal Periodicals. — For note, "Organ Allocation and the States: Can the States Restrict Broader Organ Sharing?," see 1999 Duke L.J. 261.

§ 130A-414: Repealed by Session Laws 1987, c. 719, s. 2.

Part 5. Disposition of Unclaimed Bodies.

§ 130A-415. Unclaimed bodies; bodies claimed by the Lifeguardianship Council of the Association for Retarded Citizens of North Carolina; disposition.

(a) Any person, including officers, employees and agents of the State or of any unit of local government in the State, undertakers doing business within the State, hospitals, nursing homes or other institutions, having physical possession of a dead body shall make reasonable efforts to contact relatives of the deceased or other persons who may wish to claim the body for final disposition. If the body remains unclaimed for final disposition for 10 days, the person having possession shall notify the Commission of Anatomy. Upon request of the Commission of Anatomy, the person having possession shall deliver the dead body to the Commission of Anatomy at a time and place specified by the Commission of Anatomy or shall permit the Commission of Anatomy to take and remove the body.

(b) All dead bodies not claimed for final disposition within 10 days of the decedent's death may be received and delivered by the Commission of Anatomy pursuant to the authority contained in G.S. 130A-33.30 and this Part and in accordance with the rules of the Commission of Anatomy. Upon receipt of a body by the Commission of Anatomy all interests in and rights to the unclaimed dead body shall vest in the Commission of Anatomy. The recipient to which the Commission of Anatomy delivers the body shall pay all expenses for the embalming and delivery of the body, and for the reasonable expenses arising from efforts to notify relatives or others.

(b1) The 10-day period referenced in subsections (a) and (b) of this section may be shortened by the county director of social services upon determination that a dead body will not be claimed for final disposition within the 10-day period.

(c) Should the Commission of Anatomy decline to receive a dead body, the person with possession shall inform the director of social services of the county in which the body is located. The director of social services of that county shall arrange for prompt final disposition of the body, either by cremation or burial. Reasonable costs of disposition and of efforts made to notify relatives and others shall be considered funeral expenses and shall be paid in accordance with G.S. 28A-19-6 and G.S. 28A-19-8. If those expenses cannot be satisfied from the decedent's estate, they shall be borne by the decedent's county of residence. If the deceased is not a resident of this State, or if the county of residence is unknown, those expenses shall be borne by the county in which the death occurred.

(d) No autopsy shall be performed on an unclaimed body without the written consent of the Commission of Anatomy except that written consent is not required for an autopsy performed pursuant to Part 2 of this Article.

(e) Due caution shall be taken to shield the unclaimed body from public view.

(f) Notwithstanding anything contained in this section, an unclaimed body shall not mean a dead body for which the deceased has made a gift pursuant to Part 3A of this Article.

(g) Nothing in this Part shall require the officers, employees or agents of a county to notify the Commission of Anatomy regarding the bodies of minors who were in the custody of the county at the time of death and whose final disposition will be arranged by the county. In the absence of notification, the expenses of the final disposition shall be a charge upon the county having custody.

(h) The provisions of this Part shall not apply to bodies within the jurisdiction of the medical examiner under G.S. 130A-383 or 130A-384.

(i) In addition to the other duties of the Commission of Anatomy, when the Commission of Anatomy is notified by the Lifeguardianship Council of the Association of Retarded Citizens of North Carolina, Inc., that the Council intends to claim a body, the Commission shall release the body to the Council. The Lifeguardianship Council shall notify the Commission of Anatomy within 24 hours after death of its intent to claim a body for burial or other humane and caring disposition. (1975, c. 694, s. 3; 1977, c. 458; 1983, c. 891, s. 2; 1987, c. 470; 1989, c. 222; c. 770, s. 75; 2008-153, s. 7.)

Effect of Amendments. — Session Laws 2008-153, s. 7, effective August 2, 2008, substituted "Part 3A" for "Part 3" in subsection (f).

§ 130A-416. Commission of Anatomy rules.

The Commission of Anatomy is authorized to adopt rules necessary to implement the provisions of this Part. (1983, c. 891, s. 2.)

Part 6. Final Disposition or Transportation of Deceased Migrant Agricultural Workers and Their Dependents.

§ 130A-417. Definitions.

The following definitions shall apply throughout this Part:

(1) "Dependent" means child, grandchild, spouse or parent of a migrant agricultural worker who moves with the migrant agricultural worker in response to the demand for seasonal agricultural labor.

(2) "Migrant agricultural worker" means a worker who moves in response to the demand for seasonal agricultural labor. (1983, c. 891, s. 2.)

§ 130A-418. Deceased migrant agricultural workers and their dependents.

(a) Notwithstanding any other provisions of law, a person having knowledge of the death of a migrant agricultural worker or a worker's dependent shall without delay report the death to the department of social services in the county in which the body is located together with any information regarding the deceased including identity, place of employment, permanent residence, and the name, address and telephone number of any relative and any interested person. The county department of social services shall, within a reasonable time of receiving this report, transmit to the Department notice of the death and information received upon notification. The Department shall make reasonable effort to inform the next-of-kin and any interested person of the death.

(b) If the identity of the person cannot be determined within a reasonable period of time, or if the body is unclaimed 10 days after death, the body shall be offered to the Commission of Anatomy and, upon its request, shall be delivered to the Commission of Anatomy. If the Commission of Anatomy does not request an unclaimed body offered it or the estate, and if the relatives or other interested persons claiming the body are unable to provide for the final disposition of the migrant agricultural worker or dependent, the Department is authorized and directed to arrange for the final disposition of the decedent.

(c) If the estate, relatives or interested persons are able to provide for final disposition but are unable to effect the transportation of the decedent to the decedent's legal residence or the legal residence of the relatives or interested persons, the Department is authorized and directed to allocate a sum of not more than two hundred dollars ($200.00) to defray the transportation expenses.

(d) The Secretary is authorized to adopt rules necessary to implement this section. (1975, c. 891; 1977, c. 648; 1983, c. 891, s. 2.)

§ 130A-419: Reserved for future codification purposes.

Part 7. Disposition of Body or Body Parts.

§ 130A-420. Authority to dispose of body or body parts.

(a) An individual at least 18 years of age may authorize the type, place, and method of disposition of the individual's own dead body by methods in the following order:

(1) Pursuant to a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General Statutes or pursuant to a cremation authorization form executed pursuant to Article 13C of Chapter 90 of the General Statutes.

(2) Pursuant to a written will.

(3) Pursuant to a written statement other than a will signed by the individual and witnessed by two persons who are at least 18 years old.

(4) Pursuant to a health care power of attorney to the extent provided in Article 3 of Chapter 32A of the General Statutes.

An individual may also delegate his or her right to dispose of his or her own dead human body to any person by any means authorized in subdivisions (1) through (3) of this subsection.

(b) If a decedent has left no written authorization for the disposal of the decedent's body as permitted under subsection (a) of this section, the following competent persons in the order listed may authorize the type, method, place, and disposition of the decedent's body:

(1) The surviving spouse.

(2) A majority of the surviving children over 18 years of age, who can be located after reasonable efforts.

(3) The surviving parents.

(4) A majority of the surviving siblings over 18 years of age, who can be located after reasonable efforts.

(5) A majority of the persons in the classes of the next degrees of kinship, in descending order, who, under State law, would inherit the decedent's estate if the decedent died intestate who are at least 18 years of age and can be located after reasonable efforts.

(6) A person who has exhibited special care and concern for the decedent and is willing and able to make decisions about the disposition.

(7) In the case of indigents or any other individuals whose final disposition is the responsibility of the State or any of its instrumentalities, a public administrator, medical examiner, coroner, State-appointed guardian, or any other public official charged with arranging the final disposition of the decedent.

(8) In the case of individuals who have donated their bodies to science or whose death occurred in a nursing home or private institution and in which the institution is charged with making arrangements for the final disposition of the decedent, a representative of the institution.

(9) In the absence of any of the persons described in subdivisions (1) through (8) of this subsection, any person willing to assume responsibility for the disposition of the body.

This subsection does not grant to any person the right to cancel a preneed funeral contract executed pursuant to Article 13D of Chapter 90 of the General Statutes, to prohibit the substitution of a preneed licensee as authorized under G.S. 90-210.63, or to permit modification of preneed contracts under G.S. 90-210.63A. If an individual is incompetent at the time of the decedent's death, the individual shall be treated as if he or she predeceased the decedent. An attending physician may certify the incompetence of an individual and the certification shall apply to the rights under this section only. Any individual under this section may waive his or her rights under this subsection by any written statement notarized by a notary public or signed by two witnesses.

(b1) A person who does not exercise his or her right to dispose of the decedent's body under subsection (b) of this section within five days of notification or 10 days from the date of death, whichever is earlier, shall be deemed to have waived his or her right to authorize disposition of the decedent's body or contest disposition in accordance with this section.

(c) An individual at least 18 years of age may, in a writing signed by the individual, authorize the disposition of one or more of the individual's body parts that has been or will be removed. If the individual does not authorize the disposition, a person listed in subsection (b) of this section may authorize the disposition as if the individual was deceased.

(d) This section does not apply to the disposition of dead human bodies as anatomical gifts under Part 3A of Article 16 of Chapter 130A of the General Statutes or the right to perform autopsies under Part 2 of Article 16 of Chapter 130A of the General Statutes. (1997-399, s. 34; 2007-531, s. 26; 2008-153, s. 8.)

Editor's Note. — The section above has been designated as G.S. 130A-420 at the direction of the Revisor of Statutes, the number in the enacting act having been G.S. 130A-422.

Effect of Amendments. — Session Laws 2008-153, s. 8, effective August 2, 2008, substituted "Part 3A" for "Part 3" in subsection (d).

§ 130A-421: Reserved for future codification purposes.

ARTICLE 17.

Childhood Vaccine-Related Injury Compensation Program.

§ 130A-422. Definitions.

The following definitions apply throughout this Article, unless the context clearly implies otherwise:

(1) "Claimant" means any person who files a claim for compensation for a vaccine-related injury pursuant to G.S. 130A-425(b). In the case of a minor or incompetent, a claim may be filed by a guardian ad litem, parent, guardian, or other legal representative; and, in the case of a decedent, the claim may be filed by an administrator, executor, or other legal representative.

In the event that more than one person claims to have suffered compensable injuries as the result of the administration of a covered vaccine to a single individual, all these persons shall be treated for purposes of this Article as if they were a single claimant. A single joint claim shall be filed on behalf of all these persons, and the limitations on awards set forth in G.S. 130A-427(b) apply to that joint claim or subsequent joint action as if it were a claim filed on behalf of a single individual.

(2) "Commission" means the North Carolina Industrial Commission.

(3) "Covered vaccine" means a vaccine administered pursuant to the requirements of G.S. 130A-152.

(4) "Respondent" means the person or entity the claimant identifies in the claim as the agent of causality of the vaccine-related injury.

(5) "Vaccine-related injury", with respect to persons engaged in the manufacture, distribution, or sale, or administration of a covered vaccine, means any injury, disability, illness, death, or condition caused by the vaccine. "Vaccine-related injury" shall not mean any injury, disability, illness, death, or condition caused by the method of injection of the vaccine into the body. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 8.)

CASE NOTES

Cited in Goetz v. Wyeth-Lederle Vaccines, 168 N.C. App. 712, 608 S.E.2d 810, 2005 N.C. App. LEXIS 448 (2005).

§ 130A-423. North Carolina Childhood Vaccine-Related Injury Compensation Program; exclusive remedy; relationship to federal law; subrogation.

(a) There is established the North Carolina Childhood Vaccine-Related Injury Compensation Program.

(b) The rights and remedies granted the claimant, the claimant's parent, guardian ad litem, guardian, or personal representative shall exclude all other rights and remedies of the claimant, his parent, guardian ad litem, guardian, or personal representative against any respondent at common law or otherwise on account of injury, illness, disability, death, or condition. If an action is filed, it shall be dismissed, with prejudice, on the motion of any party under law.

(b1) A claimant may file a petition pursuant to this Article only after the claimant has filed an election pursuant to Section 2121 of the Public Health Service Act, P.L. 99-660, permitting the claimant to file a civil action for damages for a vaccine-related injury or death or if the claimant is otherwise permitted by federal law to file an action against a vaccine manufacturer.

(c) Nothing in this Article prohibits any individual from bringing a civil action against a vaccine manufacturer for damages for a vaccine-related injury or death if the action is not barred by federal law under subtitle 2 of Title XXI of the Public Health Service Act.

(d) If any action is brought against a vaccine manufacturer as permitted by subtitle 2 of Title XXI of the Public Health Service Act and subsection (c) of this section, the plaintiff in the action may recover damages only to the extent permitted by subdivisions (1) through (3) of subsection (a) of G.S. 130A-427. The aggregate amount awarded in any action may not exceed the limitation established by subsection (b) of G.S. 130A-427. Regardless of whether an action is brought against a vaccine manufacturer, a claimant who has filed an election pursuant to Section 2121 of the Public Health Service Act, as enacted into federal law by Public Law 99-660, permitting a claimant to file a civil action for damages for a vaccine-related injury or death, or who is otherwise permitted by federal law to file an action against a vaccine manufacturer, may file a petition pursuant to G.S. 130A-425 to obtain services from the Department pursuant to subdivision (5) of subsection (a) of G.S. 130A-427 and, if no action has been brought against a vaccine manufacturer, to obtain other relief available pursuant to G.S. 130A-427.

(e) In order to prevent recovery of duplicate damages, or the imposition of duplicate liability, in the event that an individual seeks an award pursuant to

G.S. 130A-427 and also files suit against the manufacturer as permitted by subtitle 2 of Title XXI of the Public Health Service Act and subsection (c) of this section, the following provisions shall apply:

(1) If, at the time an award is made pursuant to G.S. 130A-427, an individual has already recovered damages from a manufacturer pursuant to a judgment or settlement, the award shall consist only of a commitment to provide services pursuant to subdivision (5) of subsection (a) of G.S. 130A-427.

(2) If, at any time after an award is made to a claimant pursuant to G.S. 130A-427, an individual recovers damages for the same vaccine-related injury from a manufacturer pursuant to a judgment or settlement, the individual who recovers the damages shall reimburse the State for all amounts previously recovered from the State in the prior proceeding. Before a defendant in any action for a vaccine-related injury pays any amount to a plaintiff to discharge a judgment or settlement, he shall request from the Secretary a statement itemizing any reimbursement owed by the plaintiff pursuant to this subdivision, and, if any reimbursement is owed by the plaintiff to the Department, the defendant shall pay the reimbursable amounts, as determined by the Secretary, directly to the Department. This payment shall discharge the plaintiff's obligations to the State under this subdivision and any obligation the defendant may have to the plaintiff with respect to these amounts.

(3) If:

a. An award has been made to a claimant for an element of damages pursuant to G.S. 130A-427; and

b. An individual has recovered for the same element of damages pursuant to a judgment in, or settlement of, an action for the same vaccine-related injury brought against a manufacturer, and that amount has not been remitted to the State pursuant to subdivision (2) of this subsection; and

c. The State seeks to recover the amounts it paid in an action it brings against the manufacturer pursuant to G.S. 130A-430;

any judgment obtained by the State under G.S. 130A-430 shall be reduced by the amount necessary to prevent the double recovery of any element of damages from the manufacturer. Nothing in this subdivision limits the State's right to obtain reimbursement from a claimant under subdivision (2) of this subsection with respect to any double payment that might be received by the claimant.

(f) Subrogation claims pursued under the National Childhood Vaccine Injury Act of 1986 shall be filed with the appropriate court, not with the Industrial Commission. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, ss. 1, 2; 1989, c. 727, ss. 148, 149; 1991, c. 410, s. 1; 1997-443, s. 11A.85.)

Editor's Note. — Session Laws 1987, c. 215, s. 9, made the amendment by s. 2 of the act, which added subsection (f), effective upon ratification (May 19, 1987). Section 9 further provided that the amendment by s. 1 of the act, which amended the catchline and added subsections (c), (d) and (e), would become effective only on and after the effective date of subtitle 2 of Title XXI of the Public Health Service Act, as enacted into federal law pursuant to Title III of Public Law 99-660, and only if this federal law on its effective date contained language forbidding a state from establishing or enforcing a law prohibiting an individual from bringing a civil action against a vaccine manufacturer for damages for a vaccine-related injury or death if this action is not barred by federal law.

Section 300aa-22(e) of Title 42 of the United States Code, effective October 1, 1988, appears to contain such language.

§ 130A-424. Industrial Commission authorized to hear and determine claims; damages.

The North Carolina Industrial Commission is authorized to hear and pass upon all claims filed pursuant to this Article. The members of the Commission, or a deputy thereof, have power to issue subpoenas, administer oaths, conduct hearings, take evidence, enter orders, opinions, settlements, and awards, and punish for contempt. The Commission may appoint deputies and clerical assistants to carry out the purpose and intent of this Article, and this deputy or deputies are vested with the same power and authority to hear and determine claims filed pursuant to this Article as is by this Article vested in the members of the Commission. (1985 (Reg. Sess., 1986), c. 1008, s. 1.)

CASE NOTES

Cited in Goetz v. Wyeth-Lederle Vaccines, 168 N.C. App. 712, 608 S.E.2d 810, 2005 N.C. App. LEXIS 448 (2005).

§ 130A-425. Filing of claims.

(a) Notwithstanding any other provision of State law, no action for compensation for a vaccine-related injury may be filed against any person unless that person was named as a respondent in a claim filed pursuant to this section and unless the claim was filed within the applicable time period set forth in G.S. 130A-429.

(b) In all claims filed pursuant to this Article, the claimant or the person in whose behalf the claim is made shall file with the Commission a verified petition in duplicate, setting forth the following information:

(1) The name and address of the claimant;
(2) The name and address of each respondent;
(3) The amount of compensation in money and services sought to be recovered;
(4) The time and place where the injury occurred;
(5) A brief statement of the facts and circumstances surrounding the injury and giving rise to the claim; and
(6) Supporting documentation and a statement of the claim that the claimant or the person in whose behalf the claim is made suffered a vaccine-related injury and has not previously collected an award or settlement of a civil action for damages for this injury. This supporting documentation shall include all available medical records pertaining to the alleged injury, including autopsy reports, if any, and if the injured person was under two years of age at the time of injury, all prenatal, obstetrical, and pediatric records of care preceding the injury, and an identification of any unavailable records known to the claimant or the person in whose behalf the claim is made.
(7) Documentation to show that the claimant has filed an election pursuant to Section 2121 of the Public Health Service Act, P.L. 99-660, permitting such claimant to file a civil action for damages for a vaccine-related injury or death or documentation to show that such

claimant is otherwise permitted by federal law to file an action against a vaccine manufacturer.

(c) Upon receipt of this verified petition in duplicate, the Commission shall enter the case upon its hearing docket and shall determine the matter in the county where the injury occurred unless the parties agree or the Commission directs that the case may be heard in some other county. All parties shall be given reasonable notice of the date when and the place where the claim will be heard. Immediately upon receipt of the claim, the Commission shall serve a copy of the verified petition on each respondent by registered or certified mail. The Commission shall also send a copy of the verified petition to the Secretary, who shall be a party to all proceedings involving the claim, and to the Attorney General who shall represent the State's interest in all the proceedings involving the claim.

(d) The Commission shall adopt rules necessary to govern the proceedings required by this Article. The Rules of Civil Procedure as contained in G.S. 1A-1 et seq. and the General Rules of Practice for the Superior and District Courts as authorized by G.S. 7A-34 apply to claims filed with the Industrial Commission under this Article. The Commission shall keep a record of all proceedings conducted under this Article, and has the right to subpoena any persons and records it considers necessary in making its determinations. The Commission may require all persons called as witnesses to testify under oath or affirmation, and any member of the Commission may administer oaths. If any persons refuse to comply with any subpoena issued pursuant to this Article or to testify with respect to any matter relevant to proceedings conducted under this Article, the Superior Court of Wake County, on application of the Commission, may issue an order requiring the person to comply with the subpoena and to testify. Any failure to obey any such order may be punished by the court as for contempt. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 3; 1989, c. 727, s. 150; 1991, c. 410, s. 2.)

§ 130A-426. Determination of claims.

(a) The Commission shall determine, on the basis of the evidence presented to it, the following issues:

(1) Whether any injuries alleged in the claim are vaccine-related injuries; and

(2) How much compensation, if any, is awardable pursuant to G.S. 130A-427.

(b) If the Commission determines pursuant to subsection (a) of this section that the injuries alleged in the claim are not vaccine-related injuries, it shall render a decision denying any compensation. If the Commission decides that any of the injuries are vaccine-related injuries it shall make an award pursuant to guidelines it establishes specifically adopted to relate to vaccine-related injuries. (1985 (Reg. Sess., 1986), c. 1008, s. 1.)

§ 130A-427. Commission awards for vaccine-related injuries; duties of Secretary.

(a) Upon determining that a claimant has sustained a vaccine-related injury, the Commission shall make an award providing compensation or services for any or all of the following:

(1) Actual and projected reasonable expenses of medical care, developmental evaluation, special education, vocational training, physical, emotional or behavioral therapy, and residential and custodial care and service expenses, that cannot be provided by the Department pursuant to subdivision (5) of this subsection;

(2) Loss of earnings and projected earnings, determined in accordance with generally accepted actuarial principles;
(3) Noneconomic, general damages arising from pain, suffering, and emotional distress;
(4) Reasonable attorneys fees;
(5) Needs that the Secretary determines on a case-by-case basis shall be met by medical, health, developmental evaluation, special education, vocational training, physical, emotional, or behavioral therapy, residential and custodial care, and other essential and necessary services, to be provided the injured party by the programs and services administered by the Department. The Secretary shall develop an itemized list of the service needs of the injured party upon review and evaluation of the injured party's medical record and shall present it to the Commission prior to the Commission's determination. In the event that the Commission's award includes the provision of any of these services, the Secretary shall develop a comprehensive, coordinated plan for the delivery of these services to the injured party. Notwithstanding any other provision of State law, the Secretary shall waive all eligibility criteria in determining eligibility for services provided by the Department under the plan of care developed pursuant to this subdivision. If the award includes any such services, these services shall be provided by the Department free of any cost to the injured party.

(b) The money compensation component of the award may not be made pursuant to this section in excess of an aggregate amount of the present day value amount of three hundred thousand dollars ($300,000) with respect to all injuries claimed to have resulted from the administration of a covered vaccine to a single individual. The value of all services to be provided by the Department, as part of this award is in addition to the total amount of money compensation, and is not included in the limitation prescribed by this subsection on the amount of money compensation that may be awarded. No damages may be awarded pursuant to subdivision (a)(3) on behalf of any person to whom the covered vaccine was not administered. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1989, c. 727, s. 151; 1997-443, s. 11A.86.)

CASE NOTES

Cited in Goetz v. Wyeth-Lederle Vaccines, 168 N.C. App. 712, 608 S.E.2d 810, 2005 N.C. App. LEXIS 448 (2005).

§ 130A-428. Notice of determination of claim; appeal to full commission.

(a) Decisions of the Commission pursuant to G.S. 130A-427 shall be final and binding on the claimant and each respondent.

(b) Notwithstanding subsection (a), upon determination of the claim, the Commission shall notify all parties concerned in writing of its decision and any party shall have 15 days after receipt of such notice within which to file notice of appeal with the Commission. This appeal, when so taken, shall be heard by the Commission, sitting as a full commission, on the basis of the record in the matter and upon oral argument of the parties, and the full commission may amend, set aside, or strike out the decision of the hearing commissioner and may issue its own findings of fact and conclusions of law. Upon determination of the claim by the Commission, sitting as a full commission, the Commission shall notify all parties concerned in writing of its decision.

(c) The decision of the Commission, if not reviewed in due time, or an award of the Commission, shall be conclusive and binding as to all questions of fact; but any party to the proceedings may, within 30 days from the date of the decision or award, or within 30 days after receipt of notice to be sent by registered mail or certified mail of the award, but not thereafter, appeal from the decision or award of the Commission to the Court of Appeals for errors of law under the same terms and conditions as govern appeals from the Superior Court to the Court of Appeals in ordinary civil actions. The procedure for the appeal shall be provided by the Rules of Appellate Procedure. (1985 (Reg. Sess., 1986), c. 1008, s. 1.)

CASE NOTES

Full Commission Must Hear Appeal. — In a claim brought under the North Carolina Childhood Vaccine-Related Injury Compensation Program, (vaccine injury act), G.S. 130A-422 to G.S. 130A-434, although a decision may be rendered by a two commissioner majority of the North Carolina Industrial Commission, the appeal must nonetheless be heard by the full three commissioner panel. Goetz v. Wyeth-Lederle Vaccines, 168 N.C. App. 712, 608 S.E.2d 810, 2005 N.C. App. LEXIS 448 (2005).

§ 130A-429. Limitation on claims.

(a) Except as provided in subsection (b) of this section, any claim under this Article that is filed more than six years after the administration of a vaccine alleged to have caused a vaccine-related injury is barred. Claims on behalf of minors or incompetent persons shall be filed by their parents, guardians ad litem, or guardians within the applicable limitations period established by this section.

(b) Claims that are filed in accordance with the procedures set forth in G.S. 130A-425(b) within six years after the date of the enactment of this Article shall not be barred unless, on the date the claim was filed, the claimant was barred by the applicable statute of limitations from filing an action for damages with respect to the subject matter of the claim.

(c) The period of limitation set forth in this section shall be stayed beginning on the date the claimant files a petition under Section 2111 of the Public Health Service Act, P.L. 99-660, and ending 120 days after the date final judgment is entered on the petition. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1991, c. 410, s. 3.)

§ 130A-430. Right of State to bring action against health care provider and manufacturer.

(a) If the Industrial Commission makes an award for a claimant who it determines has sustained a vaccine-related injury, the State may, within two years of the date the Commission renders its decision, bring an action against the health care provider who administered the vaccine on the ground that the health care provider was negligent in administering the vaccine. Damages in an action brought under this section are limited to the amount of the award made by the Commission plus the estimated present value of all the services to be provided to the claimant by the Department under G.S. 130A-427.

(b) Manufacturer. — If the Industrial Commission makes an award for a claimant who it determines has sustained a vaccine-related injury, the State may, within two years of the date the Commission renders its decision, bring an action against the manufacturer who made the vaccine on the ground that the vaccine was a defective product. Damages in an action brought under this section are limited to the amount of the award made by the Commission plus the estimated present value of all the services to be provided to the claimant by the Department under G.S. 130A-427, the reasonable costs of prosecuting the action, including, but not limited to, attorneys fees, fees charged by witnesses, and costs of exhibits. For purposes of this subsection, a defective product is a covered vaccine that was manufactured, transported, or stored in a negligent manner, or was distributed after its expiration date, or that otherwise violated the applicable requirements of any license, approval, or permit, or any applicable standards or requirements issued under Section 351 of the Public Health Service Act, as amended, or the federal Food, Drug, and Cosmetic Act, as these standards or requirements were interpreted or applied by the federal agency charged with their enforcement. The negligence or other action in violation of applicable federal standards or requirements shall be demonstrated by the State, by a preponderance of the evidence, to be the proximate cause of the injury for which an award was rendered pursuant to G.S. 130A-427, in order to allow recovery by the State against the manufacturer pursuant to this subsection. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 4; 1989, c. 727, s. 152; 1997-443, s. 11A.87.)

§ 130A-431. Certain vaccine diversions made felony.

Any person who (i) receives a vaccine designated by the manufacturer for use in the State, (ii) directly or indirectly diverts the vaccine to a location outside the State, and (iii) directly or indirectly profits as a result of this diversion, is guilty of a Class I felony. The fine shall be twenty-five dollars ($25.00) per dose of the diverted vaccine or one hundred thousand dollars ($100,000), whichever is less. A health care professional convicted of a Class I felony pursuant to this section who is found by the court to have diverted more than 300 doses of covered vaccine shall have his license suspended for one year. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 5; 1993, c. 539, s. 1306; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 130A-432. Scope.

This Article applies to all claims for vaccine-related injuries occurring on and after October 1, 1986 and, at the option of the claimant, to claims for vaccine-related injuries that occurred before October 1, 1986 if such claim has not been resolved by final judgment or by settlement agreement or is not barred by a statute of limitations.

This Article applies to all claims for vaccine-related injuries alleged to have been caused by covered vaccines administered within the State, regardless of where an action relating to the injuries is brought and regardless of where the injuries are alleged to have occurred. (1985 (Reg. Sess., 1986), c. 1008, s. 1; 1987, c. 215, s. 6.)

§ 130A-433. Contracts for purchase of vaccines; distribution; fee; rules.

(a) Notwithstanding any law to the contrary, the Secretary may enter into contracts with the manufacturers and suppliers of covered vaccines and with other public entities either within or without the State for the purchase of covered vaccines and may provide for the distribution or sale of the covered vaccines to health care providers. Local health departments shall distribute the covered vaccines at the request of the Department. The Secretary shall adopt rules to implement this Article except for subsection (b) of this section.

(b) Except as otherwise provided in G.S. 130A-153(a), a health care provider who receives vaccine from the State may charge no more than a reasonable fee established by the Commission for Public Health for the administration of the vaccine. (1985 (Reg. Sess., 1986), c. 1008, s. 2; 1987, c. 215, s. 7; 1989, c. 727, s. 153; 1993, c. 321, s. 281(b); 2007-182, s. 2; 2009-451, s. 10.29A(b).)

Editor's Note. — Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 10.29A(b), effective July 1, 2009, in subsection (b), substituted "Except as otherwise provided in G.S. 130A-153(a), a health" for "A health" at the beginning, and deleted the former last sentence, which read: "Vaccines provided by the State to local health departments for administration shall be administered at no cost to the patient."

§ 130A-434. Child Vaccine Injury Compensation Fund established; payments from Fund; transfer of appropriations and receipts.

(a) There is established the Child Vaccine Injury Compensation Fund within the Department to finance the North Carolina Childhood Vaccine-Related Injury Compensation Program created by this article. The money compensation components of all awards made pursuant to Article 17 of Chapter 130A of the General Statutes shall be paid by the Department from the Fund.

(b) Should the Department find that the sum of appropriations and receipts is insufficient to meet financial obligations incurred in the administration of this article, appropriations and receipts in the Department which would otherwise revert to the General Fund may be transferred to the Child Vaccine Injury Compensation Fund in order to meet such obligations. The Department may also budget anticipated receipts as needed to implement this article. (1985 (Reg. Sess., 1986), c. 1008, s. 3(a), 3(b); 1989, c. 727, s. 154; 1997-443, s. 11A.88.)

§§ 130A-435 through 130A-439: Reserved for future codification purposes.

ARTICLE 18.

Health Assessments for Kindergarten Children in the Public Schools.

§ 130A-440. Health assessment required.

(a) Every child in this State entering kindergarten in the public schools shall receive a health assessment. The health assessment shall be made no more than 12 months prior to the date of school entry. No child shall attend kindergarten unless a health assessment transmittal form, developed pursuant to G.S. 130A-441, indicating that the child has received the health assessment required by this section, is presented to the school principal. The medical provider, or the parent, guardian, or person *in loco parentis*, must present a completed health assessment transmittal form to the principal of the school on or before the child's first day of attendance. If a health assessment transmittal form is not presented on or before the first day, the principal shall present a notice of deficiency to the parent, guardian, or responsible person. The parent, guardian, or responsible person shall have 30 calendar days from the first day of attendance to present the required health assessment transmittal form for the child. Upon termination of 30 calendar days, the principal shall not permit the child to attend the school until the required health assessment transmittal form has been presented.

(b) A health assessment shall include a medical history and physical examination with screening for vision and hearing and, if appropriate, testing for anemia and tuberculosis. Vision screening shall be conducted in accordance with G.S. 130A-440.1. The health assessment may also include dental screening and developmental screening for cognition, language, and motor function.

(c) The health assessment shall be conducted by a physician licensed to practice medicine, a physician's assistant as defined in G.S. 90-18.1(a), a certified nurse practitioner, or a public health nurse meeting the Department's Standards for Early Periodic Screening, Diagnosis, and Treatment Screening.

(d) This Article shall not apply to children entering kindergarten in private church schools, schools of religious charter, or qualified nonpublic schools, regulated by Article 39 of Chapter 115C of the General Statutes. (1985 (Reg. Sess., 1986), c. 1017, s. 1; 1987, c. 114, s. 1; 1989, c. 727, s. 155; 1993, c. 124, s. 1; 1995, c. 123, s. 10; 2006-240, s. 1(b).)

Editor's Note. — Session Laws 1999-22, s. 1, provides that the North Carolina Children's Vision Screening Improvement Program of the Department of Health and Human Services, which is administered through Prevent Blindness North Carolina and trains and certifies vision screeners who assess children in North Carolina schools, is designated the Kenneth C. Royall, Jr. Children's Vision Screening Improvement Program in recognition of Kenneth C. Royall, Jr.'s 32 years of leadership in Prevent Blindness North Carolina and his commitment to children's vision screening.

§ 130A-440.1. Early Childhood Vision Care.

(a) Vision Screening Required for Children Entering Kindergarten. — Every child in this State entering kindergarten in the public schools, beginning with the 2007-2008 school year, shall obtain vision screening in accordance with vision screening standards adopted by the Governor's Commission on Early Childhood Vision Care. Within 180 days of the start of the school year, the parent of the child shall present to the school principal or the principal's designee certification that the child has, within the past 12 months, obtained vision screening conducted by a licensed physician, optometrist, physician assistant, nurse practitioner, registered nurse, orthoptist, or a vision screener certified by Prevent Blindness North Carolina, or a comprehensive eye examination performed by an ophthalmologist or optometrist. The health assessment transmittal form required pursuant to G.S. 130A-440 qualifies as certification that the child has obtained the required vision screening. All providers conducting vision screening shall provide each parent in writing the results of the vision screening on forms bearing the signature of the provider supplied to the provider by the Governor's Commission on Early Childhood Vision Care. The provider shall also orally communicate this information to the parent and shall take reasonable steps to ensure that the parent understands the information communicated. In the instance where a child enters the first grade without having been enrolled in a kindergarten program requiring a vision screening, the requirements for vision screening under this subsection shall apply.

comprehensive eye examination pursuant to the terms of this section not more than six months prior to the date of school entry

(a1) Comprehensive Eye Examination. — For children who receive and fail to pass a vision screening as required under subsection (a) of this section, a comprehensive eye examination is required. If a public school teacher, administrator, or other appropriate school personnel has reason to believe that a child enrolled in kindergarten through third grade is having problems with vision, the school personnel may recommend to the child's parent that the child have a comprehensive eye examination. Notification to the parent shall also inform the parent that funds may be available from the Governor's Commission on Early Childhood Vision Care to pay providers for the examination, including corrective lenses.

The comprehensive eye examination shall be conducted by a duly licensed optometrist or ophthalmologist. The comprehensive eye examination conducted pursuant to this section shall consist of a complete and thorough examination of the eye and shall include:

(1) Measurement of visual acuity;
(2) Ocular alignment and motility;
(3) Depth perception — stereopsis;
(4) Fusion;
(5) Slit lamp examination of the lid margins, conjunctivae, cornea, anterior chamber, iris, and crystalline lens;
(6) Examination of the ocular adnexa, the anterior segment, and pupils; and
(7) Cycloplegic refraction and dilated fundus examination.

Health assessment vision screening under G.S. 130A-440 is not a comprehensive eye examination for purposes of this section.

(b) Repealed by Session Laws 2006-240, s. 1(a), effective August 13, 2006.

(c) The results of a comprehensive eye examination conducted under this section shall be included on the comprehensive eye examination transmittal form developed by the Commission pursuant to G.S. 143B-216.75 and shall contain a summary of the comprehensive eye examination performed by the optometrist or ophthalmologist. Any treatment recommendations by the optometrist or ophthalmologist, such as spectacles for schoolwork, shall appear in the summary and school health card. The provider shall present a signed transmittal form to the parent upon completion of the examination. The parent shall submit the transmittal form to the school in accordance with this section.

(d) Repealed by Session Laws 2006-240, s. 1(a), effective August 13, 2006.

(e) G.S. 130A-441, 130A-442, and 130A-443, pertaining to health assessments, apply to comprehensive eye examinations required under this section.

(f) No child shall be excluded from attending school for a parent's failure to obtain a comprehensive eye examination required under this section. If a parent fails or refuses to obtain a comprehensive eye examination or to provide the certification of a comprehensive eye examination, the school shall send a written reminder to the parent of required eye examinations and shall include information about funds that may be available from the Governor's Commission on Early Childhood Vision Care.

(g) In adopting standards for vision screening under this section and as required under G.S. 130A-440, the Commission shall take into account the resources necessary to comply with the standards and, if standards will require additional resources, shall mitigate the impact on resources without compromising vision screening effectiveness.

(h) As used in this section, the term "parent" means the parent, guardian, or person standing in loco parentis. (2005-276, s. 10.59F(g); 2005-345, s. 20(d); 2006-240, s. 1(a).)

Cross References. — As to the Governor's Commission on Early Childhood Vision Care, see G.S. 143B-216.70.

Governor's Vision Program Established. — Session Laws 2005-276, s. 10.59F(a)-(c), provides: "(a) Program established. — There is established in the Department of Health and Human Services, Division of Public Health, the Governor's Vision Care Program. The purpose of the Program is to provide funds for early detection and correction of vision problems in children enrolled in grades K through 3 who are eligible for services under the Program. These funds shall be allocated to reimburse optometrists and ophthalmologists licensed to practice in this State for the comprehensive eye examination, including necessary spectacles, provided to meet the requirements of G.S. 130A-440.1.

"(b) Eligibility. — Children eligible for services under this section shall be those with a family income not exceeding two hundred fifty percent (250%) of the federal poverty level, who do not have private health insurance coverage, and are not eligible for services under NC Health Choice, Medicaid, the Department of Health and Human Services' Commission for the Blind programs, VSP's Sight for Students, or the Lions Club Foundation.

"(c) For the purposes of this section, 'comprehensive eye examination' means a complete and thorough examination of the eye and human visual system that includes an evaluation, determination, and diagnosis of:

"(1) Visual acuity at distance and near;

"(2) Alignment and ocular motility;

"(3) Binocular fusion abnormalities, including tracking;

"(4) Actual refractive errors, including verification by subject means;

"(5) Any color vision disorder;

"(6) Intraocular pressure as may be medically appropriate; and

"(7) Ocular health, including internal and external assessment.

"Routine screening that does not encompass all of the examination components listed in this subsection does not qualify for reimbursement from the Program."

Editor's note. — Session Laws 2005-276, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2005'."

Session Laws 2005-276, s. 10.59F(h), as amended by Session Laws 2005-345, s. 20(d), provides that this section becomes effective beginning with the 2006-2007 school year.

Session Laws 2005-276, s. 46.5 is a severability clause.

The section above was amended by Session Laws 2006-240, s. 1(a), in the coded bill drafting format provided by G.S. 120-20.1. Subsection (a) is set out in the form above at the direction of the Revisor of Statutes. The text at the end of subsection (a) was part of the first sentence of subsection (a) as it existed prior to the 2006 amendment, but was omitted by Session Laws 2006-240, and consequently not stricken through.

Session Laws 2006-240, s. 6, provides: "Children who have received vision screenings prior to the availability of forms developed by the Governor's Commission on Early Childhood Vision Care in accordance with G.S. 130A-440.1 shall be deemed to have obtained the screening required under G.S. 130A-440.1, as amended by this act."

§ 130A-441. Reporting.

(a) Health assessment results shall be submitted to the school principal by the medical provider on health assessment transmittal forms developed by the Department and the Department of Public Instruction.

(b) Each school having a kindergarten shall maintain on file the health assessment results. The files shall be open to inspection by the Department, the Department of Public Instruction, or their authorized representatives and persons inspecting the files shall maintain the confidentiality of the files. Upon transfer of a child to another kindergarten, a copy of the health assessment results shall be provided upon request and without charge to the new kindergarten.

(c) Within 60 calendar days after the commencement of a new school year, the principal shall file a health assessment status report with the Department on forms developed by the Department and the Department of Public Instruction. The report shall document the number of children in compliance and not in compliance with G.S. 130A-440(a). (1985 (Reg. Sess., 1986), c. 1017, s. 1; 1989, c. 727, s. 156; 1993, c. 124, s. 2.)

§ 130A-442. Religious exemption.

If the bona fide religious beliefs of the parent, guardian or person in loco parentis of a child are contrary to the health assessment requirements contained in this Article, this Article shall not apply to the child. Upon submission of a written statement of the bona fide religious beliefs and opposition to the health assessment requirements, the child may attend kindergarten without submitting a health assessment report. (1985 (Reg. Sess., 1986), c. 1017, s. 1.)

§ 130A-443. Rules.

Rules governing the contents for health assessment reports, the procedure for reporting under this Article, and those persons authorized to inspect the files shall be developed jointly by the Department of Public Instruction and the Commission for Public Health and shall be adopted by the Commission for Public Health. (1985 (Reg. Sess., 1986), c. 1017, s. 1; 2007-182, s. 2.)

ARTICLE 19.

Asbestos Hazard Management.

§ 130A-444. Definitions.

Unless a different meaning is required by the context, the following definitions apply throughout this Article:

(1) "AHERA" means Title II, Asbestos Hazard Emergency Response Act of the Toxic Substances Control Act, 15 U.S.C. § 2601, et seq., as amended by the Asbestos School Hazard Abatement Reauthorization Act of 1990, P.L. 101-637, 104 Stat. 4589 ("ASHARA").

(2) "Asbestos" means asbestiform varieties of chrysotile (serpentine), crocidolite (riebeckite), amosite (cummingtonite-grunerite), anthophyllite, tremolite and actinolite.

(3) "Asbestos containing material" means material which contains more than one percent (1%) asbestos, including friable asbestos containing material and nonfriable asbestos containing material.

(3a) "Asbestos NESHAP for demolition and renovation" means that portion of the National Emission Standards for Hazardous Air Pollutants for asbestos that governs demolition and renovation as set out in 40 CFR §§ 61.141, 61.145, 61.150, and 61.154 (1 July 1993 edition).

(4) "Abatement" means work performed to repair, maintain, remove, isolate, or encapsulate asbestos containing material. The term does not include inspections, preparation of management plans, abatement project design, taking of samples, or project overview.

(5) "Friable" means any material that when dry can be broken, crumbled, pulverized, or reduced to powder by hand pressure, and includes previously nonfriable material after such material becomes damaged to the extent that when dry it can be crumbled, pulverized, or reduced to powder by hand pressure.

(6) "Management" means all activities related to asbestos containing material, including inspections, preparation of management plans, abatement project design, abatement, project overview, and taking of samples.

(6a) "Person" means an individual, a corporation, a company, an association, a partnership, a unit of local government, a State or federal agency, or any other legal entity.

(7) "Public area" means those areas in any building other than a residence that are not covered under the Occupational Safety and Health Act of 1970, Pub. L. 91-596, 84 Stat. 1590, 29 U.S.C. § 651, et seq., as amended.

(8) "Removal" means stripping, chipping, sanding, sawing, drilling, scraping, sucking, and other methods of separating material from its installed location in a building.

(9) "Residence" means any single family dwelling or any multi-family dwelling of fewer than 10 units. (1989, c. 724, s. 1; 1993 (Reg. Sess., 1994), c. 686, s. 2; 1995, c. 123, s. 7.)

§ 130A-445. Management of asbestos containing material in schools.

All school buildings subject to the provisions of AHERA shall be inspected for asbestos containing materials and shall prepare and submit management plans to the Department. The Commission shall adopt rules governing school management plans. These rules shall specify the content and format of plans, the plan review and approval process, schedules and methods for implementation of approved plans, and periodic inspection requirements. (1989, c. 724, s. 1.)

§ 130A-446. Asbestos exposure standard for public areas.

The Commission shall adopt rules to establish a maximum airborne asbestos exposure level for public areas. Such rules shall also specify sampling and analysis procedures. (1989, c. 724, s. 1.)

§ 130A-447. Accreditation of persons performing asbestos management and approval of training courses.

(a) No person shall commence or continue to perform asbestos management activities unless he has been accredited by the Department. No person shall commence or continue to provide asbestos related training courses unless the course has been approved by the Department. The Commission shall adopt rules governing the accreditation of persons performing asbestos management activities and the approval of training courses. Such rules shall include categories of accreditation and shall specify appropriate education, experience, and training requirements. The rules shall establish separate categories of accreditation for inspectors, management planners, abatement designers, supervisors, workers, air monitors, and supervising air monitors. These rules shall be at least as stringent as the accreditation plan required under AHERA and regulations adopted pursuant thereto.

(b) A person who applies for accreditation in the worker category may engage in asbestos containing material management activities as though he were accredited in the worker category for up to 90 days after the date he submits his application. No person whose application is rejected may continue to engage in asbestos containing material management activities under this subsection.

(c) The following persons are exempt from the accreditation requirements:

(1) The owner or operator of a building, other than school buildings subject to the provisions of AHERA, and his permanent employees when performing small-scale, short duration activities, as defined in 40 C.F.R. Pt. 763, Subpt. E, Appendix C (1994).

(2) A person performing asbestos containing material management activities in his personal residence.

(3) Governmental regulatory personnel performing inspections of asbestos containing material management activities solely for the purpose of determining compliance with applicable statutes or regulations.

(4) Persons licensed by the General Contractors Licensing Board, State Board of Examiners of Plumbing and Heating Contractors, State Board of Examiners of Electrical Contractors, or the State Board of Refrigeration Examiners when engaged in activities associated with their license when performing small-scale, short duration activities, as defined in 40 C.F.R. Pt. 763, Subpt. E, Appendix C (1994). (1989, c. 724, s. 1; 1993 (Reg. Sess., 1994), c. 686, s. 3; 1995, c. 123, s. 8.)

§ 130A-448. Asbestos management accreditation fees and course approval fees.

(a) The Department shall establish and collect asbestos containing material management accreditation and annual renewal fees to support the asbestos hazard management program. The fees shall not exceed one hundred dollars ($100.00) per accreditation category, except that the fee for the abatement worker category shall not exceed twenty-five dollars ($25.00). A person who is accredited in more than one category shall pay a fee for each category.

(b) The Department shall establish and collect fees for approving asbestos management training courses and fees for renewing course approval annually to support the asbestos hazard management program. The fees for approving a training course shall not exceed one thousand five hundred dollars ($1,500) for each course. The annual renewal fees shall not exceed five hundred dollars ($500.00) for each course. Each category of a training course shall be subject to a separate fee for its initial approval and a separate fee for its annual renewal. (1989, c. 724, s. 1; 1993 (Reg. Sess., 1994), c. 686, s. 4.)

§ 130A-449. Asbestos containing material removal permits.

No person shall engage in asbestos abatement involving more than 35 cubic feet, 160 square feet, or 260 linear feet per job of asbestos containing material without an asbestos containing material removal permit issued by the Department. The Commission shall adopt rules governing such permits. Such rules may provide for exemption from the requirements of this section. (1989, c. 724, s. 1.)

§ 130A-450. Asbestos containing material removal permit fees.

An applicant for an asbestos containing material removal permit is subject to a fee payable to the Department. The fee is a departmental receipt of the Department and must be used to offset the cost of the asbestos hazard management program. An applicant for a permit must indicate whether the asbestos is to be removed as part of a renovation or a demolition. If the asbestos is to be removed as part of a renovation, the fee is the amount set by the Department and may not exceed one percent (1%) of the contracted price or twenty cents ($.20) per square foot or linear foot of asbestos containing material to be removed, whichever is greater. If the asbestos is to be removed as part of a demolition, the fee is the greater of the following, not to exceed one thousand five hundred dollars ($1,500):

(1) One percent (1%) of the contracted price.

(2) An amount set by the Department not to exceed twenty cents ($.20) per square foot or linear foot of asbestos containing material to be removed. (1989, c. 724, s. 1; 2008-107, s. 29.6(a).)

Editor's Note. — Session Laws 2008-107, s. 1.2, provides: "This act shall be known as 'The Current Operations and Capital Improvements Appropriations Act of 2008'."

Session Laws 2008-107, s. 30.5 is a severability clause.

Effect of Amendments. — Session Laws 2008-107, s. 29.6(a), effective July 20, 2008, rewrote the section.

§ 130A-451. Commission to adopt rules.

For the protection of the public health, the Commission shall adopt rules to implement this Article, AHERA, and the asbestos NESHAP for renovations and demolitions. (1989, c. 724, s. 1; 1993 (Reg. Sess., 1994), c. 686, s. 5.)

§ 130A-452. Local air pollution control programs.

(a) The Department may authorize any local air pollution control program to adopt and enforce the asbestos NESHAP for demolition and renovation if the local air pollution control program is certified by the North Carolina Environmental Management Commission pursuant to G.S. 143-215.112. The Department shall authorize any local air pollution control program to adopt and enforce the asbestos NESHAP for demolition and renovation if the local air pollution control program was certified by the North Carolina Environmental Management Commission pursuant to G.S. 143-215.112 prior to October 1, 1994. A local air pollution control program shall continue to be authorized by the Department to enforce the asbestos NESHAP for demolition and renovation so long as the local air pollution control program maintains its certification under G.S. 143-215.112 and complies with any rules adopted by the Commission for Public Health pursuant to subsection (b) of this section. Any local air pollution control program authorized to adopt and enforce the asbestos NESHAP for demolition and renovation shall have the authority to enforce the asbestos NESHAP for demolition and renovation under G.S. 130A-18, 130A-22(b1), 130A-22(b2), and 130A-25. Judicial review of an administrative penalty assessed under G.S. 130-22(b1) and G.S. 130A-22(b2) shall be as provided in G.S. 143-215.112(d2)(1) and Article 4 of Chapter 150B of the General Statutes.

(b) The Commission for Public Health shall adopt rules regarding the authorization of local air pollution control programs to enforce the asbestos NESHAP for demolition and renovation. (1993 (Reg. Sess., 1994), c. 686, s. 7; 1995, c. 123, s. 6; 2007-182, s. 2.)

§ 130A-453: Reserved for future codification purposes.

ARTICLE 19A.

Lead-Based Paint Hazard Management Program.

§ 130A-453.01. Definitions.

Unless otherwise required by the context, the definitions set out in 40 Code of Federal Regulations § 745.223 (As set out in Vol. 61, No. 169, of the Federal Register, pages 45813 to 45815, 29 August 1996) apply throughout this Article. (1997-523, s. 1.)

Editor's Note. — Session Laws 1997-523, s. 3, provides that G.S. 130A-453.11, as enacted by this act, and section 3 of the act are effective when they become law. The remainder of the act becomes effective July 1, 1998 unless, as of that date, Subpart L of Part 745 of Title 40 of the Code of Federal Regulations (40 C.F.R. G.S. 745.220, et seq., as set out in the Federal Register of August 29, 1996) is scheduled to become effective later than September 1, 1998, in which case the remainder of the act becomes effective when Subpart L of Part 745 of Title 40 of the Code of Federal Regulations becomes effective. Subpart L of Part 745 of Title 40 of the Code of Federal Regulations became effective August 29, 1996, and G.S. 130A-453.01 to 130A-453.10 became effective July 1, 1998.

§ 130A-453.02. Purpose of Article.

(a) This Article is enacted to establish an authorized State program under section 404 of the Toxic Substances Control Act (15 U.S.C. § 2684), as enacted by Subtitle B, section 1021 of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (Pub. L. 102-550, 106 Stat. 3916), that will apply in this State in lieu of the corresponding federal program administered by the federal Environmental Protection Agency. This Article requires a person who performs an inspection, risk assessment, or abatement of a child-occupied facility or target housing to be certified and establishes the procedure and requirements for certification. It also requires a person who conducts an abatement of a child-occupied facility or target housing to obtain a permit for the abatement.

(b) This Article does not require the inspection, risk assessment, or abatement of a child-occupied facility or target housing under any circumstance. G.S. 130A-131.5 and the rules adopted to implement that section authorize the Department to order an abatement to eliminate a lead poisoning hazard. This Article does not expand or otherwise change that authority. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.03. Certification of individuals who perform inspections, risk assessments, or abatements.

(a) Requirement. — An individual shall not perform or offer to perform an inspection, risk assessment, or abatement of target housing or a child-occupied facility unless the individual is certified by the Department to perform the activity. Performance of an inspection, risk assessment, or abatement encompasses a range of activities. To ensure proper performance of all aspects of an inspection, risk assessment, or abatement, the certification requirement imposed on an individual applies to each activity. The categories of individual certification are inspector, risk-assessor, designer, supervisor, worker, and any other category required by federal law. The category of risk-assessor includes the category of inspector. Thus, a person who is certified as a risk-assessor is not required to be certified as an inspector. Otherwise, an individual who performs or offers to perform activities within the scope of more than one category must be certified in each category.

(b) Exemption. — The certification requirement imposed by this section does not apply to an individual who performs an abatement of a residential dwelling the person owns and occupies as a residence, unless the residential dwelling is occupied by a person or persons other than the owner or the owner's immediate family while an abatement is being performed, or a child residing in the dwelling has been identified as having an elevated blood lead level. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.04. Certification and other requirements of firms that perform inspections, risk assessments, or abatements.

A firm or other entity shall not perform or offer to perform an inspection, risk assessment, or abatement of target housing or a child-occupied facility unless the entity is certified by the Department as a firm that is qualified to perform the activity. An entity that performs an inspection, risk assessment, or abatement of target housing or a child-occupied facility shall not use an individual to perform the inspection, risk assessment, or abatement unless the individual is certified by the Department to perform the activity. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.05. Qualifications for certification of individuals and firms.

To be certified under this Article, a person must meet the qualification requirements set by the Commission. Qualification requirements include education, training, experience, the successful completion of an examination, and payment of any applicable fee. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.06. Renewal of certification.

A certification of an individual or a firm issued under this Article expires on the last day of the 12th month after the certification is issued. A certification may be renewed by paying the renewal fee and meeting any standards for renewal, such as refresher training, established by the Commission. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.07. Accreditation of training courses and training providers.

Completion of a training course on inspection, risk assessment, or abatement does not satisfy a training requirement that is a condition for certification under this Article unless both the course provider and the course have been accredited by the Department. The Commission shall establish the procedure and standards for a course provider and a course to be accredited. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.08. Certification and accreditation fee schedule.

(a) The Commission shall establish fees for the items listed in the table below. A fee for an item may not exceed the maximum amount set in the table. The fees for examination and certification apply to each category in which a person is examined for certification or is certified.

Item	Maximum Fee
Examination for certification	$75
Certification as worker	50
Certification in any category other than worker	150
Course provider accreditation	150
Initial course accreditation	2,000
Renewal course accreditation	750.

(b) Use. — The fees imposed under this section are departmental receipts and shall be used by the Department to administer this Article.

(c) Exemptions. — The examination and certification fees imposed under this section do not apply to governmental regulatory personnel who perform inspections, risk assessments, or abatements solely for the purpose of determining compliance with applicable statutes or rules. The course provider fees imposed under this section do not apply to the State, a unit of local government, or a nonprofit entity. The course accreditation fees imposed under this section do not apply to a course offered by the State, a unit of local government, or a nonprofit entity. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.09. Abatement permits.

(a) Requirement. — No person shall conduct an abatement of target housing or a child-occupied facility unless the person has obtained a permit for the abatement from the Department. The Commission shall establish the procedure for obtaining a permit.

(b) Permit Fee. — An applicant for an abatement permit must pay an application fee to the Department. The fee is two percent (2%) of the contracted price for the corrective action to be performed in the abatement, not to exceed five hundred dollars ($500.00). The fee imposed under this section is a departmental receipt and shall be used by the Department to administer this Article.

(c) Exemption. — An individual who owns a single-family dwelling, conducts an abatement on the dwelling, and will reside in the dwelling after the abatement is completed is not required to obtain a permit to conduct the abatement, unless the dwelling is occupied by a person or persons other than the owner or the owner's immediate family while the abatement is being performed, or a child residing in the building has been identified as having an elevated blood lead level. If a permit is required, an individual who performs an abatement of a residential dwelling that the individual owns and occupies as a residence is not required to pay a fee for the permit. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.10. Standards to ensure elimination of hazards; consumer information.

(a) Standards. — The Commission shall establish standards to ensure that inspections, risk assessments, and abatements performed under this Article result in the elimination of lead-based paint hazards. An inspection, risk assessment, or abatement performed under this Article must be performed in accordance with these standards.

(b) Information. — The Department shall prepare a fact sheet on abatement for distribution to consumers. The sheet shall list the various measures for abatement of a child-occupied facility or target housing and give the relative cost of each measure. A person who is certified under this Article shall give a copy of the sheet to a person for whom the certified person performs an abatement. (1997-523, s. 1.)

Editor's Note. — For effective date, see Editor's note under G.S. 130A-453.01.

§ 130A-453.11. Commission to adopt rules.

The Commission shall adopt rules to implement this Article. (1997-523, s. 1.)

§§ 130A-453.12 through 130A-453.21: Reserved for future codification purposes.

Article 19B.

Certification and Accreditation of Lead-Based Paint Renovation Activities.

§ 130A-453.22. Definitions.

(a) Except as provided in subsection (b) of this section and in any rules adopted under this Article, the definitions set out in 40 C.F.R. §§ 745.83 and 745.223, as amended, apply throughout this Article.

(b) Unless otherwise required by the context, the following definitions apply throughout this Article:

(1) Certified dust sampling technician. — An individual who (i) is employed by a certified renovation firm, (ii) has successfully completed a dust sampling technician training course accredited by the Department, and (iii) is certified by the Department to perform dust clearance sampling after the completion of renovation activities, if the person contracting for the renovation activity requests dust clearance sampling.

(2) Certified renovation firm. — A company, partnership, corporation, sole proprietorship, association, or other business entity or individual doing business in the State, or a federal, State, tribal, or local government agency, or a nonprofit organization that has been certified by the Department to perform renovation activities covered by this Article.

(3) Certified renovator. — An individual who (i) is employed by a certified renovation firm, (ii) either performs or directs trained workers who perform renovation activities, (iii) has successfully completed a renovation training course accredited by the Department or the United States Environmental Protection Agency, and (iv) is certified with the Department to perform renovation activities.

(4) Child-occupied facility. — A building, or portion of a building, constructed prior to 1978, visited regularly by the same child under 6 years of age, on at least two different days within any week (Sunday through Saturday period), provided that each day's visit lasts at least three hours and the combined weekly visits last at least six hours, and the combined annual visits last at least 60 hours. Child-occupied facilities may include, but are not limited to, day care centers,

preschools, and kindergarten classrooms. Child-occupied facilities may be located in target housing or in public or commercial buildings. With respect to common areas in public or commercial buildings, the child-occupied facility encompasses those common areas, both interior and exterior, routinely used by children under age 6.

(5) Renovation activities. — The activities relative to lead-based paint renovations including the use of recognized lead test kits, information distribution, work practices such as cleaning verification and dust clearance sampling, as well as the activities performed by a certified firm, certified renovator, or certified dust sampling technician. Renovation activities include all activities included in the definition of the term "renovation" in 40 C.F.R. § 745.83.

(6) Target housing — Any housing constructed prior to 1978, except housing for the elderly or persons with disabilities, unless one or more children age 6 years or under resides or is expected to reside in such housing for the elderly or persons with disabilities, or any zero-bedroom dwelling. For purposes of this Article, a zero-bedroom dwelling is any residential dwelling in which the living areas are not separated from the sleeping area. The term includes efficiencies, studio apartments, dormitory housing, military barracks, and rentals of individual rooms in residential dwellings.

(7) Trained renovation worker. — An individual who (i) receives on-the-job training and direction pertaining to the individual's assigned tasks in renovation work in target housing or child-occupied facilities from a certified renovator and (ii) is employed by a certified renovation firm. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 2, made this Article effective January 1, 2010. Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.12. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-453.23. Purpose.

(a) This Article is enacted to establish an authorized State program under sections 402 and 406 of the Toxic Substance Control Act, 15 U.S.C. §§ 2682 and 2686, as enacted by Subtitle B of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852(d), that will apply in this State in lieu of the corresponding federal program administered by the United States Environmental Protection Agency (EPA). This Article requires that renovations for compensation in target housing and child-occupied facilities be performed or directed by certified renovators and certified firms; establishes procedures and requirements for certification of individuals and firms that perform renovation activities for compensation; and establishes renovation work practice standards. This Article also requires the accreditation of renovation training providers and courses and establishes record-keeping requirements.

(b) Certified renovation firms are required to distribute EPA-approved pamphlets. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.13. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-453.24. Certification of individuals and firms that perform renovations, cleaning verification, and dust clearance sampling.

(a) No firm shall perform, offer, or claim to perform renovation activities for compensation in target housing or child-occupied facilities unless the firm is a certified renovation firm.

(b) No individual shall:

(1) Perform, offer, or claim to perform renovation activities for compensation in target housing or child-occupied facilities unless the individual is a certified renovator.

(2) Perform as a trained renovation worker for compensation in target housing or child-occupied facilities unless the individual is employed by a certified renovation firm and is trained and supervised in his or her assigned tasks by a certified renovator.

(3) Conduct dust clearance sampling for compensation in target housing or child-occupied facilities unless the individual is a certified dust sampling technician, risk assessor, or lead-based paint inspector. For purposes of this Article, the terms "risk assessor" and "lead-based paint inspector" shall have the same meaning as provided in Article 19A of this Chapter.

(4) Conduct cleaning verification for compensation in target housing or child-occupied facilities unless the individual is a certified renovator.

(c) The Commission shall adopt rules governing the certification of individuals and firms performing renovation, cleaning verification, or dust clearance sampling. The rules adopted shall include, but not be limited to, requirements for qualifications, training, and experience, and the payment of fees pursuant to G.S. 130A-453.27. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.14. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-453.25. Renewals of certification.

(a) Certification as a renovation firm under this Article expires on the last day of the 12th month after the certification is issued and shall be renewed annually. A firm may renew its certification by paying the renewal fees and meeting the standards for renewal established by the Commission.

(b) Certification as a dust sampling technician expires on the last day of the month of the year after certification training is completed and shall be renewed annually. A certified dust sampling technician may renew his or her certification by paying the renewal fees and meeting the standards for renewal established by the Commission.

(c) A certified renovator shall renew his or her certification every five years by meeting the standards for renewal established by the Commission. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.15. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-453.26. Accreditation of training courses and training providers.

(a) No training provider shall provide, offer, or claim to provide:

(1) Training or refresher courses in renovation unless the training or courses have been accredited by the Department.

(2) Dust sampling technician courses or refresher courses unless the courses have been accredited by the Department.

(b) The Commission shall adopt rules governing the annual accreditation of training providers and the annual accreditation of initial and refresher training courses.

(c) Accreditation as a training provider expires on the last day of the calendar year following the year the accreditation was issued. Accreditation of a training course or refresher course expires on the last day of the calendar year following the year the accreditation was issued. The accreditation of a training provider and the accreditation of a training or refresher course may be renewed by complying with this Article and any standards established by the Commission.

(d) Training providers and training courses accredited by the EPA are granted reciprocity, but providers and courses must be registered with the Department and comply with this Article. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.16. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-453.27. Certification and accreditation fee schedule.

(a) The Department shall collect annual accreditation and certification fees authorized under this Article, including initial and renewal fees. The fees collected shall be used for the ongoing administration of this Article and shall not revert to the General Fund at the end of the fiscal year. The fees shall not exceed the following:

	Maximum Fee
(1) Accreditation of a training provider	$150.00
(2) Reaccreditation of a training provider	$150.00
(3) Accreditation or reaccreditation of initial courses (Per course per language)	$2,000
(4) Accreditation or reaccreditation of refresher courses (Per course per language)	$2,000
(5) Certification or recertification of a firm	$300.00
(6) Certification or recertification of a dust sampling technician	$150.00

(b) The accreditation fees imposed under this section do not apply to local or State governmental regulatory agency personnel, Indian tribes, or nonprofit training providers. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.17. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-453.28. Work practices and responsibilities of renovation firms, renovators, and dust sampling technicians.

The Commission shall establish standards for work practices and define the responsibilities of certified renovators and certified renovation firms and individuals. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.18. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-453.29. Record retention, information distribution, and reporting requirements.

The Commission shall establish standards for record keeping, record retention, and information distribution; and reporting requirements for training providers, certified renovators, and certified renovation firms and individuals. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.19. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-453.30. Exemptions from renovation, repair, and painting requirements.

The Commission shall adopt rules exempting certain renovation activities from this Article. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.20. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-453.31. Commission to adopt rules.

The Commission shall adopt rules to implement this Article. (2009-488, s. 1.)

Editor's Note. — Session Laws 2009-488, s. 1, originally enacted this section as G.S. 130A-453.21. It has been renumbered at the direction of the Revisor of Statutes.

§ 130A-454: Reserved for future codification purposes.

ARTICLE 20.

Occupational Health.

§ 130A-455. Reportable diseases, illnesses, and injuries.

The Commission shall adopt rules establishing a list of serious and preventable occupational injuries that occur while working on a farm, and serious and preventable occupational diseases and illnesses to be reported to the Department. Occupational diseases and illnesses are defined as those diseases and illnesses which result from exposure to a health hazard in the workplace. The Commission shall adopt rules establishing the specific information to be submitted when making a report required by this Article, time limits for reporting, and the form of the report. The rules adopted by the Commission shall avoid duplication of reporting and minimize the cost to the physicians, medical facilities, laboratories, or other persons reporting under this act. (1993, c. 486, s. 1.)

§ 130A-456. Physicians to report.

A physician licensed to practice medicine in this State who treats a person for an occupational injury that occurred while working on a farm or an occupational disease, illness, declared by the Commission to be reportable, shall report the information required by the Commission to the Department. (1993, c. 486, s. 1.)

§ 130A-457. Medical facilities to report.

A medical facility in which there is a patient who has an occupational injury that occurred while working on a farm, or an occupational disease, illness, declared by the Commission to be reportable, may report information specified by the Commission to the Department. (1993, c. 486, s. 1.)

§ 130A-458. Persons in charge of laboratories to report.

A person in charge of a laboratory providing diagnostic service in this State shall report to the Department laboratory findings related to occupational diseases and illnesses for which laboratory reporting is required by the Commission. (1993, c. 486, s. 1; 2001-28, s. 3.)

§ 130A-459. Immunity of persons who report.

A person who in good faith makes a report pursuant to the provisions of this Article shall be immune from any civil liability that might otherwise be incurred or imposed as a result of making the report. (1993, c. 486, s. 1.)

§ 130A-460. Report to Department of Labor.

(a) Each report to the Department pursuant to the Article shall be evaluated for its potential indication of an exposure to a health hazard. If an on-site visit is deemed necessary, a copy of the report for work sites for which the Department of Labor has jurisdiction for the enforcement of occupational health laws shall be forwarded to the Department of Labor. The Department of Labor and the Department may exchange information regarding specific workplaces and conditions and such information shall retain the same confidentiality provided by the originating agency.

(b) If the Department of Labor determines that an on-site visit is necessary for enforcement purposes, the Department of Labor shall inform the Department within 30 days of the receipt of the report, and a representative of the Department may participate in the visit. The Department shall not contact or otherwise notify any employer of a pending investigation prior to the determination by the Department of Labor regarding the necessity of an on-site visit and shall not give advance notice of a visit if one is necessary.

(c) Subsection (b) shall not apply to inspections conducted for the Industrial Commission pursuant to G.S. 97-76 and shall not affect the allocation of responsibilities set forth in G.S. 74-24.4(c). (1993, c. 486, s. 1.)

§§ 130A-461 through 130A-464: Reserved for future codification purposes.

Article 21.

Advance Health Care Directive Registry.

§ 130A-465. Advance Health Care Directive Registry establishment.

The Secretary of State shall establish and maintain a statewide, on-line, central registry for advance health care directives. The registry shall be accessible over the Internet through a site maintained by the Secretary of State. (2001-455, s. 1; 2001-513, s. 30(b).)

§ 130A-466. Filing requirements.

(a) A person may submit any of the following documents and the revocations of these documents to the Secretary of State for filing in the Advance Health Care Directive Registry established pursuant to this Article:

(1) A health care power of attorney under Article 3 of Chapter 32A of the General Statutes.

(2) A declaration of a desire for a natural death under Article 23 of Chapter 90 of the General Statutes.

(3) An advance instruction for mental health treatment under Part 2 of Article 3 of Chapter 122C of the General Statutes.

(4) A declaration of an anatomical gift under Part 3A of Article 16 of Chapter 130A of the General Statutes.

(b) Any document and any revocation of a document submitted for filing in the registry shall be notarized regardless of whether notarization is required for its validity. This subsection does not apply to a declaration of an anatomical gift described in subdivision (a)(4) of this section.

(c) The document may be submitted for filing only by the person who executed the document.

(d) The person who submits the document shall supply a return address.

(e) The document shall be accompanied by any fee required by this Article. (2001-455, s. 1; 2001-513, s. 30(b); 2003-70, s. 1; 2007-538, s. 10.)

Editor's Note. — Session Laws 2007-538, s. 11, provides: "The North Carolina Department of Transportation, Division of Motor Vehicles, in cooperation with the License to Give Trust Fund Commission, shall use available grant-in-aid funds from the State and federal governments and other sources to enhance online access such that donors and prospective donors may update, amend, or revoke information on the donor's or prospective donor's drivers license or donor card."

§ 130A-467. Validity of unregistered documents.

Failure to register a document with the registry maintained by the Secretary of State pursuant to this Article shall not affect the document's validity. Failure to notify the Secretary of State of the revocation of a document filed with the registry shall not affect the validity of a revocation that meets the statutory requirements for the revocation to be valid. (2001-455, s. 1; 2001-513, s. 30(b).)

§ 130A-468. Filing of documents with the registry.

(a) When the Secretary of State receives a document that may be filed with the registry pursuant to this Article, the Secretary shall create a digital reproduction of that document and enter the reproduced document into the registry database. The Secretary is not required to review a document to ensure that it complies with the particular statutory requirements applicable to the document. Each document entered into the registry database shall be assigned a unique file number and password.

(b) Upon entering the reproduced document into the registry database, the Secretary shall return the original document and a wallet-size card containing the document's file number and password to the person who submitted the document.

(c) When the Secretary of State receives a revocation of a document that is filed with the registry and that document's file number and password, or a request to remove that document from the registry without its revocation, the Secretary shall delete that document from the registry database.

(d) The Secretary of State's entry of a document into, or removal of a document from, the registry database does not do any of the following:

(1) Affect the validity of the document in whole or in part.
(2) Relate to the accuracy of information contained in the document.
(3) Create a presumption regarding the validity of the document, regarding the accuracy of information contained in the document, or that the statutory requirements for the document have been met. (2001-455, s. 1; 2001-513, s. 30(b); 2007-502, s. 16.)

Editor's Note. — Session Laws 2007-502, s. 18, provides: "The Legislative Research Commission shall study the issue of whether North Carolina law should be amended to allow a person to require life-prolonging measures. The LRC shall involve all stakeholders in the study. The LRC shall report its recommendations to the 2008 Session of the 2007 General Assembly."

Session Laws 2007-502, s. 19, provides: "The North Carolina Institute of Medicine (Institute) shall study issues related to the provision of end-of-life medical care in North Carolina. As part of the study, the Division of Health Service Regulation, Department of Health and Human Services, and the North Carolina Board of Medicine shall provide to the Institute nonidentifying information regarding claims and complaints related to end-of-life medical treatment by health care providers that was contrary to the express wishes of either the patient or a person authorized by law to make treatment decisions on behalf of the patient. The Institute may review any other data related to end-of-life medical care and treatment the Institute determines is relevant.

"The purpose of this study is to determine whether statutory changes related to advance directives and health care powers of attorney impact the type and quantity of end-of-life medical care provided to patients, whether the patient's or patient representative's express wishes regarding the provision of treatment at the end of life are being honored, and whether there is any change in the number of persons who request continued treatment at the end of their lives, but do not receive that treatment.

"The Institute shall report its findings to the following entities no later than January 30, 2013:

"(1) The 2013 General Assembly.
"(2) The North Carolina Bar Association.
"(3) The North Carolina Medical Society."

§ 130A-469. Disclosure of information contained in the registry.

The registry shall be accessible only over the Internet. A document filed in the registry shall be accessible only if a person attempting to access the document enters both the file number and password of the document. Documents filed in the registry, file numbers, passwords, and any other information maintained by the Secretary of State under this Article shall not be subject to disclosure pursuant to Chapter 132 of the General Statutes. (2001-455, s. 1; 2001-513, s. 30(b).)

§ 130A-470. Fees for using the registry; other funds for the registry.

(a) The Secretary of State shall charge a fee of ten dollars ($10.00) for filing a document, other than a revocation, with the registry. The Secretary of State shall not charge a fee for filing a revocation with the registry. The fee shall be applied to the cost of maintaining the registry and to promoting public education and awareness of the registry.

(b) The Secretary of State, on behalf of the State, may accept gifts, donations, bequests, and other forms of voluntary contributions; may apply for grants from public and private sources; and may expend funds received under this subsection for the purpose of promoting public education and awareness of the registry.

(c) All fees, funds, and gifts received pursuant to this section shall be subject to audit by the State Auditor and shall be expended in conformity with Chapter 143C of the General Statutes. (2001-455, s. 1; 2001-513, s. 30(b); 2006-203, s. 70.)

Editor's Note. — Session Laws 2006-203, s. 126, provides in part: "Prosecutions for offenses committed before the effective date of this act [July 1, 2007] are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

Effect of Amendments. — Session Laws 2006-203, s. 70, effective July 1, 2007, and applicable to the budget for the 2007-2009 biennium and each subsequent biennium thereafter, substituted "Chapter 143C" for "Article 1 of Chapter 143" in subsection (c).

§ 130A-471. Limitation of liability.

The State of North Carolina, the Secretary of State, and any agent or person employed by the Secretary of State shall not be liable for any claims or demands arising out of the administration or operation of the registry authorized by this Article, except for acts of gross negligence, willful misconduct, or intentional wrongdoing. (2001-455, s. 1; 2001-513, s. 30(b).)

§§ 130A-472 through 130A-474: Reserved for future codification purposes.

Article 22.

A Terrorist Incident Using Nuclear, Biological, or Chemical Agents.

§ 130A-475. Suspected terrorist attack.

(a) If the State Health Director reasonably suspects that a public health threat may exist and that the threat may have been caused by a terrorist incident using nuclear, biological, or chemical agents, the State Health Director is authorized to order any of the following:

(1) Require any person or animal to submit to examinations and tests to determine possible exposure to the nuclear, biological, or chemical agents.

(2) Test any real or personal property necessary to determine the presence of nuclear, biological, or chemical agents.

(3) Evacuate or close any real property, including any building, structure, or land when necessary to investigate suspected contamination of the property. The period of closure during an investigation shall not exceed 10 calendar days. If the State Health Director determines that a longer period of closure is necessary to complete the investigation, the Director may institute an action in superior court to order the property to remain closed until the investigation is completed.

(4) Limit the freedom of movement or action of a person or animal that is contaminated with, or reasonably suspected of being contaminated with, a biological, chemical or nuclear agent that may be conveyed to other persons or animals.

(5) Limit access by any person or animal to an area or facility that is housing persons or animals whose movement or action has been limited under subdivision (4) of this subsection or to an area or facility that is contaminated with, or reasonably suspected of being contaminated with, a biological, chemical or nuclear agent that may be conveyed to other persons or animals. Nothing in this subdivision shall be construed to restrict the access of authorized health care, law enforcement, or emergency medical services personnel to quarantine or isolation premises as necessary in conducting their duties.

(b) The authority under subsection (a) of this section shall be exercised only when and so long as a public health threat may exist, all other reasonable means for correcting the problem have been exhausted, and no less restrictive alternative exists. Before applying the authority under subdivision (4) or (5) of subsection (a) of this section to livestock or poultry for the purpose of preventing the direct or indirect conveyance of a biological, chemical or nuclear agent to persons, the State Health Director shall consult with the State Veterinarian in the Department of Agriculture and Consumer Services.

The period of limited freedom of movement or access under subdivisions (4) and (5) of subsection (a) of this section shall not exceed 30 calendar days. Any person substantially affected by that limitation may institute, in superior court in Wake County or in the county in which the limitation is imposed, an action to review the limitation. The State Health Director shall give the persons known by the State Health Director to be substantially affected by the limitation reasonable notice under the circumstances of the right to institute an action to review the limitation. If a person or a person's representative requests a hearing, the hearing shall be held within 72 hours of the filing of the request, excluding Saturdays and Sundays. The person substantially affected by that limitation is entitled to be represented by counsel of the person's own choice or if the person is indigent, the person shall be represented by counsel appointed in accordance with Article 36 of Chapter 7A of the General Statutes and the rules adopted by the Office of Indigent Defense Services. The court shall reduce or terminate the limitation unless it determines, by the preponderance of the evidence, that the limitation is reasonably necessary to prevent or limit the conveyance of biological, chemical or nuclear agents to others, and may apply such conditions to the limitation as the court deems reasonable and necessary.

If the State Health Director determines that a 30-calendar-day limitation on freedom of movement or access is not adequate to protect the public health, the State Health Director must institute in superior court in the county in which the limitation is imposed, an action to obtain an order extending the period limiting the freedom of movement or access. If the person substantially affected by the limitation has already instituted an action in superior court in Wake County, the State Health Director must institute the action in superior court in Wake County or as a counterclaim in the pending case. The court shall continue the limitation for a period not to exceed 30 days, subject to conditions it deems reasonable and necessary, if it determines by the preponderance of the evidence, that additional limitation is reasonably necessary to prevent or limit the conveyance of biological, chemical, or nuclear agents to others. The court order shall specify the period of time the limitation is to be continued and shall provide for automatic termination of the order upon written determination by the State Health Director or local health director that the limitation on freedom of movement or access is no longer necessary to protect the public health. In addition, where the petitioner can prove by a preponderance of the evidence that the limitation on freedom of movement or access was not or is no longer needed for protection of the public health, the person so limited may move the trial court to reconsider its order extending the limitation on freedom of movement or access before the time for the order otherwise expires and may seek immediate or expedited termination of the order. Before the expiration of an order issued under this section, the State Health Director may move to continue the order for additional periods not to exceed 30 days each.

(c) If the State Health Director reasonably suspects that there exists a public health threat that may have been caused by a terrorist incident using nuclear, biological, or chemical agents, the State Health Director shall notify the Governor and the Secretary of Crime Control and Public Safety. If the Secretary of Crime Control and Public Safety reasonably suspects that a public health threat may exist and that the threat may have been caused by a terrorist incident using nuclear, biological, or chemical agents, the Secretary shall notify the Governor and the State Health Director.

(d) For the purpose of this Article, the term "public health threat" means a situation that is likely to cause an immediate risk to human life, an immediate risk of serious physical injury or illness, or an immediate risk of serious adverse health effects.

(e) Nothing in this section shall limit any authority otherwise granted to local or State public health officials under this Chapter. (2002-179, s. 1; 2004-80, s. 3; 2004-199, s. 33.)

Cross References. — As to detention of an individual arrested for violation of an order limiting freedom of movement or access issued pursuant to G.S. 130A-475 or G.S. 130A-145, see G.S. 15A-401(b)(4), 15A-534.5. As to entitlement to counsel of indigent person in a proceeding involving limitation of freedom of movement or access pursuant to G.S. 130A-475 or G.S. 130A-145, see G.S. 7A-451(a)(17).

§ 130A-476. Access to health information.

(a) Notwithstanding any other provision of law, a health care provider, a person in charge of a health care facility, or a unit of State or local government may report to the State Health Director or a local health director any events that may indicate the existence of a case or outbreak of an illness, condition, or health hazard that may have been caused by a terrorist incident using nuclear, biological, or chemical agents. Events that may be reported include unusual types or numbers of symptoms or illnesses presented to the provider, unusual trends in health care visits, or unusual trends in prescriptions or purchases of over-the-counter pharmaceuticals. To the extent practicable, a person who makes a report under this subsection shall not disclose personally identifiable information. A person disclosing or not disclosing information pursuant to this subsection is immune from any civil or criminal liability that might otherwise be incurred or imposed based on the disclosure or lack of disclosure provided that the health care provider was acting in good faith and without malice. In any proceeding involving liability, good faith and lack of malice are presumed. Notwithstanding the foregoing, if a health care provider or unit of State or local government willfully does not disclose information pursuant to this subsection, the immunity from civil or criminal liability provided under this subsection shall not be available if the person had actual knowledge that a condition or illness was caused by use of a nuclear, biological, or chemical weapon of mass destruction as defined in G.S. 14-288.21(c).

(b) The State Health Director may issue a temporary order requiring health care providers to report symptoms, diseases, conditions, trends in use of health care services, or other health-related information when necessary to conduct a public health investigation or surveillance of an illness, condition, or health hazard that may have been caused by a terrorist incident using nuclear, biological, or chemical agents. The order shall specify which health care providers must report, what information is to be reported, and the period of time for which reporting is required. The period of time for which reporting is required pursuant to a temporary order shall not exceed 90 days. The Commission may adopt rules to continue the reporting requirement when necessary to protect the public health.

(c) Health care providers and persons in charge of health care facilities or laboratories shall, upon request and proper identification, permit the State Health Director or a local health director to examine, review, and obtain a copy of records containing confidential or protected health information, or a summary of pertinent portions of those records, (i) that pertain to a report authorized by subsection (a) or required by subsection (b) of this section, or (ii) that, in the opinion of the State Health Director or local health director, are necessary for an investigation of a case or outbreak of an illness, condition, or health hazard that may have been caused by a terrorist incident using nuclear, biological, or chemical agents.

(d) A person who makes a report pursuant to subsection (b) of this section or permits examination, review, or copying of medical records pursuant to subsection (c) of this section is immune from any civil or criminal liability that otherwise might be incurred or imposed as a result of complying with those subsections.

(e) Confidential or protected health information received by the State Health Director or a local health director pursuant to this section shall be confidential and shall not be released, except when the release is:

(1) Made pursuant to any other provision of law;

(2) To another federal, state, or local public health agency for the purpose of preventing or controlling a public health threat; or

(3) To a court or law enforcement official or law enforcement officer for the purpose of enforcing the provisions of this Chapter or for the purpose of investigating a terrorist incident using nuclear, biological, or chemical agents. A court or law enforcement official or law enforcement officer who receives the information shall not disclose it further, except (i) when necessary to conduct an investigation of a terrorist incident using nuclear, biological, or chemical agents, or (ii) when the State Health Director or a local health director seeks the assistance of the court or law enforcement official or law enforcement officer in preventing or controlling the public health threat and expressly authorizes the disclosure as necessary for that purpose.

(f) Repealed by Session Laws 2004-124, s. 10.34(a), effective January 1, 2005.

(g) In this section the following terms shall include:

(1) "Health care provider" includes a physician licensed to practice medicine in North Carolina or a person who is licensed, certified, or credentialed to practice or provide health care services, including, but not limited to, pharmacists, dentists, physician assistants, registered nurses, licensed practical nurses, advanced practice nurses, chiropractors, respiratory care therapists, and emergency medical technicians; and

(2) "Health care facility" includes hospitals, skilled nursing facilities, intermediate care facilities, psychiatric facilities, rehabilitation facilities, home health agencies, ambulatory surgical facilities, or any other health care related facility, whether publicly or privately owned. (2002-179, s. 1; 2004-80, s. 7; 2004-124, s. 10.34(a).)

§ 130A-477. Abatement of public health threat.

If it is determined that a public health threat may exist because of the contamination of property caused by a terrorist incident using nuclear, biological, or chemical agents, the State Health Director may order any action to abate that public health threat. To the extent that any owner, lessee, operator, or other person in control of the property is innocent of culpability in the creation of the public health threat, that person shall not be responsible for the costs of abating the public health threat. (2002-179, s. 1.)

§ 130A-478. Tort liability.

Article 31 of Chapter 143 applies to negligent acts committed by any officer, employee, involuntary servant or agent of the State acting pursuant to this Article. (2002-179, s. 1.)

§ 130A-479. Biological agents registry; rules; penalties.

(a) The Department shall establish and administer a program for the registration of biological agents. The biological agents registry shall identify the biological agents possessed and maintained by any person in this State and shall contain other information required under rules adopted by the Commission.

(b) The following definitions apply in this section:

(1) "Biological agent" means:

a. Any select agent that is a microorganism, virus, bacterium, fungus, rickettsia, or toxin listed in Appendix A of Part 72 of Title 42 of the Code of Federal Regulations.

b. Any genetically modified microorganisms or genetic elements from an organism on Appendix A of Part 72 of Title 42 of the Code of Federal Regulations, shown to produce or encode for a factor associated with a disease.

c. Any genetically modified microorganisms or genetic elements that contain nucleic acid sequences coding for any of the toxins listed on Appendix A of Part 72 of Title 42 of the Code of Federal Regulations, or their toxic submits.

(2) "Person" means any association, business, corporation, facility, firm, individual, institution of higher education, organization, partnership, society, State agency, or other legal entity.

(c) The Commission shall adopt rules for the implementation of the registry program, as follows:

(1) Determining and listing the biological agents required to be reported under this section.

(2) Designating persons required to make reports and specific information required to be reported including time limits for reporting, form of reports, and to whom reports shall be submitted.

(3) Providing for the release of information in the registry to State and federal law enforcement agencies and the United States Centers for Disease Control and Prevention pursuant to a communicable disease investigation commenced or conducted by the Department, the Commission, or other state or federal law enforcement agency having investigatory authority, or in connection with any investigation involving release, theft, or loss of biological agents.

(4) Establishing a system of safeguards that requires persons possessing and maintaining biological agents subject to this section to comply with the same federal standards that apply to persons registered to possess the same agents under federal law.

(5) Establishing a process for persons that possess and maintain biological agents to alert appropriate authorities of unauthorized possession or attempted possession of biological agents. The rules shall designate appropriate authorities for receipt of alerts from these persons.

(d) Any person that possesses and maintains any biological agent required to be reported under this section shall report to the Department the information required by the Commission for inclusion in the biological agent registry.

(e) Except as otherwise provided in this section, information prepared for or maintained in the registry under this section shall be confidential and shall not be a public record under G.S. 132-1. The Department may, in accordance with rules adopted by the Commission, release information contained in the biological agent registry for the purpose of conducting or aiding in a communicable disease investigation. The Department shall cooperate with and may share information contained in the biological agent registry with the United States Centers for Disease Control and Prevention, and state and federal law enforcement agencies in any investigation involving the release, theft, or loss of a biological agent required to be reported under this section. Release of information from the registry as authorized under this subsection shall not render the information released a public record under G.S. 132-1. Release of information from the registry as authorized under this subsection also shall not render the information prepared for or maintained in the registry a public record under G.S. 132-1.

(f) The Department shall impose a civil penalty for a willful or knowing violation of this section in the amount of up to one thousand dollars ($1,000). Each day of a continuing violation shall be a separate offense. Any person wishing to contest a penalty shall be entitled to an administrative hearing in accordance with Chapter 150B of the General Statutes. (2001-469, s. 1; 2002-179, s. 2(a).)

Editor's Note. — Session Laws 2002-179, s. 2(a), effective October 1, 2002, recodified former G.S. 130A-149 as G.S. 130A-479.

§ 130A-480. Emergency department data reporting.

(a) For the purpose of ensuring the protection of the public health, the State Health Director shall develop a syndromic surveillance program for hospital emergency departments in order to detect and investigate public health threats that may result from (i) a terrorist incident using nuclear, biological, or chemical agents or (ii) an epidemic or infectious, communicable, or other disease. The State Health Director shall specify the data to be reported by hospitals pursuant to this program, subject to the following:

(1) Each hospital shall submit electronically available emergency department data as specified by rule by the Commission. The Commission, in consultation with hospitals, shall establish by rule a schedule for the implementation of full electronic reporting capability of all data elements by all hospitals. The schedule shall take into consideration the number of data elements already reported by the hospital, the hospital's capacity to electronically maintain the remaining elements, available funding, and other relevant factors.

(2) None of the following data for patients or their relatives, employers, or household members may be collected by the State Health Director: names; postal or street address information, other than town or city, county, state, and the first five digits of the zip code; geocode information; telephone numbers; fax numbers; electronic mail addresses; social security numbers; health plan beneficiary numbers; account numbers; certificate or license numbers; vehicle identifiers and serial numbers, including license plate numbers; device identifiers and serial numbers; web universal resource locators (URLs); Internet protocol (IP) address numbers; biometric identifiers, including finger and voice prints; and full face photographic images and any comparable images.

(b) The following are not public records under Chapter 132 of the General Statutes and are privileged and confidential:

(1) Data reported to the State Health Director pursuant to this section.

(2) Data collected or maintained by any entity with whom the State Health Director contracts for the reporting, collection, or analysis of data pursuant to this section.

The State Health Director shall maintain the confidentiality of the data reported pursuant to this section and shall ensure that adequate measures are taken to provide system security for all data and information. The State

Health Director may share data with local health departments and the Centers for Disease Control and Prevention (CDC) for public health purposes. Local health departments are bound by the confidentiality provisions of this section. The Department shall enter into an agreement with the CDC to ensure that the CDC complies with the confidentiality provisions of this section. The State Health Director shall not allow information that it receives pursuant to this section to be used for commercial purposes and shall not release data except as authorized by other provisions of law.

(c) A person is immune from liability for actions arising from the required submission of data under this Article.

(d) For purposes of this section, "hospital" means a hospital, as defined in G.S. 131E-214.1(3), that operates an emergency room on a 24-hour basis. The term does not include a psychiatric hospital that operates an emergency room.

(e) Administrative emergency department data shall be reported by hospitals under Article 11A of Chapter 131E of the General Statutes. (2004-124, s. 10.34(b); 2006-264, s. 64(a); 2007-8, s. 1.)

§ 130A-481. Food defense.

The Department of Agriculture and Consumer Services, Department of Environment and Natural Resources, and Department of Health and Human Services shall jointly develop a plan to protect the food supply from intentional contamination. The plan shall address protection of the food supply from production to consumption, including, but not limited to, the protection of plants, crops, and livestock. (2006-80, s. 2.)

Editor's Note. — Session Laws 2006-80, s. 3, made this section effective July 10, 2006.

§§ 130A-482 through 130A-484: Reserved for future codification purposes.

§ 130A-485. Vaccination program established; definitions.

(a) The Department and local health departments shall offer a vaccination program for first responders who may be exposed to infectious diseases when deployed to disaster locations. The vaccinations shall include, but are not limited to, hepatitis A vaccination, hepatitis B vaccination, diphtheria-tetanus vaccination, influenza vaccination, pneumococcal vaccination, and other vaccinations when recommended by the United States Public Health Service and in accordance with Federal Emergency Management Directors Policy. Immune globulin will be made available when necessary, as determined by the State Health Director.

(b) Participation in the vaccination program is voluntary by the first responders, except for first responders who are classified as having "occupational exposure" to bloodborne pathogens as defined by the Occupational Safety and Health Administration Standard contained at 29 C.F.R. § 1910.10300 who shall be required to take the designated vaccinations or otherwise required by law.

(c) Nothing in this section shall require first responders, except first responders for whom the vaccination program is not voluntary as set forth in subsection (b) of this section, who present a written statement from a licensed physician indicating that a vaccine is medically contraindicated for the first responder or who sign a written statement that the administration of a vaccination conflicts with the first responder's religious tenets, to receive a vaccine.

(d) In the event of a vaccine shortage, the State Public Health Director, in consultation with the Centers for Disease Control and Prevention, shall give priority for vaccination to first responders deployed to a disaster location.

(e) The Department shall notify first responders of the availability of the vaccination program and shall provide educational materials on ways to prevent exposure to infectious diseases.

(f) As used in this section, unless the context clearly requires otherwise, the term:

(1) "Bioterrorism" means the intentional use of any microorganism, virus, infectious substance, biological product, or biological agent as defined in G.S. 130A-479 that may be engineered as a result of biotechnology or any naturally occurring or bioengineered component of any microorganism, virus, infectious substance, or biological product to cause or attempt to cause death, disease, or other biological malfunction in any living organism.

(2) "Disaster location" means any geographical location where a bioterrorism attack, terrorist incident, catastrophic or natural disaster, or emergency occurs.

(3) "First responders" means State and local law enforcement personnel, fire department personnel, and emergency medical personnel who will be deployed to bioterrorism attacks, terrorist attacks, catastrophic or natural disasters, or emergencies. (2003-227, s. 1.)

Editor's Note. — Session Laws 2003-227, s. 2, provides: "Nothing in this act obligates the General Assembly to appropriate State funds for the implementation of this act. The Department of Health and Human Services shall work with local employers to access, when available, federal funds to implement a vaccination program for first responders as enacted in Section 1 of this act."

§§ 130A-486 through 130A-490: Reserved for future codification purposes.

Article 23.

Smoking in Public Places.

(Effective until January 2, 2010)

Part 1. Smoking in State Government Buildings.

§ 130A-491. (Effective until January 2, 2010) Legislative intent.

It is the intent of the General Assembly to protect the health of individuals working in or visiting State government buildings from the risks related to secondhand smoke. It is further the intent of the General Assembly to protect the health of individuals driving or riding in State-controlled passenger-carrying vehicles assigned permanently or temporarily to State employees or State agencies or institutions for official State business. (2007-193, s. 1; 2008-149, s. 1.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2007-193, s. 1, made this Article effective January 1, 2008.

Session Laws 2007-193, provides, in the preamble: "Whereas, secondhand smoke has been proven to cause cancer, heart disease, and asthma in both smokers and nonsmokers; and

"Whereas, the 2006 Surgeon General's Report on the health consequences of involuntary exposure to tobacco smoke states that the scientific evidence indicates that there is no risk-free level of exposure to secondhand smoke; and

"Whereas, the 2006 Surgeon General's Report documents that separating smokers from nonsmokers, cleaning the air, and ventilating smoke cannot eliminate exposure to secondhand smoke; and

"Whereas, the Centers for Disease Control and Prevention (CDC) advises that all individuals with coronary heart disease or known risk factors for coronary heart disease should avoid all indoor environments that permit smoking; and

"Whereas, exposure to secondhand smoke is costly, costing the nation $10 billion per year, $5 billion in direct medical care costs, and $5 billion in indirect costs according to the 2005 Society of Actuaries; and

"Whereas, the vast majority of North Carolinians (77.4% of adults) do not smoke; and

"Whereas, the 2006 Surgeon General's Report documents that eliminating indoor smoking fully protects nonsmokers from exposure to secondhand smoke; and

"Whereas, North Carolina's General Assembly buildings are smoke-free; Now, therefore, The General Assembly of North Carolina enacts:"

Effect of Amendments. — Session Laws 2008-149, s. 1, effective January 1, 2009, added the second sentence.

§ 130A-492. (Effective until January 2, 2010) Definitions.

The following definitions apply in this Article:

(1) through (7). Reserved.

(8) "Local vehicle". — A passenger-carrying vehicle owned, leased, or otherwise controlled by local government and assigned permanently or temporarily by local government to local government employees, agencies, institutions, or facilities for official local government business.

(9) "Smoking". — The use or possession of a lighted cigarette, lighted cigar, lighted pipe, or any other lighted tobacco product.

(10) "State government". — The political unit for the State of North Carolina, including all agencies of the executive, judicial, and legislative branches of government.

(11) "State government building". — A building owned, leased as lessor, or the area leased as lessee and occupied by State government.

(12) "State vehicle". — A passenger-carrying vehicle owned, leased, or otherwise controlled by the State and assigned permanently or temporarily to a State employee or State agency or institution for official State business. (2007-193, s. 1; 2008-149, s. 2.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — At the direction of the Revisor of Statutes, subdivisions (1) through (7) have been set out as reserved and subdivisions (5), and (8) through (11), have been renumbered as subdivisions (8) through (12), respectively.

Effect of Amendments. — Session Laws 2008-149, s. 2, effective January 1, 2009, rewrote the section.

§ 130A-493. (Effective until January 2, 2010) Smoking in State government buildings and State vehicles prohibited.

(a) Notwithstanding Article 64 of Chapter 143 of the General Statutes pertaining to State-controlled buildings, smoking is prohibited inside State government buildings as provided in this section. As to smoking rooms in residence halls that were permitted by G.S. 143-597(a)(6), this Article becomes effective beginning with the 2008-2009 academic year.

Article 23 is set out twice. See notes.

(b) Smoking is permitted inside State government buildings that are used for medical or scientific research to the extent that smoking is an integral part of the research. Smoking permitted under this subsection shall be confined to the area where the research is being conducted.

(c) The individual in charge of the State government building or the individual's designee shall post signs in conspicuous areas of the building. The signs shall state that "smoking is prohibited" and may include the international "No Smoking" symbol, which consists of a pictorial representation of a burning cigarette enclosed in a red circle with a red bar across it. In addition, in any State psychiatric hospital, the person who owns, manages, operates, or otherwise controls the hospital shall:

(1) Direct any person who is smoking inside the facility to extinguish the lighted smoking product.

(2) Provide written notice to individuals upon admittance that smoking is prohibited inside the facility and obtain the signature of the individual or the individual's representative acknowledging receipt of the notice.

(c1) Smoking is prohibited inside State vehicles. The individual or the individual's designee in charge of assigning the vehicle shall place one or more signs in conspicuous areas of the vehicle. The signs shall state that "smoking is prohibited" and may include the international "No Smoking" symbol, which consists of a pictorial representation of a burning cigarette enclosed in a red circle with a red bar across it. If the vehicle is used for undercover law enforcement operations, a sign is not required to be placed in the vehicle as provided in this subsection.

(d) Notwithstanding G.S. 130A-25, a violation of Article 23 of this Chapter shall not be punishable as a criminal violation. (2007-193, s. 1; 2007-459, s. 4.1; 2008-149, s. 3.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2007-459, s. 5, provides, in part: "G.S. 130A-493(c)(2), as enacted by this act, applies to individuals admitted to the hospital on or after January 1, 2008."

Effect of Amendments. — Session Laws 2008-149, s. 3, effective January 1, 2009, in the section heading, inserted "and State vehicles"; and added subsection (c1).

§ 130A-494. (Effective until January 2, 2010) Other prohibitions.

Nothing in this Article repeals any other law prohibiting smoking, nor does it limit any law allowing regulation or prohibition of smoking on walkways or on the grounds of buildings. (2007-193, ss. 1, 3.2.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2007-193, s. 1, enacted this section as G.S. 130A-493.1. It has been renumbered as this section at the direction of the Revisor of Statutes.

Session Laws 2007-193, s. 3.2, amends the section, effective January 1, 2008, provided that Senate Bill 862, 2007 Regular Session becomes law. Senate Bill 862, 2007 Regular Session, was enacted as Session Laws 2007-114.

Effect of Amendments. — Session Laws 2007-193, s. 3.2, effective January 1, 2008, inserted "walkways or on" near the end of the section.

Article 23 is set out twice. See notes.

§ 130A-495. (Effective until January 2, 2010) Rules.

The Commission shall adopt rules to implement this Part. (2007-193, s. 1.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2007-193, s. 1, enacted this section as G.S. 130A-494. It has been renumbered as this section at the direction of the Revisor of Statutes.

Part 2. Local Government Regulation of Smoking.

§ 130A-498. (Effective until January 2, 2010) Local governments may restrict smoking in public places.

(a) Notwithstanding any other provision of Article 64 of Chapter 143 of the General Statutes to the contrary, a local government may adopt an ordinance, law, or rule restricting smoking in accordance with subsection (b) of this section.

(b) Any local ordinance, law, or rule authorized under this section may restrict smoking only in:

(1) Buildings owned, leased as lessor, or the area leased as lessee and occupied by local government;

(2) Building and grounds wherein local health departments and departments of social services are housed;

(3) Repealed by Session Laws 2007-193, s. 3.1, effective August 1, 2008.

(4) Any place on a public transportation vehicle owned or leased by local government and used by the public; and

(5) Any place in a local vehicle.

(c) As used in this Part, "local government" means any local political subdivision of this State, any airport authority, or any authority or body created by any ordinance, joint resolution, or rules of any such entity. As used in this Part, "local government" does not include community colleges as defined in G.S. 115D-2(2).

(d) As used in this Part, "grounds" means the area located within 50 linear feet of a building wherein a local health department or a local department of social services is housed.

(e) A county ordinance adopted under this section is subject to the provisions of G.S. 153A-122. (2007-193, ss. 2, 3.1; 2007-484, s. 31.7; 2008-95, s. 1; 2008-149, s. 4.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2007-193, s. 2, made this Part effective January 1, 2008.

Session Laws 2007-193, s. 3.1, repeals G.S. 130A-498(b)(3), effective August 1, 2008, provided that Senate Bill 1086, 2007 Regular Session, becomes law. Senate Bill 1086, 2007 Regular Session, was enacted as S.L. 2007-236.

Effect of Amendments. — Session Laws 2007-193, s. 3.1, effective August 1, 2008, repeals subdivision (b)(3), regarding smoking restrictions at schools.

Session Laws 2008-95, s. 1, effective July 11, 2008, added the last sentence in subsection (c).

Session Laws 2008-149, s. 4, effective January 1, 2009, added subdivision (b)(5) and made related changes.

ARTICLE 23.

Smoking Prohibited in Public Places and Places of Employment.

(Effective January 2, 2010)

Part 1A. Findings and Intent.

§ 130A-491. (Effective January 2, 2010) Legislative findings and intent.

(a) Findings. — The General Assembly finds that secondhand smoke has been proven to cause cancer, heart disease, and asthma attacks in both smokers and nonsmokers. In 2006, a report issued by the United States Surgeon General stated that the scientific evidence indicates that there is no risk-free level of exposure to secondhand smoke.

(b) Intent. — It is the intent of the General Assembly to protect the health of individuals in public places and places of employment and riding in State government vehicles from the risks related to secondhand smoke. It is further the intent of the General Assembly to allow local governments to adopt local laws governing smoking within their jurisdictions that are more restrictive than the State law. (2007-193, s. 1; 2008-149, s. 1; 2009-27, s. 1.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2009-27, s. 3, as amended by Session Laws 2009-550, s. 6(b), provides in part: "The Commission for Public Health may adopt rules to implement Parts 1A, 1B, and 1C of Article 23 of Chapter 130A of the General Statutes, as enacted by this act, on and after the date this act becomes law, provided that such rules shall not become effective before January 2, 2010."

Effect of Amendments. — Session Laws 2009-27, s. 1, effective January 2, 2010, added "findings and" in the section heading, added subsection (a), rewrote former subsection (a), and redesignated it as subsection (b).

§ 130A-492. (Effective January 2, 2010) Definitions.

The following definitions apply in this Article:

(1) "Bar". — An establishment with a permit to sell alcoholic beverages pursuant to subdivision (1), (3), (5), or (10) of G.S. 18B-1001.

(2) "Cigar bar". — An establishment with a permit to sell alcoholic beverages pursuant to subdivision (1), (3), (5), or (10) of G.S. 18B-1001 that satisfies all of the following:

a. Generates sixty percent (60%) or more of its quarterly gross revenue from the sale of alcoholic beverages and twenty-five percent (25%) or more of its quarterly gross revenue from the sale of cigars;

b. Has a humidor on the premises; and

c. Does not allow individuals under the age of 21 to enter the premises.

Revenue generated from other tobacco sales, including cigarette vending machines, shall not be used to determine whether an establishment satisfies the definition of cigar bar.

(3) "Employee". — A person who is employed by an employer, or who contracts with an employer or third person to perform services for an

employer, or who otherwise performs services for an employer with or without compensation.

(4) "Employer". — An individual person, business, association, political subdivision, or other public or private entity, including a nonprofit entity, that employs or contracts for or accepts the provision of services from one or more employees.

(5) "Enclosed area". — An area with a roof or other overhead covering of any kind and walls or side coverings of any kind, regardless of the presence of openings for ingress and egress, on all sides or on all sides but one.

(6) "Grounds". — An unenclosed area owned, leased, or occupied by State or local government.

(7) "Local government". — A local political subdivision of this State, an airport authority, or an authority or body created by an ordinance, joint resolution, or rules of any such entity.

(8) "Local government building". — A building owned, leased as lessor, or the area leased as lessee and occupied by a local government.

(9) "Local vehicle". — A passenger-carrying vehicle owned, leased, or otherwise controlled by local government and assigned permanently or temporarily by local government to local government employees, agencies, institutions, or facilities for official local government business.

(10) "Lodging establishment". — An establishment that provides lodging for pay to the public.

(11) "Private club". — A country club or an organization that maintains selective members, is operated by the membership, does not provide food or lodging for pay to anyone who is not a member or a member's guest, and is either incorporated as a nonprofit corporation in accordance with Chapter 55A of the General Statutes or is exempt from federal income tax under the Internal Revenue Code as defined in G.S. 105-130.2(1). For the purposes of this Article, private club includes country club.

(12) "Private residence". — A private dwelling that is not a child care facility, as defined in G.S. 110-86(3), and not a long-term care facility, as defined in G.S. 131E-14.3(a)(1).

(13) "Private vehicle". — A privately owned vehicle that is not used for commercial or employment purposes.

(14) "Public place". — An enclosed area to which the public is invited or in which the public is permitted.

(15) "Restaurant". — A food or lodging establishment that prepares and serves drink or food as regulated by the Commission pursuant to Part 6 of Article 8 of this Chapter.

(16) "Smoking". — The use or possession of a lighted cigarette, lighted cigar, lighted pipe, or any other lighted tobacco product.

(17) "State government". — The political unit for the State of North Carolina, including all agencies of the executive, judicial, and legislative branches of government.

(18) "State government building". — A building owned, leased as lessor, or the area leased as lessee and occupied by State government.

(19) "State vehicle". — A passenger-carrying vehicle owned, leased, or otherwise controlled by the State and assigned permanently or temporarily to a State employee or State agency or institution for official State business.

(20) "Tobacco shop". — A business establishment, the main purpose of which is the sale of tobacco, tobacco products, and accessories for such

products, that receives no less than seventy-five percent (75%) of its total annual revenues from the sale of tobacco, tobacco products, and accessories for such products, and does not serve food or alcohol on its premises. (2007-193, s. 1; 2008-149, s. 2; 2009-27, s. 1; 2009-550, s. 6(a).)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — The subdivisions in this section were renumbered at the direction of the Revisor of Statutes.

Effect of Amendments. — Session Laws 2009-27, s. 1, effective July 2, 2010, added subdivisions (1) through (7), (11) through (15), and (20), and redesignated the remaining subdivisions accordingly.

Session Laws 2009-550, s. 6(a), effective August 28, 2009, made a minor stylistic change in subdivision (15).

Part 1B. Smoking Prohibited in State Government Buildings and Vehicles.

§ 130A-493. (Effective January 2, 2010) Smoking prohibited in State government buildings and State vehicles.

(a) Notwithstanding Article 64 of Chapter 143 of the General Statutes pertaining to Statecontrolled buildings, smoking is prohibited inside State government buildings except as provided in subsection (b) of this section.

(b) Smoking is permitted inside State government buildings that are used for medical or scientific research to the extent that smoking is an integral part of the research. Smoking permitted under this subsection shall be confined to the area where the research is being conducted.

(c) The individual in charge of the State government building or the individual's designee shall post signs in conspicuous areas of the building. The signs shall state that "smoking is prohibited" and may include the international "No Smoking" symbol, which consists of a pictorial representation of a burning cigarette enclosed in a red circle with a red bar across it. In addition, the individual in charge of the building or the individual's designee shall:

(1) Direct a person who is smoking inside the building to extinguish the lighted smoking product.

(2) In a State psychiatric hospital, provide written notice to individuals upon admittance that smoking is prohibited inside the building and obtain the signature of the individual or the individual's representative acknowledging receipt of the notice.

(c1) Smoking is prohibited inside State vehicles. The individual or the individual's designee in charge of assigning the vehicle shall place one or more signs in conspicuous areas of the vehicle. The signs shall state that "smoking is prohibited" and may include the international "No Smoking" symbol, which consists of a pictorial representation of a burning cigarette enclosed in a red circle with a red bar across it. If the vehicle is used for undercover law enforcement operations, a sign is not required to be placed in the vehicle as provided in this subsection.

(d) Notwithstanding G.S. 130A-25, a violation of Article 23 of this Chapter shall not be punishable as a criminal violation. (2007-193, s. 1; 2007-459, s. 4.1; 2008-149, s. 3; 2009-27, s. 1.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2009-27, s. 1, made this part effective January 2, 2010.

Session Laws 2009-550, s. 6(b), provides in part: "The Commission for Public Health may adopt rules to implement Parts 1A, 1B, and 1C of Article 23 of Chapter 130A of the General Statutes, as enacted by this act, on and after the date this act becomes law, provided that such rules shall not become effective before January 2, 2010."

Effect of Amendments. — Session Laws 2009-27, s. 1, effective July 2, 2010, made a stylistic change in the section heading; in subsection (a), substituted "except as provided in subsection (b) of this section" for "as provided in this section," and deleted the last sentence relating to smoking rooms in residence halls that were permitted by G.S. 143-597 (a)(6); in subsection (c), substituted "the individual in charge of the building or the individual's designee shall" for "in any State psychiatric hospital, the person who owns, manages, operates, or otherwise controls the hospital shall" in the introductory language, added "In a State psychiatric hospital" in subdivision (c)(2), and made related and minor stylistic changes.

§ 130A-494. (Effective January 2, 2010) Other prohibitions.

Nothing in this Article repeals any other law prohibiting smoking, nor does it limit any law allowing regulation or prohibition of smoking on walkways or on the grounds of buildings. (2007-193, ss. 1, 3.2.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2007-193, s. 1, enacted this section as G.S. 130A-493.1. It has been renumbered as this section at the direction of the Revisor of Statutes.

Session Laws 2007-193, s. 3.2, amends the section, effective January 1, 2008, provided that Senate Bill 862, 2007 Regular Session becomes law. Senate Bill 862, 2007 Regular Session, was enacted as Session Laws 2007-114.

Effect of Amendments. — Session Laws 2007-193, s. 3.2, effective January 1, 2008, inserted "walkways or on" near the end of the section.

§ 130A-495. (Effective January 2, 2010) Rules.

The Commission shall adopt rules to implement this Part. (2007-193, s. 1.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2007-193, s. 1, enacted this section as G.S. 130A-494. It has been renumbered as this section at the direction of the Revisor of Statutes.

Part 1C. Smoking Prohibited in Restaurants and Bars.

§ 130A-496. (Effective January 2, 2010) Smoking prohibited in restaurants and bars.

(a) Notwithstanding Article 64 of Chapter 143 of the General Statutes, smoking is prohibited in all enclosed areas of restaurants and bars, except as provided in subsection (b) of this section.

(b) Smoking may be permitted in the following places:

(1) A designated smoking guest room in a lodging establishment. No greater than twenty percent (20%) of a lodging establishment's guest rooms may be designated smoking guest rooms.

(2) A cigar bar if smoke from the cigar bar does not migrate into an enclosed area where smoking is prohibited pursuant to this Article. A cigar bar that begins operation after July 1, 2009, may only allow smoking if it is located in a freestanding structure occupied solely by

the cigar bar and smoke from the cigar bar does not migrate into an enclosed area where smoking is prohibited pursuant to this Article. To qualify under this subsection, the cigar bar must satisfactorily report on a quarterly basis to the Department, on a form prescribed by the Department, the revenue generated from the sale of alcoholic beverages and cigars as a percentage of quarterly gross revenue. The Department shall determine whether any additional documentation is required of the cigar bar to authenticate or verify revenue data submitted by the cigar bar. This subdivision shall not apply to any business that is established for the purpose of avoiding compliance with this Article.

(3) A private club. (2009-27, s. 1.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Editor's Note. — Session Laws 2009-27, s. 1, made this part effective January 2, 2010.

Session Laws 2009-27, s. 3, as amended by Session Laws 2009-550, s. 6(b), provides in part: "The Commission for Public Health may adopt rules to implement Parts 1A, 1B, and 1C of Article 23 of Chapter 130A of the General Statutes, as enacted by this act, on and after the date this act becomes law, provided that such rules shall not become effective before January 2, 2010."

§ 130A-497. (Effective January 2, 2010) Implementation and enforcement.

(a) A person who manages, operates, or controls a restaurant or bar in which smoking is prohibited shall:

(1) Conspicuously post signs clearly stating that smoking is prohibited. The signs may include the international "No Smoking" symbol, which consists of a pictorial representation of a burning cigarette enclosed in a red circle with a red bar across it.

(2) Remove all indoor ashtrays and other smoking receptacles.

(3) Direct a person who is smoking to extinguish the lighted tobacco product.

(b) Continuing to smoke in a nonsmoking area described in this Part following oral or written notice by the person in charge of the area or the person's designee constitutes an infraction, and the person committing the infraction may be punished by a fine of not more than fifty dollars ($50.00).

(c) Conviction of an infraction under this section has no consequence other than payment of a penalty. A person found responsible for a violation of this section may not be assessed court costs.

(d) Notwithstanding G.S. 130A-25, a violation of this Part shall not be punishable as a misdemeanor.

(e) Administrative penalties imposed under G.S. 130A-22(h1) against a person who manages, operates, or controls a restaurant or bar and fails to comply with the provisions of this Article and the rules adopted by the Commission to implement the provisions of this Article shall only be enforced by a local health director.

(f) The Commission shall adopt rules to implement the provisions of this Article. (2009-27, s. 1.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Article 23 is set out twice. See notes.

Part 2. Local Government Regulation of Smoking.

§ 130A-498. (Effective January 2, 2010) Local governments may restrict smoking in public places.

(a) Except as otherwise provided in subsection (b1) of this section, and notwithstanding any other provision of Article 64 of Chapter 143 of the General Statutes to the contrary, a local government may adopt and enforce ordinances, board of health rules, and policies restricting or prohibiting smoking that are more restrictive than State law and that apply in local government buildings, on local government grounds, in local vehicles, or in public places. A rule or policy adopted on and after July 1, 2009 pursuant to this subsection by a local board of health or an entity exercising the powers of a local board of health must be approved by an ordinance adopted by the Board of County Commissioners of the county to which the rule applies. The definitions set forth in G.S. 130A-492 in Part 1A of this Article apply to this section and shall apply to any local ordinance, rule, or law adopted by a local government under this section.

(b) Repealed by Session Laws 2009-27, s. 1, effective January 2, 2010.

(b1) A local ordinance or other rules, laws, or policies adopted under this section may not restrict or prohibit smoking in the following places:

(1) A private residence.

(2) A private vehicle.

(3) A tobacco shop if smoke from the business does not migrate into an enclosed area where smoking is prohibited pursuant to this Article. A tobacco shop that begins operation after July 1, 2009, may only allow smoking if it is located in a freestanding structure occupied solely by the tobacco shop and smoke from the shop does not migrate into an enclosed area where smoking is prohibited pursuant to this Article.

(4) All of the premises, facilities, and vehicles owned, operated, or leased by any tobacco products processor or manufacturer, or any tobacco leaf grower, processor, or dealer.

(5) A designated smoking guest room in a lodging establishment. No greater than twenty percent (20%) of a lodging establishment's guest rooms may be designated smoking guest rooms.

(6) A cigar bar if smoke from the cigar bar does not migrate into an enclosed area where smoking is prohibited pursuant to this Article. A cigar bar that begins operation after July 1, 2009, may only allow smoking if it is located in a freestanding structure occupied solely by the cigar bar and smoke from the cigar bar does not migrate into an enclosed area where smoking is prohibited pursuant to this Article. To qualify under this subsection, the cigar bar must satisfactorily report on a quarterly basis to the Department, on a form prescribed by the Department, the revenue generated from the sale of alcoholic beverages and cigars as a percentage of quarterly gross revenue. The Department shall determine whether any additional documentation is required of the cigar bar to authenticate or verify revenue data submitted by the cigar bar. This subdivision shall not apply to any business that is established for the purpose of avoiding compliance with this Article.

(7) A private club.

(8) A motion picture, television, theater, or other live production set. This exemption applies only to the actor or performer portraying the use of tobacco products during the production.

(c) Repealed by Session Laws 2009-27, s. 1, effective January 2, 2010.

(c1) Continuing to smoke in violation of a local ordinance or other rules, laws, or policies adopted under this section constitutes an infraction, and the person committing the infraction may be punished by a fine of not more than fifty dollars ($50.00). Conviction of an infraction under this section has no consequence other than payment of a penalty. A person smoking in violation of a local ordinance or other rules, laws, or policies adopted under this section may not be assessed court costs.

(d) Repealed by Session Laws 2009-27, s. 1, effective January 2, 2010.

(d1) Notwithstanding G.S. 130A-25 or any other provision of law, a violation of a local ordinance, rule, law, or policy adopted under this section shall not be punishable as a misdemeanor.

(d2) A local government may enforce an ordinance, rule, law, or policy under this section against a person who manages, operates, or controls a public place only as provided in G.S. 130A-22(h1).

(e) A county ordinance adopted under this section is subject to the provisions of G.S. 153A-122. (2007-193, ss. 2, 3.1; 2007-484, s. 31.7; 2008-95, s. 1; 2008-149, s. 4; 2009-27, s. 1.)

Article 23 Set Out Twice. — The first version of Article 23 is effective until January 2, 2010. The second version of Article 23 is effective January 2, 2010.

Effect of Amendments. — Session Laws 2009-27, s. 1, effective January 2, 2010, rewrote subsection (a), which read: "Notwithstanding any other provision of Article 64 of Chapter 143 of the General Statutes to the contrary, a local government may adopt an ordinance, law, or rule restricting smoking in accordance with subsection (b) of this section"; deleted former subsections (b), (c), and (d), and added present subsections (b1), (c1), (d1), and (d2); and made related changes.

Chapter 130B.

Hazardous Waste Management Commission.

§§ 130B-1 through 130B-24: Repealed by Session Laws 2001-474, s. 1, effective November 29, 2001.

Chapter 131.

Public Hospitals.

§§ 131-1 through 131-188: Repealed by Session Laws 1983, c. 775, s. 1.

Cross References. — As to health care facilities and services, see now Chapter 131E.

Editor's Note. — Session Laws 1983, c. 775, s. 3, provides: "Sec. 3. Notwithstanding the foregoing, any unit of government, or units of government acting jointly, that as of December 31, 1983, is operating a hospital or hospitals pursuant to Articles 2 or 2A of Chapter 131 of the General Statutes may continue to operate pursuant to the provisions of those Articles as they existed on December 31, 1983, to the extent that those Articles are inconsistent with this Chapter. However, a unit of government that has been operating a hospital pursuant to those Articles may choose to continue operations under the provisions of one of the Parts of Article 2 of this Chapter by adopting an appropriate resolution and by satisfying all other requirements of the relevant Part of Article 2 of this Chapter."

Session Laws 1989, c. 283, effective June 12, 1989, amends G.S. 131-7. Session Laws 1989, c. 283, ss. 1 and 2 provide:

"Section 1. G.S. 131-7, as it applies to hospitals continuing to operate under Article 2, Chapter 131 of the North Carolina General Statutes pursuant to Section 3, Chapter 775 of the 1983 Session Laws, is amended by rewriting the first sentence to read: 'Should a majority of the qualified voters upon the question be in favor of establishing such county, township, or town hospital, the governing body shall proceed at once to appoint seven trustees chosen from the citizens at large with reference to their fitness for such office, all residents of the county, township or town, who shall constitute a board of trustees for such public hospital.'

"Sec. 2. G.S. 131-7 is amended by deleting the phrase 'No practicing physician may serve as a trustee.', and substituting 'One practicing physician may serve as a trustee'."

Session Laws 1999-377, s. 1, effective August 4, 1999, amends G.S. 131-4 as it applies to hospitals continuing to operate under Article 2, Chapter 131 of the North Carolina General Statutes pursuant to Section 3, Chapter 775 of the 1983 Session Laws, by adding a new subdivision to read:

"(4) Extension of Tax Levy. Prior to or following the expiration of the tax levy specified in subdivision (3) of this section, a new petition may be presented to the governing body of any county in which a township is located, signed by 200 resident freeholders of such township asking that an annual tax continue to be levied for the maintenance, operation, and improvement of the public hospital, after the expiration of the tax levy specified in subdivision (3). The procedure for submitting the petition and holding an election on the issue of continuing the tax levy shall be the same as the procedure for the petition and election for establishment of the initial tax levy, provided that the requirement that 150 of the 200 petitioners not be residents of the city, town, or village where the hospital is to be located shall not apply. The tax to be levied under such new election shall not exceed one twenty-fifth of one cent (1/25 of 1 cent) on the dollar ($1.00) for a period of time not exceeding 30 years and shall be for the issue of county or township bonds to provide funds for the maintenance and improvement of the public hospital."

Session Laws 1999-377, s. 2, amends G.S. 131-5 by adding a sentence providing that the procedure for submission of the issue of continuation of the tax levy is to be the same as set forth previously in G.S. 131-5, so long as the tax is not to exceed one twenty-fifth of one cent on the dollar, and by providing the statement to be used on ballots when the issue is submitted.

Session Laws 1999-377, s. 3, provides that all hospitals which continue to operate under Article 2 of Chapter 131, of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws, shall, in addition to the powers granted in that article have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

Session Laws 1999-377, s. 4, provides that any hospital continuing to operate under Article 2 of Chapter 131, pursuant to Section 3 of Chapter 775 of the 1983 Session Laws, shall be considered a "public hospital" within the meaning of G.S. 159-39 and a "unit of local government" within the meaning of G.S. 160A-20.

§ 131A-1. Short title.

This Chapter shall be known, and may be cited, as the "Health Care Facilities Finance Act." (1975, c. 766, s. 1.)

Editor's Note. — Session Laws 1975, c. 766, s. 3, provided that the act would become effective upon certification by the State Board of Elections that an amendment to the North Carolina Constitution authorizing the enactment of general laws dealing with the transactions of the type contemplated by the act had been approved. Such an amendment was proposed by Session Laws 1975, c. 641, and adopted by vote of the People at the election held March 23, 1976. See N.C. Const., Art. V, § 8.

CASE NOTES

Cited in News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981).

§ 131A-2. Legislative findings.

It is hereby declared to be the policy of the State of North Carolina to promote the public health and welfare by providing means for financing, refinancing, acquiring, constructing, equipping and providing of health care facilities to serve the people of the State and to make accessible to them modern and efficient health care facilities.

The General Assembly hereby finds and declares that:

(1) There is a need to overcome existing and anticipated physical and technical obsolescence of existing health care facilities and to provide additional modern and efficient health care facilities in the State; and

(2) Unless measures are adopted to alleviate such need, the shortage of such facilities will become increasingly more urgent and serious; and

(3) In order to meet such shortage and thereby promote the public health and welfare of the people of the State, it is necessary for the State to assist in the providing of adequate modern and efficient health care facilities in the State so that health and hospital care and services may be expanded, improved and fostered to the fullest extent practicable.

The General Assembly hereby further finds and declares that the financing, refinancing, acquiring, constructing, equipping and providing of health care facilities are public uses and public purposes and that enactment of this Chapter is necessary and proper for effectuating the purposes hereof. (1975, c. 766, s. 1; 1993, c. 553, s. 42.)

§ 131A-3. Definitions.

As used or referred to in this Chapter, the following words and terms shall have the following meanings, unless the context clearly indicates otherwise:

(1) "Bonds" or "notes" means the revenue bonds or bond anticipation notes, respectively, authorized to be issued by the Commission under this Chapter;

(2) "Commission" means the North Carolina Medical Care Commission, created by Part 10 of Article 3 of Chapter 143B of the General Statutes, or, should said Commission be abolished or otherwise divested of its functions under this Chapter, the public body succeeding it in its principal functions, or upon which are conferred by law the rights, powers and duties given by this Chapter to the Commission;

(3) "Cost" as applied to any health care facilities means the cost of construction or acquisition; the cost of acquisition of property, including rights in land and other property, both real and personal and improved and unimproved; the cost of demolishing, removing or relocating any buildings or structures on land so acquired, including the cost of acquiring any land to which such buildings or structures may be moved or relocated; the cost of all machinery, fixed and movable equipment and furnishings; financing charges, interest prior to and during construction and, if deemed advisable by the Commission, for a period not exceeding two years after the estimated date of completion of construction, the cost of engineering and architectural surveys, plans and specifications; the cost of consulting and legal services and other expenses necessary or incident to determining the feasibility or practicability of constructing or acquiring such health care facilities; the cost of administrative and other expenses necessary or incident to the construction or acquisition of such health care facilities, and the financing of the construction or acquisition thereof, including reasonable provision for working capital and a reserve for debt service; the cost of reimbursing any public or nonprofit agency for any payments made for any cost described above or the refinancing of any cost described above, provided that no payment shall be reimbursed or any cost be refinanced if such payment was made or such cost was incurred earlier than two years prior to the effective date of this Chapter; provided further, that it is the intent that any costs described above shall be payable solely from the revenues of the health care facilities;

(4) "Health care facilities" means any one or more buildings, structures, additions, extensions, improvements or other facilities, whether or not located on the same site or sites, machinery, equipment, furnishings or other real or personal property suitable for health care or medical care; and includes, without limitation: general hospitals, chronic diseases, maternity, mental, tuberculosis and other specialized hospitals; facilities for intensive care and self-care; nursing homes, including skilled nursing facilities and intermediate care facilities; facilities for continuing care of the elderly and infirm; clinics and outpatient facilities; clinical, pathological and other laboratories; health care research facilities; laundries; training facilities for nurses, interns,

physicians and other staff members; food preparation and food service facilities; administration buildings, central service and other administrative facilities; communication, computer; and other electronic facilities, fire-fighting facilities, pharmaceutical facilities and recreational facilities; storage space, X-ray, laser, radiotherapy and other apparatus and equipment; dispensaries; utilities; vehicular parking lots and garages; office facilities for health care facilities staff members and physicians; and such other health care facilities customarily under the jurisdiction of or provided by hospitals, or any combination of the foregoing, with all necessary, convenient or related interests in land, machinery, apparatus, appliances, equipment, furnishings, appurtenances, site preparation, landscaping and physical amenities;

(5) "Non-profit agency" means any nonprofit corporation existing or hereafter created and empowered to acquire, by lease or otherwise, operate or maintain health care facilities;

(6) "Public agency" means any county, city, town, hospital district or other political subdivision of the State existing or hereafter created pursuant to the laws of the State authorized to acquire, by lease or otherwise, operate or maintain health care facilities;

(7) "State" means the State of North Carolina;

(8) "Federally guaranteed security" means any security, investment or evidence of indebtedness issued pursuant to any provision of federal law for the purpose of financing or refinancing the cost of any health care facilities which is insured or guaranteed, directly or indirectly, in whole or in part as to the repayment of principal or interest by the United States of America or any instrumentality thereof;

(9) "Federally insured mortgage note" means any loan secured by a mortgage or deed of trust on any health care facilities owned or leased by any public or nonprofit agency which is insured or guaranteed, directly or indirectly, in whole or in part as to the repayment of principal and interest by the United States of America or any instrumentality thereof, or any commitment by the United States of America or any instrumentality thereof to so insure or guarantee such a loan secured by a mortgage or a deed of trust.

(10) "Continuing care" means the furnishing, pursuant to a continuing care agreement, of shelter, food, and nursing care to an individual not related by consanguinity or affinity to the provider furnishing such care. Other personal services provided shall be designated in the continuing care agreement. Continuing care shall include only life care, care for life, or care for a term of years;

(11) "Life care" or "care for life" means a life lease, life membership, life estate, or similar agreement between an individual and a provider by which the individual pays a fee for the right to occupy a space in the continuing care facility and to receive continuing care for life; and

(12) "Care for a term of years" means an agreement between an individual and a provider whereby the individual pays a fee for the right to occupy space in a continuing care facility, and to receive continuing care, for at least one year, but for less than the life of the member. (1975, c. 766, s. 1; 1979, c. 54, s. 1; 1981, c. 64; c. 867, ss. 1, 2; 2005-238, s. 13.)

Cross References. — As to the definition of "Long-term care facility" in the Long-Term Care Ombudsman Program, see G.S. 143B-181.16.

Editor's Note. — As to the effective date of this Chapter, see the Editor's note under G.S. 131A-1.

Session Laws 2005-238, s. 15, provides: "The General Assembly finds that the provisions of this act are necessary for the health and welfare of the State and as such finds that the act shall be construed liberally to effect its purposes."

Session Laws 2005-238, s. 16, is a severability clause.

§ 131A-4. Additional powers.

The Commission shall have all of the powers necessary or convenient to carry out and effectuate the purposes and provisions of this Chapter, including, but without limiting the generality of the foregoing, the power:

(1) To make and execute contracts and agreements necessary or incidental to the exercise of its powers and duties under this Chapter, including loan agreements and agreements of sale or leases with and mortgages and conveyances to public and nonprofit agencies, persons, firms, corporations, governmental agencies and others;

(2) To acquire by purchase, the exercise of the power of eminent domain but only in connection with a financing for a public agency, lease, gift or otherwise, or to obtain options for the acquisition of, any property, real or personal, improved or unimproved, including interests in land in fee or less than fee for any health care facilities, upon such terms and at such cost as shall be agreed upon by the owner and the Commission;

(3) To arrange or contract with any county, city, town or other political subdivision or instrumentality of the State for the opening or closing of streets or for the furnishing of utility or other services to any health care facilities;

(4) To sell, convey, lease as lessor, mortgage, exchange, transfer, or otherwise dispose of, or to grant options for any such purposes with respect to, any real or personal property or interest therein;

(5) To pledge or assign any money, purchase price payments, rents, loan repayments, charges, fees or other revenues, including any federally guaranteed security and moneys received therefrom whether such securities are initially acquired by the Commission or a public or nonprofit agency, and any proceeds derived by the Commission from sales of property, insurance, condemnation awards or other sources;

(6) To pledge or assign the revenues and receipts from any health care facilities and any agreement of sale or lease or the purchase price payments, rent and income received thereunder;

(7) To borrow money as herein provided to carry out and effectuate its corporate purposes and to issue in evidence thereof bonds and notes for the purpose of providing funds to pay all or any part of the cost of any health care facilities, to lend money to any public or nonprofit agency to pay all or any part of the cost of health care facilities, to acquire any federally guaranteed security or any federally insured mortgage note, to lend money to any public or nonprofit agency for the acquisition of any federally guaranteed security and to issue revenue refunding bonds;

(8) To finance, acquire, construct, equip, provide, operate, own, repair, maintain, extend, improve, rehabilitate, renovate and furnish any health care facilities and to pay all or any part of the cost thereof from the proceeds of bonds or notes or from any contribution, gift or donation or other funds available to the Commission for such purpose;

(9) To fix, revise, charge and collect or cause to be fixed, revised, charged and collected purchase price payments, rents, loan repayments, fees, professional contracts and charges for the use of, or services rendered by, any health care facilities;

(10) To employ fiscal consultants, consulting engineers, architects, attorneys, health care consultants, appraisers and such other consultants

and employees as may be required in the judgment of the Commission and to fix and pay their compensation from funds available to the Commission therefor and to select and retain subject to approval of the Local Government Commission the financial consultants, underwriters and bond attorneys to be associated with the issuance of any bonds and to pay for services rendered by underwriters, financial consultants or bond attorneys out of the proceeds of any such issue with regard to which the services were performed;

(11) To conduct studies and surveys respecting the need for health care facilities and their location, financing and construction;

(12) To apply for, accept, receive and agree to and comply with the terms and conditions governing grants, loans, advances, contributions, interest subsidies and other aid with respect to health care facilities from federal and State agencies or instrumentalities and to accept, receive and agree to and comply with the terms and conditions governing payments under any health insurance programs;

(13) To sue and be sued in its own name, plead and be impleaded;

(14) To acquire and enter into commitments to acquire any federally guaranteed security or federally insured mortgage note and to pledge or otherwise use any such federally guaranteed security or federally insured mortgage note in such manner as the Commission deems in its best interest to secure or otherwise provide a source of repayment on any of its bonds or notes issued on behalf of any public or nonprofit agency to finance or refinance the cost of any health care facilities.

Any power granted to the Commission under the provisions of this Chapter may be exercised by the executive committee of the Commission when the Commission is not in session, except that the executive committee may not overrule, reverse or disregard any action of the full Commission. The chairman of the Commission may call meetings of the executive committee at any time. (1975, c. 766, s. 1; 1977, c. 267; 1979, c. 54, ss. 2-6; 1985, c. 723, s. 4.)

§ 131A-5. Criteria and requirements.

In undertaking any health care facilities pursuant to this Chapter, the Commission shall be guided by and shall observe the following criteria and requirements; provided that the determination of the Commission as to its compliance with such criteria and requirements shall be final and conclusive:

(1) There is a need for the health care facilities in the area in which the health care facilities are to be located;

(2) No health care facilities shall be sold or leased nor any loan made to any public or nonprofit agency which is not financially responsible and capable of fulfilling its obligations, including its obligations under an agreement of sale or lease or a loan agreement to make purchase price payments, to pay rent, to operate, repair and maintain at its own expense the health care facilities and to discharge such other responsibilities as may be imposed under the agreement of sale or lease or loan agreement;

(3) Adequate provision shall be made for the payment of the principal of and the interest on the bonds and any necessary reserves therefor and for the operation, repair and maintenance of the health care facilities at the expense of the public or nonprofit agency; and

(4) The public facilities, including utilities, and public services necessary for the health care facilities will be made available. (1975, c. 766, s. 1; 1979, c. 54, s. 7.)

§ 131A-6. Additional powers of public agencies.

For the purposes of this Chapter, public agencies are authorized and empowered to enter into contracts and agreements, including loan agreements and agreements of sale or lease, with the Commission to facilitate the financing or refinancing, acquiring, constructing, equipping, providing, operating and maintaining of health care facilities and pursuant to any such loan agreement or agreement of sale or lease to operate, repair and maintain any health care facilities and, subject to the provisions of G.S. 131A-8, to pay the cost thereof and the loan repayments, purchase price payments or rent therefor from any funds available for such purposes. In addition, public agencies may mortgage, pledge, assign, grant a security interest in, or otherwise encumber a health care facility, whether owned or leased, to secure obligations under a loan agreement or similar debt instrument in connection with the issuance of bonds or notes by the Commission under this Chapter. Property subject to a mortgage, deed of trust, security interest, or similar lien pursuant to this section may be sold at foreclosure in any manner permitted by the instrument creating the encumbrance, without compliance with any other provision of law regarding the disposition of publicly owned property. The granting of a lien on, or security interest in, a health care facility and the conveyance of this property pursuant to the provisions of the lien or security interest are not subject to the provisions of G.S. 131E-8, 131E-13, or 131E-14. (1975, c. 766, s. 1; 1979, c. 54, s. 8; 2005-238, s. 14.)

Editor's Note. — Session Laws 2005-238, s. 15, provides: "The General Assembly finds that the provisions of this act are necessary for the health and welfare of the State and as such finds that the act shall be construed liberally to effect its purposes."

Session Laws 2005-238, s. 16, is a severability clause.

§ 131A-7. Procedural requirements.

In addition to health care facilities initiated by the Commission, any public or nonprofit agency may submit to the Commission, and the Commission may consider, a proposal for financing health care facilities using such forms and following such instructions as may be prescribed by the Commission. Such proposal shall set forth the type and location of the health care facilities and may include other information and data available to the public or nonprofit agency respecting the health care facilities and the extent to which such health care facilities conform to the criteria and requirements set forth in this Chapter. The Commission may request the public or nonprofit agency to provide additional information and data respecting the health care facilities. The Commission is authorized to make or cause to be made such investigations, surveys, studies, reports and reviews as in its judgment are necessary and desirable to determine the feasibility and desirability of the health care facilities, the extent to which the health care facilities will contribute to the health and welfare of the area in which they will be located, the powers, experience, background, financial condition, record of service and capability of the management of the public or nonprofit agency, the extent to which the health care facilities otherwise conform to the criteria and requirements of this Chapter, and such other factors as may be deemed relevant or convenient in carrying out the purposes of this Chapter. (1975, c. 766, s. 1.)

§ 131A-8. Operation of health care facilities; loan agreements; agreements of sale or lease; conveyance of interest in health care facilities.

All health care facilities shall be operated to serve and benefit the public and there shall be no discrimination against any person based on race, creed, color or national origin.

The Commission may sell or lease any health care facilities to a public or nonprofit agency for operation and maintenance or lend money to any public or nonprofit agency in such manner as shall effectuate the purposes of this Chapter, under a loan agreement or an agreement of sale or lease in form and substance not inconsistent herewith. Any such loan agreement or agreement of sale or lease may include provisions that:

(1) The public or nonprofit agency shall, at its own expense, operate, repair and maintain the health care facilities covered by such agreement;

(2) The purchase price payments to be made under the agreement of sale, the rent payable under the agreement of lease or the loan repayments under the loan agreement shall in the aggregate be not less than an amount sufficient to pay all of the interest, principal and any redemption premium on the bonds or notes issued by the Commission to pay the cost of the health care facilities sold or leased thereunder or to make the loan with respect thereto;

(3) The public or nonprofit agency shall pay all other costs incurred by the Commission in connection with the providing of the health care facilities covered by any such agreement, except such costs as may be paid out of the proceeds of bonds or notes or otherwise, including, but without limitation, insurance costs, the cost of administering the resolution authorizing the issuance of, or any trust agreement securing, such bonds or notes and the fees and expenses of trustees, paying agents, attorneys, consultants and others;

(4) The loan agreement or the agreement of sale or lease shall terminate not earlier than the date on which all such bonds and all other obligations incurred by the Commission in connection with the health care facilities covered by any such agreement shall be retired or provision for such retirement shall be made; and

(5) The obligation of the public or nonprofit agency to make loan repayments or purchase price payments or to pay rent shall not be subject to cancellation, termination or abatement by the public or nonprofit agency until the bonds have been retired or provision has been made for such retirement.

All obligations payable by a public agency under a loan agreement or an agreement of sale or lease, including the obligation to make loan repayments or purchase price payments or to pay rent and to pay the costs of operating, repairing and maintaining health care facilities, shall be payable solely from the revenues of the health care facilities being purchased or leased or with respect to which a loan is made or other health care facilities of the health care facilities of the public agency or from any federally guaranteed security and moneys received therefrom and shall not be payable from or charged upon any funds of the public agency other than the revenues pledged to such payment; provided, however, that nothing herein shall restrict the power of any county, city, town or other political subdivision of the State or any hospital district created pursuant to Article 13C of Chapter 131 of the General Statutes to submit to its qualified voters a health care facility maintenance tax under Article 13B of said Chapter 131 for the purposes of financing the cost of operation, equipment and maintenance of any health care facility financed for any public agency under this Chapter and all health care facilities authorized to be financed under this Chapter and leased to public agencies are hereby declared to be included within the definition "hospital facility" as used in said Article 13B.

Where the Commission has acquired a possessory or ownership interest in any health care facilities which it has undertaken on behalf of a public or nonprofit agency it shall promptly convey, without the payment of any consideration, all its right, title and interest in such health care facilities to such public or nonprofit agency upon the retirement or provision for the retirement of all bonds or notes issued and obligations incurred by the Commission in connection with such health care facilities. (1975, c. 766, s. 1; 1979, c. 54, s. 9.)

Editor's Note. — Chapter 131, including Articles 13B and 13C, referred to in this section, was repealed by Session Laws 1983, c. 775, s. 1. See now Chapter 131E.

CASE NOTES

Construction with Other Law. — While G.S. 131A-15 permits "any holder of bonds or notes issued under the provisions of this Chapter" to bring suit to enforce his contractual rights under the bond, this provision does not authorize a private enforcement action against a hospital that has discriminated in violation of this section. Williams v. United States, 242 F.3d 169, 2001 U.S. App. LEXIS 3126 (4th Cir. 2001).

§ 131A-9. Construction contracts.

Contracts for the construction of any health care facilities on behalf of a public agency shall be awarded by the Commission in accordance with Article 8 of Chapter 143 of the General Statutes. If the Commission shall determine that the purposes of this Chapter will be more effectively served, the Commission in its discretion may award or cause to be awarded contracts for the construction of any health care facilities on behalf of a nonprofit agency upon a negotiated basis as determined by the Commission. The Commission shall prescribe such bid security requirements and other procedures in connection with the award of such contracts as in its judgment shall protect the public interest. The Commission may by written contract engage the services of the public or nonprofit agency in the construction of such health care facilities and may provide in such contract that such public or nonprofit agency, subject to such conditions and requirements consistent with the provisions of this Chapter as shall be prescribed in such contract, may act as an agent of, or an independent contractor for, the Commission for the performance of the functions described therein, including the acquisition of the site and other real property for such health care facilities, the preparation of plans, specifications and contract documents, the award of construction and other contracts upon a competitive or negotiated basis, the construction of such health care facilities directly by such public or nonprofit agency, the inspection and supervision of construction, the employment of engineers, architects, builders and other contractors and the provision of money to pay the cost thereof pending reimbursement by the Commission. Any such contract may provide that the Commission may, out of proceeds of bonds or notes, make advances to or reimburse the public or nonprofit agency for its costs incurred in the performance of such functions, and shall set forth the supporting documents required to be submitted to the Commission and the reviews, examinations and audits that shall be required in connection therewith to assure compliance with the provisions of this Chapter and such contract. (1975, c. 766, s. 1.)

§ 131A-10. Credit of State not pledged.

Bonds or notes issued under the provisions of this Chapter shall not be secured by a pledge of the faith and credit of the State or of any political subdivision thereof or be deemed to create an indebtedness of the State, or of any such political subdivision thereof, requiring any voter approval, but shall be payable solely from the revenues and other funds provided therefor. Each bond or note issued under this Chapter shall contain on the face thereof a statement to the effect that the Commission shall not be obligated to pay the same nor the interest thereon except from the revenues and other funds pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged as security for the payment of the principal of or the interest on such bond or note.

Expenses incurred by the Commission in carrying out the provisions of this Chapter may be made payable from funds provided pursuant to, or made available for use under, this Chapter and no liability shall be incurred by the Commission hereunder beyond the extent to which moneys shall have been so provided. (1975, c. 766, s. 1.)

§ 131A-11. Bonds and notes.

The Commission is hereby authorized to provide for the issuance, at one time or from time to time, of bonds, or notes in anticipation of the issuance of bonds, of the Commission to carry out and effectuate its corporate purposes. The principal of and the interest on such bonds or notes shall be payable solely from funds provided under this Chapter for such payment. Any such notes may be made payable from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, such notes may be paid from any available revenues or other funds provided therefor. The bonds or notes of each issue shall be dated and may be made redeemable before maturity at the option of the Commission at such price or prices and upon such terms and conditions as may be determined by the Commission. Any such bonds or notes shall bear interest at such rate or rates as may be determined by the Local Government Commission of North Carolina with the approval of the Commission. Notes shall mature at such time or times not exceeding 10 years from their date or dates and bonds shall mature at such time or times not exceeding 40 years from their date or dates, as may be determined by the Commission. The Commission shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or notes or coupons attached thereto shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The Commission may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes may be issued in coupon or in registered form, or both, as the Commission may determine, and provision may be made for the registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes. No bonds or notes may be issued by the Commission under this Chapter unless the issuance thereof is approved by the Local Government Commission of North Carolina.

The Commission shall file with the Secretary of the Local Government Commission an application requesting approval of the issuance of such bonds or notes which shall contain such information and have attached to it such documents concerning the proposed financing and prospective borrower, vendee or lessee as the Secretary may require.

In determining whether a proposed bond or note issue should be approved, the Local Government Commission may consider, in addition to the criteria and requirements mentioned in G.S. 131A-5, the effect of the proposed financing upon any scheduled or proposed sale of tax-exempt obligations by the State or any of its agencies or departments or by any unit of local government in the State.

The Local Government Commission shall approve the issuance of such bonds or notes if, upon the information and evidence it receives, it finds and determines that the proposed financing will effectuate the purposes of this Chapter.

Upon the filing with the Local Government Commission of a resolution of the Commission requesting that its bonds or notes be sold, such bonds or notes may be sold in such manner, either at public or private sale, and for such price as the Local Government Commission shall determine to be for the best interests of the Commission and effectuate best the purposes of this Chapter, provided that such sale shall be approved by the Commission.

The proceeds of any bonds or notes shall be used solely for the purposes for which issued and shall be disbursed in such manner and under such restrictions, if any, as the Commission may provide in the resolution authorizing the issuance of, or any trust agreement securing, such bonds or notes.

Prior to the preparation of definitive bonds, the Commission may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds, when such bonds shall have been executed and are available for delivery. The Commission may also provide for the replacement of any bonds or notes which shall become mutilated or shall be destroyed or lost.

Bonds or notes may be issued under the provisions of this Chapter without obtaining, except as otherwise expressly provided in this Chapter, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things which are specifically required by this Chapter and the provisions of the resolution authorizing the issuance of, or any trust agreement securing, such bonds or notes. (1975, c. 766, s. 1; 1979, c. 54, s. 10.)

§ 131A-12. Trust agreement or resolution.

In the discretion of the Commission any bonds or notes issued under the provisions of this Chapter may be secured by a trust agreement by and between the Commission and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution authorizing the issuance of such bonds or notes may pledge or assign all or any part of the revenues of the Commission received pursuant to this Chapter, including, without limitation, fees, loan repayments, purchase price payments, rents, charges, insurance proceeds, condemnation awards and any other revenues and funds received in connection with any health care facilities and may mortgage any health care facilities. Such trust agreement or resolution may contain such provisions for protecting and enforcing the rights and remedies of the holders of any such bonds or notes as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Commission in relation to the purposes to which bond or note proceeds may be applied, the disposition or pledging of the revenues of the Commission, including any payments in respect of any federally guaranteed security or any federally insured mortgage note, the duties of the Commission with respect to the acquisition, construction, maintenance, repair and operation of any health care facilities, the fees, loan repayments, purchase price payments, rents and charges to be fixed and collected in connection therewith, the terms and conditions for the issuance of additional bonds or notes, and the custody, safeguarding and application of all moneys. All bonds issued under this Chapter shall be equally and ratably secured by a pledge, charge, and lien upon revenues provided for in such trust agreement or resolution, without priority by reason of number, or of dates of bonds, execution, or delivery, in accordance with the provisions of this Chapter and of such trust agreement or resolution; except that the Commission may provide in such trust agreement or resolution that bonds issued pursuant thereto shall to the extent and in the manner prescribed in such trust agreement or resolution be subordinated and junior in standing, with respect to the payment of principal and interest and the security thereof, to any other bonds. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depositary of the proceeds of bonds or notes, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the Commission. Any such trust agreement or resolution may set off the rights and remedies, including foreclosure of any mortgage, of the holders of any bonds or notes and of the trustee, and may restrict the individual right of action by any such holders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Commission may deem reasonable and proper for the security of the holders of any bonds or notes. Expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of any health care facilities or paid from the revenues pledged or assigned to the payment of the principal of and the interest on bonds or notes or from any other funds available to the Commission. (1975, c. 766, s. 1; 1979, c. 54, s. 11.)

§ 131A-13. Revenues; pledges of revenues.

(a) The Commission is hereby authorized to fix and to collect fees, loan repayments, purchase price payments, rents and charges for the use of any health care facilities, and any part or section thereof, and to contract with any public or nonprofit agency for the use thereof. The Commission may require that the public or nonprofit agency shall operate, repair or maintain such facilities and shall bear the cost thereof and other costs of the Commission in connection therewith, subject to the provisions of G.S. 131A-8 with respect to a public agency, as may be provided in the agreement of sale or lease or other contract with the Commission, in addition to other obligations imposed under such agreement or contract.

(b) The fees, purchase price payments, rents and charges shall be fixed so as to provide a fund sufficient, with such other funds as may be made available therefor, (i) to pay the costs of operating, repairing and maintaining the health care facilities, to the extent that adequate provision for the payment of such costs has not otherwise been provided for, (ii) to pay the principal of and the interest on all bonds or notes as the same shall become due and payable and (iii) to create and maintain any reserves provided for in the resolution authorizing the issuance of, or any trust agreement securing, such bonds; and such fees, purchase price payments, rents and charges may be applied or pledged to the payment of debt service on the bonds prior to the payment of the costs of operating, repairing and maintaining the health care facilities.

(c) All pledges of fees, loan repayments, purchase price payments, rents, charges and other revenues under the provisions of this Chapter shall be valid and binding from the time when such pledges are made. All such revenues so pledged and thereafter received by the Commission shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Commission, irrespective of whether such parties have notice thereof. The resolution or any trust agreement by which a pledge is created or any loan agreement, agreement of sale or lease need not be filed or recorded except in the records of the Commission.

(d) The State of North Carolina does pledge to and agree with the holders of any bonds or notes issued by the Commission that so long as any of such bonds or notes are outstanding and unpaid the State will not limit or alter the rights vested in the Commission at the time of issuance of the bonds or notes to fix, revise, charge, and collect or cause to be fixed, revised, charged and collected loan repayments, purchase price payments, rents, fees and charges for the use of or services rendered by any health care facilities in connection with which the bonds or notes were issued, so as to provide a fund sufficient, with such other funds as may be made available therefor, to pay the costs of operating, repairing and maintaining the health care facilities, to pay the principal of and the interest on all bonds and notes as the same shall become due and payable and to create and maintain any reserves provided therefor and to fulfill the terms of any agreements made with the bondholders or noteholders, nor will the State in any way impair the rights and remedies of the bondholders or noteholders until the bonds or notes and all costs and expenses in connection with any action or proceedings by or on behalf of the bondholders or noteholders, are fully paid, met and discharged. (1975, c. 766, s. 1; 1979, c. 54, s. 12.)

§ 131A-14. Trust funds.

Notwithstanding any other provisions of law to the contrary, all moneys received pursuant to the authority of this Chapter, including, without limitation, fees, loan repayments, purchase price payments, rents, charges, insurance proceeds, condemnation awards and any other revenues and funds received in connection with any health care facilities, shall be deemed to be trust funds to be held and applied solely as provided in this Chapter. The resolution authorizing the issuance of, or any trust agreement securing, any bonds or notes may provide that any of such moneys may be temporarily invested pending the disbursement thereof and shall provide that any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes of this Chapter, subject to such regulations as this Chapter and such resolution or trust agreement may provide. Any such moneys may be invested as provided in G.S. 159-30, as it may be amended from time to time. (1975, c. 766, s. 1; 1979, c. 54, s. 13.)

§ 131A-15. Remedies.

Any holder of bonds or notes issued under the provisions of this Chapter or any coupons appertaining thereto, and the trustee under any trust agreement or resolution authorizing the issuance of such bonds or notes, except to the extent the rights herein given may be restricted by such trust agreement or resolution, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or resolution, or under any other contract executed by the Commission pursuant to this Chapter, and may enforce and compel the performance of all duties required by this Chapter or by such trust agreement or resolution to be performed by the Commission or by any officer thereof. (1975, c. 766, s. 1.)

CASE NOTES

This provision does not authorize a private enforcement action against a hospital that has discriminated in violation of G.S. 131A-8, although it does permit "any holder of bonds or notes issued under the provisions of this Chapter" to bring suit to enforce his contractual rights under the bond. Williams v. United States, 242 F.3d 169, 2001 U.S. App. LEXIS 3126 (4th Cir. 2001).

§ 131A-16. Negotiable instruments.

All bonds and interest coupons appertaining thereto issued under this Chapter are hereby made investment securities within the meaning of and for all the purposes of Article 8 of the Uniform Commercial Code as enacted in this State, whether or not they are of such form and character as to be investment securities under said Article 8, subject only to the provisions of the bonds pertaining to registration. (1975, c. 766, s. 1.)

§ 131A-17. Bonds or notes eligible for investment.

Bonds or notes issued under the provisions of this Chapter are hereby made securities in which all public officers and public bodies of the State and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds or notes are hereby made securities which may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds, notes or obligations of the State is now or may hereafter be authorized by law. (1975, c. 766, s. 1.)

§ 131A-18. Refunding bonds or notes.

The Commission is hereby authorized to provide for the issuance of refunding bonds or notes for the purpose of refunding any bonds or notes then outstanding which shall have been issued under the provisions of this Chapter, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds or notes and, if deemed advisable by the Commission, for any corporate purpose of the Commission, including, without limitation:

(1) Constructing improvements, additions, extensions or enlargements of the health care facilities in connection with which the bonds or notes to be refunded shall have been issued, and

(2) Paying all or any part of the cost of any additional health care facilities.

The issuance of such bonds or notes, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Commission in respect of the same shall be governed by the provisions of this Chapter which relate to the issuance of bonds or notes, insofar as such provisions may be appropriate therefor.

Refunding bonds or notes may be sold or exchanged for outstanding bonds or notes issued under this Chapter and, if sold, the proceeds thereof may be applied, in addition to any other authorized purposes, to the purchase, redemption or payment of such refunding bonds or notes, with any other available funds, to the payment of the principal, accrued interest and any redemption premium on the bonds or notes being refunded, and, if so provided or permitted in the resolution authorizing the issuance of, or in the trust agreement securing, such bonds or notes, to the payment of any interest on such refunding bonds or notes and any expenses in connection with such refunding, such proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America which shall mature or which shall be subject to redemption by the holders thereof, at the option of such holders, not later than the respective dates when the proceeds, together with the interest accruing thereon, will be required for the purposes intended. (1975, c. 766, s. 1.)

§ 131A-19. Annual report.

The Commission shall, promptly following the close of each fiscal year, submit an annual report of its activities under this Chapter for the preceding year to the Governor, the State Auditor, the Secretary of Health and Human Services, the General Assembly, and the Local Government Commission. The Commission shall cause an audit of its books and accounts relating to its activities under this Chapter to be made at least once in each year by an independent certified public accountant and the cost thereof may be paid from any available moneys of the Commission. (1975, c. 766, s. 1; 1997-443, s. 11A.118(a); 2006-203, s. 71.)

Editor's Note. — Session Laws 2006-203, s. 126, provides in part: "Prosecutions for offenses committed before the effective date of this act [July 1, 2007] are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

Effect of Amendments. — Session Laws 2006-203, s. 71, effective July 1, 2007, and applicable to the budget for the 2007-2009 biennium and each subsequent biennium thereafter, deleted "the Advisory Budget Commission" following "the General Assembly" in the first sentence.

§ 131A-20. Officers not liable.

No member or officer of the Commission shall be subject to any personal liability or accountability by reason of his execution of any bonds or notes or the issuance thereof. (1975, c. 766, s. 1.)

§ 131A-21. Tax exemption.

The exercise of the powers granted by this Chapter will be in all respects for the benefit of the people of the State and will promote their health and welfare. If bonds or notes are issued by the Commission to provide or improve a health care facility, then until the bonds or notes are retired, the facility for which bonds or notes are issued is exempt from property taxes to the extent provided in this section. If refunding bonds or notes are issued to refund bonds or notes issued to provide or improve a health care facility, the facility will continue to be exempt from property taxes as provided in this section until such time as the refunding bonds or notes are retired, provided that the final maturity of the refunding bonds or notes does not extend beyond the final maturity of the original bonds or notes.

Property may be exempt from property taxes as provided in this section if a timely application for the exemption is filed with the assessor of the county in which the property is located as required under G.S. 105-282.1. The property tax exemption under this section shall not exceed the lesser of the original principal amount of the bonds or notes or the assessed value for ad valorem tax purposes of the facility. If bonds or notes are issued to finance more than one health care facility, only that portion of the principal amount of the bonds or notes used to provide or improve the particular facility, including any allocable reserves and financing costs, may be considered for the purpose of determining the amount of the exemption allowable under this section. The exemption authorized by this section shall begin with the first full tax year of the taxpayer following the issuance of the bonds and notes. This section does not affect a health care facility's eligibility for a property tax exemption under Subchapter II of Chapter 105 of the General Statutes.

Any bonds or notes issued by the Commission under the provisions of this Chapter shall at all times be free from taxation by the State or any local unit or political subdivision or other instrumentality of the State, excepting inheritance, estate, or gift taxes, income taxes on the gain from the transfer of the bonds and notes, and franchise taxes. The interest on the bonds and notes is not subject to taxation as income. (1975, c. 766, s. 1; 1995, c. 46, s. 12; 2000-20, s. 1; 2001-139, s. 10.)

§ 131A-22. Conflict of interest.

If any member, officer or employee of the Commission shall be interested either directly or indirectly, or shall be an officer or employee of or have an ownership interest in any firm or corporation interested directly or indirectly, in any contract with the Commission, such interest shall be disclosed to the Commission and shall be set forth in the minutes of the Commission, and the member, officer or employee having such interest therein shall not participate on behalf of the Commission in the authorization of any such contract. (1975, c. 766, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Purchase of Revenue Bonds by Commission Members. — Although this section does not prohibit the purchase by Commission members of revenue bonds issued by the Commission, it is recommended that Commission members refrain from such purchases to avoid the appearance of impropriety and possible criminal penalty under G.S. 14-234. See opinion of Attorney General to Mr. I.O. Wilkerson, Department of Human Resources, 46 N.C.A.G. 219 (1977).

§ 131A-23. Additional method.

The foregoing sections of this Chapter shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing; provided, however, that the issuance of bonds or notes under the provisions of this Chapter need not comply with the requirements of any other law applicable to the issuance of bonds or notes. (1975, c. 766, s. 1.)

§ 131A-24. Liberal construction.

This Chapter, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect the purposes thereof. (1975, c. 766, s. 1.)

§ 131A-25. Inconsistent laws inapplicable.

Insofar as the provisions of this Chapter are inconsistent with the provisions of any general or special laws, or parts thereof, the provisions of this Chapter shall be controlling. (1975, c. 766, s. 1.)

Editor's Note. — Session Laws 1994 Extra Session, c. 24, s. 14(c), effective October 1, 1994, amended the effective date of the amendment to G.S. 131C-22 made by 1993 Session Laws, c. 539, s. 952.

Session Laws 1989, c. 566, s. 4 repealed former G.S. 131C-17.2 effective October 1, 1989.

G.S. 131C-22 would have been repealed by Session Laws 1993 (Reg. Sess., 1994), c. 759, s. 1, effective January 1, 1995.

Chapter 131D.
Inspection and Licensing of Facilities.

Article 1.
Adult Care Homes.

Part 1. Licensing.

Sec.
131D-1. [Recodified.]
131D-2. [Repealed.]
131D-2.1. Definitions.
131D-2.2. Persons not to be cared for in adult care homes and multiunit assisted housing with services; hospice care; obtaining services.
131D-2.3. Exemptions from licensure.
131D-2.4. Licensure of adult care homes for aged and disabled individuals; impact of prior violations on licensure; compliance history review; license renewal.
131D-2.5. License and registration fees.
131D-2.6. Legal action by Department.
131D-2.7. Provisional license; license revocation; summary suspension of license; suspension of admission.
131D-2.8 through 131D-2.10. [Reserved.]

Part 2. Other Laws Pertaining to the Inspection and Operation of Adult Care Homes.

131D-2.11. Inspections, monitoring, and review by State agency and county departments of social services.
131D-2.12. Training requirements; county departments of social services.
131D-2.13. Departmental duties.
131D-2.14. Confidentiality.
131D-2.15. Resident assessments.
131D-2.16. Rules.
131D-2.17. Impact on other laws; severability.
131D-2.18. Application of other laws.
131D-3, 131D-4. [Repealed.]
131D-4.1. Adult care homes; legislative intent.
131D-4.2. Adult care homes; family care homes; annual cost reports; exemptions; enforcement.
131D-4.3. Adult care home rules.
131D-4.4. Adult care home minimum safety requirements; smoking prohibited inside long-term care facilities; penalty.
131D-4.5. Rules adopted by Medical Care Commission.
131D-4.6. Licensure of special care units.
131D-4.7. Adult care home specialist fund.
131D-5. [Repealed.]
131D-6. Certification of adult day care programs; purpose; definition; penalty.
Sec.
131D-7. Waiver of rules for certain adult care homes providing shelter or services during disaster or emergency.
131D-8. Adult care home special care units; disclosure of information required.
131D-9. Immunization of employees and residents of adult care homes.
131D-10. Adult care home rated certificates.

Article 1A.
Control over Child Placing and Child Care.

131D-10.1. Purpose.
131D-10.2. Definitions.
131D-10.3. Licensure required.
131D-10.3A. Mandatory criminal checks.
131D-10.4. Exemptions.
131D-10.5. Powers and duties of the Commission.
131D-10.5A. Collection of data on use of restraints in residential child-care facilities.
131D-10.6. Powers and duties of the Department.
131D-10.6A. Training by the Division of Social Services required.
131D-10.6B. Report of death.
131D-10.6C. Maintaining a register of applicants by the Division of Social Services.
131D-10.7. Penalties.
131D-10.8. Injunction.
131D-10.9. Administrative and judicial review.

Article 1B.
Licensing of Maternity Homes.

131D-10.10. Licensing of Maternity Homes.

Article 2.
Local Confinement Facilities.

131D-11. Inspection.
131D-12. Approval of new facilities.
131D-13. Failure to provide information.
131D-14 through 131D-18. [Reserved.]

Article 3.
Adult Care Home Residents' Bill of Rights.

131D-19. Legislative intent.
131D-20. Definitions.
131D-21. Declaration of residents' rights.
131D-21.1. Peer review.

Sec.
131D-21.2. Quality assurance, medical, or peer review committees.
131D-22. Transfer of management responsibilities.
131D-23. No waiver of rights.
131D-24. Notice to resident.
131D-25. Implementation.
131D-26. Enforcement and investigation.
131D-27. Confidentiality.
131D-28. Civil action.
131D-29. Revocation of license.
131D-30. [Repealed.]
131D-31. Adult care home community advisory committees.
131D-32. Functions of adult care home community advisory committees.
131D-33. [Repealed.]
Sec.
131D-34. Penalties; remedies.
131D-34.1. Report of death of resident.

Article 4.

Temporary Management of Adult Care Homes.

131D-35. Temporary management of adult care homes.
131D-36 through 131D-39. [Reserved.]

Article 5.

Miscellaneous Provisions.

131D-40. Criminal history record checks required for certain applicants for employment.
131D-41 through 131D-42. [Repealed.]

ARTICLE 1.

Adult Care Homes.

Part 1. Licensing.

§ 131D-1: Recodified as G. S. 131D-10.10 by Session Laws 2009-462, s. 1(b), effective October 1, 2009.

Editor's Note. — This Article is Part 2 of Article 3 of Chapter 108, as recodified pursuant to Session Laws 1981, c. 275, s. 2, effective Oct. 1, 1981.

G.S. 131D-1 is recodified as G.S. 131D-10.10 under Article 1B of Chapter 131D of the General Statutes.

§ 131D-2: Repealed by Session Laws 2009-462, s. 1, effective October 1, 2009.

Editor's Note. — Session Laws 2009-232, s. 2 made the amendment of this section by that act contingent on House Bill 456, 2009 Regular Session, becoming law. House Bill 456 was enacted as Session Laws 2009-462. Therefore the amendment by Session Laws 2009-232, s. 1, did not take effect. Session Laws 2009-232, s.1, would have amended subdivision (b)(1a)b by deleting "and perform any required follow-up inspection" at the end of the first sentence.

Session Laws 2009-451, s. 10.76(a), effective August 14, 2009 until the repeal of this section, in subdivision (b)(1), in the introductory language, substituted "three hundred fifteen dollars ($315.00)" for "two hundred fifty dollars ($250.00)" in the third sentence, and in the fourth sentence, substituted "three hundred sixty dollars ($360.00)" for "three hundred fifty dollars ($350.00)" near the middle, and "seventeen dollars and fifty cents ($17.50)" for "twelve dollars and fifty cents ($12.50)" at the end.

Session Laws 2009-391, s. 2, provides: "(a) The University of North Carolina Center on Poverty, Work and Opportunity shall study the feasibility and possible savings to the State of operating a licensed adult care home in a public housing facility. The study shall determine:

"(1) Whether this model is needed to complement the care options currently available to older adults in North Carolina.

"(2) Whether this model is allowable under current State and federal laws and rules and if not what changes are needed.

"(3) How State-County Special Assistance and federal public housing subsidies would work together and whether this could result in a reduced State-County Special Assistance rate for these types of entities and possible savings for the State.

"(b) The University of North Carolina Center on Poverty, Work and Opportunity shall report its findings and recommendations to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and to the North Carolina Study Commission on Aging on or before August 1, 2010."

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

§ 131D-2.1. Definitions.

As used in this Article:

(1) Abuse. — The willful or grossly negligent infliction of physical pain, injury, or mental anguish, unreasonable confinement, or the willful or grossly negligent deprivation by the administrator or staff of an adult care home of services which are necessary to maintain mental and physical health.

(2) Administrator. — A person approved by the Department of Health and Human Services who has the responsibility for the total operation of a licensed adult care home.

(3) Adult care home. — An assisted living residence in which the housing management provides 24-hour scheduled and unscheduled personal care services to two or more residents, either directly or for scheduled needs, through formal written agreement with licensed home care or hospice agencies. Some licensed adult care homes provide supervision to persons with cognitive impairments whose decisions, if made independently, may jeopardize the safety or well-being of themselves or others and therefore require supervision. Medication in an adult care home may be administered by designated trained staff. Adult care homes that provide care to two to six unrelated residents are commonly called family care homes.

(4) Amenities. — Services such as meals, housekeeping, transportation, and grocery shopping that do not involve hands-on personal care.

(5) Assisted living residence. — Any group housing and services program for two or more unrelated adults, by whatever name it is called, that makes available, at a minimum, one meal a day and housekeeping services and provides personal care services directly or through a formal written agreement with one or more licensed home care or hospice agencies. The Department may allow nursing service exceptions on a case-by-case basis. Settings in which services are delivered may include self-contained apartment units or single or shared room units with private or area baths. Assisted living residences are to be distinguished from nursing homes subject to provisions of G.S. 131E-102. There are three types of assisted living residences: adult care homes, adult care homes that serve only elderly persons, and multi-unit assisted housing with services. As used in this section, "elderly person" means:

a. Any person who has attained the age of 55 years or older and requires assistance with activities of daily living, housing, and services, or

b. Any adult who has a primary diagnosis of Alzheimer's disease or other form of dementia who requires assistance with activities of daily living, housing, and services provided by a licensed Alzheimer's and dementia care unit.

(6) Compensatory agent. — A spouse, relative, or other caretaker who lives with a resident and provides care to a resident.

(7) Department. — The Department of Health and Human Services unless some other meaning is clearly indicated from the context.

(8) Exploitation. — The illegal or improper use of an aged or disabled resident or the aged or disabled resident's resources for another's profit or advantage.

(9) Family care home. — An adult care home having two to six residents. The structure of a family care home may be no more than two stories high, and none of the aged or physically disabled persons being served there may be housed in the upper story without provision for two direct exterior ground-level accesses to the upper story.

(10) Multiunit assisted housing with services. — An assisted living residence in which hands-on personal care services and nursing services which are arranged by housing management are provided by a licensed home care or hospice agency through an individualized written care plan. The housing management has a financial interest or financial affiliation or formal written agreement which makes personal care services accessible and available through at least one licensed home care or hospice agency. The resident has a choice of any provider, and the housing management may not combine charges for housing and personal care services. All residents, or their compensatory agents, must be capable, through informed consent, of entering into a contract and must not be in need of 24-hour supervision. Assistance with self-administration of medications may be provided by appropriately trained staff when delegated by a licensed nurse according to the home care agency's established plan of care. Multiunit assisted housing with services programs are required to register annually with the Division of Health Service Regulation. Multiunit assisted housing with services programs are required to provide a disclosure statement to the Division of Health Service Regulation. The disclosure statement is required to be a part of the annual rental contract that includes a description of the following requirements:

a. Emergency response system;
b. Charges for services offered;
c. Limitations of tenancy;
d. Limitations of services;
e. Resident responsibilities;
f. Financial/legal relationship between housing management and home care or hospice agencies;
g. A listing of all home care or hospice agencies and other community services in the area;
h. An appeals process; and
i. Procedures for required initial and annual resident screening and referrals for services.

Continuing care retirement communities, subject to regulation by the Department of Insurance under Chapter 58 of the General Statutes, are exempt from the regulatory requirements for multiunit assisted housing with services programs.

(11) Neglect. — The failure to provide the services necessary to maintain a resident's physical or mental health.

(12) Personal care services. — Any hands-on services allowed to be performed by In-Home Aides II or III as outlined in Department rules.

(13) Registration. — The submission by a multiunit assisted housing with services provider of a disclosure statement containing all the information as outlined in subdivision (10) of this section.

(14) Resident. — A person living in an assisted living residence for the purpose of obtaining access to housing and services provided or made available by housing management.

(15) Secretary. — The Secretary of Health and Human Services unless some other meaning is clearly indicated from the context. (2009-462, ss. 1(e), 3(a).)

Editor's Note. — Session Laws 2009-462, s. 5, made this Part effective October 1, 2009.

Effect of Amendments. — Session Laws 2009-462, s. 3(a), effective January 1, 2010, in subdivision (10), in the sixth sentence, inserted "annually" and deleted "and to provide a disclosure statement" from the end, and added the seventh sentence.

§ 131D-2.2. Persons not to be cared for in adult care homes and multiunit assisted housing with services; hospice care; obtaining services.

(a) Adult Care Homes. — Except when a physician certifies that appropriate care can be provided on a temporary basis to meet the resident's needs and prevent unnecessary relocation, adult care homes shall not care for individuals with any of the following conditions or care needs:

(1) Ventilator dependency;
(2) Individuals requiring continuous licensed nursing care;
(3) Individuals whose physician certifies that placement is no longer appropriate;
(4) Individuals whose health needs cannot be met in the specific adult care home as determined by the residence; and
(5) Such other medical and functional care needs as the Medical Care Commission determines cannot be properly met in an adult care home.

(b) Multiunit Assisted Housing With Services. — Except when a physician certifies that appropriate care can be provided on a temporary basis to meet the resident's needs and prevent unnecessary relocation, multiunit assisted housing with services shall not care for individuals with any of the following conditions or care needs:

(1) Ventilator dependency;
(2) Dermal ulcers III and IV, except those stage III ulcers which are determined by an independent physician to be healing;
(3) Intravenous therapy or injections directly into the vein, except for intermittent intravenous therapy managed by a home care or hospice agency licensed in this State;
(4) Airborne infectious disease in a communicable state that requires isolation of the individual or requires special precautions by the caretaker to prevent transmission of the disease, including diseases such as tuberculosis and excluding infections such as the common cold;
(5) Psychotropic medications without appropriate diagnosis and treatment plans;
(6) Nasogastric tubes;
(7) Gastric tubes, except when the individual is capable of independently feeding himself or herself and caring for the tube, or as managed by a home care or hospice agency licensed in this State;
(8) Individuals requiring continuous licensed nursing care;
(9) Individuals whose physician certifies that placement is no longer appropriate;
(10) Unless the individual's independent physician determines otherwise, individuals who require maximum physical assistance as documented by a uniform assessment instrument and who meet Medicaid nursing facility level-of-care criteria as defined in the State Plan for Medical Assistance. Maximum physical assistance means that an individual has a rating of total dependence in four or more of the seven activities of daily living as documented on a uniform assessment instrument;
(11) Individuals whose health needs cannot be met in the specific multiunit assisted housing with services as determined by the residence; and

(12) Such other medical and functional care needs as the Medical Care Commission determines cannot be properly met in multiunit assisted housing with services.

(c) Hospice Care. — At the request of the resident, hospice care may be provided in an assisted living residence under the same requirements for hospice programs as described in Article 10 of Chapter 131E of the General Statutes.

(d) Obtaining Services. — The resident of an assisted living facility has the right to obtain services at the resident's own expense from providers other than the housing management. This subsection shall not be construed to relieve the resident of the resident's contractual obligation to pay the housing management for any services covered by the contract between the resident and housing management. (2009-462, s. 1(e).)

§ 131D-2.3. Exemptions from licensure.

The following are excluded from this Article and are not required to be registered or obtain licensure under this Article:

(1) Facilities licensed under Chapter 122C or Chapter 131E of the General Statutes;
(2) Persons subject to rules of the Division of Vocational Rehabilitation Services;
(3) Facilities that care for no more than four persons, all of whom are under the supervision of the United States Veterans Administration;
(4) Facilities that make no charges for housing, amenities, or personal care service, either directly or indirectly; and
(5) Institutions that are maintained or operated by a unit of government and that were established, maintained, or operated by a unit of government and exempt from licensure by the Department on September 30, 1995. (2009-462, s. 1(e).)

Editor's Note. — This section was enacted by Session Laws 2009-462, s. 1, with a subsection (a) designation, but no subsection (b). The subsection (a) designation has been deleted at the direction of the Revisor of Statutes.

§ 131D-2.4. Licensure of adult care homes for aged and disabled individuals; impact of prior violations on licensure; compliance history review; license renewal.

(a) Licensure. — Except for those facilities exempt under G.S. 131D-2.3, the Department of Health and Human Services shall inspect and license all adult care homes. The Department shall issue a license for a facility not currently licensed as an adult care home for a period of six months. If the licensee demonstrates substantial compliance with Articles 1 and 3 of this Chapter and rules adopted thereunder, the Department shall issue a license for the balance of the calendar year.

(b) Compliance History Review. — Prior to issuing a new license or renewing an existing license, the Department shall conduct a compliance history review of the facility and its principals and affiliates. The Department may refuse to license a facility when the compliance history review shows a pattern of noncompliance with State law by the facility or its principals or affiliates, or otherwise demonstrates disregard for the health, safety, and welfare of residents in current or past facilities. The Department shall require compliance history information and make its determination according to rules adopted by the Medical Care Commission.

(c) Prior Violations. — No new license shall be issued for any adult care home to an applicant for licensure who:

(1) Was the owner, principal, or affiliate of a licensable facility under this Chapter, Chapter 122C, or Article 7 of Chapter 110 of the General Statutes that had its license revoked until one full year after the date of revocation;

(2) Is the owner, principal, or affiliate of an adult care home that was assessed a penalty for a Type A or Type B violation until the earlier of one year from the date the penalty was assessed or until the home has substantially complied with the correction plan established pursuant to G.S. 131D-34 and substantial compliance has been certified by the Department;

(3) Is the owner, principal, or affiliate of an adult care home that had its license summarily suspended or downgraded to provisional status as a result of Type A or Type B violations until six months from the date of reinstatement of the license, restoration from provisional to full licensure, or termination of the provisional license, as applicable; or

(4) Is the owner, principal, or affiliate of a licensable facility that had its license summarily suspended or downgraded to provisional status as a result of violations under this Article or Chapter 122C of the General Statutes or had its license summarily suspended or denied under Article 7 of Chapter 110 of the General Statutes until six months from the date of the reinstatement of the license, restoration from provisional to full licensure, or termination of the provisional license, as applicable.

An applicant for new licensure may appeal a denial of certification of substantial compliance under subdivision (2) of this subsection by filing with the Department a request for review by the Secretary within 10 days of the date of denial of the certification. Within 10 days of receipt of the request for review, the Secretary shall issue to the applicant a written determination that either denies certification of substantial compliance or certifies substantial compliance. The decision of the Secretary is final.

(d) License Renewals. — License renewals shall be valid for one year from the date of renewal unless revoked earlier by the Secretary for failure to comply with any part of this section or any rules adopted hereunder. Licenses shall be renewed annually upon filing and the Department's approval of the renewal application. The Department shall not renew a license if outstanding fees, fines, and penalties imposed by the State against the home have not been paid. Fines and penalties for which an appeal is pending are exempt from consideration. The renewal application shall contain all necessary and reasonable information that the Department may require.

(e) In order for an adult care home to maintain its license, it shall not hinder or interfere with the proper performance of duty of a lawfully appointed community advisory committee, as defined by G.S. 131D-31 and G.S. 131D-32.

(f) The Department shall not issue a new license for a change of ownership of an adult care home if outstanding fees, fines, and penalties imposed by the State against the home have not been paid. Fines and penalties for which an appeal is pending are exempt from consideration. (2009-462, s. 1(e).)

§ 131D-2.5. License and registration fees.

(a) The Department shall charge each adult care home with six or fewer beds a nonrefundable annual license fee in the amount of three hundred fifteen dollars ($315.00). The Department shall charge each adult care home with more than six beds a nonrefundable annual license fee in the amount of three hundred sixty dollars ($360.00) plus a nonrefundable annual per-bed fee of seventeen dollars and fifty cents ($17.50).

(b) The Department shall charge each registered multiunit assisted housing with services program a nonrefundable annual registration fee of three hundred fifty dollars ($350.00). Any individual or corporation that establishes, conducts, manages, or operates a multiunit housing with services program, subject to registration under this section, that fails to register is guilty of a Class 3 misdemeanor and, upon conviction shall be punishable only by a fine of not more than fifty dollars ($50.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense. (2009-451, s. 10.76(a1); 2009-462, ss. 1(e), 3(b).)

Editor's Note. — Session Laws 2009-451, s. 10.76(a1), which amended this section, was contingent on House Bill 456, 2009 Regular Session (Session Laws 2009-462) becoming law, which it did.

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 10.76(a1), effective August 14, 2009, substituted "three hundred fifteen dollars ($315.00)" for "two hundred fifty dollars ($250.00)" in the first sentence, and in the second sentence, substituted "three hundred sixty dollars ($360.00)" for "three hundred fifty dollars ($350.00)" near the middle, and "seventeen dollars and fifty cents ($17.50)" for "twelve dollars and fifty cents ($12.50)" at the end.

Session Laws 2009-462, s. 3(b), effective January 1, 2010, inserted "and registration" in the section heading; designated the existing provisions as subsection (a); and added subsection (b).

§ 131D-2.6. Legal action by Department.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person to restrain or prevent the establishment, conduct, management, or operation of an adult care home without a license. Such action shall be instituted in the superior court of the county in which any unlicensed activity has occurred or is occurring.

(b) Any individual or corporation that establishes, conducts, manages, or operates a facility subject to licensure under this section without a license is guilty of a Class 3 misdemeanor and, upon conviction, shall be punishable only by a fine of not more than fifty dollars ($50.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense.

(c) If any person shall hinder the proper performance of duty of the Secretary or the Secretary's representative in carrying out this section, the Secretary may institute an action in the superior court of the county in which the hindrance has occurred for injunctive relief against the continued hindrance, irrespective of all other remedies at law.

(d) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes and Rule 65 of the Rules of Civil Procedure. (2009-462, s. 1(e).)

§ 131D-2.7. Provisional license; license revocation; summary suspension of license; suspension of admission.

(a) Provisional License. — Except as otherwise provided in this section, the Department may amend a license by reducing it from a full license to a provisional license for a period of not more than 90 days whenever the Department finds that:

(1) The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of this Chapter and the rules adopted pursuant to these Articles;
(2) There is a reasonable probability that the licensee can remedy the licensure deficiencies within a reasonable length of time; and
(3) There is a reasonable probability that the licensee will be able thereafter to remain in compliance with the licensure rules for the foreseeable future.

The Department may extend a provisional license for not more than one additional 90-day period upon finding that the licensee has made substantial progress toward remedying the licensure deficiencies that caused the license to be reduced to provisional status.

The Department also may issue a provisional license to a facility, pursuant to rules adopted by the Medical Care Commission, for substantial failure to comply with the provisions of this section or rules adopted pursuant to this section. Any facility wishing to contest the issuance of a provisional license shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department mails written notice of the issuance of the provisional license.

(b) License Revocation. — The Department may revoke a license whenever:
(1) The Department finds that:
  a. The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of this Chapter and the rules adopted pursuant to these Articles; and
  b. It is not reasonably probable that the licensee can remedy the licensure deficiencies within a reasonable length of time; or
(2) The Department finds that:
  a. The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of this Chapter and the rules adopted pursuant to these Articles; and
  b. Although the licensee may be able to remedy the deficiencies within a reasonable time, it is not reasonably probable that the licensee will be able to remain in compliance with licensure rules for the foreseeable future; or
  c. The licensee has failed to comply with the provisions of Articles 1 and 3 of this Chapter and the rules adopted pursuant to these Articles, and the failure to comply endangered the health, safety, or welfare of the patients in the facility.

(c) Summary Suspension. — The Department may summarily suspend a license pursuant to G.S. 150B-3(c) whenever it finds substantial evidence of abuse, neglect, exploitation, or any condition which presents an imminent danger to the health and safety of any resident of the home. Any facility wishing to contest summary suspension of a license shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 20 days after the Department mails a notice of summary suspension to the licensee.

(d) Suspension of Admissions.
(1) In addition to the administrative penalties described in this Article, the Secretary may suspend the admission of any new residents to an adult care home where the conditions of the adult care home are detrimental to the health or safety of the residents. This suspension shall be for the period determined by the Secretary and shall remain in effect until the Secretary is satisfied that conditions or circumstances merit removing the suspension.

(2) In imposing a suspension under this section, the Secretary shall consider the following factors:
  a. The degree of sanctions necessary to ensure compliance with this section and rules adopted hereunder; and
  b. The character and degree of impact of the conditions at the home on the health or safety of its residents.

(3) The Secretary of Health and Human Services shall adopt rules to implement this section.

(4) Any facility wishing to contest a suspension of admissions shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 20 days after the Department mails a notice of suspension of admissions to the licensee. (2009-462, s. 1(e).)

§§ 131D-2.8 through 131D-2.10: Reserved for future codification purposes.

Part 2. Other Laws Pertaining to the Inspection and Operation of Adult Care Homes.

§ 131D-2.11. Inspections, monitoring, and review by State agency and county departments of social services.

(a) State Inspection and Monitoring. — The Department shall ensure that adult care homes required to be licensed by this Article are monitored for licensure compliance on a regular basis. All facilities licensed under this Article and adult care units in nursing homes are subject to inspections at all times by the Secretary. The Division of Health Service Regulation shall inspect all adult care homes and adult care units in nursing homes on an annual basis. In addition, the Department shall ensure that adult care homes are inspected every two years to determine compliance with physical plant and life-safety requirements.

(b) Monitoring by County. — The Department shall work with county departments of social services to do the routine monitoring in adult care homes to ensure compliance with State and federal laws, rules, and regulations in accordance with policy and procedures established by the Division of Health Service Regulation and to have the Division of Health Service Regulation oversee this monitoring. The county departments of social services shall document in a written report all on site visits, including monitoring visits, revisits, and complaint investigations. The county departments of social services shall submit to the Division of Health Service Regulation written reports of each facility visit within 20 working days of the visit.

(c) State Review of County Compliance. — The Division of Health Service Regulation shall conduct and document annual reviews of the county departments of social services' performance. When monitoring is not done timely or there is failure to identify or document noncompliance, the Department may intervene in the particular service in question. Department intervention shall include one or more of the following activities:

(1) Sending staff of the Department to the county departments of social services to provide technical assistance and to monitor the services being provided by the facility.

(2) Advising county personnel as to appropriate policies and procedures.

(3) Establishing a plan of action to correct county performance.

The Secretary may determine that the Department shall assume the county's regulatory responsibility for the county's adult care homes. (2009-462, s. 1(e); 2009-232, s. 3.)

Editor's Note. — Session Laws 2009-462, s. 5, made this Part effective October 1, 2009.

Session Laws 2009-232, s. 3 makes the amendment of this section by that act contingent upon House Bill 456, 2009 Regular Session, becoming law. HB 456 was enacted as Session Laws 2009-462.

Effect of Amendments. — Session Laws 2009-232, s. 3, effective June 30, 2009, deleted "and perform any required follow up inspection" from the end of the first sentence in subsection (b).

§ 131D-2.12. Training requirements; county departments of social services.

(a) The county departments of social services' adult home specialists and their supervisors shall complete:

(1) Eight hours of prebasic training within 60 days of employment;

(2) Thirty-two hours of basic training within six months of employment;

(3) Twenty-four hours of postbasic training within six months of the basic training program;

(4) A minimum of eight hours of complaint investigation training within six months of employment; and

(5) A minimum of 16 hours of statewide training annually by the Division of Health Service Regulation.

(b) The joint training requirements by the Department shall be as provided in G.S. 143B-139.5B. (2009-462, s. 1(e).)

§ 131D-2.13. Departmental duties.

(a) Enforcement of Room Ventilation and Temperature. — The Department shall monitor regularly the enforcement of rules pertaining to air circulation, ventilation, and room temperature in resident living quarters. These rules shall include the requirement that air conditioning or at least one fan per resident bedroom and living and dining areas be provided when the temperature in the main center corridor exceeds 80 degrees Fahrenheit.

(b) Administrator Directory. — The Department shall keep an up-to-date directory of all persons who are administrators as defined in G.S. 131D-2.1.

(c) Departmental Complaint Hotline. — Adult care homes shall post the Division of Health Service Regulation's complaint hotline number conspicuously in a public place in the facility.

(d) Provider File. — The Department of Health and Human Services shall establish and maintain a provider file to record and monitor compliance histories of facilities, owners, operators, and affiliates of nursing homes and adult care homes.

(e) Report on Use of Restraint. — The Department shall report annually on October 1 to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services the following for the immediately preceding fiscal year:

(1) The level of compliance of each adult care home with applicable State law and rules governing the use of physical restraint and physical hold of residents. The information shall indicate areas of highest and lowest levels of compliance.

(2) The total number of adult care homes that reported deaths under G.S. 131D-34.1, the number of deaths reported by each facility, the number of deaths investigated pursuant to G.S. 131D-34.1, and the number

found by the investigation to be related to the adult care home's use of physical restraint or physical hold. (2009-462, s. 1(e).)

§ 131D-2.14. Confidentiality.

Notwithstanding G.S. 8-53 or any other law relating to confidentiality of communications between physician and patient, in the course of an inspection conducted under G.S. 131D-2.11:

(1) Department representatives may review any writing or other record concerning the admission, discharge, medication, care, medical condition, or history of any person who is or has been a resident of the facility being inspected.

(2) Any person involved in giving care or treatment at or through the facility may disclose information to Department representatives unless the resident objects in writing to review of the resident's records or disclosure of such information.

(3) The facility, its employees, and any other person interviewed in the course of an inspection shall be immune from liability for damages resulting from disclosure of any information to the Department. The Department shall not disclose:

a. Any confidential or privileged information obtained under this section unless the resident or the resident's legal representative authorizes disclosure in writing or unless a court of competent jurisdiction orders disclosure, or

b. The name of anyone who has furnished information concerning a facility without that person's consent.

The Department shall institute appropriate policies and procedures to ensure that unauthorized disclosure does not occur. All confidential or privileged information obtained under this section and the names of persons providing such information shall be exempt from Chapter 132 of the General Statutes.

(4) Notwithstanding any law to the contrary, Chapter 132 of the General Statutes, the Public Records Law, applies to all records of the State Division of Social Services of the Department of Health and Human Services and of any county department of social services regarding inspections of adult care facilities except for information in the records that is confidential or privileged, including medical records, or that contains the names of residents or complainants. (2009-462, s. 1(e).)

§ 131D-2.15. Resident assessments.

(a) The Department shall ensure that facilities conduct and complete an assessment of each resident within 72 hours of admitting the resident and annually thereafter. In conducting the assessment, the facility shall use an assessment instrument approved by the Secretary upon the advice of the Director of the Division of Aging and Adult Services. The Department shall provide ongoing training for facility personnel in the use of the approved assessment instrument.

The facility shall use the assessment to develop appropriate and comprehensive service plans and care plans and to determine the level and type of facility staff that is needed to meet the needs of residents. The assessment shall determine a resident's level of functioning and shall include, but not be limited to, cognitive status and physical functioning in activities of daily living. Activities of daily living are personal functions essential for the health and well-being of the resident. The assessment shall not serve as the basis for medical care. The assessment shall indicate if the resident requires referral to the resident's physician or other appropriate licensed health care professional or community resource.

(b) The Department, as part of its inspection and licensing of adult care homes, shall review assessments and related service plans and care plans for a selected number of residents. In conducting this review, the Department shall determine:

(1) Whether the appropriate assessment instrument was administered and interpreted correctly;
(2) Whether the facility is capable of providing the necessary services;
(3) Whether the service plan or care plan conforms to the results of an appropriately administered and interpreted assessment; and
(4) Whether the service plans or care plans are being implemented fully and in accordance with an appropriately administered and interpreted assessment.

(c) If the Department finds that the facility is not carrying out its assessment responsibilities in accordance with this section, the Department shall notify the facility and require the facility to implement a corrective action plan. The Department shall also notify the resident of the results of its review of the assessment, service plans, and care plans developed for the resident. In addition to administrative penalties, the Secretary may suspend the admission of any new residents to the facility. The suspension shall be for the period determined by the Secretary and shall remain in effect until the Secretary is satisfied that conditions or circumstances merit removing the suspension. (2009-462, s. 1(e).)

§ 131D-2.16. Rules.

Except as otherwise provided in this Article, the Medical Care Commission shall adopt rules necessary to carry out this Article. The Commission has the authority, in adopting rules, to specify the limitation of nursing services provided by assisted living residences. In developing rules, the Commission shall consider the need to ensure comparable quality of services provided to residents, whether these services are provided directly by a licensed assisted living provider, licensed home care agency, or hospice. In adult care homes, living arrangements where residents require supervision due to cognitive impairments, rules shall be adopted to ensure that supervision is appropriate and adequate to meet the special needs of these residents. Rule-making authority under this section is in addition to that conferred under G.S. 131D-4.3 and G.S. 131D-4.5. (2009-462, s. 1(e).)

§ 131D-2.17. Impact on other laws; severability.

(a) Nothing in this section shall be construed to supersede any federal or State antitrust, antikickback, or safe harbor laws or regulations.

(b) If any provisions of this section or the application of it to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable. (2009-462, s. 1(e).)

§ 131D-2.18. Application of other laws.

(a) Certification of assisted living administrators shall be as provided under Article 20A of Chapter 90 of the General Statutes.

(b) Compliance with the Health Care Personnel Registry shall be as provided under G.S. 131E-256.

(c) Rules for the operation of the adult care portion of a combination home, as defined in G.S. 131E-101, shall be as provided in G.S. 131E-104. (2009-462, s. 1(e).)

§ 131D-3: Repealed by Session Laws 1995, c. 449, s. 1.

§ 131D-4: Repealed by Session Laws 1995, c. 449, s. 2.

§ 131D-4.1. Adult care homes; legislative intent.

The General Assembly finds and declares that the ability to exercise personal control over one's life is fundamental to human dignity and quality of life and that dependence on others for some assistance with daily life activities should not require surrendering personal control of informed decision making or risk taking in all areas of one's life.

The General Assembly intends to ensure that adult care homes provide services that assist the residents in such a way as to assure quality of life and maximum flexibility in meeting individual needs and preserving individual autonomy. (1995, c. 449, s. 3; c. 535, s. 9.)

Cross References. — For Department of Health and Human Services provision for joint training, see G.S. 143B-5A.

Editor's Note. — Session Laws 2001-424, ss. 21.7(a) and (b), provide: "(a) The Department of Health and Human Services shall consider the findings and recommendations in the March 1, 2001, performance audit report, 'Adult Care Home Reimbursement Rates,' conducted by the Office of the State Auditor. The Department shall implement all of the following recommendations:

"(1) Identify alternative payment procedures that could have a more direct affect on quality of care, and continue current efforts to obtain a federal waiver to pay adult care homes directly for client services.

"(2) Designate a division within the Department responsible for detailed review of submitted reports.

"(3) Develop a plan to phase-in electronic filing of cost reports.

"(4) Require related party disclosure in cost reports and modify the audit procedures to assure that related party transactions are identified.

"The Department shall report on the implementation of these recommendations to the Senate Appropriations Committee on Health and Human Services, the House of Representatives Appropriations Subcommittee on Health and Human Services, and the Fiscal Research Division not later than April 1, 2002. The Department may not implement an alternative payment procedure unless and until the procedure has been approved by the General Assembly.

"(b) The Fiscal Research Division, through the Legislative Services Office, in consultation with the Department of Health and Human Services, may issue a Request For Proposal (RFP) for an independent consultant with extensive expertise in rate-setting for public and private entities to develop a new rate methodology for establishing reimbursements for adult care homes. The final report of the independent consultant shall be presented to the General Assembly not later than June 1, 2002."

Session Laws 2001-424, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2001'."

Session Laws 2001-424, s. 36.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2001-2003 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2001-2003 fiscal biennium."

Session Laws 2001-424, s. 36.5, is a severability clause.

Session Laws 2001-482, ss. 1 and 2, effective December 6, 2001, provide: "1. The Department of Health and Human Services shall develop an assessment instrument that will enable residents of adult care homes, and their families, to determine the extent to which the facility provides quality care. The assessment shall be conducted by the State or local government. The instrument shall address discreet areas of care, services, and physical plant amenities and conditions. The Department shall consult with industry representatives, advocacy and research organizations, and consumers in developing the assessment instrument.

"2. The Department of Health and Human Services shall report on the development of the assessment instrument to the North Carolina

Study Commission on Aging on or before April 1, 2002. The report shall include a recommendation on whether the assessment should be conducted by the State or by local government. The Department may conduct a pilot test of the assessment in selected adult care homes that have agreed to participate. If a pilot test is conducted, the Department shall report the results of the pilot test to the North Carolina Study Commission on Aging not later than November 1, 2002."

Session Laws 2005-23, s. 1, provides: "The Department of Health and Human Services, Adult Protective Services Task Force, shall collaborate with stakeholders and other persons interested in improving adult protective services and report its findings and recommendations to the North Carolina Study Commission on Aging and to the Legislative Study Commission on State Guardianship Laws on or before April 1, 2006."

§ 131D-4.2. Adult care homes; family care homes; annual cost reports; exemptions; enforcement.

(a) Except for family care homes, adult care homes with a licensed capacity of seven to twenty beds, which are licensed pursuant to this Chapter, to Chapter 122C of the General Statutes, and to Chapter 131E of the General Statutes, shall submit audited reports of actual costs to the Department at least every two years in accordance with rules adopted by the Department under G.S. 143B-10. For years in which an audited report of actual costs is not required, an annual cost report shall be submitted to the Department in accordance with rules adopted by the Department under G.S. 143B-10. Adult care homes licensed under Chapter 131D of the General Statutes that have special care units shall include in reports required under this subsection cost reports specific to the special care unit and shall not average special care costs with other costs of the adult care home.

(b) Except for family care homes, adult care homes with a licensed capacity of twenty-one beds or more, which are licensed pursuant to this Chapter, to Chapter 122C of the General Statutes, and to Chapter 131E of the General Statutes, shall submit annual audited reports of actual costs to the Department of Health and Human Services, in accordance with rules adopted by the Department under G.S. 143B-10. Adult care homes licensed under Chapter 131D of the General Statutes that have special care units shall include in the reports required under this subsection cost reports specific to the special care unit and shall not average special care costs with other costs of the adult care home.

(c) Repealed by Session Laws 1999-334, s. 3.1, effective July 1, 1999.

(d) Facilities that do not receive State/County Special Assistance or Medicaid personal care are exempt from the reporting requirements of this section.

(e) Except as otherwise provided in this subsection, the annual reporting period for facilities licensed pursuant to this Chapter or Chapter 131E of the General Statutes shall be October 1 through September 30, with the annual report due by the following December 31, unless the Department determines there is good cause for delay. The annual report for combination facilities and free-standing adult care home facilities owned and operated by a hospital shall be due 15 days after the hospital's Medicare cost report is due. The annual report for combination facilities not owned and operated by a hospital shall be due 15 days after the nursing facility's Medicaid cost report is due. The annual reporting period for facilities licensed pursuant to Chapter 122C of the General Statutes shall be July 1 through June 30, with the annual report due by the following December 31, unless the Department determines there is good cause for delay. Under this subsection, good cause is an action that is uncontrollable by the provider. If the Department finds good cause for delay, it may extend the deadline for filing a report for up to an additional 30 days.

(f) The Department shall have the authority to conduct audits and review audits submitted pursuant to subsections (a), (b), and (c) above.

(g) The Department shall suspend admissions to facilities that fail to submit annual reports by December 31, or by the date established by the Department when good cause for delay is found pursuant to G.S. 131D-4.2(e). Suspension of admissions shall remain in effect until reports are submitted or licenses are suspended or revoked under subdivision (2) of this subsection. The Department may take either or both of the following actions to enforce compliance by a facility with this section, or to punish noncompliance:

(1) Seek a court order to enforce compliance;

(2) Suspend or revoke the facility's license, subject to the provisions of Chapter 150B of the General Statutes.

(h) The report documentation shall be used to adjust the adult care home rate annually, an adjustment that is in addition to the annual standard adjustment for inflation as determined by the Office of State Budget and Management. Rates for family care homes shall be based on market rate data. The Secretary of Health and Human Services shall adopt rules for the rate-setting methodology and audited cost reports in accordance with G.S. 143B-10. (1995, c. 449, s. 3; c. 535, s. 10; 1997-73, ss. 1, 2; 1997-443, s. 11A.118(a); 1998-212, s. 12.1A; 1999-334, ss. 3.1, 3.2; 2000-140, s. 93.1(a); 2001-157, s. 1; 2001-424, s. 12.2(b).)

Editor's Note. — The preamble to Session Laws 2001-157 reads as follows: "Whereas, the number of individuals diagnosed with Alzheimer's disease or related dementia and mental health disabilities is increasing; and

"Whereas, family members must often seek out-of-home care for these individuals in special care units; and

"Whereas, separate licensure and operational policies are required for special care units that advertise themselves as such; and

"Whereas, current reimbursement systems do not adequately address the total cost of care being provided for persons diagnosed with Alzheimer's disease or related dementia or mental health disabilities in licensed adult care home special care units, and this inadequacy creates a barrier to access for the public assistance population; Now, therefore,"

Session Laws 2001-157, s. 2, provides: "Based upon the data obtained from cost reports, the Department of Health and Human Services shall develop a designated reimbursement system for residents residing in special care units in adult care homes taking into account the costs determined and funding available from both State/County Special Assistance and Medicaid payments. The Department shall not implement the designated reimbursement system until the General Assembly has reviewed the system pursuant to Section 3 of this act."

§ 131D-4.3. Adult care home rules.

(a) Pursuant to G.S. 143B-165, the North Carolina Medical Care Commission shall adopt rules to ensure at a minimum, but shall not be limited to, the provision of the following by adult care homes:

(1) Repealed by Session Laws 2000-111, s. 1.

(2) A minimum of 75 hours of training for personal care aides performing heavy care tasks and a minimum of 40 hours of training for all personal care aides. The training for aides providing heavy care tasks shall be comparable to State-approved Certified Nurse Aide I training. For those aides meeting the 40-hour requirement, at least 20 hours shall be classroom training to include at a minimum:

a. Basic nursing skills;

b. Personal care skills;

c. Cognitive, behavioral, and social care;

d. Basic restorative services;

e. Residents' rights.

A minimum of 20 hours of training shall be provided for aides in family care homes that do not have heavy care residents. Persons who either pass a competency examination developed by the Department of Health and Human Services, have been employed as personal care aides for a period of time as established by the Department, or meet minimum requirements of a combination of training, testing, and experience as established by the Department shall be exempt from the training requirements of this subdivision;

(3) Monitoring and supervision of residents;

(4) Oversight and quality of care as stated in G.S. 131D-4.1; and

(5) Adult care homes shall comply with all of the following staffing requirements:

a. First shift (morning): 0.4 hours of aide duty for each resident (licensed capacity or resident census), or 8.0 hours of aide duty per each 20 residents (licensed capacity or resident census) plus 3.0 hours for all other residents, whichever is greater;

b. Second shift (afternoon): 0.4 hours of aide duty for each resident (licensed capacity or resident census), or 8.0 hours of aide duty per each 20 residents plus 3.0 hours for all other residents (licensed capacity or resident census), whichever is greater;

c. Third shift (evening): 8.0 hours of aide duty per 30 or fewer residents (licensed capacity or resident census).

In addition to these requirements, the facility shall provide staff to meet the needs of the facility's heavy care residents equal to the amount of time reimbursed by Medicaid. As used in this subdivision, the term "heavy care resident" means an individual residing in an adult care home who is defined "heavy care" by Medicaid and for which the facility is receiving enhanced Medicaid payments for such needs. Each facility shall post in a conspicuous place information about required staffing that enables residents and their families to ascertain each day the number of direct care staff and supervisors that are required by law to be on duty for each shift for that day.

(b) Rules to implement this section shall be adopted as emergency rules in accordance with Chapter 150B of the General Statutes.

(c) The Department may suspend or revoke a facility's license, subject to the provisions of Chapter 150B, to enforce compliance by a facility with this section or to punish noncompliance. (1995, c. 449, s. 3; c. 535, s. 10; 1997-443, s. 11A.118(a); 1998-212, s. 12.16B(a); 2000-111, s. 1; 2001-85, s. 1; 2001-487, s. 85(a).)

Cross References. — As to posting of information indicating number of nursing home staff on duty, see G.S. 131E-114.1.

§ 131D-4.4. Adult care home minimum safety requirements; smoking prohibited inside long-term care facilities; penalty.

(a) In addition to other requirements established by this Article or by rules adopted pursuant to this Article or other provisions of law, every adult care home shall provide to each resident the care, safety, and services necessary to enable the resident to attain and maintain the highest practicable level of physical, emotional, and social well-being in accordance with:

(1) The resident's individual assessment and plan of care; and

(2) Rules and standards relating to quality of care and safety adopted under this Chapter.

(b) Smoking is prohibited inside long-term care facilities. As used in this section:

(1) "Long-term care facilities" include adult care homes, nursing homes, skilled nursing facilities, facilities licensed under Chapter 122C of the

General Statutes, and other licensed facilities that provide long-term care services.

(2) "Smoking" means the use or possession of any lighted cigar, cigarette, pipe, or other lighted smoking product.

(3) "Inside" means a fully enclosed area.

(c) The person who owns, manages, operates, or otherwise controls a long-term care facility where smoking is prohibited under this section shall:

(1) Conspicuously post signs clearly stating that smoking is prohibited inside the facility. The signs may include the international "No Smoking" symbol, which consists of a pictorial representation of a burning cigarette enclosed in a red circle with a red bar across it.

(2) Direct any person who is smoking inside the facility to extinguish the lighted smoking product.

(3) Provide written notice to individuals upon admittance that smoking is prohibited inside the facility and obtain the signature of the individual or the individual's representative acknowledging receipt of the notice.

(d) The Department may impose an administrative penalty not to exceed two hundred dollars ($200.00) for each violation on any person who owns, manages, operates, or otherwise controls the long-term care facility and fails to comply with subsection (c) of this section. A violation of this section constitutes a civil offense only and is not a crime. (1999-334, s. 1.1; 2007-459, s. 1.)

Editor's Note. — Session Laws 2001-482, ss. 1 and 2, effective December 6, 2001, provide: "1. The Department of Health and Human Services shall develop an assessment instrument that will enable residents of adult care homes, and their families, to determine the extent to which the facility provides quality care. The assessment shall be conducted by the State or local government. The instrument shall address discreet areas of care, services, and physical plant amenities and conditions. The Department shall consult with industry representatives, advocacy and research organizations, and consumers in developing the assessment instrument.

"2. The Department of Health and Human Services shall report on the development of the assessment instrument to the North Carolina Study Commission on Aging on or before April 1, 2002. The report shall include a recommendation on whether the assessment should be conducted by the State or by local government. The Department may conduct a pilot test of the assessment in selected adult care homes that have agreed to participate. If a pilot test is conducted, the Department shall report the results of the pilot test to the North Carolina Study Commission on Aging not later than November 1, 2002."

Session Laws 2007-459, s. 5, provides, in part: "G.S. 131D-4.4(c)(3), 131E-114.3(b)(3), and 122C-6(b)(3), as enacted by this act, apply to individuals admitted to the facility on or after October 1, 2007."

Session Laws 2009-574, s. 15.1, provides: "The Department of Health and Human Services, Division of Health Service Regulation and the Division of Aging and Adult Services, may conduct a study on the feasibility of requiring long-term care facilities to require drug tests on applicants for employment and on employees. The Department may solicit input from advocates, long-term care facilities, and other interested stakeholders while conducting the study."

Session Laws 2009-574, s. 15.2, provides: "The Department may report findings and recommendations on the feasibility of conducting drug tests for long-term care facility employment applicants and employees to the North Carolina Study Commission on Aging on or before October 1, 2010."

Session Laws 2009-574, s. 52.1, provides: "For legislative studies authorized by this act, out-of-state travel must be authorized by the President Pro Tempore of the Senate or the Speaker of the House of Representatives, as appropriate."

§ 131D-4.5. Rules adopted by Medical Care Commission.

The Medical Care Commission shall adopt rules as follows:

(1) Establishing minimum medication administration standards for adult care homes. The rules shall include the minimum staffing and training requirements for medication aides and standards for profes-

sional supervision of adult care homes' medication controls. The requirements shall be designed to reduce the medication error rate in adult care homes to an acceptable level. The requirements shall include, but need not be limited to, all of the following:
  a. Training for medication aides, including periodic refresher training.
  b. Standards for management of complex medication regimens.
  c. Oversight by licensed professionals.
  d. Measures to ensure proper storage of medication.

(2) Establishing training requirements for adult care home staff in behavioral interventions. The training shall include appropriate responses to behavioral problems posed by adult care residents. The training shall emphasize safety and humane care and shall specifically include alternatives to the use of restraints.

(3) Establishing minimum training and education qualifications for supervisors in adult care homes and specifying the safety responsibilities of supervisors.

(4) Specifying the qualifications of staff who shall be on duty in adult care homes during various portions of the day in order to assure safe and quality care for the residents. The rules shall take into account varied resident needs and population mixes.

(5) Implementing the due process and appeal rights for discharge and transfer of residents in adult care homes afforded by G.S. 131D-21. The rules shall offer at least the same protections to residents as State and federal rules and regulations governing the transfer or discharge of residents from nursing homes.

(6) Establishing procedures for determining the compliance history of adult care homes' principals and affiliates. The rules shall include criteria for refusing to license facilities which have a history of, or have principals or affiliates with a history of, noncompliance with State law, or disregard for the health, safety, and welfare of residents.

(7) For the licensure of special care units in accordance with G.S. 131D-4.6, and for disclosures required to be made under G.S. 131D-8.

(8) For time limited provisional licenses and for granting extensions for provisional licenses.

(9) For the issuance of certificates to adult care homes as authorized under G.S. 131D-10. (1999-334, s. 1.1; 2000-111, s. 2; 2007-544, s. 3(a).)

Editor's Note. — G.S. 131D-8, referred to in subdivision (7) of this section, was originally enacted by Session Laws 1999-334, s. 2.1, as G.S. 131D-7. It was renumbered as G.S. 131D-8 by Session Laws 1999-456, s. 61(a), which provided that all references to "G.S. 131D-7" in Session Laws 1999-334, which amended this section, be rewritten to read "G.S. 131D-8."

Session Laws 1999-334, s. 3.10, provides that the Secretary of Health and Human Services shall adopt temporary rules in accordance with Chapter 150B of the General Statutes to implement G.S. 131D-4.5 as enacted by this act within 60 days of the date this act became law, July 22, 1999, and that the Secretary's authority to adopt temporary rules expires on the effective date of permanent rules adopted by the Medical Care Commission to implement G.S. 131D-4.5.

Session Laws 2007-544, s. 3(c), provides: "The Department of Health and Human Services shall provide a copy of emergency, temporary, and permanent rules adopted pursuant to this section to the North Carolina Study Commission on Aging at the same time the Department submits the adopted rules to the Rules Review Commission for its review under Chapter 150B of the General Statutes."

Session Laws 2007-544, s. 3(d), provides: "The Department of Health and Human Services, Divisions of Health Service Regulation, Aging and Adult Services, and Medical Assistance shall study the structure and cost of a system to reward adult care homes which receive high ratings. The Department shall report findings and recommendations on this study to the North Carolina Study Commission on Aging not later than March 1, 2008."

Session Laws 2007-544, s. 3(f), provides: "The Department of Health and Human Services, Division of Health Service Regulation and Division of Aging and Adult Services, shall study expanding the rated certificate system to other facilities and services licensed and certified by the Department. The Department shall report to the North Carolina Study Commission on Aging on the expansion of the rating system by October 1, 2009."

Session Laws 2007-544, s. 3(g), provides: "The Department of Health and Human Services, Division of Health Service Regulation, shall report on the implementation of the rated certificate system. The Department shall make an interim report to the North Carolina Study Commission on Aging not later than October 1, 2009, and a final report to the Commission not later than October 1, 2010."

Session Laws 2007-544, s. 4, provides in part that Certificates authorized under this section, as amended by Session Laws 2007-544, s. 3.(a), shall be issued beginning January 1, 2009.

§ 131D-4.6. Licensure of special care units.

(a) As used in this section, the term "special care unit" means a wing or hallway within an adult care home, or a program provided by an adult care home, that is designated especially for residents with Alzheimer's disease or other dementias, a mental health disability, or other special needs disease or condition as determined by the Medical Care Commission.

(b) An adult care home that holds itself out to the public as providing a special care unit shall be licensed as such and shall, in addition to other licensing requirements for adult care homes, meet the standards established under rules adopted by the Medical Care Commission.

(c) An adult care home that holds itself out to the public as providing a special care unit without being licensed as a special care unit is subject to licensure actions and penalties provided under Part 1 of this Article, as well as any other action permitted by law. (1999-334, s. 1.1; 2009-462, s. 4(f).)

Effect of Amendments. — Session Laws 2009-462, s. 4(f), effective October 1, 2009, substituted "Part 1 of this Article" for "G.S. 131D-2(b)" in subsection (c).

§ 131D-4.7. Adult care home specialist fund.

There is established the adult care home specialist fund. The fund shall be maintained in and by the Department for the purpose of assisting county departments of social services in paying salaries of adult care home specialists. (1999-334, s. 1.1.)

§ 131D-5: Repealed by Session Laws 1983, c. 637, s. 1.

§ 131D-6. Certification of adult day care programs; purpose; definition; penalty.

(a) It is the policy of this State to enable people who would otherwise need full-time care away from their own residences to remain in their residences as long as possible and to enjoy as much independence as possible. One of the programs that permits adults to remain in their residences and with their families is adult day care.

(b) As used in this section "adult day care program" means the provision of group care and supervision in a place other than their usual place of abode on a less than 24-hour basis to adults who may be physically or mentally disabled. The Department of Health and Human Services shall annually inspect and certify all adult day care programs, under rules adopted by the Social Services Commission. The Social Services Commission shall adopt rules to protect the health, safety, and welfare of persons in adult day care programs. These rules shall include minimum standards relating to management of the program, staffing requirements, building requirements, fire safety, sanitation, nutrition, and program activities. Adult day care programs are not required to provide transportation to participants; however, those programs that choose to provide transportation shall comply with rules adopted by the Commission for the health and safety of participants during transport.

The Department of Health and Human Services shall enforce the rules of the Social Services Commission.

(b1) An adult day care program that provides or that advertises, markets, or otherwise promotes itself as providing special care services for persons with Alzheimer's disease or other dementias, a mental health disability, or other special needs disease or condition shall provide the following written disclosures to the Department and to persons seeking adult day care program special care services:

(1) A statement of the overall philosophy and mission of the adult day care program and how it reflects the special needs of participants with dementia.
(2) The process and criteria for providing or discontinuing special care services.
(3) The process used for assessment and establishment of the plan of care and its implementation, including how the plan of care is responsive to changes in the participant's condition.
(4) Staffing ratios and how they meet the participant's need for increased special care and supervision.
(5) Staff training that is dementia-specific.
(6) Physical environment and design features that specifically address the needs of participants with Alzheimer's disease or other dementias.
(7) Frequency and type of participant activities provided.
(8) Involvement of families in special care and availability of family support programs.
(9) Additional costs and fees to the participant for special care.

(b2) As part of its certification renewal procedures and inspections, the Department shall examine for accuracy the written disclosure of each adult day care program subject to this section. Substantial changes to written disclosures shall be reported to the Department at the time the change is made.

(b3) Nothing in this section shall be construed as prohibiting an adult day care program that does not advertise, market, or otherwise promote itself as providing special care services for persons with Alzheimer's disease or other dementias from providing adult day care services to persons with Alzheimer's disease or other dementias, a mental health disability, or other special needs disease or condition.

(b4) As used in this section, the term "special care service" means a program, service, or activity designed especially for participants with Alzheimer's disease or other dementias, a mental health disability, or other special needs disease or condition as determined by the Medical Care Commission.

(c) The Secretary may impose a civil penalty not to exceed one hundred dollars ($100.00) for each violation on a person, firm, agency, or corporation who willfully violates any provision of this section or any rule adopted by the Social Services Commission pursuant to this section. Each day of a continuing violation constitutes a separate violation.

In determining the amount of the civil penalty, the Secretary shall consider the degree and extent of the harm or potential harm caused by the violation.

The Social Services Commission shall adopt rules concerning the imposition of civil penalties under this subsection.

The clear proceeds of civil penalties imposed pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(c1) Any person, firm, agency, or corporation that harms or willfully neglects a person under its care is guilty of a Class 1 misdemeanor.

(d) The following programs are exempted from the provisions of this section:

(1) Those that care for three people or less;

(2) Those that care for two or more persons, all of whom are related by blood or marriage to the operator of the facility;

(3) Those that are required by other statutes to be licensed by the Department of Health and Human Services. (1985, c. 349, s. 1; 1993, c. 539, s. 954; 1994, Ex. Sess., c. 24, s. 14(c); 1997-443, s. 11A.118(a); 1998-215, s. 77; 1999-334, s. 2.2; 2001-90, s. 1.)

Editor's Note. — Subsections (b2), (b3), and (b4) were originally enacted by S.L.1999-334, s. 2.2, as subsections (c), (d), and (e). The subsections have been renumbered at the direction of the Revisor of Statutes.

Session Laws 2006-108, s. 1(a), provides: "The Department of Health and Human Services, Division of Aging and Adult Services and the Division of Medical Assistance, shall provide education, and training if necessary, to ensure that Community Alternatives Program (CAP) case managers are aware of adult day health services and that this option is being considered in all situations appropriate for the client."

Session Laws 2006-108, s. 1(b), provides: "The Department of Health and Human Services, Division of Aging and Adult Services, shall report on the status of the Partners in Caregiving Study recommendations."

Session Laws 2006-108, s. 1(c), provides: "The Department shall report the status of its activities under this section to the North Carolina Study Commission on Aging not later than July 30, 2006."

§ 131D-7. Waiver of rules for certain adult care homes providing shelter or services during disaster or emergency.

(a) The Division of Health Service Regulation may temporarily waive, during disasters or emergencies declared in accordance with Article 1 of Chapter 166A of the General Statutes, any rules of the Commission pertaining to adult care homes to the extent necessary to allow the adult care home to provide temporary shelter and temporary services requested by the emergency management agency. The Division may identify, in advance of a declared disaster or emergency, rules that may be waived, and the extent the rules may be waived, upon a disaster or emergency being declared in accordance with Article 1 of Chapter 166A of the General Statutes. The Division may also waive rules under this subsection during a declared disaster or emergency upon the request of an emergency management agency and may rescind the waiver if, after investigation, the Division determines the waiver poses an unreasonable risk to the health, safety, or welfare of any of the persons occupying the adult care home. The emergency management agency requesting temporary shelter or temporary services shall notify the Division within 72 hours of the time the preapproved waivers are deemed by the emergency management agency to apply.

(b) As used in this section, "emergency management agency" is as defined in G.S. 166A-4(2). (1999-307, s. 2; 2007-182, s. 1.)

Editor's Note. — Pursuant to Session Laws 1999-456, s. 61(a), the section originally enacted as G.S. 131D-7 by Session Laws 1999-334, s. 2.1, has been renumbered as G.S. 131D-8.

§ 131D-8. Adult care home special care units; disclosure of information required.

(a) An adult care home licensed under this Part that provides care for persons in special care units as defined in G.S. 131D-4.6 shall disclose the form of care or treatment provided that distinguishes the special care unit as being especially designed for residents with Alzheimer's disease or other dementias, a mental health disability, or other special needs disease or condition. The disclosure shall be in writing and shall be made to all of the following:

(1) The Department as part of its licensing procedures.
(2) Each person seeking placement within a special care unit, or the person's authorized representative, prior to entering into an agreement with the person to provide special care.
(3) The Office of State Long-Term Care Ombudsman, annually, or more often if requested.

(b) Information that must be disclosed in writing shall include, but is not limited to, all of the following:

(1) A statement of the overall philosophy and mission of the licensed facility and how it reflects the special needs of residents with Alzheimer's disease or other dementias, a mental health disability, or other special needs disease or condition.
(2) The process and criteria for placement, transfer, or discharge to or from the special care unit.
(3) The process used for assessment and establishment of the plan of care and its implementation, including how the plan of care is responsive to changes in the resident's condition.
(4) Staffing ratios and how they meet the resident's need for increased care and supervision.
(5) Staff training that is dementia-specific.
(6) Physical environment and design features that specifically address the needs of residents with Alzheimer's disease or other dementias.
(7) Frequency and type of programs and activities for residents of the special care unit.
(8) Involvement of families in resident care, and availability of family support programs.
(9) Additional costs and fees to the resident for special care.

(c) As part of its license renewal procedures and inspections, the Department shall examine for accuracy the written disclosure of each adult care home subject to this section. Substantial changes to written disclosures shall be reported to the Department at the time the change is made.

(d) Nothing in this section shall be construed as prohibiting an adult care home that does not offer a special care unit from admitting a person with Alzheimer's disease or other dementias, a mental health disability, or other special needs disease or condition. The disclosures required under this section apply only to an adult care home that advertises, markets, or otherwise promotes itself as providing a special care unit for persons with Alzheimer's disease or other dementias.

(e) As used in this section, the term "special care unit" has the same meaning as applies under G.S. 131D-4.6. (1999-334, s. 2.1; 1999-456, s. 61(a).)

Editor's Note. — This section was originally enacted by Session Laws 1999-334, s. 2.1, as G.S. 131D-7. It has been renumbered as this section by Session Laws 1999-456, s. 61(a).

§ 131D-9. Immunization of employees and residents of adult care homes.

(a) Except as provided in subsection (e) of this section, an adult care home licensed under this Article shall require residents and employees to be immunized annually against influenza virus and shall require residents to also be immunized against pneumococcal disease.

(b) Upon admission, an adult care home shall notify the resident of the immunization requirements of this section and shall request that the resident agree to be immunized against influenza virus and pneumococcal disease.

(b1) An adult care home shall notify every employee of the immunization requirements of this section and shall request that the employee agree to be immunized against the influenza virus.

(c) An adult care home shall document the annual immunization against influenza virus and the immunization against pneumococcal disease for each resident and each employee, as required under this section. Upon finding that a resident is lacking one or both of these immunizations or that an employee has not been immunized against influenza virus, or if the adult care home is unable to verify that the individual has received the required immunization, the adult care home shall provide or arrange for immunization. The immunization and documentation required shall occur not later than November 30 of each year.

(d) For an individual who becomes a resident of or who is newly employed by the adult care home after November 30 but before March 30 of the following year, the adult care home shall determine the individual's status for the immunizations required under this section, and if found to be deficient, the adult care home shall provide the immunization.

(e) No individual shall be required to receive vaccine under this section if the vaccine is medically contraindicated, or if the vaccine is against the individual's religious beliefs, or if the individual refuses the vaccine after being fully informed of the health risks of not being immunized.

(f) Notwithstanding any other provision of law to the contrary, the Commission for Public Health shall have the authority to adopt rules to implement the immunization requirements of this section.

(g) As used in this section, "employee" means an individual who is a part-time or full-time employee of the adult care home. (2000-112, ss. 1, 2; 2007-182, s. 1.3.)

Editor's Note. — Session Laws 2000-112, s. 5, directs the Department of Health and Human Services to make available to nursing homes and adult care homes educational and informational materials pertaining to vaccinations required under the act.

§ 131D-10. Adult care home rated certificates.

(a) Rules adopted by the North Carolina Medical Care Commission for issuance of certificates to adult care homes shall contain a rating based, at a minimum, on the following:

(1) Inspections and substantiated complaint investigations conducted by the Department to determine compliance with licensing statutes and rules. Specific areas to be reviewed include:
  a. Admission and discharge procedures.
  b. Medication management.
  c. Physical plant.
  d. Resident care and services, including food services, resident activities programs, and safety measures.
  e. Residents' rights.
  f. Sanitation grade.

g. Special Care Units.

h. Use of physical restraints and alternatives.

(b) The initial ratings awarded to a facility pursuant to the rules adopted under this section shall be based on inspections, penalties imposed, and investigations of substantiated complaints that revealed noncompliance with statutes and rules, that occurred on or after the act becomes law.

(c) Type A penalties shall affect the rating for 24 months from the date the penalty is assessed. Type B penalties shall affect the rating for 12 months from the date the penalty is assessed.

(d) Adult care homes shall display the rating certificate in a location visible to the public. Certificates shall include the Web site address for the Department of Health and Human Services, Division of Health Service Regulation, which can be accessed for specific information regarding the basis of the facility rating. For access by the public on request, adult care homes shall also maintain on-site a copy of information provided by the Department of Health and Human Services, Division of Health Service Regulation, regarding the basis of the facility rating. In addition to information on the basis of the rating, the Department of Health and Human Services, Division of Health Service Regulation, shall make information available via its Web site and in the materials available on-site at the facility regarding quality improvement efforts undertaken by the facility including:

(1) Participation in any quality improvement programs approved by the Department.

(2) The facility's attainment of the North Carolina New Organizational Vision Award special licensure designation authorized in Article 5, Chapter 131E of the General Statutes. (2007-544, s. 3(b).)

Editor's Note. — Session Laws 2007-544, s. 4, made this section effective August 31, 2007.

Session Laws 2007-544, s. 3(c), provides: "The Department of Health and Human Services shall provide a copy of emergency, temporary, and permanent rules adopted pursuant to this section to the North Carolina Study Commission on Aging at the same time the Department submits the adopted rules to the Rules Review Commission for its review under Chapter 150B of the General Statutes."

Session Laws 2007-544, s. 3(d), provides: "The Department of Health and Human Services, Divisions of Health Service Regulation, Aging and Adult Services, and Medical Assistance shall study the structure and cost of a system to reward adult care homes which receive high ratings. The Department shall report findings and recommendations on this study to the North Carolina Study Commission on Aging not later than March 1, 2008."

Session Laws 2007-544, s. 3(f), provides: "The Department of Health and Human Services, Division of Health Service Regulation and Division of Aging and Adult Services, shall study expanding the rated certificate system to other facilities and services licensed and certified by the Department. The Department shall report to the North Carolina Study Commission on Aging on the expansion of the rating system by October 1, 2009."

Session Laws 2007-544, s. 3(g), provides: "The Department of Health and Human Services, Division of Health Service Regulation, shall report on the implementation of the rated certificate system. The Department shall make an interim report to the North Carolina Study Commission on Aging not later than October 1, 2009, and a final report to the Commission not later than October 1, 2010."

Session Laws 2007-544, s. 4, provides in part that Certificates authorized under this section, as amended by Session Laws 2007-544, s. 3.(a), shall be issued beginning January 1, 2009.

Article 1A.

Control over Child Placing and Child Care.

§ 131D-10.1. Purpose.

It is the policy of this State to strengthen and preserve the family as a unit consistent with a high priority of protecting children's welfare. When a child requires care outside the family unit, it is the duty of the State to assure that the quality of substitute care is as close as possible to the care and nurturing that society expects of a family. However, the State recognizes there are instances when protecting a child's welfare outweighs reunifying the family unit, and as such, the care of residential care facilities providing high quality services that include meeting the children's educational needs as determined by the Department of Health and Human Services, Division of Social Services can satisfy the standard of protecting a child's welfare, regardless of the child's age, particularly when the sibling groups can be kept intact.

The purpose of this Article is to assign the authority to protect the health, safety and well-being of children separated from or being cared for away from their families. (1983, c. 637, s. 2; 2009-408, s. 1.)

Editor's Note. — Session Laws 2009-408, s. 2, provides: "The Division of Social Services of the Department of Health and Human Services shall revise its rules to reflect the policy changes under G.S. 131D-10.1, as enacted in Section 1 of this act."

Effect of Amendments. — Session Laws 2009-408, s. 1, effective August 5, 2009, in the first paragraph, inserted "consistent with a high priority of protecting children's welfare" in the first sentence and added the last sentence.

Legal Periodicals. — For comment, "Deshaney's Unfinished Business: The Foster Child's Due Process Right to Safety," see 69 N.C.L. Rev. 1 (1990).

OPINIONS OF ATTORNEY GENERAL

This section applies to a facility giving full-time care to neglected, dependent, abandoned, destitute, orphaned or delinquent children and operating as a school. See opinion of Attorney General to Sarah T. Morrow, M.D., M.P.H., Secretary, Department of Human Resources, 53 N.C.A.G. 48 (1985).

§ 131D-10.2. Definitions.

For purposes of this Article, unless the context clearly implies otherwise:

(1) "Adoption" means the act of creating a legal relationship between parent and child where it did not exist genetically.

(2) "Adoptive Home" means a family home approved by a child placing agency to accept a child for adoption.

(3) "Child" means an individual less than 18 years of age, who has not been emancipated under the provisions of Article 35 of Chapter 7B of the General Statutes.

(4) "Child Placing Agency" means a person authorized by statute or license under this Article to receive children for purposes of placement in residential group care, family foster homes or adoptive homes.

(5) "Children's Camp" means a residential child-care facility which provides foster care at either a permanent camp site or in a wilderness setting.

(6a) "Criminal History" means a county, State, or federal conviction of a felony by a court of competent jurisdiction or a pending felony indictment of a crime for child abuse or neglect, spousal abuse, a crime against a child, including child pornography, or for a crime involving violence, including rape, sexual assault, or homicide, other than physical assault or battery; a county, State, or federal conviction of a felony by a court of competent jurisdiction or a pending felony indictment for physical assault, battery, or a drug-related offense, if the offense was committed within the past five years; or similar crimes under federal law or under the laws of other states.

(7) "Department" means the Department of Health and Human Services.

(8) "Family Foster Home" means the private residence of one or more individuals who permanently reside as members of the household and who provide continuing full-time foster care for a child or children who are placed there by a child placing agency or who provide continuing full-time foster care for two or more children who are unrelated to the adult members of the household by blood, marriage, guardianship or adoption.

(9) "Foster Care" means the continuing provision of the essentials of daily living on a 24-hour basis for dependent, neglected, abused, abandoned, destitute, orphaned, undisciplined or delinquent children or other children who, due to similar problems of behavior or family conditions, are living apart from their parents, relatives, or guardians in a family foster home or residential child-care facility. The essentials of daily living include but are not limited to shelter, meals, clothing, education, recreation, and individual attention and supervision.

(9a) "Foster Parent" means any individual who is 18 years of age or older who is licensed by the State to provide foster care.

(10) "Person" means an individual, partnership, joint-stock company, trust, voluntary association, corporation, agency, or other organization or enterprise doing business in this State, whether or not for profit.

(11) "Primarily Educational Institution" means any institution which operates one or more scholastic or vocational and technical education programs that can be offered in satisfaction of compulsory school attendance laws, in which the primary purpose of the housing and care of children is to meet their educational needs, provided such institution has complied with Article 39 of Chapter 115C of the General Statutes.

(12) "Provisional License" means a type of license granted by the Department to a person who is temporarily unable to comply with a rule or rules adopted under this Article.

(13) "Residential Child-Care Facility" means a staffed premise with paid or volunteer staff where children receive continuing full-time foster care. Residential child-care facility includes child-caring institutions, group homes, and children's camps which provide foster care.

(14) "Therapeutic Foster Home" means a family foster home where, in addition to the provision of foster care, foster parents who receive appropriate training provide a child with behavioral health treatment services under the supervision of a county department of social services, an area mental health program, or a licensed private agency and in compliance with licensing rules adopted by the Commission. (1983, c. 637, s. 2; 1993, c. 180, s. 5; 1995, c. 507, s. 23.26(a); 1997-140, s. 1; 1997-443, s. 11A.118(a); 1998-202, s. 13(hh); 2001-487, s. 84(b); 2007-276, s. 11.)

CASE NOTES

"Foster Care." — Trial court's custody review order did not comply with G.S. 7B-906(c)(3) and (4) because it did not address the goals of a child's foster care placement or the role her foster parents were to play in her future planning, because the foster parents were foster parents, as they were providing foster care, as defined by G.S. 131D-10.2(9). In re L.L., 172 N.C. App. 689, 616 S.E.2d 392, 2005 N.C. App. LEXIS 1798 (2005).

§ 131D-10.3. Licensure required.

(a) No person shall operate, establish or provide foster care for children or receive and place children in residential care facilities, family foster homes, or adoptive homes without first applying for a license to the Department and submitting the required information on application forms provided by the Department.

(b) Persons licensed or seeking a license under this Article shall permit the Department access to premises and information required to determine whether the person is in compliance with licensing rules of the Commission.

(c) Persons licensed pursuant to this Article shall be periodically reviewed by the Department to determine whether they comply with Commission rules and whether licensure shall continue.

(d) This Article shall apply to all persons intending to organize, develop or provide foster care for children or receive and place children in residential child-care facilities, family foster homes or adoptive homes irrespective of such persons having applied for or obtained a certification, registration or permit to carry on work not controlled by this Article except persons exempted in G.S. 131D-10.4.

(e) Unless revoked or modified to a provisional or suspended status, the terms of a license issued by the Department shall be in force for a period not to exceed 24 months from the date of issuance under rules adopted by the Commission.

(f) Persons licensed or seeking a license who are temporarily unable to comply with a rule or rules may be granted a provisional license. The provisional license can be issued for a period not to exceed six months. The noncompliance with a rule or rules shall not present an immediate threat to the health and safety of the children, and the person shall have a plan approved by the Department to correct the area(s) of noncompliance within the provisional period. A provisional license for an additional period of time to meet the same area(s) of noncompliance shall not be issued.

(g) In accordance with Commission rules, a person may submit to the Department documentation of compliance with the standards of a nationally recognized accrediting body, and the Department on the basis of such accreditation may deem the person in compliance with one or more Commission licensing rules.

(h) Except as provided in subsection (i) of this section, the Secretary shall not enroll any new provider for Medicaid Home or Community Based services or other Medicaid services, as defined in 42 C.F.R. 440.90, 42 C.F.R. 440.130(d), and 42 C.F.R. 440.180, or issue a license for a new facility or a new service to any applicant meeting any of the following criteria:

(1) The applicant was the owner, principal, or affiliate of a licensable facility under Chapter 122C, Chapter 131D, or Article 7 of Chapter 110 that had its license revoked until 60 months after the date of the revocation.

(2) The applicant is the owner, principal, or affiliate of a licensable facility that was assessed a penalty for a Type A or Type B violation under Article 3 of Chapter 122C, or any combination thereof, and any one of the following conditions exist:

   a. A single violation has been assessed in the six months prior to the application.

   b. Two violations have been assessed in the 18 months prior to the application and 18 months have not passed from the date of the most recent violation.

   c. Three violations have been assessed in the 36 months prior to the application and 36 months have not passed from the date of the most recent violation.

d. Four or more violations have been assessed in the 60 months prior to application and 60 months have not passed from the date of the most recent violation.

(3) The applicant is the owner, principal, or affiliate of a licensable facility that had its license summarily suspended or downgraded to provisional status as a result of violations under G.S. 122C-24.1(a) until 60 months after the date of reinstatement or restoration of the license.

(4) The applicant is the owner, principal, or affiliate of a licensable facility that had its license summarily suspended or downgraded to provisional status as a result of violations under Article 1A of Chapter 131D, or had its license summarily suspended or denied under Article 7 of Chapter 110 until 60 months after the date of reinstatement or restoration of the license.

(i) The Secretary may enroll a provider described in subsection (h) of this section if any of the following circumstances apply:

(1) The applicant is an area program or county program providing services under G.S. 122C-141, and there is no other provider of the service in the catchment area.

(2) The Secretary finds that the area program or county program has shown good cause by clear and convincing evidence why the enrollment should be allowed.

(j) For purposes of subdivision (h)(2) of this section, fines assessed prior to October 23, 2002, are not applicable to this provision. However, licensure or enrollment shall be denied if an applicant's history as a provider under Chapter 131D, Chapter 122C, or Article 7 of Chapter 110 is such that the Secretary has concluded the applicant will likely be unable to comply with licensing or enrollment statutes, rules, or regulations. In the event the Secretary denies licensure or enrollment under this subsection, the reasons for the denial and appeal rights pursuant to Article 3 of Chapter 150B shall be given to the provider in writing. (1983, c. 637, s. 2; 2002-164, s. 4.4; 2003-294, s. 4.)

Comprehensive Treatment Services Program. — Session Laws 2007-323, s. 10.10(a)-(h), (j), (k), provides: "(a) The Department of Health and Human Services shall continue the Comprehensive Treatment Services Program for children at risk for institutionalization or other out-of-home placement. The Program shall be implemented by the Department in consultation with the Department of Juvenile Justice and Delinquency Prevention, the Department of Public Instruction, and other affected State agencies. The purpose of the Program is to provide appropriate and medically necessary nonresidential and residential treatment alternatives for children at risk of institutionalization or other out-of-home placement. Program funds shall be targeted for non-Medicaid eligible children. Program funds may also be used to expand a system-of-care approach for services to children and their families statewide. The program shall include the following:

"(1) Behavioral health screening for all children at risk of institutionalization or other out-of-home placement.

"(2) Appropriate and medically necessary nonresidential and residential services for children within the child mental health deaf and hard of hearing target population.

"(3) Appropriate and medically necessary nonresidential and residential treatment services, including placements for sexually aggressive youth.

"(4) Appropriate and medically necessary nonresidential and residential treatment services, including placements for youth needing substance abuse treatment services and children with serious emotional disturbances.

"(5) Multidisciplinary case management services, as needed.

"(6) A system of utilization review specific to the nature and design of the Program.

"(7) Mechanisms to ensure that children are not placed in department of social services custody for the purpose of obtaining mental health residential treatment services.

"(8) Mechanisms to maximize current State and local funds and to expand use of Medicaid funds to accomplish the intent of this Program.

"(9) Other appropriate components to accomplish the Program's purpose.

"(10) The Secretary of the Department of Health and Human Services may enter into contracts with residential service providers.

"(11) A system of identifying and tracking children placed outside of the family unit in group homes, therapeutic foster care home settings, and other out-of-home placements.

"(12) The development of a strong infrastructure of interagency collaboration.

"(13) Individualized strengths-based care.

"(b) In order to ensure that children at risk for institutionalization or other out-of-home placement are appropriately served by the mental health, developmental disabilities, and substance abuse services system, the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, shall do the following with respect to services provided to these children:

"(1) Provide only those treatment services that are medically necessary.

"(2) Implement utilization review of services provided.

"(3) Adopt the following guiding principles for the provision of services:

"a. Service delivery system must be outcome-oriented and evaluation-based.

"b. Services should be delivered as close as possible to the child's home.

"c. Services selected should be those that are most efficient in terms of cost and effectiveness.

"d. Services should not be provided solely for the convenience of the provider or the client.

"e. Families and consumers should be involved in decision making throughout treatment planning and delivery.

"f. Services shall be specified, delivered, and monitored through a unified Child and Family Plan incorporating the principles of one-child-one-team-one-plan.

"g. Out-of-home placements for children shall be a last resort and shall include concrete plans to bring the children back to a stable, permanent home, their schools, and their community.

"(4) Implement all of the following cost-reduction strategies:

"a. Preauthorization for all services except emergency services.

"b. Levels of care to assist in the development of treatment plans.

"c. Clinically appropriate services.

"(c) The Department shall collaborate with other affected State agencies such as the Department of Juvenile Justice and Delinquency Prevention, the Department of Public Instruction, the Administrative Office of the Courts, and with local departments of social services, area mental health programs, and local education agencies to eliminate cost shifting and facilitate cost-sharing among these governmental agencies with respect to the treatment and placement services.

"(d) The Department shall not allocate funds appropriated for Program services until a Memorandum of Agreement has been executed between the Department of Health and Human Services, the Department of Public Instruction, and other affected State agencies. The Memorandum of Agreement shall address specifically the roles and responsibilities of the various departmental divisions and affected State agencies involved in the administration, financing, care, and placement of children at risk of institutionalization or other out-of-home placement. The Department shall not allocate funds appropriated in this act for the Program until the Memoranda of Agreement between local departments of social services, area mental health programs, local education agencies, the Administrative Office of the Courts, and the Department of Juvenile Justice and Delinquency Prevention, as appropriate, are executed to effectuate the purpose of the Program. The Memoranda of Agreement shall address issues pertinent to local implementation of the Program, including provision for the immediate availability of student records to a local school administrative unit receiving a child placed in a residential setting outside the child's home county.

"(e) Notwithstanding any other provision of law to the contrary, services under the Comprehensive Treatment Services Program are not an entitlement for non-Medicaid eligible children served by the Program.

"(f) Of the funds appropriated in this act for the Comprehensive Treatment Services Program, the Department of Health and Human Services shall establish a reserve of three percent (3%) to ensure availability of these funds to address specialized needs for children with unique or highly complex problems.

"(g) The Department of Health and Human Services, in conjunction with the Department of Juvenile Justice and Delinquency Prevention, the Department of Public Instruction, and other affected agencies, shall report on the following Program information:

"(1) The number and other demographic information of children served.

"(2) The amount and source of funds expended to implement the Program.

"(3) Information regarding the number of children screened, specific placement of children, including the placement of children in programs or facilities outside of the child's home county, and treatment needs of children served.

"(4) The average length of stay in residential treatment, transition, and return to home.

"(5) The number of children diverted from institutions or other out-of-home placements such as training schools and State psychiatric hospitals and a description of the services provided.

"(6) Recommendations on other areas of the Program that need to be improved.

"(7) Other information relevant to successful implementation of the Program.

"(h) The Department shall report on the following Program funding information:

"(1) The amount of Program funding allocated and expended by each LME.

"(2) The amount of Program funds each LME transferred out of the Program to serve purposes other than those outlined by this Program and an explanation of why LMEs transferred the funding.

"(3) Recommendations to improve the penetration rate of Program funds to serve the intended populations across the State.

"(j) Upon approval of the Legislative Services Commission, the Legislative Services Officer shall assign professional and clerical staff to assist in the work of the Task Force. Professional staff shall be those assigned to subject areas or agencies involving child-serving programs administered by the Department of Health and Human Services, the Department of Juvenile Justice and Delinquency Prevention, the Administrative Office of the Courts, and the Department of Public Instruction. Clerical staff shall be furnished to the Task Force through the offices of the House of Representatives and Senate Directors of Legislative Assistants.

"(k) The Department shall report on April 1, 2008, and April 1, 2009, on the implementation of subsections (a) through (h) of this section. The reports required under this subsection shall be made to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services, and the Fiscal Research Division."

For similar provisions, see Session Laws 2003-294, s. 6(a), and 2005-276, s. 10.25(a)-(g) and (m).

Session Laws 2007-323, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2007'."

Session Laws 2007-323, s. 32.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2007-2009 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2007-2009 fiscal biennium."

Session Laws 2007-323, s. 32.5 is a severability clause.

§ 131D-10.3A. Mandatory criminal checks.

(a) Effective January 1, 1996, in order to ensure the safety and well-being of any child placed for foster care in a home, the Department shall ensure that the criminal histories of all foster parents, individuals applying for licensure as foster parents, and individuals 18 years of age or older who reside in a family foster home, are checked and, based on the criminal history check, a determination is made as to whether the foster parents, and other individuals required to be checked, are fit for a foster child to reside with them in the home. The Department shall ensure that, as of the effective date of this Article, all individuals required to be checked are checked for county, state, and federal criminal histories.

(b) The Department shall ensure that all individuals who are required to be checked pursuant to subsection (a) of this section are checked upon relicensure for county and State criminal histories.

(c) The Department shall prohibit an individual from providing foster care by denying or revoking the license to provide foster care if an individual required to submit to a criminal history check pursuant to subsection (a) of this section has a criminal history. The Department may prohibit an individual from providing foster care by denying or revoking the license to provide foster care if the Department determines that the safety and well being of a child placed in the home for foster care would be at risk based on other criminal convictions, whether felony or misdemeanor.

(d) The Department of Justice shall provide to the Department the criminal history of the individuals specified in subsection (a) of this section obtained from the State and National Repositories of Criminal Histories as requested by the Department. The Department shall provide to the Department of Justice, along with the request, the fingerprints of the individual to be checked, any additional information required by the Department of Justice, and a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories signed by the individual to be checked. The fingerprints of the individual to be checked shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check.

(e) At the time of application, the individual whose criminal history is to be checked shall be furnished with a statement substantially similar to the following:

> "NOTICE
>
> MANDATORY CRIMINAL HISTORY CHECK
>
> NORTH CAROLINA LAW REQUIRES THAT A CRIMINAL HISTORY CHECK BE CONDUCTED ON ALL PERSONS 18 YEARS OF AGE OR OLDER WHO RESIDE IN A LICENSED FAMILY FOSTER HOME.
>
> "Criminal history" includes any county, State, and federal conviction of a felony by a court of competent jurisdiction or pending felony indictment of a crime for child abuse or neglect, spousal abuse, a crime against a child, including child pornography, or for a crime involving violence, including rape, sexual assault, or homicide, other than physical assault or battery; a county, State, or federal conviction of a felony by a court of competent jurisdiction or a pending felony indictment for physical assault, battery, or a drug related offense, if the offense was committed within the past five years; or similar crimes under federal law or under the laws of other states. Your fingerprints will be used to check the criminal history records of the State Bureau of Investigation (SBI) and the Federal Bureau of Investigation (FBI).
>
> If it is determined, based on your criminal history, that you are unfit to have a foster child reside with you, you shall have the opportunity to complete or challenge the accuracy of the information contained in the SBI or FBI identification records.
>
> If licensure is denied or the foster home license is revoked by the Department of Health and Human Services as a result of the criminal history check, if you are a foster parent, or are applying to become a foster parent, you may request a hearing pursuant to Article 3 of Chapter 150B of the General Statutes, the Administrative Procedure Act.
>
> Any person who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor."

Refusal to consent to a criminal history check is grounds for the Department to deny or revoke a license to provide foster care. Any person who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor.

(f) The Department shall notify in writing the foster parent and any person applying to be licensed as a foster parent, and that individual's supervising agency of the determination by the Department of whether the foster parent is qualified to provide foster care based on the criminal history of all individuals required to be checked. In accordance with the law regulating the dissemination of the contents of the criminal history file furnished by the Federal Bureau of Investigation, the Department shall not release nor disclose any portion of an individual's criminal history to the foster parent or any other individual required to be checked. The Department shall also notify the individual of the individual's right to review the criminal history information, the procedure for completing or challenging the accuracy of the criminal history, and the foster parent's right to contest the Department's determination.

A foster parent who disagrees with the Department's decision may request a hearing pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act.

(g) All the information that the Department receives through the checking of the criminal history is privileged information and is not a public record but is for the exclusive use of the Department and those persons authorized under this section to receive the information. The Department may destroy the information after it is used for the purposes authorized by this section after one calendar year.

(h) There is no liability for negligence on the part of a supervising agency, or a State or local agency, or the employees of a State or local agency, arising from any action taken or omission by any of them in carrying out the provisions of this section. The immunity established by this subsection shall not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity established by this subsection shall be deemed to have been waived to the extent of indemnification by insurance, indemnification under Article 31A of Chapter 143 of the General Statutes, and to the extent sovereign immunity is waived under the Torts Claim Act, as set forth in Article 31 of Chapter 143 of the General Statutes.

(i) The Department of Justice shall perform the State and national criminal history checks on individuals required by this section and shall charge the Department a reasonable fee only for conducting the checks of the national criminal history records authorized by this section. The Division of Social Services, Department of Health and Human Services, shall bear the costs of implementing this section. (1995, c. 507, s. 23.26(b); 1997-140, s. 2; 1997-443, ss. 11A.89, 11A.118(a); 2003-304, s. 4; 2007-276, ss. 12, 13.)

§ 131D-10.4. Exemptions.

This Article shall not apply to:

(1) Any residential child-care facility chartered by the laws of the State of North Carolina (or operating under charters of other states which have complied with the corporation laws of North Carolina) which has a plant and assets worth sixty thousand dollars ($60,000) or more and which is owned or operated by a religious denomination or fraternal order and which was in operation before July 1, 1977;

(2) State institutions for emotionally disturbed or delinquent children, the mentally ill, mentally retarded, and substance abusers;

(3) Secure detention facilities as specified in Article 12 of Chapter 143B of the General Statutes;

(4) Licensable facilities subject to the rules of the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services as specified in Article 2 of Chapter 122C of the General Statutes;

(5) Persons authorized by statute to receive and place children for foster care and adoption in accordance with G.S. 108A-14;

(6) Primarily educational institutions as defined in G.S. 131D-10.2(11); or

(7) Individuals who are related by blood, marriage, or adoption to the child. (1983, c. 637, s. 2; 1985, c. 589, s. 39; 1991, c. 636, s. 19(b); 1998-202, s. 13(ii); 1999-423, s. 6; 2000-137, s. 4(gg).)

OPINIONS OF ATTORNEY GENERAL

Abuse Occurring in County Operated Secure Detention Facility. — The Department of Social Services has the authority to investigate an abuse complaint (involving a juvenile) that allegedly occurred in a county operated secure detention facility that is licensed by the North Carolina Office of Juvenile Justice. See Opinion of Attorney General to Mr. Lowell L. Siler, Esq., Deputy County Attorney, County of Durham, 2000 N.C. AG LEXIS 17 (9/11/2000).

§ 131D-10.5. Powers and duties of the Commission.

In addition to other powers and duties prescribed by law, the Commission shall exercise the following powers and duties:

(1) Adopt, amend and repeal rules consistent with the laws of this State and the laws and regulations of the federal government to implement the provisions and purposes of this Article;

(2) Issue declaratory rulings as may be needed to implement the provisions and purposes of this Article;

(3) Adopt rules governing procedures to appeal Department decisions pursuant to this Article granting, denying, suspending or revoking licenses;

(4) Adopt criteria for waiver of licensing rules adopted pursuant to this Article;

(5) Adopt rules on documenting the use of physical restraint in residential child-care facilities;

(6) Adopt rules establishing personnel and training requirements related to the use of physical restraints and time-out for staff employed in residential child-care facilities; and

(7) Adopt rules establishing educational requirements, minimum age, relevant experience, and criminal record status for executive directors and staff employed by child placing agencies and residential child care facilities. (1983, c. 637, s. 2; 2000-129, s. 2(a); 2007-30, s. 2; 2009-188, s. 2.)

Effect of Amendments. — Session Laws 2009-188, s. 2, effective June 26, 2009, made stylistic and punctuation changes in subdivisions (5) and (6), and inserted "minimum age, relevant experience, and criminal record status" in subdivision (7).

§ 131D-10.5A. Collection of data on use of restraints in residential child-care facilities.

A residential child-care facility that employs physical restraint of a child shall collect data on the use of the restraint. The data shall reflect for each incidence, the type of procedure used, the length of time employed, alternatives considered or employed, and the effectiveness of the procedure or alternative employed. The facility shall analyze the data on at least a quarterly basis to monitor effectiveness, determine trends, and take corrective action where necessary. The facility shall make the data available to the Department upon request. Nothing in this subsection abrogates State or federal law or requirements pertaining to the confidentiality, privilege, or other prohibition against disclosure of information provided to the Department under this subsection. In reviewing data requested under this subsection, the Department shall adhere to State and federal requirements of confidentiality, privilege, and other prohibitions against disclosure and release applicable to the information received under this subsection. (2000-129, s. 2(b).)

§ 131D-10.6. Powers and duties of the Department.

In addition to other powers and duties prescribed by law, the Department shall exercise the following powers and duties:

(1) Investigate applicants for licensure to determine whether they are in compliance with licensing rules adopted by the Commission and the provisions of this Article.

(2) Grant a license when an investigation shows compliance with this Article and Commission rules. The license shall be valid for a period not to exceed 24 months as specified by Commission rules and may be revoked or placed in suspended or provisional status sooner if the Department finds that licensure rules are not being met or upon a finding that the health, safety or welfare of children is threatened.

(3) Administer and enforce the provisions of this Article and the rules of the Commission.

(4) Appoint hearing officers to conduct appeals pursuant to this Article.

(5) Prescribe the form in which application for licensure or a request for waiver of Commission rules shall be submitted.

(6) Inspect facilities and obtain records, documents and other information necessary to determine compliance with the provisions of this Article and Commission rules.

(7) Grant, deny, suspend or revoke a license or a provisional license, in accordance with Commission rules.

(8) Act to grant or deny a request for waiver of Commission rules within 10 business days after its receipt. Grant a waiver for good cause to Commission rules that do not affect the health, safety, or welfare of children in facilities subject to licensure under this Article, in accordance with Commission rules.

(9) Undertake a comprehensive study of the existing procedures for granting or denying an application for licensure or a request for waiver of Commission rules and report to the General Assembly on or before May 1, 1998, regarding its efforts to make the process more efficient and less time-consuming and its recommendations for any changes in the licensing laws or rules. The study shall include the development of a procedure that will ensure that the local Guardian Ad Litem Program is notified by the county department of social services of the request for a waiver if a guardian has been appointed for any child who may be affected by the waiver.

(10) Report annually on October 1 to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services the level of facility compliance with applicable State law governing the use of restraint and time-out in residential child-care facilities. The report shall also include the total number of facilities that reported deaths under this section, the number of deaths reported by each facility, the number of deaths investigated pursuant to this section, and the number found by the investigation to be related to the use of physical restraint or time-out. (1983, c. 637, s. 2; 1997-110, s. 1; 2000-129, s. 5(b); 2003-58, s. 3.)

§ 131D-10.6A. Training by the Division of Social Services required.

(a) The Division of Social Services, Department of Health and Human Services, shall require a minimum of 30 hours of preservice training for foster care parents either prior to licensure or within six months from the date a provisional license is issued pursuant to G.S.131D-10.3, and a mandated minimum of 10 hours of continuing education for all foster care parents annually after the year in which a license is obtained.

(b) The Division of Social Services shall establish minimum training requirements for child welfare services staff. The minimum training requirements established by the Division are as follows:

(1) Child welfare services workers shall complete a minimum of 72 hours of preservice training before assuming direct client contact responsibilities. In completing this requirement, the Division of Social Services shall ensure that each child welfare worker receives training on family centered practices and State and federal law regarding the basic rights of individuals relevant to the provision of child welfare services, including the right to privacy, freedom from duress and coercion to induce cooperation, and the right to parent.

(2) Child protective services workers shall complete a minimum of 18 hours of additional training that the Division of Social Services determines is necessary to adequately meet training needs.

(3) Foster care and adoption workers shall complete a minimum of 39 hours of additional training that the Division of Social Services determines is necessary to adequately meet training needs.

(4) Child welfare services supervisors shall complete a minimum of 72 hours of preservice training before assuming supervisory responsibilities and a minimum of 54 hours of additional training that the Division of Social Services determines is necessary to adequately meet training needs.

(5) Child welfare services staff shall complete 24 hours of continuing education annually. In completing this requirement, the Division of Social Services shall provide each child welfare services staff member with annual update information on family centered practices and State and federal law regarding the basic rights of individuals relevant to the provision of child welfare services, including the right to privacy, freedom from duress and coercion to induce cooperation, and the right to parent.

The Division of Social Services may grant an exception in whole or in part to the requirement under subdivision (1) of this subsection to child welfare workers who satisfactorily complete or are enrolled in a masters or bachelors program after July 1, 1999, from a North Carolina social work program accredited pursuant to the Council on Social Work Education. The program's curricula must cover the specific preservice training requirements as established by the Division of Social Services.

The Division of Social Services shall ensure that training opportunities are available for county departments of social services and consolidated human service agencies to meet the training requirements of this subsection. (1995, c. 324, s. 23.25; 1997-390, s. 11.1; 1997-443, s. 11A.118(a); 2000-67, s. 11.14(c); 2003-304, s. 4.2.)

Editor's Note. — Session Laws 1995, c. 324, s. 23.25, was codified at the direction of the Revisor of Statutes as G.S. 131D-10.6A.

Session Laws 2003-304, s. 7.1, provides: "The Division of Social Services shall ensure that each currently employed child welfare worker receives training on family centered practices and State and federal law regarding the basic rights of individuals relevant to the provision of child welfare services, including the right to privacy, freedom from duress and coercion to induce cooperation, and the right to parent."

§ 131D-10.6B. Report of death.

(a) A facility licensed under this Article shall notify the Department immediately upon the death of any resident of the facility that occurs within seven days of physical restraint of the resident, and shall notify the Department within three days of the death of any resident of the facility resulting from violence, accident, suicide, or homicide. The Department may assess a civil penalty of not less than five hundred dollars ($500.00) and not more than one thousand dollars ($1,000) against a facility that fails to notify the Department of a death and the circumstances surrounding the death known to the facility. Chapter 150B of the General Statutes governs the assessment of a penalty under this section. A civil penalty owed under this section may be recovered in a civil action brought by the Department or the Attorney General. The clear proceeds of the penalty shall be remitted to the State Treasurer for deposit in accordance with State law.

(b) Upon receipt of notification from a facility in accordance with subsection (a) of this section, the Department shall notify the State protection and advocacy agency designated under the Developmental Disabilities Assistance and Bill of Rights Act 2000, P.L. 106-402, that a person with a disability has died. The Department shall provide the agency access to the information about each death reported to the agency pursuant to subsection (a) of this section, including information resulting from any investigation of the death by the Department, and from reports received from the Chief Medical Examiner pursuant to G.S. 130A-385. The agency shall use the information in accordance with its powers and duties under applicable State and federal law and regulations.

(c) If the death of a resident of the facility occurs within seven days of the use of physical restraint, the Department shall initiate immediately an investigation of the death.

(d) Nothing in this section abrogates State or federal law or requirements pertaining to the confidentiality, privilege, or other prohibition against disclosure of information provided to the Department or the agency. In carrying out the requirements of this section, the Department and the agency shall adhere to State and federal requirements of confidentiality, privilege, and other prohibitions against disclosure and release applicable to the information received under this section. A facility or provider that makes available confidential information in accordance with this section and with State and federal law is not liable for the release of the information.

(e) The Secretary shall establish a standard reporting format for reporting deaths pursuant to this section and shall provide to facilities subject to this section a form for the facility's use in complying with this section. (2000-129, s. 5(a); 2007-323, ss. 19.1(g), (h).)

Editor's Note. — Session Laws 2007-323, s. 19.1(b), provides: "Pursuant to the Developmental Disabilities Assistance and Bill of Rights Act, the Governor shall redesignate the operation and function of the Governor's Advocacy Council for Persons with Disabilities from the Department of Administration to a nongovernmental entity. The Governor shall follow the federal statutory procedure for redesignation found at 45 C.F.R. § 1386.20, with a target transfer date of July 1, 2007."

Session Laws 2007-323, s. 19.1(*l*), provides: "This section is effective on the effective date of the redesignation and transfer of the operation and function of the Governor's Advocacy Council for Persons with Disabilities from the Department of Administration to a nongovernmental entity under the Developmental Disabilities Assistance and Bill of Rights Act 2000, P.L. 106-402. Any funds appropriated to the Governor's Advocacy Council for Persons with Disabilities revert to the General Fund on that date." The redesignation and transfer were effective July 1, 2007.

Session Laws 2007-323, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2007'."

Session Laws 2007-323, s. 32.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2007-2009 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2007-2009 fiscal biennium."

Session Laws 2007-323, s. 32.5 is a severability clause.

§ 131D-10.6C. Maintaining a register of applicants by the Division of Social Services.

(a) The Division of Social Services shall keep a register of all family foster and therapeutic foster home applicants. The register shall contain the following information:

(1) The name, age, and address of each applicant.
(2) The date of the application.
(3) The applicant's supervising agency.
(4) Any mandated training completed by the applicant and the dates of training.
(5) Whether the applicant was licensed and the date of the initial licensure.
(6) The current licensing period.
(7) Any adverse licensing actions.
(8) Any other information deemed necessary by the Division of Social Services.

(b) The register shall be a public record under Chapter 132 of the General Statutes. Information not specified in subsection (a) of this section shall be considered confidential and not subject to disclosure. (2003-304, s. 5.)

§ 131D-10.7. Penalties.

Any person who establishes or provides foster care for children or who receives and places children in residential child-care facilities, family foster homes or adoptive homes without a license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be punishable by a fine of not more than fifty dollars ($50.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense. (1983, c. 637, s. 2; 1993, c. 539, s. 955; 1994, Ex. Sess., c. 24, s. 14(c).)

OPINIONS OF ATTORNEY GENERAL

Meaning of "Places Children." — This section must be read in conjunction with Chapter 48 of the General Statutes which, among other things, prescribes procedures for adoptions; it is clear that placement for adoption has a much broader meaning than mere physical receipt or placement. See opinion of Attorney General to Mr. James B. Wood, President, Johnston Memorial Hospital, 59 N.C.A.G. 27 (1989).

The words "place" or "placement," when used in the context of adoptions, refer to greater involvement in the adoption process than the physical delivery of a child to his adoptive parents. See opinion of Attorney General to Mr. James B. Wood, President, Johnson Memorial Hospital, 59 N.C.A.G. 27 (1989).

Hospital's Discharge of Infant to Adoptive Parents. — Reading this section in the context of the chapter on licensing and inspection of child placing agencies leads to the conclusion that this section was not intended to address the situation in which a hospital employee, with no involvement in the arrangement of adoption, simply delivers an infant to adoptive parents. In addition, the language "in . . . adoptive homes" goes beyond what a hospital employee does when he releases a new born child to an adoptive parent; consequently, a hospital's discharge of an infant to adoptive parents does not constitute a violation of this section. See opinion of Attorney General to Mr. James B. Wood, President, Johnston Memorial Hospital, 59 N.C.A.G. 27 (1989).

§ 131D-10.8. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person to restrain or prevent the establishment, conduct, management or operation of a facility operating without a license or in a manner that threatens the health, safety or welfare of the individuals in the facility.

(b) If any person shall interfere with the proper performance or duty of the Department in carrying out this Article, the Department may institute an action in the superior court of the county in which the interference occurred for injunctive relief against the continued interference, irrespective of all other remedies at law. (1983, c. 637, s. 2.)

§ 131D-10.9. Administrative and judicial review.

All procedures arising out of this Article, including all notification, hearing and appeal procedures, shall be governed by the appropriate provisions of Chapter 150B of the Administrative Procedure Act. (1983, c. 637, s. 2; 1987, c. 827, s. 243.)

Article 1B.

Licensing of Maternity Homes.

§ 131D-10.10. Licensing of Maternity Homes.

(a) The Department of Health and Human Services shall inspect and license all maternity homes established in the State under rules adopted by the Social Services Commission. The Commission shall adopt rules establishing educational requirements, minimum age, relevant experience, and criminal record status for executive directors and staff employed in maternity homes.

(b) Facilities subject to the provisions of this section shall include:

(1) Institutions or homes maintained for the purpose of receiving pregnant women for care before, during, and after delivery, and

(2) Institutions or lying-in homes maintained for the purpose of receiving pregnant women for care before and after delivery, when delivery takes place in a licensed hospital. (1868-9, c. 170, s. 3; Code, ss. 2332, 2333; Rev., ss. 3914, 3915; 1917, c. 170, s. 1; 1919, c. 46, ss. 1, 2; C.S., s. 5006; 1925, c. 90, ss. 1, 2; 1927, c. 65; 1931, c. 175; 1937, c. 319, s. 2; c. 436, ss. 3, 5; 1941, c. 270, s. 1; 1945, c. 185; 1951, c. 103; c. 1098, s. 2; 1953, c. 117; 1955, c. 269; 1957, c. 100, s. 1; c. 541, s. 7; 1959, c. 684; 1961, c. 51, s. 2; 1965, cc. 391, 1175; 1969, c. 546, s. 1; 1973, c. 476, s. 138; 1981, c. 275, s. 2; 1997-443, s. 11A.118(a); 2007-30, s. 1; 2009-188, s. 1; 2009-462, s. 1(b).)

Cross References. — As to criminal provisions for patient abuse and neglect, see G.S. 14-32.2.

Editor's Note. — This Article is Part 2 of Article 3 of Chapter 108, as recodified pursuant to Session Laws 1981, c. 275, s. 2, effective Oct. 1, 1981.

This section was formerly codified as G.S. 131D-1. It was recodified as G.S. 131D-10.10 under Article 1B of this chapter by Session Laws 2009-462, s. 1(b), effective October 1, 2009.

Effect of Amendments. — Session Laws 2009-188, s. 1, effective June 26, 2009, inserted "minimum age, relevant experience, and criminal record status" and made a related punctuation change in subsection (a).

ARTICLE 2.

Local Confinement Facilities.

§ 131D-11. Inspection.

The Department of Health and Human Services shall, as authorized by G.S. 153-51, inspect regularly all local confinement facilities as defined by G.S. 153-50(4) to determine compliance with the minimum standards for local confinement facilities adopted by the Social Services Commission. (1868-9, c. 170, s. 5; Code, s. 2335; Rev., s. 3917; 1917, c. 170, s. 1; C.S., s. 5008; 1957, c. 86; 1961, c. 186; 1969, c. 546, s. 1; 1973, c. 476, s. 138; 1981, c. 275, s. 2; 1997-443, s. 11A.118(a).)

Cross References. — As to detention of juveniles in holdover facilities inspected pursuant to this Part and G.S. 153A-222 where no juvenile detention home is available, see now G.S. 7B-505 and 7B-1905.

Editor's Note. — This Article is Part 3 of Article 3 of Chapter 108, as recodified pursuant to Session Laws 1981, c. 275, s. 2, effective Oct. 1, 1981.

G.S. 153-50 and 153-51, referred to in this section, were repealed by Session Laws 1973, c. 822.

§ 131D-12. Approval of new facilities.

The Department of Health and Human Services shall, as authorized by G.S. 153-51, approve the plans for the construction or major modification of any local confinement facility. (1868-9, c. 170, s. 5; Code, s. 2335; Rev., s. 3917; 1917, c. 170, s. 1; C.S., s. 5008; 1957, c. 86; 1961, c. 186; 1969, c. 546, s. 1; 1973, c. 476, s. 138; 1981, c. 275, s. 2; 1997-443, s. 11A.118(a).)

Editor's Note. — G.S. 153-51, referred to in this section, was repealed by Session Laws 1973, c. 822.

§ 131D-13. Failure to provide information.

If the board of commissioners of any county, the chief of police of any municipality, or any officer or employee of any local confinement facility shall fail or refuse to furnish to the Department of Health and Human Services any information about any local confinement facility which is required by law to be furnished, or shall fail to allow the inspection of any such facility, such board or individual shall be guilty of a Class 1 misdemeanor. (1869-70, c. 154, s. 3; Code, s. 2341; 1891, c. 491, s. 2; Rev., s. 3566; C.S., s. 5013; 1957, c. 100, s. 1; 1969, c. 546, s. 1; 1973, c. 476, s. 138; 1981, c. 275, s. 2; 1993, c. 539, s. 956; 1994, Ex. Sess., c. 24, s. 14(c); 1997-443, s. 11A.118(a).)

§§ 131D-14 through 131D-18: Reserved for future codification purposes.

ARTICLE 3.

Adult Care Home Residents' Bill of Rights.

§ 131D-19. Legislative intent.

It is the intent of the General Assembly to promote the interests and well-being of the residents in adult care homes and assisted living residences licensed pursuant to Part 1 of this Article. It is the intent of the General Assembly that every resident's civil and religious liberties, including the right to independent personal decisions and knowledge of available choices, shall not be infringed and that the facility shall encourage and assist the resident in the fullest possible exercise of these rights. It is the intent of the General Assembly that rules developed by the Social Services Commission to implement Article 1 and Article 3 of Chapter 131D of the General Statutes encourage every resident's quality of life, autonomy, privacy, independence, respect, and dignity and provide the following:

(1) Diverse and innovative housing models that provide choices of different lifestyles that are acceptable, cost-effective, and accessible to all consumers regardless of age, disability, or financial status;
(2) A residential environment free from abuse, neglect, and exploitation;
(3) Available, affordable personal service models and individualized plans of care that are mutually agreed upon by the resident, family, and providers and that include measurable goals and outcomes;
(4) Client assessment, evaluation, and independent case management that enhance quality of life by allowing individual risk-taking and responsibility by the resident for decisions affecting daily living to the greatest degree possible based on the individual's ability; and
(5) Oversight, monitoring, and supervision by State and county governments to ensure every resident's safety and dignity and to assure that every resident's needs, including nursing and medical care needs if and when needed, are being met. (1981, c. 923, s. 1; 1995, c. 535, s. 12; 2009-462, s. 4(g).)

Editor's Note. — Session Laws 2005-276, s. 10.40A(p), effective July 1, 2005, as amended by Session Laws 2006-66, s. 10.1, provides: "The Department's Division of Aging and Adult Services shall develop a Quality Improvement Consultation Program for Adult Care Homes. The purpose of the Program is to promote better care and improve quality of life in a safe environment for residents in adult care homes through consultation and assistance with adult care home providers. The county departments of social services shall be responsible for implementation of the Program with all adult care homes located in the respective county, based on a timetable for statewide implementation.

"The Division of Aging and Adult Services shall consult with adult care home providers, county departments of social services, consumer advocates, and other interested stakeholders and parties in the development of the Quality Improvement Consultation Program for Adult Care Homes.

"The Department shall submit a progress report to the North Carolina Study Commission on Aging and to the Senate Appropriations Committee on Health and Human Services and to the House of Representatives Subcommittee on Health and Human Services on or before January 1, 2007.

"The report will address the following topics:

"(1) Principles and philosophies that are resident-centered and promote independence, dignity, and choice for residents;

"(2) Approaches to develop continuous quality improvement with a focus on resident satisfaction and optimal outcomes;

"(3) Dissemination of best practice models that have been used successfully elsewhere;

"(4) A determination of the availability of standardized instruments, and their use to the extent possible, to assess and measure adult care home performance according to quality of life indicators;

"(5) Utilization of quality improvement plans for adult care homes that identify and resolve issues that adversely affect quality of care and services to residents. The plans include agreed upon time frames for completion of improvements and identification of needed resources;

"(6) Training required to equip county departments of social services' staff to implement the Program;

"(7) A distinction of roles between the regulatory role of the Department's Division of Facility Services [now the Division of Health Service Regulation] and the quality improvement consultation and monitoring responsibilities of the county departments of social services; and

"(8) Identification of staffing and other resources needed to implement the Program.

"The Division of Aging and Adult Services shall conduct a pilot of the Quality Improvement Consultation Program for Adult Care Homes. No more than four county departments of social services shall participate in the pilot.

The Division of Aging and Adult Services shall consider geographic balance and size in carrying out the pilot. At the conclusion of the pilot, the Division of Aging and Adult Services shall make recommendations regarding the effectiveness of the Quality Improvement Consultation Program for Adult Care Homes. If the Division recommends expansion of the pilot to other counties or statewide implementation of the Program, its report shall include the cost and a proposed timetable for implementing these recommendations, including the identification of any necessary statutory and administrative rule changes. The recommendations shall be made to the Secretary of the Department of Health and Human Services, the North Carolina Study Commission on Aging, the Senate Appropriations Committee on Health and Human Services, and the House of Representatives Subcommittee on Health and Human Services."

Session Laws 2005-276, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2005'."

Session Laws 2005-276, s. 46.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2005-2007 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2005-2007 fiscal biennium."

Session Laws 2005-276, s. 46.5 is a severability clause.

Session Laws 2006-66, s. 1.2, provides: "This act shall be known as 'The Current Operations and Capital Improvements Appropriations Act of 2006'."

Session Laws 2006-66, s. 28.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2006-2007 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2006-2007 fiscal year."

Session Laws 2006-66, s. 28.6 is a severability clause.

Effect of Amendments. — Session Laws 2009-462, s. 4(g), effective October 1, 2009, substituted "Part 1 of this Article" for "G.S. 131D-2" in the first paragraph.

§ 131D-20. Definitions.

As used in this Article, the following terms have the meanings specified:

(1) "Abuse" means the willful or grossly negligent infliction of physical pain, injury or mental anguish, unreasonable confinement, or the willful or grossly negligent deprivation by the administrator or staff of an adult care home of services which are necessary to maintain mental and physical health.

(2) Repealed by Session Laws 1995, c. 535, s. 13, effective October 1, 1995.

(2a) "Adult care home" is an assisted living residence in which the housing management provides 24-hour scheduled and unscheduled personal care services to two or more residents, either directly or, for scheduled needs, through formal written agreement with licensed home care or hospice agencies. Some licensed adult care homes provide supervision to persons with cognitive impairments whose decisions, if made independently, may jeopardize the safety or well-being of themselves or others and therefore require supervision. Medication in an adult care home may be administered by designated, trained staff. Adult care homes that provide care to two to six unrelated residents are commonly called family care homes. Adult care homes and family care homes are subject to licensure by the Division of Health Service Regulation.

(2b) "Assisted living residence" means any group housing and services program for two or more unrelated adults, by whatever name it is called, that makes available, at a minimum, one meal a day and housekeeping services and provides personal care services directly or through a formal written agreement with one or more licensed home care or hospice agencies. The Department may allow nursing service exceptions on a case-by-case basis. Settings in which services are delivered may include self-contained apartment units or single or shared room units with private or area baths. Assisted living residences are to be distinguished from nursing homes subject to provisions of G.S. 131E-102.

(3) "Exploitation" means the illegal or improper use of an aged or disabled resident or his resources for another's profit or advantage.
(4) "Facility" means an adult care home licensed under G.S. 131D-2.4.
(5) "Family care home" means an adult care home having two to six residents. The structure of a family care home may be no more than two stories high and none of the aged or physically disabled persons being served there may be housed in the upper story without provision for two direct exterior ground-level accesses to the upper story.
(6) Repealed by Session Laws 2001-209, s. 1(c), effective June 15, 2001.
(7) Repealed by Session Laws 1995, c. 535, s. 13.
(8) "Neglect" means the failure to provide the services necessary to maintain the physical or mental health of a resident.
(9) "Resident" means an aged or disabled person who has been admitted to a facility. (1981, c. 923, s. 1; 1981 (Reg. Sess., 1982), c. 1282, s. 20.2C; 1983, c. 824, ss. 2, 3, 5, 7, 8; 1995, c. 535, s. 13; 1997-456, s. 21; 2001-209, s. 1(c); 2007-182, s. 1; 2009-462, s. 4(h).)

Cross References. — As to the definition of "Long-term care facility" in the Long-Term Care Ombudsman Program, see G.S. 143B-181.16.

Effect of Amendments. — Session Laws 2009-462, s. 4(h), effective October 1, 2009, substituted "under G.S. 131D-2.4" for "pursuant to G.S. 131D-2" in subdivision (4).

§ 131D-21. Declaration of residents' rights.

Each facility shall treat its residents in accordance with the provisions of this Article. Every resident shall have the following rights:

(1) To be treated with respect, consideration, dignity, and full recognition of his or her individuality and right to privacy.
(2) To receive care and services which are adequate, appropriate, and in compliance with relevant federal and State laws and rules and regulations.
(3) To receive upon admission and during his or her stay a written statement of the services provided by the facility and the charges for these services.
(4) To be free of mental and physical abuse, neglect, and exploitation.
(5) Except in emergencies, to be free from chemical and physical restraint unless authorized for a specified period of time by a physician according to clear and indicated medical need.
(6) To have his or her personal and medical records kept confidential and not disclosed without the written consent of the individual or guardian, which consent shall specify to whom the disclosure may be made, except as required by applicable State or federal statute or regulation or by third party contract. It is not the intent of this section to prohibit access to medical records by the treating physician except when the individual objects in writing. Records may also be disclosed without the written consent of the individual to agencies, institutions or individuals which are providing emergency medical services to the individual. Disclosure of information shall be limited to that which is necessary to meet the emergency.
(7) To receive a reasonable response to his or her requests from the facility administrator and staff.
(8) To associate and communicate privately and without restriction with people and groups of his or her own choice on his or her own or their initiative at any reasonable hour.
(9) To have access at any reasonable hour to a telephone where he or she may speak privately.

(10) To send and receive mail promptly and unopened, unless the resident requests that someone open and read mail, and to have access at his or her expense to writing instruments, stationery, and postage.
(11) To be encouraged to exercise his or her rights as a resident and citizen, and to be permitted to make complaints and suggestions without fear of coercion or retaliation.
(12) To have and use his or her own possessions where reasonable and have an accessible, lockable space provided for security of personal valuables. This space shall be accessible only to the resident, the administrator, or supervisor-in-charge.
(13) To manage his or her personal needs funds unless such authority has been delegated to another. If authority to manage personal needs funds has been delegated to the facility, the resident has the right to examine the account at any time.
(14) To be notified when the facility is issued a provisional license or notice of revocation of license by the North Carolina Department of Health and Human Services and the basis on which the provisional license or notice of revocation of license was issued. The resident's responsible family member or guardian shall also be notified.
(15) To have freedom to participate by choice in accessible community activities and in social, political, medical, and religious resources and to have freedom to refuse such participation.
(16) To receive upon admission to the facility a copy of this section.
(17) To not be transferred or discharged from a facility except for medical reasons, the residents' own or other residents' welfare, nonpayment for the stay, or when the transfer is mandated under State or federal law. The resident shall be given at least 30 days' advance notice to ensure orderly transfer or discharge, except in the case of jeopardy to the health or safety of the resident or others in the home. The resident has the right to appeal a facility's attempt to transfer or discharge the resident pursuant to rules adopted by the Medical Care Commission, and the resident shall be allowed to remain in the facility until resolution of the appeal unless otherwise provided by law. The Medical Care Commission shall adopt rules pertaining to the transfer and discharge of residents that offer at least the same protections to residents as State and federal rules and regulations governing the transfer or discharge of residents from nursing homes. (1981, c. 923, s. 1; 1983, c. 824, s. 13; 1983 (Reg. Sess., 1984), c. 1076; 1997-443, s. 11A.118(a); 1999-334, s. 1.6; 2000-111, s. 3.)

CASE NOTES

Applied in Allen v. N.C. Dep't of Health & Human Servs., 155 N.C. App. 77, 573 S.E.2d 565, 2002 N.C. App. LEXIS 1634 (2002).

Cited in Salter v. E & J Healthcare, Inc., 155 N.C. App. 685, 575 S.E.2d 46 (2003).

§ 131D-21.1. Peer review.

It is not a violation of G.S. 131D-21(6) for medical records to be disclosed to a private peer review committee if:
(1) The peer review committee has been approved by the Department;
(2) The purposes of the peer review committee are to:
   a. Survey facilities to verify a high level of quality care through evaluation and peer assistance;
   b. Resolve written complaints in a responsible and professional manner; and

c. Develop a basic knowledge of care and standards useful in establishing a means of measuring quality of care; and

(3) The peer review committee keeps such records confidential. (1983, c. 816, s. 1.)

§ 131D-21.2. Quality assurance, medical, or peer review committees.

(a) A member of a duly appointed quality assurance, medical, or peer review committee shall not be subject to liability for damages in any civil action on account of any act, statement, or proceeding undertaken, made, or performed within the scope of the functions of the committee, if the committee member acts without malice or fraud, and if such peer review committee is approved and operates in accordance with G.S. 131D-21.1.

(b) The proceedings of a quality assurance, medical, or peer review committee, the records and materials it produces and the materials it considers shall be confidential and not considered public records within the meaning of G.S. 132-1, "Public records' defined", and shall not be subject to discovery or introduction into evidence in any civil action against an adult care home or a provider of professional health services that results from matters that are the subject of evaluation and review by the committee. No person who was in attendance at a meeting of the committee shall be required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or its members. However, information, documents, or records otherwise available are not immune from discovery or use in a civil action merely because they were presented during proceedings of the committee. Documents otherwise available as public records within the meaning of G.S. 132-1 do not lose their status as public records merely because they were presented or considered during proceedings of the committee. A member of the committee or a person who testifies before the committee may testify in a civil action but cannot be asked about the person's testimony before the committee or any opinions formed as a result of the committee hearings. (2004-149, s. 2.3; 2006-264, s. 65.)

Editor's Note. — The reference to "a nursing home" in the first sentence of subsection (b) is an apparent error; "an adult care home" was the intended reference. The bracketed language has been inserted at the direction of the Revisor of Statutes.

§ 131D-22. Transfer of management responsibilities.

Any representative authorized in writing by a resident to manage his financial affairs, any resident's legal guardian as appointed by a court, or any resident's attorney-in-fact as specified in the power of attorney agreement may sign any documents required by this Article, perform any other act, and receive or furnish any information required by this Article. (1981, c. 923, s. 1; 1983, c. 824, s. 14.)

§ 131D-23. No waiver of rights.

No facility may require a resident to waive the rights specified in G.S. 131D-21. (1981, c. 923, s. 1.)

§ 131D-24. Notice to resident.

(a) A copy of the declaration of the residents' rights shall be posted conspicuously in a public place in all facilities. A copy of the declaration of residents' rights shall be furnished to the resident upon admittance to the facility, to all residents currently residing in the facility, to a representative payee of the resident, or to any person designated in G.S. 131D-22, and if requested to the resident's responsible family member or guardian. Receipts for the declaration of rights signed by these persons shall be retained in the facility's files. The declaration of rights shall be included as part of the facility's admission policies and procedures.

(b) The address and telephone number of the section in the Department of Health and Human Services responsible for the enforcement of the provisions of this Article shall be posted and distributed with copies of G.S. 131D-21. The address and telephone number of the county social services department, and the appropriate person or office of the Department of Health and Human Services shall also be posted and distributed. (1981, c. 923, s. 1; 1997-443, s. 11A.118(a).)

§ 131D-25. Implementation.

Responsibility for implementing the provisions of this Article shall rest with the administrator of the facility. Each facility shall provide appropriate training to staff to implement the declaration of residents' rights included in G.S. 131D-21. (1981, c. 923, s. 1.)

§ 131D-26. Enforcement and investigation.

(a) The Department of Health and Human Services shall be responsible for the enforcement of the provisions of this Article. Specifically, the department of social services in the county in which the facility is located and the Department of Health and Human Services, shall be responsible for enforcing the provisions of the declaration of the residents' rights. The director of the county department of social services shall monitor the implementation of the declaration of the residents' rights and shall also investigate any complaints or grievances pertaining to violations of the declaration of rights.

(a1) When the department of social services in the county in which a facility is located receives a complaint alleging a violation of the provisions of this Article pertaining to patient care or patient safety, the department of social services shall initiate an investigation as follows:

(1) Immediately upon receipt of the complaint if the complaint alleges a life-threatening situation.
(2) Within 24 hours if the complaint alleges abuse of a resident as defined by G.S. 131D-20(1).
(3) Within 48 hours if the complaint alleges neglect of a resident as defined by G.S. 131D-20(8).
(4) Within two weeks in all other situations.

The investigation shall be completed within 60 days. The requirements of this section are in addition to and not in lieu of any investigatory requirements for adult protective services pursuant to Article 6 of Chapter 108A of the General Statutes.

(b) If upon investigation, it is found that any of the provisions of the declaration of rights has been violated, the director of the county department of social services or a designee must orally inform the administrator immediately of the specific violations, what must be done to correct them, and set a date by which the violations must be corrected. This same information must be confirmed in writing to the administrator by the county director or a designee within 10 working days following the investigation. A copy of the letter shall be sent to the Department of Health and Human Services.

(c) Upon receiving requests for assistance in resolving complaints from the county department of social services, the Department of Health and Human Services shall ensure compliance with the provisions of this Article.

(d) The county director of social services shall annually make a report to the Department of Health and Human Services about the number of substantiated violations of G.S. 131D-21, the nature of the violations, and the number of violations referred to the Department of Health and Human Services for resolution. (1981, c. 923, s. 1; 1983, c. 824, ss. 15, 16; 1997-443, s. 11A.118(a); 1999-334, s. 1.8; 2007-444, s. 5(b).)

§ 131D-27. Confidentiality.

The Department of Health and Human Services is authorized to inspect residents' records maintained at the facility when necessary to investigate any alleged violation of the declaration of the residents' rights. The Department of Health and Human Services shall maintain the confidentiality of all persons who register complaints with the Department of Health and Human Services and of all records inspected by the Department of Health and Human Services. (1981, c. 923, s. 1; 1997-443, s. 11A.118(a).)

§ 131D-28. Civil action.

Every resident shall have the right to institute a civil action for injunctive relief to enforce the provisions of this Article. The Department of Health and Human Services, a general guardian, or any person appointed ad litem pursuant to law, may institute an action pursuant to this section on behalf of the resident or residents. Any agency or person above named may enforce the rights of the resident specified in G.S. 131D-21 which the resident himself is unable to enforce. (1981, c. 923, s. 1; 1997-443, s. 11A.118(a).)

§ 131D-29. Revocation of license.

The Department of Health and Human Services shall have the authority to revoke a license issued under G.S. 131D-2.4 in any case where it finds that there has been a substantial failure to comply with the provisions of this Article.

Such revocation shall be effected by mailing to the licensee by registered or certified mail, or by personal service of, a notice setting forth the particular reasons for such action. Such revocation shall become effective 20 days after the mailing or service of the notice, unless the applicant or licensee, within such 20-day period, shall give written notice to the Department of Health and Human Services requesting a hearing, in which case the notice shall be deemed to be suspended. If a hearing has been requested, the licensee shall be given a prompt and fair hearing pursuant to the Administrative Procedure Act. At any time at or prior to the hearing, the Department of Health and Human Services may rescind the notice of revocation upon being satisfied that the reasons for the revocation have been or will be removed. (1981, c. 923, s. 1; 1997-443, s. 11A.118(a); 2009-462, s. 4(i).)

Effect of Amendments. — Session Laws 2009-462, s. 4(i), effective October 1, 2009, substituted "under G.S. 131D-2.4" for "pursuant to G.S. 131D-2" in the first paragraph.

§ 131D-30: Repealed by Session Laws 1987, c. 600, s. 1.

Cross References. — As to penalties, see G.S. 131D-34.

§ 131D-31. Adult care home community advisory committees.

(a) Statement of Purpose. — It is the intention of the General Assembly that community advisory committees work to maintain the intent of the Adult Care Home Residents' Bill of Rights within the licensed adult care homes in this State. It is the further intent of the General Assembly that the committees promote community involvement and cooperation with adult care homes to ensure quality care for the elderly and disabled adults.

(b) Establishment and Appointment of Committees. —

(1) A community advisory committee shall be established in each county that has at least one licensed adult care home, shall serve all the homes in the county, and shall work with each of these homes for the best interests of the residents. In a county that has one, two, or three adult care homes with 10 or more beds, the committee shall have five members.

(2) In a county with four or more adult care homes with 10 or more beds, the committee shall have one additional member for each adult care home with 10 or more beds in excess of three, and may have up to five additional members at the discretion of the county commissioners, not to exceed a maximum of 25 members. In each county with four or more adult care homes with 10 or more beds, the committee shall establish a subcommittee of no more than five members and no fewer than three members from the committee for each adult care home in the county. Each member must serve on at least one subcommittee.

(3) In counties with no adult care homes with 10 or more beds, the committee shall have five members. Regardless of how many members a particular community advisory committee is required to have, at least one member of each committee shall be a person involved in the area of mental retardation.

(4) The boards of county commissioners are encouraged to appoint the Adult Care Home Community Advisory Committees. Of the members, a minority (not less than one-third, but as close to one-third as possible) shall be chosen from among persons nominated by a majority of the chief administrators of adult care homes in the county. If the adult care home administrators fail to make a nomination within 45 days after written notification has been sent to them requesting a nomination, these appointments may be made without nominations. If the county commissioners fail to appoint members to a committee by July 1, 1983, the appointments shall be made by the Assistant Secretary for Aging, Department of Health and Human Services, no sooner than 45 days after nominations have been requested from the adult care home administrators, but no later than October 1, 1983. In making appointments, the Assistant Secretary for Aging shall follow the same appointment process as that specified for the County Commissioners.

(c) Joint Nursing and Adult Care Home Community Advisory Committees. — Appointment to the Nursing Home Community Advisory Committees shall preclude appointment to the Adult Care Home Community Advisory Committees except where written approval to combine these committees is obtained from the Assistant Secretary for Aging, Department of Health and Human Services. Where this approval is obtained, the Joint Nursing and Adult Care Home Community Advisory Committee shall have the membership required of Nursing Home Community Advisory Committees and one additional member for each adult care home with 10 or more beds licensed in the county. In counties with no adult care homes with 10 or more beds, there shall be one additional member for every four other types of adult care homes in the county. In no case shall the number of members on the Joint Nursing and Adult Care Home Community Advisory Committee exceed 25. Each member shall exercise the statutory rights and responsibilities of both Nursing Home Committees and Adult Care Home Committees. In making appointments to this joint committee, the county commissioners shall solicit nominations from both nursing and adult care home administrators for the appointment of approximately (but no more than) one-third of the members.

(d) Terms of Office. — Each committee member shall serve an initial term of one year. Any person reappointed to a second or subsequent term in the same county shall serve a two- or three-year term at the county commissioners' discretion to ensure staggered terms of office.

(e) Vacancies. — Any vacancy shall be filled by appointment of a person for a one-year term. If this vacancy is in a position filled by an appointee nominated by the chief administrators of adult care homes within the county, then the county commissioners shall fill the vacancy from persons nominated by a majority of the chief administrators. If the adult care home administrators fail to make a nomination by registered mail within 45 days after written notification has been sent to them requesting a nomination, this appointment may be made without nominations. If the county commissioners fail to fill a vacancy, the vacancy may be filled by the Assistant Secretary for Aging, Department of Health and Human Services no sooner than 45 days after the commissioners have been notified of the appointment or vacancy.

(f) Officers. — The committee shall elect from its members a chair, to serve a one-year term.

(g) Minimum Qualifications for Appointment. — Each member must be a resident of the county which the committee serves. No person or immediate family member of a person with a financial interest in a home served by the committee, or employee or governing board member of a home served by the committee, or immediate family member of a resident in a home served by the committee may be a member of that committee. Any county commissioner who is appointed to the committee shall be deemed to be serving on the committee in an ex officio capacity. Members of the committee shall serve without compensation, but may be reimbursed for actual expenses incurred by them in the performance of their duties. The names of the committee members and the date of expiration of their terms shall be filed with the Division of Aging, Department of Health and Human Services.

(h) Training. — The Division of Aging, Department of Health and Human Services, shall develop training materials, which shall be distributed to each committee member. Each committee member must receive training as specified by the Division of Aging prior to exercising any power under G.S. 131D-32. The Division of Aging, Department of Health and Human Services, shall provide the committees with information, guidelines, training, and consultation to direct them in the performance of their duties.

(i) Any written communication made by a member of adult care home advisory committee within the course and scope of the member's duties, as specified in G.S. 131D-32, shall be privileged to the extent provided in this subsection. This privilege shall be a defense in a cause of action for libel if the member was acting in good faith and the statements and communications do not amount to intentional wrongdoing.

To the extent that any adult care home advisory committee or any member is covered by liability insurance, that committee or member shall be deemed to have waived the qualified immunity herein to the extent of indemnification by insurance. (1981, c. 923, s. 1; 1983, c. 88, s. 1; 1987, c. 682, s. 2; 1995, c. 535, s. 14; 1997-176, s. 2; 1997-443, s. 11A.118(a).)

§ 131D-32. Functions of adult care home community advisory committees.

(a) The committee shall serve as the nucleus for increased community involvement with adult care homes and their residents.

(b) The committee shall promote community education and awareness of the needs of aging and disabled persons who reside in adult care homes, and shall work towards keeping the public informed about aspects of long-term care and the operation of adult care homes in North Carolina.

(c) The committee shall develop and recruit volunteer resources to enhance the quality of life for adult care home residents.

(d) The committee shall establish linkages with the adult care home administrators and the county department of social services for the purpose of maintaining the intent of the Adult Care Home Residents' Bill of Rights.

(e) Each committee shall apprise itself of the general conditions under which the persons are residing in the homes, and shall work for the best interests of the persons in the homes. This may include assisting persons who have grievances with the home and facilitating the resolution of grievances at the local level. The identity of any complainant or resident involved in a complaint shall not be disclosed except as permitted under the Older Americans Act of 1965, as amended, 42 U.S.C. § 3001 et seq. The committee shall notify the enforcement agency of all verified violations of the Adult Care Home Residents' Bill of Rights.

(f) The committee or subcommittee may communicate through the committee chair with the Department of Health and Human Services, the county department of social services, or any other agency in relation to the interest of any resident.

(g) Each committee shall quarterly visit the adult care homes with 10 or more beds it serves. For each official quarterly visit, a majority of the committee members shall be present. A minimum of three members of the committee shall make at least one visit annually to each other type of adult care home licensed in the county. In addition, each committee may visit the adult care homes it serves whenever it deems it necessary to carry out its duties. In counties with subcommittees, the subcommittee assigned to a home shall perform the duties of the committee under this subsection, and a majority of the subcommittee members must be present for any visit. When visits are made to group homes for developmentally disabled adults, rules concerning confidentiality as adopted by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services shall apply.

(h) The individual members of the committee shall have the right between 10:00 a.m. and 8:00 p.m. to enter the facility the committee serves in order to carry out the members' responsibilities. In a county where subcommittees have been established, this right of access shall be limited to members of the subcommittee which serves that home. A majority of the committee or subcommittee members shall be present to enter the facility at other hours. Before entering any adult care home, the committee or members of the committee shall identify themselves to the person present at the facility who is in charge of the facility at that time.

(i) The committee shall prepare reports as required by the Department of Health and Human Services containing an appraisal of the problems of adult care homes facilities as well as issues affecting long-term care in general. Copies of the report shall be sent to the board of county commissioners, county department of social services and the Division of Aging.

(j) Nothing contained in this section shall be construed to require the expenditure of any county funds to carry out the provisions in this section. (1981, c. 923, s. 1; 1983, c. 88, s. 2; 1991, c. 636, s. 19(b); 1995, c. 254, s. 6; c. 535, s. 15; 1997-443, s. 11A.118(a).)

§ 131D-33: Repealed by Session Laws 1983, c. 824, s. 19.

§ 131D-34. Penalties; remedies.

(a) Violations Classified. — The Department of Health and Human Services shall impose an administrative penalty in accordance with provisions of this Article on any facility which is found to be in violation of requirements of G.S. 131D-21 or applicable State and federal laws and regulations. Citations issued for violations shall be classified according to the nature of the violation as follows:

(1) "Type A Violation" means a violation by a facility of the regulations, standards, and requirements set forth in G.S. 131D-21 or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in death or serious physical harm, or results in substantial risk that death or serious physical harm will occur. Type A Violations shall be abated or eliminated immediately. The Department shall require an immediate plan of correction for each Type A Violation. The person making the findings shall do the following:

a. Orally and immediately inform the administrator of the facility of the specific findings and what must be done to correct them, and set a date by which the violation must be corrected;

b. Within 10 working days of the investigation, confirm in writing to the administrator the information provided orally under sub-subdivision a. of this subdivision; and

c. Provide a copy of the written confirmation required under sub-subdivision b. of this subdivision to the Department.

The Department shall impose a civil penalty in an amount not less than five hundred dollars ($500.00) nor more than ten thousand dollars ($10,000) for each Type A Violation in homes licensed for six or fewer beds. The Department shall impose a civil penalty in an amount not less than one thousand dollars ($1,000) nor more than twenty thousand dollars ($20,000) for each Type A Violation in facilities licensed for seven or more beds.

(2) "Type B Violation" means a violation by a facility of the regulations, standards and requirements set forth in G.S. 131D-21 or applicable State or federal laws and regulations governing the licensure or certification of a facility which present a direct relationship to the health, safety, or welfare of any resident, but which does not result in substantial risk that death or serious physical harm will occur. The Department shall require a plan of correction for each Type B Violation and may require the facility to establish a specific plan of correction within a reasonable time period to address the violation. The required plan cannot exceed requirements imposed by existing rule or law.

(b) Penalties for failure to correct violations within time specified.

(1) Where a facility has failed to correct a Type A Violation, the Department shall assess the facility a civil penalty in the amount of up to one thousand dollars ($1,000) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative. The Department or its authorized representative shall ensure that the violation has been corrected.

(2) Where a facility has failed to correct a Type B Violation within the time specified for correction by the Department or its authorized representative, the Department shall assess the facility a civil penalty in the

amount of up to four hundred dollars ($400.00) for each day that the deficiency continues beyond the date specified for correction without just reason for such failure. The Department or its authorized representative shall ensure that the violation has been corrected.

(3) The Department shall impose a civil penalty which is treble the amount assessed under subdivision (1) of subsection (a) when a facility under the same management, ownership, or control has received a citation and paid a penalty for violating the same specific provision of a statute or regulation for which it received a citation during the previous 12 months. The counting of the 12-month period shall be tolled during any time when the facility is being operated by a court-appointed temporary manager pursuant to Article 4 of this Chapter.

(c) Factors to be considered in determining amount of initial penalty. In determining the amount of the initial penalty to be imposed under this section, the Department shall consider the following factors:

(1) The gravity of the violation, including the fact that death or serious physical harm to a resident has resulted; the severity of the actual or potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(1a) The gravity of the violation, including the probability that death or serious physical harm to a resident will result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(1b) The gravity of the violation, including the probability that death or serious physical harm to a resident may result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(2) The reasonable diligence exercised by the licensee to comply with G.S. 131E-256 and G.S. 131E-265 and other applicable State and federal laws and regulations;

(2a) Efforts by the licensee to correct violations;

(3) The number and type of previous violations committed by the licensee within the past 36 months;

(4) The amount of assessment necessary to insure immediate and continued compliance; and

(5) The number of patients put at risk by the violation.

(c1) The facts found to support the factors in subsection (c) of this section shall be the basis in determining the amount of the penalty. The Secretary shall document the findings in written record and shall make the written record available to all affected parties including:

(1) The penalty review committee;

(2) The local department of social services who is responsible for oversight of the facility involved;

(3) The licensee involved;

(4) The residents affected; and

(5) The family members or guardians of the residents affected.

(c2) Local county departments of social services and Division of Health Service Regulation personnel shall submit proposed penalty recommendations to the Department within 45 days of the citation of a violation.

(d) The Department shall impose a civil penalty on any facility which refuses to allow an authorized representative of the Department to inspect the premises and records of the facility.

(d1) The Department shall impose a civil penalty on any applicant for licensure who provides false information or omits information on the portion of the licensure application requesting information on owners, administrators, principals, or affiliates of the facility. The amount of the penalty shall be as is prescribed for a Type A Violation.

(e) Any facility wishing to contest a penalty shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department mails a notice of penalty to a licensee. At least the following specific issues shall be addressed at the administrative hearing:

(1) The reasonableness of the amount of any civil penalty assessed, and
(2) The degree to which each factor has been evaluated pursuant to subsection (c) of this section to be considered in determining the amount of an initial penalty.

If a civil penalty is found to be unreasonable or if the evaluation of each factor is found to be incomplete, the hearing officer may recommend that the penalty be adjusted accordingly.

(f) Notwithstanding the notice requirements of G.S. 131D-26(b), any penalty imposed by the Department of Health and Human Services under this section shall commence on the day the violation began.

(g) The Secretary may bring a civil action in the superior court of the county wherein the violation occurred to recover the amount of the administrative penalty whenever a facility:

(1) Which has not requested an administrative hearing fails to pay the penalty within 60 days after being notified of the penalty, or
(2) Which has requested an administrative hearing fails to pay the penalty within 60 days after receipt of a written copy of the decision as provided in G.S. 150B-36.

(g1) In lieu of assessing an administrative penalty, the Secretary may order a facility to provide staff training if:

(1) The cost of training does not exceed one thousand dollars ($1,000);
(2) The penalty would be for the facility's only violation within a 12-month period preceding the current violation and while the facility is under the same management; and
(3) The training is:
    a. Specific to the violation;
    b. Approved by the Department of Health and Human Services; and
    c. Taught by someone approved by the Department and other than the provider.

(h) The Secretary shall establish a penalty review committee within the Department, which shall meet as often as needed, but no less frequently than once each quarter of the year, to review administrative penalties assessed pursuant to this section and pursuant to G.S. 131E-129 as follows:

(1) The Secretary shall administer the work of the Committee and provide public notice of its meetings via Web site, and provide direct notice to the following parties involved in the penalties the Committee will be reviewing:
    a. The licensed provider, who upon receipt of the notice, shall post the notice of the scheduled Penalty Review Committee meeting in a conspicuous place available to residents, family members, and the public;
    b. The local department of social services that is responsible for oversight of the facility involved;
    c. The residents affected; and
    d. Those individuals lawfully designated by the affected resident to make health care decisions for the resident.
(2) The Secretary shall ensure that the Nursing Home/Adult Care Home Penalty Review Committee established by this subsection is com-

prised of nine members. At least one member shall be appointed from each of the following categories:

a. A licensed pharmacist;
b. A registered nurse experienced in long term care;
c. A representative of a nursing home;
d. A representative of an adult care home; and
e. Two public members. One shall be a "near" relative of a nursing home patient, chosen from a list prepared by the Office of State Long Term Care Ombudsman, Division of Aging, Department of Health and Human Services. One shall be a "near" relative of a rest home patient, chosen from a list prepared by the Office of State Long Term Care Ombudsman, Division of Aging, Department of Health and Human Services. For purposes of this subdivision, a "near" relative is a spouse, sibling, parent, child, grandparent, or grandchild.

(3) Neither the pharmacist, nurse, nor public members appointed under this subsection nor any member of their immediate families shall be employed by or own any interest in a nursing home or adult care home.

(4) Repealed by Session Laws 2005-276, s. 10.40A(l), effective July 1, 2005.

(4a) Repealed by Session Laws 2007-544, s. 1, effective October 1, 2007.

(4b) Prior to serving on the Committee, each member shall complete a training program provided by the Department of Health and Human Services that covers standards of care and applicable State and federal laws and regulations governing facilities licensed under Chapter 131D and Chapter 131E of the General Statutes.

(5) Each member of the Committee shall serve a term of two years. The initial terms of the members shall commence on August 3, 1989. The Secretary shall fill all vacancies. Unexcused absences from three consecutive meetings constitute resignation from the Committee.

(6) The Committee shall be cochaired by:

a. One member of the Department outside of the Division of Health Service Regulation; and
b. One member who is not affiliated with the Department.

(i) The clear proceeds of civil penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1987, c. 600, s. 3; 1989, c. 556, s. 1; 1991, c. 66, s. 1; c. 572, s. 3; 1993, c. 390, s. 4; 1993 (Reg. Sess., 1994), c. 698, s. 1; 1995, c. 535, s. 16; 1995 (Reg. Sess., 1996), c. 602, s. 1; 1997-431, s. 1; 1997-443, s. 11A.118(a); 1998-215, s. 78(a); 2005-276, s. 10.40A(*l*); 2007-182, ss. 1, 1.1; 2007-544, s. 1.)

Legal Periodicals. — For a survey of 1996 developments in constitutional law, see 75 N.C.L. Rev. 2252 (1997).

§ 131D-34.1. Report of death of resident.

(a) An adult care home shall notify the Department of Health and Human Services immediately upon the death of any resident that occurs in the adult care home or that occurs within 24 hours of the resident's transfer to a hospital if the death occurred within seven days of the adult care home's use of physical restraint or physical hold of the resident, and shall notify the Department of Health and Human Services within three days of the death of any resident of the adult care home resulting from violence, accident, suicide, or homicide. The Department may assess a civil penalty of not less than five hundred dollars ($500.00) and not more than one thousand dollars ($1,000) against a facility that fails to notify the Department of a death and the circumstances surrounding the death known to the facility. Chapter 150B of the General Statutes governs the assessment of a penalty under this section. A civil penalty owed under this section may be recovered in a civil action brought by the Department or the Attorney General. The clear proceeds of the penalty shall be remitted to the State Treasurer for deposit in accordance with State law.

(b) Upon receipt of notification from an adult care home in accordance with subsection (a) of this section, the Department of Health and Human Services shall notify the State protection and advocacy agency designated under the Developmental Disabilities Assistance and Bill of Rights Act 2000, P.L. 106-402, that a person with a disability has died. The Department shall provide the agency access to the information about each death reported pursuant to subsection (a) of this section, including information resulting from any investigation of the death by the Department and from reports received from the Chief Medical Examiner pursuant to G.S. 130A-385. The agency shall use the information in accordance with its powers and duties under applicable State and federal law and regulations.

(c) If the death of a resident of the adult care home occurs within seven days of the adult care home's use of physical restraint or physical hold, the Department shall initiate immediately an investigation of the death.

(d) Nothing in this section abrogates State or federal law or requirements pertaining to the confidentiality, privilege, or other prohibition against disclosure of information provided to the Department or the agency. In carrying out the requirements of this section, the Department and the agency shall adhere to State and federal requirements of confidentiality, privilege, and other prohibitions against disclosure and release applicable to the information received under this section. A facility or provider that makes available confidential information in accordance with this section and with State and federal law is not liable for the release of the information.

(e) The Secretary shall establish a standard reporting format for reporting deaths pursuant to this section and shall provide to facilities subject to this section a form for the facility's use in complying with this section. (2000-129, s. 6(a); 2007-323, ss. 19.1(i), 19.1(j).)

Editor's Note. — Session Laws 2007-323, s. 19.1(b), provides: "Pursuant to the Developmental Disabilities Assistance and Bill of Rights Act, the Governor shall redesignate the operation and function of the Governor's Advocacy Council for Persons with Disabilities from the Department of Administration to a nongovernmental entity. The Governor shall follow the federal statutory procedure for redesignation found at 45 C.F.R. § 1386.20, with a target transfer date of July 1, 2007."

Session Laws 2007-323, s. 19.1(*l*), provides: "This section is effective on the effective date of the redesignation and transfer of the operation and function of the Governor's Advocacy Council for Persons with Disabilities from the Department of Administration to a nongovernmental entity under the Developmental Disabilities Assistance and Bill of Rights Act 2000, P.L. 106-402. Any funds appropriated to the Governor's Advocacy Council for Persons with Disabilities revert to the General Fund on that date." The redesignation and transfer were effective July 1, 2007.

Session Laws 2007-323, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2007'."

Session Laws 2007-323, s. 32.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2007-2009 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2007-2009 fiscal biennium."

Session Laws 2007-323, s. 32.5 is a severability clause.

ARTICLE 4.

Temporary Management of Adult Care Homes.

§ 131D-35. Temporary management of adult care homes.

The provisions of Article 13 of Chapter 131E are incorporated by reference in this Article. (1993, c. 390, s. 3; 1995, c. 535, s. 18.)

Editor's Note. — Article 13 of Chapter 131E, referred to above, can be found at G.S. 131E-230 et seq.

Session Laws 2005-276, s. 10.40A(p), effective July 1, 2005, as amended by Session Laws 2006-66, s. 10.1, provides: "The Department's Division of Aging and Adult Services shall develop a Quality Improvement Consultation Program for Adult Care Homes. The purpose of the Program is to promote better care and improve quality of life in a safe environment for residents in adult care homes through consultation and assistance with adult care home providers. The county departments of social services shall be responsible for implementation of the Program with all adult care homes located in the respective county, based on a timetable for statewide implementation.

"The Division of Aging and Adult Services shall consult with adult care home providers, county departments of social services, consumer advocates, and other interested stakeholders and parties in the development of the Quality Improvement Consultation Program for Adult Care Homes.

"The Department shall submit a progress report to the North Carolina Study Commission on Aging and to the Senate Appropriations Committee on Health and Human Services and to the House of Representatives Subcommittee on Health and Human Services on or before January 1, 2007.

"The report will address the following topics:

"(1) Principles and philosophies that are resident-centered and promote independence, dignity, and choice for residents;

"(2) Approaches to develop continuous quality improvement with a focus on resident satisfaction and optimal outcomes;

"(3) Dissemination of best practice models that have been used successfully elsewhere;

"(4) A determination of the availability of standardized instruments, and their use to the extent possible, to assess and measure adult care home performance according to quality of life indicators;

"(5) Utilization of quality improvement plans for adult care homes that identify and resolve issues that adversely affect quality of care and services to residents. The plans include agreed upon time frames for completion of improvements and identification of needed resources;

"(6) Training required to equip county departments of social services' staff to implement the Program;

"(7) A distinction of roles between the regulatory role of the Department's Division of Facility Services [now the Division of Health Service Regulation] and the quality improvement consultation and monitoring responsibilities of the county departments of social services; and

"(8) Identification of staffing and other resources needed to implement the Program.

"The Division of Aging and Adult Services shall conduct a pilot of the Quality Improvement Consultation Program for Adult Care Homes. No more than four county departments of social services shall participate in the pilot. The Division of Aging and Adult Services shall consider geographic balance and size in carrying out the pilot. At the conclusion of the pilot, the Division of Aging and Adult Services shall make recommendations regarding the effectiveness of the Quality Improvement Consultation Program for Adult Care Homes. If the Division recommends expansion of the pilot to other counties or statewide implementation of the Program, its report shall include the cost and a proposed timetable for implementing these recommendations, including the identification of any necessary statutory and administrative rule changes. The recommendations shall be made to the Secretary of the Department of Health and Human Services, the North Carolina Study Commission on Aging, the Senate Appropriations Committee on Health and Human Services, and the House of Representatives Subcommittee on Health and Human Services."

Session Laws 2005-276, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2005'."

Session Laws 2005-276, s. 46.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2005-2007 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2005-2007 fiscal biennium."

Session Laws 2005-276, s. 46.5 is a severability clause.

Session Laws 2006-66, s. 1.2, provides: "This act shall be known as 'The Current Operations and Capital Improvements Appropriations Act of 2006'."

Session Laws 2006-66, s. 28.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2006-2007 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2006-2007 fiscal year."

Session Laws 2006-66, s. 28.6 is a severability clause.

§§ 131D-36 through 131D-39: Reserved for future codification purposes.

ARTICLE 5.

Miscellaneous Provisions.

§ 131D-40. Criminal history record checks required for certain applicants for employment.

(a) Requirement; Adult Care Home. — An offer of employment by an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, an adult care home shall submit a request to the Department of Justice under G.S. 114-19.10 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. Notwithstanding G.S. 114-19.10, the Department of Justice shall return the results of national criminal history record checks for employment positions not covered by Public Law 105-277 to the Department of Health and Human Services, Criminal Records Check Unit. Within five business days of receipt of the national criminal history of the person, the Department of Health and Human Services, Criminal Records Check Unit, shall notify the adult care home as to whether the information received may affect the employability of the applicant. In no case shall the results of the national criminal history record check be shared with the adult care home. Adult care homes shall make available upon request verification that a criminal history check has been completed on any staff covered by this section. All criminal history information received by the home is confidential and may not be disclosed, except to the applicant as provided in subsection (b) of this section.

(a1) Requirement; Contract Agency of Adult Care Home. — An offer of employment by a contract agency of an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned upon consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A contract agency of an adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, a contract agency of an adult care home shall submit a request to the Department of Justice under G.S. 114-19.10 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. Notwithstanding G.S. 114-19.10, the Department of Justice shall return the results of national criminal history record checks for employment positions not covered by Public Law 105-277 to the Department of Health and Human Services, Criminal Records Check Unit. Within five business days of receipt of the national criminal history of the person, the Department of Health and Human Services, Criminal Records Check Unit, shall notify the contract agency of the adult care home as to whether the information received may affect the employability of the applicant. In no case shall the results of the national criminal history record check be shared with the contract agency of the adult care home. Contract agencies of adult care homes shall make available upon request verification that a criminal history check has been completed on any staff covered by this section. All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section.

(b) Action. — If an applicant's criminal history record check reveals one or more convictions of a relevant offense, the adult care home or a contract agency of the adult care home shall consider all of the following factors in determining whether to hire the applicant:

(1) The level and seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.
(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
(7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the adult care home or the contract agency of the adult care home. If the adult care home or a contract agency of the adult care home disqualifies an applicant after consideration of the relevant factors, then the adult care home or the contract agency may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

(c) Limited Immunity. — An adult care home and an officer or employee of an adult care home that, in good faith, complies with this section is not liable for the failure of the home to employ an individual on the basis of information provided in the criminal history record check of the individual.

(d) Relevant Offense. — As used in this section, "relevant offense" means a county, state, or federal criminal history of conviction or pending indictment of a crime, whether a misdemeanor or felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of aged or disabled persons. These crimes include the criminal offenses set forth in any of the following Articles of Chapter 14 of the General Statutes: Article 5, Counterfeiting and Issuing Monetary Substitutes; Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Other Sex Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretenses and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 19B, Financial Transaction Card Crime Act; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; Article 40, Protection of the Family; Article 59, Public Intoxication; and Article 60, Computer-Related Crime. These crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5.

(e) Penalty for Furnishing False Information. — Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(f) Conditional Employment. — An adult care home may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The adult care home shall not employ an applicant prior to obtaining the applicant's consent for a criminal history record check as required in subsection (a) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The adult care home shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment.

(g) Immunity From Liability. — An entity and officers and employees of an entity shall be immune from civil liability for failure to check an employee's history of criminal offenses if the employee's criminal history record check is requested and received in compliance with this section.

(h) For purposes of this section, the term "private entity" means a business regularly engaged in conducting criminal history record checks utilizing public records obtained from a State agency. (1995 (Reg. Sess., 1996), c. 606, s. 2; 1997-125, s. 1; 2000-154, ss. 2.(a), (b); 2004-124, ss. 10.19D(b), (g); 2005-4, ss. 6, 7; 2007-444, s. 3.1.)

Editor's Note. — Session Laws 2001-465, s. 2(a), effective November 16, 2001, provides: "The requirements of G.S. 131E-265(a1) for contract agencies of nursing homes and home care agencies, G.S. 131D-40 for adult care homes and contract agencies of adult care homes, and of G.S. 122C-80 for area mental health, developmental disabilities, and substance abuse services authorities, to conduct national criminal history record checks are suspended until January 1, 2003."

§§ 131D-41 through 131D-42: Repealed by Session Laws 2009-462, s. 2, effective October 1, 2009.

ARTICLE 1.

General Provisions.

§ 131E-1. Definitions.

As used in this Chapter, unless the context clearly indicates otherwise:

(1) "Department" means the Department of Health and Human Services.

(2) "Person" means an individual, trust, estate, partnership, or corporation including associations, joint-stock companies, and insurance companies. (1983, c. 775, s. 1; 1997-443, s. 11A.118(a).)

Cross References. — As to criminal provisions for patient abuse and neglect, see G.S. 14-32.2.

Editor's Note. — Session Laws 1983, c. 775, repealed Chapters 131 and 131B and certain sections of Chapter 130, and enacted in their place a new Chapter 131E. Where appropriate, the historical citations to the repealed sections have been added to corresponding sections in new Chapter 131E.

CASE NOTES

Headings Irrelevant to Determine State Action in Context of Private Hospital. — The label given Article 2 of this Chapter is irrelevant in determining whether a private, nonprofit hospital's suspension and revocation of staff privileges constitutes State action. Weston v. Carolina Medicorp, Inc., 102 N.C. App. 370, 402 S.E.2d 653 (1991).

OPINIONS OF ATTORNEY GENERAL

The General Assembly did not give any hospital authority the privilege of continuing to operate under the provisions of Chapter 131 after that chapter's repeal. See opinion of Attorney General to Roger Lee Edwards, Attorney and Counselor at Law, N.C. General Assembly, 1999 N.C.A.G. 13 (5/24/99).

Cited in Sandcrest Outpatient Servs. v. Cumberland County Hosp. Sys., 853 F.2d 1139 (4th Cir. 1988).

§ 131E-2. Contested case hearing petition time limit.

Except as otherwise provided in this Chapter, a petition for a contested case that is authorized by this Chapter shall be filed in the Office of Administrative Hearings within 30 days after the Department mails written notice of an agency decision to the person filing the petition. This section shall not be construed to create any right to file a petition for a contested case that is not otherwise granted in this Chapter. (1991, c. 143, s. 1; c. 761, s. 23.)

§§ 131E-3, 131E-4: Reserved for future codification purposes.

ARTICLE 2.

Public Hospitals.

Part 1. Municipal Hospitals.

§ 131E-5. Title and purpose.

(a) This Part shall be known and may be cited as the "Municipal Hospital Act."

(b) The purpose of this Part is to authorize municipalities to construct, operate and maintain hospitals and other facilities which furnish hospital, clinical and similar services to the people of this State. It is also the purpose of this Part to authorize municipalities to cooperate with other public and private agencies and with each other. Additionally, it is the purpose of this Part to authorize municipalities to accept assistance from State and federal agencies and from other sources.

(c) This Part provides an additional and alternative method for municipalities to establish facilities that furnish hospital, clinical and similar services. This Part shall not be regarded as repealing any powers now existing under any other law, either general, special or local.

(d) This Part shall be construed liberally to effect its purposes. (1983, c. 775, s. 1.)

Advisory Commission on Hospital Infection Control and Disclosure. — Session Laws 2007-480, provides in its preamble: "Whereas, the Centers for Disease Control and Prevention (CDC) reports that approximately 2,000,000 people annually become ill from hospital-acquired infections, called nosocomial infections, and about 90,000 people die each year from hospital-acquired infections; and

"Whereas, the CDC reports that hospital-acquired infections add at least $5,000,000,000 annually to the nation's health care bill; and

"Whereas, a Pennsylvania report on hospital-acquired infections found that 76% of the cost for treating infections in that state was billed to public health insurance; and

"Whereas, the CDC reports that despite the risks associated with nosocomial infections, information on nosocomial infection rates is hard to obtain, even though basic data is compiled as hospitals monitor infections, particularly in intensive care units and following surgery; and

"Whereas, the CDC estimates, based on voluntary reporting, that hospital-acquired infections have become America's leading cause of death from infectious disease; and

"Whereas, it is the intent of the General Assembly to enact a law requiring public disclosure of hospital-acquired infection incidence rates to become effective in 2010; Now, therefore, The General Assembly of North Carolina enacts:"

Session Laws 2007-480, s. 1, provides: "(a) There is established the Advisory Commission on Hospital Infection Control and Disclosure (Advisory Commission). The purpose of the Advisory Commission is to prepare State agencies, hospitals, and the public for the reporting and public disclosure of hospital-acquired infection incidence rates as may be required by law for specific clinical procedures under the following categories:

"(1) Class I surgical site infections.

"(2) Ventilator-associated pneumonia.

"(3) Central line-related bloodstream infections.

"(b) The Advisory Commission shall consist of 13 members appointed as follows:

"(1) Four shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives, as follows:

"a. One member who is a hospital infection control professional, as recommended by the North Carolina Hospital Association;

"b. One physician who is a member of the Society for Health Care Epidemiology, as recommended by the Society for Health Care Epidemiology;

"c. The Director of the Statewide Program for Infection Control and Epidemiology at the School of Medicine of the University of North Carolina at Chapel Hill; and

"d. One who is a member of the general public but who is neither a health care professional nor affiliated with a health care facility.

"(2) Four shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate, as follows:

"a. One physician who is a member of the Society for Health Care Epidemiology, as recommended by the Society for Health Care Epidemiology;

"b. One member who is a hospital infection control professional, as recommended by the North Carolina Hospital Association;

"c. The Director of the Duke Inspection Control Network, or the Director's designee; and

"d. One who is a member of the general public but who is neither a health care professional nor affiliated with a health care facility.

"(3) Five shall be appointed by the Governor, as follows:

"a. A representative of the North Carolina Institute of Medicine, as recommended by the North Carolina Institute of Medicine;

"b. The Director of the NC Center for Hospital Quality and Patient Safety;

"c. The Director of the Consumer Protection Division of the Office of the NC Attorney General;

"d. The State Health Director; and

"e. The State Epidemiologist.

"The Governor shall appoint the Chair of the Advisory Committee.

"(c) Subject to the approval of the Legislative Services Commission, the Advisory Commission may meet in the State Legislative Building or the Legislative Office Building. The Legislative Services Commission, through the Legislative Services Officer, shall assign professional staff to assist in the work of the Advisory Commission. The Directors of Legislative Assistants for the House of Representatives and the Senate shall assign clerical staff to the Advisory Commission, and the expenses relating to the clerical employees shall be borne by the Advisory Commission. The Advisory Commission, while in the discharge of its official duties, may exercise all the powers provided under G.S. 120-19 and G.S. 120-19.1 through G.S. 120-19.4. The Commission may meet during a regular or extra session of the General Assembly, subject to the approval of the President Pro Tempore of the Senate and the Speaker of the House of Representatives. Members of the Commission shall receive per diem, subsistence, and travel allowances in accordance with G.S. 138-5 or G.S. 138-6, as applicable.

Session Laws 2007-480, s. 2, provides: "(a) The Advisory Commission shall be meaningfully involved in the development of all aspects of the methodology used for collecting, analyzing, and disclosing publicly the information on hospital-acquired infection incidence rates, including collection methods, formatting, and methods and means for release and dissemination.

"(b) The Advisory Commission shall develop a process to ensure that information and data on hospital-acquired infection incidence rates available for dissemination to the general public shall not be made available in any form unless the information and data have been reviewed, adjusted, and validated according to the following process:

"(1) The entire methodology for collecting and analyzing the data shall be disclosed to all relevant organizations and to all hospitals and ambulatory surgical facilities that are the subject of any information to be made available to the public before any public disclosure of the information or data.

"(2) Data collection and analytical methodologies shall be used that meet accepted standards of validity and reliability before any information is made available to the public.

"(3) Comparisons among hospitals and freestanding ambulatory surgical facilities shall adjust for patient case mix and other relevant risk factors and control for provider peer groups, when appropriate.

"(4) The limitations of the data sources and analytical methodologies used to develop comparative hospital and freestanding ambulatory surgical facility information shall be clearly identified and acknowledged, including the appropriate and inappropriate uses of the data.

"(5) To the greatest extent possible, comparative hospital and freestanding ambulatory surgical facility information initiatives shall use standard-based norms derived from widely accepted provider-developed practice guidelines.

"(6) Comparative hospital and freestanding ambulatory surgical facility information and other information that the statewide data processor or Department has compiled regarding the hospital or freestanding ambulatory surgical facility shall be shared with the hospital or freestanding ambulatory surgical facility under review prior to public dissemination of the information, and the hospital or freestanding ambulatory surgical facility shall have 30 days to make corrections and to add helpful explanatory comments about the information before the publication.

"(7) Safeguards shall be implemented to:

"a. Protect against the unauthorized use or disclosure of hospital and freestanding ambulatory surgical facility information; and

"b. Protect against the dissemination of inconsistent, incomplete, invalid, inaccurate, or subjective hospital or freestanding ambulatory surgical facility data.

"(8) A process to ensure the quality and accuracy of information reported by a hospital or freestanding ambulatory surgical facility under this section and its data collection, analysis, and dissemination methodologies are evaluated regularly.

"(9) A process to ensure that only the most basic identifying information from submitted reports are used, and except as otherwise authorized by Article 11A of Chapter 131E of the General Statutes, information identifying a patient, employee, or licensed professional shall not be released.

"(c) The Advisory Commission shall establish standardized criteria and methods for data submitted to the statewide data processor under G.S. 131E-214.2.

Session Laws 2007-480, s. 3, provides: "(a) The Advisory Commission shall submit an interim report on its activities to the General Assembly on or before May 1, 2008. The Advisory Commission shall submit its final report to the 2009 General Assembly upon its convening with recommendations and proposed legislation for requiring hospital-acquired infection incidence rates public disclosure. Upon submission of its final report, the Commission shall terminate.

"(b) It is the intent of the General Assembly to enact legislation before adjournment sine die of the 2009 General Assembly requiring hospitals to report and publicly disclose hospital-acquired infection incidence rates.

Session Laws 2007-480, s. 4, provides: "The Legislative Services Officer shall allocate funds appropriated to the General Assembly for this purpose to implement this act.

Session Laws 2007-480, s. 5, provides: "This act is effective when it becomes law."

Session Laws 2009-451, s. 10.28, provides: "The Department of Health and Human Services shall apply for federal funds that are available through the American Recovery and Reinvestment Act of 2009, P.L. 111-5, to implement a mandatory statewide hospital-acquired infections surveillance and reporting system, as recommended by the Joint Study Committee on Hospital Infection Control and Disclosure."

Editor's note. — Session Laws 1983, c. 775, which repealed former Chapter 131 of the General Statutes, in s. 3, provided: "Sec. 3. Notwithstanding the foregoing, any unit of government, or units of government acting jointly, that as of December 31, 1983, is operating a hospital or hospitals pursuant to Articles 2 or 2A of Chapter 131 of the General Statutes may continue to operate pursuant to the provisions of those Articles as they existed on December 31, 1983, to the extent that those Articles are inconsistent with this Chapter. However, a unit of government that has been operating a hospital pursuant to those Articles may choose to continue operations under the provisions of one of the Parts of Article 2 of this Chapter by adopting an appropriate resolution and by satisfying all other requirements of the relevant Part of Article 2 of this Chapter."

Session Laws 1989, c. 283, ss. 1 and 2, effective June 12, 1989, amended G.S. 131-7. Chapter 131 was repealed by Session Laws 1983, c. 775, s. 1, effective January 1, 1984. However, Session Laws 1983, c. 775, s. 3 contained a savings provision for certain units of government.

Session Laws 1989, c. 283, ss. 1 and 2, provided: "Section 1. G.S. 131-7, as it applies to hospitals continuing to operate under Article 2, Chapter 131, of the North Carolina General Statutes pursuant to Section 3, Chapter 775, of the 1983 Session Laws, is amended by rewriting the first sentence to read: 'Should a majority of the qualified voters upon the question be in favor of establishing such county, township, or town hospital, the governing body shall proceed at once to appoint seven trustees chosen from the citizens at large with reference to their fitness for such office, all residents of the county, township or town, who shall constitute a board of trustees for such public hospital."

"Sec. 2. G.S. 131-7 is amended by deleting the phrase 'No practicing physician may serve as a trustee,' and substituting 'One practicing physician may serve as a trustee.'"

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2009-2011 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2009-2011 fiscal biennium."

Session Laws 2009-451, s. 28.5 is a severability clause.

Legal Periodicals. — For article, "The Obligation of North Carolina Municipalities and Hospital Authorities to Provide Uncompensated Hospital Care to the Medically Indigent," see 20 Wake Forest L. Rev. 317 (1984).

CASE NOTES

As to the constitutionality of former statutory scheme delegating authority to board of county commissioners to assume the role of "governing body" for the purpose of implementing enabling legislation, including the levying of a tax to support a township hospital, see Arnold v. Varnum, 34 N.C. App. 22, 237 S.E.2d 272, appeal dismissed, 293 N.C. 740, 241 S.E.2d 513 (1977).

§ 131E-6. Definitions.

As used in this Part, unless otherwise specified:

(1) "City", as defined in G.S. 160A-1(2), means a municipal corporation organized under the laws of this State for the better government of the people within its jurisdiction and having the powers, duties, privileges, and immunities conferred by law on cities, towns, and villages. The term "city" does not include counties or municipal corporations organized for a special purpose under any statute or law. The word "city" is interchangeable with the words "town" and "village" and shall mean any city as defined in this subdivision without regard to the terminology employed in charters, local acts, other portions of the General Statutes, or local customary usage.

(2) "Community general hospital" means a short-term nonfederal hospital that provides diagnostic and therapeutic services to patients for a variety of medical conditions, both surgical and nonsurgical, such services being available for use primarily by residents of the community in which it is located.

(3) "Corporation, foreign or domestic, authorized to do business in North Carolina" means a corporation for profit or having a capital stock which is created and organized under Chapter 55 of the General Statutes or any other general or special act of this State, or a foreign corporation which has procured a certificate of authority to transact business in this State pursuant to Article 10 of Chapter 55 of the General Statutes.

(4) "Hospital facility" means any one or more buildings, structures, additions, extensions, improvements or other facilities, whether or not located on the same site or sites, machinery, equipment, furnishings or other real or personal property suitable for health care or medical care; and includes, without limitation, general hospitals; chronic disease, maternity, mental, tuberculosis and other specialized hospitals; nursing homes, including skilled nursing facilities and intermediate care facilities; adult care homes for the aged and disabled; public health center facilities; housing or quarters for local public health departments; facilities for intensive care and self-care; clinics and outpatient facilities; clinical, pathological and other laboratories; health care research facilities; laundries; residences and training facilities for nurses, interns, physicians and other staff members; food

preparation and food service facilities; administrative buildings, central service and other administrative facilities; communication, computer and other electronic facilities; fire-fighting facilities; pharmaceutical and recreational facilities; storage space; X ray, laser, radiotherapy and other apparatus and equipment; dispensaries; utilities; vehicular parking lots and garages; office facilities for hospital staff members and physicians; and such other health and hospital facilities customarily under the jurisdiction of or provided by hospitals, or any combination of the foregoing, with all necessary, convenient or related interests in land, machinery, apparatus, appliances, equipment, furnishings, appurtenances, site preparation, landscaping, and physical amenities.

(4a) "Hospital land" means air and ground rights to real property held either in fee or by lease by a municipality, with all easements, rights-of-way, appurtenances, landscaping, and physical amenities such as utilities, parking lots, and garages, but excluding other improvements to land described in subsection (4) of this section and G.S. 131E-16(15).

(5) "Municipality" means any county, city, or other political subdivision of this State, or any hospital district created under Part C of this Article.

(6) "Nonprofit association" or "nonprofit corporation" means any association or corporation from which no part of the net earnings inures or may lawfully inure to the benefit of a private shareholder or individual. (1983, c. 775, s. 1; 1997-233, s. 1.)

Editor's Note. — Subdivision (4.1) of this section was renumbered as subdivision (4a) pursuant to S.L. 1997-456, s. 27, which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

CASE NOTES

Cited in Hospital Corp. v. Iredell County, 120 N.C. App. 445, 462 S.E.2d 675 (1995); Wells v. Cumberland County Hosp. Sys., 150 N.C. App. 584, 564 S.E.2d 74, 2002 N.C. App. LEXIS 586 (2002).

§ 131E-7. General powers.

(a) A municipality shall have all the powers necessary or convenient to carry out the purposes of this Part, including the following powers, which are in addition to the powers granted elsewhere in this Part:

(1) To construct, equip, operate, and maintain hospital facilities;

(2) To levy property taxes pursuant to G.S. 153A-149 or G.S. 160A-209 and to allocate those and other revenues whose use is not otherwise restricted by law to fund hospital facilities; a hospital district may levy annually a tax on property having a situs in the district under the rules and according to the procedures prescribed in the Machinery Act, Chapter 105 of the General Statutes, Subchapter II, and a hospital district may allocate those and other revenues whose use is not otherwise restricted by law to fund hospital facilities;

(3) To issue bonds and notes pursuant to the Local Government Finance Act, Chapter 159 of the General Statutes, for the financing of hospital facilities;

(4) To use property owned or controlled by the municipality;

(5) To acquire real or personal property, including existing hospital facilities, by purchase, grant, gift, devise, lease, condemnation, or otherwise;

(6) To establish a fee schedule for services received from hospital facilities and to make services available regardless of ability to pay.

(b) A municipality or a public hospital may contract with or enter into any arrangement with other public hospitals or municipalities of this or other states, the State of North Carolina, federal, or public agencies, or with any person, private organization, or nonprofit corporation or association for the provision of health care. The municipality or public hospital may pay for or contribute its share of the cost of any such contract or arrangement from revenues available for these purposes, including revenues rising from the provision of health care.

(c) Any two or more municipalities may enter into agreements to jointly exercise the powers, privileges, and authorities granted by this Part. These agreements may provide for:

(1) The appointment of a board, composed of representatives of the parties to the agreement, to supervise and manage a hospital facility;
(2) The authority and duties of the board and the compensation of its members;
(3) The proportional share of the costs of acquisition, construction, improvement, maintenance, or operation of hospital facilities;
(4) The duration, amendment, and termination of the agreement and the disposition of property on termination of the agreement; and
(5) Any other matters as necessary.

(d) A municipality may lease any hospital facility, or part, to a nonprofit association on terms and conditions consistent with the purposes of this Part. The municipality will determine the length of the lease. No lease executed under this subsection shall be deemed to convey a freehold interest.

(e) Expired pursuant to Session Laws 1983, c. 775, s. 1.

(f) In addition to the general and special powers conferred by this Part, a municipality is authorized to exercise powers necessary to implement the powers under this Part. (1983, c. 775, s. 1; 1993, c. 529, s. 5.3; 1995, c. 509, s. 71.)

Editor's Note. — Session Laws 1999-377, s. 3, effective August 4, 1999, provides that all hospitals that continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes, have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

CASE NOTES

Cited in Coastal Neuro-Psychiatric Assocs. v. Onslow Mem. Hosp., 795 F.2d 340 (4th Cir. 1986).

OPINIONS OF ATTORNEY GENERAL

The proposal of a county hospital system to lend money to a separately licensed acute care hospital was authorized by law. See opinion of Attorney General to Granger R. Barrett, Cumberland County Attorney, and Wilson Hayman, Poyner & Spruill, L.L.P., 2002 N.C. AG LEXIS 14 (2/19/02).

§ 131E-7.1. Public hospitals' managed care development authorized.

A public hospital as defined in G.S. 159-39(a) may acquire an ownership interest, in whole or in part, in a nonprofit or for-profit managed care company, including a health maintenance organization, physician hospital organization, physician organization, management services organization, or preferred provider organization with which the public hospital is also directly or indirectly a contracting provider. Ownership interest may be evidenced by the ownership or acquired by the purchase of stock. This ownership or acquisition of stock is the exercise of a health care function and is not the investment of idle funds within the meaning of G.S. 159-30 and G.S.159-39(g). (1995 (Reg. Sess., 1996), c. 713, s. 1.)

Editor's Note. — Session Laws 1999-377, s. 3, effective August 4, 1999, provides that all hospitals that continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes, have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

§ 131E-8. Sale of hospital facilities to nonprofit corporations.

(a) A municipality as defined in G.S. 131E-6(5) or hospital authority as defined in G.S. 131E-16(14), upon such terms and conditions as it deems wise, with or without monetary consideration, may sell or convey to a nonprofit corporation organized under Chapter 55A of the General Statutes any rights of ownership the municipality or hospital authority has in a hospital facility including the building, land and equipment associated with the hospital, if the nonprofit corporation is legally committed to continue to operate the facility as a community general hospital open to the general public, free of discrimination based upon race, creed, color, sex or national origin. The nonprofit corporation shall also agree, as a condition of the municipality or hospital authority's conveying ownership, to provide such services to indigent patients as the municipality or hospital authority and the nonprofit corporation shall agree. The nonprofit corporation shall further agree that should it fail to operate the facility as a community general hospital open to the general public or should the nonprofit corporation dissolve without a successor nonprofit corporation to carry out the terms and conditions of the agreement of conveyance, all ownership rights in the hospital facility, including the building, land and equipment associated with the hospital, shall revert to the municipality or hospital authority or successor entity originally conveying the hospital.

(b) When either general obligation bonds or revenue bonds issued for the benefit of the hospital to be conveyed are outstanding at the time of sale or conveyance, then the nonprofit corporation must agree to the following:

> By the effective date of sale or conveyance, the nonprofit corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The nonprofit corporation shall furnish to the Local Government Commission such

evidence as the Commission may require that the securities purchased will satisfy the requirements of this section. A hospital which has placed funds in escrow to retire outstanding general obligation or revenue bonds, as provided in this section, shall not be considered a public hospital, and G.S. 159-39(a)(3) shall be inapplicable to such hospitals.

(c) Any sale or conveyance under this section must be approved by the municipality or hospital authority by a resolution adopted at a regular meeting of the governing body on 10 days' public notice. Notice shall be given by publication describing the hospital facility to be conveyed, the proposed monetary consideration or lack thereof, and the governing body's intent to authorize the sale or conveyance.

(d) Neither G.S. 153A-176 nor Article 12 of Chapter 160A of the General Statutes shall apply to sales or conveyances pursuant to this section.

(e) A sale or conveyance of substantially all the equipment is a sale or conveyance of hospital facility. (1983, c. 775, s. 1; 1989, c. 444.)

Local Modification. — Richmond: 1995 (Reg. Sess., 1996), c. 597, s. 1.

Cross References. — For section regarding lease or sale of hospital facilities to for-profit corporations by municipalities and hospital authorities, see G.S. 131E-13. For section regarding the lease or sale of hospital facilities to nonprofit corporations, see G.S. 131E-14.

Editor's Note. — Session Laws 1999-386, s. 4, effective August 4, 1999, provides that, notwithstanding the requirements of G.S. 131E-8, 131E-13, 131E-14 and 153A-176 and Article 12 of Chapter 160A of the General Statutes, and any past compliance or failure to comply with those requirements, the prior conveyance by a municipality, as defined in G.S. 131E-6(5), or by a hospital authority, as defined in G.S. 131E-16(14), of a hospital facility that currently serves as collateral in a transaction involving North Carolina Medical Care Commission bonds issued under Part 10 of Article 3 of Chapter 143B of the General Statutes is hereby validated. Section 5 of 1999-386 provides that Section 4 shall not apply to litigation pending on or before the effective date.

CASE NOTES

Section Does Not Necessarily Imply State Action. — The fact that a State statute governs the method of conveying municipal hospitals to private, nonprofit corporations is not to be interpreted to mean that a private, nonprofit hospital's suspension and revocation of staff privileges constitutes State action. Weston v. Carolina Medicorp, Inc., 102 N.C. App. 370, 402 S.E.2d 653 (1991).

Because previously public hospital's status had been changed to private pursuant to a transfer under G.S. 131E-8 and a county's subsequent regulation of the hospital was not sufficiently related to the actions of the hospital and private physicians in suspending the medical privileges of plaintiff physician, plaintiff's 42 U.S.C.S. § 1983 claims were subject to dismissal for failure to state a claim. Philips v. Pitt County Mem. Hosp., Inc., 503 F. Supp. 2d 776, 2007 U.S. Dist. LEXIS 62402 (E.D.N.C. Aug. 2, 2007).

Cited in Coastal Neuro-Psychiatric Assocs. v. Onslow Mem. Hosp., 795 F.2d 340 (4th Cir. 1986); Hamlet HMA, Inc. v. Richmond County, 138 N.C. App. 415, 531 S.E.2d 494, 2000 N.C. App. LEXIS 636 (2000).

§ 131E-8.1. Maintenance of Health Education Facilities.

(a) This section shall apply to all sales and leases of a hospital facility by a municipality or hospital authority where any portion of the facility was constructed with a capital grant from the Area Health Education Centers Program (AHEC).

(b) The municipality or hospital authority shall give specific notice of intent to sell or lease and of any public hearing to the Director of the local AHEC program and the Director of the AHEC Program at the University of North Carolina School of Medicine at Chapel Hill.

(c) The municipality or hospital authority may provide continued access to the identical or equivalent facilities suitable for continuation of AHEC activities, including all services being provided under the existing operating contract. The municipality or hospital authority may convey all ownership rights in the hospital facility, or any part thereof, to the local AHEC Program without monetary consideration. Further, the municipality or hospital authority may reimburse the local AHEC Program for any funds used for the original construction of any office for AHEC provided by AHEC to establish or continue the hospital facility.

(d) No portion of this section shall be construed to alter rights or obligations of the operating contracts between the hospital facility and AHEC. (1983 (Reg. Sess., 1984), c. 1056, s. 1; 1985 (Reg. Sess., 1986), c. 995.)

§ 131E-9. Governing authority of hospital facilities.

(a) The governing body of a municipality may establish by resolution an office, board, or other municipal agency to plan, establish, construct, maintain, or operate a hospital facility. The resolution shall prescribe the powers, duties, compensation, and tenure of the members of the governing authority. The municipality shall remain responsible for the expenses of planning, establishment, construction, maintenance and operation of the hospital facilities.

(b)(1) The county board of commissioners of a county may establish by resolution a county hospital authority to plan, establish, construct, maintain, or operate a hospital facility. The authority shall be referred to as "________ County Hospital Authority."

(2) The county hospital authority shall consist of six appointed members and one ex officio member.

(3) The appointed members of the authority shall be appointed by the county board of commissioners. All appointed members shall be residents of the county. Three of the members shall be residents of a city in the county and the remaining three members shall not be residents of the same city or cities in which the other three members appointed under this subdivision reside.

(4) For the initial appointments to the county hospital authority, two of the members shall be appointed for a term of three years, two for a term of four years, and two for a term of five years to achieve staggered terms. All subsequent appointments shall be for five-year terms.

(5) The ex officio member of the county hospital authority shall be a member of the county board of commissioners. The ex officio member's term on the hospital authority shall be commensurate with his or her term as a member of the county board of commissioners.

(6) When any member of the county hospital authority resigns or is removed from office before the expiration of the member's term, the county board of commissioners shall appoint a person to serve the unexpired portion of the term.

(c) Any authority vested in a county under this Part or any authority or power that may be exercised by a hospital authority under the Hospital Authorities Act, Chapter 131E, Article 2, Part 2, may be vested by resolution of the county board of commissioners in a county hospital authority established under this section. However, a county hospital authority shall exercise only the powers and duties prescribed in the county board of commissioners' resolution. The county board of commissioners shall determine in the resolution the compensation, traveling and any other expenses which shall be paid to each member of the county hospital authority. However, the expenses to plan, establish, construct and operate the hospital facility shall remain the responsibility of the county. (1983, c. 775, s. 1.)

Local Modification. — Johnston Memorial Hospital: 1995, c. 221, s. 1.

CASE NOTES

Appointment of Trustees Not Necessarily Indicative of State Action. — The fact that the county appointed the majority of a private, nonprofit hospital's trustees, though indicative of State action, did not alone compel the conclusion that the suspension and revocation of a doctor's staff privileges constituted State action. Weston v. Carolina Medicorp, Inc., 102 N.C. App. 370, 402 S.E.2d 653 (1991).

Cited in Wells v. Cumberland County Hosp. Sys., 150 N.C. App. 584, 564 S.E.2d 74, 2002 N.C. App. LEXIS 586 (2002).

§ 131E-10. Condemnation.

Every municipality is authorized to condemn property to carry out the purposes of this Part. In condemning property, a municipality shall proceed in the manner provided in Chapter 40A of the General Statutes or in the charter of the municipality. A municipality or its agents is authorized to enter upon land, provided no unnecessary damage is done, to make surveys and examinations relative to any condemnation proceeding. Notwithstanding the provisions of any other statute or of any applicable municipal charter, the municipality may take possession of property to be condemned at any time after the commencement of the condemnation proceeding. The municipality shall not be precluded from abandonment of the condemnation of property in any case where possession has not taken place. (1983, c. 775, s. 1.)

§ 131E-11. Federal and State aid.

Every municipality or nonprofit association is authorized to accept and disburse federal and State moneys, whether made available by grant, loan, gift or devise, to carry out the purposes of this Part. All federal moneys shall be accepted and disbursed upon the terms and conditions prescribed by the United States, if the terms and conditions are consistent with State law. All State moneys shall be accepted and disbursed upon the terms and conditions prescribed by either or both the State and the North Carolina Medical Care Commission. Unless the terms and conditions provide otherwise, the chief financial officer of the municipality shall deposit all moneys received under this section and keep them in separate trust funds. (1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1999-377, s. 3, effective August 4, 1999, provides that all hospitals that continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes, have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

§ 131E-12. Public purposes.

The exercise of the powers, privileges, and authorities conferred on municipalities by this Part are public and government functions, exercised for a public purpose and matters of public necessity. In the case of a county, the exercise of the powers, privileges and authorities conferred by this Part is a county function and purpose, as well as a public and governmental function. In the case of any municipality other than a county, the exercise of the powers, privileges, and authorities conferred by this Part is a municipal function and purpose, as well as a public and governmental function. (1983, c. 775, s. 1.)

CASE NOTES

Venue. — Venue of negligence suit against hospital authority was properly transferred to the county by which it was governed, pursuant to G.S. 1-77, providing for venue of actions against a public officer, despise the fact that the authority operated in multiple counties. Wells v. Cumberland County Hosp. Sys., 150 N.C. App. 584, 564 S.E.2d 74, 2002 N.C. App. LEXIS 586 (2002).

§ 131E-13. Lease or sale of hospital facilities to or from for-profit or nonprofit corporations or other business entities by municipalities and hospital authorities.

(a) A municipality or hospital authority as defined in G.S. 131E-16(14), may lease, sell, or convey any hospital facility, or part, to a corporation, foreign or domestic, authorized to do business in North Carolina, subject to these conditions, which shall be included in the lease, agreement of sale, or agreement of conveyance:

(1) The corporation shall continue to provide the same or similar clinical hospital services to its patients in medical-surgery, obstetrics, pediatrics, outpatient and emergency treatment, including emergency services for the indigent, that the hospital facility provided prior to the lease, sale, or conveyance. These services may be terminated only as prescribed by Certificate of Need Law prescribed in Article 9 of Chapter 131E of the General Statutes, or, if Certificate of Need Law is inapplicable, by review procedure designed to guarantee public participation pursuant to rules adopted by the Secretary of the Department of Health and Human Services.

(2) The corporation shall ensure that indigent care is available to the population of the municipality or area served by the hospital authority at levels related to need, as previously demonstrated and determined mutually by the municipality or hospital authority and the corporation.

(3) The corporation shall not enact financial admission policies that have the effect of denying essential medical services or treatment solely because of a patient's immediate inability to pay for the services or treatment.

(4) The corporation shall ensure that admission to and services of the facility are available to beneficiaries of governmental reimbursement programs (Medicaid/Medicare) without discrimination or preference because they are beneficiaries of those programs.

(5) The corporation shall prepare an annual report that shows compliance with the requirements of the lease, sale, or conveyance.

The corporation shall further agree that if it fails to substantially comply with these conditions, or if it fails to operate the facility as a community general hospital open to the general public and free of discrimination based on race, creed, color, sex, or national origin unless relieved of this responsibility by operation of law, or if the corporation dissolves without a successor corporation to carry out the terms and conditions of the lease, agreement of sale, or agreement of conveyance, all ownership or other rights in the hospital facility, including the building, land and equipment associated with the hospital, shall revert to the municipality or hospital authority or successor entity originally conveying the hospital; provided that any building, land, or equipment associated with the hospital facility that the corporation has constructed or acquired since the sale may revert only upon payment to the corporation of a sum equal to the cost less depreciation of the building, land, or equipment.

This section shall not apply to leases, sales, or conveyances of nonmedical services or commercial activities, including the gift shop, cafeteria, the flower shop, or to surplus hospital property that is not required in the delivery of necessary hospital services at the time of the lease, sale, or conveyance.

(b) In the case of a sale or conveyance, if either general obligation bonds or revenue bonds issued for the benefit of the hospital to be conveyed are outstanding at the time of sale or conveyance, then the corporation shall agree to the following:

By the effective date of sale or conveyance, the corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The corporation shall furnish to the Local Government Commission such evidence as the Commission may require that the securities purchased will satisfy the requirements of this section. A hospital which has placed funds in escrow to retire outstanding general obligation or revenue bonds, as provided in this section, shall not be considered a public hospital, and G.S. 159-39(a)(3) shall be inapplicable to such hospitals.

No bonds, notes or other evidences of indebtedness shall be issued by a municipality or hospital authority to finance equipment for or the acquisition, extension, construction, reconstruction, improvement, enlargement, or betterment of any hospital facility if the facility has been sold or conveyed to a corporation, foreign or domestic, authorized to do business in North Carolina.

(c) In the case of a lease, the municipality or hospital authority shall determine the length of the lease. No lease executed under this section shall be deemed to convey a freehold interest. Any sublease or assignment of the lease shall be subject to the conditions prescribed by this section. If the term of the lease is more than 10 years, and either general obligation bonds or revenue bonds issued for the benefit of the hospital to be leased are outstanding at the time of the lease, then the corporation shall agree to the following:

By the effective date of the lease, the corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The corporation shall furnish to the Local Government Commission such evidence as the Commission may require that the securities purchased will satisfy the requirements of this section.

No bonds, notes or other evidences of indebtedness shall be issued by a municipality or hospital authority to finance equipment for or the acquisition, extension, construction, reconstruction, improvement, enlargement, or betterment of any hospital facility when the facility is leased to a corporation, foreign or domestic, authorized to do business in North Carolina.

(d) The municipality or hospital authority shall comply with the following procedures before leasing, selling, or conveying a hospital facility, or part thereof:

(1) The municipality or hospital authority shall first adopt a resolution declaring its intent to sell, lease, or convey the hospital facility at a regular meeting on 10 days' public notice. Notice shall be given by publication in one or more papers of general circulation in the affected

area describing the intent to lease, sell, or convey the hospital facility involved, known potential buyers or lessees, a solicitation of additional interested buyers or lessees and intent to negotiate the terms of the lease or sale. Specific notice, given by certified mail, shall be given to the local office of each state-supported program that has made a capital expenditure in the hospital facility, to the Department of Health and Human Services, and to the Office of State Budget and Management.

(2) At the meeting to adopt a resolution of intent, the municipality or hospital authority shall request proposals for lease or purchase by direct solicitation of at least five prospective lessees or buyers. The solicitation shall include a copy of G.S. 131E-13.

(3) The municipality or hospital authority shall conduct a public hearing on the resolution of intent not less than 15 days after its adoption. Notice of the public hearing shall be given by publication at least 15 days before the hearing. All interested persons shall be heard at the public hearing.

(4) Before considering any proposal to lease or purchase, the municipality or hospital authority shall require information on charges, services, and indigent care at similar facilities owned or operated by the proposed lessee or buyer.

(5) Not less than 45 days after adopting a resolution of intent and not less than 30 days after conducting a public hearing on the resolution of intent, the municipality or hospital authority shall conduct a public hearing on proposals for lease or purchase that have been made. Notice of the public hearings shall be given by publication at least 10 days before the hearing. The notice shall state that copies of proposals for lease or purchase are available to the public.

(6) The municipality or hospital authority shall make copies of the proposals to lease or purchase available to the public at least 10 days before the public hearing on the proposals.

(7) Not less than 60 days after adopting a resolution of intent, the municipality or hospital authority at a regular meeting shall approve any lease, sale, or conveyance by a resolution. The municipality or hospital authority shall adopt this resolution only upon a finding that the lease, sale, or conveyance is in the public interest after considering whether the proposed lease, sale, or conveyance will meet the health-related needs of medically underserved groups, such as low income persons, racial and ethnic minorities, and handicapped persons. Notice of the regular meeting shall be given at least 10 days before the meeting and shall state that copies of the lease, sale, or conveyance proposed for approval are available.

(8) At least 10 days before the regular meeting at which any lease, sale, or conveyance is approved, the municipality or hospital authority shall make copies of the proposed contract available to the public.

(e) Notwithstanding the provisions of subsections (c) and (d) of this section or G.S. 131E-23, a hospital authority as defined in G.S. 131E-16(14) or a municipality may lease or sublease hospital land to a corporation or other business entity, whether for profit or not for profit, and may participate as an owner, joint venturer, or other equity participant with a corporation or other business entity for the development, construction, and operation of medical office buildings and other health care or hospital facilities, so long as the municipality, hospital authority, or other entity continues to maintain its primary community general hospital facilities as required by subsection (a) of this section.

(f) A municipality or hospital authority may permit or consent to the pledge of hospital land or leasehold estates in hospital land to facilitate the development, construction, and operation of medical office buildings and other health care or hospital facilities. A municipality or hospital authority also may, as lessee, enter into master leases or agreements to fund for temporary vacancies relating to hospital land or hospital facilities for use in the provision of health care.

(g) Neither G.S. 153A-176 nor Article 12 of Chapter 160A of the General Statutes shall apply to leases, subleases, sales, or conveyances under this Chapter. (1983 (Reg. Sess., 1984), c. 1066, s. 1; 1997-233, s. 2; 1997-443, s. 11A.118(a); 2000-140, s. 93.1(a); 2001-424, s. 12.2(b).)

Local Modification. — (As to the Richmond Memorial Hospital) Richmond: 1993, c. 10, s. 1.

Cross References. — For section regarding sale of hospital facilities to nonprofit corporations, see G.S. 131E-8.

Editor's Note. — Session Laws 1999-386, s. 4, effective August 4, 1999, provides that, notwithstanding the requirements of G.S. 131E-8, 131E-13, 131E-14 and 153A-176 and Article 12 of Chapter 160A of the General Statutes, and any past compliance or failure to comply with those requirements, the prior conveyance by a municipality, as defined in G.S. 131E-6(5), or by a hospital authority, as defined in G.S. 131E-16(14), of a hospital facility that currently serves as collateral in a transaction involving North Carolina Medical Care Commission bonds issued under Part 10 of Article 3 of Chapter 143B of the General Statutes is hereby validated. Section 5 of 1999-386 provides that Section 4 shall not apply to litigation pending on or before the effective date.

CASE NOTES

Hospital Facility. — Agency which provided health care for persons in their homes and hospitals consisted of a license, equipment and office space, and was a hospital facility within the meaning of subsection (d). Hospital Corp. v. Iredell County, 120 N.C. App. 445, 462 S.E.2d 675 (1995).

Cited in Hamlet HMA, Inc. v. Richmond County, 138 N.C. App. 415, 531 S.E.2d 494, 2000 N.C. App. LEXIS 636 (2000).

OPINIONS OF ATTORNEY GENERAL

A county hospital authority may amend or consent to a transfer of its lease subject to the provisions of this section; the authority may not consent to any assignment of the lease unless it first solicits bids from five potential lessees and complies with all of the other substantive and procedural requirements of this section. See opinion of Attorney General to Roger Lee Edwards, Attorney and Counselor at Law, N.C. General Assembly, 1999 N.C.A.G. 13 (5/24/99).

Sale of Vacant Property to Physicians. — A hospital authority would not be required to comply with this section if it sold vacant property to one or more physicians based upon a determination that the vacant property was not necessary, convenient, or related to the operation of any hospital facility owned by the authority. See opinion of Attorney General to Roger Lee Edwards, Attorney, 2000 N.C. AG LEXIS 25 (6/8/2000).

§ 131E-14. Lease or sale of hospital facilities to certain nonprofit corporations.

If a municipality or hospital authority leases, sells, or conveys a hospital facility, or part, to a nonprofit corporation of which a majority of voting members of its governing body is not appointed or controlled by the municipality or hospital authority, the procedural requirements set forth in G.S. 131E-13(d) shall apply. (1983 (Reg. Sess., 1984), c. 1066, s. 2.)

Cross References. — For section regarding sale of hospital facilities to nonprofit corporations, see G.S. 131E-8.

Editor's Note. — Session Laws 1999-386, s. 4, effective August 4, 1999, provides that, notwithstanding the requirements of G.S. 131E-8, 131E-13, 131E-14 and 153A-176 and Article 12 of Chapter 160A of the General Statutes, and any past compliance or failure to comply with those requirements, the prior conveyance by a municipality, as defined in G.S. 131E-6(5), or by a hospital authority, as defined in G.S. 131E-

16(14), of a hospital facility that currently serves as collateral in a transaction involving North Carolina Medical Care Commission bonds issued under Part 10 of Article 3 of Chapter 143B of the General Statutes is hereby validated. Section 5 of 1999-386 provides that Section 4 shall not apply to litigation pending on or before the effective date.

§ 131E-14.1. Branch facilities.

Notwithstanding anything in this Article, any municipality owning and operating a hospital organized under the provisions of this Part or Part 3 or any nonprofit corporation which leases or operates a hospital facility pursuant to an agreement with the municipality may erect, remodel, enlarge, purchase, finance, and operate branches and related facilities within this State but outside the boundaries of the county subject to the following limitations:

(1) No moneys derived from the exercise by the owning municipality of its power of taxation shall be expended on facilities located outside its boundaries;

(2) No moneys derived from the issuance by the owning municipality of its bonds or notes shall be expended on facilities located outside its boundaries;

(3) The owning municipality shall not possess the power of eminent domain or have the right of condemnation with respect to hospital facilities located outside its boundaries; and

(4) The power conferred on counties by G.S. 153A-169 and G.S. 153A-170 to adopt ordinances regulating the use of county-owned property and parking on county-owned property shall not extend to hospital facilities located outside its boundaries unless the board of commissioners of the county in which the facility is located shall by resolution permit any such ordinance to be applicable within its jurisdiction.

(5), (6) Repealed by Session Laws 1993 (Reg. Sess., 1994), c. 676, s. 1, effective July 1, 1994. (1983, c. 578, s. 1; 1993 (Reg. Sess., 1994), c. 676, s. 1.)

Editor's Note. — This section was enacted by Session Laws 1983, c. 578, s. 1, as G.S. 131-28.22A. Pursuant to Session Laws 1983, c. 775, s. 6, this section has been redesignated as G.S. 131E-14.1.

§ 131E-14.2. Conflict of interest.

(a) No member of the board of directors or employee of a public hospital, as defined in G.S. 159-39(a), or that person's spouse shall do either of the following:

(1) Acquire any interest, direct or indirect, in any hospital facility or in any property included or planned to be included in a hospital facility.

(2) Have any direct interest in any contract or proposed contract for materials or services to be furnished or used in connection with any hospital facility, except an employment contract for an employee. This restriction shall not apply to any contract, undertaking, or other transaction with a bank or banking institution, savings and loan association or public utility in the regular course of its business provided that the contract, undertaking, or other transaction shall be authorized by the board by specific resolution on which no director having direct interest shall vote.

(b) The fact that a person or that person's spouse owns ten percent (10%) or less stock of a corporation or has a ten percent (10%) or less ownership in any other business entity or is an employee of that corporation or other business entity does not make the person have a "direct interest" as this phrase is used in subsection (a) of this section; provided that, in order for the exception to apply, the contract, undertaking, or other transaction shall be authorized by the board of directors by specific resolution on which no director or employee having an interest, direct or indirect, shall vote.

(c) If a member of the board of directors or an employee of a public hospital or that person's spouse owns or controls an interest, direct or indirect, in any property included or planned to be included in any hospital facility, the member of the board of directors or the employee shall immediately disclose the same in writing to the board and the disclosure shall be entered upon the minutes of the board. Failure to disclose shall constitute misconduct in office and shall be grounds for removal.

(c1) Subsection (a) of this section shall not apply if the director or employee is not involved in making or administering the contract. A director or employee is involved in administering a contract if the director or employee oversees the performance of or interprets the contract. A director or employee is involved in making a contract if the director or employee participates in the development of specifications or terms or in the preparation or award of the contract. A director or employee is not involved in making or administering a contract solely because of the performance of ministerial duties related to the contract. A director is also involved in making a contract if the board of directors takes action on the contract, whether or not the director actually participates in that action, unless the contract is approved under an exception to this section under which the director is allowed to benefit and is prohibited from voting.

(d) Subsection (a) of this section shall not apply to any member of the board of directors of a public hospital if (i) the undertaking or contract or series of undertakings or contracts between the public hospital and one of its officials is approved by specific resolution of the board adopted in an open and public meeting and recorded in its minutes; (ii) the official entering into the contract or undertaking with the public hospital does not in an official capacity participate in any way or vote; and (iii) the amount does not exceed twelve thousand five hundred dollars ($12,500) for medically related services and twenty-five thousand dollars ($25,000) for other goods or services within a 12-month period, or the contract is for medically related or administrative services that are provided by a director who serves on the board as an ex officio representative of the hospital medical staff pursuant to a hospital bylaw adopted prior to January 1, 2005, or that are provided by the spouse of that director.

(e) Subsection (a) of this section shall not apply to any employment relationship between a public hospital and the spouse of a member of the board of directors of the public hospital.

(f) A contract entered into in violation of this section is void. A contract that is void under this section may continue in effect until an alternative can be arranged when: (i) immediate termination would result in harm to the public health or welfare, and (ii) the continuation is approved as provided in this subsection. A public hospital that is a party to the contract may request approval to continue contracts under this subsection from the chairman of the Local Government Commission. Approval of continuation of contracts under this subsection shall be given for the minimum period necessary to protect the public health or welfare. (2001-409, s. 6; 2005-70, s. 1; 2006-264, s. 64(b).)

Editor's Note. — Session Laws 2001-409, s. 10, made this section effective July 1, 2002, and applicable to actions taken and offenses committed on or after that date. Prosecutions for offenses committed before the effective dates of the provisions of the act are not abated or affected by the act, and the statutes that would be applicable but for the act remain applicable to those prosecutions.

Part 2. Hospital Authority.

§ 131E-15. Title and purpose.

(a) This Part shall be known as the "Hospital Authorities Act."

(b) The General Assembly finds and declares that in order to protect the public health, safety, and welfare, including that of low income persons, it is necessary that counties and cities be authorized to provide adequate hospital, medical, and health care and that the provision of such care is a public purpose. Therefore, the purpose of this Part is to provide an alternate method for counties and cities to provide hospital, medical, and health care. (1943, c. 780, ss. 1, 2; 1971, c. 799; 1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1983, c. 775, which repealed former Chapter 131 of the General Statutes and enacted this Chapter, provided in s. 3: "Notwithstanding the foregoing, any unit of government, or units of government acting jointly, that as of December 31, 1983, is operating a hospital or hospitals pursuant to Articles 2 or 2A of Chapter 131 of the General Statutes may continue to operate pursuant to the provisions of those Articles as they existed on December 31, 1983, to the extent that those Articles are inconsistent with this Chapter. However, a unit of government that has been operating a hospital pursuant to those Articles may choose to continue operations under the provisions of one of the Parts of Article 2 of this Chapter by adopting an appropriate resolution and by satisfying all other requirements of the relevant Part of Article 2 of this Chapter."

Session Laws 1989, c. 283, ss. 1 and 2, effective June 12, 1989, amended G.S. 131-7. Chapter 131 was repealed by Session Laws 1983, c. 775, s. 1, effective January 1, 1984. However, Session Laws 1983, c. 775, s. 3 contained a savings provision for certain units of government.

Session Laws 1989, c. 283, ss. 1 and 2 provided: "Section 1. G.S. 131-7, as it applies to hospitals continuing to operate under Article 2, Chapter 131 of the North Carolina General Statutes pursuant to Section 3, Chapter 775 of the 1983 Session Laws, is amended by rewriting the first sentence to read: 'Should a majority of the qualified voters upon the question be in favor of establishing such county, township, or town hospital, the governing body shall proceed at once to appoint seven trustees chosen from the citizens at large with reference to their fitness for such office, all residents of the county, township or town, who shall constitute a board of trustees for such public hospital.'

"Sec. 2. G.S. 131-7 is amended by deleting the phrase 'No practicing physician may serve as a trustee.', and substituting 'One practicing physician may serve as a trustee'."

Session Laws 1997-502, s. 12, effective January 1, 1998, and applicable to contracts and agreements entered into on or after that date, provides: "Any county which, on or prior to July 1, 1997, established a hospital authority board composed of no more than seven members under the provisions of Part B of Article 2 of Chapter 131E of the General Statutes may, by resolution adopted by its board of county commissioners and with the approval of the State Health Director, assign that authority board the power, duties, and responsibilities to provide public health services as outlined in G.S. 130A-1.1. Thereafter, such authority board shall act as the local board of health for the county together with such additional powers, duties, and authority assigned to it by the board of county commissioners."

CASE NOTES

Venue. — Venue of negligence suit against hospital authority was properly transferred to the county by which it was governed, pursuant to G.S. 1-77, providing for venue of actions against a public officer, despise the fact that the authority operated in multiple counties. Wells v. Cumberland County Hosp. Sys., 150 N.C. App. 584, 564 S.E.2d 74, 2002 N.C. App. LEXIS 586 (2002).

Hospital Granting Exclusive Privilege to Use Equipment Held Not Immune Under State Action Exemption. — In an antitrust action brought under §§ 1 and 2 of the Sherman Act (15 U.S.C. §§ 1 and 2) by plaintiff physicians asserting that defendant hospital had improperly restricted use of its CAT Scan, defendant was held to have failed to show, in support of its motion to dismiss, that the General Assembly had authorized defendant to grant exclusive privileges to certain physicians to use its facilities with the intent to restrict competition, so as to render defendant immune from antitrust liability under the state action exemption. Coastal Neuro-Psychiatric Assocs. v. Onslow County Hosp. Auth., 607 F. Supp. 49 (E.D.N.C. 1985).

Cited in Knight Publ'g Co. v. Charlotte-Mecklenburg Hosp. Auth., 172 N.C. App. 486, 616 S.E.2d 602, 2005 N.C. App. LEXIS 1784 (2005).

§ 131E-16. Definitions.

As used in this Part, unless otherwise specified:

(1) "Board of county commissioners" means the legislative body charged with governing the county.

(2) "Bonds" means any bonds or notes issued by the hospital authority pursuant to this Part and the Local Government Finance Act, Chapter 159 of the General Statutes.

(3) "City" means any city or town which is, or is about to be, included in the territorial boundaries of a hospital authority when created hereunder.

(4) "City clerk" and "mayor" means the clerk and mayor, respectively, of the city, or the officers thereof charged with the duties customarily imposed on the clerk and mayor, respectively.

(5) "City council" means the legislative body, council, board of commissioners, board of trustees, or other body charged with governing the city or town.

(6) "Commissioner" means one of the members of a hospital authority appointed in accordance with the provisions of this Part.

(7) "Community general hospital" means a short-term nonfederal hospital that provides diagnostic and therapeutic services to patients for a variety of medical conditions, both surgical and nonsurgical, such services being available for use primarily by residents of the community in which it is located.

(8) "Contract" means any agreement of a hospital authority with or for the benefit of an obligee whether contained in a resolution, trust indenture, mortgage, lease, bond or other instrument.

(9) "Corporation, foreign or domestic, authorized to do business in North Carolina" means a corporation for profit or having a capital stock which is created and organized under Chapter 55 of the General Statutes or any other general or special act of this State, or a foreign corporation which has procured a certificate of authority to transact business in this State pursuant to Article 10 of Chapter 55 of the General Statutes.

(10) "County" means the county which is, or is about to be, included in the territorial boundaries of a hospital authority when created hereunder.

(11) "County clerk" and "chairman of the board of county commissioners" means the clerk and chairman, respectively, of the county or the officers thereof charged with the duties customarily imposed on the clerk and chairman, respectively.

(12) "Federal government" means the United States of America, or any agency, instrumentality, corporate or otherwise, of the United States of America.

(13) "Government" means the State and federal governments and any subdivision, agency or instrumentality, corporate or otherwise, of either of them.

(14) "Hospital authority" means a public body and a body corporate and politic organized under the provisions of this Part.

(15) "Hospital facilities" means any one or more buildings, structures, additions, extensions, improvements or other facilities, whether or not located on the same site or sites, machinery, equipment, furnishings or other real or personal property suitable for health care or medical care; and includes, without limitation, general hospitals; chronic

disease, maternity, mental, tuberculosis and other specialized hospitals; nursing homes, including skilled nursing facilities and intermediate care facilities; adult care homes for the aged and disabled; public health center facilities; housing or quarters for local public health departments; facilities for intensive care and self-care; clinics and outpatient facilities; clinical, pathological and other laboratories; health care research facilities; laundries; residences and training facilities for nurses, interns, physicians and other staff members; food preparation and food service facilities; administrative buildings, central service and other administrative facilities; communication, computer and other electronic facilities; fire-fighting facilities; pharmaceutical and recreational facilities; storage space; X ray, laser, radiotherapy and other apparatus and equipment; dispensaries; utilities; vehicular parking lots and garages; office facilities for hospital staff members and physicians; and such other health and hospital facilities customarily under the jurisdiction of or provided by hospitals, or any combination of the foregoing, with all necessary, convenient or related interests in land, machinery, apparatus, appliances, equipment, furnishings, appurtenances, site preparation, landscaping and physical amenities.

(15a) "Hospital land" means air and ground rights to real property held either in fee or by lease by a hospital authority, with all easements, rights-of-way, appurtenances, landscaping, and physical amenities such as utilities, parking lots, and garages, but excluding other improvements to land described in G.S. 131E-6(4) and subsection (15) of this section.

(16) "Municipality" means any county, city, town or incorporated village, other than a city as defined above, which is located within or partially within the territorial boundaries of an authority.

(17) "Real property" means lands, lands under water, structures, and any and all easements, franchises and incorporeal hereditaments and every estate and right therein, legal and equitable, including terms for years and liens by way of judgment, mortgage or otherwise.

(18) "State" means the State of North Carolina. (1943, c. 780, s. 3; 1971, c. 780, s. 22; c. 799; 1983, c. 775, s. 1; 1995, c. 535, s. 19; 1997-233, s. 3.)

Editor's Note. — Subdivision (15.1) of this section was renumbered as subdivision (15a) pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

§ 131E-17. Creation of a hospital authority.

(a) A hospital authority may be created whenever a city council or a county board of commissioners finds and adopts a resolution finding that it is in the interest of the public health and welfare to create a hospital authority.

(b) After the adoption of a resolution creating a hospital authority, the mayor or the chairman of the county board of commissioners shall appoint commissioners in accordance with G.S. 131E-18.

(c) The commissioners shall be a public body and a body corporate and politic upon the completion of the procedures described in G.S. 131E-19. (1943, c. 780, s. 4; 1971, c. 799; 1983, c. 775, s. 1.)

CASE NOTES

Cited in Knight Publ'g Co. v. Charlotte-Mecklenburg Hosp. Auth., 172 N.C. App. 486, 616 S.E.2d 602, 2005 N.C. App. LEXIS 1784 (2005).

§ 131E-18. Commissioners.

(a) The mayor or the chairman of the county board shall appoint the commissioners of the authority. There shall be not less than six and not more than 30 commissioners. Upon a finding that it is in the public interest, the commissioners may adopt a resolution increasing or decreasing the number of commissioners by a fixed number; Provided that no decrease in the number of commissioners shall shorten a commissioner's term. A certified copy of the resolution and a list of nominees shall be submitted to the mayor or the chairman of the county board of commissioners for appointments in accordance with the procedures set forth in subsection (d) of this section.

(b) For the initial appointments of commissioners, one-third of the commissioners shall be appointed for a term of one year, one-third for a term of two years, and one-third for a term of three years to achieve staggered terms. All subsequent appointments shall be for three-year terms. A commissioner shall hold office until a successor has been appointed and qualified. Vacancies from resignation or removal from office shall be filled for the unexpired portion of the term.

(c) The mayor or the chairman of the county board of commissioners shall name the first chair of the authority. Thereafter, the commissioners shall elect each subsequent chair from their members. The commissioners shall elect from their members the first vice-chair and all subsequent vice-chairs.

(d) When a commissioner resigns, is removed from office, completes a term of office, or when there is an increase in the number of commissioners, the remaining commissioners shall submit to the mayor or the chairman of the county board of commissioners a list of nominees for appointment to the commission. The mayor or the chairman of the county board of commissioners shall appoint, only from the nominees, the number of commissioners necessary to fill all vacancies. However, the mayor or the chairman of the county board of commissioners may require the commissioners to submit as many additional lists of nominees as he or she may desire.

(e) The mayor shall file with the city clerk, or the chairman of the county board of commissioners shall file with the county clerk, a certificate of appointment or reappointment of a commissioner. The certificate shall be conclusive evidence of the due and proper appointment of the commissioner.

(f) Commissioners shall receive no compensation for their services, but they shall be entitled to reimbursement for necessary expenses, including travel expenses, incurred in the discharge of their duties.

(g) For a county with a population of less than 75,000, according to the most recent decennial federal census, the following exceptions to the provisions of this section shall apply:

(1) The commissioners shall be appointed by the county board of commissioners rather than the chairman of the county board of commissioners;

(2) In making appointments under subsection (d) of this section, the county board of commissioners shall consider the nominations of the commissioners of the authority, but the county board of the commissioners is not bound by the nominations and may choose any qualified person.

The foregoing exceptions shall not apply when a county with a population of less than 75,000 jointly establishes a hospital authority with a city.

(h) A majority of the commissioners shall constitute a quorum. (1943, c. 780, s. 5; 1971, c. 799; 1973, c. 792; 1981, c. 525, s. 1; 1983, c. 775, s. 1.)

Local Modification. — Craven: 1987 (Reg. Sess., 1988), c. 922, s. 1; 1989, c. 190, s. 1; 1999-15, s. 1; Nash: 1991 (Reg. Sess., 1992), c. 1022; Onslow: 1987 (Reg. Sess., 1988), c. 945; Pasquotank: 1959, c. 203, s. 1; 1989, c. 140, s. 1; 1995 (Reg. Sess., 1996), c. 567, s. 1 (expires July 31, 2000).

OPINIONS OF ATTORNEY GENERAL

A county board of commissioners does not have the authority to increase the number of commissioners on a hospital authority located within the county. See opinion of Attorney General to William I. Millar, Attorney at Law, and Thomas S. Stukes, Smith Helms Mulliss & Moore, L.L.P., 1999 N.C. AG LEXIS 39 (12/21/99).

Hospital Authority Has Authority to Expand Number of Its Commissioners. — This section expressly grants the authority to expand the number of a hospital authority's commissioners to the hospital authority's commissioners themselves, rather than to the board of county commissioners; therefore, a resolution of a county board of commissioners which provided that the number of members to the board of commissioners of a hospital authority could not be changed except by resolution of the county board of commissioners was a nullity and had no force and effect. See opinion of Attorney General to Haywood Regional Medical Center, 1999 N.C. AG LEXIS 40 (12/21/99).

§ 131E-19. Incorporation of a hospital authority.

(a) After the commissioners are appointed, they shall present to the Secretary of State an application for incorporation as a hospital authority. The application shall be signed by each of the commissioners and shall set forth:

(1) That the city council or the county board of commissioners has found that it is in the interest of the public health and welfare to create a hospital authority;

(2) That the mayor or the chairman of the county board of commissioners has appointed them as commissioners;

(3) The name and official residence of each of the commissioners;

(4) A certified copy of the appointment evidencing the commissioners' right to office, and the date and place of induction into and taking of office;

(5) That they desire the hospital authority to become a public body and a body corporate and politic under this Part;

(6) The term of office of each of the commissioners;

(7) The name which is proposed for the corporation; and

(8) The location and principal office of the corporation.

The application shall be subscribed and sworn to by each of the commissioners before an officer authorized by the laws of this State to take and certify oaths. This officer shall certify upon the application that he or she personally knows the commissioners and knows them to be the officers as asserted in the application, and that each subscribed to the application and took the oath in the officer's presence.

(b) The Secretary of State shall examine the application. If he or she finds that the name proposed for the corporation is not identical with that of a person or of any other corporation in this State or so nearly similar so as to lead to confusion and uncertainty, the application shall be filed and recorded in the appropriate book of record in the Secretary of State's office. The Secretary of State shall then make and issue to the commissioners a certificate of incorporation pursuant to this Part, under the Seal of the State, and shall record the certificate with the application.

(c) A hospital authority's name or the location or principal office of the corporation may be changed by the adoption of a resolution by the majority of the authority's commissioners. A copy of the resolution, duly verified by the chair and secretary of the commission before an officer authorized by the laws of this State to take and certify oaths, shall be delivered to the Secretary of State, along with a conformed copy. If the Secretary of State finds that the proposed name is not identical with that of a person or any corporation of this State, or so nearly similar as to lead to confusion and uncertainty, the resolution shall be filed and recorded in the appropriate book of record in the Secretary of State's office. A resolution changing the location or principal office of the hospital authority shall be filed and recorded in the appropriate book of record in the Secretary of State's office. The Secretary of State shall then return to the authority the conformed copy, together with a certificate stating that the attached copy is a true copy of the document in the Secretary of State's office, that shows the date of filing.

(d) In any legal proceeding, a copy of the certificate of incorporation, certified by the Secretary of State, shall be admissible in evidence and shall be conclusive proof of its filing and contents and the incorporation of the hospital authority in accordance with this Part. (1943, c. 780, s. 4; 1966, c. 988, s. 1; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-20. Boundaries of the authority.

(a) The territorial boundaries of a hospital authority shall include the city or county creating the authority and the area within 10 miles from the territorial boundaries of that city or county. However, a hospital authority may engage in health care activities in a county outside its territorial boundaries pursuant to:

(1) An agreement with a hospital facility if only one hospital currently exists in that county;

(2) An agreement with any hospital if more than one hospital currently exists in that county; or

(3) An agreement with any health care agency if no hospital currently exists in that county.

In no event shall the territorial boundaries of a hospital authority include, in whole or in part, the area of any previously existing hospital authority. All priorities shall be determined on the basis of the time of issuance of the certificates of incorporation by the Secretary of State.

(b) After the creation of an authority, the subsequent existence within its territorial boundaries of more than one city or county shall in no way affect the territorial boundaries of the authority. (1943, c. 780, s. 4; 1971, c. 799; 1983, c. 775, s. 1; 1993, c. 529, s. 6.1.)

CASE NOTES

Applicability. — G.S. 131E-20, concerning the territorial boundaries of a hospital authority, applies to hospital authorities organized pursuant to G.S. 131E-15 to 131E-39 (the Hospital Authorities Act). Wells v. Cumberland County Hosp. Sys., 150 N.C. App. 584, 564 S.E.2d 74, 2002 N.C. App. LEXIS 586 (2002).

Venue. — Venue of negligence suit against hospital authority was properly transferred to the county by which it was governed, pursuant to G.S. 1-77, providing for venue of actions against a public officer, despise the fact that the authority operated in multiple counties. Wells v. Cumberland County Hosp. Sys., 150 N.C. App. 584, 564 S.E.2d 74, 2002 N.C. App. LEXIS 586 (2002).

Cited in Coastal Neuro-Psychiatric Assocs. v. Onslow County Hosp. Auth., 607 F. Supp. 49 (E.D.N.C. 1985).

§ 131E-21. Conflict of interest.

(a) No commissioner or employee of the hospital authority or that person's spouse shall do either of the following:

(1) Acquire any interest, direct or indirect, in any hospital facility or in any property included or planned to be included in a hospital facility.

(2) Have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used in connection with any hospital facility, except an employment contract for an employee. The foregoing restriction shall not apply to any contract, undertaking, or other transaction with a bank or banking institution, savings and loan association or public utility in the regular course of its business; Provided that any such contract, undertaking, or other transaction shall be authorized by the commissioners by specific resolution on which no commissioner having an interest, direct or indirect, shall vote.

(b) The fact that a person or that person's spouse owns ten percent (10%) or less stock of a corporation or has a ten percent (10%) or less ownership in any other business entity or is an employee of that corporation or other business entity does not make the person have an "interest, direct or indirect" as this phrase is used in subsection (a) of this section; provided that, in order for the exception to apply, the contract, undertaking or other transaction shall be authorized by the commissioners by specific resolution on which no commissioner or employee having an interest, direct or indirect, shall vote.

(c) If a commissioner or employee of an authority or that person's spouse owns or controls an interest, direct or indirect, in any property included or planned to be included in any hospital facility, the commissioner or employee shall immediately disclose the same in writing to the authority and the disclosure shall be entered upon the minutes of the authority. Failure to disclose shall constitute misconduct in office and shall be grounds for a commissioner's removal from office under G.S. 131E-22.

(d) Subsection (a) of this section shall not apply to any commissioner of a hospital authority if (i) the undertaking or contract or series of undertakings or contracts between the hospital authority and one of its officials is approved by specific resolution of the governing body adopted in an open and public meeting and recorded in its minutes and the amount does not exceed twelve thousand five hundred dollars ($12,500) for medically related services and twenty-five thousand dollars ($25,000) for other goods or services within a 12-month period; and (ii) the official entering into the contract or undertaking with the hospital authority does not in an official capacity participate in any way or vote.

(e) Subsection (a) of this section shall not apply to any employment relationship between a hospital authority and the spouse of a commissioner of the hospital authority.

(f) A contract entered into in violation of this section is void. A contract that is void under this section may continue in effect until an alternative can be arranged when: (i) immediate termination would result in harm to the public health or welfare, and (ii) the continuation is approved as provided in this subsection. A hospital authority that is a party to the contract may request approval to continue contracts under this subsection from the chairman of the Local Government Commission. Approval of continuation of contracts under this subsection shall be given for the minimum period necessary to protect the public health or welfare. (1943, c. 780, s. 7; 1971, c. 749; 1983, c. 775, s. 1; 1983 (Reg. Sess., 1984), c. 1058, s. 1; 2001-409, s. 7.)

§ 131E-22. Removal of commissioners.

(a) The appointing authority, as stated in G.S. 131E-18, may remove a commissioner for inefficiency, neglect of duty, or misconduct in office. A commissioner may be removed only after he or she has been given a copy of the charges and provided the opportunity to be heard in person or by counsel. A commissioner is entitled to at least 10 days after receipt of the notice to prepare for a hearing before the mayor or the chairman of the county.

(b) An obligee of the authority may file with the mayor or the chairman of the county board of commissioners written charges that the authority is willfully violating the laws of the State or a term, provision, or covenant to any contract to which the authority is a party. The mayor or the chairman of the county board of commissioners shall give each of the commissioners a copy of the charges at least 10 days prior to the hearing on the charges. The commissioners shall be provided an opportunity to be heard in person or by counsel. The mayor or the chairman of the county board of commissioners shall, within 15 days after receipt of the charges, remove any commissioners of the authority who are found to have acquiesced in any willful violation. If a commissioner has not filed a written statement before the hearing with the authority stating his or her objections to or lack of participation in the violation, the commissioner shall be deemed to have acquiesced in a willful violation.

(c) If, after due and diligent search, a commissioner to whom charges are required to be delivered cannot be found within the county where the authority is located, the charges shall be deemed to be served upon the commissioner when it is mailed to the commissioner at the commissioner's last known address as the same appears on the records of the authority.

(d) In the event of the removal of any commissioner, the mayor shall file in the office of the city clerk, or the chairman of the county board of commissioners shall file with the county clerk, a record of the proceedings together with the charges against the commissioner and the findings. (1943, c. 780, s. 8; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-23. Powers of the authority.

(a) An authority shall have all powers necessary or convenient to carry out the purposes of this Part, including the following powers, which are in addition to those powers granted elsewhere in this Part:

(1) To investigate hospital, medical, and health conditions and the means of improving those conditions;
(2) To determine where inadequate hospital and medical facilities exist;
(3) To accept donations or money, personal property, or real estate for the benefit of the authority and to take title to the same from any person, firm, corporation or society;
(4) To acquire by purchase, gift, devise, lease, condemnation, or otherwise any existing hospital facilities;
(5) To purchase, lease, obtain options upon, or otherwise acquire any real or personal property or any interest therein from any person, firm, corporation, city, county, or government;
(6) To sell, exchange, transfer, assign, or pledge any real or personal property or any interest therein to any person, firm, corporation, city, county or government;
(7) To own, hold, clear and improve property;
(8) To borrow money upon its bonds, notes, debentures, or evidences of indebtedness, as provided for in G.S. 131E-26 and G.S. 131E-27;
(9) To purchase real or personal property pursuant to G.S. 131E-32;
(10) To appoint an administrator of a hospital facility and necessary assistants, and any and all other employees necessary or advisable, to fix their compensation, to adopt necessary rules governing their employment, and to remove employees;
(11) To delegate to its agents or employees any powers or duties as it may deem appropriate;

(12) To employ its own counsel and legal staff;
(13) To adopt, amend and repeal bylaws for the conduct of its business;
(14) To enter into contracts for necessary supplies, equipment, or services for the operation of its business;
(15) To appoint committees or subcommittees as it shall deem advisable, to fix their duties and responsibilities, and to do all things necessary in connection with the construction, repair, reconstruction, management, supervision, control and operation of the authority's business;
(16) To establish procedures for health care providers to secure the privilege of practicing within any hospital operated by the authority pursuant to Part 3 of Article 5 of this Chapter;
(17) To establish reasonable rules governing the conduct of health care providers while on duty in any hospital operated by the facility pursuant to Part 3 of Article 5 of this Chapter;
(18) To provide for the construction, reconstruction, improvement, alteration or repair of any hospital facility, or any part of a facility;
(19) To enter into any contracts or other arrangements with any municipality, other public agency of this or any other State or of the United States, or with any individual, private organization, or nonprofit association for the provision of hospital, clinical, or similar services;
(20) To lease any hospital facilities to or from any municipality, other public agency of this or any other state or of the United States, or to any individual, corporation, or association upon any terms and subject to any conditions as may carry out the purposes of this Part. The authority may provide for the lessee to use, operate, manage and control the hospital facilities, and to exercise designated powers, in the same manner as the authority itself might do;
(21) To act as an agent for the federal, State or local government in connection with the acquisition, construction, operation or management of a hospital facility, or any part thereof;
(22) To arrange with the State, its subdivisions and agencies, and any county or city, to the extent it is within the scope of their respective functions,
    a. To cause the services customarily provided by each to be rendered for the benefit of the hospital authority,
    b. To furnish, plan, replan, install, open or close streets, roads, alleys, sidewalks or similar facilities and to acquire property, options or property rights for the furnishing of property or services for a hospital facility, and
    c. To provide and maintain parks and sewage, water and other facilities for hospital facilities and to lease and rent any of the dwellings or other accommodations or any of the lands, buildings, structures or facilities embraced in any hospital facility and to establish and revise the rents and charges;
(23) To insure the property or the operations of the authority against risks as the authority may deem advisable;
(24) To invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement, in property or securities in which trustees, guardians, executors, administrators, and others acting in a fiduciary capacity may legally invest funds under their control;
(25) To sue and be sued;
(26) To have a seal and to alter it at pleasure;
(27) To have perpetual succession;
(28) To make and execute contracts and other instruments necessary or convenient to the exercise of the powers of the authority;

(29) To remove vehicles parked on land owned or leased by the hospital authority in areas clearly designated as no parking or restricted parking zones. An owner of a removed vehicle as a condition of regaining possession of the vehicle, shall reimburse the hospital authority for all reasonable costs, not to exceed fifty dollars ($50.00), incidental to the removal and storage of the vehicle provided that the designation of the area as a no parking or restricted parking zone clearly indicates that the owner may be subject to these costs;

(30) To plan and operate hospital facilities;

(31) To provide teaching and instruction programs and schools for medical students, interns, physicians, nurses, technicians and other health care professionals;

(32) To provide and maintain continuous resident physician and intern medical services;

(33) To adopt, amend and repeal rules and regulations governing the admission of patients and the care, conduct, and treatment of patients;

(34) To establish a fee schedule for services received from hospital facilities and make the services available regardless of ability to pay;

(35) To maintain and operate isolation wards for the care and treatment of mental, contagious, or other similar diseases;

(36) To sell a hospital facility pursuant to G.S. 131E-8 or G.S. 131E-13; and

(37) To agree to limitations upon the exercise of any powers conferred upon the hospital authority by this Part in connection with any loan by a government.

(b) A hospital authority may exercise any or all of the powers conferred upon it by this Part, either generally or with respect to any specific hospital facility or facilities, through or by designated agents, including any corporation or corporations which are or shall be formed under the laws of this State.

(c) Expired pursuant to Session Laws 1983, c. 775, s. 1.

(d) No provisions with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to a hospital authority unless otherwise specified by the General Assembly. (1913, c. 42, s. 15; 1917, c. 268; C.S., s. 7273; 1983, c. 775, s. 1; 1995, c. 509, s. 135.1(l); 1997-456, s. 27; 1999-456, s. 6.)

Local Modification. — Craven County: 1987 (Reg. Sess., 1988), c. 922, s. 3.

Editor's Note. — Subdivisions (22)(a), (22)(b) and (22)(c) of this section were renumbered as subdivisions (22)a., (22)b., and (22)c., pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

Session Laws 1999-377, s. 3, effective August 4, 1999, provides that all hospitals which continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

CASE NOTES

Observance of Due Process Requirements. — Hospital authority, in the administration of its public duties of determining who practices medicine and surgery in the hospital, must observe the due process or procedural fairness requirements of the Constitution of the United States. Poe v. Charlotte Mem. Hosp., 374 F. Supp. 1302 (W.D.N.C. 1974), decided under former statutory provisions.

Hospital Granting Exclusive Privilege to Use Equipment Held Not Immune Under State Action Exemption. — In an antitrust action brought under §§ 1 and 2 of the Sherman Act (15 U.S.C. §§ 1 and 2) by plaintiff physicians asserting that defendant hospital had improperly restricted use of its CAT Scan, defendant was held to have failed to show, in support of its motion to dismiss, that the General Assembly had authorized defendant to grant exclusive privileges to certain physicians to use its facilities with the intent to restrict competition, so as to render defendant immune from antitrust liability under the state action exemption. Coastal Neuro-Psychiatric Assocs. v. Onslow County Hosp. Auth., 607 F. Supp. 49 (E.D.N.C. 1985).

§ 131E-24. Eminent domain.

(a) A hospital authority may acquire by eminent domain any real property, including fixtures and improvements, which it deems necessary to carry out the purposes of this Part. The hospital authority may exercise the power of eminent domain under the provisions of Chapter 40A of the General Statutes or any other statute now in force or subsequently enacted for the exercise of the power of eminent domain.

(b) No property belonging to any city, town, or county, any government, religious or charitable organization, or to any existing hospital or clinic may be acquired without its consent. No property belonging to a public utility corporation may be acquired without the approval of the commission or other officer or agency, if any, having regulatory power over the corporation.

(c) The right of eminent domain shall not be exercised unless and until a certificate of public convenience and necessity for the facility has been issued by the North Carolina Utilities Commission. The proceedings leading up to issuing of the certificate of public convenience and necessity, and the right of appeal from the proceedings shall be governed by the Public Utilities Act, Chapter 62 of the General Statutes, and the rights under that act are hereby expressly reserved to all interested parties in the proceedings. In addition to the powers now granted by law to the North Carolina Utilities Commission, the Utilities Commission is authorized to investigate and examine all facilities set up or attempted to be set up under this Part and to determine the question of public convenience and necessity for the facility. (1943, s. 780, s. 10; 1971, c. 799; 1981, c. 919, s. 18; 1983, c. 775, s. 1.)

§ 131E-25. Zoning and building laws.

All hospital facilities of the authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the hospital facility is situated. (1943, c. 780, s. 11; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-26. Revenue bonds and notes.

(a) A hospital authority shall have the power to issue revenue bonds under the Local Government Revenue Bond Act, Chapter 159 of the General Statutes, Article 5, or the bond and revenue anticipation provisions of Chapter 159 of the General Statutes, Article 9, for the purpose of acquiring, constructing, reconstructing, improving, enlarging, bettering, equipping, extending or operating hospital facilities.

(b) A hospital authority shall have the power to borrow for the purposes above enumerated upon its notes or other evidences of indebtedness, subject to the approval of the Local Government Commission as provided in G.S. 131E-32(c). Such approval shall be required regardless of the amount of any such borrowing. Any borrowing by a hospital authority before the date of ratification of Part 2 of Article 2 of this Chapter, whether or not approved by the Local Government Commission, is valid, ratified and confirmed. (1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1999-377, s. 3, effective August 4, 1999, provides that all hospitals that continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes, have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

§ 131E-27. Contracts with federal government.

A hospital authority is authorized:

(1) To borrow money and accept grants from the federal government for or to aid in the construction of a hospital facility;
(2) To acquire any land acquired by the federal government for the construction of a hospital facility; and
(3) To acquire, lease or manage any hospital facility constructed or owned by the federal government.

To these ends, a hospital authority is authorized to enter into contracts, mortgages, trust indentures, leases or other agreements giving the federal government the right to supervise and approve the construction, maintenance and operation of the hospital facility. It is the purpose and intent of this Part to authorize every hospital authority to do any and all things necessary to secure the financial aid and cooperation of the federal government in the construction, maintenance, and operation of hospital facilities. (1943, c. 780, s. 19; 1971, c. 799; 1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1999-377, s. 3, effective August 4, 1999, provides that all hospitals that continue to operate under Article 2 of Chapter 131 of the General Statutes pursuant to Section 3 of Chapter 775 of the 1983 Session Laws shall, in addition to the powers and authorities set forth in Article 2 of Chapter 131 of the General Statutes, have the powers set forth in G.S. 131E-7(a)(1), (3), (5), (6), 131E-7(b), 131E-7(c), 131E-7.1, 131E-11, 131E-23(1), (2), (5), (6), (7), (8), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (23), (24), (25), (26), (27), (28), (30), (31), (32), (33), (34), 131E-26, and 131E-27.

§ 131E-28. Tax exemptions.

(a) Hospital authorities shall be exempt from the payment of taxes or fees to the State or any of its subdivisions, or to any officer or employee of the State or any of its subdivisions.

(b) Hospital authority property used for public purposes shall be exempt from all local and municipal taxes and for the purposes of this tax exemption, an authority shall be deemed to be a municipal corporation.

(c) Bonds, notes, debentures, or other evidences of indebtedness of a hospital authority issued under the Local Government Revenue Bond Act, Chapter 159 of the General Statutes, Article 5, or issued pursuant to the bond and revenue anticipation provisions of Chapter 159 of the General Statutes, Article 9, or issued pursuant to G.S. 131E-26(b) or contracted pursuant to G.S. 131E-32 shall at all times be free from taxation by the State or any of its subdivisions, except for inheritance or gift taxes, income taxes on the gain from the transfer of the instruments, and franchise taxes. The interest on the instruments is not subject to taxation as income. (1943, c. 780, s. 21; 1971, c. 799; 1973, c. 695, s. 6; 1977, c. 268; 1983, c. 775, s. 1; 1995, c. 46, s. 13.)

§ 131E-29. Audits and recommendations.

Each hospital authority shall file with the mayor of the city or the chairman of the county board of commissioners at least annually an audit report by a certified public accountant of its activities for the preceding year, and shall make any recommendations necessary to carry out the purposes of this Part. (1943, c. 780, s. 22; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-30. Appropriations.

Each year the governing body of a city or county in which the hospital authority is located may appropriate and transfer funds to the authority. The appropriations shall be from the General Fund and may not exceed five percent (5%) of the General Fund. Money appropriated and paid to the hospital authority by a city or county shall be deemed a necessary expense of the city or county. However, the appropriations shall not be deemed to be a revenue of the authority for the purpose of bonds of the hospital authority issued under the Local Government Revenue Bond Act, Chapter 159 of the General Statutes, Article 5. (1943, c. 780, s. 25; 1971, c. 780, s. 23; c. 799; 1983, c. 775, s. 1.)

Local Modification to Former G.S. 131-114. — City of Charlotte: 1955, c. 1114.

§ 131E-31. Transfers of property by a city or county to a hospital authority.

(a) A city or county may lease, sell, convey, or otherwise transfer, with or without consideration or with nominal consideration, any property, whether real or personal or mixed, to a hospital authority whose territorial boundaries include at least part of the city or county. A hospital authority is authorized to accept such lease, transfer, assignment or conveyance and to bind itself to the performance and observation of any agreements and conditions required by the city or county.

(b) If a city or county sells, conveys, or otherwise irrevocably transfers to a hospital authority property with a market value in excess of two hundred fifty thousand dollars ($250,000), and if the hospital authority accepts this property, the mayor of the city or the chairman of the county board of commissioners shall have the right to name additional commissioners to serve on the authority. The number of additional commissioners shall be such that the proportion of additional commissioners to existing commissioners is approximately equal to the proportion of the total value being transferred to the hospital authority to the total value of property already held by the authority. The determination of the ratios will be made solely by the governing body of the city or county transferring the property to the hospital authority; however, in no event shall fewer than two nor more than nine commissioners be added to the hospital authority. The total number of commissioners shall be increased by the number of commissioners added under this subsection. The times of commencement and expiration of the initial terms of the commissioners being added shall be determined by agreement between the hospital authority and the governing body of the city or county. After the expiration of the initial terms, subsequent terms will be three years. Copies of the agreement setting out the number of persons being added and the terms of each shall be filed with the clerk of the city or the clerk of the county board of commissioners making the transfer and, thereafter, copies of the reports referred to in G.S. 131E-29 shall be filed with the clerk of the city or the clerk of the county board of commissioners. (1943, c. 780, s. 26; 1961, c. 988, s. 2; 1971, c. 799; 1983, c. 775, s. 1.)

OPINIONS OF ATTORNEY GENERAL

County May Limit Hospital's Exercise of Powers in Lease Agreement. — Under this section, a county has the authority to lease hospital property to a hospital authority organized pursuant to the Hospital Authorities Act under a lease that would require the hospital authority to obtain the county's prior written approval before it exercises some of its powers. See opinion of Attorney General to Thomas S. Stukes, Esq. Smith Helms Mulliss & Moore, L.L.P., 1997 N.C.A.G. 51 (8/18/97).

§ 131E-32. Purchase money security interests.

(a) An authority shall have the power and authority to purchase real or personal property under installment contracts, purchase money mortgages or deeds of trust, or other instruments, which create in the property purchased a security interest to secure payment of the purchase price and interest thereon. No deficiency judgment may be rendered against any authority for breach of an obligation authorized by this section. Any contract made or entered into by an authority before the date of ratification of Part 2 of Article 2 of this Chapter which would have been valid hereunder is valid, ratified and confirmed.

(b) A hospital authority may contract pursuant to this section in an amount of less than seven hundred fifty thousand dollars ($750,000), adjusted, as hereinafter provided, in any single transaction without the approval of the Local Government Commission: Provided, however, that the approval of the Local Government Commission shall be required for any single contract pursuant to this section if the aggregate dollar amount of all such contracts outstanding after any such single transaction, exclusive of revenue bonds issued pursuant to G.S. 131E-26 and federal contracts entered pursuant to G.S. 131E-27, would exceed ten percent (10%) of the total operating revenues, as hereinafter defined, of the hospital authority for its most recently completed fiscal year as set forth in the audited financial statements of such authority for such fiscal year. The approval of the Local Government Commission shall be required with respect to any single contract pursuant to this section in an amount of seven hundred fifty thousand dollars ($750,000) or more, adjusted as hereinafter provided.

(c) Approval of the Local Government Commission under this section or as required by G.S. 131E-26(b) shall be obtained in accordance with such rules and regulations as the Local Government Commission may prescribe and shall be evidenced by the secretary's certificate on the contract or note or other evidence of indebtedness. In determining whether to approve any such contract or borrowing, the Local Government Commission shall consider whether the hospital authority can demonstrate the financial responsibility and capability of the hospital authority to fulfill its obligations with respect to such contract or borrowing. The Local Government Commission may approve the application without other findings, if it finds that (i) the proposed project or the purpose of the borrowing is necessary and expedient, (ii) the contract or the borrowing, under the circumstances, is preferable to a bond issue for the same purpose, (iii) the sums to fall due under the contract or borrowing are adequate and not excessive for the proposed purpose, (iv) the authority's debt management procedures are good, or that reasonable assurances have been given that its debt will henceforth be managed in strict compliance with law and (v) the authority is not in default on any of its debt service obligations. Any contract or borrowing subject to this subsection requiring the approval of the Local Government Commission that does not bear the secretary's certificate thereon shall be void, and it shall be unlawful for any officer, employee or agent of a hospital authority to make any payments of money thereunder. An order of the Local Government Commission approving any such contract or borrowing shall not be regarded as an approval of the legality of the contract or borrowing in any respect.

(d) The seven hundred fifty thousand dollars ($750,000) amount referred to in G.S. 131E-32(b) shall be in effect from July 15, 1983 through September 30, 1984. For each twelve-month period thereafter, the seven hundred fifty thousand dollar ($750,000) amount shall be the figure in effect for the preceding twelve-month period, adjusted to reflect the change in the preceding twelve-month period in the Department of Commerce Composite Construction Cost Index.

(e) For purposes of G.S. 131E-32(b), the "total operating revenues" of a hospital authority for a fiscal year means patient revenue, less provisions for contractual adjustments, uncompensated care and bad debts, plus other operating revenues, all as determined in accordance with generally accepted accounting principles. (1983, c. 775, s. 1.)

§ 131E-33. Part controlling.

Insofar as the provisions of this Part are inconsistent with the provisions of any other law, the provisions of this Part shall be controlling; however this Part shall not be construed as preventing a city, town, or county from establishing and operating a hospital under the authority of any other law now or hereafter in effect. (1943, c. 780, s. 28; 1971, c. 799; 1983, c. 775, s. 1.)

§ 131E-34. Part applicable to City of High Point.

All the provisions of this Part shall apply to the City of High Point, Guilford County, North Carolina, as fully as if the population of the city exceeded 75,000 inhabitants. (1947, c. 349; 1971, c. 799; 1983, c. 775, s. 1.)

§§ 131E-35 through 131E-39: Reserved for future codification purposes.

Part 3. Hospital District Act.

§ 131E-40. Title and purpose.

(a) This Part shall be known as the "Hospital District Act."

(b) It is the purpose of this Part to authorize the creation of hospital districts to furnish hospital, clinical and similar services to the people of this State.

(c) This Part provides an additional and alternative method for the provision of hospital, clinical and similar services.

(d) This Part shall be construed liberally to effect its purposes. (1983, c. 775, s. 1.)

Editor's Note. — Session Laws 1983, c. 775, s. 3, provided: "Notwithstanding the foregoing, any unit of government, or units of government acting jointly, that as of December 31, 1983, is operating a hospital or hospitals pursuant to Articles 2 or 2A of Chapter 131 of the General Statutes may continue to operate pursuant to the provisions of those Articles as they existed on December 31, 1983, to the extent that those Articles are inconsistent with this Chapter. However, a unit of government that has been operating a hospital pursuant to those Articles may choose to continue operations under the provisions of one of the Parts of Article 2 of this Chapter by adopting an appropriate resolution and by satisfying all other requirements of the relevant Part of Article 2 of this Chapter."

Session Laws 1989, c. 283, ss. 1 and 2, effective June 12, 1989, amended G.S. 131-7. Chapter 131 was repealed by Session Laws 1983, c. 775, s. 1, effective January 1, 1984. However, Session Laws 1983, c. 775, s. 3 contained a savings provision for certain units of government.

Session Laws 1989, c. 283, ss. 1 and 2 provided: "Section 1. G.S. 131-7, as it applies to hospitals continuing to operate under Article 2, Chapter 131 of the North Carolina General Statutes pursuant to Section 3, Chapter 775 of the 1983 Session Laws, is amended by rewriting the first sentence to read: 'Should a majority of the qualified voters upon the question be in favor of establishing such county, township, or town hospital, the governing body shall proceed at once to appoint seven trustees chosen from the citizens at large with reference to their fitness for such office, all residents of the county, township or town, who shall constitute a board of trustees for such public hospital."

"Sec. 2. G.S. 131-7 is amended by deleting the phrase 'No practicing physician may serve as a trustee.', and substituting 'One practicing physician may serve as a trustee'."

CASE NOTES

As to the constitutionality of former statutory provisions, see Williamson v. Snow, 239 N.C. 493, 80 S.E.2d 262 (1954).

§ 131E-41. Methods of creation of a hospital district.

(a) The voters of an area may petition their county board of commissioners and the North Carolina Medical Care Commission for the creation of a hospital district. All of the area proposed to be included within a hospital district must be located within one county. The petition shall be signed by at least 500 voters of the area described in the petition. However, if the area has less than 1,100 voters, then the minimum number of petitioners shall be 250 voters. The petition shall set forth:

(1) A description of the area to be included within the proposed hospital district;
(2) The names of all municipalities located in whole or in part in the proposed hospital district;
(3) The names of all publicly owned hospitals in the proposed hospital district;
(4) The purpose or purposes sought to be accomplished by the creation of the hospital district; and
(5) The proposed name of the hospital district.

The petition shall be delivered to the county board of commissioners of the county in which the proposed hospital district would be located. If the county board of commissioners approves the creation of the hospital district, they shall have the petition delivered to the North Carolina Medical Care Commission for review under G.S. 131E-42.

(b) In the alternative, the county board of commissioners, in its discretion, may create a hospital district by resolution. This authority exists only when one hospital district already exists in the county, or when a special tax levy for hospital purposes has been authorized or is now authorized with respect to a portion of the county. This power is limited to establishing a hospital district in the area lying outside the existing hospital district or outside the portion of the county in which a hospital tax levy has been or is now authorized. When a county board of commissioners exercises its power under this subsection, all other provisions of this Part shall be applicable, except as modified by this subsection. (1949, c. 766, s. 5; 1953, c. 1045, s. 1; 1959, cc. 877, 1074; 1971, c. 780, s. 37.4; 1973, c. 476, s. 152; c. 494, s. 45; c. 1090, s. 1; 1983, c. 775, s. 1.)

§ 131E-42. Hearing and determination.

(a) After receipt of a petition for the creation of a hospital district that meets the requirements of G.S. 131E-41(a) and that has been approved by the county board of commissioners, the North Carolina Medical Care Commission shall give notice of a hearing on the creation of a hospital district. The notice of hearing shall be posted at the county courthouse door and at three public places within the proposed district. In addition, notice of hearing shall be published at least once for three successive weeks in a newspaper circulating in the proposed district. The notice of hearing shall specify:

(1) The date of hearing which shall not be earlier than 20 days after the first posting and publication of notice;

(2) The location of the hearing, which shall be within the county in which the proposed district would be located; and

(3) That any interested person may appear and be heard at the hearing.

(b) At the time and place specified in the notice of hearing, the North Carolina Medical Care Commission, or its designee, shall hear all interested persons, and, if necessary, adjourn and reconvene at a later time.

(c) After the hearing, the North Carolina Medical Care Commission shall determine if it is in the public interest and beneficial to the residents of the area to create a hospital district, and, if it is, shall adopt a resolution creating the hospital district. The resolution shall define the area to be included in the hospital district. The area shall either be the one described in the petition or a part of that area. However, no municipality, in whole or in part, shall be included in a hospital district unless the governing body of the municipality shall have approved by resolution the inclusion and shall have filed a certified copy of the resolution with the North Carolina Medical Care Commission.

(d) Each hospital district shall be designated by the North Carolina Medical Care Commission as the "__________ Hospital District of __________ County," inserting in the blank spaces a name identifying the locality and the name of the county.

(e) The North Carolina Medical Care Commission shall give notice of the creation of a hospital district. The notice shall be published at least once for two successive weeks in the newspaper in which the notice of hearing required by G.S. 131E-42(a) was published. A notice substantially in the following form, the blanks first being properly filled in, with the printed or written signature of the executive secretary of the North Carolina Medical Care Commission appended, shall be published with the resolution:

> The foregoing resolution was passed by the North Carolina Medical Care Commission on the ________ day of ____________, ________; it was first published on the ________ day of ____________, ________.
>
> Any action or proceeding questioning the validity of the resolution or creation of the ____________ Hospital District of __________. County or the inclusion in the district of any of the areas described in the resolution must be commenced within thirty days after the first publication of this resolution.
>
> ______________________________
>
> Secretary
> North Carolina Medical
> Care Commission.

(1943, c. 766, s. 5; 1951, c. 805; 1953, c. 1045, ss. 1, 2; 1959, c. 877; 1973, c. 476, s. 152; c. 1090, s. 1; 1983, c. 775, s. 1; 1999-456, s. 59.)

CASE NOTES

Resolution of Commission. — The provision in former similar section requiring the adoption of a resolution "determining that the residents of all the territory to be included in such district will be benefited by the creation of such district" was nothing more than a requirement that the Medical Care Commission, before creating a hospital district, should determine that a hospital was needed in the area included within the boundaries of such proposed hospital district. Williamson v. Snow, 239 N.C. 493, 80 S.E.2d 262 (1954).

§ 131E-43. Limitation of actions.

Any action or proceeding in any court to set aside a resolution of the North Carolina Medical Care Commission creating any hospital district, or questioning the validity of the resolution, or the creation of any hospital district, or the inclusion in the district of any of the territory described in the resolution creating the district, must be commenced within 30 days after the first publication of the resolution and notice required by G.S. 131E-42(e). Thereafter, no right of action or defense founded upon the invalidity of a resolution or the creation of a district or the inclusion of any territory in the district shall be asserted, nor shall the validity of the resolution or the creation of the district or the inclusion of any territory be open to question in any court upon any ground, except in any action or proceeding commenced within the 30-day period. (1949, c. 766, s. 5; 1951, c. 805; 1953, c. 1045, s. 2; 1973, c. 476, s. 152; c. 1090, s. 1; 1983, c. 775, s. 1.)

§ 131E-44. General powers.

(a) The inhabitants of a hospital district are a body corporate and politic by the name specified by the North Carolina Medical Care Commission. Under that name they:

(1) Are vested with all the property and rights of property belonging to any corporation;
(2) Have perpetual succession;
(3) May sue or be sued;
(4) May contract;
(5) May acquire any real or personal property;
(6) May hold, invest, sell or dispose of property;
(7) May have a seal and alter and renew it; and
(8) May exercise the powers conferred upon them by this Part.

(b) A hospital district is vested with all the powers necessary or convenient to carry out the purposes of this Part, including the following powers, which are in addition to the powers granted elsewhere:

(1) Those powers granted under the Municipal Hospital Act, Chapter 131E of the General Statutes, Article 2, Part 1;
(2) To issue general obligation and revenue bonds and bond anticipation notes pursuant to the Local Government Finance Act, Chapter 159 of the General Statutes;
(3) To issue tax and revenue anticipation notes pursuant to Chapter 159 of the General Statutes, Article 9, Part 2; and
(4) All other powers as are necessary and incidental to the exercise of the powers of this Part. (1971, c. 780, s. 37.4; 1973, c. 476, s. 152; c. 494, s. 45; 1983, c. 775, s. 1.)

§ 131E-45. County taxes.

The county board of commissioners may levy a tax for the financing of the operation, equipment, and maintenance of any hospital operated by the district, including any public or nonprofit hospital, if the tax is approved by a majority of the qualified voters of the hospital district who shall vote on the question of levying the tax. The county board of commissioners shall determine the rate or amount of taxes that will be levied if approved by the voters of the district. The election on the question of levying the tax may be held at any time fixed by the county board of commissioners and shall be conducted in the same manner as bond elections held under G.S. 159-61. (1949, c. 766, s. 5; 1953, c. 1045, s. 6; 1983, c. 775, s. 1.)

§ 131E-46. Referendum on repeal of tax levy.

(a) The board of commissioners of the county in which a hospital district was created under the provisions of this Part may, if a tax levy was authorized by referendum under G.S. 131E-45, call a referendum on the repeal of the authority to levy a tax. Such referendum may be called only if there are no outstanding general obligation bonds of the district.

(b) The question on the ballot shall be:

"☐ FOR removal of the right of the board of county commissioners to levy and collect a tax in ______ Hospital District of ______ County,

"☐ AGAINST removal of the right of the board of county commissioners to levy and collect a tax in ______ Hospital District of ______ County."

(c) The referendum shall be conducted in the same manner as bond elections held under G.S. 159-61. No new registration of voters shall be required.

(d) If a majority of the votes cast are in favor of the question, then beginning on the first day of the fiscal year following the date of the referendum, the board of county commissioners shall have no authority to levy a tax in the hospital district unless the voters approve under G.S. 131E-45. No referendum may be held within one year of the date of a referendum under this section. (1983, c. 775, s. 1.)

§ 131E-47. Governing body.

The board of county commissioners of the county in which a hospital district is located shall be the governing body of the district. All of the provisions of the Municipal Hospital Act, Chapter 131E, Article 2, Part 1, shall apply to the hospital district and to the county board of commissioners as the governing body. (1953, c. 1045, s. 7; 1983, c. 775, s. 1.)

Part 4. Limited Liability.

§ 131E-47.1. Limited liability.

(a) A person serving as a director, trustee, or officer of a public hospital as defined in G.S. 159-39, or as a commissioner, member, or officer of a hospital authority established under Part 1 or 2 of this Article, or as a director, trustee, or officer of North Carolina Memorial Hospital, shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of this service, except where the person:

(1) Is compensated for his services beyond reimbursement for expenses,
(2) Was not acting within the scope of his official duties,
(3) Was not acting in good faith,
(4) Committed gross negligence or willful or wanton misconduct that resulted in the damage or injury,
(5) Derived an improper personal financial benefit from the transaction,
(6) Incurred the liability from the operation of a motor vehicle, or
(7) Is defendant in an action brought under G.S. 55A-28.1 or 55A-28.2.

(b) The immunity in subsection (a) is personal to the directors, trustees, officers, commissioners, and members, and does not immunize the hospital or hospital authority for liability for the acts or omissions of the directors, trustees, or officers. (1987 (Reg. Sess., 1988), c. 1057, s. 1; c. 1100, s. 39.2.)

ARTICLE 2A.

Garnishment for Debts Owed Public Hospitals.

§ 131E-48. Definitions.

As used in this Article, unless the context clearly requires otherwise:

(1) "Disposable earnings" means that part of the compensation paid or payable for personal services, including wages, salary, commission, bonus, payments to a pension or retirement program, and other similar payments that remain after the deduction of any amounts required by law to be withheld.

(2) "Family" means a parent or parents and minor children or spouses that reside together.

(3) "Family income of the debtor" means family income as set out in the annual federal poverty guidelines issued by the United States Department of Health and Human Services in effect at the time of the hearing, less the amount of the costs of the family's reasonable ongoing medical needs.

(4) "Garnishee" means an employer liable for compensation for personal services rendered or to be rendered by a person who is indebted to a public hospital for hospital services.

(5) "Hospital services" means services rendered only by the public hospital. Hospital services shall include professional charges of any physician or medical student, but only if the physician or student is an employee of the public hospital.

(6) "Public hospital" means any hospital facility operated on a nonprofit basis, any hospital that is owned or operated by the State, or any hospital as defined in G.S. 159-39(a). (1987 (Reg. Sess., 1988), c. 880, s. 1.)

§ 131E-49. Procedure for garnishment.

(a) A public hospital may move the court in the county wherein the debtor resides for an order for garnishment of the disposable earnings of the debtor after 10 days following the entry of a judgment for a sum certain for hospital services rendered if the following conditions have been met:

(1) The public hospital has made reasonable efforts to collect the bill from any third-party payors;

(2) The public hospital has waited for a period of at least 120 days following the mailing of the bill for hospital services rendered to the debtor's last known address; and

(3) The public hospital has sent a certified letter to the debtor's last known address which includes information that the debtor's disposable earnings may be subject to wage garnishment unless the debtor shows the hospital that his family income is at or below two hundred percent (200%) of the annual federal poverty guidelines. The letter shall include the definition of family, family income, the current federal poverty guidelines in effect at the time of the letter, and the procedures to contest the proposed garnishment.

(b) The court may enter an order of garnishment following notice requirements set forth in this Article and a hearing held pursuant to the motion for garnishment. Provided, however, that the court shall not enter an order of garnishment unless the court makes findings of fact that the current family income of the debtor, at the time of the hearing, exceeds two hundred percent (200%) of the guidelines. The notice of the motion for garnishment shall include information that the debtor's disposable earnings shall not be garnished if the debtor shows that his current family income is at or below two hundred percent (200%) of the annual federal poverty guidelines and the definition of family, family income, and the guidelines shall be attached to such notice. The notice shall also state the procedures and duties applicable under this Article, including the procedures the debtor should follow to contest the proposed garnishment. The court shall presume that the current family income of the debtor exceeds two hundred percent (200%) of the federal poverty guidelines if the debtor or his representative fails to appear at the hearing held on the motion for garnishment. If an order for garnishment is entered, a copy of the order shall be served on the debtor and the garnishee either personally or by certified or registered mail, return receipt requested.

(c) The court shall not enter an order of garnishment if the debtor is making regular payments to the public hospital that are equal to ten percent (10%) of the debtor's monthly disposable earnings. Further, the court shall not enter an order of garnishment if the debtor satisfactorily shows that he is making a good faith effort to obtain payment for hospital services from a third-party payor.

(d) The court shall not enter an order of garnishment which exceeds ten percent (10%) of the debtor's monthly disposable earnings. The court shall not enter an order of garnishment which is in effect for a period in excess of 60 months from the date of the initial order of garnishment.

(e) The amount garnished shall be increased by an additional one dollar ($1.00) processing fee to be assessed and retained by the garnishee for each payment under the order.

(f) The garnishment order shall be subject to review for modification or dissolution upon the filing of a motion in the cause. The garnishment order shall be dissolved upon a showing by the debtor that his current family income equals or is less than two hundred percent (200%) of the annual federal poverty guidelines issued by the United States Department of Health and Human Services in effect at the time of the hearing on the motion.

(g) Upon receipt of an order of garnishment, the garnishee shall transmit the amount ordered by the court to be garnished to the clerk of court who shall disburse it to the public hospital. The garnishee shall not be required to change normal pay cycles, but shall make every effort to ensure that payments are received as soon as practicable. The garnishment order shall simplify the withholding process for garnishees to the extent possible. (1987 (Reg. Sess., 1988), c. 880, s. 1.)

§ 131E-50. Penalties.

No employee may be discharged from employment or suffer any disciplinary action because he has been subject to garnishment of his wages if one of the garnishments was under this Article. An employee who believes that this provision has been violated may bring an action against the employer. In any such action, the court for cause shown shall restrain violations and order payment of damages, including backpay, reinstatement, and all other appropriate relief, including payment of the employee's reasonable costs and attorney's fees. (1987 (Reg. Sess., 1988), c. 880, s. 1.)

§ 131E-51. Applicability.

Garnishment of disposable earnings under this Article is in lieu of any other execution against the property of the debtor. Upon the satisfaction of the judgment or the expiration of the order of garnishment or 60 months from the date of the entry of the order of garnishment, whichever occurs first, the clerk shall mark the judgment paid and satisfied. (1987 (Reg. Sess., 1988), c. 880, s. 1; 1991 (Reg. Sess., 1992), c. 1030, s. 36.)

§§ 131E-52 through 131E-54: Reserved for future codification purposes.

ARTICLE 3.

North Carolina Specialty Hospitals.

Part 1. Lenox Baker Children's Hospital.

§§ 131E-55 through 131E-58: Repealed by Session Laws 1987, c. 856, s. 13.

Editor's Note. — Session Laws 1987, c. 856, s. 13 repealed G.S. 131E-55 to 131E-58.

Session Laws 1987, c. 856, s. 20 provided that ss. 1 through 19 would be effective only upon agreement by Duke University to the terms of ss. 21 through 26 of the act and certification of that fact by the Secretary of the Department of Human Resources to the Governor, and that ss. 12 to 17 would be effective on the date of the transfer. Section 20 further provided that any disputes arising out of the transfer would be resolved by the Director of Budget.

The letter of certification from the Secretary of the Department of Human Resources was dated October 5, 1988, but it appears that this was a typographical error and that October 5, 1987, was the correct date.

Sections 21 through 26 of the act provided terms for the transfer of the Lenox Baker Hospital to Duke University.

Session Laws 1987, c. 279 amended repealed G.S. 131E-56.

§§ 131E-59 through 131E-64: Reserved for future codification purposes.

Part 2. Other Programs Controlled by the Department.

§ 131E-65. Alcohol Detoxification Program.

There shall be no reduction of services offered, no contracting of primary services, nor removal of this facility from Buncombe County without prior approval of the General Assembly. (1983, c. 775, s. 1.)

§ 131E-66: Repealed by Session Laws 1985, c. 589, s. 40.

§ 131E-67. Specialty hospitals.

All functions, powers, duties, and obligations heretofore vested in the Board of Directors of the North Carolina Specialty Hospitals and Eastern North Carolina Hospital are hereby transferred to and vested in the Department. All appropriations heretofore made to such Board of Directors or to any of the hospitals are hereby transferred to the Department. The Secretary of the Department shall have the power and duty to adopt rules for the operation of these facilities. (1979, c. 838, s. 46; 1983, c. 775, s. 1.)

§§ 131E-68, 131E-69: Reserved for future codification purposes.

Article 4.

Construction and Enlargement of Hospitals.

§ 131E-70. Construction and enlargement of local hospitals.

(a) The Department is authorized to continue surveys of all counties in the State to determine:

(1) The hospital needs of the county;
(2) The economic ability of various areas to support adequate hospital service;
(3) What assistance by the State, if any, is necessary to supplement other available funds; to finance the construction of new hospitals and health centers, additions to existing hospitals and health centers; and to finance equipment necessary to provide adequate hospital service for the citizens of the county;

and to periodically report this information, together with its recommendations, to the Governor, who shall transmit the reports to the General Assembly for any legislative action necessary to ensure an adequate statewide hospital program.

(b) The Department is authorized to act as the agency of the State to develop and administer a statewide plan in accordance with rules adopted by the Medical Care Commission for the construction and maintenance of hospitals, public health centers and related facilities and to receive and administer funds which may be provided by the General Assembly and by the federal government.

(c) The Department is authorized to develop statewide plans for the construction and maintenance of hospitals, medical centers and related facilities, or other plans necessary in order to meet the requirements and receive the benefits of applicable federal legislation.

(d) The Department is authorized to adopt rules to carry out the intent and purposes of this Article.

(e) The Department shall be responsible for doing all acts necessary to authorize the State to receive the full benefits of any federal statutes enacted for the construction and maintenance of hospitals, health centers or allied facilities.

(f) The Medical Care Commission shall make grants-in-aid to counties, cities, towns and subdivisions of government to acquire real estate and construct hospital facilities, including the reconstruction, remodeling or addition to any hospital facilities acquired by municipalities or subdivisions of government for use as community hospitals. These appropriations and funds made available by the State shall be allocated, apportioned and granted for the purposes of this Article and for other purposes in accordance with the rules adopted by the Medical Care Commission. The Medical Care Commission may furnish financial and other types of aid and assistance to any nonprofit hospital owned and operated by a corporation or association, no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual, upon the same terms and conditions as this aid and financial assistance is granted to municipalities and subdivisions of government.

(g) The Department may make available to any eligible hospital, clinic, or other medical facility operated by the State any unallocated federal sums or balances remaining after all grants-in-aid for local approvable projects made by the Department have been completed, disbursed or encumbered. (1945, c.

1096; 1947, c. 933, ss. 3, 5; 1949, c. 592; 1951, c. 1183, s. 1; 1971, c. 134; 1973, c. 476, s. 152; c. 1090, s. 1; 1979, c. 504, ss. 8, 14; 1983, c. 775, s. 1.)

Legal Periodicals. — For article, "The Obligation of North Carolina Municipalities and Hospital Authorities to Provide Uncompensated Hospital Care to the Medically Indigent," see 20 Wake Forest L. Rev. 317 (1984).

§§ 131E-71 through 131E-74: Reserved for future codification purposes.

ARTICLE 5.

Hospital Licensure Act.

Part 1. Article Title and Definitions.

§ 131E-75. Title; purpose.

(a) This Article shall be known as the "Hospital Licensure Act."

(b) The purpose of this article is to establish hospital licensing requirements which promote public health, safety and welfare and to provide for the development, establishment and enforcement of basic standards for the care and treatment of patients in hospitals. (1947, c. 933, s. 6; 1983, c. 775, s. 1.)

Legal Periodicals. — For article, "The Obligation of North Carolina Municipalities and Hospital Authorities to Provide Uncompensated Hospital Care to the Medically Indigent," see 20 Wake Forest L. Rev. 317 (1984).

CASE NOTES

This Act does not authorize a private enforcement action against a hospital which refused medical care to a non-Indian; the legislature provided for enforcement of this Act only by the North Carolina Department of Health and Human Services. Williams v. United States, 242 F.3d 169, 2001 U.S. App. LEXIS 3126 (4th Cir. 2001).

Cited in Fowler v. Worsley, 158 N.C. App. 128, 580 S.E.2d 74, 2003 N.C. App. LEXIS 946 (2003).

§ 131E-76. Definitions.

As used in this article, unless otherwise specified:

(1) "Commission" means the North Carolina Medical Care Commission.

(1a) "Critical access hospital" means a hospital which has been designated as a critical access hospital by the North Carolina Department of Health and Human Services, Office of Research, Demonstrations and Rural Health Development. To be designated as a critical access hospital under this subdivision, the hospital must be certified as a critical access hospital pursuant to 42 CFR Part 485 Subpart F. The North Carolina Department of Health and Human Services, Office of Research, Demonstrations, and Rural Health Development may designate a hospital located in a Metropolitan Statistical Area as a rural hospital for the purposes of the critical access hospital program if the hospital is located in a county with twenty-five percent (25%) or more rural residents as defined by the most recent United States decennial census.

(1b) through (1d) Reserved for future codification purposes.

(1e) “Gastrointestinal endoscopy room” means a room used for the performance of procedures that require the insertion of a flexible endoscope into a gastrointestinal orifice to visualize the gastrointestinal lining and adjacent organs for diagnostic or therapeutic purposes.

(2) “Governing body” means the Board of Trustees, Board of Directors, partnership, corporation, association, person or group of persons who maintain and control the hospital. The governing body may or may not be the owner of the properties in which the hospital services are provided.

(3) “Hospital” means any facility which has an organized medical staff and which is designed, used, and operated to provide health care, diagnostic and therapeutic services, and continuous nursing care primarily to inpatients where such care and services are rendered under the supervision and direction of physicians licensed under Chapter 90 of the General Statutes, Article 1, to two or more persons over a period in excess of 24 hours. The term includes facilities for the diagnosis and treatment of disorders within the scope of specific health specialties. The term does not include private mental facilities licensed under Article 2 of Chapter 122C of the General Statutes, nursing homes licensed under G.S. 131E-102, adult care homes licensed under Part 1 of Article 1 of Chapter 131D of the General Statutes, and any outpatient department including a portion of a hospital operated as an outpatient department, on or off of the hospital’s main campus, that is operated under the hospital’s control or ownership and is classified as Business Occupancy by the Life Safety Code of the National Fire Protection Association as referenced under 42 C.F.R. § 482.41. Provided, however, if the Business Occupancy outpatient location is to be operated within 30 feet of any hospital facility, or any portion thereof, which is classified as Health Care Occupancy or Ambulatory Health Care Occupancy under the Life Safety Code of the National Fire Protection Association, the hospital shall provide plans and specifications to the Department for review and approval as required for hospital construction or renovations in a manner described by the Department.

(4) “Infirmary” means a unit of a school, or similar educational institution, which has the primary purpose to provide limited short-term health and nursing services to its students.

(5) “Medical review committee” means any of the following committees formed for the purpose of evaluating the quality, cost of, or necessity for hospitalization or health care, including medical staff credentialing:
  a. A committee of a state or local professional society.
  b. A committee of a medical staff of a hospital.
  c. A committee of a hospital or hospital system, if created by the governing board or medical staff of the hospital or system or operating under written procedures adopted by the governing board or medical staff of the hospital or system.
  d. A committee of a peer review corporation or organization.

(6) Renumbered.

(6a) “Operating room” means a room used for the performance of surgical procedures requiring one or more incisions and that is required to comply with all applicable licensure codes and standards for an operating room.

(7) “Rural hospital network” means an alliance of members that shall include at least one critical access hospital and one other hospital. To qualify as a rural hospital network, the critical access hospital must

submit a comprehensive, written memorandum of understanding to the Department of Health and Human Services, Office of Research, Demonstrations and Rural Health Development, for the Department's approval. The memorandum of understanding must include provisions for patient referral and transfer, a plan for network-wide emergency services, and a plan for sharing patient information and services between hospital members including medical staff credentialing, risk management, quality assurance, and peer review. (1947, c. 933, s. 6; 1949, c. 920, s. 1; 1955, c. 369; 1961, c. 51, s. 1; 1973, c. 476, s. 152; 1983, c. 775, s. 1; 1985, c. 589, s. 41; 1993, c. 321, s. 245; 1995, c. 535, s. 20; 1997-443, s. 11A.118(a); 2004-149, ss. 1.1, 2.4; 2004-199, s. 49; 2005-346, ss. 1, 2; 2009-462, s. 4(j); 2009-487, s. 4(a).)

Editor's Note. — Session Laws 2004-161, ss. 34.1 through 34.5, create the Health Care Workforce Study Commission. The Commission is to report its findings to the 2006 Regular Session of the 2005 General Assembly and will terminate upon the earlier of the filing of the final report or April 30, 2006. Section 34.2 of Session Laws 2004-161 provides: "The purpose of the Commission is to determine methods to increase the number of people providing health and dental care in this State and to overcome existing barriers contributing to the health care provider shortages."

Session Laws 2005-346, s. 9, provides: "Nothing in Sections 2 through 10 of this act shall be construed to represent legislative intent as to the circumstances under which Medicare or Medicaid certification may be obtained for a provider of ambulatory surgery services."

Effect of Amendments. — Session Laws 2009-462, s. 4(j), effective October 1, 2009, substituted "Part 1 of Article 1 of Chapter 131D of the General Statutes" for "G.S. 131D-2" in subdivision (3).

Session Laws 2009-487, s. 4(a), effective August 26, 2009, added the language beginning "and any outpatient department including a portion of a hospital operated as an outpatient department" at the end of subdivision (3) and made a related change.

Legal Periodicals. — For comment, "Civil Procedure — Discovery of Medical Records in a Corporate Negligence Action," see 10 Campbell L. Rev. 193 (1987).

For survey on the medical review committee privilege, see 67 N.C.L. Rev. 79 (1988).

CASE NOTES

A board of trustees is not within the contemplation of subdivision (5), which defines a medical review committee. Shelton v. Morehead Mem. Hosp., 76 N.C. App. 253, 332 S.E.2d 499 (1985), modified on other grounds, 318 N.C. 76, 347 S.E.2d 824 (1986).

A board of trustees of a hospital is not a medical review committee, even though the board may review personnel recommendations of the medical review committees and has ultimate decision-making authority upon these recommendations by virtue both of the hospital's bylaws and G.S. 131E-85. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Peer review committee. — Hospital's surgical peer review committee was a medical review committee within the meaning of G.S. 131E-76(5) because, according to the bylaws, the committee was a peer review committee of the surgical section and the composition and function of the committee as defined by the Bylaws met the definition of a medical review committee. Woods v. Moses Cone Health Sys., — N.C. App. —, 678 S.E.2d 787, 2009 N.C. App. LEXIS 1070 (July 7, 2009).

Applied in Armstrong v. Barnes, 171 N.C. App. 287, 614 S.E.2d 371, 2005 N.C. App. LEXIS 1262 (2005).

Cited in Cohn v. Wilkes Gen. Hosp., 127 F.R.D. 117 (W.D.N.C. 1989); In re B.D.N., 186 N.C. App. 108, 649 S.E.2d 913, 2007 N.C. App. LEXIS 1969 (2007); Cunningham v. Cannon, 187 N.C. App. 732, 654 S.E.2d 24, 2007 N.C. App. LEXIS 2529 (2007).

Part 2. Hospital Licensure.

§ 131E-77. Licensure requirement.

(a) No person or governmental unit shall establish or operate a hospital in this state without a license. An infirmary is not required to obtain a license under this Part.

(b) The Commission shall prescribe by rule that any licensee or prospective applicant seeking to make specified types of alteration or addition to its facilities or to construct new facilities shall submit plans and specifications before commencement to the Department for preliminary inspection and approval or recommendations with respect to compliance with the applicable rules under this Part.

(c) An applicant for licensing under this Part shall provide information related to hospital operations as requested by the Department. The required information shall be submitted by the applicant on forms provided by the Department and established by rule.

(d) Upon receipt of an application for a license, the Department shall issue a license if it finds that the applicant complies with the provisions of this Article and the rules of the Commission. The Department shall renew each license in accordance with the rules of the Commission. The Department shall charge the applicant a nonrefundable annual base license fee plus a nonrefundable annual per-bed fee as follows:

Facility Type	**Number of Beds**	**Base Fee**	**Per-Bed Fee**
General Acute Hospitals:	1-49 beds	$250.00	$17.50
	50-99 beds	$350.00	$17.50
	100-199 beds	$450.00	$17.50
	200-399 beds	$550.00	$17.50
	400-699 beds	$750.00	$17.50
	700+ beds	$950.00	$17.50
Other Hospitals:		$500.00	$17.50

(e) The Department shall issue the license to the operator of the hospital who shall not transfer or assign it except with the written approval of the Department. The license shall designate the number and types of inpatient beds, the number of operating rooms, and the number of gastrointestinal endoscopy rooms.

(f) The operator shall post the license on the licensed premises in an area accessible to the public. (1947, c. 933, s. 6; 1949, c. 920, ss. 3, 4; 1963, c. 66; 1973, c. 476, s. 152; c. 1090, s. 1; 1975, c. 718, s. 2; 1983, c. 775, s. 1; 2003-284, s. 34.2(a); 2005-276, s. 41.2(b); 2005-346, s. 3; 2009-451, s. 10.76(e).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

Session Laws 2005-346, s. 9, provides: "Nothing in Sections 2 through 10 of this act shall be construed to represent legislative intent as to the circumstances under which Medicare or Medicaid certification may be obtained for a provider of ambulatory surgery services."

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 10.76(e), effective August 14, 2009, substituted "$17.50" for "$12.50" under the "Per-Bed Fee" column for each category in subsection (d).

CASE NOTES

Requirement to Exhaust Administrative Remedies. — Trial court properly dismissed appeal by hospital joint venture and a town from denial of a certificate of need to construct a new hospital under the exemption provisions of G.S. 131E-184(a); the equal protection claim under N.C. Const. art. I, § 19 and U.S. Const. amend. XIV was properly dismissed as it failed to state a claim upon which relief could be granted in that it failed to allege the lack of a rational basis. Good Hope Hosp., Inc. v. N.C. HHS, Div. of Facility Servs., 174 N.C. App. 266, 620 S.E.2d 873, 2005 N.C. App. LEXIS 2399 (2005).

§ 131E-78. Adverse action on a license.

(a) The Department shall have the authority to deny, suspend, revoke, annul, withdraw, recall, cancel, or amend a license in any case when it finds a substantial failure to comply with the provisions of this Part or any rule promulgated under this Part.

(b) Repealed by Session Laws 2007-444, s. 1, effective August 23, 2007.

(b1) The Secretary may suspend the admission of any new patients to specific areas of a hospital or suspend specific services of a hospital licensed under this Article where the conditions of the hospital constitute a substantial failure to comply with the provisions of this Part or any rule adopted under this Part and are dangerous to the health or safety of the patients. When the Secretary suspends admissions or specific services, the suspension shall be limited to the smallest possible components of the hospital. The Department shall provide consultation to assist the hospital in correcting the conditions that led to the suspension in order that the suspension can be lifted at the earliest possible time after the Secretary is satisfied that conditions or circumstances merit removal of the suspension. In determining whether to suspend admissions or services under this subsection, the Secretary shall consider the following factors:

(1) The character and degree of impact of the conditions at the hospital on the health and safety of its patients.

(2) The character and degree of impact that the proposed suspension of admissions or services would have on the functionality of the hospital and the availability of services necessary to the community or to current patients of the hospital.

(3) Whether all other reasonable means for correcting the problem have been exhausted and no less restrictive alternative to suspension of admissions or service exists.

(c) Repealed by Session Laws 2007-444, s. 1, effective August 23, 2007.

(c1) A hospital may contest any adverse action on its license under this section in accordance with Chapter 150B of the General Statutes. (1947, c. 933, s. 6; 1973, c. 476, s. 152; c. 1090, s. 1; 1981, c. 614, ss. 16, 17; 1983, c. 775, s. 1; 1987, c. 827, s. 1; 2007-444, s. 1.)

CASE NOTES

Exhaustion of Administrative Remedies. — Trial court properly dismissed the constitutional claims, under 42 U.S.C.S. § 1983, after it dismissed the appeal from denial of an application to build a new hospital because the plaintiffs, a town and a joint venture, failed to exhaust their administrative remedies by pursuing an administrative review hearing as provided by G.S. 131E-78(b)(1). Good Hope Hosp., Inc. v. N.C. HHS, Div. of Facility Servs., 174 N.C. App. 266, 620 S.E.2d 873, 2005 N.C. App. LEXIS 2399 (2005).

§ 131E-79. Rules and enforcement.

(a) The Commission shall promulgate rules necessary to implement this Article.

(b) The Department shall enforce this Article and the rules of the Commission. (1947, c. 933, s. 6; 1973, c. 476, s. 152; 1983, c. 775, s. 1.)

CASE NOTES

Cited in Williams v. United States, 242 F.3d 169, 2001 U.S. App. LEXIS 3126 (4th Cir. 2001).

§ 131E-79.1. Counseling patients regarding prescriptions.

(a) Any hospital or other health care facility licensed pursuant to this Chapter or Chapter 122C of the General Statutes, health maintenance organization, local health department, community health center, medical office, or facility operated by a health care provider licensed under Chapter 90 of the General Statutes, providing patient counseling by a physician, a registered nurse, or any other appropriately trained health care professional shall be deemed in compliance with the rules adopted by the North Carolina Board of Pharmacy regarding patient counseling.

(b) As used in this section, "patient counseling" means the effective communication of information to the patient or representative in order to improve therapeutic outcomes by maximizing proper use of prescription medications and devices. (1993, c. 529, s. 7.7.)

§ 131E-80. Inspections.

(a) The Department shall make or cause to be made inspections as it may deem necessary. Any hospital licensed under this Part shall at all times be subject to inspections by the Department according to the rules of the Commission. Except as provided under G.S. 131E-77(b) of this Part, after the hospital's initial licensing, any location included or added to the hospital's accreditation through an accrediting body approved pursuant to section 1865(a) of the Social Security Act, shall be deemed to be part of the hospital's license; provided, however, that all locations may be subject to inspections which the Department deems necessary to validate compliance with the requirements set forth in this Part.

(b) The Department may delegate to any state officer or agency the authority to inspect hospitals. The Department may revoke this delegated authority at its discretion and make its own inspections.

(c) Authorized representatives of the Department shall have at all times the right of proper entry upon any and all parts of the premises of any place in which entry is necessary to carry out the provisions of this Part or the rules adopted by the Commission; and it shall be unlawful for any person to resist a proper entry by such authorized representative upon any premises other than a private dwelling. However, no representative shall, by this entry onto the premises, endanger the health or well being of any patient being treated in the hospital.

(d) To enable the Department to determine compliance with this Part and the rules promulgated under the authority of this Part and to investigate complaints made against a hospital licensed under this Part, while maintaining the confidentiality of the complainant, the Department shall have the authority to review any writing or other record in any recording medium which pertains to the admission, discharge, medication, treatment, medical condition, or history of persons who are or have been patients of the hospital licensed under this Part and the personnel records of those individuals employed by the licensed hospital. The examinations of these records is permitted notwithstanding the provisions of G.S. 8-53, "Communications between physician and patient," or any other provision of law relating to the confidentiality of communications between physician and patient. Proceedings of medical review committees are exempt from the provisions of this section. The hospital, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information to the Department. Any confidential or privileged information received from review of records or interviews shall be kept confidential by the Department and not disclosed without written authorization of the patient, employee or legal representative, or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning a hospital without the consent of that person. Any officer, administrator, or employee of the Department who willfully discloses confidential or privileged information without appropriate authorization or court order shall be guilty of a Class 3 misdemeanor and upon conviction shall only be fined in the discretion of the court but not in excess of five hundred dollars ($500.00). Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews shall be considered "public records" within the meaning of G.S. 132-1, "Public Records" defined.

(e) Information received by the Commission and the Department through filed reports, license applications, or inspections that are required or authorized by the provisions of this Part, may be disclosed publicly except where this disclosure would violate the confidential relationship existing between physician and patient. However, no such public disclosure shall identify the patient involved without permission of the patient or court order. (1947, c. 933, s. 6; 1973, c. 476, s. 152; c. 1090, s. 1; 1981, c. 586, s. 3; 1983, c. 775, s. 1; 1993, c. 539, s. 957; 1994, Ex. Sess., c. 24, s. 14(c); 2009-487, s. 4(b).)

Effect of Amendments. — Session Laws 2009-487, s. 4(b), effective August 26, 2009, added the third sentence in subsection (a).

§ 131E-81. Penalties.

(a) Any person establishing, conducting, managing, or operating any hospital without a license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be liable for a fine of not more than fifty dollars ($50.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense.

(b) Except as otherwise provided in this Part, any person who willfully violates any provision of this Part or who willfully fails to perform any act required, or who willfully performs any act prohibited by this Part, shall be guilty of a Class 1 misdemeanor. However, any person who willfully violates any rule adopted by the Commission under this Part or who willfully fails to perform any act required by, or who willfully does any act prohibited by, these rules shall be guilty of a Class 3 misdemeanor. (1947, c. 933, s. 6; 1983, c. 775, s. 1; 1993, c. 539, s. 958; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 131E-82. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, management or operation of a hospital without a license.

(b) If any person shall hinder the proper performance of duty of the Secretary or a representative in carrying out the provisions of this Part, the Secretary may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance, irrespective of all other remedies at law.

(c) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes, and Rule 65 of the Rules of Civil Procedure. (1947, c. 933, s. 6; 1973, c. 476, s. 152; 1983, c. 775, s. 1.)

§ 131E-83. Temporary change of hospital bed capacity.

A hospital may temporarily increase its bed capacity by up to ten percent (10%) over its licensed bed capacity by utilizing observation beds for hospital inpatients if the hospital notifies and obtains the approval of the Division of Health Service Regulation. For purposes of this section, "temporarily" means not longer than 60 consecutive days. (2001-410, s. 1; 2007-182, s. 1.)

§ 131E-84. Waiver of rules for hospitals that provide temporary shelter or temporary services during a disaster or emergency.

(a) The Division of Health Service Regulation may temporarily waive, during disasters or emergencies declared in accordance with Article 1 of Chapter 166A of the General Statutes, any rules of the Commission pertaining to a hospital to the extent necessary to allow the hospital to provide temporary shelter and temporary services requested by the emergency management agency. The Division may identify, in advance of a declared disaster or emergency, rules that may be waived, and the extent to which the rules may be waived, upon a declaration of disaster or emergency in accordance with Article 1 of Chapter 166A of the General Statutes. The Division may also waive rules under this subsection during a declared disaster or emergency upon the request of an emergency management agency and may rescind the waiver if, after investigation, the Division determines the waiver poses an unreasonable risk to the health, safety, or welfare of any of the persons occupying the hospital. The emergency management agency requesting temporary shelter or temporary services shall notify the Division within 72 hours of the time the preapproved waivers are deemed by the emergency management agency to apply.

(b) As used in this section, "emergency management agency" is as defined in G.S. 166A-4. (2007-444, s. 2.)

Editor's Note. — Session Laws 2007-444, s. 6, made this section effective August 23, 2007.

Part 3. Hospital Privileges.

§ 131E-85. Hospital privileges and procedures.

(a) The granting or denial of privileges to practice in hospitals to physicians licensed under Chapter 90 of the General Statutes, Article 1, dentists, optometrists, and podiatrists and the scope and delineation of such privileges shall be determined by the governing body of the hospital on a non-discriminatory basis. Such determinations shall be based upon the applicant's education, training, experience, demonstrated competence and ability, and judgment and character of the applicant, and the reasonable objectives and regulations of the hospital, including, but not limited to appropriate utilization of hospital facilities, in which privileges are sought. Nothing in this Part shall be deemed to mandate hospitals to grant or deny to any such individuals or others privileges to practice in hospitals, or to offer or provide any type of care.

(b) The procedures to be followed by a licensed hospital in considering applications of dentists, optometrists, and podiatrists for privileges to practice in such hospitals shall be similar to those applicable to applications of physicians licensed under Chapter 90 of the General Statutes, Article 1. Such procedures shall be available upon request.

(c) In addition to the granting or denial of privileges, the governing body of each hospital may suspend, revoke, or modify privileges.

(d) All applicants or individuals who have privileges shall comply with all applicable medical staff bylaws, rules and regulations, including the policies and procedures governing the qualifications of applicants and the scope and delineation of privileges.

(e) The Department shall not issue or renew a license under this Article unless the applicant has demonstrated that the procedures followed in determining hospital privileges are in accordance with this Part and rules of the Department. (1981, c. 659, s. 10; 1983, c. 775, s. 1; 1987, c. 859, s. 18; 1989, c. 446; 1997-75, s. 2.)

CASE NOTES

Reasonableness of Qualifications Is Only Question Before Court. — The court is charged with the narrow responsibility of assuring that the qualifications imposed by the board are reasonably related to the operation of the hospital and fairly administered. In short, so long as staff selections are administered with fairness, geared by a rationale compatible with hospital responsibility, and unencumbered with irrelevant considerations, a court should not interfere. Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982), decided under former G.S. 131-126.11A, 131-126.11B.

No court should substitute its evaluation for that of the hospital board. It is the board, not the court, which is charged with the responsibility of providing a competent staff of doctors. Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982), decided under former G.S. 131-126.11A, 131-126.11B.

A hospital's governing body has statutory authority to make decisions concerning the scope and range of privileges that will be extended to physicians and others at the hospital. Cohn v. Wilkes Gen. Hosp., 767 F. Supp. 111 (W.D.N.C. 1991), aff'd, 953 F.2d 154 (4th Cir. 1991), cert. denied, 505 U.S. 1230, 112 S. Ct. 3057, 120 L. Ed. 2d 922 (1992).

Patient's Freedom of Choice Is Subject to Hospital's Staff Privilege Standards. — The right to enjoy hospital staff privileges is not absolute; it is subject to the standards set by the hospital's governing body. This is implicit in the language of G.S. 90-202.12, especially in view of the policy of this State as currently stated by this section. G.S. 90-202.12 does not require a hospital to grant staff privileges regardless of the standards set by its board of trustees which are reasonably related to the operation of the hospital. Generally, the protection offered by G.S. 90-202.12 is for patients to have the freedom to choose a qualified "provider of care or service." Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982), decided under former G.S. 131-126.11A, 131-126.11B.

Medical Practitioner's Right to Have Application for Staff Privileges Considered by Hospital. — A medical practitioner is not granted the right to have his application for staff privileges considered by a hospital if the hospital's governing board has made a decision to deny further staff privilege requests which is reasonably related to the operation of the hospital, is consistent with its responsibility as a community hospital, and is administered fairly;

however, if the defendant hospital's actions are determined to be unreasonable or irrational, the plaintiff is entitled under this section to have his application for staff privileges reviewed and a decision, granting or denying him staff privileges, based on the other criteria provided in this section. Claycomb v. HCA-Raleigh Community Hosp., 76 N.C. App. 382, 333 S.E.2d 333 (1985), cert. denied, 315 N.C. 586, 341 S.E.2d 23 (1986), decided under former G.S. 131-126.11A.

Hospital Board's Discretion Regarding Chiropractors. — The legislature did not intend to take away the discretion afforded hospital boards to make decisions regarding health care providers not included in subsection (a) of this section, such as chiropractics. Cohn v. Wilkes Regional Medical Ctr., 113 N.C. App. 275, 437 S.E.2d 889, cert. denied, 336 N.C. 603, 447 S.E.2d 387 (1994).

A board of trustees of a hospital is not a medical review committee, even though the board may review personnel recommendations of the medical review committees and has ultimate decision-making authority upon these recommendations by virtue both of the hospital's bylaws and this section. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Hearing Under Subsection (a). — Subsection (a) of this section does not require a hearing if hospital's decision to limit the number of physicians using its equipment is based upon the reasonable objectives required by the statute. Coastal Neuro-Psychiatric Assocs. v. Onslow Mem. Hosp., 795 F.2d 340 (4th Cir. 1986).

Waiver of Irregularities. — A doctor's letter to the chairman of the county hospital authority stating that she was formally withdrawing her application for permanent medical staff privileges and a hearing in relation to the loss of those privileges was effective as a waiver of any procedural irregularities that might have existed in connection with the revoking and failing to renew of her staff privileges. Paine v. Brunswick County Hosp. Auth., 470 F. Supp. 28 (E.D.N.C. 1978), decided under former G.S. 131-22.

Suspension Upheld. — Where the doctor's medical staff privileges were suspended due to the doctor's failure to obtain a patient's consent prior to scheduling a consultation for amputation of the patient's leg and the doctor's failure to communicate with a patient's primary physician upon changing the patient's code status, the hospital's corrective action against the doctor did not violate G.S. 131E-85. Lohrmann v. Iredell Mem'l Hosp., Inc., 174 N.C. App. 63, 620 S.E.2d 258, 2005 N.C. App. LEXIS 2287 (2005), cert. denied, — N.C. —, 629 S.E.2d 853 (2006).

Immunity of Hospital from Federal Antitrust Liability. — In restricting privileges to its inhouse radiologists, county hospital complied with this section. If it engaged in anticompetitive activity, it did so under a law passed to promote greater hospital self-governance. The hospital was therefore immune from federal antitrust liability. Coastal Neuro-Psychiatric Assocs. v. Onslow Mem. Hosp., 795 F.2d 340 (4th Cir. 1986).

Contract Between Hospital and Physician. — If the privilege to practice at a hospital is offered and accepted, each confers a benefit on the other and these benefits constitute sufficient and legal consideration for the performance of the agreement. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 71, 488 S.E.2d 284 (1997), cert. granted, 347 N.C. 675, 500 S.E.2d 95 (1998).

The mere enactment of a set of bylaws pursuant to the statute is a preexisting duty and cannot itself constitute consideration for the formation of a contract; however, when a hospital offers the privilege to practice in that hospital to a physician it goes beyond its statutory duty. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 71, 488 S.E.2d 284 (1997), cert. granted, 347 N.C. 675, 500 S.E.2d 95 (1998).

Cited in Cooper v. Forsyth County Hosp. Auth., 789 F.2d 278 (4th Cir. 1986).

§ 131E-86. Limited privileges.

(a) It shall be unlawful for an individual who is not licensed under Chapter 90 of the General Statutes, Article 1, to admit a patient to a hospital without written proof in accordance with the policy of the governing body of the hospital that a physician licensed under Chapter 90 of the General Statutes, Article 1, who is a member of the medical staff will be responsible for the performance of a basic medical appraisal and for the medical needs of the patient. The governing body of a hospital may waive this requirement for a dentist licensed under Chapter 90 of the General Statutes, Article 2, to the extent authorized by this statute, who has successfully completed a postgraduate program in oral and maxillofacial surgery accredited by the American Dental Association.

(b) The governing body of each hospital shall not grant privileges that exceed the scope of a license. (1983, c. 775, s. 1.)

§ 131E-87. Reports of disciplinary action; immunity from liability.

The chief administrative officer of each licensed hospital in the State shall report to the appropriate occupational licensing board the details, as prescribed by the board, of any revocation, suspension, limitation, or voluntary reduction of privileges of a health care provider to practice in that hospital. Each hospital shall also report to the board its medical staff resignations. Reports concerning physician privileges and resignations shall be made in accordance with G.S. 90-14.13. Any person making a report required by this section shall be immune from any resulting criminal prosecution or civil liability unless the person knew the report was false or acted in reckless disregard of whether the report was false. (1983, c. 775, s. 1; 1987, c. 859, s. 16; 2006-144, s. 9.)

§§ 131E-88, 131E-89: Reserved for future codification purposes.

Part 4. Discharge from Hospital.

§ 131E-90. Authority of administrator; refusal to leave after discharge.

The case of a patient who refuses or fails to leave the hospital upon discharge by the attending physician shall be reviewed by two physicians licensed to practice medicine in this State, one of whom may be the attending physician. If in the opinion of the physicians, the patient should be discharged as cured or as no longer needing treatment or for the reason that treatment cannot benefit the patient's case or for other good and sufficient reasons, the patient's refusal to leave shall constitute a trespass. The patient shall be guilty of a Class 3 misdemeanor. (1965, c. 258; 1983, c. 775, s. 1; 1993, c. 539, s. 959; 1994, Ex. Sess., c. 24, s. 14(c).)

Legal Periodicals. — For survey on the medical review committee privilege, see 67 N.C.L. Rev. 179 (1988).

§ 131E-91. Itemized charges on discharged patient's bill.

All hospitals and ambulatory surgical facilities licensed pursuant to this Chapter shall, upon request of the patient within 30 days of discharge, present an itemized list of charges to all discharged patients.

The Commission shall adopt rules to ensure that this section is properly implemented and that patient bills which are not itemized include notification to the patient of his right to request an itemized bill. The Department shall not issue nor renew a license under this Chapter unless the applicant has demonstrated that the requirements of this section are being met. (1991, c. 310, s. 1.)

§§ 131E-92 through 131E-94: Reserved for future codification purposes.

Part 5. Medical Review Committee.

§ 131E-95. Medical review committee.

(a) A member of a duly appointed medical review committee who acts without malice or fraud shall not be subject to liability for damages in any civil action on account of any act, statement or proceeding undertaken, made, or performed within the scope of the functions of the committee.

(b) The proceedings of a medical review committee, the records and materials it produces and the materials it considers shall be confidential and not considered public records within the meaning of G.S. 132-1, "'Public records' defined", and shall not be subject to discovery or introduction into evidence in any civil action against a hospital, an ambulatory surgical facility licensed under Chapter 131E of the General Statutes, or a provider of professional health services which results from matters which are the subject of evaluation and review by the committee. No person who was in attendance at a meeting of the committee shall be required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or its members. However, information, documents, or records otherwise available are not immune from discovery or use in a civil action merely because they were presented during proceedings of the committee. Documents otherwise available as public records within the meaning of G.S. 132-1 do not lose their status as public records merely because they were presented or considered during proceedings of the committee. A member of the committee or a person who testifies before the committee may testify in a civil action but cannot be asked about the person's testimony before the committee or any opinions formed as a result of the committee hearings.

(c) Information that is confidential and is not subject to discovery or use in civil actions under this section may be released to a professional standards review organization that performs any accreditation or certification including the Joint Commission on Accreditation of Healthcare Organizations, or to a patient safety organization or its designated contractors. Information released under this subsection shall be limited to that which is reasonably necessary and relevant to the standards review organization's determination to grant or continue accreditation or certification, or the patient safety organization's or its contractors' analysis of patient safety and health care quality. Information released under this subsection retains its confidentiality and is not subject to discovery or use in any civil actions as provided under this section, and the standards review or patient safety organization shall keep the information confidential subject to this section, except as necessary to carry out the organization's patient safety, accreditation, or certification activities. For the purposes of this section, "patient safety organization" means an entity that collects and analyzes patient safety or health care quality data of providers for the purpose of improving patient safety and the quality of health care delivery and includes, but is not limited to, an entity formed pursuant to Public Law No. 109-41. (1973, c. 1111; 1981, c. 725; 1983, c. 775, s. 1; 1999-222, s. 2; 2002-179, s. 19; 2004-149, s. 2.5; 2006-144, s. 3.2.)

Legal Periodicals. — For comment, "Civil Procedure — Discovery of Medical Records in a Corporate Negligence Action," see 10 Campbell L. Rev. 193 (1987).

For recent development, "The Medical Peer Review Privilege After Virmani," see 80 N.C.L. Rev. 1860 (2002).

CASE NOTES

Purpose. — Former G.S. 131-170 (similar to subsection (b) of this section) was enacted upon the theory that external access to peer investigations conducted by staff committees stifles candor and inhibits objectivity. It represents a legislative choice between competing public concerns. It embraces the goal of medical staff candor at the cost of impairing plaintiffs' access to evidence. Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982).

The purpose of this section is to promote candor in peer review proceedings. Whisenhunt v. Zammit, 86 N.C. App. 425, 358 S.E.2d 114 (1987).

The public's qualified constitutional right to attend civil court proceedings did not preclude the trial court, under the facts presented, from giving effect to the protections of this section by sealing peer review materials and closing court proceedings concerning those materials. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Policy Grounded in Common Law. — Policy enunciated by former G.S. 131-170 (similar to subsection (b) of this section) is grounded in the common law. Cameron v. New Hanover Mem. Hosp., 58 N.C. App. 414, 293 S.E.2d 901, cert. denied, 307 N.C. 127, 297 S.E.2d 399 (1982).

This section is designed to encourage candor and objectivity in the internal workings of medical review committees. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

This section supplants any North Carolina common law right of public access to information regarding medical committee proceedings and related materials, and newspaper/appellant had, therefore, no common law right of access to such information. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Presentation to Review Committee Does Not Render Information Immune. — Under this section, information, in whatever form available, from original sources other than the medical review committee is not immune from discovery or use at trial merely because it was presented during medical review committee proceedings; neither should one who is a member of a medical review committee be prevented from testifying regarding information he learned from sources other than the committee itself, even though that information might have been shared by the committee. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Permitting access to information not generated by the committee itself but merely presented to it does not impinge on the statutory purpose of this section. These kinds of materials may be discovered and used in evidence even though they were considered by the medical review committee. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Physician, as an original source, could not invoke G.S. 131E-95(b) and G.S. 90-21.22A(c) to shield himself from answering deposition questions during a malpractice suit regarding the details of his drug abuse merely because he disclosed those details during credentialing committee proceedings and the details were presumably included in the committee's records. Armstrong v. Barnes, 171 N.C. App. 287, 614 S.E.2d 371, 2005 N.C. App. LEXIS 1262 (2005), cert. denied, 360 N.C. 60, 621 S.E.2d 173 (2005).

Documents in the possession of and information known to the hospital's board are not thereby rendered immune from discovery and use as evidence under this section. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Immunity Does Not Extend to Allegations of Malice. — In doctor's lawsuit alleging racial discrimination under 42 U.S.C.S. § 1981, members of a hospital medical executive committee were not entitled to immunity under the North Carolina Hospital Licensure Act, G.S. 131E-95(a), because the doctor alleged that their actions were willful and malicious, and the statutory immunity only extended to actions without malice. Mbadiwe v. Union Mem. Reg'l Med. Ctr., Inc., — F. Supp. 2d —, 2005 U.S. Dist. LEXIS 31674 (W.D.N.C. Nov. 28, 2005).

Scope of Privilege Under This Section. — Nonpublic documents in the possession of defendant/hospital, pertaining to defendant/doctor's participation in a physician's impairment treatment program, were privileged; the legislature intended to create a broader privilege to information in G.S. 90-21.22 than in peer review statutes such as this section. Sharpe v. Worland, 137 N.C. App. 82, 527 S.E.2d 75 (2000).

Letter from the neuro-surgeon, who was responsible for the postoperative treatment of the decedent, to the chairperson of a hospital's surgical peer review committee was absolutely privileged under G.S. 131E-95 because the letter was produced at the request of a medical review committee. Although the letter might have been seen by persons outside the committee, it nonetheless remained protected from discovery and admissibility at trial. Woods v. Moses Cone Health Sys., — N.C. App. —, 678 S.E.2d 787, 2009 N.C. App. LEXIS 1070 (July 7, 2009).

What Section Protects. — This section protects only a medical review committee's (1) proceedings; (2) records and materials it produces; and (3) materials it considers. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

The protection afforded by this section is not compromised by merely identifying existing documents and giving pertinent information concerning their custodians. It is the contents of the documents which the statute may or may not protect from discovery. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Hospital "credentialing records" pertaining to a physician were confidential and privileged. Whisenhunt v. Zammit, 86 N.C. App. 425, 358 S.E.2d 114 (1987).

Documents Furnished by Applicants for Hospital Privileges. — This section offers no protection to the records and documents furnished by the individual physicians in their applications for hospital privileges. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

In a medical negligence suit, a doctor's application for hospital privileges was not exempt from discovery under G.S. 131E-95, which applied to information generated by a medical review committee, because the allegedly privileged information was not generated by a committee, but was provided by the doctor to the hospital in his application for privileges. Cunningham v. Cannon, 187 N.C. App. 732, 654 S.E.2d 24, 2007 N.C. App. LEXIS 2529 (2007).

Peer review materials submitted by hospital directly to the judge as "confidential," and not filed with the clerk of the court, were properly treated by the trial court, which ordered them sealed and included in the record, thereby providing a record for appellate review. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Peer Review Privilege Denied in Discrimination Action. — In an action by a physician against a health services corporation, alleging discrimination on the basis of his race and national origin, in which plaintiff sought to obtain all peer review records related to all reviews of physicians for any reason, during the 20 years preceding his request, the appellate court declined to recognize a peer review privilege, holding that the interest in obtaining probative evidence in an action for discrimination outweighs the interest that would be furthered by recognition of a privilege for medical peer review materials. Virmani v. Novant Health, Inc., 259 F.3d. 284, 2001 U.S. App. LEXIS 17123 (4th Cir. 2001).

Records Produced During Quality Assurance. — The records of a hospital review committee were not "otherwise available" and were properly protected from disclosure, where records concerning whether to seek evaluation of defendant physician's performance by outside experts were "produced" during quality assurance or credentialing activities. Fallis v. Watauga Med. Ctr., Inc., 132 N.C. App. 43, 510 S.E.2d 199, 1999 N.C. App. LEXIS 37 (1999), cert. denied, 350 N.C. 308, 534 S.E.2d 589 (1999).

Documents filed as exhibits attached to plaintiff's complaint entered the public domain for purposes of the Public Records Act, G.S. 132-1 et seq., and the public's right to inspect court records under G.S. 7A-109, and became "public records" once the complaint was filed with the clerk of the court, even though these exhibits would otherwise have been shielded by subsection (b) of this section. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Hospital's chief executive officer may be examined about information he received solely in his capacity as CEO so long as this material is not otherwise protected by this section. Shelton v. Morehead Mem. Hosp., 318 N.C. 76, 347 S.E.2d 824 (1986).

Records of Board of Trustees. — A trial court erred in its conclusion that the minutes and records of the board of trustees of a hospital were barred from discovery pursuant to this section; the members of the board of trustees were not charged with peer review functions. Shelton v. Morehead Mem. Hosp., 76 N.C. App. 253, 332 S.E.2d 499, modified and aff'd, 318 N.C. 76, 347 S.E.2d 824 (1986).

Matter to Be Presented in Open Court. — This statute only prohibits a court from restricting the publication of reports regarding matter presented "in open court"; thus, although court records may generally be public records under G.S. 132-1, a trial court may shield portions of court proceedings and records from public view subject to statutory and constitutional limitation. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

Applied in McKeel v. Armstrong, 96 N.C. App. 401, 386 S.E.2d 60 (1989).

Cited in Cohn v. Wilkes Gen. Hosp., 127 F.R.D. 117 (W.D.N.C. 1989); Yorke v. Novant Health, Inc., — N.C. App. —, 666 S.E.2d 127, 2008 N.C. App. LEXIS 1620 (2008).

Part 6. Risk Management.

§ 131E-96. Risk management programs.

(a) Each hospital shall develop and maintain a risk management program which is designed to identify, analyze, evaluate, and manage risks of injury to patients, visitors, employees, and property through loss reduction and prevention techniques and quality assurance activities, as prescribed in rules promulgated by the Commission.

(b) The Department shall not issue or renew a license under this Article unless the applicant is in compliance with this section. (1987, c. 859, s. 17.)

Part 7. Confidential Information.

§ 131E-97. Confidentiality of patient information.

(a) Medical records compiled and maintained by health care facilities in connection with the admission, treatment, and discharge of individual patients are not public records as defined by Chapter 132 of the General Statutes.

(b) Charges, accounts, credit histories, and other personal financial records compiled and maintained by health care facilities in connection with the admission, treatment, and discharge of individual patients are not public records as defined by Chapter 132 of the General Statutes. (1993 (Reg. Sess., 1994), c. 570, s. 10.)

Editor's Note. — Session Laws 1993 (Reg. Sess., 1994) c. 570, s. 10, created Part F entitled Confidential Information in Article 5 of Chapter 131E; Part F with the same title was previously added in 1993.

CASE NOTES

Cited in Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997).

§ 131E-97.1. Confidentiality of personnel information.

(a) Except as provided in subsection (b) of this section, the personnel files of employees or former employees, and the files of applicants for employment maintained by a public hospital as defined in G.S. 159-39 or maintained by a hospital that has been sold or conveyed pursuant to G.S. 131E-8 are not public records as defined by Chapter 132 of the General Statutes.

(b) Repealed by Session Laws, 1997-517, s. 3, effective September 17, 1997.

(c) Information regarding the qualifications, competence, performance, character, fitness, or conditions of appointment of an independent contractor who provides health care services under a contract with a public hospital as defined in G.S. 159-39, or with a hospital which has been sold or conveyed pursuant to G.S. 131E-8, is not a public record as defined by Chapter 132 of the General Statutes. Information regarding a hearing or investigation of a complaint, charge, or grievance by or against an independent contractor who provides health care services under a contract with a public hospital as defined in G.S. 159-39 or with a hospital which has been sold or conveyed pursuant to G.S. 131E-8, is not a public record as defined by Chapter 132 of the General Statutes. Final action making an appointment or discharge or removal by a public hospital having final authority for the appointment or discharge or removal shall be taken in an open meeting, unless otherwise exempted by law.

The following information with respect to each independent contractor of health care services of a public hospital, as defined by G.S. 159-39, is a matter of public record: name; age; date of original contract; beginning and ending dates; position title; position descriptions; and total compensation of current and former positions; and the date of the most recent promotion, demotion, transfer, suspension, separation, or other change in position classification. (1993 (Reg. Sess., 1994), c. 570, s. 10; 1995, c. 99, s. 1; c. 509, s. 135.2(q); 1997-517, s. 3.)

CASE NOTES

Cited in Knight Publ'g Co. v. Charlotte-Mecklenburg Hosp. Auth., 172 N.C. App. 486, 616 S.E.2d 602, 2005 N.C. App. LEXIS 1784 (2005).

§ 131E-97.2. Confidentiality of credentialing information.

Information acquired by a public hospital, as defined in G.S. 159-39, a hospital that has been sold or conveyed pursuant to G.S. 131E-8, a State-owned or State-operated hospital, or by persons acting for or on behalf of a hospital, in connection with the credentialing and peer review of persons having or applying for privileges to practice in the hospital is confidential and is not a public record under Chapter 132 of the General Statutes; provided that information otherwise available to the public shall not become confidential merely because it was acquired by the hospital or by persons acting for or on behalf of the hospital. (1993 (Reg. Sess., 1994), c. 570, s. 10; 1995, c. 509, s. 135.2(r).)

CASE NOTES

Information not immune from discovery. — Physician could not invoke the G.S. 131E-97.2 privilege to shield himself from answering deposition questions during a malpractice suit regarding the details of his drug abuse as the privilege was inapplicable because the physician was not acting on behalf of the hospital in connection with a credentialing committee's review; the physician did not acquire knowledge of the details of his drug abuse through the credentialing committee's proceedings. Armstrong v. Barnes, 171 N.C. App. 287, 614 S.E.2d 371, 2005 N.C. App. LEXIS 1262 (2005), cert. denied, 360 N.C. 60, 621 S.E.2d 173 (2005).

§ 131E-97.3. Confidentiality of competitive health care information.

(a) For the purposes of this section, competitive health care information means information relating to competitive health care activities by or on behalf of hospitals and public hospital authorities. Competitive health care information shall be confidential and not a public record under Chapter 132 of the General Statutes; provided that any contract entered into by or on behalf of a public hospital or public hospital authority, as defined in G.S. 159-39, shall be a public record unless otherwise exempted by law, or the contract contains competitive health care information, the determination of which shall be as provided in subsection (b) of this section.

(b) If a public hospital or public hospital authority is requested to disclose any contract which the hospital or hospital authority believes in good faith contains or constitutes competitive health care information, the hospital or hospital authority may either redact the portions of the contract believed to constitute competitive health care information prior to disclosure, or if the entire contract constitutes competitive health care information, refuse disclosure of the contract. The person requesting disclosure of the contract may institute an action pursuant to G.S. 132-9 to compel disclosure of the contract or any redacted portion thereof. In any action brought under this subsection, the issue for decision by the court shall be whether the contract, or portions of the contract withheld, constitutes competitive health care information, and in making its determination, the court shall be guided by the procedures and standards applicable to protective orders requested under Rule 26(c)(7) of the Rules of Civil Procedure. For the purposes of this section, competitive health care information includes, but is not limited to, contracts entered into by or on behalf of a public hospital or public hospital authority to purchase a medical practice. Before rendering a decision, the court shall review the contract in camera and hear arguments from the parties. If the court finds that the contract constitutes or contains competitive health care information, the court may either deny disclosure or may make such other appropriate orders as are permitted under Rule 26(c) of the Rules of Civil Procedure.

(c) Nothing in this section shall be deemed to prevent an elected public body, in closed session, which has responsibility for the hospital, the Attorney General, or the State Auditor from having access to this confidential information. The disclosure to any public entity does not affect the confidentiality of the information. Members of the public entity shall have a duty not to further disclose the confidential information. (1993 (Reg. Sess., 1994), c. 570, s. 10; 2001-516, s. 5; 2007-508, s. 8.5.)

CASE NOTES

Cited in Wilmington Star-News, Inc. v. New Hanover Regional Medical Ctr., Inc., 125 N.C. App. 174, 480 S.E.2d 53 (1997).

Contract to Buy Practice Not Competitive Health Care Information. — Because nothing suggested that other hospitals or entities were competing for a doctor's medical practice or that a medical center's contract to buy the doctor's practice contained "financial terms" or health care information directly related to financial terms, the contract was not confidential as "competitive health care information" pursuant to G.S. 131E-97.3. Carter-Hubbard Publ'g Co. v. WRMC Hosp. Operating Corp., 178 N.C. App. 621, 633 S.E.2d 682, 2006 N.C. App. LEXIS 1653 (2006).

§ 131E-98. Inmate medical records.

Notwithstanding any other provision of law, a hospital does not breach patient confidentiality by providing the Department of Correction with the medical records of inmates who receive medical treatment at the hospital while in the custody of the Department. A hospital complying with a request from the Department of Correction or its agent for a copy of the medical records of an inmate who received medical services while in custody shall be immune from liability in any civil action for the release of the inmate's medical record. (1993, c. 321, s. 178(b).)

Editor's Note. — This section was enacted as G.S. 131E-99.2, and was recodified as G.S. 131E-98 by the Revisor of Statutes.

§ 131E-99. Confidentiality of health care contracts.

The financial terms and other competitive health care information directly related to the financial terms in a health care services contract between a hospital or a medical school and a managed care organization, insurance company, employer, or other payer is confidential and not a public record under Chapter 132 of the General Statutes. Nothing in this section shall prevent an elected public body which has responsibility for the hospital or medical school from having access to this confidential information in a closed session. The disclosure to a public body does not affect the confidentiality of the information. Members of the public body shall have a duty not to further disclose the confidential information. (1995 (Reg. Sess., 1996), c. 713, s. 2; 1997-123, ss. 1, 2.)

ARTICLE 6.

Health Care Facility Licensure Act.

Part 1. Nursing Home Licensure Act.

§ 131E-100. Title; purpose.

(a) This Part shall be known as the "Nursing Home Licensure Act."

(b) The purpose of the Nursing Home Licensure Act is to establish authority and duty for the Department to inspect and license private nursing homes. (1983, c. 775, s. 1.)

Editor's Note. — Session Laws 2001-385, ss. 2(a) through (e), provide: "Section 2.(a) The Department of Health and Human Services shall establish a Skilled Nursing Facility Quality Improvement Consultation Project to assist providers in the development of quality improvement plans for each long-term care facility and program that offers skilled nursing services to the public. In order to avoid conflict with federal regulations, the Department shall locate the project in a section of the Division of Facility Services [now the Division of Health Service Regulation] other than the Licensure and Certification Section. Project staff shall include nurses who have previous experience in long-term care. Staff shall be available to all licensed nursing facilities and, upon request of the facility, shall provide on-site consultation in at least the following areas:

"(1) Analysis of recent survey results in order to assist the facility with its efforts to correct problems or deficiencies identified by the survey.

"(2) Training for in-house quality improvement programs.

"(3) Specific area or issues of concern raised by the facility.

"(4) Best practices information. The Department may contract with a private entity to assist in the implementation of the project.

"Section 2.(b) The Department of Health and Human Services shall offer joint training of survey team members and nursing home providers. The training shall be offered no fewer than two times per year, and subject matter of the training should be based on one or more of the 10 deficiencies cited most frequently in the State during the immediately preceding calendar year. The joint training shall be designed to reduce inconsistencies experienced by providers in the survey process, to increase objectivity by survey team members in conducting surveys, and to promote a higher degree of understanding between facility staff and survey team members in what is expected during the survey process.

"Section 2.(c) The Department of Health and Human Services shall require survey team members who have no previous nursing home experience to spend part of their basic training in a nursing home observing operations of the nursing home. On-site training should be designed to provide the survey team member with experience in the actual operation of a nursing facility outside of the survey process and to achieve a general understanding of the following facility functions: administration, nursing, personal care services, and dietary services. On-site training requirement shall be for a minimum of three days and must be completed before the survey team member assumes survey work or oversight responsibilities. In addition to on-site training, at least fifty percent (50%) of the annual continuing education requirement of survey team members shall be in the subject area of geriatric care.

"Section 2.(d) The Department of Health and Human Services shall convene a Skilled Nursing Facility Quality of Standards Work Group to explore alternatives to existing oversight and survey practices that will ensure quality in skilled nursing facilities. The Work Group shall do the following:

"(1) Clarify and provide guidance on terms applicable in the survey and oversight process to ensure uniformity. Terms that should be clarified include 'immediate jeopardy', 'harm', 'potential harm', 'avoidable', and 'unavoidable'. The Department shall ensure that clarification of terms is included in basic and continuing survey training.

"(2) Identify rules that impede the direct care of patients and develop a proposal for repeal of those rules, including any necessary repeal of, or amendment to, current law that is the basis for the rule.

"(3) Examine possible incentives for providers such as extended survey period, increased reimbursement rates, accreditation, and deemed status. The Work Group shall consider all available quality measurements in developing recommendations for incentives. The Work Group shall also identify changes in current law necessary to implement incentives.

"(4) Explore aspects of quality assessment/monitoring that should be changed to facilitate improvements and determine if a waiver from the Health Care Financing Administration is necessary to implement innovative approaches to the delivery and monitoring of long-term care in this State.

"The Work Group shall consist of representatives of the Division of Facility Services [now the Division of Health Service Regulation] of the Department of Health and Human Services and the North Carolina Health Care Facilities Association.

"Section 2.(e) The Department of Health and Human Services of the Department of Health and Human Services shall report to the Joint Legislative Health Care Oversight Committee and the North Carolina Study Commission on Aging on the status of implementation of this section. The report shall be submitted on October 1, 2001, and March 1, 2002."

Session Laws 2005-23, s. 1, provides: "The Department of Health and Human Services, Adult Protective Services Task Force, shall collaborate with stakeholders and other persons interested in improving adult protective services and report its findings and recommendations to the North Carolina Study Commission on Aging and to the Legislative Study Commission on State Guardianship Laws on or before April 1, 2006."

Legal Periodicals. — For article, "The Obligation of North Carolina Municipalities and Hospital Authorities to Provide Uncompensated Hospital Care to the Medically Indigent," see 20 Wake Forest L. Rev. 317 (1984).

§ 131E-101. Definitions.

As used in this Part, unless otherwise specified:

(1) "Adult care home", as distinguished from a nursing home, means a facility operated as a part of a nursing home and which provides residential care for aged or disabled persons whose principal need is a home with the shelter or personal care their age or disability requires. Medical care in an adult care home is usually occasional or incidental, such as may be required in the home of any individual or family, but the administration of medication is supervised. Continuing planned medical and nursing care to meet the resident's needs may be provided under the direct supervision of a physician, nurse, or home health agency. Adult care homes are to be distinguished from nursing homes subject to licensure under this Part.

(1a) "Combination home" means a nursing home offering one or more levels of care, including any combination of skilled nursing, intermediate care, and adult care home.

(2) "Commission" means the North Carolina Medical Care Commission.

(3) "Community advisory committee" means a nursing home advisory committee established for the statutory purpose of working to carry

out the intent of the Nursing Home Patients' Bill of Rights (Chapter 131E, Article 6, Part 2) in accordance with G.S. 143B-181.1.

(4) Repealed by Session Laws 1995, c. 535, s. 21.

(5) "Medical review committee" means a committee of a State or local professional society, of a medical staff of a licensed hospital, of physicians having privileges within the nursing home or of a peer review corporation or organization which is formed for the purpose of evaluating the quality, cost of or necessity for health care services under applicable federal statutes.

(6) "Nursing home" means a facility, however named, which is advertised, announced, or maintained for the express or implied purpose of providing nursing or convalescent care for three or more persons unrelated to the licensee. A "nursing home" is a home for chronic or convalescent patients, who, on admission, are not as a rule, acutely ill and who do not usually require special facilities such as an operating room, X-ray facilities, laboratory facilities, and obstetrical facilities. A "nursing home" provides care for persons who have remedial ailments or other ailments, for which medical and nursing care are indicated; who, however, are not sick enough to require general hospital care. Nursing care is their primary need, but they will require continuing medical supervision.

(7) "Peer review committee" means any committee appointed in accordance with G.S. 131E-108, "Peer review."

(8) "Quality assurance committee" means a committee, agency, or department of a state or local professional organization, of a medical staff of a licensed hospital, nursing home, of nurses or aides on the staff of a nursing home, or adult care home, of physicians having privileges within the nursing home, or adult care home, or of a peer review corporation or organization that is formed for the purpose of evaluating the quality, cost of, or necessity for health care services under applicable federal and State statutes, regulations, and rules. (1961, c. 51, s. 3; 1981, c. 833; 1983, c. 775, s. 1; 1995, c. 535, s. 21; 2004-149, s. 2.1.)

Editor's Note. — Subdivisions (1) and (1a) were redesignated at the direction of the Revisor of Statutes, the original designations having been (4) and (1).

§ 131E-102. Licensure requirements.

(a) No person shall operate a nursing home without a license obtained from the Department. Any person may operate a nursing home or a combination home, as defined in this Part, in the same building or in two or more buildings adjoining or next to each other on the same site. Both a nursing home and a combination home must be licensed by the Department under this Part.

(b) Applications shall be available from the Department, and each application filed with the Department shall contain all necessary and reasonable information that the Department may by rule require. A license shall be granted to the applicant upon a determination by the Department that the applicant has complied with the provisions of this Part and the rules promulgated under this Part. The Department shall charge the applicant a nonrefundable annual license fee in the amount of four hundred twenty dollars ($420.00) plus a nonrefundable annual per-bed fee of seventeen dollars and fifty cents ($17.50).

(c) A license to operate a nursing home shall be annually renewed upon the filing and the Department's approval of the renewal application. A license shall not be renewed if outstanding fees and penalties imposed by the State against the home have not been paid. Fines and penalties for which an appeal is pending are exempt from consideration. The renewal application shall be available from the Department and shall contain all necessary and reasonable information that the Department may by rule require.

(d) Each license shall be issued only for the premises and persons named in the application and shall not be transferable or assignable except with the written approval of the Department.

(e) In order for a nursing home to maintain its license it shall not intentionally impede the proper performance of the duties of a lawfully appointed community advisory committee as set forth in G.S. 131E-128(h). (1961, c. 51, s. 3; 1963, c. 859; 1983, c. 775, s. 1; 1993, c. 530, s. 1; 2003-284, s. 34.3(a); 2005-276, s. 41.2(c); 2009-451, s. 10.76(g).)

Editor's Note. — Session Laws 2007-323, s. 10.12, provides: "The Department's Division of Aging and Adult Services shall develop a Quality Improvement Consultation Program for Adult Care Homes. The purpose of the Program is to promote better care and improve quality of life in a safe environment for residents in adult care homes through consultation and assistance with adult care home providers. The county departments of social services shall be responsible for implementation of the Program with all adult care homes located in the respective county, based on a timetable for statewide implementation.

"The Division of Aging and Adult Services shall consult with adult care home providers, county departments of social services, consumer advocates, and other interested stakeholders and parties in the development of the Quality Improvement Consultation Program for Adult Care Homes.

"The Program will address the following topics:

"(1) Principles and philosophies that are resident-centered and promote independence, dignity, and choice for residents;

"(2) Approaches to develop continuous quality improvement with a focus on resident satisfaction and optimal outcomes;

"(3) Dissemination of best practice models that have been used successfully elsewhere;

"(4) A determination of the availability of standardized instruments, and their use to the extent possible, to assess and measure adult care home performance according to quality of life indicators;

"(5) Utilization of quality improvement plans for adult care homes that identify and resolve issues that adversely affect quality of care and services to residents. The plans include agreed upon time frames for completion of improvements and identification of needed resources;

"(6) Training required to equip county departments of social services' staff to implement the Program;

"(7) A distinction of roles between the regulatory role of the Department's Division of Health Service Regulation and the quality improvement consultation and monitoring responsibilities of the county departments of social services; and

"(8) Identification of staffing and other resources needed to implement the Program.

"The Division of Aging and Adult Services shall conduct a pilot of the Quality Improvement Consultation Program for Adult Care Homes. No more than four county departments of social services shall participate in the pilot. The Division of Aging and Adult Services shall consider geographic balance and size in carrying out the pilot. At the conclusion of the pilot, the Division of Aging and Adult Services shall make recommendations regarding the effectiveness of the Quality Improvement Consultation Program for Adult Care Homes. If the Division recommends expansion of the pilot to other counties or statewide implementation of the Program, its report shall include the cost and a proposed timetable for implementing these recommendations, including the identification of any necessary statutory and administrative rule changes. The recommendations shall be made to the Secretary of the Department of Health and Human Services, the North Carolina Study Commission on Aging, the Senate Appropriations Committee on Health and Human Services, and the House of Representatives Subcommittee on Health and Human Services."

Session Laws 2007-323, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2007'."

Session Laws 2007-323, s. 32.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2007-2009 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2007-2009 fiscal biennium."

Session Laws 2007-323, s. 32.5 is a severability clause.

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 10.76(g), effective August 14, 2009, in subsection (b), in the last sentence, substituted "four hundred twenty dollars ($420.00)" for "four hundred fifty dollars ($450.00)" near the middle, and "seventeen dollars and fifty cents ($17.50)" for "dollars and fifty cents ($12.50)" at the end.

§ 131E-103. Adverse action on a license.

(a) Subject to subsection (b), the Department shall have the authority to deny a new or renewal application for a license, and to amend, recall, suspend or revoke an existing license upon a determination that there has been a substantial failure to comply with the provisions of this Part or the rules promulgated under this Part.

(b) The provisions of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall govern all administrative action and judicial review in cases where the Department has taken the action described in subsection (a). A petition for a contested case shall be filed within 20 days after the Department mails the licensee a notice of its decision to deny a renewal application, or to recall, suspend, or revoke an existing license. (1961, c. 51, s. 3; 1983, c. 775, s. 1; 1987, c. 827, s. 1; 1991, c. 143, s. 2; c. 761, s. 24.)

§ 131E-104. Rules and enforcement.

(a) The Commission is authorized to adopt, amend, and repeal all rules necessary for the implementation of this Part.

(b) The Commission shall adopt rules for the operation of the adult care portion of a combination home. The rules shall provide that for each requirement applicable to freestanding adult care homes or freestanding nursing homes, the combination home may choose to operate the adult care portion of the home in compliance with either the requirement applicable to freestanding adult care homes or the higher standard applicable to freestanding nursing homes.

(c) The Department shall enforce the rules adopted or amended by the Commission with respect to nursing homes. (1961, c. 51, s. 3; 1973, c. 476, s. 128; 1981, c. 614, s. 1; 1983, c. 775, s. 1; 1995, c. 535, s. 22; 2000-154, s. 6.1.)

Cross References. — As to provisions requiring that the North Carolina Medical Care Commission and the Social Services Commission draft rules containing state standards for special care units in nursing homes and rest homes for Alzheimer's and related dementia patients, see G.S. 143B-181.50 et seq.

§ 131E-105. Inspections.

(a) The Department shall inspect any nursing home and any adult care home operated as a part of a nursing home in accordance with rules adopted by the Commission.

(b) Notwithstanding the provisions of G.S. 8-53, "Communications between physician and patient," or any other provision of law relating to the confidentiality of communications between physician and patient, the representatives of the Department, when necessary for investigating compliance with this Part or rules promulgated by the Commission, may review any writing or other record in any recording medium which pertains to the admission, discharge, medication, treatment, medical condition, or history of persons who are or have been patients of the facility being inspected unless that patient objects in writing to review of that patient's records. Physicians, psychologists, psychiatrists, nurses, and anyone else interviewed by representatives of the Department may disclose to these representatives information related to any inquiry, notwithstanding the existence of the physician-patient privilege in G.S. 8-53, "Communications between physician and patient," or any other rules of law, if the patient has not made written objection to this disclosure. The facility, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information which is provided without malice or fraud to the Department. Any confidential or privileged information received from review of records or interviews shall be kept confidential by the Department and not disclosed without written authorization of the patient or legal representative or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning a facility without consent of that person. Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews shall be considered "public records" within the meaning of G.S. 132-1, "'Public records' defined." Prior to releasing any information or allowing any inspections referred to in this subsection, the patient must upon admission be advised in writing by the facility that the patient has the right to object in writing to the release of information or review of the records and that by an objection in writing the patient may prohibit the inspection or release of the records.

(c) Authorized representatives of the Department with identification to this effect shall have at all times the right of proper entry upon any and all parts of the premises of any place in which entry is necessary to carry out the provisions of this Part or the rules adopted by the Commission. It shall be unlawful for any person to resist a proper entry by an authorized representative upon any premises other than a private dwelling. (1981, c. 586, s. 1; c. 614, s. 1; 1983, c. 775, s. 1; 1995, c. 535, s. 23.)

§ 131E-106. Evaluation of residents in adult care homes.

The Department shall prescribe the method of evaluation of residents in the adult care portion of a combination home in order to determine when any of these residents is in need of professional medical and nursing care as provided in licensed nursing homes. (1963, c. 859; 1981, c. 833; 1983, c. 775, s. 1; 1995, c. 535, s. 24.)

§ 131E-107. Quality assurance, medical, or peer review committees.

(a) A member of a duly appointed quality assurance, medical or peer review committee shall not be subject to liability for damages in any civil action on account of any act, statement or proceeding undertaken, made, or performed within the scope of the functions of the committee, if the committee member acts without malice or fraud, and if such peer review committee is approved and operates in accordance with G.S. 131E-108.

(b) The proceedings of a quality assurance, medical, or peer review committee, the records and materials it produces and the materials it considers shall be confidential and not considered public records within the meaning of G.S. 132-1, "'Public records' defined", and shall not be subject to discovery or introduction into evidence in any civil action against a nursing home or a provider of professional health services that results from matters that are the subject of evaluation and review by the committee. No person who was in attendance at a meeting of the committee shall be required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or its members. However, information, documents, or records otherwise available are not immune from discovery or use in a civil action merely because they were presented during proceedings of the committee. Documents otherwise available as public records within the meaning of G.S. 132-1 do not lose their status as public records merely because they were presented or considered during proceedings of the committee. A member of the committee or a person who testifies before the committee may testify in a civil action but cannot be asked about the person's testimony before the committee or any opinions formed as a result of the committee hearings. (1983, c. 775, s. 1; 2004-149, s. 2.2.)

CASE NOTES

Peer Review Reports. — G.S. 90-21.22A did not provide privilege protection to nursing homes; 2003 version of G.S. 131E-107 applied to nursing homes, but did not provide privilege from discovery for materials produced by peer review committees, so a trial court did not err in holding that nursing home peer review reports were not privileged. Windman v. Britthaven, Inc., 173 N.C. App. 630, 619 S.E.2d 522, 2005 N.C. App. LEXIS 2113 (2005).

Incident Reports Not Privileged. — Incident reports prepared by nurses at a nursing home were not privileged under G.S. 90-21.22A and G.S. 131E-107, as the reports were not part of the proceedings of the home's quality improvement team, produced by the team, or considered by the team; the fact that the team could have reviewed the reports or might do so in the future did not make them privileged. Hayes v. Premier Living, Inc., 181 N.C. App. 747, 641 S.E.2d 316, 2007 N.C. App. LEXIS 370 (2007).

§ 131E-108. Peer review.

It is not a violation of G.S. 131E-117(5) for medical records to be disclosed to a private peer review committee if:

(1) The peer review committee has been approved by the Department;

(2) The purposes of the peer review committee are to:

  a. Survey facilities to verify a high level of quality care through evaluation and peer assistance;

  b. Resolve written complaints in a responsible and professional manner; and

  c. Develop a basic core of knowledge and standards useful in establishing a means of measuring quality of care; and

(3) The peer review committee keeps such records confidential. (1979, c. 707; 1983, c. 775, s. 1; 1997-456, s. 27.)

Editor's Note. — Subdivisions (2)(a), (2)(b) and (2)(c) of this section were renumbered as subdivisions (2)a., (2)b., and (2)c. pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

§ 131E-109. Penalties.

(a) Any person establishing, conducting, managing or operating any nursing home without a license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be liable for a fine of not more than five hundred dollars ($500.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of a continuing violation after conviction shall be considered a separate offense.

(b) Any person acting under the authority of the Department who gives advance notice to an operator of a nursing home of the date or time that the nursing home is to be inspected shall be guilty of a Class 3 misdemeanor. The inspection of a nursing home for initial licensure shall be exempt from the prohibition of prior notice. All subsequent inspections must comply with the provisions of this subsection.

(c) The Secretary or a designee may suspend the admission of any new patients or residents at any nursing home or domiciliary home where the conditions of the nursing home or domiciliary home are detrimental to the health or safety of the patient or resident. This suspension shall remain in effect until the Secretary is satisfied that conditions or circumstances merit the removal of the suspension. This subsection shall be in addition to authority to suspend or revoke the license of the home. Any facility wishing to contest a suspension of admissions shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. The petition for a contested case shall be filed in the Office of Administrative Hearings within 20 days after the Department mails a written notice of suspension of admissions to the facility.

(d) Except as otherwise provided in this Part, any person who violates any provision of this Part or who willfully fails to perform any act required, or who willfully performs any act prohibited by this Part, shall be guilty of a Class 1 misdemeanor: Provided, however, that any person who willfully violates any rule adopted by the Commission under this Part or who willfully fails to perform any act required by, or who willfully performs any act prohibited by, these rules shall be guilty of a Class 3 misdemeanor.

(e) The clear proceeds of civil penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1977, c. 656, ss. 1, 2; 1981, c. 667, ss. 1, 2; 1983, c. 775, s. 1; 1991, c. 143, s. 3; c. 761, s. 25; 1993, c. 539, s. 960; 1994, Ex. Sess., c. 24, s. 14(c); 1998-215, s. 78(c).)

§ 131E-110. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person to restrain or prevent the establishment, conduct, management or operation of a nursing home without a license.

(b) If any person shall hinder the proper performance of duty of the Secretary or a representative in carrying out the provisions of this Part, the Secretary may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance, irrespective of all other remedies at law.

(c) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes and Rule 65 of the Rules of Civil Procedure. (1983, c. 775, s. 1.)

§ 131E-111: Recodified as G.S. 131E-255 by Session Laws 1995 (Reg. Sess., 1996), c. 713, s. 3(a), as amended by Session Laws 1995 (Reg. Sess., 1996), c. 713, s. 3(b), effective June 21, 1996.

§ 131E-112. Waiver of rules for health care facilities that provide temporary shelter or temporary services during a disaster or emergency.

(a) The Division of Health Service Regulation may temporarily waive, during disasters or emergencies declared in accordance with Article 1 of Chapter 166A of the General Statutes, any rules of the Commission pertaining to facilities or home care agencies to the extent necessary to allow the facility or home care agency to provide temporary shelter and temporary services requested by the emergency management agency. The Division may identify, in advance of a declared disaster or emergency, rules that may be waived, and the extent the rules may be waived, upon a disaster or emergency being declared in accordance with Article 1 of Chapter 166A of the General Statutes. The Division may also waive rules under this subsection during a declared disaster or emergency upon the request of an emergency management agency and may rescind the waiver if, after investigation, the Division determines the waiver poses an unreasonable risk to the health, safety, or welfare of any of the persons occupying the facility. The emergency management agency requesting temporary shelter or temporary services shall notify the Division within 72 hours of the time the preapproved waivers are deemed by the emergency management agency to apply.

(b) As used in this section, "emergency management agency" is as defined in G.S. 166A-4(2). (1999-307, s. 1; 2007-182, s. 1.)

§ 131E-113. Immunization of employees and residents.

(a) Except as provided in subsection (e) of this section, a nursing home licensed under this Part shall require residents and employees to be immunized against influenza virus and shall require residents to also be immunized against pneumococcal disease.

(b) Upon admission, a nursing home shall notify the resident of the immunization requirements of this section and shall request that the resident agree to be immunized against influenza virus and pneumococcal disease.

(b1) A nursing home shall notify every employee of the immunization requirements of this section and shall request that the employee agree to be immunized against influenza virus.

(c) A nursing home shall document the annual immunization against influenza virus and the immunization against pneumococcal disease for each resident and each employee, as required under this section. Upon finding that a resident is lacking one or both of these immunizations or that an employee has not been immunized against influenza virus, or if the nursing home is unable to verify that the individual has received the required immunization, the nursing home shall provide or arrange for immunization. The immunization and documentation required shall occur not later than November 30 of each year.

(d) For an individual who becomes a resident of or who is newly employed by the nursing home after November 30 but before March 30 of the following year, the nursing home shall determine the individual's status for the immunizations required under this section, and if found to be deficient, the nursing home shall provide the immunization.

(e) No individual shall be required to receive vaccine under this section if the vaccine is medically contraindicated, or if the vaccine is against the individual's religious beliefs, or if the individual refuses the vaccine after being fully informed of the health risks of not being immunized.

(f) Notwithstanding any other provision of law to the contrary, the Commission for Public Health shall have the authority to adopt rules to implement the immunization requirements of this section.

(g) As used in this section, "employee" means an individual who is a part-time or full-time employee of the nursing home. (2000-112, ss. 3, 4; 2007-182, s. 1.3.)

Editor's Note. — Session Laws 2000-112, s. 5, directs the Department of Health and Human Services to make available to nursing homes and adult care homes educational and informational materials pertaining to vaccinations required under the act.

§ 131E-114. Special care units; disclosure of information required.

(a) A nursing home or combination home licensed under this Part that provides special care for persons with Alzheimer's disease or other dementias in a special care unit shall make the following disclosures pertaining to the special care provided that distinguishes the special care unit as being especially designed for residents with Alzheimer's disease or other dementias. The disclosure shall be made annually, in writing, to all of the following:

(1) The Department, as part of its licensing procedures.
(2) Each person seeking placement within a special care unit, or the person's authorized representative, prior to entering into an agreement with the person to provide special care.

(b) Information that must be disclosed in writing shall include, but is not limited to, all of the following:

(1) A statement of the overall philosophy and mission of the licensed facility and how it reflects the special needs of residents with dementia.
(2) The process and criteria for placement, transfer, or discharge to or from the special care unit.
(3) The process used for assessment and establishment of the plan of care and its implementation, as required under State and federal law.
(4) Typical staffing patterns and how the patterns reflect the resident's need for increased care and supervision.
(5) Dementia-specific staff training.
(6) Physical environment features designed specifically for the special care unit.
(7) Alzheimer's disease and other dementia-specific programming.
(8) Opportunities for family involvement.
(9) Additional costs or fees to the resident for special care.

(c) As part of its license renewal procedures and inspections, the Department shall examine for accuracy the written disclosures made by each licensed facility subject to this section.

(d) Nothing in this section shall be construed as prohibiting a nursing home or combination home that does not offer a special care unit from admitting a person with Alzheimer's disease or other dementias. The disclosures required by this section apply only to a nursing home or combination home that advertises, markets, or otherwise promotes itself as providing a special care unit for persons with Alzheimer's disease or other dementias.

(e) As used in this section, the term "special care unit" means a wing or hallway within a nursing home, or a program provided by a nursing home, that is designated especially for residents with Alzheimer's disease or other dementias, or other special needs disease or condition, as determined by the Medical Care Commission, which may include mental disabilities. (2000-154, s. 6.)

Editor's Note. — This section was enacted as G.S. 131E-113 by Session Laws 2000-154, s. 6. It has been redesignated as G.S. 131E-114 at the direction of the Revisor of Statutes.

§ 131E-114.1. Posting of information indicating number of staff on duty.

Every nursing home subject to licensure under this Part shall post in a conspicuous place in the nursing home information about required staffing that enables residents and their families to readily ascertain each day the number of direct care staff and supervisors that are required by law to be on duty for that day. (2001-85, s. 2; 2001-487, s. 85(b).)

§ 131E-114.2. Use of medication aides to perform technical aspects of medication administration.

(a) Facilities licensed and medication administration services provided under this Part may utilize medication aides to perform the technical aspects of medication administration consistent with G.S. 90-171.20(7) and (8), and G.S. 90-171.43.

(1) A medication aide who is employed in a facility licensed under Article 5 and Article 6, Part 1 of this Chapter shall be listed as a Nurse Aide I on the Nurse Aide I Registry in addition to being listed on the Medication Aide Registry.

(2) Medication administration as used in Article 5 and Article 6, Part 1 of this Chapter shall not include intravenous or injectable medication services.

(b) The Commission shall adopt rules to implement this section. Rules adopted by the Commission shall include:

(1) Training and competency evaluation of medication aides as provided for under this section.

(2) Requirements for listing under the Medication Aide Registry as provided for under G.S. 131E-270.

(3) Requirements for supervision of medication aides by licensed health professionals or appropriately qualified supervisory personnel consistent with this Part. (2005-276, s. 10.40C(a); 2007-444, s. 4(a).)

DHHS and Community Colleges Study Use of Medication Aides to Perform Technical Aspects of Medication Administration. — Session Laws 2005-276, s. 10.40D(a)-(d) provide: "(a) The Secretary of Health and Human Services and the President of the Community Colleges System shall jointly convene a study group to review and consider the use of medication aides to perform the technical aspects of medication administration. The study group shall consist of members representing at least the following entities and licensed health care facilities and providers:

"(1) Appointed by the Secretary of Health and Human Services:

"a. Adult care homes.

"b. Home care agencies.

"c. Ambulatory surgical centers.

"d. Hospitals.

"e. Facilities providing mental health, developmental disabilities, and substance abuse services.

"f. Nursing homes.

"g. The nursing profession, as recommended by the Board of Nursing.

"(2) Community colleges appointed by the President of the Community Colleges System.

"(3) The Secretary of the Department of Correction.

"(4) Others as may be appointed by the Secretary of Health and Human Services or the President of the Community Colleges System.

"(b) The study group shall address at least the following in its study and its recommendations regarding medication aide performance of the technical aspects of medication administration:

"(1) Training and competency evaluation of medication aides;

"(2) Training standards;

"(3) Ongoing review and evaluation of medication aide training; and

"(4) Requirements for supervision of medication aides.

"(c) The Secretary of Health and Human Services and the President of the Community Colleges System shall report the progress and recommendations of the study group to the 2006 Regular Session of the 2005 General Assembly upon its convening, and the 2007 General Assembly upon its convening. Recommendations to the 2006 Regular Session of the 2005 General Assembly may include proposed legislation. A copy of the report shall be provided to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division at the same time as the report is submitted to the General Assembly.

"(d) The Department of Health and Human Services shall continue its pilot program on the use of medication aides and shall report on the status of the pilot programs at the same time and to the same persons as the study group report to the General Assembly."

Editor's Note. — Session Laws 2005-276, s. 10.40C(d), provides: "This section becomes effective July 1, 2006. The North Carolina Board of Nursing and the Department of Health and Human Services shall report on the implementation of this act to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division not later than March 1, 2006, and annually thereafter."

Session Laws 2005-276, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2005'."

Session Laws 2005-276, s. 46.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2005-2007 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2005-2007 fiscal biennium."

Session Laws 2005-276, s. 46.5 is a severability clause.

§ 131E-114.3. Smoking prohibited inside long-term care facilities; penalty.

(a) Except to the extent otherwise provided by federal law, smoking is prohibited inside long-term care facilities. As used in this section:

(1) "Long-term care facilities" include adult care homes, nursing homes, skilled nursing facilities, facilities licensed under Chapter 122C of the General Statutes, and other licensed facilities that provide long-term care services.

(2) "Smoking" means the use or possession of any lighted cigar, cigarette, pipe, or other lighted smoking product.

(3) "Inside" means a fully enclosed area.

(b) The person who owns, manages, operates, or otherwise controls a long-term care facility where smoking is prohibited under this section shall:

(1) Conspicuously post signs clearly stating that smoking is prohibited inside the facility. The signs may include the international "No Smoking" symbol, which consists of a pictorial representation of a burning cigarette enclosed in a red circle with a red bar across it.

(2) Direct any person who is smoking inside the facility to extinguish the lighted smoking product.

(3) Provide written notice to individuals upon admittance that smoking is prohibited inside the facility and obtain the signature of the individual or the individual's representative acknowledging receipt of the notice.

(c) The Department may impose an administrative penalty not to exceed two hundred dollars ($200.00) for each violation on any person who owns, manages, operates, or otherwise controls the long-term care facility and fails to comply with subsection (b) of this section. A violation of this section constitutes a civil offense only and is not a crime. (2007-459, s. 2.)

Editor's Note. — Session Laws 2007-459, s. 5, made this section effective October 1, 2007, and applicable to violations committed on or after that date.

Session Laws 2007-459, s. 5, further provides, in part: "G.S. 131D-4.4(c)(3) 131E-114.3(b)(3), and 122C-6(b)(3), as enacted by this act, apply to individuals admitted to the facility on or after October 1, 2007."

Part 2. Nursing Home Patients' Bill of Rights.

§ 131E-115. Legislative intent.

It is the intent of the General Assembly to promote the interests and well-being of the patients in nursing homes and adult care homes licensed pursuant to G.S. 131E-102, and patients in a nursing home operated by a hospital which is licensed under Article 5 of Chapter 131E of the General Statutes. It is the intent of the General Assembly that every patient's civil and religious liberties, including the right to independent personal decisions and knowledge of available choices, shall not be infringed and that the facility shall encourage and assist the patient in the fullest possible exercise of these rights. (1977, c. 897, s. 1; 1983, c. 143, s. 2; c. 775, ss. 1, 6; 1995, c. 509, s. 72; c. 535, s. 25.)

CASE NOTES

The Nursing Home Patients' Bill of Rights does not set the standard to which nursing homes are held accountable in negligence damage actions. Such a holding would ignore the purpose of the negligence per se doctrine and the malpractice law of this State. It would permit the trier of fact to set its own standard of care for health care providers and speculate virtually without limits on the culpability of their conduct. Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

The Nursing Home Patients' Bill of Rights is a laudable statement of policy and requirements imposed on licensed nursing homes, with a remedial enforcement scheme which provides for injunctive relief and/or license revocation and administrative penalties. It may be relevant in a negligence case to show very generally a patient's expectations from a nursing home, but it is not a substitute, through the doctrine of negligence per se, for the well-established standard of care to be applied in negligence actions for damages against health care providers. Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

In negligence actions against health care providers, G.S. 90-21.12 sets the applicable standard of care. Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

§ 131E-116. Definitions.

As used in this Part, unless otherwise specified:

(1) "Administrator" means an administrator of a facility.

(1a) "Commission" means the North Carolina Medical Care Commission.

(2) "Facility" means a nursing home and a home for the aged or disabled licensed pursuant to G.S. 131E-102, and also means a nursing home operated by a hospital which is licensed under Article 5 of G.S. Chapter 131E.

(3) "Patient" means a person who has been admitted to a facility.

(4) "Representative payee" means a person certified by the federal government to receive and disburse benefits for a recipient of governmental assistance. (1977, c. 897, s. 1; 1983, c. 143, s. 1; c. 775, ss. 1, 6; 1993, c. 499, s. 1.)

§ 131E-117. Declaration of patient's rights.

All facilities shall treat their patients in accordance with the provisions of this Part. Every patient shall have the following rights:

(1) To be treated with consideration, respect, and full recognition of personal dignity and individuality;

(2) To receive care, treatment and services which are adequate, appropriate, and in compliance with relevant federal and State statutes and rules;

(3) To receive at the time of admission and during the stay, a written statement of the services provided by the facility, including those required to be offered on an as-needed basis, and of related charges. Charges for services not covered under Medicare or Medicaid shall be specified. Upon receiving this statement, the patient shall sign a written receipt which must be on file in the facility and available for inspection;

(4) To have on file in the patient's record a written or verbal order of the attending physician containing any information as the attending physician deems appropriate or necessary, together with the proposed schedule of medical treatment. The patient shall give prior informed consent to participation in experimental research. Written evidence of compliance with this subdivision, including signed acknowledgements by the patient, shall be retained by the facility in the patient's file;

(5) To receive respect and privacy in the patient's medical care program. Case discussion, consultation, examination, and treatment shall remain confidential and shall be conducted discreetly. Personal and medical records shall be confidential and the written consent of the patient shall be obtained for their release to any individual, other than family members, except as needed in case of the patient's transfer to another health care institution or as required by law or third party payment contract;

(6) To be free from mental and physical abuse and, except in emergencies, to be free from chemical and physical restraints unless authorized for a specified period of time by a physician according to clear and indicated medical need;

(7) To receive from the administrator or staff of the facility a reasonable response to all requests;

(8) To associate and communicate privately and without restriction with persons and groups of the patient's choice on the patient's initiative or that of the persons or groups at any reasonable hour; to send and receive mail promptly and unopened, unless the patient is unable to open and read personal mail; to have access at any reasonable hour to a telephone where the patient may speak privately; and to have access to writing instruments, stationery, and postage;

(9) To manage the patient's financial affairs unless authority has been delegated to another pursuant to a power of attorney, or written agreement, or some other person or agency has been appointed for this purpose pursuant to law. Nothing shall prevent the patient and facility from entering a written agreement for the facility to manage the patient's financial affairs. In the event that the facility manages the patient's financial affairs, it shall have an accounting available for inspection and shall furnish the patient with a quarterly statement of the patient's account. The patient shall have reasonable access to this account at reasonable hours; the patient or facility may terminate the agreement for the facility to manage the patient's financial affairs at any time upon five days' notice.

(10) To enjoy privacy in visits by the patient's spouse, and, if both are inpatients of the facility, they shall be afforded the opportunity where feasible to share a room;

(11) To enjoy privacy in the patient's room;

(12) To present grievances and recommend changes in policies and services, personally or through other persons or in combination with others, on the patient's personal behalf or that of others to the facility's staff, the community advisory committee, the administrator, the Department, or other persons or groups without fear of reprisal, restraint, interference, coercion, or discrimination;

(13) To not be required to perform services for the facility without personal consent and the written approval of the attending physician;

(14) To retain, to secure storage for, and to use personal clothing and possessions, where reasonable;

(15) To not be transferred or discharged from a facility except for medical reasons, the patient's own or other patients' welfare, nonpayment for

the stay, or when the transfer or discharge is mandated under Title XVIII (Medicare) or Title XIX (Medicaid) of the Social Security Act. The patient shall be given at least five days' advance notice to ensure orderly transfer or discharge, unless the attending physician orders immediate transfer, and these actions, and the reasons for them, shall be documented in the patient's medical record;

(16) To be notified within 10 days after the facility has been issued a provisional license because of violation of licensure regulations or received notice of revocation of license by the North Carolina Department of Health and Human Services and the basis on which the provisional license or notice of revocation of license was issued. The patient's responsible family member or guardian shall also be notified. (1977, c. 897, s. 1; 1983, c. 775, s. 1; 1989, c. 75; 1997-443, s. 11A.118(a).)

CASE NOTES

Applied in Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

§ 131E-118. Transfer of management responsibilities.

The patient's representative who has been given the power in writing by the patient to manage the patient's financial affairs or the patient's legal guardian as appointed by a court or the patient's attorney-in-fact as specified in the power of attorney agreement may sign any documents required by the provisions of this Part, may perform any other act, and may receive or furnish any information required by this Part. (1977, c. 897, s. 1; 1983, c. 775, s. 1.)

§ 131E-119. No waiver of rights.

No facility may require a patient to waive the rights specified in this Part. (1977, c. 897, s. 1; 1983, c. 775, s. 1.)

§ 131E-120. Notice to patient.

(a) A copy of G.S. 131E-115 through G.S. 131E-127 shall be posted conspicuously in a public place in all facilities. Copies of G.S. 131E-115 through G.S. 131E-127 shall be furnished to the patient upon admittance to the facility, to all patients currently residing in the facility, to the sponsoring agency, to a representative payee of the patient, or to any person designated in G.S. 131E-118, and to the patient's next of kin, if requested. Receipts for the statement signed by these persons shall be retained in the facility's files.

(b) The address and telephone number of the section in the Department responsible for the enforcement of the provisions of this Part shall be posted and distributed with copies of the Part. The address and telephone number of the county social services department shall also be posted and distributed. (1977, c. 897, s. 1; 1983, c. 775, s. 1.)

§ 131E-121. Responsibility of administrator.

Responsibility for implementing the provisions of this Part shall rest on the administrator of the facility. (1977, c. 897, s. 1; 1983, c. 775, s. 1.)

§ 131E-122. Staff training.

Each facility shall provide appropriate staff training to implement each patient's rights included in this Part. (1977, c. 897, s. 1; 1983, c. 775, s. 1.)

§ 131E-123. Civil action.

Every patient shall have the right to institute a civil action for injunctive relief to enforce the provisions of this Part. The Department, a general guardian, or any person appointed as guardian ad litem pursuant to law, may institute an action pursuant to this section on behalf of the patient or patients. Any agency or person named above may enforce the rights of the patient specified in this Part which the patient is unable to personally enforce. (1977, c. 897, s. 1; 1983, c. 775, s. 1.)

CASE NOTES

Applied in Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

§ 131E-124. Enforcement and investigation; confidentiality.

(a) The Department shall be responsible for the enforcement of the provisions of this Part. The Department shall investigate complaints made to it and reply within a reasonable time, not to exceed 60 days, upon receipt of a complaint.

(a1) When the Department receives a complaint alleging a violation of the provisions of this Part pertaining to patient care or patient safety, the Department shall initiate an investigation as follows:

(1) Immediately upon receipt of the complaint if the complaint alleges a life-threatening situation.
(2) Within 24 hours if the complaint alleges abuse of a resident as defined by G.S. 131D-20(1).
(3) Within 48 hours if the complaint alleges neglect of a resident as defined by G.S. 131D-20(8).
(4) Within two weeks in all other situations.

The investigation shall be completed within 30 days. The requirements of this section are in addition to and not in lieu of any investigatory requirements for adult protective services pursuant to Article 6 of Chapter 108A of the General Statutes.

(b) The Department is authorized to inspect patients' medical records maintained at the facility when necessary to investigate any alleged violation of this Part.

(c) The Department shall maintain the confidentiality of all persons who register complaints with the Department and of all medical records inspected by the Department. A person who has filed a complaint shall have access to information about a complaint investigation involving a specific resident if written authorization is obtained from the resident, legal representative, or responsible party. The designation of the responsible party shall be maintained by the nursing facility in the resident's medical record.

(d) Pursuant to 42 U.S.C. § 1395 and G.S. 131E-127, a nursing home as defined in G.S. 131E-101(6), is not in violation of any applicable statute, rule, or regulation for any action taken pursuant to a physician's order when the physician has determined that the action is medically necessary. (1977, c. 897, s. 1; 1983, c. 775, s. 1; 1999-113, s. 3; 1999-334, s. 1.9.)

CASE NOTES

Applied in Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

§ 131E-125. Revocation of a license.

(a) The Department shall have the authority to revoke a license issued pursuant to G.S. 131E-102 in any case where it finds that there has been a substantial failure to comply with the provisions of this Part or any failure that endangers the health, safety or welfare of patients.

A revocation shall be effected by mailing to the licensee by registered mail, or by personal service of, a notice setting forth the particular reasons for such action. Such revocation shall become effective 20 days after the mailing or service of the notice, unless the applicant or licensee, within such 20-day period, files a petition for a contested case, in which case the notice shall be deemed to be suspended. At any time at or prior to the hearing, the Department may rescind the notice of revocation upon being satisfied that the reasons for the revocation have been or will be removed.

(b) In the case of a nursing home operated by a hospital which is licensed under Article 5 of G.S. Chapter 131E, when the Department of Health and Human Services finds that there has been a substantial failure to comply with the provisions of this Part, it may issue an order preventing the continued operation of the home.

Such order shall be effected by mailing to the hospital by registered or certified mail, or by personal service of, a notice setting forth the particular reasons for such action. Such order shall become effective 20 days after the mailing of the notice, unless the hospital, within such 20-day period, files a petition for a contested case, in which case the order shall be deemed to be suspended. At any time at or prior to the hearing, the Department of Health and Human Services may rescind the order upon being satisfied that the reasons for the order have been or will be removed. (1977, c. 897, s. 1; 1983, c. 143, s. 3; c. 775, ss. 1, 6; 1987, c. 827, s. 251; 1997-443, s. 11A.118(a).)

CASE NOTES

Applied in Makas v. Hillhaven, Inc., 589 F. Supp. 736 (M.D.N.C. 1984).

§ 131E-126: Repealed by Session Laws 1987, c. 600, s. 1.

Cross References. — As to present provisions relating to penalties, see G.S. 131E-129.

§ 131E-127. No interference with practice of medicine or physician-patient relationship.

Nothing in this Part shall be construed to interfere with the practice of medicine or the physician-patient relationship. (1977, c. 897, s. 1; 1983, c. 775, s. 1.)

§ 131E-128. Nursing home advisory committees.

(a) It is the purpose of the General Assembly that community advisory committees work to maintain the intent of this Part within the nursing homes in this State, including nursing homes operated by hospitals licensed under

Article 5 of G.S. Chapter 131E. It is the further purpose of the General Assembly that the committees promote community involvement and cooperation with nursing homes and an integration of these homes into a system of care for the elderly.

(b)(1) A community advisory committee shall be established in each county which has a nursing home, including a nursing home operated by a hospital licensed under Article 5 of G.S. Chapter 131E, shall serve all the homes in the county, and shall work with each home in the best interest of the persons residing in each home. In a county which has one, two, or three nursing homes, the committee shall have five members. In a county with four or more nursing homes, the committee shall have one additional member for each nursing home in excess of three, and may have up to five additional members per committee at the discretion of the county commissioners.

(2) In each county with four or more nursing homes, the committee shall establish a subcommittee of no more than five members and no fewer than three members from the committee for each nursing home in the county. Each member must serve on at least one subcommittee.

(3) Each committee shall be appointed by the board of county commissioners. Of the members, a minority (not less than one-third, but as close to one-third as possible) must be chosen from among persons nominated by a majority of the chief administrators of nursing homes in the county and of the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes. If the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes fail to make a nomination within 45 days after written notification has been sent to them by the board of county commissioners requesting a nomination, these appointments may be made by the board of county commissioners without nominations.

(c) Each committee member shall serve an initial term of one year. Any person reappointed to a second or subsequent term in the same county shall serve a three-year term. Persons who were originally nominees of nursing home chief administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes, or who were appointed by the board of county commissioners when the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes failed to make nominations, may not be reappointed without the consent of a majority of the nursing home chief administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes within the county. If the nursing home chief administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes fail to approve or reject the reappointment within 45 days of being requested by the board of county commissioners, the commissioners may reappoint the member if they so choose.

(d) Any vacancy shall be filled by appointment of a person for a one-year term. Any person replacing a member nominated by the chief administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes or a person appointed when the chief administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes failed to make a nomination shall be selected from among persons nominated by the administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes, as provided in subsection (b). If the county commissioners fail to appoint members to a committee, or fail to fill a vacancy, the appointment may be made or vacancy filled by the Secretary or the Secretary's designee no sooner than 45 days after the commissioners have been notified of the appointment or vacancy if nomination or approval of the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes is not required. If nominations or approval of the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes is required, the appointment may be made or vacancy filled by the Secretary or the Secretary's designee no sooner than 45 days after the commissioners have received the nomination or approval, or no sooner than 45 days after the 45-day period for action by the nursing home administrators and the governing bodies of the hospitals licensed under Article 5 of G.S. Chapter 131E, which operate nursing homes.

(e) The committee shall elect from its members a chair, to serve a one-year term.

(f) Each member must be a resident of the county which the committee serves. No person or immediate family member of a person with a financial interest in a home served by a committee, or employee or governing board member or immediate family member of an employee or governing board member of a home served by a committee, or immediate family member of a patient in a home served by a committee may be a member of a committee. Membership on a committee shall not be considered an office as defined in G.S. 128-1 or G.S. 128-1.1. Any county commissioner who is appointed to the committee shall be deemed to be serving on the committee in an ex officio capacity. Members of the committee shall serve without compensation, but may be reimbursed for the amount of actual expenses incurred by them in the performance of their duties. The names of the committee members and the date of expiration of their terms shall be filed with the Division of Aging, which shall supply a copy to the Division of Health Service Regulation.

(g) The Division of Aging, Department of Health and Human Services, shall develop training materials which shall be distributed to each committee member and nursing home. Each committee member must receive training as specified by the Division of Aging prior to exercising any power under subsection (h) of this section. The Division of Aging, Department of Health and Human Services, shall provide the committees with information, guidelines, training, and consultation to direct them in the performance of their duties.

(h)(1) Each committee shall apprise itself of the general conditions under which the persons are residing in the homes, and shall work for the best interests of the persons in the homes. This may include assisting persons who have grievances with the home and facilitating the resolution of grievances at the local level.

(2) Each committee shall quarterly visit the nursing home it serves. For each official quarterly visit, a majority of the committee members shall be present. In addition, each committee may visit the nursing home it serves whenever it deems it necessary to carry out its duties. In counties with four or more nursing homes, the subcommittee assigned to a home shall perform the duties of the committee under this subdivision, and a majority of the subcommittee members must be present for any visit.

(3) Each member of a committee shall have the right between 10:00 A.M. and 8:00 P.M. to enter into the facility the committee serves in order to carry out the members' responsibilities. In a county where subcommittees have been established, this right of access shall be limited to homes served by those subcommittees to which the member has been appointed.

(4) The committee or subcommittee may communicate through its chair with the Department or any other agency in relation to the interest of any patient. The identity of any complainant or resident involved in a complaint shall not be disclosed except as permitted under the Older Americans Act of 1965, as amended, 42 U.S.C. § 3001 et seq.

(5) Each home shall cooperate with the committee as it carries out its duties.

(6) Before entering into any nursing home, the committee, subcommittee, or member shall identify itself to the person present at the facility who is in charge of the facility at that time.

(i) Any written communication made by a member of a nursing home advisory committee within the course and scope of the member's duties, as specified in G.S. 131E-128, shall be privileged to the extent provided in this subsection. This privilege shall be a defense in a cause of action for libel if the member was acting in good faith and the statements or communications do not amount to intentional wrongdoing.

To the extent that any nursing home advisory committee or any member thereof is covered by liability insurance, that committee or member shall be deemed to have waived the qualified immunity herein to the extent of indemnification by insurance. (1977, c. 897, s. 2; 1977, 2nd Sess., c. 1192, s. 1; 1983, c. 143, ss. 4-9; c. 775, ss. 1, 6; 1987, c. 682, s. 1; 1995, c. 254, s. 7; 1997-176, s. 1; 1997-443, s. 11A.118(a); 2007-182, s. 1.)

§ 131E-128.1. Nursing home medication management advisory committee.

(a) Definitions. — As used in this section, unless the context requires otherwise, the term:

(1) "Advisory committee" means a medication management committee established under this section to advise the quality assurance committee.

(2) "Medication-related error" means any preventable medication-related event that adversely affects a patient in a nursing home and that is related to professional practice, or health care products, procedures, and systems, including prescribing, prescription order communications, product labeling, packaging and nomenclature, compounding, dispensing, distribution, administration, education, monitoring, and use.

(3) "Nursing home" means a nursing home licensed under this Chapter and includes an adult care home operated as part of a nursing home.

(4) "Potential medication-related error" means a medication-related error that has not yet adversely affected a patient in a nursing home, but that has the potential to if not anticipated or prevented or if left unnoticed.

(5) "Quality assurance committee" means a committee established in a nursing home in accordance with federal and State regulations to identify circumstances requiring quality assessment and assurance activities and to develop and implement appropriate plans of action to correct deficiencies in quality of care.

(b) Purpose. — It is the purpose of the General Assembly to enhance compliance with this Part through the establishment of medication management advisory committees in nursing homes. The purpose of these committees is to assist nursing homes to identify medication-related errors, evaluate the causes of those errors, and take appropriate actions to ensure the safe prescribing, dispensing, and administration of medications to nursing home patients.

(c) Advisory Committee Established; Membership. — Every nursing home shall establish a medication management advisory committee to advise the quality assurance committee on quality of care issues related to pharmaceutical and medication management and use in the nursing home. The nursing home shall maintain the advisory committee as part of its administrative duties. The advisory committee shall be interdisciplinary and consist of the nursing home administrator and at least the following members appointed by the nursing home administrator:

(1) The director of nursing.
(2) The consultant pharmacist.
(3) A physician designated by the nursing home administrator.
(4) At least three other members of the nursing home staff.

(d) Meetings. — The advisory committee shall meet as needed but not less frequently than quarterly. The Director of Nursing or Staff Development Coordinator shall chair the advisory committee. The nursing home administrator shall ensure that a record is maintained of each meeting.

(e) Confidentiality. — The meetings or proceedings of the advisory committee, the records and materials it produces, and the materials it considers, including analyses and reports pertaining to medication-related error reporting under G.S. 131E-128.2 and G.S. 131E-128.5 and pharmacy reports on drug defects and adverse reactions under G.S. 131E-128.4, shall be confidential and not be considered public records within the meaning of G.S. 132-1. The meetings or proceedings and records and materials also shall not be subject to discovery or introduction into evidence in any civil action against a nursing home or a provider of professional health services resulting from matters that are the subject of evaluation and review by the committee. No person who was in attendance at a meeting of the committee shall testify in any civil action as to any evidence or other matters produced or presented during the meetings or proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or its members. Notwithstanding the foregoing:

(1) Information, documents, or records otherwise available, including any deficiencies found in the course of an inspection conducted under G.S. 131E-105, shall not be immune from discovery or use in a civil action merely because they were presented during meetings or proceedings of the advisory committee. A member of the advisory committee or a person who testifies before the committee may testify in a civil action but cannot be asked about that person's testimony before the committee or any opinion formed as a result of the committee meetings or proceedings.

(2) Information that is confidential and not subject to discovery or use in civil actions under this subsection may be released to a professional standards review organization that performs any accreditation or certification function. Information released to the professional standards review organization shall be limited to information reasonably necessary and relevant to the standards review organization's determination to grant or continue accreditation or certification. Information released to the standards review organization retains its confidentiality and is not subject to discovery or use in any civil action as provided under this subsection. The standards review organization shall keep the information confidential subject to this subsection.

(3) Information that is confidential and not subject to discovery or use in civil actions under this subsection may be released to the Department of Health and Human Services pursuant to its investigative authority under G.S. 131E-105. Information released to the Department shall be limited to information reasonably necessary and relevant to the

Department's investigation of compliance with Part 1 of Article 6 of this Chapter. Information released to the Department retains its confidentiality and is not subject to discovery or use in any civil action as provided in this subsection. The Department shall keep the information confidential subject to this subsection.

(4) Information that is confidential and is not subject to discovery or use in civil actions under this subsection may be released to an occupational licensing board having jurisdiction over the license of an individual involved in an incident that is under review or investigation by the advisory committee. Information released to the occupational licensing board shall be limited to information reasonably necessary and relevant to an investigation being conducted by the licensing board pertaining to the individual's involvement in the incident under review by the advisory committee. Information released to an occupational licensing board retains its confidentiality and is not subject to discovery or use in any civil action as provided in this subsection. The occupational licensing board shall keep the information confidential subject to this subsection.

(f) Duties. — The advisory committee shall do the following:

(1) Assess the nursing home's pharmaceutical management system, including its prescribing, distribution, administration policies, procedures, and practices and identify areas at high risk for medication-related errors.

(2) Review the nursing home's pharmaceutical management goals and respond accordingly to ensure that these goals are being met.

(3) Review, investigate, and respond to nursing home incident reports, deficiencies cited by licensing or credentialing agencies, and resident grievances that involve actual or potential medication-related errors.

(4) Identify goals and recommendations to implement best practices and procedures, including risk reduction technology, to improve patient safety by reducing the risk of medication-related errors.

(5) Develop recommendations to establish a mandatory, nonpunitive, confidential reporting system within the nursing home of actual and potential medication-related errors.

(6) Develop specifications for drug dispensing and administration documentation procedures to ensure compliance with federal and State law, including the North Carolina Nursing Practice Act.

(7) Develop specifications for self-administration of drugs by qualified patients in accordance with law, including recommendations for assessment procedures that identify patients who may be qualified to self-administer their medications.

(g) Penalty. — The Department may take adverse action against the license of a nursing home upon a finding that the nursing home has failed to comply with this section, G.S. 131E-128.2, 131E-128.3, 131E-128.4, or 131E-128.5. (2003-393, s. 1.)

§ 131E-128.2. Nursing home quality assurance committee; duties related to medication error prevention.

Every nursing home administrator shall ensure that the nursing home quality assurance committee develops and implements appropriate measures to minimize the risk of actual and potential medication-related errors, including the measures listed in this section. The design and implementation of the measures shall be based upon recommendations of the medication management advisory committee and shall:

(1) Increase awareness and education of the patient and family members about all medications that the patient is using, both prescription and over-the-counter, including dietary supplements.

(2) Increase prescription legibility.
(3) Minimize confusion in prescription drug labeling and packaging, including unit dose packaging.
(4) Develop a confidential and nonpunitive process for internal reporting of actual and potential medication-related errors.
(5) To the extent practicable, implement proven medication safety practices, including the use of automated drug ordering and dispensing systems.
(6) Educate facility staff engaged in medication administration activities on similar-sounding drug names.
(7) Implement a system to accurately identify recipients before any drug is administered.
(8) Implement policies and procedures designed to improve accuracy in medication administration and in documentation by properly authorized individuals, in accordance with prescribed orders and stop order policies.
(9) Implement policies and procedures for patient self-administration of medication.
(10) Investigate and analyze the frequency and root causes of general categories and specific types of actual or potential medication-related errors.
(11) Develop recommendations for plans of action to correct identified deficiencies in the facility's pharmaceutical management practices. (2003-393, s. 1.)

§ 131E-128.3. Staff orientation on medication error prevention.

The nursing home administrator shall ensure that the nursing home provide a minimum of one hour of education and training in the prevention of actual or potential medication-related errors. This training shall be provided upon orientation and annually thereafter to all nonphysician personnel involved in direct patient care. The content of the training shall include at least the following:

(1) General information relevant to the administration of medications including terminology, procedures, routes of medication administration, potential side effects, and adverse reactions.
(2) Additional instruction on categories of medication pertaining to the specific needs of the patient receiving the medication.
(3) The facility's policy and procedures regarding its medication administration system.
(4) How to assist patients with safe and accurate self-administration of medication, where appropriate.
(5) Identifying and reporting actual and potential medication-related errors. (2003-393, s. 1.)

§ 131E-128.4. Nursing home pharmacy reports; duties of consultant pharmacist.

(a) The consultant pharmacist for a nursing home shall conduct a drug regimen review for actual and potential drug therapy problems in the nursing home and make remedial or preventive clinical recommendations into the medical record of every patient receiving medication. The consultant pharmacist shall conduct the review at least monthly in accordance with the nursing home's policies and procedures.

(b) The consultant pharmacist shall report and document any drug irregularities and clinical recommendations promptly to the attending physician or nurse-in-charge and the nursing home administrator. The reports shall include problems identified and recommendations concerning:

(1) Drug therapy that may be affected by biological agents, laboratory tests, special dietary requirements, and foods used or administered concomitantly with other medication to the same recipient.
(2) Monitoring for potential adverse effects.
(3) Allergies.
(4) Drug interactions, including interactions between prescription drugs and over-the-counter drugs, drugs and disease, and interactions between drugs and nutrients.
(5) Contraindications and precautions.
(6) Potential therapeutic duplication.
(7) Overextended length of treatment of certain drugs typically prescribed for a short period of time.
(8) Beer's listed drugs that are potentially inappropriate for use by elderly persons.
(9) Undertreatment or medical conditions that are suboptimally treated or not treated at all that warrant additional drug therapy to ensure quality of care.
(10) Other identified problems and recommendations.

(c) The consultant pharmacist shall report drug product defects and adverse drug reactions in accordance with the ASHSP-USP-FDA Drug Product Defect Reporting System and the USP Adverse Drug Reaction Reporting System. The term "ASHSP-USP-FDA" means American Society of Health System Pharmacists-United States Pharmacopoeia-Food and Drug Administration. Information released to the ASHSP-USP-FDA retains its confidentiality and is not subject to discovery or use in any civil action as provided under G.S. 131E-128.1.

(d) The consultant pharmacist shall ensure that all known allergies and adverse effects are documented in plain view in the patient's medical record, including the medication administration records, and communicated to the dispensing pharmacy. The specific medications and the type of allergy or adverse reaction shall be specified in the documentation.

(e) The consultant pharmacist shall ensure that drugs that are not specifically limited as to duration of use or number of doses shall be controlled by automatic stop orders. The consultant pharmacist shall further ensure that the prescribing provider is notified of the automatic stop order prior to the dispensing of the last dose so that the provider may decide whether to continue to use the drug.

(f) The consultant pharmacist shall, on a quarterly basis, submit a summary of the reports submitted under subsections (a) and (b) of this section to the medication management advisory committee established under G.S. 131E-128.1. The summary shall not include any information that would identify a patient, a family member, or an employee of the nursing home. The purpose of the summary shall be to facilitate the identification and analysis of weaknesses in the nursing home's pharmaceutical care system that have an adverse impact on patient safety. (2003-393, s. 1.)

§ 131E-128.5. Medication-related error reports.

(a) The Secretary of Health and Human Services shall contract with a public or private entity to develop and implement a Medication Error Quality Initiative. The Initiative would provide for, among other things, receipt and analysis by the contracting entity of annual reports from each nursing home on the nursing home's medication-related errors. The report submitted by the nursing home shall not contain information that would identify the patient, the individual reporting the error, or other persons involved in the occurrence. The report shall include the following:

(1) The total number of medication-related errors for the preceding year.

(2) A listing of the types of medication-related errors, the number of medication-related errors, the root cause analysis of each error, and the staff level involved.

(3) A listing of the types of injuries caused and the number of injuries occurring.

(4) The types of liability claims filed based on an adverse incident or reportable injury.

(b) The contracting entity shall provide for analysis of the medication-related error reports to determine trends in the incidence of medication-related errors in nursing homes. Information released to the contractor retains its confidentiality and is not subject to discovery or use in any civil action as provided under G.S. 131E-128.1, and the contractor shall keep the information confidential subject to that section. (2003-393, s. 1.)

Editor's Note. — Session Laws 2003-393, s. 2, provides: "The Department shall use available grants and federal funds to implement G.S. 131E-128.5 as enacted in this act."

§ 131E-129. Penalties.

(a) Violations classified. The Department shall impose an administrative penalty in accordance with provisions of this Part on any facility's licensee which is found to be in violation of the requirements of G.S. 131E-117 or applicable State and federal laws and regulations. Citations issued for violations shall be classified according to the nature of the violation as follows:

(1) "Type A Violation" means a violation by a facility's licensee of the regulations, standards, and requirements set forth in G.S. 131E-117, or applicable State or federal laws and regulations governing the licensure or certification of a facility which results in death or serious physical harm, or results in substantial risk that death or serious physical harm will occur. Type A Violations shall be abated or eliminated immediately. The Department shall require an immediate plan of correction for each Type A Violation. The person making the findings shall do the following:

a. Orally and immediately inform the administrator of the facility of the specific findings and what must be done to correct them and set a date by which the violation must be corrected;

b. Within 10 working days of the investigation, confirm in writing to the administrator the information provided orally under sub-subdivision a. of this subdivision; and

c. Provide a copy of the written confirmation required under sub-subdivision b. of this subdivision to the Department.

The Department shall impose a civil penalty in an amount not less than five hundred dollars ($500.00) nor more than ten thousand dollars ($10,000) for each Type A Violation.

(2) "Type B Violation" means a violation by a facility's licensee of the regulations, standards and requirements set forth in G.S. 131E-117 or applicable State or federal laws and regulations governing the licensure or certification of a facility which presents a direct relationship to the health, safety, or welfare of any resident, but which does not result in substantial risk that death or serious physical harm will occur. The Department shall require a plan of correction for each Type B

Violation and may require the facility to establish a specific plan of correction within a specific time period to address the violation.

(b) Penalties for failure to correct violations within time specified.

(1) Where a facility's licensee has failed to correct a Type A Violation, the Department shall assess the facility's licensee a civil penalty in the amount of up to five hundred dollars ($500.00) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative. The Department or its authorized representative shall ensure that the violation has been corrected.

(2) Where a facility's licensee has failed to correct a Type B Violation within the time specified for correction by the Department or its authorized representative, the Department shall assess the facility's licensee a civil penalty in the amount of up to two hundred dollars ($200.00) for each day that the deficiency continues beyond the time specified in the plan of correction approved by the Department or its authorized representative without just reason for such failure. The Department or its authorized representative shall ensure that the violation has been corrected.

(3) The Department shall impose a civil penalty on a facility's licensee which is treble the amount assessed under subdivision (1) of subsection (a) when a facility under the management, ownership, or control of that same licensee has received a citation and paid a penalty for violating the same specific provision of a statute or regulation for which the facility's licensee has received a citation during the previous 12 months. The counting of the 12-month period shall be tolled during any time when the facility is being operated by a court-appointed temporary manager pursuant to Article 13 of this Chapter.

(c) Factors to be considered in determining amount of initial penalty. In determining the amount of the initial penalty to be imposed under this section, the Department shall consider the following factors:

(1) The gravity of the violation, including the fact that death or serious physical harm to a resident has resulted; the severity of the actual or potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(1a) The gravity of the violation, including the probability that death or serious physical harm to a resident will result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(1b) The gravity of the violation, including the probability that death or serious physical harm to a resident may result; the severity of the potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;

(2) The reasonable diligence exercised by the licensee to comply with G.S. 131E-256 and G.S. 131E-265 and other applicable State and federal laws and regulations;

(2a) Efforts by the licensee to correct violations;

(3) The number and type of previous violations committed by the licensee within the past 36 months;

(4) The amount of assessment necessary to insure immediate and continued compliance; and

(5) The number of patients put at risk by the violation.

(c1) The facts found to support the factors in subsection (c) of this section shall be the basis in determining the amount of the penalty. The Secretary shall document the findings in written record and shall make the written record available to all affected parties including:

(1) The penalty review committee;
(2) The local department of social services who is responsible for oversight of the facility involved;
(3) The licensee involved;
(4) The residents affected; and
(5) The family members or guardians of the residents affected.

(c2) Local county departments of social services and Division of Health Service Regulation personnel shall submit proposed penalty recommendations to the Department within 45 days of the citation of a violation.

(d) The Department shall impose a civil penalty on any facility's licensee which refuses to allow an authorized representative of the Department to inspect the premises and records of the facility.

(e) Any facility's licensee wishing to contest a penalty shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. At least the following specific issues shall be addressed at the administrative hearing:

(1) The reasonableness of the amount of any civil penalty assessed, and
(2) The degree to which each factor has been evaluated pursuant to subsection (c) of this section to be considered in determining the amount of an initial penalty.

If a civil penalty is found to be unreasonable or if the evaluation of each factor is found to be incomplete, the hearing officer may recommend that the penalty be adjusted accordingly.

(f) The Secretary may bring a civil action in the superior court of the county wherein the violation occurred to recover the amount of the administrative penalty whenever a facility's licensee:

(1) Which has not requested an administrative hearing fails to pay the penalty within 60 days after being notified of the penalty; or
(2) Which has requested an administrative hearing fails to pay the penalty within 60 days after receipt of a written copy of the decision as provided in G.S. 150B-36.

(g) The penalty review committee established pursuant to G.S. 131D-34(h) shall review administrative penalties assessed pursuant to this section.

(g1) In lieu of assessing an administrative penalty, the Secretary may order a facility to provide staff training if:

(1) The cost of training does not exceed one thousand dollars ($1,000);
(2) The penalty would be for the facility's only violation within a 12-month period preceding the current violation and while the facility is under the same management; and
(3) The training is:
    a. Specific to the violation;
    b. Approved by the Department of Health and Human Services; and
    c. Taught by someone approved by the Department and other than the provider.

(h) The Department shall not assess an administrative penalty against a facility under this section if a civil monetary penalty has been assessed for the same violation under federal enforcement laws and regulations.

(i) The clear proceeds of civil penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1987, c. 600, s. 2; 1989, c. 556, s. 2; 1993, c. 390, s. 2; 1995, c. 396, s. 1; 1995 (Reg. Sess., 1996), c. 602, s. 2; 1997-431, s. 2; 1997-443, s. 11A.122; 1998-215, s. 78(b); 2007-182, s. 1.1.)

Legal Periodicals. — For a survey of 1996 developments in constitutional law, see 75 N.C.L. Rev. 2252 (1997).

§ 131E-130. First available bed priority for certain nursing home patients.

(a) If a patient is temporarily absent, for no more than 15 days, from a nursing home to obtain medical treatment at a hospital other than a State mental hospital, the nursing home; (i) shall provide the patient with the first bed available at or after the time the nursing home receives written notification of the specific date of discharge from the hospital; and (ii) shall grant the patient priority of admission over applicants for admission to the nursing home.

The duration of the temporary absence shall be calculated from the day of the patient's admission to a hospital until the date the nursing home receives written notice of the specific date of discharge.

This subsection shall not apply in instances in which the patient's treatment can no longer be provided by the nursing home upon re-admission.

(b) If the Department finds that a nursing home has violated the provisions of subsection (a) of this section, the Department may assess a civil penalty of fifty dollars ($50.00) a day, up to a maximum of one thousand five hundred dollars ($1,500), against the nursing home, for each violation.

The clear proceeds of penalties provided for in this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(c) The provisions of Chapter 150B of the General Statutes that govern contested cases apply to appeals from Department action pursuant to this section. (1987 (Reg. Sess., 1988), c. 1080, s. 1; 1998-215, s. 79.)

§ 131E-131. Rule-making authority; enforcement.

The Commission shall adopt rules necessary for the implementation of this Part.

The Department shall enforce the rules adopted by the Commission to implement this Part. (1993, c. 499, s. 2.)

§§ 131E-132 through 131E-134: Reserved for future codification purposes.

Part 3. Home Care Agency Licensure Act.

§ 131E-135. Title; purpose.

(a) This Part shall be known as "Home Care Agency Licensure Act."

(b) The purpose of this Part is to establish licensing requirements for home care agencies. (1983, c. 775, s. 1; 1991, c. 59, s. 1; c. 761, s. 34.)

Editor's Note. — Session Laws 2006-194, s. 1, provides: "The Department of Health and Human Services, Division of Medical Assistance, shall implement a pilot program to evaluate the use of telemonitoring equipment in home and community based services. As determined by the Division, the Department shall provide remuneration to home care agencies and other providers for participation in the pilot program. The pilot program shall be implemented by October 1, 2006, and shall evaluate the use of telemonitoring equipment as a tool to improve the health of home and community based recipients through increased monitoring and responsiveness, and resulting in increased stabilization rates and decreased hospitalization rates. The evaluation must include a representative number of older adults. The Department shall report to the Study Commission on Aging by August 1, 2007. The report shall include findings and recommendations on the cost-effectiveness of telemonitoring and the benefits to individuals and health care providers." Session Laws 2006-66, s. 10.9C authorized a similar study.

Session Laws 2006-194, s. 2, as amended by Session Laws 2007-125, s. 1, provides: "Beginning January 1, 2007, and for a period of two years thereafter, the Department of Health and Human Services shall not issue any licenses for new home care agencies that intend to offer in-home aide services. This shall not restrict the Department from issuing licenses to certified home health agencies that intend to offer in-home aide services or to agencies that need a new license for an existing home care agency being acquired. This will allow the Department more time to work with existing home care agencies to assure compliance with the newly adopted home care rules."

§ 131E-136. Definitions.

As used in this Part, unless otherwise specified:

(1) "Commission" means the North Carolina Medical Care Commission.

(1a) "Geographic service area" means the geographic area in which a licensed agency provides home care services.

(2) "Home care agency" means a private or public organization that provides home care services.

(2a) "Home care agency director" means the person having administrative responsibility for the operation of the licensed agency site.

(2b) "Home care client" means an individual who receives home care services.

(3) "Home care services" means any of the following services and directly related medical supplies and appliances, which are provided to an individual in a place of temporary or permanent residence used as an individual's home:

a. Nursing care provided by or under the supervision of a registered nurse.

b. Physical, occupational, or speech therapy, when provided to an individual who also is receiving nursing services, or any other of these therapy services, in a place of temporary or permanent residence used as the individual's home.

c. Medical social services.

d. In-home aide services that involve hands-on care to an individual.

e. Infusion nursing services.

f. Assistance with pulmonary care, pulmonary rehabilitation or ventilation.

g. In-home companion, sitter, and respite care services provided to an individual.

h. Homemaker services provided in combination with in-home companion, sitter, respite, or other home care services.

The term does not include: health promotion, preventative health and community health services provided by public health departments; maternal and child health services provided by public health departments, by employees of the Department of Health and Human Services under G.S. 130A-124, or by developmental evaluation centers under contract with the Department of Health and Human Services to provide services under G.S. 130A-124; hospitals licensed under Article 5 of Chapter 131E of the General Statutes when providing follow-up care initiated to patients within six months after their discharge from the hospital; facilities and programs operated under the authority of G.S. 122C and providing services within the scope of G.S. 122C; schools, when providing services pursuant to Article 9 of Chapter 115C; the practice of midwifery by a person licensed under Article 10A of Chapter 90 of the General Statutes; hospices licensed under Article 10 of Chapter 131E of the General Statutes when providing care to a hospice patient; an individual who engages solely in providing his own services to other individuals; incidental health care provided by an employee of a physician licensed to practice medicine in North Carolina in the normal course of the physician's practice; or nursing registries if the registry discloses to a client or the client's responsible party, before providing any services, that (i) it is not a licensed home care agency, and (ii) it does not make any representations or guarantees concerning the training, supervision, or competence of the personnel provided. The term sitter does not include child care facilities licensed in accordance with Chapter 110 of the General Statutes. The term respite care does not include facilities or services licensed in accordance with Chapter 122C of the General Statutes. The terms in-home companion, sitter, homemaker, and respite care services do not include (i) services certified or otherwise overseen by the Department as not providing personal care or (ii) services administered on a voluntary basis for which there is not reimbursement from the recipient or anyone acting on the recipient's behalf.

(4) "Home health agency" means a home care agency which is certified to receive Medicare and Medicaid reimbursement for providing nursing care, therapy, medical social services, and home health aide services on a part-time, intermittent basis as set out in G.S. 131E-176(12), and is thereby also subject to Article 9 of Chapter 131E. (1971, c. 539, s. 1; 1983, c. 775, s. 1; 1983 (Reg. Sess., 1984), c. 1022, s. 4; 1987, c. 34, s. 1; 1991, c. 59, s. 1; c. 761, s. 34; 1997-443, s. 11A.90; 2005-276, s. 10.40A(m); 2008-127, s. 1.)

Editor's Note. — Session Laws 2008-127, s. 3, provides: "The North Carolina Medical Care Commission shall adopt rules to implement Section 1 of this act."

Effect of Amendments. — Session Laws 2008-127, s. 1, effective January 1, 2010, made minor punctuation changes in subdivisions (3)a. through (3)f., added subdivisions (3)g. and (3)h.; and added the last three sentences of the concluding paragraph of subdivision (3).

§ 131E-137. Services to be provided in all counties.

(a) Every county shall provide part-time, intermittent home care nursing services, and at least one of the following home care services: part-time, intermittent physical therapy, occupational therapy, speech therapy, medical social work, or home health aide services.

(b) Repealed by Session Laws 1991, c. 59, s. 1.

(c) These services shall be provided by a home care agency licensed under this Part. The county may provide these services by contract with another home care agency in another county.

(d) Repealed by Session Laws 1985, c. 8, s. 1. (1977, 2nd Sess., c. 1184; 1979, c. 754, s. 1; 1983, c. 775, s. 1; 1985, c. 8; 1991, c. 59, s. 1; c. 761, s. 34.)

§ 131E-138. Licensure requirements.

(a) No person or governmental unit shall operate a home care agency without a license obtained from the Department. Nothing in this Part shall be construed to extend or modify the licensing of individual health professionals by the licensing boards for their professions or to create any new professional license category.

(b) Repealed by Session Laws 1991, c. 59, s. 1.

(c) An application for a license shall be available from the Department, and each application filed with the Department shall contain all information requested by the Department. A license shall be granted to the applicant upon a determination by the Department that the applicant has complied with the provisions of this Part and the rules promulgated by the Commission under this Part. The Department shall charge the applicant a nonrefundable annual license fee in the amount of five hundred ten dollars ($510.00).

(d) The Department shall renew the license in accordance with the rules of the Commission.

(e) Each license shall be issued only for the premises and persons named in the license and shall not be transferable or assignable except with the written approval of the Department.

(f) The license shall be posted in a conspicuous place on the licensed premises.

(g) The Commission shall adopt rules to ensure that a home care agency shall be deemed to meet the licensure requirements and issued a license without further review or inspection if: (i) the agency is already certified or accredited by the Joint Commission on Accreditation of Health Care Organizations, National League for Nursing, National Home Caring Council, North Carolina Accreditation Commission for In-Home Aide Services, or other entities recognized by the Commission and (ii) the agency is certified or accredited for all of the home care services that it provides; or (iii) in the case of continuing care retirement communities licensed by the North Carolina Department of Insurance under Article 64 of Chapter 58 which also have nursing beds licensed by the Department of Health and Human Services under Article 6 of Chapter 131E, the Department certifies, as part of its licensure review or survey of the nursing beds, that the facility also meets all of the rules and regulations adopted by the Commission pursuant to this Part. The Department may, at its discretion, determine the frequency and extent of the review and inspection of home health agencies already certified as meeting federal requirements, but not more frequently than on an annual basis for routine reviews. (1971, c. 539, s. 1; 1973, c. 476, s. 128; 1983, c. 775, s. 1; 1991, c. 59, s. 1; c. 761, s. 34; 1997-443, s. 11A.118(a); 2003-284, s. 34.4(a); 2005-276, s. 41.2(d); 2008-127, s. 2; 2009-451, s. 10.76(d).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2008-127, s. 2, effective January 1, 2009, substituted "four hundred dollars ($400.00)" for "three hundred fifty dollars ($350.00)" in the last sentence of subsection (c).

Session Laws 2009-451, s. 10.76(d), effective August 14, 2009, substituted "five hundred ten dollars ($510.00)" for "four hundred dollars ($400.00)" in the last sentence of subsection (c).

§ 131E-138.1. Licensure fees for nursing beds and adult care home beds in continuing care retirement communities.

The Department shall charge continuing care retirement communities licensed under Article 64 of Chapter 58 of the General Statutes that have nursing home beds or adult care home beds licensed by the Department a nonrefundable annual base license fee in the amount of four hundred fifty dollars ($450.00) plus a nonrefundable annual per-bed fee in the amount of twelve dollars and fifty cents ($12.50). (2003-284, s. 34.9(a); 2005-276, s. 41.2(i).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

§ 131E-139. Adverse action on a license.

(a) The Department may suspend, revoke, annul, withdraw, recall, cancel or amend a license when there has been a substantial failure to comply with the provisions of this Part or the rules promulgated under this Part.

(b) The provisions of Chapter 150B of the General Statutes, The Administrative Procedure Act, shall govern all administrative action and judicial review in cases where the Department has taken the action described in subsection (a). (1971, c. 539, s. 1; 1973, c. 476, s. 128; 1983, c. 775, s. 1; 1987, c. 827, s. 1; 1991, c. 59, s. 1; c. 761, s. 34.)

§ 131E-140. Rules and enforcement.

(a) The Commission may adopt, amend and repeal all rules necessary for the implementation of this Part and Part 3A of Article 6 of this Chapter. Provided, these rules shall not extend, modify, or limit the licensing of individual health professionals by their respective licensing boards; nor shall these rules in any way be construed to extend the appropriate scope of practice of any individual health care provider. Rules authorized under this section include rules:

(1) That recognize the different types of home care services and shall adopt specific requirements for the provision of each type of home care service.

(2) To establish staff qualifications, including professional requirements for home care agency staff. The rules may require that one or more staff of an agency be either licensed or certified. The rules may establish minimum training and education qualifications for staff and may include the recognition of professional certification boards for those professions not licensed or certified under other provisions of the North Carolina General Statutes provided that the professional board evaluates applicants on a basis that protects the public health, safety, or welfare.

(3) For the purpose of ensuring effective supervision of in-home aide staff and timely provision of services, the Commission shall adopt rules defining geographic service areas for in-home aide services and staffing qualifications for licensed home care agencies.

(4) Prohibiting licensed home care agencies from hiring individuals listed on the Health Care Personnel Registry in accordance with G.S. 131E-256(a)(1).

(5) Requiring applicants for home care licensure to receive training in the requirements for licensure, the licensure process, and the rules pertaining to the operation of a home care agency.

(a1) The Commission shall adopt rules defining the scope of permissible advertising and promotional practice by home care agencies.

(b) The Department shall enforce the rules adopted or amended by the Commission with respect to home care agencies and shall conduct an inspection of each agency at least every three years. (1971, c. 539, s. 1; 1973, c. 476, s. 128; 1983, c. 775, s. 1; 1991, c. 59, s. 1; c. 761, s. 34; 2005-276, ss. 10.40A(a), (o).)

§ 131E-141. Inspection.

(a) The Department shall inspect home care agencies in accordance with rules adopted by the Commission to determine compliance with the provisions of this Part and the rules established by the Commission.

(b) Notwithstanding the provisions of G.S. 8-53, "Communications between physician and patient," or any other provision of law relating to the confidentiality of communications between physician and patient, the representatives of the Department who make these inspections may review any writing or other record in any recording medium which pertains to the admission, discharge, medication, treatment, medical condition, or history of persons who are or have been clients of the agency being inspected unless that client objects in writing to review of that client's records. Physicians, psychiatrists, nurses, and anyone else involved in giving treatment at or through an agency who may be interviewed by representatives of the Department may disclose to these representatives information related to any inquiry, notwithstanding the existence of the physician-patient privilege in G.S. 8-53, "Communication between physician and patient," or any other rule of law; provided the client has not made written objection to this disclosure. The agency, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information to the Department. Any confidential or privileged information received from review of records or interviews, except as noted in G.S. 131E-124(c), shall be kept confidential by the Department and not disclosed without written authorization of the client or legal representative, or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning an agency without the consent of that person. Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews shall be considered "public records" within the meaning of G.S. 132-1, "'Public records' defined." Prior to releasing any information or allowing any inspections referred to in this section, the client must be advised in writing by the licensed agency that the client has the right to object in writing to release of information or review of the client's records and that by an objection in writing the client may prohibit the inspection or release of the records.

(c) An agency must provide each client with a written notice of the Division of Health Service Regulation hotline number in advance of furnishing care to the client or during the initial evaluation visit before the initiation of services. (1971, c. 539, s. 1; 1973, c. 476, s. 128; 1981, c. 586, s. 2; 1983, c. 775, s. 1; 1991, c. 59, s. 1; c. 761, s. 34; 1999-113, s. 4; 2005-276, s. 10.40A(b); 2007-182, s. 1.)

§ 131E-141.1. Penalties for violation.

Any person who knowingly and willfully establishes, conducts, manages or operates any home care agency without a license is guilty of a Class 3 misdemeanor and upon conviction is liable only for a fine of not more than five hundred dollars ($500.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. (1991, c. 59, s. 1; c. 761, s. 34; 1993, c. 539, s. 961; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 131E-142. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department shall, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, management or operation of a home care agency without a license.

(b) If any person shall hinder the proper performance of duty of the Secretary or a representative in carrying out the provisions of this Part, the Secretary may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance irrespective of all other remedies at law.

(c) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes and Rule 65 of the Rules of Civil Procedure. (1983, c. 775, s. 1; 1991, c. 59, s. 1; c. 761, s. 34.)

Editor's Note. — The Rules of Civil Procedure, referred to above, are found at G.S. 1A-1.

§ 131E-143. Smoking prohibited; penalty.

(a) A home care agency shall prohibit its employees from smoking while providing services to an individual in the individual's home. The home care agency shall inform its clients that employees of the agency are prohibited from smoking in a client's home. As used in this section:

(1) "Employee" includes an individual under contract with the home care agency to provide home care services.

(2) "Smoking" means the use or possession of any lighted cigar, cigarette, pipe, or other lighted smoking product.

(b) The Department may impose an administrative penalty not to exceed two hundred dollars ($200.00) for each violation on any person who owns, manages, operates, or otherwise controls the home care agency and fails to comply with this section. A violation of this section constitutes a civil offense only and is not a crime. (2007-459, s. 4.)

Editor's Note. — Session Laws 2007-459, s. 5, made this section effective October 1, 2007, and applicable to violations committed on or after that date.

Session Laws 2007-459, s. 5, further provides: "G.S. 131D-4.4(c)(3) 131E-114.3(b)(3), and 122C-6(b)(3), as enacted by this act, apply to individuals admitted to the facility on or after October 1, 2007. G.S. 130A-493(c)(2), as enacted by this act, applies to individuals admitted to the hospital on or after January 1, 2008."

Part 3A. Home Care Clients' Bill of Rights.

§ 131E-144.1. Legislative intent.

It is the intent of the General Assembly to support an individual's desire to live at home and receive home care services. (2005-276, s. 10.40A(n).)

§ 131E-144.2. Definitions.

Unless otherwise specified, the definitions that are provided in Part 3 of Article 6 of this Chapter apply in this Part. (2005-276, s. 10.40A(n).)

§ 131E-144.3. Declaration of home care clients' rights.

Each client of a home care agency shall have the following rights:

(1) To be informed and participate in his or her plan of care.

(2) To be treated with respect, consideration, dignity, and full recognition of his or her individuality and right to privacy.

(3) To receive care and services that are adequate, appropriate, and in compliance with relevant federal and State laws and rules and regulations.

(4) To voice grievances about care and not be subjected to discrimination or reprisal for doing so.

(5) To have his or her personal and medical records kept confidential and not be disclosed without appropriate written consent.

(6) To be free of mental and physical abuse, neglect, and exploitation.

(7) To receive a written statement of services provided by the agency and the charges the client is liable for paying.

(8) To be informed of the process for acceptance and continuance of service and eligibility determination.

(9) To accept or refuse services.

(10) To be informed of the agency's on-call service.

(11) To be informed of supervisory accessibility and availability.

(12) To be advised of the agency's procedures for discharge.

(13) To receive a reasonable response to his or her requests of the agency.

(14) To be notified within 10 days when the agency's license has been revoked, suspended, canceled, annulled, withdrawn, recalled, or amended.

(15) To be advised of the agency's policies regarding patient responsibilities. (2005-276, s. 10.40A(n).)

§ 131E-144.4. Notice to client.

(a) During the agency's initial evaluation visit or before furnishing services, a home care agency shall provide each client with the following:

(1) A copy of the declaration of home care clients' rights.

(2) A copy of the agency's policies regarding client responsibilities as it relates to safety and care plan compliance.

(3) The address and telephone number for information, questions, or complaints about services provided by the agency.

(4) The address and telephone number of the section of the Department of Health and Human Services responsible for the enforcement of the provisions of this Part.

(b) Receipts for the declaration of home care clients' rights and contact information required in this section shall be signed by the client and shall be retained in the agency's files. (2005-276, s. 10.40A(n).)

§ 131E-144.5. Implementation.

Responsibility for implementing the provisions of this Part shall rest with the home care agency director. Each agency shall provide appropriate training to implement this Part. (2005-276, s. 10.40A(n).)

§ 131E-144.6. Enforcement and investigation.

(a) The Department of Health and Human Services shall be responsible for enforcing the provisions of this Part. The Department shall investigate complaints made to it and reply within a reasonable period of time, not to exceed 60 days.

(a1) When the Department of Health and Human Services receives a complaint alleging a violation of the provisions of this Part pertaining to client care or client safety, the Department shall initiate an investigation as follows:

(1) Immediately upon receipt of the complaint if the complaint alleges a life-threatening situation.
(2) Within 24 hours if the complaint alleges abuse of a client as defined by G.S. 131D-20(1).
(3) Within 48 hours if the complaint alleges neglect of a client as defined by G.S. 131D-20(8).
(4) Within two weeks in all other situations.

The investigation shall be completed within 30 days. The requirements of this section are in addition to and not in lieu of any investigatory and reporting requirements for health care personnel pursuant to Article 15 of this Chapter, or for adult protective services pursuant to Article 6 of Chapter 108A of the General Statutes.

(b) A home care agency shall investigate, within 72 hours, complaints made to the agency by a home care client or the client's family and must document both the existence of the complaint and the resolution of the complaint. (2005-276, s. 10.40A(n).)

§ 131E-144.7. Confidentiality.

(a) The Department of Health and Human Services may inspect home care clients' medical records maintained at the agency when necessary to investigate any alleged violation of this Part.

(b) The Department shall maintain the confidentiality of all persons who register complaints with the Department and of all medical records inspected by the Department. A person who has filed a complaint shall have access to information about a complaint investigation involving a specific home care client if written authorization is obtained from the client or legal representative. (2005-276, s. 10.40A(n).)

Part 4. Ambulatory Surgical Facility Licensure.

§ 131E-145. Title; purpose.

(a) This Part shall be known as the "Ambulatory Surgical Facility Licensure Act."

(b) The purpose of this Part is to provide for the development, establishment and enforcement of basic standards:

(1) For the care and treatment of individuals in ambulatory surgical facilities; and
(2) For the maintenance and operation of ambulatory surgical facilities so as to ensure safe and adequate treatment of such individuals in ambulatory surgical facilities. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1.)

CASE NOTES

A certificate of need is not dependent upon the requirement for a license; in fact, the statutes governing licensure of ambulatory surgical facilities (this section et seq.) and those governing certificates of need for new institutional health services (G.S. 131E-175 et seq.) are independent provisions. Christenbury Surgery Ctr. v. North Carolina Health & Human Servs., 138 N.C. App. 309, 531 S.E.2d 219, 2000 N.C. App. LEXIS 611 (2000).

§ 131E-146. Definitions.

As used in this Part, unless otherwise specified:

(1) "Ambulatory surgical facility" means a facility designed for the provision of a specialty ambulatory surgical program or a multispecialty ambulatory surgical program. An ambulatory surgical facility serves patients who require local, regional or general anesthesia and a period of post-operative observation. An ambulatory surgical facility may only admit patients for a period of less than 24 hours and must provide at least one designated operating room as defined in subdivision (1c) of this section or at least one gastrointestinal endoscopy room as defined in subdivision (1b) of this section and at least one designated recovery room, have available the necessary equipment and trained personnel to handle emergencies, provide adequate quality assurance and assessment by an evaluation and review committee, and maintain adequate medical records for each patient. An ambulatory surgical facility may be operated as a part of a physician or dentist's office, provided the facility is licensed under G.S. Chapter 131E, Article 6, Part 4, but the performance of incidental, limited ambulatory surgical procedures which do not constitute an ambulatory surgical program as defined in subdivision (1a) and which are performed in a physician or dentist's office does not make that office an ambulatory surgical facility.

(1a) "Ambulatory surgical program" means a formal program for providing on a same-day basis those surgical procedures which require local, regional or general anesthesia and a period of post-operative observation to patients whose admission for more than 24 hours is determined, prior to surgery or gastrointestinal endoscopy, to be medically unnecessary.

(1b) "Gastrointestinal endoscopy room" means a room used for the performance of procedures that require the insertion of a flexible endoscope into a gastrointestinal orifice to visualize the gastrointestinal lining and adjacent organs for diagnostic or therapeutic purposes.

(1c) "Operating room" means a room used for the performance of surgical procedures requiring one or more incisions and that is required to comply with all applicable licensure codes and standards for an operating room.

(2) "Commission" means the North Carolina Medical Care Commission. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1; 1983 (Reg. Sess., 1984), c. 1064, s. 1; 1997-456, s. 49(a); 2001-242, s. 1; 2005-346, s. 4.)

Editor's Note. — Session Laws 1997-456, s. 49(b), effective August 29, 1997, provides: "This section conforms the definition of the term 'ambulatory surgical facility' in the Ambulatory Surgical Facility Licensure Act to the definition of the same term in G.S. 131E-176, to reflect the amendment made to that statute by Section 2 of Chapter 7 of the 1993 Session Laws. However, ambulatory surgical facilities with only one operating room developed prior to the effective date of Chapter 7 of the 1993 Session Laws may still be licensed as if this section had not been enacted."

Session Laws 2001-242, s. 5, provides: "This act is effective when it becomes law [June 23, 2001]. This act shall not apply to any project which was not a new institutional health service as defined in G.S. 131E-176(16) prior to the effective date of this act and for which there has been a capital expenditure exceeding fifty thousand dollars ($50,000) or there was a legally binding obligation for a capital expenditure exceeding fifty thousand dollars ($50,000) in effect on or before the effective date of this act and which was reasonably expected to be completed by December 31, 2002. A facility or office that was not licensed as an ambulatory surgical facility prior to the effective date of this act shall not become an ambulatory surgical facility by virtue of the amendment set forth in Sections 1 and 2 of this act [which amended G.S. 131E-146 and 131E-176] and may not be licensed as an ambulatory surgical facility under Part D of Article 6 of Chapter 131E of the

General Statutes without a certificate of need."

Session Laws 2005-346, s. 9, provides: "Nothing in Sections 2 through 10 of this act shall be construed to represent legislative intent as to the circumstances under which Medicare or Medicaid certification may be obtained for a provider of ambulatory surgery services."

§ 131E-147. Licensure requirement.

(a) No person shall operate an ambulatory surgical facility without a license obtained from the Department.

(b) Applications shall be available from the Department, and each application filed with the Department shall contain all necessary and reasonable information that the Department may by rule require. A license shall be granted to the applicant upon a determination by the Department that the applicant has complied with the provisions of this Part and the rules promulgated by the Commission under this Part. The Department shall charge the applicant a nonrefundable annual base license fee in the amount of eight hundred fifty dollars ($850.00) plus a nonrefundable annual per-operating room fee in the amount of seventy-five dollars ($75.00).

(c) A license to operate an ambulatory surgical facility shall be annually renewed upon the filing and the department's approval of a renewal application. The renewal application shall be available from the Department and shall contain all necessary and reasonable information that the Department may by rule require.

(d) Each license shall be issued only for the premises and persons named in the application and shall not be transferable or assignable except with the written approval of the Department.

(e) Licenses shall be posted in a conspicuous place on the licensed premises. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1; 2003-284, s. 34.5(a); 2005-276, s. 41.2(e); 2009-451, s. 10.76(b).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 10.76(b), effective August 14, 2009, in subsection (b), in the last sentence, substituted "eight hundred fifty dollars ($850.00)" for "seven hundred dollars ($700.00)" near the middle, and "seventy-five dollars ($75.00)" for "fifty dollars ($50.00)" at the end.

CASE NOTES

Expansion Required License But Not New Certificate of Need. — The defendant/center was not required to obtain a separate certificate of need to develop additional operating rooms, a recovery room, and necessary ancillary space at a second site within the service area for which it already held a certificate of need although it conceded it needed an additional license. The defendant's proposal was not a "new institutional health service" requiring a certificate of need, but rather, an expansion of an existing health service facility within the limitations permitted by statute. Christenbury Surgery Ctr. v. North Carolina Health & Human Servs., 138 N.C. App. 309, 531 S.E.2d 219, 2000 N.C. App. LEXIS 611 (2000).

§ 131E-148. Adverse action on a license.

(a) Subject to subsection (b), the Department is authorized to deny a new or renewal application for a license, and to amend, recall, suspend or revoke an existing license upon a determination that there has been a substantial failure to comply with the provisions of this Part or the rules promulgated under this Part.

(b) The provisions of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall govern all administrative action and judicial review in cases where the Department has taken the action described in subsection (a). (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1; 1987, c. 827, s. 1.)

§ 131E-149. Rules and enforcement.

(a) The Commission is authorized to adopt, amend and repeal all rules necessary for the implementation of this Part. These rules shall be no stricter than those issued by the Commission under G.S. 131E-79 of the Hospital Licensing Act.

(b) The Department shall enforce the rules adopted or amended by the Commission with respect to ambulatory surgical facilities. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1.)

§ 131E-150. Inspections.

(a) The Department shall make or cause to be made inspections of ambulatory surgical facilities as necessary. The Department is authorized to delegate to a State officer, agent, board, bureau or division of State government the authority to make inspections according to the rules adopted by the Commission. The Department may revoke this delegated authority in its discretion.

(b) Notwithstanding the provisions of G.S. 8-53, "Communications between physician and patient," or any other provision of law relating to the confidentiality of communications between physician and patient, the representatives of the Department who make these inspections may review any writing or other record in any recording medium which pertains to the admission, discharge, medication, treatment, medical condition, or history of persons who are or have been patients of the facility being inspected unless that patient objects in writing to review of that patient's records. Physicians, psychologists, psychiatrists, nurses, and anyone else involved in giving treatment at or through a facility who may be interviewed by representatives of the Department may disclose to these representatives information related to an inquiry, notwithstanding the existence of the physician-patient privilege in G.S. 8-53, "Communication between physician and patient," or any other rule of law; Provided the patient has not made written objection to this disclosure. The facility, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information to the Department. Any confidential or privileged information received from review of records or interviews shall be kept confidential by the Department and not disclosed without written authorization of the patient or legal representative, or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning a facility without the consent of that person. Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews shall be considered "public records" within the meaning of G.S. 132-1, "'Public records' defined." Prior to releasing any information or allowing any inspections referred to in this section, the patient must be advised in writing by the facility that the patient has the right to object in writing to this release of information or review of the records and that by objecting in writing, the patient may prohibit the inspection or release of the records. (1977, 2nd Sess., c. 1214, s. 1; 1981, c. 586, s. 5; 1983, c. 775, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Posting of sign concerning right to object to release of information is insufficient notice. — See Opinion of Attorney General to Mr. I. O. Wilkerson, Jr., Director, Division of Facility Services, 51 N.C.A.G. 17 (1981), rendered under former G.S. 131B-7.

§ 131E-151. Penalties.

A person who owns in whole or in part or operates an ambulatory surgical facility without a license is guilty of a Class 3 misdemeanor, and upon conviction will be subject only to a fine of not more than fifty dollars ($50.00) for the first offense and not more than five hundred dollars ($500.00) for each subsequent offense. Each day of continuing violation after conviction is considered a separate offense. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1; 1993, c. 539, s. 962; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 131E-152. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may, in the manner provided by law, maintain an action in the name of the State for injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, management or operation of an ambulatory surgical facility without a license.

(b) If any person shall hinder the proper performance of duty of the Secretary or a representative in carrying out the provisions of this Part, the Secretary may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance, irrespective of all other remedies at law.

(c) Actions under this section shall be in accordance with Article 37 of Chapter 1 of the General Statutes and Rule 65 of the Rules of Civil Procedure. (1977, 2nd Sess., c. 1214, s. 1; 1983, c. 775, s. 1.)

§§ 131E-153, 131E-154: Reserved for future codification purposes.

Part 5. Nursing Pool Licensure Act.

§ 131E-154.1. Title; purpose.

(a) This Part shall be known as "Nursing Pool Licensure Act".

(b) The purpose of this Part is to establish licensing requirements for nursing pools. (1989, c. 744, s. 1.)

Editor's Note. — Session Laws 1989, c. 744, s. 3, provided in part: "Nothing in this act obligates the General Assembly to appropriate funds to implement its terms. The Department of Human Resources shall implement this act to the extent that funds are available within the Department's budget or are appropriated by the General Assembly. The Department of

Human Resources shall report to the Joint Legislative Commission on Governmental Operations by April 1, 1990 on any funds expended in the implementation of this act and on projected costs for the full implementation of this act."

§ 131E-154.2. Definitions.

As used in this Part, unless the context clearly implies otherwise:

(1) "Commission" means the North Carolina Medical Care Commission.

(2) "Department" means the Department of Health and Human Services.

(3) "Health Care Facility" means a hospital, psychiatric facility; rehabilitation facility; long-term care facility; home health agency; intermediate care facility for the mentally retarded; chemical dependency treatment facility; and ambulatory surgical facility.

(4) "Nursing pool" means any person, firm, corporation, partnership, or association engaged for hire in the business of providing or procuring temporary employment in health care facilities for nursing personnel, including nurses, nursing assistants, nurses aides, and orderlies. "Nursing pool" does not include an individual who engages solely in providing his own services on a temporary basis to health care facilities.

(5) "Trauma" means acute physical injury to the human body that is judged, by the use of standardized field triage criteria (anatomic, physiologic, or mechanism of injury), to create a significant risk of mortality or major morbidity. (1989, c. 744, s. 1; 1993, c. 336, s. 2; 1997-443, s. 11A.118(a).)

§ 131E-154.3. Licensing.

(a) No person shall operate or represent himself to the public as operating a nursing pool without obtaining a license from the Department.

(b) The Department shall provide applications for nursing pool licensure. Each application filed with the Department shall contain all information requested. A license shall be granted to the applicant upon a determination by the Department that the applicant has complied with the provisions of this Part and with the rules adopted by the Commission. Each license shall be issued only for the premises and persons named, shall not be transferable or assignable except with the written approval of the Department, and shall be posted in a conspicuous place on the licensed premises.

(c) The Department shall renew the license in accordance with this Part and with rules adopted pursuant to it.

(d) Nursing pools administered by health care facilities and agencies licensed under Article 5 or 6 of Chapter 131E of the General Statutes shall not be required to be separately licensed under this Article. However, any facility or agency exempted from licensure as a nursing pool under this subsection shall be subject to rules adopted pursuant to this Article. (1989, c. 744, s. 1.)

§ 131E-154.4. Rules and enforcement.

(a) The Commission shall adopt, amend, and repeal all rules necessary for the implementation of this Part. These rules shall include the following requirements:

(1) The nursing pool shall document that each employee who provides care meets the minimum licensing, training, and continuing education standards for the position in which the employee will be working;

(2) The nursing pool shall comply with all other pertinent regulations relating to the health and other qualifications of personnel;

(3) The nursing pool shall carry general and professional liability insurance to insure against the loss, damage, or expense incident to a claim arising out of the death or injury of any person as the result of negligence or malpractice in the provision of health care services by the nursing pool or its employees;

(4) The nursing pool shall have written administrative and personnel policies to govern the services that it provides. These policies shall include those concerning patient care, personnel, training and orientation, supervision, employee evaluation, and organizational structure; and

(5) Any other aspects of nursing pool services that may need to be regulated to protect the public.

(b) The Commission shall adopt no rules pertaining to the regulation of charges by the nursing pool or to wages paid by the nursing pool. (1989, c. 744, s. 1.)

§ 131E-154.5. Inspections.

The Department shall inspect all nursing pools that are subject to rules adopted pursuant to this Part in order to determine compliance with the provisions of this Part and with rules adopted pursuant to it. Inspections shall be conducted in accordance with rules adopted by the Commission. (1989, c. 744, s. 1.)

§ 131E-154.6. Adverse action on a license; appeal procedures.

(a) The Department may suspend, revoke, annul, withdraw, recall, cancel, or amend a license when there has been a substantial failure to comply with the provisions of this Part or with the rules adopted pursuant to it.

(b) The provisions of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall govern all administrative action and judicial review in cases in which the Department has taken the action described in subsection (a) of this section. (1989, c. 744, s. 1.)

§ 131E-154.7. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may maintain an action in the name of the State for injunctive relief or other process against any person to restrain or prevent the establishment, conduct, management, or operation of a nursing pool without a license or to restrain or prevent substantial noncompliance with this Part or the rules adopted pursuant to it.

(b) If any person hinders the proper performance of duty of the Department in carrying out the provisions of this Part, the Department may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance. (1989, c. 744, s. 1.)

§ 131E-154.8. Confidentiality.

(a) Notwithstanding G.S. 8-53 or any other law pertaining to confidentiality of communications between physician and patient, in the course of an inspection conducted pursuant to G.S. 131E-154.5:

(1) Department representatives may review any writing or other record concerning the admission, discharge, medication, treatment, medical

condition, or history of any person who is or has been a nursing pool patient; and

(2) Any person involved in treating a patient at or through a nursing pool may disclose information to a Department representative unless the patient objects in writing to review of his records or disclosure of the information. A nursing pool shall not release any information or allow any inspections under this section without first informing each affected patient in writing of his right to object to and thus prohibit release of information or review of records pertaining to him.

A nursing pool, its employees, and any other person interviewed in the course of an inspection shall be immune from liability for damages resulting from disclosure of the information to the Department.

(b) The Department shall not disclose:

(1) Any confidential or privileged information obtained under this section unless the patient or his legal representative authorizes disclosure in writing or unless a court of competent jurisdiction orders disclosure; or

(2) The name of anyone who has furnished information concerning a nursing pool without that person's consent.

The Department shall institute appropriate policies and procedures to ensure that unauthorized disclosure does not occur. Any Department employee who willfully discloses this information without appropriate authorization or court order shall be guilty of a Class 3 misdemeanor and, upon conviction, only fined at the discretion of the court but not in excess of five hundred dollars ($500.00).

(c) All confidential or privileged information obtained under this section and the names of all persons providing this information are exempt from Chapter 132 of the General Statutes. (1989, c. 744, s. 1; 1993, c. 539, s. 963; 1994, Ex. Sess., c. 24, s. 14(c).)

§§ 131E-154.9 through 131E-154.11: Reserved for future codification purposes.

Part 6. North Carolina New Organizational Vision Award (NC NOVA) Special Licensure Designation.

§ 131E-154.12. Title; purpose.

(a) This Part shall be known as the "North Carolina New Organizational Vision Award (NC NOVA) Special Licensure Designation."

(b) The purpose of this Part is to establish special licensure designation requirements for nursing homes and home care agencies licensed pursuant to this Chapter and adult care homes licensed pursuant to Article 1 of Chapter 131D of the General Statutes. Application for the Special Licensure Designation is voluntary. (2006-104, s. 1.)

Editor's Note. — The preamble to Session Laws 2006-104, provides: "Whereas, 'direct care workers' is a nationally recognized term referring to those paraprofessionals that are employed as nurse aides, personal care aides, personal care attendants, home health aides, in-home aides, habilitation aides, and other assistive personnel who provide hands-on care; and

"Whereas, direct care workers are essential to the provision of care and an enhanced quality of life for long-term care consumers, whether they are receiving services provided in a home or community setting, or in a residential or institutional setting; and

"Whereas, North Carolina, like many states, is experiencing shortages of direct care workers; and

"Whereas, the need to attract and retain greater numbers of employees within this occupational category will continue for the foreseeable future; and

"Whereas, a well-qualified, satisfied, stable, and adequate supply of direct care workers is a shared concern for employers, employees, consumers, families, and private and public payors of long-term care services received in home care agencies, adult care homes, and nursing facilities; and

"Whereas, long-term care trade associations, providers, direct care workers, consumer advocacy organizations, researchers, the Department of Health and Human Services, and The Carolinas Center for Medical Excellence have worked together to develop a voluntary and comprehensive workplace culture change program known as the North Carolina New Organizational Vision Award (NC NOVA) to address known causes of direct care turnover for the purpose of improving the adequacy, stability, satisfaction, and quality of the direct care work; and

"Whereas, NC NOVA has been identified as a potential national model for replication to improve direct care workforce retention through a comprehensive and voluntary workplace culture program by the Institute for the Future of Aging Services, the program office for the national Better Jobs Better Care initiative funded by the Robert Wood Johnson Foundation, and The Atlantic Philanthropies; Now, therefore, The General Assembly of North Carolina enacts:"

Session Laws 2006-104, s. 2(a), provides: "In order to ensure continuity during the initial statewide implementation phase of NC NOVA, The Carolinas Center for Medical Excellence shall be designated as the independent review organization for NC NOVA through December 31, 2010. Beginning in 2009, the Division of Facility Services [now the Division of Health Service Regulation], with approval from the NC NOVA Partner Team, shall implement a competitive bid process to determine an independent review organization for a minimum of five years beginning in 2011."

Session Laws 2006-104, s. 2(b), provides: "During the period of January 1, 2007, through December 31, 2010, in the event The Carolinas Center for Medical Excellence determines it cannot continue conducting independent reviews, The Carolinas Center for Medical Excellence shall provide the Partner Team with a 12-month written notice of such intent in order to ensure sufficient transition time to select another independent review entity without any disruption of the NC NOVA program."

Session Laws 2006-104, s. 3, made this part effective January 1, 2007.

§ 131E-154.13. Definitions.

The following definitions apply in this Part, unless otherwise specified:

(1) Independent Review Organization. — The organization responsible for the application, review, and determination process for NC NOVA designation.

(2) North Carolina New Organizational Vision Award (NC NOVA). — A special licensure designation for home care agencies and nursing homes licensed pursuant to this Chapter, and adult care homes licensed pursuant to Article 1 of Chapter 131D of the General Statutes, that have been determined through written and on-site review by an independent review organization to have met a comprehensive set of workplace related interventions intended to improve the recruitment and retention, quality, and job satisfaction of direct care staff and the care provided to long-term care clients and residents.

(3) NC NOVA Partner Team. — The entity responsible for developing the criteria and protocols for the NC NOVA special licensure designation. The Partner Team is inclusive of representatives from the following organizations: Association for Home and Hospice Care of North Carolina, Direct Care Workers Association of North Carolina, Duke University Gerontological Nursing Program, Friends of Residents in Long Term Care, North Carolina Assisted Living Association, North Carolina Association of Long Term Care Facilities, North Carolina Association of Non-Profit Homes for the Aging, North Carolina Department of Health and Human Services, North Carolina Foundation for Advanced Health Programs, North Carolina Health Care Facilities Association, The Carolinas Center for Medical Excellence, and the University of North Carolina at Chapel Hill — Institute on Aging.

(4) NC NOVA Provider Information Manual. — The document developed by the NC NOVA Partner Team that specifies the scope of criteria for NC NOVA designation as well as information and procedures pertaining to the application, review, determination, and termination process. (2006-104, s. 1.)

§ 131E-154.14. NC NOVA program established.

(a) The Department of Health and Human Services shall establish the NC NOVA program.

(b) The Department shall adopt rules to implement the NC NOVA program in accordance with the criteria and protocols established by the NC NOVA Partner Team and detailed in the NC NOVA Provider Information Manual.

(c) Any information submitted by applicants or obtained by the independent review organization related to NC NOVA, as well as annual turnover data voluntarily submitted by home care agencies, adult care homes, and nursing facilities for the purposes of assessing statewide turnover trends, shall not be considered a public record under G.S. 132-1.

(d) Any licensed home care agency, adult care home, or nursing home that is determined not to have met the criteria for NC NOVA designation may reapply at intervals specified by the NC NOVA Partner Team and detailed in the NC NOVA Provider Information Manual.

(e) The Department of Health and Human Services, Division of Health Service Regulation, shall issue a NC NOVA special licensure designation document to any licensed home care agency, adult care home, or nursing home that is determined by the independent review organization to have met the criteria for NC NOVA designation. The special licensure designation document shall be in addition to the operating license issued by the Division.

(f) The Division of Health Service Regulation shall issue the NC NOVA special licensure document to successful applicants within 30 days of notification by the independent review organization.

(g) The NC NOVA special licensure designation shall be in effect for a two-year period unless the provider has a change in ownership.

(1) Upon a change in ownership, if the new owner wishes to continue the NC NOVA designation, the new owner must communicate the desire in writing to the independent review organization within 30 days of the effective date of the change of ownership and proceed with an expedited review in accordance with procedures detailed by the NC NOVA Partner Team and included in the NC NOVA Provider Information Manual.

a. If the new owner continues to meet the NC NOVA criteria, based upon the expedited review, the special licensure designation will remain in effect for the remainder of the two-year period.

b. If the new owner fails to meet NC NOVA criteria, the special designation document shall be immediately returned to the Division of Health Service Regulation. The new owner may reapply for NC NOVA designation under subsection (e) of this section.

(2) Within 30 days of the effective date of the change of ownership, if the new owner fails to notify the independent review organization in writing of the desire to retain the special licensure designation by undergoing an expedited review, the designation will become null and void, and the special designation document must be immediately returned to the Division of Health Service Regulation. (2006-104, s. 1; 2007-182, s. 1.)

Article 7.

Regulation of Emergency Medical Services.

§ 131E-155. Definitions.

As used in this Article, unless otherwise specified:

(1) "Ambulance" means any privately or publicly owned motor vehicle, aircraft, or vessel that is specially designed, constructed, or modified and equipped and is intended to be used for and is maintained or operated for the transportation of patients on the streets or highways, waterways or airways of this State.

(2) Repealed by Session Laws 1997-443, s. 11A.129C.

(3) Redesignated as subdivision (13a).

(4) "Commission" means the North Carolina Medical Care Commission.

(5) "Emergency medical dispatcher" means an emergency telecommunicator who has completed an educational program approved by the Department and has been credentialed as an emergency medical dispatcher by the Department.

(6) "Emergency medical services" means services rendered by emergency medical services personnel in responding to improve the health and wellness of the community and to address the individual's need for emergency medical care within the scope of practice as defined by the North Carolina Medical Board in accordance with G.S. 143-514 in order to prevent loss of life or further aggravation of physiological or psychological illness or injury.

(6a) "Emergency medical services instructor" means an individual who has completed educational requirements approved by the Department and has been credentialed as an emergency medical services instructor by the Department.

(6b) "Emergency Medical Services Peer Review Committee" means a panel composed of EMS program representatives to be responsible for analyzing patient care data and outcome measures to evaluate the ongoing quality of patient care, system performance, and medical direction within the EMS system. The committee membership shall include physicians, nurses, EMS personnel, medical facility personnel, and county government officials. Review of medical records by the EMS Peer Review Committee is confidential and protected under G.S. 143-518. An EMS Peer Review Committee, its members, proceedings, records and materials produced, and materials considered shall be afforded the same protections afforded Medical Review Committees, their members, proceedings, records, and materials under G.S. 131E-95.

(7) "Emergency medical services personnel" means all the personnel defined in subdivisions (5), (6a), (8), (9), (10), (12), (13), (14), and (15) of this section.

(8) "Emergency medical services-nurse practitioner" means a registered nurse who is licensed to practice nursing in North Carolina and approved to perform medical acts by the North Carolina Medical Board and the North Carolina Board of Nursing. Upon successful completion of an orientation program conducted under the authority of the medical director and approved by the Department, emergency medical services-nurse practitioners shall be approved by the medical director to issue instructions to EMS personnel. These instructions shall be in accordance with protocols approved by the EMS system

and Office of Emergency Medical Services and under the direction of the medical director.

(9) "Emergency medical services-physician assistant" means a physician assistant who is licensed by the North Carolina Medical Board. Upon successful completion of an orientation program conducted under the authority of the medical director and approved by the Department, emergency medical services-physician assistants shall be approved by the medical director to issue instructions to EMS personnel. These instructions shall be in accordance with protocols approved by the EMS system and Office of Emergency Medical Services and under the direction of the medical director.

(10) "Emergency medical technician" means an individual who has completed an educational program in emergency medical care approved by the Department and has been credentialed as an emergency medical technician by the Department.

(11) Repealed by Session Laws 2003-392, s. 2(a), effective August 7, 2003.

(12) "Emergency medical technician-intermediate" means an individual who has completed an educational program in emergency medical care approved by the Department and has been credentialed as an emergency medical technician-intermediate by the Department.

(13) "Emergency medical technician-paramedic" means an individual who has completed an educational program in emergency medical care approved by the Department and has been credentialed as an emergency medical technician-paramedic by the Department.

(13a) "EMS provider" means a firm, corporation or association which engages in or professes to provide emergency medical services.

(14) "Medical responder" means an individual who has completed an educational program in emergency medical care and first aid approved by the Department and has been credentialed as a medical responder by the Department.

(15) "Mobile intensive care nurse" means a registered nurse who is licensed to practice nursing in North Carolina and is approved by the medical director, following successful completion of an orientation program conducted under the authority of the medical director and approved by the Department, to issue instructions to EMS personnel. These instructions shall be in accordance with protocols approved by the EMS system and Office of Emergency Medical Services and under the direction of the medical director.

(16) "Patient" means an individual who is sick, injured, wounded, or otherwise incapacitated or helpless such that the need for some medical assistance might be anticipated.

(17) "Practical examination" means a test where an applicant for credentialing as an emergency medical technician, medical responder, emergency medical technician-intermediate, or emergency medical technician-paramedic demonstrates the ability to perform specified emergency medical care skills. (1983, c. 775, s. 1; 1997-443, s. 11A.129C; 2001-210, s. 1; 2003-392, s. 2(a).)

§ 131E-155.1. EMS Provider License required.

(a) No firm, corporation, or association shall furnish, operate, conduct, maintain, advertise, or otherwise engage in or profess to provide emergency medical services or transport patients upon the streets or highways, waterways, or airways in North Carolina unless a valid EMS Provider License has been issued by the Department.

(b) Before an EMS Provider License may be issued, the firm, corporation, or association seeking the license shall apply to the Department for this license. Application shall be made upon forms and according to procedures established by the Department. Prior to issuing an original or renewal EMS Provider License, the Department shall determine that the applicant meets all requirements for this license as set forth in this Article and in the rules adopted under this Article. EMS Provider Licenses shall be valid for a period specified by the Department, provided that the period shall be a minimum of four years unless action is taken under subsection (d) of this section.

(c) The Commission shall adopt rules setting forth the qualifications required for obtaining or renewing an EMS Provider License.

(d) The Department may deny, suspend, amend, or revoke an EMS Provider License in any case where the Department finds that there has been a substantial failure to comply with the provisions of this Article or the rules adopted under this Article. The Department's decision to deny, suspend, amend, or revoke an EMS Provider License may be appealed by the applicant or licensee pursuant to the provisions of Article 3 of Chapter 150B of the General Statutes, the Administrative Procedure Act.

(e) Operating as an EMS provider without a valid EMS Provider License is a Class 3 misdemeanor. Each day's operation as an EMS provider without a license is a separate offense. (1995, c. 413, s. 1; 2001-210, s. 1.)

CASE NOTES

Federal Preemption. — To the extent they condition an air ambulance service provider's operation within North Carolina on approval by county governmental officials, G.S. 131E-155(6b), G.S. 131E-155.1(a), and the endorsement requirement set forth in the application form for a Specialty Care Transport Program, are preempted by 49 U.S.C.S. § 41713(b)(1). Med-Trans Corp. v. Benton, 581 F. Supp. 2d 721, 2008 U.S. Dist. LEXIS 78396 (E.D.N.C. 2008).

§ 131E-156. Permit required to operate ambulance.

(a) No person, firm, corporation, or association, either as owner, agent, provider, or otherwise, shall furnish, operate, conduct, maintain, advertise, or otherwise engage in or profess to be engaged in the business or service of transporting patients upon the streets or highways, waterways or airways in

North Carolina unless a valid permit from the Department has been issued for each ambulance used in the business or service.

(b) Before a permit may be issued for a vehicle to be operated as an ambulance, the EMS provider shall apply to the Department for an ambulance permit. Application shall be made upon forms and according to procedures established by the Department. Prior to issuing an original or renewal permit for an ambulance, the Department shall determine that the vehicle for which the permit is issued meets all requirements as to equipment, design, supplies and sanitation as set forth in this Article and in the rules of the Commission and that the EMS provider has the credentialed personnel necessary to operate the ambulance in accordance with this Article. Permits issued for ambulances shall be valid for a period specified by the Department, not to exceed four years.

(c) Duly authorized representatives of the Department may issue temporary permits for vehicles not meeting required standards for a period not to exceed 60 days, when it determines the public interest will be served.

(d) When a permit has been issued for an ambulance as specified by this Article, the vehicle and records relating to the maintenance and operation of the vehicle shall be open to inspection by duly authorized representatives of the Department at all reasonable times. (1967, c. 343, s. 3; 1973, c. 476, s. 128; c. 1224, s. 1; 1983, c. 775, s. 1; 2001-210, s. 1.)

§ 131E-157. Standards for equipment; inspection of equipment and supplies required for ambulances.

(a) The Commission shall adopt rules specifying equipment, sanitation, supply and design requirements for ambulances.

(b) The Department shall inspect each ambulance for compliance with the requirements set forth by the Commission and this Article when it deems an inspection is necessary. The Department shall maintain a record of the inspection.

(c) Upon a determination, based upon an inspection, that an ambulance fails to meet the requirements of this Article or rules adopted under this Article, the Department may deny, suspend, or revoke the permit for the ambulance concerned until these requirements are met. (1967, c. 343, s. 3; 1973, c. 476, s. 128; c. 1224, s. 1; 1983, c. 775, s. 1; 2001-210, s. 1.)

§ 131E-158. Credentialed personnel required.

(a) Every ambulance when transporting a patient shall be occupied at a minimum by all of the following:

(1) At least one emergency medical technician who shall be responsible for the medical aspects of the mission prior to arrival at the medical facility, assuming no other individual with higher credentials is available.

(2) One medical responder who is responsible for the operation of the vehicle and rendering assistance to the emergency medical technician.

An ambulance owned and operated by a licensed health care facility that is used solely to transport sick or infirm patients with known nonemergency medical conditions between facilities or between a residence and a facility for scheduled medical appointments is exempt from the requirements of this subsection.

(b) The Commission shall adopt rules setting forth exemptions to the requirements stated in (a) of this section applicable to situations where exemptions are considered by the Commission to be in the public interest.

(1967, c. 343, s. 3; 1973, c. 476, s. 128; c. 725; c. 1224, s. 1; 1975, c. 612; 1983, c. 775, s. 1; 1989, c. 300; 1997-443, s. 11A.129D; 2001-210, s. 1.)

CASE NOTES

Federal Preemption. — To the extent that it purports to require a helicopter pilot of an air ambulance to provide backup medical care for emergency medical service personnel, G.S. 131E-158(a)(2) is preempted by 49 U.S.C.S. § 41713(b)(1). Med-Trans Corp. v. Benton, 581 F. Supp. 2d 721, 2008 U.S. Dist. LEXIS 78396 (E.D.N.C. 2008).

Applied in Cape Med. Transp., Inc. v. N.C. HHS, 162 N.C. App. 14, 590 S.E.2d 8, 2004 N.C. App. LEXIS 17 (2004).

§ 131E-159. Credentialing requirements.

(a) Individuals seeking credentials as an emergency medical technician, emergency medical technician-intermediate, emergency medical technician-paramedic, medical responder, emergency medical dispatcher, or emergency medical services instructor shall apply to the Department using forms prescribed by that agency. The Department's representatives shall examine the applicant by either written, practical, or written and practical examination. The Department shall issue appropriate credentials to the applicant who meets all the requirements set forth in this Article and the rules adopted for this Article and who successfully completes the examinations required for credentialing. Emergency medical technician, medical responder, emergency medical dispatcher, emergency medical technician-intermediate, emergency medical technician-paramedic, and emergency medical services instructor credentials shall be valid for a period not to exceed four years and may be renewed if the holder meets the requirements set forth in the rules of the Commission. The Department is authorized to revoke or suspend these credentials at any time it determines that the holder no longer meets the qualifications prescribed.

(b) The Commission shall adopt rules setting forth the qualifications required for credentialing of medical responders, emergency medical technicians, emergency medical technician-intermediates, emergency medical technician-paramedics, emergency medical dispatchers, and emergency medical services instructors.

(c) Individuals currently credentialed as an emergency medical technician, emergency medical technician intermediate, emergency medical technician paramedic, medical responder, and emergency medical services instructor by the National Registry of Emergency Medical Technicians or by another state where the education/credentialing requirements have been approved for legal recognition by the Department of Health and Human Services, in accordance with rules promulgated by the Medical Care Commission, and who is either currently residing in North Carolina or affiliated with a permitted EMS provider offering service within North Carolina, may be eligible for credentialing as an emergency medical technician, emergency medical technician-intermediate, emergency medical technician-paramedic, medical responder, and emergency medical services instructor without examination. This credentialing shall be valid for a period not to exceed the length of the applicant's original credentialing or four years, whichever is less.

(d) An individual currently credentialed as an emergency medical dispatcher by a national credentialing agency, or by another state where the education/credentialing requirements have been approved for legal recognition by the Department of Health and Human Services, in accordance with rules issued by the Medical Care Commission, and who is either currently residing in North Carolina or affiliated with an emergency medical dispatcher program approved by the Department of Health and Human Services offering service within North Carolina, may be eligible for credentialing as an emergency medical dispatcher without examination. This credentialing shall be valid for a period not to exceed the length of the applicant's original credentialing or four years, whichever is less.

(e) Duly authorized representatives of the Department may issue temporary credentials with or without examination upon finding that this action will be in the public interest. Temporary credentials shall be valid for a period not exceeding 90 days.

(f) The Department may deny, suspend, amend, or revoke the credentials of a medical responder, emergency medical technician, emergency medical technician-intermediate, emergency medical technician-paramedic, emergency medical dispatcher, or emergency medical services instructor in any case in which the Department finds that there has been a substantial failure to comply with the provisions of this Article or the rules issued under this Article. Prior to implementation of any of the above disciplinary actions, the Department shall consider the recommendations of the EMS Disciplinary Committee pursuant to G.S. 143-519. The Department's decision to deny, suspend, amend, or revoke credentials may be appealed by the applicant or credentialed personnel pursuant to the provisions of Article 3 of Chapter 150B of the General Statutes, the Administrative Procedure Act.

(g) An individual who applies for EMS credentials, seeks to renew EMS credentials, or holds EMS credentials is subject to a criminal background review by the Department. At the request of the Department, the Emergency Medical Services Disciplinary Committee, established by G.S. 143-519, shall review criminal background information and make a recommendation regarding the eligibility of an individual to obtain initial EMS credentials, renew EMS credentials, or maintain EMS credentials. The Department and the Emergency Medical Services Disciplinary Committee shall keep all information obtained pursuant to this subsection confidential. The Medical Care Commission shall adopt rules to implement the provisions of this subsection, including rules to establish a reasonable fee to offset the actual costs of criminal history information obtained pursuant to G.S. 114-19.21. (1967, c. 343, s. 3; 1973, c. 476, s. 128; c. 725; c. 1224, s. 1; 1975, c. 612; 1983, c. 775, s. 1; 1987, c. 495, s. 2; 1993, c. 135, s. 1; 1997-443, ss. 11A.118(a), 11A.129E; 2001-210, s. 1; 2003-392, s. 2(b); 2007-411, s. 1.)

§ 131E-160. Exemptions.

All of the following vehicles are exempt from the provisions of this Article:

(1) Privately owned vehicles not used in the business of transporting patients.

(2) A vehicle rendering service as an ambulance in case of a major catastrophe or emergency, when the permitted ambulances based in the locality of the catastrophe or emergency are insufficient to render the services required.

(3) Any ambulance based outside this State, except that an ambulance which receives a patient within this State for transportation to a location within this State shall comply with the provisions of this Article.

(4) Ambulances owned and operated by an agency of the United States government.

(5) Vehicles owned and operated by rescue squads chartered by the State of North Carolina as nonprofit corporations or associations which are not regularly used to transport sick, injured, wounded or otherwise incapacitated or helpless persons except as a part of rescue operations. (1967, c. 343, s. 3; c. 1257, s. 2; 1983, c. 775, s. 1; 2001-210, s. 1.)

§ 131E-161. Violation declared misdemeanor.

It shall be the responsibility of the EMS provider to ensure that the ambulance operation complies with the provisions of this Article and all rules adopted for this Article. Upon the violation of any part of this Article or any rule adopted under authority of this Article, the Department shall have the power to deny, revoke, or suspend the permits of all vehicles owned or operated by the violator. The operation of an ambulance without a valid permit or after a permit has been denied, suspended, or revoked or without appropriate credentialed staffing as required by G.S. 131E-158, shall constitute a Class 1 misdemeanor. (1967, c. 343, s. 3; 1973, c. 476, s. 128; 1983, c. 775, s. 1; 1993, c. 539, s. 964; 1994, Ex. Sess., c. 24, s. 14(c); 1997-443, s. 11A.129F; 2001-210, s. 1.)

ARTICLE 7A.

Statewide Trauma System Act of 1993.

§ 131E-162. Statewide trauma system.

The Department shall establish and maintain a program for the development of a statewide trauma system. The Department shall consolidate all State functions relating to trauma systems, both regulatory and developmental, under the auspices of this program.

The Commission shall adopt rules to carry out the purpose of this Article. These rules shall be adopted with the advice of the State Emergency Medical Services Advisory Council and shall include the operation of a statewide trauma registry, statewide educational requirements fundamental to the implementation of the trauma system. The rules adopted by the Commission shall establish guidelines for monitoring and evaluating the system including standards and criteria for the denial, suspension, voluntary withdrawal, or revocation of credentials for trauma center designation, and the establishment of regional trauma peer review committees. Each regional trauma peer review committee shall be responsible for analyzing trauma patient care data and outcome measures to evaluate the ongoing quality of patient care, system performance, and medical direction within the regional trauma system. The committee membership shall include physicians, nurses, EMS personnel, trauma registrars, and hospital administrators. Review of medical records by the Trauma Peer Review Committee is confidential and protected under G.S. 143-518. A Trauma Peer Review Committee, its members, proceedings, records and materials produced, and materials considered shall be afforded the same protections afforded Medical Review Committees, their members, proceedings, records, and materials under G.S. 131E-95. The rules adopted by the Commission shall avoid duplication of reporting and minimize the cost to hospitals or other persons reporting under this section. The Office of Emergency Medical Services shall be the agency responsible for monitoring system development, ensuring compliance with rules, and overseeing system effectiveness.

With respect to collection of data and educational requirements regarding trauma, rules adopted by the Medical Care Commission shall limit the authority of the Department to hospitals and Emergency Medical Services providers. Nothing in this Article shall be interpreted so as to grant the Department authority to require private physicians, schools, or universities, except those participating in the trauma system, to provide information or data or to conduct educational programs regarding trauma. (1993, c. 336, s. 1; 2001-210, s. 2; 2003-392, s. 2(c).)

§§ 131E-163, 131E-164: Reserved for future codification purposes.

ARTICLE 8.

Cardiac Rehabilitation Certification Program.

§ 131E-165. Title; purpose.

(a) This Article shall be known as the "Cardiac Rehabilitation Certification Program."

(b) The purpose of this Article is to provide for the development, establishment, and enforcement of rules and certification:

(1) For the care and treatment of individuals in outpatient cardiac rehabilitation programs; and

(2) For the maintenance and operation of cardiac rehabilitation programs to ensure safe and adequate treatment of individuals in cardiac rehabilitation programs. (1983, c. 775, s. 1; 1995, c. 182, s. 1.)

Legal Periodicals. — For article, "The Obligation of North Carolina Municipalities and Hospital Authorities to Provide Uncompensated Hospital Care to the Medically Indigent," see 20 Wake Forest L. Rev. 317 (1984).

§ 131E-166. Definitions.

As used in this Article, unless otherwise specified:

(1) "Cardiac Rehabilitation Program" means a program certified under this Article for the delivery of cardiac rehabilitation services to outpatients and includes, but shall not be limited to, coordinated, physician-directed, individualized programs of therapeutic activity and adaption designed to assist the cardiac patient in attaining the highest rehabilitative potential.

(2) "Certification" means the issuance of a certificate by the Department upon determination that cardiac rehabilitation services offered at a given program site meet all cardiac rehabilitation program rules. (1983, c. 775, s. 1; 1995, c. 182, s. 2.)

§ 131E-167. Certificate requirement.

(a) Applications for certification shall be available from the Department, and each application filed with the Department shall contain all necessary and reasonable information that the Department may by rule require. A certificate shall be granted to the applicant for a period not to exceed one year upon a determination by the Department that the applicant has substantially complied with the provisions of this Article and the rules promulgated by the Department under this Article. The Department shall charge the applicant a nonrefundable annual certification fee in the amount of three hundred eighty-five dollars ($385.00).

(b) A provisional certificate may be issued for a period not to exceed six months to a program:

(1) That does not substantially comply with the rules, when failure to comply does not endanger the health, safety, or welfare of the clients being served by the program;

(2) During the initial stages of operation if determined appropriate by the Department.

(c) Prior to offering a cardiac rehabilitation program as defined in this Article, such a program must be inspected, evaluated, and certified as having substantially met the rules adopted by the Department under this Article.

(d) A certificate to operate a Cardiac Rehabilitation Program shall be renewed upon the successful re-evaluation of the program as stated in the rules adopted pursuant to this Article.

(e) Each certificate shall be issued only for the premises and persons named in the application and shall not be transferable or assignable except with the written approval of the Department.

(f) A certificate shall be posted in a conspicuous place on the certified premises. (1983, c. 775, s. 1; 2003-284, s. 34.6(a); 2005-276, s. 41.2(f); 2009-451, s. 10.76(c).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 10.76(c), effective August 14, 2009, substituted "three hundred eighty-five dollars ($385.00)" for "two hundred fifty dollars ($250.00)" in the last sentence of subsection (a).

§ 131E-168. Adverse action on a certificate.

(a) Subject to subsection (b), the Department is authorized to deny a new or renewal certificate and to suspend or revoke an existing certificate upon determination that there has been a substantial failure to comply with the provisions of this Article or the rules promulgated under this Article.

(b) The provisions of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall govern all administrative action and judicial review in cases where the Department has taken the action described in subsection (a). (1983, c. 775, s. 1; 1987, c. 827, s. 1.)

§ 131E-169. Rules and enforcement.

(a) The Department is authorized to adopt, amend, and repeal all rules as may be designed to further the accomplishment of this Article.

(b) The Department shall enforce the rules adopted for the certification of cardiac rehabilitation programs. (1983, c. 775, s. 1.)

§ 131E-170. Inspections.

(a) The Department shall make or cause to be made inspections of Cardiac Rehabilitation Programs as it deems necessary. The Department is empowered to delegate to a State officer, agent, board, bureau or division of State government the authority to make these inspections according to the rules promulgated by the Department. In addition, an individual who is not a State officer or agent and who is delegated the authority to make these inspections must be approved by the Department. The Department may revoke this delegated authority in its discretion.

(b) Notwithstanding the provisions of G.S. 8-53, "Communications between physician and patient," or any other provision of law relating to the confidentiality of communications between physician and patient, the representatives of the Department who make these inspections may review any writing or other record in any recording medium which pertains to the admission, discharge, medication, treatment, medical condition, or history of persons who are or have been patients of the program being inspected unless that patient objects in writing to review of that patient's records. Physicians, psychiatrists, nurses, and anyone else involved in giving treatment at or through a program who may be interviewed by representatives of the Department may disclose to these representatives information related to any inquiry, notwithstanding the existence of the physician-patient privilege in G.S. 8-53, "Communication between physician and patient," or any other rule of law, provided the patient has not made written objection to this disclosure. The program, its employees, and any person interviewed during these inspections shall be immune from liability for damages resulting from the disclosure of any information to the Department. Any confidential or privileged information received from review of records or interviews shall be kept confidential by the Department and not disclosed without written authorization of the patient or legal representative, or unless disclosure is ordered by a court of competent jurisdiction. The Department shall institute appropriate policies and procedures to ensure that this information shall not be disclosed without authorization or court order. The Department shall not disclose the name of anyone who has furnished information concerning a facility without the consent of that person. Neither the names of persons furnishing information nor any confidential or privileged information obtained from records or interviews shall be considered "public records" within the meaning of G.S. 132-1, "'Public records' defined." Prior to releasing any information or allowing any inspections referred to in this section, the patient must be advised in writing by the program that the patient has the right to object in writing to the release of information or review of the records and that by an objection in writing the patient may prohibit the inspection or release of the records. (1983, c. 775, s. 1.)

§§ 131E-171 through 131E-174: Reserved for future codification purposes.

ARTICLE 9.

Certificate of Need.

§ 131E-175. Findings of fact.

The General Assembly of North Carolina makes the following findings:

(1) That the financing of health care, particularly the reimbursement of health services rendered by health service facilities, limits the effect of free market competition and government regulation is therefore necessary to control costs, utilization, and distribution of new health service facilities and the bed complements of these health service facilities.

(2) That the increasing cost of health care services offered through health service facilities threatens the health and welfare of the citizens of this State in that citizens need assurance of economical and readily available health care.

(3) That, if left to the market place to allocate health service facilities and health care services, geographical maldistribution of these facilities and services would occur and, further, less than equal access to all

population groups, especially those that have traditionally been medically underserved, would result.

(3a) That access to health care services and health care facilities is critical to the welfare of rural North Carolinians, and to the continued viability of rural communities, and that the needs of rural North Carolinians should be considered in the certificate of need review process.

(4) That the proliferation of unnecessary health service facilities results in costly duplication and underuse of facilities, with the availability of excess capacity leading to unnecessary use of expensive resources and overutilization of health care services.

(5) Repealed by Session Laws 1987, c. 511, s. 1.

(6) That excess capacity of health service facilities places an enormous economic burden on the public who pay for the construction and operation of these facilities as patients, health insurance subscribers, health plan contributors, and taxpayers.

(7) That the general welfare and protection of lives, health, and property of the people of this State require that new institutional health services to be offered within this State be subject to review and evaluation as to need, cost of service, accessibility to services, quality of care, feasibility, and other criteria as determined by provisions of this Article or by the North Carolina Department of Health and Human Services pursuant to provisions of this Article prior to such services being offered or developed in order that only appropriate and needed institutional health services are made available in the area to be served.

(8) That because persons who have received exemptions under Section 11.9(a) of S.L. 2000-67, as amended, and under Section 11.69(b) of S.L. 1997-443, as amended by Section 12.16C(a) of S.L. 1998-212, and as amended by Section 1 of S.L. 1999-135, have had sufficient time to complete development plans and initiate construction of beds in adult care homes.

(9) That because with the enactment of this legislation, beds allowed under the exemptions noted above and pending development will count in the inventory of adult care home beds available to provide care to residents in the State Medical Facilities Plan.

(10) That because State and county expenditures provide support for nearly three-quarters of the residents in adult care homes through the State County Special Assistance program, and excess bed capacity increases costs per resident day, it is in the public interest to promote efficiencies in delivering care in those facilities by controlling and directing their growth in an effort to prevent underutilization and higher costs and provide appropriate geographical distribution.

(11) That physicians providing gastrointestinal endoscopy services in unlicensed settings should be given an opportunity to obtain a license to provide those services to ensure the safety of patients and the provision of quality care.

(12) That demand for gastrointestinal endoscopy services is increasing at a substantially faster rate than the general population given the procedure is recognized as a highly effective means to diagnose and prevent cancer. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 1; 1983, c. 775, s. 1; 1987, c. 511, s. 1; 1993, c. 7, s. 1; 1997-443, s. 11A.118(a); 2001-234, s. 1; 2005-346, s. 5.)

Editor's Note. — Session Laws 2005-276, s. 10.40B(a), provides: "Notwithstanding provisions to the contrary in Chapter 150B and Article 9 of Chapter 131E of the General Statutes, a licensed health care facility in operation on July 1, 2005, under a certificate of need issued by the Department of Health and Human Services prior to that date and subsequently invalidated based on a procedural defect in the awarding of the certificate of need, may remain in operation for the purpose of applying for a new certificate of need in accordance with Article 9 of Chapter 131E of the General Statutes. The health care facility may remain in operation for the period pending the decision of the Department on the application for the new certificate of need."

Session Laws 2005-276, s. 10.40B(b), provides: "This section expires 30 days from the date of the Department's decision on the new certificate of need or adjournment sine die of the 2005 General Assembly, whichever occurs later."

Session Laws 2005-276, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2005'."

Session Laws 2005-276, s. 46.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2005-2007 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2005-2007 fiscal biennium."

Session Laws 2005-276, s. 46.5 is a severability clause.

Session Laws 2005-346, s. 9, provides: "Nothing in Sections 2 through 10 of this act shall be construed to represent legislative intent as to the circumstances under which Medicare or Medicaid certification may be obtained for a provider of ambulatory surgery services."

Legal Periodicals. — For article, "The Obligation of North Carolina Municipalities and Hospital Authorities to Provide Uncompensated Hospital Care to the Medically Indigent," see 20 Wake Forest L. Rev. 317 (1984).

For article, "In Defense of Aston Park: The Case for State Substantive Due Process Review of Health Care Regulation," see 68 N.C.L. Rev. 253 (1990).

CASE NOTES

The purpose behind enactment of the certificate of need law was to regulate health care, so that only those services which are needed and less costly but more effective are made available to the public. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175.

The fundamental purpose of the certificate of need law is to limit the construction of health care facilities in this State to those that the public needs and that can be operated efficiently and economically for their benefit. Humana Hosp. Corp. v. North Carolina Dep't of Human Resources, 81 N.C. App. 628, 345 S.E.2d 235 (1986), decided under former G.S. 131-175.

Expansive interpretation proposed by the Department of Human Resources which allowed micro-management over relatively minor capital expenditures did not effectuate the overriding legislative intent behind the certificate of need process, i.e., regulation of major capital expenditures which may adversely impact the cost of health care services to the patient. Cape Fear Mem. Hosp. v. North Carolina Dep't of Human Resources, 121 N.C. App. 492, 466 S.E.2d 299 (1996).

For discussion of the history and purpose of North Carolina certificate of need legislation, see North Carolina ex rel. Edmisten v. P.I.A. Asheville, Inc., 740 F.2d 274 (4th Cir. 1984), cert. denied, 471 U.S. 1003, 105 S. Ct. 1865, 85 L. Ed. 2d 159 (1985), decided under former G.S. 131-175 et seq.

The certificate of need requirements represent a clearly articulated policy by the State of North Carolina to regulate acquisitions of existing health care facilities which result in no change in services or bed capacity. North Carolina ex rel. Edmisten v. P.I.A. Asheville, Inc., 740 F.2d 274 (4th Cir. 1984), cert. denied, 471 U.S. 1003, 105 S. Ct. 1865, 85 L. Ed. 2d 159 (1985), decided under former G.S. 131-175 et seq.

North Carolina's certificate of need legislation shows that the North Carolina legislature was concerned about the unrelenting rise in the cost of health care, and about wasteful, duplicative major acquisitions by health care providers. North Carolina ex rel. Edmisten v. P.I.A. Asheville, Inc., 740 F.2d 274 (4th Cir. 1984), cert. denied, 471 U.S. 1003, 105 S. Ct. 1865, 85 L. Ed. 2d 159 (1985), decided under former G.S. 131-175 et seq.

In enacting the certificate of need law, the legislature found as facts that the forces of free market competition are largely absent in health care, and that government regulation is therefore necessary to control the cost, utilization, and distribution of health services and to assure that less costly and more effective alternatives are made available. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175 and 131-181.

A certificate of need is not dependent upon the requirement for a license; in fact, the statutes governing licensure of ambulatory surgical facilities (G.S. 131E-145 et seq.) and those governing certificates of need for new institutional health services (this section) are independent provisions. Christenbury Surgery Ctr. v. North Carolina Health & Human Servs., 138 N.C. App. 309, 531 S.E.2d 219, 2000 N.C. App. LEXIS 611 (2000).

Time Limitations for Acting on Applications for Certificates of Need. — When viewed in its entirety, Article 9 of Chapter 131E, the Certificate of Need Law, reveals the legislature's intent that an applicant's fundamental right to engage in its otherwise lawful business be regulated but not be encumbered with unnecessary bureaucratic delay. The comprehensive legislative provisions controlling the times within which the Department must act on applications for certificates of need, set forth in Article 9, will be nullified if the Department is permitted to ignore those time limits with impunity. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Effect of Successive Certificate of Need Applications. — Issue of the denial of a hospital's 2003 application for a certificate of need (CON) for a replacement hospital was made moot by its 2005 application for a CON since the 2005 application covered the same facility and, compliant with G.S. 131E-175, G.S. 131E-183(a)(1), the State Medical Facilities Plan set maximum beds and operating rooms for the county. Good Hope Health Sys., L.L.C. v. N.C. HHS, 175 N.C. App. 296, 623 S.E.2d 307, 2006 N.C. App. LEXIS 62 (2006), review granted, cert. denied, 360 N.C. 479, 632 S.E.2d 171 rev'd and remanded, review improvidently granted, 360 N.C. 635, 637 S.E.2d 517 (2006) (rev'd as to mootness issue). See also Good Hope Hosp., Inc. v. N.C. HHS, 175 N.C. App. 309, 623 S.E.2d 315, (2006).

Right to Fair Review Secured. — The certificate of need law secures to applicants the right to a fair review of an application and not the absolute right to a certificate of need. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175.

Scope and Standard of Review. — The 2003 version of G.S. 150B-34(c), which excluded the Certificate of Need Act, G.S. 131E-175 et seq., from the requirements of G.S. 150B-36(b), (b1), (b2), (b3), and (d) and G.S. 150B-51, left the scope and standard of review applied under the 1999 version of G.S. 150B-51 undisturbed. Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005).

Discretion of Agency. — In serving the purpose of the certificate of need law adjustments are often needed, and the agency has discretion to make them by granting only some of the things applied for and by imposing conditions not applied for. Humana Hosp. Corp. v. North Carolina Dep't of Human Resources, 81 N.C. App. 628, 345 S.E.2d 235 (1986), decided under former G.S. 131-175.

Agency acted arbitrarily and capriciously in its calculation of the number of beds made available for development under the 1987 State Medical Facilities Plan (SMFP) and in failing to consider the positive impact on health care costs which would result from hospital's proposed conversion of presently unused beds. Additionally, agency's refusal to consider the alleged need for 22 psychiatric beds to be located in the three-county area which hospital served was reversible error. Lenoir Mem. Hosp. v. North Carolina Dep't of Human Resources, 98 N.C. App. 178, 390 S.E.2d 448, cert. denied, 327 N.C. 430, 395 S.E.2d 682 (1990).

Allegation of Priority Status Without Merit. — The certificate of need Section should not be foreclosed from carrying out the purposes and intent of the certificate of need law by an alleged priority status obtained by an applicant being the only one of several applicants to exercise its rights to judicial review. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175 and 131-181.

Appeal of Denial Held Moot. — Appeal brought by hospital corporation seeking a certificate of need, in which appellant contended that the section committed violations of its own administrative procedures in a 1981 review process and in denying appellant's application for a reconsideration hearing on its 1981 application, was moot where appellant was afforded an adequate remedy for the alleged errors in the 1981 review process by its participation in a 1982 review process of an application requesting approval of a virtually identical proposal. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175.

Full Contested Case Hearing Not Precluded by the Statute. — In a Certificate of Need (CON) case, the CON Statute does not preclude a full contested case hearing where an ALJ recommended a summary judgment in a decision based only on each applicant's conformity with the criteria in G.S. 131E-183. A full hearing protects the applicant's due process rights, allows the record to be fully developed, and encourages judicial economy. Living Centers-Southeast, Inc. v. North Carolina Health & Human Servs., 138 N.C. App. 572, 532 S.E.2d 192, 2000 N.C. App. LEXIS 782 (2000).

Hospital Granting Exclusive Privilege to Use Equipment Held Not Immune Under State Action Exemption. — In an antitrust action brought under §§ 1 and 2 of the Sherman Act (15 U.S.C. §§ 1 and 2) brought by plaintiff physicians asserting that defendant hospital had improperly restricted use of its CAT Scan, defendant was held to have failed to show, in support of its motion to dismiss, that the General Assembly had authorized defendant to grant exclusive privileges to certain physicians to use its facilities with the intent to restrict competition, so as to render defendant immune from antitrust liability under the state action exemption. Coastal Neuro-Psychiatric Assocs. v. Onslow County Hosp. Auth., 607 F. Supp. 49 (E.D.N.C. 1985).

Exemptions from Obtaining Certificate of Need. — Agency properly granted summary judgment to petitioners on the grounds that they were exempt from obtaining a certificate of need because they had entered into binding legal contacts to develop and offer a health service as contemplated by grandfather clause. Koltis v. North Carolina Dep't of Human Resources, 125 N.C. App. 268, 480 S.E.2d 702 (1997).

Hospital was not exempt under G.S. 131E-184 from the process of applying for a Certificate of Need to build a complete replacement hospital in the place of an existing hospital which it proposed to acquire. G.S. 131E-184(a)(5) allowed the replacement of an entire facility, but then only to replace or repair facilities destroyed or damaged by accident or natural disaster. Good Hope Hosp., Inc. v. N.C. HHS, 175 N.C. App. 309, 623 S.E.2d 315, 2006 N.C. App. LEXIS 63 (2006), review denied, cert. denied, 360 N.C. 480, 632 S.E.2d 172 aff'd, 360 N.C. 641, 636 S.E.2d 564 (2006).

Grandfather Clause. — To satisfy the requirements of grandfather clause, which would exempt one from obtaining a certificate of need, one need only show a binding legal contract to develop any service that was not a new institutional health service requiring a certificate of need prior to March 18, 1993. Koltis v. North Carolina Dep't of Human Resources, 125 N.C. App. 268, 480 S.E.2d 702 (1997).

Award of Certificate of Need Affirmed. — Decision of the North Carolina Department of Health and Human Services to award a certificate of need for new kidney dialysis machines to an applicant was affirmed as the agency's findings were supported by sufficient evidence, and it did not exceed its statutory authority in using enhanced competition and consumer choice as key factors in a comparative analysis. Total Renal Care of N.C., LLC v. N.C. HHS, 171 N.C. App. 734, 615 S.E.2d 81, 2005 N.C. App. LEXIS 1354 (2005).

Denial of Certificate of Need Affirmed. — Branch office proposed by a hospice was not located within the service area of the hospice, and therefore the proposed branch office was a new institutional health service for which the hospice had to obtain a certificate of need; moreover, the issuance of a "No Review" letter by the North Carolina DHHS, which resulted in the establishment of a new institutional health service without a prior determination of need, substantially prejudiced the health service provider already operating in the service area of the proposed office as a matter of law. Hospice at Greensboro, Inc. v. N.C. HHS Div. of Facility Servs., 185 N.C. App. 1, 647 S.E.2d 651, 2007 N.C. App. LEXIS 1714 (2007).

Agency Decision Reversed. — Final agency decision of the North Carolina Department of Health and Human Services (DHHS), which upheld two settlement agreements between the DHHS' Certificate of Need (CON) section and a group of medical centers and issued a CON to the group for a hospital project was reversed on appeal, because the DHHS failed to follow statutory procedure when it rejected an administrative law judge's recommendation to deny the CON applications of the group by erroneously considering new evidence, which it had no statutory authority to do. Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005).

Applied in Total Renal Care of N.C. LLC v. N.C. HHS, — N.C. App. —, 673 S.E.2d 137, 2009 N.C. App. LEXIS 202 (2009).

§ 131E-176. Definitions.

As used in this Article, unless the context clearly requires otherwise, the following terms have the meanings specified:

(1) "Adult care home" means a facility with seven or more beds licensed under Part 1 of Article 1 of Chapter 131D of the General Statutes or Chapter 131E of the General Statutes that provides residential care

for aged or disabled persons whose principal need is a home which provides the supervision and personal care appropriate to their age and disability and for whom medical care is only occasional or incidental.

(1a) **(See note)** "Air ambulance" means aircraft used to provide air transport of sick or injured persons between destinations within the State.

(1b) "Ambulatory surgical facility" means a facility designed for the provision of a specialty ambulatory surgical program or a multispecialty ambulatory surgical program. An ambulatory surgical facility serves patients who require local, regional or general anesthesia and a period of post-operative observation. An ambulatory surgical facility may only admit patients for a period of less than 24 hours and must provide at least one designated operating room or gastrointestinal endoscopy room, as defined in Article 5 Part 1 and Article 6, Part 4 of this Chapter, and at least one designated recovery room, have available the necessary equipment and trained personnel to handle emergencies, provide adequate quality assurance and assessment by an evaluation and review committee, and maintain adequate medical records for each patient. An ambulatory surgical facility may be operated as a part of a physician or dentist's office, provided the facility is licensed under G.S. Chapter 131E, Article 6, Part D, but the performance of incidental, limited ambulatory surgical procedures which do not constitute an ambulatory surgical program as defined in subdivision (1c) of this section and which are performed in a physician's or dentist's office does not make that office an ambulatory surgical facility.

(1c) "Ambulatory surgical program" means a formal program for providing on a same-day basis those surgical procedures which require local, regional or general anesthesia and a period of post-operative observation to patients whose admission for more than 24 hours is determined, prior to surgery or gastrointestinal endoscopy, to be medically unnecessary.

(2) "Bed capacity" means space used exclusively for inpatient care, including space designed or remodeled for licensed inpatient beds even though temporarily not used for such purposes. The number of beds to be counted in any patient room shall be the maximum number for which adequate square footage is provided as established by rules of the Department except that single beds in single rooms are counted even if the room contains inadequate square footage. The term "bed capacity" also refers to the number of dialysis stations in kidney disease treatment centers, including freestanding dialysis units.

(2a) "Bone marrow transplantation services" means the process of infusing bone marrow into persons with diseases to stimulate the production of blood cells.

(2b) "Burn intensive care services" means services provided in a unit designed to care for patients who have been severely burned.

(2c) "Campus" means the adjacent grounds and buildings, or grounds and buildings not separated by more than a public right-of-way, of a health service facility and related health care entities.

(2d) "Capital expenditure" means an expenditure for a project, including but not limited to the cost of construction, engineering, and equipment which under generally accepted accounting principles is not properly chargeable as an expense of operation and maintenance. Capital expenditure includes, in addition, the fair market value of an acquisition made by donation, lease, or comparable arrangement by which a person obtains equipment, the expenditure for which would have been considered a capital expenditure under this Article if the person had acquired it by purchase.

(2e) Repealed by Session Laws 2005-325, s. 1, effective for hospices and hospice offices December 31, 2005.

(2f) "Cardiac catheterization equipment" means the equipment used to provide cardiac catheterization services.

(2g) "Cardiac catheterization services" means those procedures, excluding pulmonary angiography procedures, in which a catheter is introduced into a vein or artery and threaded through the circulatory system into the heart specifically to diagnose abnormalities in the motion, contraction, and blood flow of the moving heart or to perform surgical therapeutic interventions to restore, repair, or reconstruct the coronary blood vessels of the heart.

(3) "Certificate of need" means a written order which affords the person so designated as the legal proponent of the proposed project the opportunity to proceed with the development of such project.

(4) Repealed by Session Laws 1993, c. 7, s. 2.

(5) "Change in bed capacity" means (i) any relocation of health service facility beds, or dialysis stations from one licensed facility or campus to another, or (ii) any redistribution of health service facility bed capacity among the categories of health service facility bed as defined in G.S. 131E-176(9c), or (iii) any increase in the number of health service facility beds, or dialysis stations in kidney disease treatment centers, including freestanding dialysis units.

(5a) "Chemical dependency treatment facility" means a public or private facility, or unit in a facility, which is engaged in providing 24-hour a day treatment for chemical dependency or substance abuse. This treatment may include detoxification, administration of a therapeutic regimen for the treatment of chemically dependent or substance abusing persons and related services. The facility or unit may be:

a. A unit within a general hospital or an attached or freestanding unit of a general hospital licensed under Article 5, Chapter 131E, of the General Statutes,

b. A unit within a psychiatric hospital or an attached or freestanding unit of a psychiatric hospital licensed under Article 1A of General Statutes Chapter 122 or Article 2 of General Statutes Chapter 122C,

c. A freestanding facility specializing in treatment of persons who are substance abusers or chemically dependent licensed under Article 1A of General Statutes Chapter 122 or Article 2 of General Statutes Chapter 122C; and may be identified as "chemical dependency, substance abuse, alcoholism, or drug abuse treatment units," "residential chemical dependency, substance abuse, alcoholism or drug abuse facilities," or by other names if the purpose is to provide treatment of chemically dependent or substance abusing persons, but shall not include social setting detoxification facilities, medical detoxification facilities, halfway houses or recovery farms.

(5b) "Chemical dependency treatment beds" means beds that are licensed for the inpatient treatment of chemical dependency. Residential treatment beds for the treatment of chemical dependency or substance abuse are chemical dependency treatment beds. Chemical dependency treatment beds shall not include beds licensed for detoxification.

(6) "Department" means the North Carolina Department of Health and Human Services.

(7) To "develop" when used in connection with health services, means to undertake those activities which will result in the offering of institutional health service or the incurring of a financial obligation in relation to the offering of such a service.

(7a) "Diagnostic center" means a freestanding facility, program, or provider, including but not limited to, physicians' offices, clinical laboratories, radiology centers, and mobile diagnostic programs, in which the total cost of all the medical diagnostic equipment utilized by the facility which cost ten thousand dollars ($10,000) or more exceeds five hundred thousand dollars ($500,000). In determining whether the medical diagnostic equipment in a diagnostic center costs more than five hundred thousand dollars ($500,000), the costs of the equipment, studies, surveys, designs, plans, working drawings, specifications, construction, installation, and other activities essential to acquiring and making operational the equipment shall be included. The capital expenditure for the equipment shall be deemed to be the fair market value of the equipment or the cost of the equipment, whichever is greater.

(7b) "Expedited review" means the status given to an application's review process when the applicant petitions for the review and the Department approves the request based on findings that all of the following are met:

a. The review is not competitive.

b. The proposed capital expenditure is less than five million dollars ($5,000,000).

c. A request for a public hearing is not received within the time frame defined in G.S. 131E-185.

d. The agency has not determined that a public hearing is in the public interest.

(7c) "Gamma knife" means equipment which emits photon beams from a stationary radioactive cobalt source to treat lesions deep within the brain and is one type of stereotactic radiosurgery.

(7d) "Gastrointestinal endoscopy room" means a room used for the performance of procedures that require the insertion of a flexible endoscope into a gastrointestinal orifice to visualize the gastrointestinal lining and adjacent organs for diagnostic or therapeutic purposes.

(8), (9) Repealed by Session Laws 1987, c. 511, s. 1.

(9a) "Health service" means an organized, interrelated medical, diagnostic, therapeutic, and/or rehabilitative activity that is integral to the prevention of disease or the clinical management of a sick, injured, or disabled person. "Health service" does not include administrative and other activities that are not integral to clinical management.

(9b) "Health service facility" means a hospital; long-term care hospital; psychiatric facility; rehabilitation facility; nursing home facility; adult care home; kidney disease treatment center, including freestanding hemodialysis units; intermediate care facility for the mentally retarded; home health agency office; chemical dependency treatment facility; diagnostic center; hospice office, hospice inpatient facility, hospice residential care facility; and ambulatory surgical facility.

(9c) "Health service facility bed" means a bed licensed for use in a health service facility in the categories of (i) acute care beds; (ii) psychiatric beds; (iii) rehabilitation beds; (iv) nursing home beds; (v) intermediate care beds for the mentally retarded; (vi) chemical dependency treatment beds; (vii) hospice inpatient facility beds; (viii) hospice residential care facility beds; (ix) adult care home beds; and (x) long-term care hospital beds.

(10) "Health maintenance organization (HMO)" means a public or private organization which has received its certificate of authority under Article 67 of Chapter 58 of the General Statutes and which either is a qualified health maintenance organization under Section 1310(d) of the Public Health Service Act or:

a. Provides or otherwise makes available to enrolled participants health care services, including at least the following basic health care services: usual physician services, hospitalization, laboratory, X ray, emergency and preventive services, and out-of-area coverage;

b. Is compensated, except for copayments, for the provision of the basic health care services listed above to enrolled participants by a payment which is paid on a periodic basis without regard to the date the health care services are provided and which is fixed without regard to the frequency, extent, or kind of health service actually provided; and

c. Provides physicians' services primarily (i) directly through physicians who are either employees or partners of such organizations, or (ii) through arrangements with individual physicians or one or more groups of physicians organized on a group practice or individual practice basis.

(10a) "Heart-lung bypass machine" means the equipment used to perform extra-corporeal circulation and oxygenation during surgical procedures.

(11) Repealed by Session Laws 1991, c. 692, s. 1.

(12) "Home health agency" means a private organization or public agency, whether owned or operated by one or more persons or legal entities, which furnishes or offers to furnish home health services.

"Home health services" means items and services furnished to an individual by a home health agency, or by others under arrangements with such others made by the agency, on a visiting basis, and except for paragraph e. of this subdivision, in a place of temporary or permanent residence used as the individual's home as follows:

a. Part-time or intermittent nursing care provided by or under the supervision of a registered nurse;

b. Physical, occupational or speech therapy;

c. Medical social services, home health aid services, and other therapeutic services;

d. Medical supplies, other than drugs and biologicals and the use of medical appliances;

e. Any of the foregoing items and services which are provided on an outpatient basis under arrangements made by the home health agency at a hospital or nursing home facility or rehabilitation center and the furnishing of which involves the use of equipment of such a nature that the items and services cannot readily be made available to the individual in his home, or which are furnished at such facility while he is there to receive any such item or service, but not including transportation of the individual in connection with any such item or service.

(13) "Hospital" means a public or private institution which is primarily engaged in providing to inpatients, by or under supervision of physicians, diagnostic services and therapeutic services for medical diagnosis, treatment, and care of injured, disabled, or sick persons, or rehabilitation services for the rehabilitation of injured, disabled, or sick persons. The term includes all facilities licensed pursuant to G.S. 131E-77 of the General Statutes, except long-term care hospitals.

(13a) "Hospice" means any coordinated program of home care with provision for inpatient care for terminally ill patients and their families. This care is provided by a medically directed interdisciplinary team, directly or through an agreement under the direction of an identifiable hospice administration. A hospice program of care provides palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual and special needs of patients and their families, which are experienced during the final stages of terminal illness and during dying and bereavement.

(13b) "Hospice inpatient facility" means a freestanding licensed hospice facility or a designated inpatient unit in an existing health service facility which provides palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual, and special needs of terminally ill patients and their families in an inpatient setting. For purposes of this Article only, a hospital which has a contractual agreement with a licensed hospice to provide inpatient services to a hospice patient as defined in G.S. 131E-201(4) and provides those services in a licensed acute care bed is not a hospice inpatient facility and is not subject to the requirements in G.S. 131E-176(5)(ii) for hospice inpatient beds.

(13c) "Hospice residential care facility" means a freestanding licensed hospice facility which provides palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual, and special needs of terminally ill patients and their families in a group residential setting.

(14) Repealed by Session Laws 1987, c. 511, s. 1.

(14a) "Intermediate care facility for the mentally retarded" means facilities licensed pursuant to Article 2 of Chapter 122C of the General Statutes for the purpose of providing health and habilitative services based on the developmental model and principles of normalization for persons with mental retardation, autism, cerebral palsy, epilepsy or related conditions.

(14b) Repealed by Session Laws 1991, c. 692, s. 1.

(14c) Reserved for future codification.

(14d) Repealed by Session Laws 2001-234, s. 2, effective January 1, 2002.

(14e) "Kidney disease treatment center" means a facility that is certified as an end-stage renal disease facility by the Centers for Medicare and Medicaid Services, Department of Health and Human Services, pursuant to 42 C.F.R. § 405.

(14f) Reserved for future codification.

(14g) "Linear accelerator" means a machine used to produce ionizing radiation in excess of 1,000,000 electron volts in the form of a beam of electrons or photons to treat cancer patients.

(14h) Reserved for future codification.

(14i) "Lithotriptor" means extra-corporeal shock wave technology used to treat persons with kidney stones and gallstones.

(14j) Reserved for future codification.

(14k) "Long-term care hospital" means a hospital that has been classified and designated as a long-term care hospital by the Centers for Medicare and Medicaid Services, Department of Health and Human Services, pursuant to 42 C.F.R. § 412.

(14*l*) Reserved for future codification.

(14m) "Magnetic resonance imaging scanner" means medical imaging equipment that uses nuclear magnetic resonance.

(14n) Reserved for future codification.

(14o) "Major medical equipment" means a single unit or single system of components with related functions which is used to provide medical and other health services and which costs more than seven hundred fifty thousand dollars ($750,000). In determining whether the major medical equipment costs more than seven hundred fifty thousand dollars ($750,000), the costs of the equipment, studies, surveys, designs, plans, working drawings, specifications, construction, installation, and other activities essential to acquiring and making operational the major medical equipment shall be included. The capital expenditure for the equipment shall be deemed to be the fair market value of the equipment or the cost of the equipment, whichever is greater. Major medical equipment does not include replacement equipment as defined in this section.

(15) Repealed by Session Laws 1987, c. 511, s. 1.

(15a) "Multispecialty ambulatory surgical program" means a formal program for providing on a same-day basis surgical procedures for at least three of the following specialty areas: gynecology, otolaryngology, plastic surgery, general surgery, ophthalmology, orthopedic, or oral surgery.

(15b) "Neonatal intensive care services" means those services provided by a health service facility to high-risk newborn infants who require constant nursing care, including but not limited to continuous cardiopulmonary and other supportive care.

(16) "New institutional health services" means any of the following:

a. The construction, development, or other establishment of a new health service facility.

b. Except as otherwise provided in G.S. 131E-184(e), the obligation by any person of a capital expenditure exceeding two million dollars ($2,000,000) to develop or expand a health service or a health service facility, or which relates to the provision of a health service. The cost of any studies, surveys, designs, plans, working drawings, specifications, and other activities, including staff effort and consulting and other services, essential to the acquisition, improvement, expansion, or replacement of any plant or equipment with respect to which an expenditure is made shall be included in determining if the expenditure exceeds two million dollars ($2,000,000).

c. Any change in bed capacity as defined in G.S. 131E-176(5).

d. The offering of dialysis services or home health services by or on behalf of a health service facility if those services were not offered within the previous 12 months by or on behalf of the facility.

e. A change in a project that was subject to certificate of need review and for which a certificate of need was issued, if the change is proposed during the development of the project or within one year after the project was completed. For purposes of this subdivision, a change in a project is a change of more than fifteen percent (15%) of the approved capital expenditure amount or the addition of a health service that is to be located in the facility, or portion thereof, that was constructed or developed in the project.

f. The development or offering of a health service as listed in this subdivision by or on behalf of any person:

1. Bone marrow transplantation services.

2. Burn intensive care services.

2a. Cardiac catheterization services, except cardiac catheterization services provided on equipment furnished by a person authorized to operate such equipment in North Carolina pursuant to either a certificate of need issued for mobile cardiac catheterization equipment or a settlement agreement

executed by the Department for provision of cardiac catheterization services.
    3. Neonatal intensive care services.
    4. Open-heart surgery services.
    5. Solid organ transplantation services.

f1. The acquisition by purchase, donation, lease, transfer, or comparable arrangement of any of the following equipment by or on behalf of any person:
    1. Air ambulance.
    2. Repealed by Session Laws 2005-325, s. 1, effective for hospices and hospice offices December 31, 2005.
    3. Cardiac catheterization equipment.
    4. Gamma knife.
    5. Heart-lung bypass machine.
    5a. Linear accelerator.
    6. Lithotriptor.
    7. Magnetic resonance imaging scanner.
    8. Positron emission tomography scanner.
    9. Simulator.

g. to k. Repealed by Session Laws 1987, c. 511, s. 1.

l. The purchase, lease, or acquisition of any health service facility, or portion thereof, or a controlling interest in the health service facility or portion thereof, if the health service facility was developed under a certificate of need issued pursuant to G.S. 131E-180.

m. Any conversion of nonhealth service facility beds to health service facility beds.

n. The construction, development or other establishment of a hospice, hospice inpatient facility, or hospice residential care facility;

o. The opening of an additional office by an existing home health agency or hospice within its service area as defined by rules adopted by the Department; or the opening of any office by an existing home health agency or hospice outside its service area as defined by rules adopted by the Department.

p. The acquisition by purchase, donation, lease, transfer, or comparable arrangement by any person of major medical equipment.

q. The relocation of a health service facility from one service area to another.

r. The conversion of a specialty ambulatory surgical program to a multispecialty ambulatory surgical program or the addition of a specialty to a specialty ambulatory surgical program.

s. The furnishing of mobile medical equipment to any person to provide health services in North Carolina, which was not in use in North Carolina prior to the adoption of this provision, if such equipment would otherwise be subject to review in accordance with G.S. 131E-176(16)(f1.) or G.S. 131E-176(16)(p) if it had been acquired in North Carolina.

t. Repealed by Session Laws 2001-242, s. 4, effective June 23, 2001.

u. The construction, development, establishment, increase in the number, or relocation of an operating room or gastrointestinal endoscopy room in a licensed health service facility, other than the relocation of an operating room or gastrointestinal endoscopy room within the same building or on the same grounds or to grounds not separated by more than a public right-of-way adjacent to the grounds where the operating room or gastrointestinal endoscopy room is currently located.

v. The change in designation, in a licensed health service facility, of an operating room to a gastrointestinal endoscopy room or change in designation of a gastrointestinal endoscopy room to an operating room that results in a different number of each type of room than is reflected on the health service facility's license in effect as of January 1, 2005.

(17) "North Carolina State Health Coordinating Council" means the Council that prepares, with the Department of Health and Human Services, the State Medical Facilities Plan.

(17a) "Nursing care" means:

a. Skilled nursing care and related services for residents who require medical or nursing care;

b. Rehabilitation services for the rehabilitation of injured, disabled, or sick persons; or

c. Health-related care and services provided on a regular basis to individuals who because of their mental or physical condition require care and services above the level of room and board, which can be made available to them only through institutional facilities.

These are services which are not primarily for the care and treatment of mental diseases.

(17b) "Nursing home facility" means a health service facility whose bed complement of health service facility beds is composed principally of nursing home facility beds.

(18) To "offer," when used in connection with health services, means that the person holds himself out as capable of providing, or as having the means for the provision of, specified health services.

(18a) Repealed by Session Laws 2005-325, s. 1, effective for hospices and hospice offices December 31, 2005.

(18b) "Open-heart surgery services" means the provision of surgical procedures that utilize a heart-lung bypass machine during surgery to correct cardiac and coronary artery disease or defects.

(18c) "Operating room" means a room used for the performance of surgical procedures requiring one or more incisions and that is required to comply with all applicable licensure codes and standards for an operating room.

(19) "Person" means an individual, a trust or estate, a partnership, a corporation, including associations, joint stock companies, and insurance companies; the State, or a political subdivision or agency or instrumentality of the State.

(19a) "Positron emission tomography scanner" means equipment that utilizes a computerized radiographic technique that employs radioactive substances to examine the metabolic activity of various body structures.

(20) "Project" or "capital expenditure project" means a proposal to undertake a capital expenditure that results in the offering of a new institutional health service as defined by this Article. A project, or capital expenditure project, or proposed project may refer to the project from its earliest planning stages up through the point at which the specified new institutional health service may be offered. In the case of facility construction, the point at which the new institutional health service may be offered must take place after the facility is capable of being fully licensed and operated for its intended use, and at that time it shall be considered a health service facility.

(21) "Psychiatric facility" means a public or private facility licensed pursuant to Article 2 of Chapter 122C of the General Statutes and

which is primarily engaged in providing to inpatients, by or under the supervision of a physician, psychiatric services for the diagnosis and treatment of mentally ill persons.

(22) "Rehabilitation facility" means a public or private inpatient facility which is operated for the primary purpose of assisting in the rehabilitation of disabled persons through an integrated program of medical and other services which are provided under competent, professional supervision.

(22a) "Replacement equipment" means equipment that costs less than two million dollars ($2,000,000) and is purchased for the sole purpose of replacing comparable medical equipment currently in use which will be sold or otherwise disposed of when replaced. In determining whether the replacement equipment costs less than two million dollars ($2,000,000), the costs of equipment, studies, surveys, designs, plans, working drawings, specifications, construction, installation, and other activities essential to acquiring and making operational the replacement equipment shall be included. The capital expenditure for the equipment shall be deemed to be the fair market value of the equipment or the cost of the equipment, whichever is greater.

(23) Repealed by Session Laws 1991, c. 692, s. 1.

(24) Repealed by Session Laws 1993, c. 7, s. 2.

(24a) "Service area" means the area of the State, as defined in the State Medical Facilities Plan or in rules adopted by the Department, which receives services from a health service facility.

(24b) "Simulator" means a machine that produces high quality diagnostic radiographs and precisely reproduces the geometric relationships of megavoltage radiation therapy equipment to the patient.

(24c) Reserved for future codification.

(24d) "Solid organ transplantation services" means the provision of surgical procedures and the interrelated medical services that accompany the surgery to remove an organ from a patient and surgically implant an organ from a donor.

(24e) Reserved for future codification.

(24f) "Specialty ambulatory surgical program" means a formal program for providing on a same-day basis surgical procedures for only the specialty areas identified on the ambulatory surgical facility's 1993 Application for Licensure as an Ambulatory Surgical Center and authorized by its certificate of need.

(25) "State Medical Facilities Plan" means the plan prepared by the Department of Health and Human Services and the North Carolina State Health Coordinating Council, and approved by the Governor. In preparing the Plan, the Department and the State Health Coordinating Council shall maintain a mailing list of persons who have requested notice of public hearings regarding the Plan. Not less than 15 days prior to a scheduled public hearing, the Department shall notify persons on its mailing list of the date, time, and location of the hearing. The Department shall hold at least one public hearing prior to the adoption of the proposed Plan and at least six public hearings after the adoption of the proposed Plan by the State Health Coordinating Council. The Council shall accept oral and written comments from the public concerning the Plan.

(26) Repealed by Session Laws 1983 (Regular Session, 1984), c. 1002, s. 9.

(27) Repealed by Session Laws 1987, c. 511, s. 1. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, ss. 1, 2; c. 1127, ss. 24-29; 1983, c. 775, s. 1; 1983 (Reg. Sess., 1984), c. 1002, ss. 1-9; c. 1022, ss. 2, 3; c. 1064, s. 1; c. 1110, ss. 1, 2; 1985, c. 589, ss. 42, 43(a); c. 740, ss. 1, 2, 6; 1985 (Reg. Sess.,

1986), c. 1001, s. 2; 1987, c. 34; c. 511, s. 1; 1991, c. 692, s. 1; c. 701, s. 1; 1993, c. 7, s. 2; c. 376, ss. 1-4; 1997-443, s. 11A.118(a); 2000-135, ss. 1, 2; 2001-234, s. 2; 2001-242, ss. 2, 4; 2003-229, s. 13; 2003-390, ss. 1, 2; 2005-325, s. 1; 2005-346, s. 6(a)-(d); 2009-145, s. 2; 2009-462, s. 4(k).)

Editor's Note. — Session Laws 1987, c. 511, s. 3, provided that the act, which amended this section, would become effective July 1, 1987, and would apply to all new institutional health services that are proposed on and after that date, but would not apply to applications for certificates of need which begin review, or to projects for which certificates of need were issued, before that date. Section 3 of Session Laws 1987, c. 511 further provided that the act would supersede all previous acts that were to become effective at any time after the effective date of the act (July 1, 1987). Thus an amendment by Session Laws 1985, c. 589, s. 43(b), which would have deleted "Article 1A of General Statutes Chapter 122" following "licensed under" in paragraph (5a)b and (5a)c, and was scheduled to become effective on January 1, 1988, was superseded and did not go into effect.

Session Laws 2001-242, s. 5, provides: "This act is effective when it becomes law [June 23, 2001]. This act shall not apply to any project which was not a new institutional health service as defined in G.S. 131E-176(16) prior to the effective date of this act and for which there has been a capital expenditure exceeding fifty thousand dollars ($50,000) or there was a legally binding obligation for a capital expenditure exceeding fifty thousand dollars ($50,000) in effect on or before the effective date of this act and which was reasonably expected to be completed by December 31, 2002. A facility or office that was not licensed as an ambulatory surgical facility prior to the effective date of this act shall not become an ambulatory surgical facility by virtue of the amendment set forth in Sections 1 and 2 of this act [which amended G.S. 131E-146 and 131E-176] and may not be licensed as an ambulatory surgical facility under Part D of Article 6 of Chapter 131E of the General Statutes without a certificate of need."

Chapter 122, referred to in this section, has been repealed. See now Chapter 122C.

The definitions contained in this section have been set out in the order above at the direction of the Revisor of Statutes.

Former subdivisions (1), (1a), and (1b) in this section were redesignated as present subdivisions (1a), (1b), and (1c), at the direction of the Revisor of Statutes to preserve alphabetical order of the definitions.

The reference to G.S. 131E-180, in sub-subdivision (16)*l* has been repealed by Session Laws 2005-325, s. 2, effective August 26, 2005.

Session Laws 2005-325, s. 6, provides: "G.S. 131E-176(2f) and (2g), as enacted in this act, shall not preclude the furnishing of cardiac catheterization equipment or the provision of cardiac catheterization services by a person authorized to furnish this equipment or provide these services pursuant to a settlement agreement between the person and the Department of Health and Human Services prior to the effective date of this act."

Session Laws 2005-325, s. 7, provides: G.S. 131E-176, as amended by Section 1 of this act, becomes effective for hospices and hospice offices December 31, 2005. The remainder of this act is effective when it becomes law.

Session Laws 2005-346, s. 9, provides: "Nothing in Sections 2 through 10 of this act shall be construed to represent legislative intent as to circumstances under which Medicare or Medicaid certification may be obtained for a provider of ambulatory surgery services."

Effect of Amendments. — Session Laws 2009-145, s. 2, effective June 19, 2009, added "Except as otherwise provided in G.S. 131E-184(e)" at the beginning of subdivision (16)b.

Session Laws 2009-462, s. 4(k), effective October 1, 2009, substituted "Part 1 of Article 1 of Chapter 131D of the General Statutes" for "G.S. 131D-2" in subdivision (1).

CASE NOTES

The legislature did not intend to impose unreasonable limitations on maintaining or expanding presently offered health services. Cape Fear Mem. Hosp. v. North Carolina Dep't of Human Resources, 121 N.C. App. 492, 466 S.E.2d 299 (1996).

Amendments to the State Medical Facilities Plan. — The term "approved" in subdivision (25) gives the Governor the final authority to make substantive amendments to the State Medical Facilities Plan as part of the approval process. Frye Regional Medical Ctr., Inc. v. Hunt, 350 N.C. 39, 510 S.E.2d 159 (1999).

Dialysis firm challenging the refusal of the N.C. Department of Health and Human Services (DHHS), Division of Facility Services [now the Division of Health Service Regulation], Medical Facilities Planning Section, to amend a Semiannual Dialysis Report (SDR) did not have a remedy under the North Carolina Administrative Procedures Act or the North Carolina Declaratory Judgment Act since, inter alia: the enabling statute suggested that the North Carolina State Medical Facilities Plan (SMFP), which contained the SDR, was a snapshot in time intended to enable the DHHS to develop policy, criteria, and standards for health service facilities planning; and it was the role of the DHHS and the N.C. State Health Coordinating Council to develop the SMFP. Bio-Medical Applications of N.C., Inc. v. N.C. HHS, 179 N.C. App. 483, 634 S.E.2d 572, 2006 N.C. App. LEXIS 1979 (2006).

The opening of branch offices by an established home health agency within its current service area is not the construction, development or other establishment of a new health service facility under subdivision (16)(a) of this section; however, the question of whether extension of home health services to patients in counties outside an agency's current service area, or the expansion of branch offices of an established home health agency outside the agency's current service area would trigger the Certificate of Need requirement under this section has not been decided. Total Care, Inc. v. Department of Human Resources, 99 N.C. App. 517, 393 S.E.2d 338 (1990).

Expansion, Not "New Institutional Health Service". — The defendant/center was not required to obtain a separate certificate of need to develop additional operating rooms, a recovery room, and necessary ancillary space at a second site within the service area for which it already held a certificate of need. The defendant's proposal was not a "new institutional health service" requiring a certificate of need, but rather, an expansion of an existing health service facility within the limitations permitted by statute. Christenbury Surgery Ctr. v. North Carolina Health & Human Servs., 138 N.C. App. 309, 531 S.E.2d 219, 2000 N.C. App. LEXIS 611 (2000).

"New Institutional Health Service". — "New institutional health service" as defined in G.S. 131E-176(16) was interpreted to include a new hospital intended to replace an existing hospital. Good Hope Hosp., Inc. v. N.C. HHS, 175 N.C. App. 309, 623 S.E.2d 315, 2006 N.C. App. LEXIS 63 (2006), review denied, cert. denied, 360 N.C. 480, 632 S.E.2d 172 aff'd, 360 N.C. 641, 636 S.E.2d 564 (2006).

Existing institutional health service, including a hospice, had to obtain a new certificate of need (CON) to open a "branch office" outside its service area, because such an office, regardless of the label affixed by its developer, was a "new institutional health service" for which a CON is required under G.S. 131E-176. Hospice & Palliative Care Charlotte Region v. N.C. HHS, 185 N.C. App. 109, 648 S.E.2d 284, 2007 N.C. App. LEXIS 1675 (2007).

Branch office proposed by a hospice was not located within the service area of the hospice; therefore, the proposed branch office was a new institutional health service for which the hospice had to obtain a certificate of need. Hospice at Greensboro, Inc. v. N.C. HHS Div. of Facility Servs., 185 N.C. App. 1, 647 S.E.2d 651, 2007 N.C. App. LEXIS 1714 (2007).

Pursuant to G.S. 131E-176(16) and 131E-181(a), a certificate of need (CON) application could not be treated as an amendment to a prior CON because the application proposed doubling the size of a hospital facility and the approved capital expenditure of the prior CON, there was a change in ownership, and there was a change in location. Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

Because a certificate of need (CON) application proposed the relocation of two operating rooms and added a third, the CON application provided a new institutional health service under G.S. 131E-176(16)(u), which required the applicant to comply with the North Carolina State Medical Facilities Plan under G.S. 131E-176(16)(u) and 131E-183(a). Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

No Exemption For Complete Replacement Hospital. — Hospital was not exempt under G.S. 131E-184 from the process of applying for a Certificate Of Need to build a complete replacement hospital in the place of an existing hospital which it proposed to acquire. G.S. 131E-184(a)(5) allowed the replacement of an entire facility, but then only to replace or repair facilities destroyed or damaged by accident or natural disaster. Good Hope Hosp., Inc. v. N.C. HHS, 175 N.C. App. 309, 623 S.E.2d 315, 2006 N.C. App. LEXIS 63 (2006), review denied, cert. denied, 360 N.C. 480, 632 S.E.2d 172 aff'd, 360 N.C. 641, 636 S.E.2d 564 (2006).

Applied in Mission Hosps., Inc. v. N.C. HHS, 189 N.C. App. 263, 658 S.E.2d 277, 2008 N.C. App. LEXIS 548 (2008); Total Renal Care of N.C. LLC v. N.C. HHS, — N.C. App. —, 673 S.E.2d 137, 2009 N.C. App. LEXIS 202 (2009).

Cited in Rutherford Hosp. v. RNH Partnership, 168 F.3d 693 (4th Cir. 1999); Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005).

§ 131E-177. Department of Health and Human Services is designated State Health Planning and Development Agency; powers and duties.

The Department of Health and Human Services is designated as the State Health Planning and Development Agency for the State of North Carolina, and is empowered to exercise the following powers and duties:

(1) To establish standards and criteria or plans required to carry out the provisions and purposes of this Article and to adopt rules pursuant to Chapter 150B of the General Statutes, to carry out the purposes and provisions of this Article;

(2) Adopt, amend, and repeal such rules and regulations, consistent with the laws of this State, as may be required by the federal government for grants-in-aid for health service facilities and health planning which may be made available by the federal government. This section shall be liberally construed in order that the State and its citizens may benefit from such grants-in-aid;

(3) Define, by rule, procedures for submission of periodic reports by persons or health service facilities subject to agency review under this Article;

(4) Develop policy, criteria, and standards for health service facilities planning; shall conduct statewide registration and inventories of and make determinations of need for health service facilities, health services as specified in G.S. 131E-176(16)f., and equipment as specified in G.S. 131E-176(16)f1., which shall include consideration of adequate geographic location of equipment and services; and develop a State Medical Facilities Plan;

(5) Implement, by rule, criteria for project review;

(6) Have the power to grant, deny, or withdraw a certificate of need and to impose such sanctions as are provided for by this Article;

(7) Solicit, accept, hold and administer on behalf of the State any grants or bequests of money, securities or property to the Department for use by the Department in the administration of this Article; and

(8) Repealed by Session Laws 1987, c. 511, s. 1.

(9) Collect fees for submitting applications for certificates of need.

(10) The authority to review all records in any recording medium of any person or health service facility subject to agency review under this Article which pertain to construction and acquisition activities, staffing or costs and charges for patient care, including but not limited to, construction contracts, architectural contracts, consultant contracts, purchase orders, cancelled checks, accounting and financial records, debt instruments, loan and security agreements, staffing records, utilization statistics and any other records the Department deems to be reasonably necessary to determine compliance with this Article.

The Secretary of Health and Human Services shall have final decision-making authority with regard to all functions described in this section. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 1; 1983, c. 713, s. 96; c. 775, ss. 1, 6; 1987, c. 511, s. 1; 1991, c. 692, s. 2; 1993, c. 7, s. 3; c. 383, ss. 2, 3; 1997-443, s. 11A.118(a); 2007-323, s. 30.4(a).)

CASE NOTES

Responsibility of Department. — While the hearing officer's recommendations are entitled to consideration, the responsibility for making the decision is that of the Department of Human Resources. Humana Hosp. Corp. v. North Carolina Dep't of Human Resources, 81 N.C. App. 628, 345 S.E.2d 235 (1986), decided under former G.S. 131-177.

Project analyst's request for documentation of petitioner's alleged support by professional groups and individuals was entirely reasonable and within Department of Human Resources' authority, in order to obtain the necessary information to properly review application. Charter Pines Hosp. v. North Carolina Dep't of Human Resources, 83 N.C. App. 161, 349 S.E.2d 639, cert. denied, 319 N.C. 105, 353 S.E.2d 106 (1987), decided under former G.S. 131-177 and 131-181.

Authority to Develop Policy, Criteria, and Standards. — Dialysis firm challenging the refusal of the N.C. Department of Health and Human Services (DHHS), Division of Facility Services [now the Division of Health Service Regulation], Medical Facilities Planning Section, to amend a Semiannual Dialysis Report (SDR) did not have a remedy under the North Carolina Administrative Procedures Act or the North Carolina Declaratory Judgment Act since, inter alia: the enabling statute suggested that the North Carolina State Medical Facilities Plan (SMFP), which contained the SDR, was a snapshot in time intended to enable the DHHS to develop policy, criteria, and standards for health service facilities planning; and it was the role of the DHHS and the N.C. State Health Coordinating Council to develop the SMFP. Bio-Medical Applications of N.C., Inc. v. N.C. HHS, 179 N.C. App. 483, 634 S.E.2d 572, 2006 N.C. App. LEXIS 1979 (2006).

Cited in Total Care, Inc. v. Department of Human Resources, 99 N.C. App. 517, 393 S.E.2d 338 (1990); Frye Regional Medical Ctr., Inc. v. Hunt, 350 N.C. 39, 510 S.E.2d 159 (1999).

§ 131E-178. Activities requiring certificate of need.

(a) No person shall offer or develop a new institutional health service without first obtaining a certificate of need from the Department; provided, however, no person who provides gastrointestinal endoscopy procedures in one or more gastrointestinal endoscopy rooms located in a nonlicensed setting, shall be required to obtain a certificate of need to license that setting as an ambulatory surgical facility with the existing number of gastrointestinal endoscopy rooms, provided that:

(1) The license application is postmarked for delivery to the Division of Health Service Regulation by December 31, 2006;

(2) The applicant verifies, by affidavit submitted to the Division of Health Service Regulation within 60 days of the effective date of this act, that the facility is in operation as of the effective date of this act or that the completed application for the building permit for the facility was submitted by the effective date of this act;

(3) The facility has been accredited by The Accreditation Association for Ambulatory Health Care, The Joint Commission on Accreditation of Healthcare Organizations, or The American Association for Accreditation of Ambulatory Surgical Facilities by the time the license application is postmarked for delivery to the Division of Health Service Regulation of the Department; and

(4) The license application includes a commitment and plan for serving indigent and medically underserved populations.

All other persons proposing to obtain a license to establish an ambulatory surgical facility for the provision of gastrointestinal endoscopy procedures shall be required to obtain a certificate of need. The annual State Medical Facilities Plan shall not include policies or need determinations that limit the number of gastrointestinal endoscopy rooms that may be approved.

(b) No person shall make an acquisition by donation, lease, transfer, or comparable arrangement without first obtaining a certificate of need from the Department, if the acquisition would have been a new institutional health service if it had been made by purchase. In determining whether an acquisition would have been a new institutional health service, the capital expenditure for the asset shall be deemed to be the fair market value of the asset or the cost of the asset, whichever is greater.

(c) No person shall incur an obligation for a capital expenditure which is a new institutional health service without first obtaining a certificate of need from the Department. An obligation for a capital expenditure is incurred when:

(1) An enforceable contract, excepting contracts which are expressly contingent upon issuance of a certificate of need, is entered into by a person for the construction, acquisition, lease or financing of a capital asset;

(2) A person takes formal action to commit funds for a construction project undertaken as his own contractor; or

(3) In the case of donated property, the date on which the gift is completed.

(d) Where the estimated cost of a proposed capital expenditure, including the fair market value of equipment acquired by purchase, lease, transfer, or other comparable arrangement, is certified by a licensed architect or engineer to be equal to or less than the expenditure minimum for capital expenditure for new institutional health services, such expenditure shall be deemed not to exceed the amount for new institutional health services regardless of the actual amount expended, provided that the following conditions are met:

(1) The certified estimated cost is prepared in writing 60 days or more before the obligation for the capital expenditure is incurred. Certified cost estimates shall be available for inspection at the facility and sent to the Department upon its request.

(2) The facility on whose behalf the expenditure was made notifies the Department in writing within 30 days of the date on which such expenditure is made if the expenditure exceeds the expenditure minimum for capital expenditures. The notice shall include a copy of the certified cost estimate.

(e) The Department may grant certificates of need which permit capital expenditures only for predevelopment activities. Predevelopment activities include the preparation of architectural designs, plans, working drawings, or specifications, the preparation of studies and surveys, and the acquisition of a potential site. (1977, 2nd Sess., c. 1182, s. 2; 1979, c. 876, s. 2; 1981, c. 651, s. 3; 1983, c. 775, s. 1; 1983 (Reg. Sess., 1984), c. 1110, s. 3; 1985, c. 740, s. 3; 1985 (Reg. Sess., 1986), c. 1001, s. 1; 1987, c. 511, s. 1; c. 768; 1991, c. 692, s. 3; 1993, c. 7, s. 4; 2005-346, s. 7; 2007-182, s. 1.)

Editor's Note. — Session Laws 1983 (Reg. Sess., 1984), c. 1110, s. 17, provided that the enactment of ss. 1 through 3 of the act (which amended G.S. 131E-176 and 131E-178) should not be construed as requiring a facility which had obtained prior to June 30, 1984, a certificate of need for such use under prior law to obtain a new certificate of need on account of the special inclusion of chemical dependency treatment facilities in Article 9 of Chapter 131E.

Session Laws 2005-346, s. 9, provides: "Nothing in Sections 2 through 10 of this act shall be construed to represent legislative intent as to the circumstances under which Medicare or Medicaid certification may be obtained for a provider of ambulatory surgery services."

CASE NOTES

Federal Preemption. — To the extent that it requires an air ambulance service provider to obtain a Certificate of Need prior to offering services in North Carolina, G.S. 131E-178(a) is preempted by 49 U.S.C.S. § 41713(b)(1). Med-Trans Corp. v. Benton, 581 F. Supp. 2d 721, 2008 U.S. Dist. LEXIS 78396 (E.D.N.C. 2008).

The opening of branch offices by an established home health agency within its current service area is not the construction, development or other establishment of a new health service facility under G.S. 131E-176(16)(a); however, the question of whether extension of home health services to patients in counties outside an agency's current service area, or the expansion of branch offices of an established home health agency outside the agency's current service area would trigger the Certificate of Need requirement under G.S. 131E-176 has not been decided. Total Care, Inc. v. Department of Human Resources, 99 N.C. App. 517, 393 S.E.2d 338 (1990).

The Opening of Branch Office Outside an Existing Service Area. — When a hospice's competitor contested the issuance of a "no review" letter to the hospice allowing the hospice to establish a branch facility in the county where the competitor operated, which was not the county in which the hospice currently operated, the hospice was not entitled to summary judgment because the hospice's proposed branch was not within the hospice's current planning and service area, so the hospice was required to obtain a certificate of need, and the issuance of a "no review" letter to the hospice substantially prejudiced the competitor, as it resulted in the establishment and licensure of "a new institutional health service" in the competitor's service area without a prior determination of need. Hospice & Palliative Care Charlotte Region v. N.C. Dep't of Health, 187 N.C. App. 148, 652 S.E.2d 348, 2007 N.C. App. LEXIS 2241 (2007).

Expansion, Not "New Institutional Health Service". — The defendant/center was not required to obtain a separate certificate of need to develop additional operating rooms, a recovery room, and necessary ancillary space at a second site within the service area for which it already held a certificate of need. The defendant's proposal was not a "new institutional health service" requiring a certificate of need, but rather, an expansion of an existing health service facility within the limitations permitted by statute. Christenbury Surgery Ctr. v. North Carolina Health & Human Servs., 138 N.C. App. 309, 531 S.E.2d 219, 2000 N.C. App. LEXIS 611 (2000).

Applied in Total Renal Care of N.C. LLC v. N.C. HHS, — N.C. App. —, 673 S.E.2d 137, 2009 N.C. App. LEXIS 202 (2009).

Cited in Cape Fear Mem. Hosp. v. North Carolina Dep't of Human Resources, 121 N.C. App. 492, 466 S.E.2d 299 (1996); Koltis v. North Carolina Dep't of Human Resources, 125 N.C. App. 268, 480 S.E.2d 702 (1997); Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005); Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

§ 131E-179. Research activities.

(a) Notwithstanding any other provisions of this Article, a health service facility may offer new institutional health services to be used solely for research, or incur the obligation of a capital expenditure solely for research, without a certificate of need, if the Department grants an exemption. The Department shall grant an exemption if the health service facility files a notice of intent with the Department in accordance with rules promulgated by the Department and if the Department finds that the offering or obligation will not:

(1) Affect the charges of the health service facility for the provision of medical or other patient care services other than services which are included in the research;
(2) Substantially change the bed capacity of the facility; or
(3) Substantially change the medical or other patient care services of the facility.

(b) After a health service facility has received an exemption pursuant to subsection (a) of this section, it shall not offer the new institutional health services, or use a facility acquired through the capital expenditure, in a manner which affects the charges of the facility for the provision of medical or other patient care services, other than the services which are included in the research and shall not charge patients for the use of the service for which an exemption has been granted, without first obtaining a certificate of need from the Department; provided, however, that any facility or service acquired or developed under the exemption provided by this section shall not be subject to the foregoing restrictions on its use if the facility or service could otherwise be offered or developed without a certificate of need.

(c) Any of the activities described in subsection (a) of this section shall be deemed to be solely for research even if they include patient care provided on an occasional and irregular basis and not as a part of the research program. (1983, c. 775, s. 1; 1987, c. 511, s. 1; 1991, c. 692, s. 4.)

CASE NOTES

Cited in Hospital Corp. v. Iredell County, 120 N.C. App. 445, 462 S.E.2d 675 (1995).

§ 131E-180: Repealed by Session Laws 2005-325, s. 2, effective August 26, 2005.

§ 131E-180.1. Expired.

Editor's Note. — Session Laws 1995, s. 2, provided that this section would expire when the Division of Facility Services completed and implemented the current rewrite of home care licensure rules, but that the expiration should be no earlier than February 1, 1996, and no later than June 30, 1996.

§ 131E-181. Nature of certificate of need.

(a) A certificate of need shall be valid only for the defined scope, physical location, and person named in the application. A certificate of need shall not be transferred or assigned except as provided in G.S. 131E-189(c).

(b) A recipient of a certificate of need, or any person who may subsequently acquire, in any manner whatsoever permitted by law, the service for which that certificate of need was issued, is required to materially comply with the representations made in its application for that certificate of need. The Department shall require any recipient of a certificate of need, or its successor, whose service is in operation to submit to the Department evidence that the recipient, or its successor, is in material compliance with the representations made in its application for the certificate of need which granted the recipient the right to operate that service. In determining whether the recipient of a certificate of need, or its successor, is operating a service which materially differs from the representations made in its application for that certificate of need, the Department shall consider cost increases to the recipient, or its successor, including, but not limited to, the following:

(1) Any increase in the consumer price index;

(2) Any increased cost incurred because of Government requirements, including federal, State, or any political subdivision thereof; and

(3) Any increase in cost due to professional fees or the purchase of services and supplies.

(c) Whenever a certificate of need is issued more than 12 months after the application for the certificate of need began review, the Department shall adjust the capital expenditure amount proposed by increasing it to reflect any inflation in the Department of Commerce's Construction Cost Index that has occurred since the date when the application began review; and the Department shall use this recalculated capital expenditure amount in the certificate of need issued for the project.

(d) A project authorized by a certificate of need is complete when the health service or the health service facility for which the certificate of need was issued is licensed and certified and is in material compliance with the representations made in the certificate of need application. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 5; 1983, c. 775, s. 1; 1985, c. 521, s. 1; 1985 (Reg. Sess., 1986), c. 968, s. 1; 1987, c. 511, s. 1; 1989, c. 233; c. 751, s. 9(c); 1991, c. 692, s. 5; 1991 (Reg. Sess., 1992), c. 959, s. 85; 1993, c. 7, s. 5.)

CASE NOTES

Certificate of Need Required. — Branch office proposed by a hospice was not located within the service area of the hospice; therefore, the proposed branch office was a new institutional health service for which the hospice had to obtain a certificate of need. Hospice at Greensboro, Inc. v. N.C. HHS Div. of Facility Servs., 185 N.C. App. 1, 647 S.E.2d 651, 2007 N.C. App. LEXIS 1714 (2007).

Pursuant to G.S. 131E-176(16) and G.S. 131E-181(a), a certificate of need (CON) application could not be treated as an amendment to a prior CON because the application proposed doubling the size of a hospital facility and the approved capital expenditure of the prior CON, there was a change in ownership, and there was a change in location. Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

Applied in Total Renal Care of N.C. LLC v. N.C. HHS, — N.C. App. —, 673 S.E.2d 137, 2009 N.C. App. LEXIS 202 (2009).

Cited in Johnston Health Care Ctr., L.L.C. v. North Carolina Dep't of Human Res., 136 N.C. App. 307, 524 S.E.2d 352, 2000 N.C. App. LEXIS 20 (2000).

§ 131E-182. Application.

(a) The Department in its rules shall establish schedules for submission and review of completed applications. The schedules shall provide that applications for similar proposals in the same service area will be reviewed together.

(b) An application for a certificate of need shall be made on forms provided by the Department. The application forms, which may vary according to the type of proposal, shall require such information as the Department, by its rules deems necessary to conduct the review. An applicant shall be required to furnish only that information necessary to determine whether the proposed new institutional health service is consistent with the review criteria implemented under G.S. 131E-183 and with duly adopted standards, plans and criteria.

(c) An application fee is imposed on an applicant for a certificate of need. An applicant must submit the fee with the application. The fee is not refundable, regardless of whether a certificate of need is issued. Fees collected under this section shall be credited to the General Fund as nontax revenue. The application fee is five thousand dollars ($5,000) plus an amount equal to three-tenths of one percent (.3%) of the amount of the capital expenditure proposed in the application that exceeds one million dollars ($1,000,000). In no event may the fee exceed fifty thousand dollars ($50,000). (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 6; 1983, c. 713, s. 97; c. 775, ss. 1, 6; 1987, c. 511, s. 1; 2005-325, s. 3; 2005-346, s. 8; 2007-323, s. 30.4(b).)

Editor's Note. — Session Laws 1993, c. 561, s. 88, provides: "Those existing facilities that were granted a Certificate of Need to develop no more than 30 beds and that have applied for a Certificate of Need to expand to 32 beds prior to July 1, 1993, are exempt from the 30-bed limitation and may be issued a Certificate of Need for no more than 32 beds each. These additional beds for those facilities shall not be taken into account in deciding Certificate of Need allocations to other applicants in the same service area during the 1993 calendar year."

Session Laws 1993, c. 561, s. 23.1, as added by Session Laws 1994, Extra Session, c. 24, s. 54, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1993-95 biennium, the textual provisions of this act shall apply only to funds appropriated for and activities occurring during the 1993-95 biennium."

Session Laws 2005-346, s. 9, provides: "Nothing in Sections 2 through 10 of this act shall be construed to represent legislative intent as to the circumstances under which Medicare or Medicaid certification may be obtained for a provider of ambulatory surgery services."

Session Laws 2005-346, which amended subsection (a) of this section, in s. 10 provided that the amendments by Session Laws 2005-346, s. 8, would expire on the effective date of administrative rules adopted consistent with the provisions of this act regarding the number of gastrointestinal endoscopy procedures performed or projected to be performed. The applicable rules were initially adopted as a temporary rule effective February 1, 2006; the permanent rule was adopted effective November 1, 2006. See 10A NCAC 14C.3903.

CASE NOTES

Preliminary injunction enjoining medical providers from challenging a hospital's Certificate of Need application was proper because the parties' agreement barred challenges to noncompetitive applications, and provided that, for applications to be competitive, they must have been received in same review period; the medical providers did not file an application in same review period and the state Department of Health and Human Services determined that the hospital's application was noncompetitive. Irreparable harm was shown by, among other things, the agreement itself, which stated that a breach would have resulted in irreparable harm. N.C. Baptist Hosp. v. Novant Health, Inc., — N.C. App. —, 673 S.E.2d 794, 2009 N.C. App. LEXIS 250 (2009).

Applied in Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

Cited in Charter Pines Hosp. v. North Carolina Dep't of Human Resources, 83 N.C. App. 161, 349 S.E.2d 639 (1986); Dialysis Care of N.C., LLC v. Department of Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000); Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005).

§ 131E-183. Review criteria.

(a) The Department shall review all applications utilizing the criteria outlined in this subsection and shall determine that an application is either consistent with or not in conflict with these criteria before a certificate of need for the proposed project shall be issued.

(1) **(See note)** The proposed project shall be consistent with applicable policies and need determinations in the State Medical Facilities Plan, the need determination of which constitutes a determinative limitation on the provision of any health service, health service facility, health service facility beds, dialysis stations, operating rooms, or home health offices that may be approved.

(2) Repealed by Session Laws 1987, c. 511, s. 1.

(3) The applicant shall identify the population to be served by the proposed project, and shall demonstrate the need that this population has for the services proposed, and the extent to which all residents of the area, and, in particular, low income persons, racial and ethnic minorities, women, handicapped persons, the elderly, and other underserved groups are likely to have access to the services proposed.

(3a) In the case of a reduction or elimination of a service, including the relocation of a facility or a service, the applicant shall demonstrate that the needs of the population presently served will be met adequately by the proposed relocation or by alternative arrangements, and the effect of the reduction, elimination or relocation of the service on the ability of low income persons, racial and ethnic minorities, women, handicapped persons, and other underserved groups and the elderly to obtain needed health care.

(4) Where alternative methods of meeting the needs for the proposed project exist, the applicant shall demonstrate that the least costly or most effective alternative has been proposed.

(5) Financial and operational projections for the project shall demonstrate the availability of funds for capital and operating needs as well as the immediate and long-term financial feasibility of the proposal, based upon reasonable projections of the costs of and charges for providing health services by the person proposing the service.

(6) The applicant shall demonstrate that the proposed project will not result in unnecessary duplication of existing or approved health service capabilities or facilities.

(7) The applicant shall show evidence of the availability of resources, including health manpower and management personnel, for the provision of the services proposed to be provided.

(8) The applicant shall demonstrate that the provider of the proposed services will make available, or otherwise make arrangements for, the provision of the necessary ancillary and support services. The applicant shall also demonstrate that the proposed service will be coordinated with the existing health care system.

(9) An applicant proposing to provide a substantial portion of the project's services to individuals not residing in the health service area in which the project is located, or in adjacent health service areas, shall document the special needs and circumstances that warrant service to these individuals.

(10) When applicable, the applicant shall show that the special needs of health maintenance organizations will be fulfilled by the project. Specifically, the applicant shall show that the project accommodates:

a. The needs of enrolled members and reasonably anticipated new members of the HMO for the health service to be provided by the organization; and

b. The availability of new health services from non-HMO providers or other HMOs in a reasonable and cost-effective manner which is consistent with the basic method of operation of the HMO. In assessing the availability of these health services from these providers, the applicant shall consider only whether the services from these providers:

1. Would be available under a contract of at least five years' duration;
2. Would be available and conveniently accessible through physicians and other health professionals associated with the HMO;
3. Would cost no more than if the services were provided by the HMO; and
4. Would be available in a manner which is administratively feasible to the HMO.

(11) Repealed by Session Laws 1987, c. 511, s. 1.

(12) Applications involving construction shall demonstrate that the cost, design, and means of construction proposed represent the most reasonable alternative, and that the construction project will not unduly increase the costs of providing health services by the person proposing the construction project or the costs and charges to the public of providing health services by other persons, and that applicable energy saving features have been incorporated into the construction plans.

(13) The applicant shall demonstrate the contribution of the proposed service in meeting the health-related needs of the elderly and of members of medically underserved groups, such as medically indigent or low income persons, Medicaid and Medicare recipients, racial and ethnic minorities, women, and handicapped persons, which have traditionally experienced difficulties in obtaining equal access to the proposed services, particularly those needs identified in the State Health Plan as deserving of priority. For the purpose of determining the extent to which the proposed service will be accessible, the applicant shall show:

a. The extent to which medically underserved populations currently use the applicant's existing services in comparison to the percentage of the population in the applicant's service area which is medically underserved;

b. Its past performance in meeting its obligation, if any, under any applicable regulations requiring provision of uncompensated care, community service, or access by minorities and handicapped persons to programs receiving federal assistance, including the existence of any civil rights access complaints against the applicant;

c. That the elderly and the medically underserved groups identified in this subdivision will be served by the applicant's proposed services and the extent to which each of these groups is expected to utilize the proposed services; and

d. That the applicant offers a range of means by which a person will have access to its services. Examples of a range of means are outpatient services, admission by house staff, and admission by personal physicians.

(14) The applicant shall demonstrate that the proposed health services accommodate the clinical needs of health professional training programs in the area, as applicable.

(15) through (18) Repealed by Session Laws 1987, c. 511, s. 1.

(18a) The applicant shall demonstrate the expected effects of the proposed services on competition in the proposed service area, including how any enhanced competition will have a positive impact upon the cost effectiveness, quality, and access to the services proposed; and in the case of applications for services where competition between providers will not have a favorable impact on cost effectiveness, quality, and access to the services proposed, the applicant shall demonstrate that its application is for a service on which competition will not have a favorable impact.

(19) Repealed by Session Laws 1987, c. 511, s. 1.

(20) An applicant already involved in the provision of health services shall provide evidence that quality care has been provided in the past.

(21) Repealed by Session Laws 1987, c. 511, s. 1.

(b) The Department is authorized to adopt rules for the review of particular types of applications that will be used in addition to those criteria outlined in subsection (a) of this section and may vary according to the purpose for which a particular review is being conducted or the type of health service reviewed. No such rule adopted by the Department shall require an academic medical center teaching hospital, as defined by the State Medical Facilities Plan, to demonstrate that any facility or service at another hospital is being appropriately utilized in order for that academic medical center teaching hospital to be approved for the issuance of a certificate of need to develop any similar facility or service.

(c) Repealed by Session Laws 1987, c. 511, s. 1. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 7; 1983, c. 775, s. 1; c. 920, s. 2; 1983 (Reg. Sess., 1984), c. 1002, s. 10; 1985, c. 445, s. 1; 1987, c. 511, s. 1; 1991, c. 692, s. 6; c. 701, s. 2; 1993, c. 7, s. 6; 2001-242, s. 3.)

Editor's Note. — Session Laws 2001-242, s. 5, provides: "This act is effective when it becomes law [June 23, 2001]. This act shall not apply to any project which was not a new institutional health service as defined in G.S. 131E-176(16) prior to the effective date of this act and for which there has been a capital expenditure exceeding fifty thousand dollars ($50,000) or there was a legally binding obligation for a capital expenditure exceeding fifty thousand dollars ($50,000) in effect on or before the effective date of this act and which was reasonably expected to be completed by December 31, 2002. A facility or office that was not licensed as an ambulatory surgical facility prior to the effective date of this act shall not become an ambulatory surgical facility by virtue of the amendment set forth in Sections 1 and 2 of this act [which amended G.S. 131E-146 and 131E-176] and may not be licensed as an ambulatory surgical facility under Part D of Article 6 of Chapter 131E of the General Statutes without a certificate of need."

CASE NOTES

Legislative Findings. — In enacting the certificate of need law, the legislature found as facts that the forces of free market competition are largely absent in health care, and that government regulation is therefore necessary to control the cost, utilization, and distribution of health services and to assure that less costly and more effective alternatives are made available. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175 and 131-181.

Review of Criteria by Agency. — The certificate of need law does not contemplate that the agency will review any criteria competitively, and subsequently find one applicant nonconforming to a criterion simply because another applicant is found conforming, as the intent of the legislature is to have the agency first ensure that each application comports with the statutory and regulatory criteria. Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995).

Full Contested Case Hearing Not Precluded by the Statute. — In a Certificate of Need (CON) case, the CON Statute does not preclude a full contested case hearing where an ALJ recommended a summary judgment in a decision based only on each applicant's conformity with the criteria in G.S. 131E-183. A full hearing protects the applicant's due process rights, allows the record to be fully developed, and encourages judicial economy. Living Centers-Southeast, Inc. v. North Carolina Health & Human Servs., 138 N.C. App. 572, 532 S.E.2d 192, 2000 N.C. App. LEXIS 782 (2000).

Review of Criteria by Hearing Officer. — In a certificate of need case, the hearing officer may only consider evidence contained in an applicant's certificate of need application which was before the Certificate of Need Section when it made its initial decision. Presbyterian-Orthopaedic Hosp. v. North Carolina Dep't of Human Resources, 122 N.C. App. 529, 470 S.E.2d 831 (1996), discretionary review improvidently allowed, 346 N.C. 267, 485 S.E.2d 294 (1997).

Statutory Criteria Met. — A challenged, successful Certificate of Need application did not violate State and federal Medicaid regulations by overstating its projected Medicaid revenues, nor did it fail in financial feasibility, cost effectiveness, or conformity to statutory criteria contained in this section. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

The N. C. Department of Health and Human Services adhered to the required procedures where it first analyzed each individual certificate of need application to determine the extent to which each application conformed to the statutory criteria, and then entered exhaustive findings with respect to the relative merits of the applications, comparing Medicaid access, costs for services, operating costs, types of services, staffing, and location before concluding that the successful application was comparatively superior. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Decision of the North Carolina Department of Health and Human Services to award a certificate of need for new kidney dialysis machines to an applicant was affirmed as the agency's findings were supported by sufficient evidence, and it did not exceed its statutory authority in using enhanced competition and consumer choice as key factors in a comparative analysis. Total Renal Care of N.C., LLC v. N.C. HHS, 171 N.C. App. 734, 615 S.E.2d 81, 2005 N.C. App. LEXIS 1354 (2005).

Statutory Authority. — Request by the North Carolina Department of Health and Human Services for evidence from a certificate of need (CON) applicant explaining the vast difference in size and cost between a prior CON, a later proposal, and a still later CON application was within the agency's statutory authority under G.S. 131E-183(a)(4). Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

Statutory Criteria Not Met. — Because a certificate of need (CON) application proposed the relocation of two operating rooms and added a third, the CON application provided a new institutional health service under G.S. 131E-176(16)(u), which required the applicant to comply with the North Carolina State Medical Facilities Plan under G.S. 131E-176(16)(u) and G.S. 131E-183(a). However, the applicant was not entitled to a CON because the applicant failed to demonstrate that all of the CON review criteria were met. Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

Effect of Successive Certificate of Need Applications. — Issue of the denial of a hospital's 2003 application for a certificate of need (CON) for a replacement hospital was made moot by its 2005 application for a CON since the 2005 application covered the same facility and, compliant with G.S. 131E-175, G.S. 131E-183(a)(1), the State Medical Facilities Plan set maximum beds and operating rooms for the county. Good Hope Health Sys., L.L.C. v. N.C. HHS, 175 N.C. App. 296, 623 S.E.2d 307, 2006

N.C. App. LEXIS 62 (2006), review granted, cert. denied, 360 N.C. 479, 632 S.E.2d 171 rev'd and remanded, review improvidently granted, 360 N.C. 635, 637 S.E.2d 517 (2006) (rev'd as to mootness issue). See also Good Hope Hosp., Inc. v. N.C. HHS, 175 N.C. App. 309, 623 S.E.2d 315, (2006).

When the North Carolina Department of Health and Human Resources, Division of Facility Services, Certificate of Need Section, denied a health system's request for a certificate of need (CON) to build a hospital and granted a CON to the system's competitor, competent evidence supported the agency's finding that, even though the system had previously been granted a CON for a different project, the system was not going to complete that project, and a requirement that the agency "consider" the previously granted CON did not require the agency to find that the system would successfully develop the previously approved project and factor a hypothetical completed hospital into the agency's determinations regarding the population to be served and the possibility of duplicative services. Good Hope Health Sys., LLC v. N.C. HHS, 188 N.C. App. 68, 658 S.E.2d 665, 2008 N.C. App. LEXIS 79 (2008).

Allegation of Priority Status Without Merit. — The certificate of need section should not be foreclosed from carrying out the purposes and intent of the certificate of need law by an alleged priority status obtained by an applicant being the only one of several applicants to exercise its rights to judicial review. In re Denial of Request by Humana Hosp. Corp., 78 N.C. App. 637, 338 S.E.2d 139 (1986), decided under former G.S. 131-175 and 131-181.

Duplication of Services Not a Concern. — The Department of Health and Human Services' finding that the successful Certificate of Need (CON) application conformed with subsections (a)(3), (4) and (6) of this section was supported by substantial evidence where the applicant identified 34 of its own patients at another facility who expressed a willingness to transfer their treatment to the proposed facility; where such transfer would not result in a duplication of services but rather better access for current patients; and where an evaluation of the alternatives—(1) relocating stations to develop a new facility at a new site, (2) expansion of the existing facility, and (3) doing nothing—revealed that opening a new center was the most effective alternative although the competing CON applicant already serviced a dialysis center in the city of the proposed new site. Dialysis Care of N.C., LLC v. Department of Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000), aff'd, 353 N.C. 258, 538 S.E.2d 566 (2000).

Number of Existing Federal-Approved Dialysis Stations Considered. — Where evidence presented at hearing showed that eighty to ninety percent of the dialysis patients in the area to be served relied on Medicare or Medicaid to pay for dialysis treatment, the agency was justified in concluding that only federally-approved stations should be considered when counting the number of existing stations. In re Wake Kidney Clinic, 85 N.C. App. 639, 355 S.E.2d 788, cert. denied, 320 N.C. 793, 361 S.E.2d 89 (1987).

Financial Status of Participating Out-of-State Physician Considered. — The agency did not act in an unfair or illegal manner is considering evidence of the financial status of a listed shareholder who was a licensed physician in several states and needed to meet only pro-forma requirements in order to become licensed in North Carolina, simply because such evidence had not been utilized in the initial decision and because he was not yet a licensed physician in North Carolina, where all the evidence indicated that he would be a licensed physician and thus eligible to participate in the project by the time the Certificate of Need would be issued. In re Wake Kidney Clinic, 85 N.C. App. 639, 355 S.E.2d 788, cert. denied, 320 N.C. 793, 361 S.E.2d 89 (1987).

Project analyst's request for documentation of petitioner's alleged support by professional groups and individuals was entirely reasonable and within Department of Human Resources' authority, in order to obtain the necessary information to properly review application. Charter Pines Hosp. v. North Carolina Dep't of Human Resources, 83 N.C. App. 161, 349 S.E.2d 639 (1986), cert. denied, 319 N.C. 105, 353 S.E.2d 106 (1987), decided under former G.S. 131-177 and 131-181.

Evidence supported department's conclusion that need existed for dialysis facility, and that there were no less costly or more effective alternatives for providing the desired services. In re Wake Kidney Clinic, 85 N.C. App. 639, 355 S.E.2d 788, cert. denied, 320 N.C. 793, 361 S.E.2d 89 (1987).

For case where determination that criteria for qualifying for certificate of need for construction of hospital were not met, see Hospital Group of Western North Carolina, Inc. v. North Carolina Dep't of Human Resources, 76 N.C. App. 265, 332 S.E.2d 748 (1985).

Substantial Evidence Supported Conditional Approval. — Substantial evidence existed from which the agency could reasonably find that a Certificate of Need (CON) application for a dialysis center, as conditioned, conformed with Criterion 5 where the financial backer agreed to carry out the project, and the bank's finance officer testified, after the conditional approval, that the backer had access to sufficient funds for their equity contribution. Dialysis Care of N.C., LLC v. Department of

Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000), aff'd, 353 N.C. 258, 538 S.E.2d 566 (2000).

Conditional Approval Not Arbitrary or Capricious. — The agency's decision to conditionally approve a Certificate of Need (CON) application did not constitute arbitrary and capricious decision-making where the services were determined to be needed; where the conditions imposed, as required by Criterion 5, insured that the proposal was consistent with applicable criteria; and where there was substantial evidence from which the agency could reasonably find the application conditionally conforming. Dialysis Care of N.C., LLC v. Department of Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000), aff'd, 353 N.C. 258, 538 S.E.2d 566 (2000).

Subdivision (a)(5) of this section did not require the submission of financial statements by the applicants; it merely required the Department of Human Resources to determine the availability of funds for the project from the entity responsible for funding, which may or may not be an applicant. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Financial Resources of Other Entity. — There is nothing in subdivision (a)(5) of this section which precludes a certificate of need applicant from relying on the financial resources of another entity for its funding. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Where a project is to be funded other than by the applicants, the application must contain evidence of a commitment to provide the funds by the funding entity; without such a commitment, an applicant cannot adequately demonstrate availability of funds or the requisite financial feasibility. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Sufficient evidence supported a finding of financial feasibility where the availability of a bank loan was properly evidenced by a letter of interest, where a loan shortfall could be covered by other personal assets, and where "the certificate of need section did not rely on [the availability of a line of credit in the name of a deceased individual] in concluding that there were sufficient funds to finance [the] proposal." Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Financial Commitment Adequately Demonstrated. — Evidence of financial backers' net worth and demonstrated ability to provide $811,362.00 separate and apart from their wives, who had not signed commitment letters, coupled with a certification page by one of the backers describing his "intent to carry out the proposed project" and an affidavit further affirming this intent, when added to evidence demonstrating the ability of the funding sources to provide the funds, were sufficient to show commitment required by this section. Johnston Health Care Ctr., L.L.C. v. North Carolina Dep't of Human Res., 136 N.C. App. 307, 524 S.E.2d 352, 2000 N.C. App. LEXIS 20 (2000).

Early Expiration of Credit Line. — Where Certificate of Need applicant's supporting documentation indicated that the bank's line of credit would expire before the proposed project was scheduled to commence, substantial evidence supported the Department of Health and Human Services' finding that the applicant failed to establish the availability and commitment of funds required by this section. Johnston Health Care Ctr., L.L.C. v. North Carolina Dep't of Human Res., 136 N.C. App. 307, 524 S.E.2d 352, 2000 N.C. App. LEXIS 20 (2000).

Letter Not Commitment to Finance. — A letter from a bank indicating its interest in loaning money to a corporation for the addition/conversion of beds and confirming that it had money which could be used to fund the project did not constitute a commitment to provide financing, nor did it bind it to use money for the project. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

A letter which may arguably have shown commitment to provide working capital during the first 3 years of operation did not commit a corporation to expend any money for the capital expenses necessary to implement the project. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Determination of Assumptions and Methodology. — The Department of Human Resources employed the wrong standard in determining whether assumptions and methodology were contained in an application where, instead of finding that they were "clearly stated", the agency found that they were "sufficiently clear" and "discernible." Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Errors and Omissions Did Not Prejudice Competitor. — While the Department of Health and Human Services technically exceeded its authority and jurisdiction and committed errors of law by awarding a Certificate of Need to establish a new dialysis center on the basis of an application that was never shown to be conforming to all applicable criteria, its actions did not prejudice the applicant's competitor because the alleged mistakes and omissions, which were made under a settlement agreement, were corrected by final agency decision. Bio-Medical Applications of N.C., Inc. v. North Carolina Dep't of Human Resources, 136 N.C. App. 103, 523 S.E.2d 677, 1999 N.C. App. LEXIS 1372 (1999).

Application Unclear. — Applicant failed to define clearly the type of services it intended to provide where its application contained contradictory information regarding whether or not it proposed a dedicated Alzheimer's unit. Retirement Villages, Inc. v. North Carolina Dep't of Human Resources, 124 N.C. App. 495, 477 S.E.2d 697 (1996).

Administrative Law Judge's Finding That Rule "Void as Applied" to the Facts. — When the North Carolina Department of Health and Human Resources, Division of Facility Services, Certificate of Need Section, denied a health system's request for a certificate of need (CON) to build a hospital and granted a CON to the system's competitor, an administrative law judge was authorized to find that 10A N.C. Admin. Code 14C.2303(3), regarding findings of the utilization of computerized axial tomography equipment in a geographic area, was "void as applied" to the facts because the rule required consideration of the health system's underutilization of such equipment in a hospital that was about to close in determining whether to authorize the competitor to install such equipment in the hospital the competitor proposed for the area, and the system's underutilization was irrelevant to the area's need for such equipment, and G.S. 150B-33(b)(9)(3) allowed the administrative law judge to find that a rule was void in a particular case because the rule was not reasonably necessary to enable an agency to fulfill a duty delegated to the agency by the general assembly. Good Hope Health Sys., LLC v. N.C. HHS, 188 N.C. App. 68, 658 S.E.2d 665, 2008 N.C. App. LEXIS 79 (2008).

Department Decision Reversed. — Final agency decision of the North Carolina Department of Health and Human Services (DHHS), which upheld two settlement agreements between the DHHS' Certificate of Need (CON) section and a group of medical centers and issued a CON to the group for a hospital project was reversed on appeal, because the DHHS failed to follow statutory procedure when it rejected an administrative law judge's recommendation to deny the CON applications of the group by erroneously considering new evidence, which it had no statutory authority to do. Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005).

Applied in Total Renal Care of N.C. LLC v. N.C. HHS, — N.C. App. —, 673 S.E.2d 137, 2009 N.C. App. LEXIS 202 (2009).

Cited in Huntington Manor v. North Carolina Dep't of Human Resources, 99 N.C. App. 52, 393 S.E.2d 104 (1990).

§ 131E-184. Exemptions from review.

(a) Except as provided in subsection (b), the Department shall exempt from certificate of need review a new institutional health service if it receives prior written notice from the entity proposing the new institutional health service, which notice includes an explanation of why the new institutional health service is required, for any of the following:

(1) To eliminate or prevent imminent safety hazards as defined in federal, State, or local fire, building, or life safety codes or regulations.

(1a) To comply with State licensure standards.

(1b) To comply with accreditation or certification standards which must be met to receive reimbursement under Title XVIII of the Social Security Act or payments under a State plan for medical assistance approved under Title XIX of that act.

(2) Repealed by Session Laws 1987, c. 511, s. 1.

(3) To provide data processing equipment.

(4) To provide parking, heating or cooling systems, elevators, or other basic plant or mechanical improvements, unless these activities are integral portions of a project that involves the construction of a new health service facility or portion thereof and that is subject to certificate of need review.

(5) To replace or repair facilities destroyed or damaged by accident or natural disaster.

(6) To provide any nonhealth service facility or service.

(7) To provide replacement equipment.

(8) To acquire an existing health service facility, including equipment owned by the health service facility at the time of acquisition.

(9) To develop or acquire a physician office building regardless of cost, unless a new institutional health service other than defined in G.S. 131E-176(16)b. is offered or developed in the building.

(b) Those portions of a proposed project which are not proposed for one or more of the purposes under subsection (a) of this section are subject to certificate of need review, if these non-exempt portions of the project are new institutional health services under G.S. 131E-176(16).

(c) The Department shall exempt from certificate of need review any conversion of existing acute care beds to psychiatric beds provided:

(1) The hospital proposing the conversion has executed a contract with the Department's Division of Mental Health, Developmental Disabilities, and Substance Abuse Services and/or one or more of the Area Mental Health, Developmental Disabilities, and Substance Abuse Authorities to provide psychiatric beds to patients referred by the contracting agency or agencies; and

(2) The total number of beds to be converted shall not be more than twice the number of beds for which the contract pursuant to subdivision (1) of this subsection shall provide.

(d) In accordance with, and subject to the limitations of G.S. 148-19.1, the Department shall exempt from certificate of need review the construction and operation of a new chemical dependency or substance abuse facility for the purpose of providing inpatient chemical dependency or substance abuse services solely to inmates of the Department of Correction. If an inpatient chemical dependency or substance abuse facility provides services both to inmates of the Department of Correction and to members of the general public, only the portion of the facility that serves inmates shall be exempt from certificate of need review.

(e) The Department shall exempt from certificate of need review a capital expenditure that exceeds the two million dollar ($2,000,000) threshold set forth in G.S. 131E-176(16)b. if all of the following conditions are met:

(1) The proposed capital expenditure would:

  a. Be used solely for the purpose of renovating, replacing on the same site, or expanding an existing:

    1. Nursing home facility,

    2. Adult care home facility, or

    3. Intermediate care facility for the mentally retarded; and

  b. Not result in a change in bed capacity, as defined in G.S. 131E-176(5), or the addition of a health service facility or any other new institutional health service other than that allowed in G.S. 131E-176(16)b.

(2) The entity proposing to incur the capital expenditure provides prior written notice to the Department, which notice includes documentation that demonstrates that the proposed capital expenditure would be used for one or more of the following purposes:

  a. Conversion of semiprivate resident rooms to private rooms.

  b. Providing innovative, homelike residential dining spaces, such as cafes, kitchenettes, or private dining areas to accommodate residents and their families or visitors.

  c. Renovating, replacing, or expanding residential living or common areas to improve the quality of life of residents. (1983, c. 775, s. 1; 1987, c. 511, s. 1; 1991 (Reg. Sess., 1992), c. 1030, s. 37; 1993, c. 7, s. 7; 2001-424, s. 25.19(c); 2002-159, s. 41; 2009-145, s. 1; 2009-487, s. 3.)

Effect of Amendments. — Session Laws 2009-145, s. 1, effective June 19, 2009, added subsection (e).

Session Laws 2009-487, s. 3, effective August 26, 2009, substituted "one or more" for "only one" in the introductory language of subdivision (e)(2).

CASE NOTES

The legislature did not intend to impose unreasonable limitations on maintaining or expanding presently offered health services. Cape Fear Mem. Hosp. v. North Carolina Dep't of Human Resources, 121 N.C. App. 492, 466 S.E.2d 299 (1996).

No Exemption For Complete Replacement Hospital. — Hospital was not exempt under G.S. 131E-184 from the process of applying for a Certificate Of Need to build a complete replacement hospital in the place of an existing hospital which it proposed to acquire. G.S. 131E-184(a)(5) allowed the replacement of an entire facility, but then only to replace or repair facilities destroyed or damaged by accident or natural disaster. Good Hope Hosp., Inc. v. N.C. HHS, 175 N.C. App. 309, 623 S.E.2d 315, 2006 N.C. App. LEXIS 63 (2006), review denied, cert. denied, 360 N.C. 480, 632 S.E.2d 172 aff'd, 360 N.C. 641, 636 S.E.2d 564 (2006).

No Exemption for New Institutional Health Service. — Branch office proposed by a hospice was not located within the service area of the hospice; therefore, the proposed branch office was a new institutional health service for which the hospice had to obtain a certificate of need. Hospice at Greensboro, Inc. v. N.C. HHS Div. of Facility Servs., 185 N.C. App. 1, 647 S.E.2d 651, 2007 N.C. App. LEXIS 1714 (2007).

Exhaustion of Administrative Remedies. — Trial court did not err in dismissing appeal filed by hospital joint venture and a town in an action to permit the construction of a new hospital under the exemption provisions of G.S. 131E-184(a) where the hospital joint venture and the town failed to exhaust their administrative remedies by pursuing an administrative review hearing as provided by G.S. 131E-78(b)(1), the available administrative remedies were not inadequate to resolve the dispute, the plaintiffs failed to state an equal protection claim upon which relief could be granted in that they failed to allege the lack of a rational basis; and the complaint failed to meet the heightened standard required to overcome a regional hospital's Noerr immunity after it commented against the issuance of a certificate of need to the building of a new hospital. Good Hope Hosp., Inc. v. N.C. HHS, Div. of Facility Servs., 174 N.C. App. 266, 620 S.E.2d 873, 2005 N.C. App. LEXIS 2399 (2005).

Cited in Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

§ 131E-185. Review process.

(a) Repealed by Session Laws 1987, c. 511, s. 1.

(a1) Except as provided in subsection (c) of this section, there shall be a time limit of 90 days for review of the applications, beginning on the day established by rule as the day on which applications for the particular service in the service area shall begin review.

(1) Any person may file written comments and exhibits concerning a proposal under review with the Department, not later than 30 days after the date on which the application begins review. These written comments may include:

a. Facts relating to the service area proposed in the application;

b. Facts relating to the representations made by the applicant in its application, and its ability to perform or fulfill the representations made;

c. Discussion and argument regarding whether, in light of the material contained in the application and other relevant factual material, the application complies with relevant review criteria, plans, and standards.

(2) No more than 20 days from the conclusion of the written comment period, the Department shall ensure that a public hearing is conducted at a place within the appropriate service area if one or more of the following circumstances apply; the review to be conducted is competitive; the proponent proposes to spend five million dollars

($5,000,000) or more; a written request for a public hearing is received before the end of the written comment period from an affected party as defined in G.S. 131E-188(c); or the agency determines that a hearing is in the public interest. At such public hearing oral arguments may be made regarding the application or applications under review; and this public hearing shall include the following:

a. An opportunity for the proponent of each application under review to respond to the written comments submitted to the Department about its application;
b. An opportunity for any person, except one of the proponents, to comment on the applications under review;
c. An opportunity for a representative of the Department, or such other person or persons who are designated by the Department to conduct the hearing, to question each proponent of applications under review with regard to the contents of the application;

The Department shall maintain a recording of any required public hearing on an application until such time as the Department's final decision is issued, or until a final agency decision is issued pursuant to a contested case hearing, whichever is later; and any person may submit a written synopsis or verbatim statement that contains the oral presentation made at the hearing.

(3) The Department may contract or make arrangements with a person or persons located within each service area for the conduct of such public hearings as may be necessary. The Department shall publish, in each service area, notice of the contracts that it executes for the conduct of those hearings.

(4) Within 15 days from the beginning of the review of an application or applications proposing the same service within the same service area, the Department shall publish notice of the deadline for receipt of written comments, of the time and place scheduled for the public hearing regarding the application or applications under review, and of the name and address of the person or agency that will preside.

(5) The Department shall maintain all written comments submitted to it during the written comment stage and any written submissions received at the public hearing as part of the Department's file respecting each application or group of applications under review by it. The application, written comments, and public hearing comments, together with all documents that the Department used in arriving at its decision, from whatever source, and any documents that reflect or set out the Department's final analysis of the application or applications under review, shall constitute the Department's record for the application or applications under review.

(a2) When an expedited review has been approved by the Department, no public hearing shall be held. The Department may contact the applicant and request additional or clarifying information, amendments to, or substitutions for portions of the application. The Department may negotiate conditions to be imposed on the certificate of need with the applicant.

(b) Repealed by Session Laws 1991 (Reg. Sess., 1992), c. 900, s. 137(a).

(c) The Department may extend the review period for a period not to exceed 60 days and provide notice of such extension to all applicants. For expedited reviews, the Department may extend the review period only if it has requested additional substantive information from the applicant. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, ss. 9, 10; 1983, c. 775, s. 1; 1987, c. 511, s. 1; 1991, c. 692, s. 7; 1991 (Reg. Sess., 1992), c. 900, s. 137(a), (b); 1993, c. 7, s. 8; 2005-325, s. 4.)

Editor's Note. — Session Laws 2007-473, ss. 1, 2, effective August 29, 2007, and applicable to certificate of need applications for the relocation of adult care homes and adult care home beds or nursing homes and nursing home beds within the same county filed on or after the date of implementation of the expedited review process by the Department of Health and Human Services, Division of Health Service Regulation, provide:

"The Department of Health and Human Services, Division of Facility Services, shall develop an expedited certificate of need review process for a current holder of a certificate of need for an adult care home or a nursing home to relocate from one licensed facility or campus to another. This expedited certificate of need review process shall be available only to a facility that meets the following criteria:

"(1) The facility currently holds a certificate of need for an adult care home or nursing home.

"(2) The facility proposes to move from one licensed facility or campus to another licensed facility or campus.

"(3) Both the current and the proposed facilities or campuses are located within the same county.

"(4) The relocation of the adult care home or nursing home would not result in an increase in the total number of adult care home beds or nursing home beds for that facility or campus.

"The Department of Health and Human Services, Division of Health Service Regulation, shall implement the expedited certificate of need review process no later than October 1, 2007. The Department shall determine the minimum review criteria needed to determine the need for a relocation of a facility under the circumstances required under Section 1 of this act and report to the General Assembly on or before May 1, 2008."

CASE NOTES

Editor's Note. *— Most of the cases annotated below were decided prior to the 1992 amendment to this section, which repealed subsection (b) and amended subsection (c).*

Former subsection (b) of this section was construed in pari materia with G.S. 131E-186(a). HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Construed in pari materia, as they must be, this section and G.S. 131-186 must be read as providing that the Department shall exercise one of two options, within the review period, when dealing with an application for a certificate of need: (1) make a decision to deny or approve the application, or (2) reject the application. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

The limiting phrase "within the review period" in former subsection (b) of this section modified only the phrase "reject the application," and, therefore, the Department lost subject matter jurisdiction to reject an application when the review period ended. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

A time limit of 90 days was prescribed by statute for the Department's review of applications for certificates of need, running from the date upon which the assigned review period begins. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

An exception to the former 90-day time limit mandated by the foregoing provision was contained in subsection (c) of this section. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Failure of Department to Act on Application Within Review Period to Be Deemed Approval. — The provisions of Article 9 must be construed as expressing the legislature's intent that the Department be deemed as a matter of law to have rendered a decision to approve a certificate of need if the Department fails to act upon an application within the applicable review period. Thereafter, the Department retains subject matter jurisdiction only for the purpose of issuing the certificate of need, which it is deemed to have decided to approve. A contrary interpretation of the certificate of need law would leave the applicant with no effective remedy for the Department's failure to comply with the statute. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Time Limitation for Acting on Certificate of Need Is Jurisdictional. — Former statutory provisions clearly prescribed a mandatory maximum time limit of 150 days within which the Department must act on applications for certificates of need. To the extent it was applicable, this time limit was jurisdictional in nature. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Once the review period expired without action by the Department, it retained jurisdiction only for the purpose of issuing certificates of need. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Department of Human Resources is authorized to approve projects for fewer beds than are proposed by an applicant. The power to make such conditional approvals is discretionary, however, and not mandatory. Charter Pines Hosp. v. North Carolina Dep't of Human Resources, 83 N.C. App. 161, 349 S.E.2d 639 (1986), cert. denied, 319 N.C. 105, 353 S.E.2d 106 (1987), decided under former G.S. 131-182(b).

Comments Did Not Constitute Unauthorized Amendment. — Where information provided by a successful applicant for a certificate of need (CON) neither changed its application nor had any impact on the agency's determination that the application met the statutory criteria, its comments were not an unauthorized amendment to the application. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Conditioned Approval. — It was not erroneous for hearing officer to condition her approval of application for certificate of need upon information to be furnished later, rather than returning the case to analyst for further review, as this section authorizes the Department to issue the certificate of need with or without conditions. In re Conditional Approval of Certificate of Need Application of Health Care & Retirement Corp. of Am., 88 N.C. App. 563, 364 S.E.2d 150, cert. denied, 322 N.C. 480, 370 S.E.2d 220 (1988).

The North Carolina Department of Health and Human Services may find that an application for a Certificate of Need is consistent with the statutory criteria while imposing conditions upon it, especially where those conditions (the provision of documentation showing which financial backer would be responsible for the owner's equity portion of the capital expenses) were not essential to the application's approval. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Participation in Certificate of Need Application Process. — Branch office proposed by a hospice was not located within the service area of the hospice; therefore, a competing hospice provider that was already providing hospice services in the service area could participate in the certificate of need application process by filing written comments and exhibits concerning the proposal. Hospice at Greensboro, Inc. v. N.C. HHS Div. of Facility Servs., 185 N.C. App. 1, 647 S.E.2d 651, 2007 N.C. App. LEXIS 1714 (2007).

Department's disapproval of pending applications after the maximum 150-day review period expired was a nullity and of no legal consequence. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Sufficiency of the Evidence. — North Carolina Department of Health and Human Services did not err by denying a certificate of need (CON) application because, although there were arguments made at a public hearing in favor of the application, there was also evidence before the agency that many of those who spoke in favor of the proposed CON were unfamiliar with the relevant criteria, the CON application, or the CON review process. Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

Cited in State ex rel. Utils. Comm'n v. Empire Power Co., 112 N.C. App. 265, 435 S.E.2d 553 (1993); Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995); Commissioner of Labor v. House of Raeford Farms, Inc., 124 N.C. App. 349, 477 S.E.2d 230 (1996); Dialysis Care of N.C., LLC v. Department of Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000); Living Centers-Southeast, Inc. v. North Carolina Health & Human Servs., 138 N.C. App. 572, 532 S.E.2d 192, 2000 N.C. App. LEXIS 782 (2000); Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005).

§ 131E-186. Decision.

(a) Within the prescribed time limits in G.S. 131E-185, the Department shall issue a decision to "approve," "approve with conditions," or "deny," an application for a new institutional health service. Approvals involving new or expanded nursing care or intermediate care for the mentally retarded bed capacity shall include a condition that specifies the earliest possible date the new institutional health service may be certified for participation in the Medicaid program. The date shall be set far enough in advance to allow the Department to identify funds to pay for care in the new or expanded facility in its existing Medicaid budget or to include these funds in its State Medicaid budget request for the year in which Medicaid certification is expected.

(b) Within five business days after it makes a decision on an application, the Department shall provide written notice of all the findings and conclusions upon which it based its decision, including the criteria used by the Department in making its decision, to the applicant. (1977, 2nd Sess., c. 1182, s. 2; 1983, c. 775, s. 1; 1987, c. 511, s. 1; 1991 (Reg. Sess., 1992), c. 900, s. 137(c).)

CASE NOTES

Former G.S. 131E-185(b) was construed in pari materia with subsection (a) of this section. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Construed in pari materia, as they must be, G.S. 131E-185 and this section must be read as providing that the Department shall exercise one of two options, within the review period, when dealing with an application for a certificate of need: (1) make a decision to deny or approve the application, or (2) reject the application. HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990).

Notice of Findings and Conclusions. — Although the agency must review applications in accordance with statutory criteria and administrative rules adopted by the Department of Human Resources, subsection (b) requires the agency to provide notice of its findings and conclusions upon which it based its decision, but does not limit those findings to statutory criteria of rules. Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995).

Claim Under G.S. 75-1.1 Not Supported. — Under North Carolina's certificate of need law, an applicant seeking to develop a health service facility must meet certain criteria. Defendant, a member of the health care community, was requesting that plaintiff's application for a certificate of need be subjected to scrutiny before the organization which would run the chemical dependency treatment facility was admitted to the community. These actions do not give rise to a claim under G.S. 75-1.1. Moreover, G.S. 75-1.1(b) exempts professional services rendered by a member of a learned profession, and an existing institutional health service would be exempted as a professional health care provider. Abram v. Charter Medical Corp. of Raleigh, 100 N.C. App. 718, 398 S.E.2d 331 (1990), discretionary review denied, 328 N.C. 328, 402 S.E.2d 828 (1991).

Review of Criteria by Agency. — The certificate of need law does not contemplate that the agency will review any criteria competitively, and subsequently find one applicant nonconforming to a criterion simply because another applicant is found conforming, as the intent of the legislature is to have the agency first ensure that each application comports with the statutory and regulatory criteria. Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995).

Conditioned Approval. — The North Carolina Department of Health and Human Services may find that an application for a Certificate of Need is consistent with the statutory criteria while imposing conditions upon it, especially where those conditions (the provision of documentation showing which financial backer would be responsible for the owner's equity portion of the capital expenses) were not essential to the application's approval. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

The N.C. Department of Health and Human Services adhered to required procedures where it first analyzed each individual certificate of need application to determine the extent to which each application conformed to the statutory criteria, and then entered exhaustive findings with respect to the relative merits of the applications, comparing Medicaid access, costs for services, operating costs, types of services, staffing, and location before concluding that the successful application was comparatively superior. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Department Decision Reversed. — Final agency decision of the North Carolina Department of Health and Human Services (DHHS), which upheld two settlement agreements between the DHHS' Certificate of Need (CON) section and a group of medical centers and issued a CON to the group for a hospital project was reversed on appeal, because the DHHS failed to follow statutory procedure when it rejected an administrative law judge's recommendation to deny the CON applications of the group by erroneously considering new evidence, which it had no statutory authority to do. Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005).

Applied in Dialysis Care of N.C., LLC v. Department of Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000); Total Renal Care of N.C.

LLC v. N.C. HHS, — N.C. App. —, 673 S.E.2d 137, 2009 N.C. App. LEXIS 202 (2009).

Cited in In re Wake Kidney Clinic, 85 N.C. App. 639, 355 S.E.2d 788 (1987); Living Centers-Southeast, Inc. v. North Carolina Health & Human Servs., 138 N.C. App. 572, 532 S.E.2d 192, 2000 N.C. App. LEXIS 782 (2000).

§ 131E-187. (See Editor's Note.) Issuance of a certificate of need.

(a), (b) Repealed by Session Laws 2009-373, s. 1, effective July 31, 2009.

(c) The Department shall issue a certificate of need in accordance with the time line requirements of this section but only after all applicable conditions of approval that can be satisfied before issuance of the certificate of need have been met. The Department shall issue a certificate of need within:

(1) Thirty-five days of the date of the decision referenced in G.S. 131E-186, when no request for a contested case hearing has been filed in accordance with G.S. 131E-188.

(2) Five business days after it receives a file-stamped copy of the notice of voluntary dismissal, unless the voluntary dismissal is a stipulation of dismissal without prejudice.

(3) Thirty-five days of the date of the written notice of the final agency decision affirming or approving the issuance, unless a notice of appeal to the North Carolina Court of Appeals is timely filed.

(4) Twenty days after a mandate is issued by the North Carolina Court of Appeals affirming the issuance of a certificate of need, unless a notice of appeal or petition for discretionary review to the North Carolina Supreme Court is timely filed.

(5) Five business days after the North Carolina Supreme Court issues a mandate affirming the issuance of a certificate of need or an order declining to certify the case for discretionary review if the order declining to certify the case disposes of the appeal in its entirety. (1977, 2nd Sess., c. 1182, s. 2; 1983, c. 775, s. 1; 1987, c. 511, s. 1; 2009-373, s. 1.)

Editor's Note. — Session Laws 2009-373, s. 3.1, provides: "The Department of Health and Human Services shall not approve a certificate of need for a certificate of need application filed after the effective date of this act to develop a hospital-based, off-site emergency department unless the application is for a hospital-based, off-site emergency department that is proposed to be operated under the license of a hospital with licensed and operational acute care beds and to be located within the same county as that hospital."

Session Laws 2009-373, s. 3.2, provides: "The Department of Health and Human Services shall study whether a hospital-based, off-site emergency department should be required to be licensed as part of a general acute care hospital and to be located within the same county as that hospital. The Department shall report those findings to the Joint Legislative Health Care Oversight Committee by December 31, 2010."

Pursuant to Session Laws 2009-373, s. 4, sections 1 and 2 of the act "apply to all final agency decisions made on or after the effective date of the Act." Also, pursuant to s. 4, "Section 3.1 of this act does not apply to any pending certificate of need application for a hospital-based, off-site emergency department but does apply to any certificate of need application for a hospital-based, off-site emergency department submitted to the Department of Health and Human Services on or after the effective date of this act [July 31, 2009]. Section 3.1 of this act expires June 30, 2011."

Effect of Amendments. — Session Laws 2009-373, s. 1, effective July 31, 2009, and applicable to all final agency decisions made on or after that date, deleted subsections (a) and (b), and added subsection (c).

CASE NOTES

Conditioned Approval. — The North Carolina Department of Health and Human Services may find that an application for a Certificate of Need is consistent with the statutory criteria while imposing conditions upon it, especially where those conditions (the provision of documentation showing which financial backer would be responsible for the owner's equity portion of the capital expenses) were not essential to the application's approval. Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999).

Applied in Total Renal Care of N.C. LLC v. N.C. HHS, — N.C. App. —, 673 S.E.2d 137, 2009 N.C. App. LEXIS 202 (2009).

Cited in HCA Crossroads Residential Ctrs. Inc. v. North Carolina Dep't of Human Resources, 327 N.C. 573, 398 S.E.2d 466 (1990); Living Centers-Southeast, Inc. v. North Carolina Health & Human Servs., 138 N.C. App. 572, 532 S.E.2d 192, 2000 N.C. App. LEXIS 782 (2000); Dialysis Care of N.C., LLC v. Department of Health & Human Servs., 137 N.C. App. 638, 529 S.E.2d 257, 2000 N.C. App. LEXIS 491 (2000); Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005).

§ 131E-188. Administrative and judicial review.

(a) After a decision of the Department to issue, deny or withdraw a certificate of need or exemption or to issue a certificate of need pursuant to a settlement agreement with an applicant to the extent permitted by law, any affected person, as defined in subsection (c) of this section, shall be entitled to a contested case hearing under Article 3 of Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days after the Department makes its decision. When a petition is filed, the Department shall send notification of the petition to the proponent of each application that was reviewed with the application for a certificate of need that is the subject of the petition. Any affected person shall be entitled to intervene in a contested case.

A contested case shall be conducted in accordance with the following timetable:

(1) An administrative law judge or a hearing officer, as appropriate, shall be assigned within 15 days after a petition is filed.
(2) The parties shall complete discovery within 90 days after the assignment of the administrative law judge or hearing officer.
(3) The hearing at which sworn testimony is taken and evidence is presented shall be held within 45 days after the end of the discovery period.
(4) The administrative law judge or hearing officer shall make his recommended decision within 75 days after the hearing.
(5) The Department shall make its final decision within 30 days of receiving the official record of the case from the Office of Administrative Hearings.

The administrative law judge or hearing officer assigned to a case may extend the deadlines in subdivisions (2) through (4) so long as the administrative law judge or hearing officer makes his recommended decision in the case within 270 days after the petition is filed. The Department may extend the deadline in subdivision (5) for up to 30 days by giving all parties written notice of the extension.

(a1) On or before the date of filing a petition for a contested case hearing on the approval of an applicant for a certificate of need, the petitioner shall deposit a bond with the clerk of superior court where the new institutional health service that is the subject of the petition is proposed to be located. The bond shall be secured by cash or its equivalent in an amount equal to five percent (5%) of the cost of the proposed new institutional health service that is the subject of the petition, but may not be less than five thousand dollars ($5,000) and may not exceed fifty thousand dollars ($50,000). A petitioner who received approval for a certificate of need and is contesting only a condition in the certificate is not required to file a bond under this subsection.

The applicant who received approval for the new institutional health service that is the subject of the petition may bring an action against a bond filed under this subsection in the superior court of the county where the bond was filed. Upon finding that the petition for a contested case was frivolous or filed to delay the applicant, the court may award the applicant part or all of the bond filed under this subsection. At the conclusion of the contested case, if the court does not find that the petition for a contested case was frivolous or filed to delay the applicant, the petitioner shall be entitled to the return of the bond deposited with the superior court upon demonstrating to the clerk of superior court where the bond was filed that the contested case hearing is concluded.

(b) Any affected person who was a party in a contested case hearing shall be entitled to judicial review of all or any portion of any final decision of the Department in the following manner. The appeal shall be to the Court of Appeals as provided in G.S. 7A-29(a). The procedure for the appeal shall be as provided by the rules of appellate procedure. The appeal of the final decision of the Department shall be taken within 30 days of the receipt of the written notice of final decision, and notice of appeal shall be filed with the Division of Health Service Regulation, Department of Health and Human Services and served on all other affected persons who were parties to the contested hearing.

(b1) Before filing an appeal of a final decision by the Department granting a certificate of need, the affected person shall deposit a bond with the Clerk of the Court of Appeals.

(1) The bond shall be secured by cash or its equivalent in an amount equal to five percent (5%) of the cost of the proposed new institutional health service that is the subject of the appeal, but may not be less than five thousand dollars ($5,000) and may not exceed fifty thousand dollars ($50,000); provided that the applicant who received approval of the certificate of need may petition the Court of Appeals for a higher bond amount for the payment of such costs and damages as may be awarded pursuant to subdivision (2) of this subsection. This amount shall be determined by the Court in its discretion, not to exceed three hundred thousand dollars ($300,000). A holder of a certificate of need who is appealing only a condition in the certificate is not required to file a bond under this subsection.

(2) If the Court of Appeals finds that the appeal was frivolous or filed to delay the applicant, the court shall remand the case to the superior court of the county where a bond was filed for the contested case hearing on the certificate of need. The superior court may award the holder of the certificate of need part or all of the bond. The court shall award the holder of the certificate of need reasonable attorney fees and costs incurred in the appeal to the Court of Appeals. If the Court of Appeals does not find that the appeal was frivolous or filed to delay the applicant and does not remand the case to superior court for a possible award of all or part of the bond to the holder of the certificate of need, the person originally filing the bond shall be entitled to a return of the bond.

(c) The term “affected persons” includes: the applicant; any individual residing within the service area or the geographic area served or to be served by the applicant; any individual who regularly uses health service facilities within that geographic area or the service area; any person who provides services, similar to the services under review, to individuals residing within the service area or the geographic area proposed to be served by the applicant; any person who, prior to receipt by the agency of the proposal being reviewed, has provided written notice to the agency of an intention to provide similar services in the future to individuals residing within the service area or the geographic area to be served by the applicant; third party payers who reimburse health service facilities for services in the service area in which the project is proposed to be located; and any agency which establishes rates for health service facilities or HMOs located in the service area in which the project is proposed to be located. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 11; 1983, c. 775, s. 1; 1983 (Reg. Sess., 1984), c. 1000, s. 1; 1987, c. 511, s. 1; 1991, c. 692, s. 8; c. 701, s. 3; 1993, c. 7, s. 9; 1997-443, s. 11A.118(a); 2005-325, s. 5; 2007-182, s. 1; 2009-373, s. 2.)

Effect of Amendments. — Session Laws 2009-373, s. 2, effective July 31, 2009, and applicable to all final agency decisions made on or after that date, designated the former provisions of subsection (b1), as subsection (b1), and subdivisions (b1)(1) and (b1)(2); and, in subdivision (b1)(1), added the proviso at the end of the first sentence, and added the third sentence.

CASE NOTES

Editor's Note. — *Some of the cases annotated below were decided under the law in effect prior to Session Laws 1987, c. 511, which amended this section and repealed former G.S. 131E-191.*

Applicability of Section. — This section only applies to challenges relating to the issuance, denial or withdrawal of certificates of need. Gummels v. North Carolina Dep't of Human Resources, 97 N.C. App. 245, 388 S.E.2d 223, cert. denied, 97 N.C. App. 245, 393 S.E.2d 877 (1990).

G.S. 131E-188(a) provided that "any affected person" could contest a decision by the certificate of need section of the North Carolina DHHS, Division of Facility Services, to issue, deny, or withdraw a certificate of need or exemption, and any person who provided services, similar to the services under review, to individuals residing within the service area or the geographic area proposed to be served by the applicant, was an "affected party" under G.S. 131E-188(c). Hospice & Palliative Care Charlotte Region v. N.C. HHS, 185 N.C. App. 109, 648 S.E.2d 284, 2007 N.C. App. LEXIS 1675 (2007).

When a contested case under G.S. 131E-188 was filed seeking review of a decision that a health service did not require a certificate of need, there was no rule that the contested case was always moot when the challenged health service became "fully operational," because this would accelerate the unlawful development of new institutional health services, encouraging health service providers to make questionable projects "fully operational" before an "affected party" had time to contest the action. Hospice & Palliative Care Charlotte Region v. N.C. HHS, 185 N.C. App. 109, 648 S.E.2d 284, 2007 N.C. App. LEXIS 1675 (2007).

Mootness. — When a competitor filed a contested case under G.S. 131E-188 seeking review of a decision that a hospice did not require a certificate of need to open a branch office outside of the hospice's geographic area, the fact that the hospice obtained a license four days before the competitor filed the contested case did not render the contested case moot because, if a certificate of need was required for the hospice's branch office as alleged by the competitor in the constested case, the hospice's license could be revoked under G.S. 131E-190(e), so a resolution of the issue raised by the competitor would have a significant practical effect on the controversy, and the contested case was not moot. Hospice & Palliative Care Charlotte Region v. N.C. HHS, 185 N.C. App. 109, 648 S.E.2d 284, 2007 N.C. App. LEXIS 1675 (2007).

The right to administrative and judicial review of decisions regarding certificates of need is governed by this section. Iredell Mem. Hosp. v. North Carolina Dep't of Human Resources, 103 N.C. App. 637, 406 S.E.2d 304 (1991).

The language of subsection (a) leaves no room for judicial construction. The statute clearly contemplates that a petition for a contested case hearing must be filed — not mailed or served — with the Office of Administrative Hearings within the 30-day deadline. Gummels v. North Carolina Dep't of Human Resources, 98 N.C. App. 675, 392 S.E.2d 113 (1990).

Without the jurisdictional prerequisite of a contested case hearing, a petitioner cannot utilize subsection (b) to appeal to the Court of Appeals. Community Psychiatric Ctrs. v. North Carolina Dep't of Human Resources, 103 N.C. App. 514, 405 S.E.2d 769 (1991).

Full Contested Case Hearing Not Precluded by the Statute. — In a Certificate of Need (CON) case, the CON Statute does not preclude a full contested case hearing where an ALJ recommended a summary judgment in a decision based only on each applicant's conformity with the criteria in G.S. 131E-183. A full hearing protects the applicant's due process rights, allows the record to be fully developed, and encourages judicial economy. Living Centers-Southeast, Inc. v. North Carolina Health & Human Servs., 138 N.C. App. 572, 532 S.E.2d 192, 2000 N.C. App. LEXIS 782 (2000).

Time Limits Jurisdictional in Nature. — When a final agency decision was entered on the statutory deadline under G.S. 131E-188(a)(5), absent a decision that did not adopt the administrative law judge's (ALJ's) recommended decision, the ALJ's recommendation could have become de facto effective thereafter as the applicable time limits established in the North Carolina certificate of need law were jurisdictional in nature. Mission Hosps., Inc. v. N.C. HHS, 189 N.C. App. 263, 658 S.E.2d 277, 2008 N.C. App. LEXIS 548 (2008).

The result of a petitioner's ineffective attempts to file a petition for a contested case hearing was only a contested case. Community Psychiatric Ctrs. v. North Carolina Dep't of Human Resources, 103 N.C. App. 514, 405 S.E.2d 769 (1991).

Refusal to Amend Semiannual Dialysis Report. — Summary judgment for the N.C. Department of Health and Human Services, Division of Facility Services [now the Division of Health Service Regulation], and its Medical Facilities Planning Section was affirmed as a dialysis firm could not challenge the refusal by the Planning Section to amend a Semiannual Dialysis Report under the certificate of need (CON) statute since a CON had not been issued, denied, or withdrawn; the refusal to amend the SDR was beyond the terms and conditions for the waiver of sovereign immunity prescribed by the CON statute. Bio-Medical Applications of N.C., Inc. v. N.C. HHS, 179 N.C. App. 483, 634 S.E.2d 572, 2006 N.C. App. LEXIS 1979 (2006).

For the purposes of meeting the appeal requirements of subsection (b) of this section, appellant, proposed intervenor below, was not and could not be a party to the contested hearing at issue below until its motion to intervene was approved. Since the motion was not approved, appellant was not a party to the contested case and, therefore, did not meet the jurisdictional requirements of subsection (b) of this section. HCA Crossroads Residential Centers, Inc. v. North Carolina Dep't of Human Resources, 99 N.C. App. 193, 392 S.E.2d 398 (1990).

Under 1986 version of subsection (a), in effect at time of petitioner's request for a contested case hearing, the request was timely "filed" with the Division of Facility Services [now the Division of Health Service Regulation] where it was received within 30 days of the contested decision; the version of the subdivision in effect at that time read in pertinent part: ".... any affected person shall be entitled to a contested case hearing under Article 3 of Chapter 150A [now Chapter 150B] of the General Statutes, if the department receives a request therefor within 30 days after its decision." Under the current statutes, a request must be filed within 30 days, not just received. Huntington Manor v. North Carolina Dep't of Human Resources, 99 N.C. App. 52, 393 S.E.2d 104 (1990).

The exercise of the right to an evidentiary hearing under the contested case provision of subsection (a) does not commence a de novo proceeding by the administrative law judge (ALJ) intended to lead to a formulation of the final decision pursuant to G.S. 150B-23(a), the ALJ, in a contested case hearing under the certificate of need law and the Administrative Procedure Act, G.S. 150B-1 et seq., determines whether the petitioner has met its burden in showing that the agency substantially prejudiced petitioner's rights, and that the agency also acted outside its authority, acted erroneously, acted arbitrarily and capriciously, used improper procedure, or failed to act as required by law or rule, based on a hearing limited to the evidence that is presented or available to the agency during the review period. Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995).

To What Court Appeals May Be Taken. — Direct appeal to the Court of Appeals for review of certificate of need decisions is provided for in subsection (b) of this section. Iredell Mem. Hosp. v. North Carolina Dep't of Human Resources, 103 N.C. App. 637, 406 S.E.2d 304 (1991).

This section provides for an appeal directly to the Court of Appeals from an adverse decision after a contested case hearing, while all parties aggrieved by any other final agency decision are still required to appeal to the Wake County Superior Court pursuant to former G.S. 131E-191(b). Charlotte-Mecklenburg Hosp. Auth. v. North Carolina Dep't of Human Resources, 83 N.C. App. 122, 349 S.E.2d 291 (1986).

Under subsection (b) of this section, an actual "contested case hearing" is a jurisdictional prerequisite for a direct appeal to the Court of Appeals from a final agency decision, and parties aggrieved by any other final agency decision are required to appeal to the Wake County Superior Court pursuant to former G.S. 131E-191(b). Rowan Health Properties, Inc. v. North Carolina Dep't of Human Resources, 89 N.C. App. 285, 365 S.E.2d 635 (1988).

Following Department's initial assertion that applicant was not entitled to a hearing, applicant's sole avenue of relief lay in an appeal to Wake County Superior Court for a determination of its right to a contested case hearing, and the Department thus correctly dismissed its initial attempt to appeal directly to the Court of Appeals. The fact that the appeal came to the Court of Appeals as an appeal from the dismissal of a previous appeal did not alter the application of the rule that a contested case hearing must precede appeal to the Court of Appeals. Rowan Health Properties, Inc. v. North Carolina Dep't of Human Resources, 89

N.C. App. 285, 365 S.E.2d 635 (1988).

Where hospital did not perfect an appeal of the final agency decision of the Department of Human Resources (Agency) denying its request to build a new surgical facility, but rather, the hospital's appeal to the superior court only sought review of the Agency's refusal to issue a declaratory ruling in response to the hospital's request, and since this section provides that such appeals are to be filed in the Court of Appeals, not the superior court, the superior court had no jurisdiction to consider the final agency decision and that decision, not having been appealed, remained binding on the parties. Catawba Mem. Hosp. v. North Carolina Dep't of Human Resources, 112 N.C. App. 557, 436 S.E.2d 390 (1993), cert. granted, 336 N.C. 72, 445 S.E.2d 31 (1994).

North Carolina DHHS, Division of Facility Services, Certificate of Need Section's issuance of a No Review letter to a hospice that sought to open a branch office in another service area was the issuance of an exemption for purposes of G.S. 131E-188(a); accordingly, G.S. 131E-188(b) conferred jurisdiction on the court of Appeals of North Carolina to hear an appeal from a challenge to the letter. Hospice at Greensboro, Inc. v. N.C. HHS Div. of Facility Servs., 185 N.C. App. 1, 647 S.E.2d 651, 2007 N.C. App. LEXIS 1714 (2007).

When a competitor contested the issuance of a "no review" letter to a hospice, which allowed the hospice to establish a branch in the competitor's service area, and the North Carolina Department of Health and Human Services, Division of Facility Services, ordered the withdrawal of the "no review" letter, the Court of Appeals had jurisdiction, under G.S. 131E-188(b), to hear the hospice's appeal because a prior panel of the Court of Appeals held that the issuance of a "no review" letter was an "exemption" under G.S. 131E-188(a), and that holding was binding. Hospice & Palliative Care Charlotte Region v. N.C. Dep't of Health, 187 N.C. App. 148, 652 S.E.2d 348, 2007 N.C. App. LEXIS 2241 (2007).

Award of Certificate of Need Affirmed. — Decision of the North Carolina Department of Health and Human Services to award a certificate of need for new kidney dialysis machines to an applicant was affirmed as the agency's findings were supported by sufficient evidence, and it did not exceed its statutory authority in using enhanced competition and consumer choice as key factors in a comparative analysis. Total Renal Care of N.C., LLC v. N.C. HHS, 171 N.C. App. 734, 615 S.E.2d 81, 2005 N.C. App. LEXIS 1354 (2005).

In a hospital's contested case petition under G.S. 131E-188(a) to challenge the conditional approval of a certificate of need (CON) permitting a medical center to expand its emergency room facilities, the medical center was entitled to summary judgment because the hospital did not prove substantial prejudice from the CON under G.S. 150B-23(a); the hospital's claim of prejudice from challenges by the medical center to a facility it was building had been declared moot in another action, and judicial estoppel did not bar the medical center from claiming that the hospital was not substantially prejudiced because the other action was not related and did not stem from a common set of circumstances. Presbyterian Hosp. v. N.C. HHS, 177 N.C. App. 780, 630 S.E.2d 213, 2006 N.C. App. LEXIS 1184 (2006), appeal dismissed, cert. denied, 361 N.C. 221, 642 S.E.2d 446 (2007).

Res Judicata Effect. — In action to appeal Department of Human Resources's denial of hospital's building request, the final agency decision was a judicial decision which barred, as res judicata, plaintiff's complaint for declaratory judgment. Catawba Mem. Hosp. v. North Carolina Dep't of Human Resources, 112 N.C. App. 557, 436 S.E.2d 390 (1993), cert. granted, 336 N.C. 72, 445 S.E.2d 31 (1994).

Applied in Total Renal Care of N.C. LLC v. N.C. HHS, — N.C. App. —, 673 S.E.2d 137, 2009 N.C. App. LEXIS 202 (2009).

Cited in Hospital Group v. North Carolina Dep't of Human Resources, 67 N.C. App. 265, 332 S.E.2d 748 (1985); Humana Hosp. Corp. v. North Carolina Dep't of Human Resources, 81 N.C. App. 628, 345 S.E.2d 235 (1986); In re Wake Kidney Clinic, 85 N.C. App. 639, 355 S.E.2d 788 (1987); Lenoir Mem. Hosp. v. North Carolina Dep't of Human Resources, 98 N.C. App. 178, 390 S.E.2d 448 (1990); Britthaven, Inc. v. North Carolina Dep't of Human Resources, 118 N.C. App. 379, 455 S.E.2d 455 (1995); Burke Health Investors, L.L.C. v. North Carolina Dep't of Human Resources, 135 N.C. App. 568, 522 S.E.2d 96, 1999 N.C. App. LEXIS 1180 (1999); Mooresville Hosp. Mgmt. Assocs. v. N.C. HHS, Div. of Facility Servs., 169 N.C. App. 641, 611 S.E.2d 431, 2005 N.C. App. LEXIS 796 (2005).

§ 131E-189. Withdrawal of a certificate of need.

(a) The Department shall specify in each certificate of need the time the holder has to make the service or equipment available or to complete the project and the timetable to be followed. The timetable shall be the one proposed by the holder of the certificate of need unless the Department specifies a different timetable in its decision letter. The holder of the certificate shall submit such periodic reports on his progress in meeting the timetable as may be required by the Department. If no progress report is provided or, after reviewing the progress, the Department determines that the holder of the certificate is not meeting the timetable and the holder cannot demonstrate that it is making good faith efforts to meet the timetable, the Department may withdraw the certificate. If the Department determines that the holder of the certificate is making a good faith effort to meet the timetable, the Department may, at the request of the holder, extend the timetable for a specified period.

(b) The Department may withdraw any certificate of need, if the holder of the certificate fails to develop the service in a manner consistent with the representations made in the application or with any condition or conditions the Department placed on the certificate of need.

(c) The Department may immediately withdraw any certificate of need if the holder of the certificate, before completion of the project or operation of the facility, transfers ownership or control of the facility, the project, or the certificate of need. Any transfer after that time will be subject to the requirement that the service be provided consistent with the representations made in the application and any applicable conditions the Department placed on the certificate of need. Transfers resulting from death or personal illness or other good cause, as determined by the Department, shall not result in withdrawal if the Department receives prior written notice of the transfer and finds good cause. Transfers resulting from death shall not result in withdrawal. (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 12; 1983, c. 775, s. 1; 1987, c. 511, s. 1; 1993, c. 7, s. 10.)

CASE NOTES

Claim for Withdrawal of Certificate of Need Rendered Moot. — Appeal from the issuance of a certificate of need (CON) by the North Carolina Department of Health and Human Services (DHHS) was rendered moot because the kidney disease treatment center for which the CON application was made and the CON was issued was completed and became operational, and, pursuant to G.S. 131E-189, the DHHS was not authorized to withdraw a CON after the project or facility for which the CON was issued was completed or became operational. Total Renal Care of N.C. LLC v. N.C. HHS, — N.C. App. —, 673 S.E.2d 137, 2009 N.C. App. LEXIS 202 (2009).

Cited in Good Hope Health Sys., L.L.C. v. N.C. HHS, 189 N.C. App. 534, 659 S.E.2d 456, 2008 N.C. App. LEXIS 700 (2008).

§ 131E-190. Enforcement and sanctions.

(a) Only those new institutional health services which are found by the Department to be needed as provided in this Article and granted certificates of need shall be offered or developed within the State.

(b) No formal commitments made for financing, construction, or acquisition regarding the offering or development of a new institutional health service shall be made by any person unless a certificate of need for such service or activities has been granted.

(c) Repealed by Session Laws 1993, c. 7, s. 11.

(d) If any person proceeds to offer or develop a new institutional health service without having first obtained a certificate of need for such services, the penalty for such violation of this Article and rules hereunder may include the withholding of federal and State funds under Titles V, XVIII, and XIX of the Social Security Act for reimbursement of capital and operating expenses related to the provision of the new institutional health service.

(e) The Department may revoke or suspend the license of any person who proceeds to offer or develop a new institutional health service without having first obtained a certificate of need for such services.

(f) The Department may assess a civil penalty of not more than twenty thousand dollars ($20,000) against any person who knowingly offers or develops any new institutional health service within the meaning of this Article without a certificate of need issued under this Article and the rules pertaining thereto, or in violation of the terms or conditions of such a certificate, whenever it determines a violation has occurred and each time the service is provided in violation of this provision. In determining the amount of the penalty the Department shall consider the degree and extent of harm caused by the violation and the cost of rectifying the damage. A person who is assessed a penalty shall be notified of the penalty by registered or certified mail. The notice shall state the reasons for the penalty. If a person fails to pay a penalty, the Department shall refer the matter to the Attorney General for collection. For the purpose of this subsection, the word "person" shall not include an individual in his capacity as an officer, director, or employee of a person as otherwise defined in this Article.

The clear proceeds of penalties provided for in this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(g) No agency of the State or any of its political subdivisions may appropriate or grant funds or financially assist in any way a person, applicant, or facility which is or whose project is in violation of this Article.

(h) If any person proceeds to offer or develop a new institutional health service without having first obtained a certificate of need for such services, the Secretary of Health and Human Services or any person aggrieved, as defined by G.S. 150B-2(6), may bring a civil action for injunctive relief, temporary or permanent, against the person offering, developing or operating any new institutional health service. The action may be brought in the superior court of any county in which the health service facility is located or in the superior court of Wake County.

(i) If the Department determines that the recipient of a certificate of need, or its successor, is operating a service which materially differs from the representations made in its application for that certificate of need, the Department may bring an action in Wake County Superior Court or the superior court of any county in which the certificate of need is to be utilized for injunctive relief, temporary or permanent, requiring the recipient, or its successor, to materially comply with the representations in its application. The Department may also bring an action in Wake County Superior Court or the superior court of any county in which the certificate of need is to be utilized to enforce the provisions of this subsection and G.S. 131E-181(b) and the rules adopted in accordance with this subsection and G.S. 131E-181(b). (1977, 2nd Sess., c. 1182, s. 2; 1981, c. 651, s. 13; 1983, c. 775, s. 1; 1985 (Reg. Sess., 1986), c. 968, s. 2; 1987, c. 511, s. 1; 1991, c. 692, s. 9; 1993, c. 7, s. 11; 1997-443, s. 11A.118(a); 1998-215, s. 80.)

CASE NOTES

Mootness. — When a competitor filed a contested case under G.S. 131E-188 seeking review of a decision that a hospice did not require a certificate of need to open a branch office outside of the hospice's geographic area, the fact that the hospice obtained a license four days before the competitor filed the contested case did not render the contested case moot because, if a certificate of need was required for the hospice's branch office as alleged by the competitor in the contested case, the hospice's license could be revoked under G.S. 131E-190(e), so a resolution of the issue raised by the competitor would have a significant practical effect on the controversy, and the contested case was not moot. Hospice & Palliative Care Charlotte Region v. N.C. HHS, 185 N.C. App. 109, 648 S.E.2d 284, 2007 N.C. App. LEXIS 1675 (2007).

§ 131E-191: Repealed by Session Laws 1987, c. 511, s. 1.

§ 131E-191.1. Lobbyists prohibited from serving on the North Carolina State Health Coordinating Council.

No person registered as a lobbyist under Chapter 120C of the General Statutes shall be appointed to or serve on the North Carolina State Health Coordinating Council. No person previously registered as a lobbyist under Chapter 120C of the General Statutes shall be appointed to or serve on the North Carolina State Health Coordinating Council within 120 days after the expiration of the lobbyist's registration. (2009-477, s. 2.)

§ 131E-192: Reserved for future codification purposes.

Article 9A.

Certificate of Public Advantage.

§ 131E-192.1. Findings.

The General Assembly of North Carolina makes the following findings:

(1) That technological and scientific developments in hospital care have enhanced the prospects for further improvement in the quality of care provided by North Carolina hospitals to North Carolina citizens.

(2) That the cost of improved technology and improved scientific methods for the provision of hospital care contributes substantially to the increasing cost of hospital care. Cost increases make it increasingly difficult for hospitals in rural areas of North Carolina to offer care.

(3) That changes in federal and State regulations governing hospital operation and reimbursement have constrained the ability of hospitals to acquire and develop new and improved machinery and methods for the provision of hospital-related care.

(4) That cooperative agreements among hospitals and between hospitals and others for the provision of health care services may foster improvements in the quality of health care for North Carolina citizens, moderate increases in cost, improve access to needed services in rural areas of North Carolina, and enhance the likelihood that smaller hospitals in North Carolina will remain open in beneficial service to their communities.

(5) That hospitals are often in the best position to identify and structure cooperative arrangements that enhance quality of care, improve access, and achieve cost-efficiency in the provision of care.

(6) That federal and State antitrust laws may prohibit or discourage cooperative arrangements that are beneficial to North Carolina citizens despite their potential for or actual reduction in competition and that such agreements should be permitted and encouraged.

(7) That competition as currently mandated by federal and State antitrust laws should be supplanted by a regulatory program to permit and encourage cooperative agreements between hospitals, or between hospitals and others, that are beneficial to North Carolina citizens

when the benefits of cooperative agreements outweigh their disadvantages caused by their potential or actual adverse effects on competition.

(8) That regulatory as well as judicial oversight of cooperative agreements should be provided to ensure that the benefits of cooperative agreements permitted and encouraged in North Carolina outweigh any disadvantages attributable to any reduction in competition likely to result from the agreements. (1993, c. 529, s. 5.2.)

§ 131E-192.2. Definitions.

The following definitions apply in this Article:

(1) "Attorney General" means the Attorney General of the State of North Carolina or any attorney on his or her staff to whom the Attorney General delegates authority and responsibility to act pursuant to this Article.

(2) "Cooperative agreement" means an agreement among two or more hospitals, between a hospital and any other person, or between a person who controls a hospital and another hospital or person who controls a hospital for any of the following:

a. The sharing, allocation, or referral of patients, personnel, instructional programs, support services and facilities, or medical, diagnostic, or laboratory facilities or equipment, or procedures or other services traditionally offered by hospitals.

b. A purchase of assets pursuant to a merger or sale, a partnership, a joint venture, or any other affiliation by which ownership or control over all or substantially all of the stock, assets, or activities of one or more hospitals or persons who control hospitals are transferred to another hospital or person who controls a hospital.

"Cooperative agreement" shall not include any agreement that would permit self-referrals of patients by a health care provider that is otherwise prohibited by law.

(3) "Department" means the Department of Health and Human Services.

(4) "Federal or State antitrust laws" means any and all federal or State laws prohibiting monopolies or agreements in restraint of trade, including the federal Sherman Act, Clayton Act, Federal Trade Commission Act, and North Carolina laws codified in Chapter 75 of the General Statutes that prohibit restraints on competition.

(5) "Hospital" means any hospital required to be licensed under Chapters 131E or 122C of the General Statutes.

(6) "Person" means any individual, firm, partnership, corporation, association, public or private institution, political subdivision, or government agency. (1993, c. 529, s. 5.2; 1995, c. 205, s. 1; 1997-443, s. 11A.118(a).)

Editor's Note. — The definitions in this section were placed in alphabetical order at the direction of the Revisor of Statutes.

§ 131E-192.3. Certificate of public advantage; application.

(a) A hospital and any person who is a party to a cooperative agreement with a hospital may negotiate, enter into, and conduct business pursuant to a cooperative agreement without being subject to damages, liability, or scrutiny under any State antitrust law if a certificate of public advantage is issued for the cooperative agreement, or in the case of activities to negotiate or enter into a cooperative agreement, if an application for a certificate of public advantage is filed in good faith. It is the intention of the General Assembly that immunity from federal antitrust laws shall also be conferred by this statute and the State regulatory program that it establishes.

(b) Parties to a cooperative agreement may apply to the Department for a certificate of public advantage governing that cooperative agreement. The application must include an executed written copy of the cooperative agreement or letter of intent with respect to the agreement, a description of the nature and scope of the activities and cooperation in the agreement, any consideration passing to any party under the agreement, and any additional materials necessary to fully explain the agreement and its likely effects. A copy of the application and all additional related materials shall be submitted to the Attorney General at the same time the application is submitted to the Department. (1993, c. 529, s. 5.2.)

§ 131E-192.4. Procedure for review; standards for review.

(a) The Department shall review an application in accordance with the standards set forth in subsection (b) of this section and shall hold a public hearing with the opportunity for the submission of oral and written public comments in accordance with rules adopted by the Department. The Department shall determine whether the application should be granted or denied within 90 days of the date the application is filed. The Department may extend the review period for a specified period of time upon notice to the parties.

(b) The Department shall determine that a certificate of public advantage should be issued for a cooperative agreement if it determines that an applicant has demonstrated by clear and convincing evidence that the benefits likely to result from the agreement outweigh the disadvantages likely to result from a reduction in competition from the agreement.

(1) In evaluating the potential benefits of a cooperative agreement, the Department shall consider whether one or more of the following benefits may result from the cooperative agreement:
  a. Enhancement of the quality of hospital and hospital-related care provided to North Carolina citizens.
  b. Preservation of hospital facilities in geographical proximity to the communities traditionally served by those facilities.
  c. Lower costs of, or gains in, the efficiency of delivering hospital services.
  d. Improvements in the utilization of hospital resources and equipment.
  e. Avoidance of duplication of hospital resources.
  f. The extent to which medically underserved populations are expected to utilize the proposed services.

(2) In evaluating the potential disadvantages of a cooperative agreement, the Department shall consider whether one or more of the following disadvantages may result from the cooperative agreements:
  a. The extent to which the agreement may increase the costs or prices of health care at a hospital which is party to the cooperative agreement.
  b. The extent to which the agreement may have an adverse impact on patients in the quality, availability, and price of health care services.
  c. The extent to which the agreement may reduce competition among the parties to the agreement and the likely effects thereof.
  d. The extent to which the agreement may have an adverse impact on the ability of health maintenance organizations, preferred pro-

vider organizations, managed health care service agents, or other health care payors to negotiate optimal payment and service arrangements with hospitals, physicians, allied health care professionals, or other health care providers.

e. The extent to which the agreement may result in a reduction in competition among physicians, allied health professionals, other health care providers, or other persons furnishing goods or services to, or in competition with, hospitals.

f. The availability of arrangements that are less restrictive to competition and achieve the same benefits or a more favorable balance of benefits over disadvantages attributable to any reduction in competition.

(3) In making its determination, the Department may consider other benefits or disadvantages that may be identified. (1993, c. 529, s. 5.2; 1997-456, s. 27.)

Editor's Note. — The subsections and subdivisions in this section were redesignated pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

§ 131E-192.5. Issuance of a certificate.

If the Department determines that the likely benefits of a cooperative agreement outweigh the likely disadvantages attributable to reduction of competition as a result of the agreement by clear and convincing evidence, and the Attorney General has not stated any objection to issuance of a certificate during the review period, the Department shall issue a certificate of public advantage for the cooperative agreement at the conclusion of the review period. The certificate shall include any conditions of operation under the agreement that the Department, in consultation with the Attorney General, determines to be appropriate in order to ensure that the cooperative agreement and the activities engaged under it are consistent with this Article and its purpose to limit health care costs. The Department shall include conditions to control prices of health care services provided under the cooperative agreement. Consideration shall be given to assure that access to health care is provided to all areas of the State. The Department shall publish its decisions on applications for certificates of public advantage in the North Carolina Register. (1993, c. 529, s. 5.2.)

§ 131E-192.6. Objection by Attorney General.

If the Attorney General is not persuaded that an applicant has demonstrated by clear and convincing evidence that the benefits likely to result from the agreement outweigh the likely disadvantages of any reduction of competition to result from the agreement as set forth in G.S. 131E-192.4, the Attorney General may, within the review period, state an objection to the issuance of a certificate of public advantage and may extend the review period for a specified period of time. Notice of the objection and any extension of the review period shall be provided in writing to the applicant, together with a general explanation of the concerns of the Attorney General. The parties may attempt to reach an agreement with the Attorney General on modifications to the agreement or to conditions in the certificate so that the Attorney General no longer objects to issuance of a certificate. If the Attorney General withdraws the objection and the Department maintains its determination that a certificate should be issued, the Department shall issue a certificate of public advantage with any appropriate conditions as soon as practicable following the withdrawal of the objection. If the Attorney General does not withdraw the objection, a certificate shall not be issued. (1993, c. 529, s. 5.2.)

§ 131E-192.7. Record keeping.

The Department shall maintain on file all cooperative agreements for which certificates of public advantage are in effect and a copy of the certificate, including any conditions imposed in it. Any party to a cooperative agreement who terminates an agreement shall file a notice of termination with the Department within 30 days after termination. These files shall be public records as set forth in Chapter 132 of the General Statutes. (1993, c. 529, s. 5.2.)

§ 131E-192.8. Review after issuance of certificate.

If at any time following the issuance of a certificate of public advantage, the Department or the Attorney General has questions concerning whether the parties to the cooperative agreement have complied with any condition of the certificate or whether the benefits or likely benefits resulting from a cooperative agreement may no longer outweigh the disadvantages or likely disadvantages attributable to a reduction in competition resulting from the agreement, the Department or the Attorney General shall advise the parties to the agreement, and either the Department or the Attorney General shall request any information necessary to complete a review of the matter. (1993, c. 529, s. 5.2.)

§ 131E-192.9. Periodic reports.

(a) During the time that a certificate is in effect, a report of activities pursuant to the cooperative agreement must be filed every two years with the Department on or before the anniversary date on which the certificate was issued. A copy of the periodic report shall be submitted to the Attorney General at the same time that it is filed with the Department. A report shall include all of the following:

(1) A description of the activities conducted pursuant to the agreement.
(2) Price and cost information.
(3) The nature and scope of the activities pursuant to the agreement anticipated for the next two years, the likely effect of those activities.
(4) A signed certificate by each party to the agreement that the benefits or likely benefits of the cooperative agreement as conditioned continue to outweigh the disadvantages or likely disadvantages of any reduction in competition from the agreement as conditioned.
(5) Any additional information requested by the Department or the Attorney General.

The Department shall give public notice in the North Carolina Register that a report has been received. After notice is given, the public shall have 30 days to file written comments on the report and on the benefits and disadvantages of continuing the certificate of public advantage. Periodic reports, public comments, and information submitted in response to a request shall be public records as set forth in Chapter 132 of the General Statutes.

(b) Failure to file a periodic report required by this section after notice of default or failure to provide information requested pursuant to a review under G.S. 131E-192.8 is grounds for the revocation of the certificate by the Attorney General or the Department.

(c) The Department shall review each periodic report, public comments, and information submitted in response to a request under G.S. 131E-192.8 to determine whether the advantages or likely advantages of the cooperative agreement continue to outweigh the disadvantages or likely disadvantages of any reduction in competition from the agreement, and to determine what, if any, changes in the conditions of the certificate should be made. In the review the Department shall consider the benefits and disadvantages set forth in G.S. 131E-192.4. Within 60 days of the filing of a periodic report, the Department shall determine whether the certificate should remain in effect and whether any changes to the conditions in the certificate should be made. The Department may extend the review period an additional 30 days. If either the Department or the Attorney General determines that the parties to a cooperative agreement have not complied with any condition of the certificate, the Department or the Attorney General shall revoke the certificate and the parties shall be notified. If the certificate is revoked, the parties shall be entitled to no benefits under this Article, beginning on the date of revocation. If the Department determines that the certificate should remain in effect and the Attorney General has not stated any objection to the certificate remaining in effect during the review period, the certificate shall remain in effect subject to any changes in the conditions of the certificate imposed by the Department. The parties shall be notified in writing of the Department's decision and of any changes in the conditions of the certificate. The Department shall publish its decision and any changes in the conditions in the North Carolina Register.

If the Department determines that the benefits or likely benefits of the agreement and the unavoidable costs of terminating the agreement do not continue to outweigh the disadvantages or likely disadvantages of any reduction in competition from the agreement, or if the Attorney General objects to the certificate remaining in effect based upon a review of the benefits and disadvantages set forth in G.S. 131E-192.4, the Department shall notify the parties to the agreement in writing of its determination or the objections of the Attorney General and shall provide a summary of any concerns of the Department or Attorney General to the parties. (1993, c. 529, s. 5.2.)

§ 131E-192.10. Right to judicial action.

(a) Any applicant or other person aggrieved by a decision to issue or not issue a certificate of public advantage is entitled to judicial review of the action or inaction in superior court. Suit for judicial review under this subsection shall be filed within 30 days of public notice of the decision to issue or deny issuance of the certificate. To prevail in any action for judicial review brought under this subsection, the plaintiff or petitioner must establish that the determination by the Department or the Attorney General was arbitrary or capricious.

(b) Any party or other person aggrieved by a decision to allow a certificate to remain in effect or to make changes in the conditions of a certificate is entitled to judicial review of the decision in superior court. Suit for judicial review under this subsection shall be filed within 30 days of public notice of the decision to allow the certificate to remain in effect or to make changes in the conditions of the certificate. To prevail in any action for judicial review brought under this subsection, the plaintiff or petitioner must establish that the determination by the Department or the Attorney General was arbitrary or capricious.

(c) If the Department or the Attorney General determines that the certificate should not remain in effect, the Attorney General may bring suit in the Superior Court of Wake County on behalf of the Department, or on its own behalf, to seek an order to authorize the cancellation of the certificate. To prevail in the action, the Attorney General must establish that the benefits resulting from the agreement are outweighed by the disadvantages attributable to a reduction in competition resulting from the agreement.

(d) In any action instituted under this section, the work product of the Department, the Attorney General or his staff, is not a public record under Chapter 132, and shall not be discoverable or admissable, nor shall the Attorney General or any member of his staff be compelled to be a witness, whether in discovery or at any hearing or trial. (1993, c. 529, s. 5.2.)

§ 131E-192.11. Fees for applications and periodic reports.

(a) The Department and the Attorney General shall establish a schedule of fees for filing an application for a certificate of public advantage and for filing a periodic report based on the total cost of the project for which the application or periodic report is made. The fee for filing an application may not exceed fifteen thousand dollars ($15,000). The fee for filing a periodic report may not exceed two thousand five hundred dollars ($2,500). The fee schedule established should generate sufficient revenue to offset the costs of the program. An application filing fee must be paid to the Department at the time an application for a certificate of public advantage is submitted to it pursuant to G.S. 131E-192.3. A periodic report filing fee must be paid to the Department at the time a periodic report is submitted to it pursuant to G.S. 131E-192.9.

(b) If the Department or the Attorney General determines that consultants are needed to complete a review of an application, an additional application fee may be established by prior agreement with the applicants before the application is considered. The amount of the additional fee may not exceed the costs of contracting with the necessary consultants. The additional fee shall not be considered in determining whether an application fee exceeds the maximum application fee amount set in subsection (a) of this section. (1993, c. 529, s. 5.2; 1995, c. 205, s. 2.)

§ 131E-192.12. Department and Attorney General authority.

The Department and Attorney General shall have the necessary powers to adopt rules to conduct a review of applications for certificates of public advantage and of periodic reports filed in connection therewith and to bring actions in the Superior Court of Wake County as required under G.S. 131E-192.10. This Article shall not limit the authority of the Attorney General under federal or State antitrust laws. (1993, c. 529, s. 5.2.)

§ 131E-192.13. Effects of certificate of public advantage; other laws.

(a) Activities conducted pursuant to a cooperative agreement for which a certificate of public advantage has been issued are immunized from challenge or scrutiny under State antitrust laws. In addition, conduct in negotiating and entering into a cooperative agreement for which an application for a certificate of public advantage is filed in good faith shall be immune from challenge or scrutiny under State antitrust laws, regardless of whether a certificate is issued. It is the intention of the General Assembly that this Article shall also immunize covered activities from challenge or scrutiny under federal antitrust law.

(b) Nothing in this Article shall exempt hospitals or other health care providers from compliance with State or federal laws governing certificate of need, licensure, or other regulatory requirements.

(c) Any dispute among the parties to a cooperative agreement concerning its meaning or terms is governed by normal principles of contract law. (1993, c. 529, s. 5.2.)

§§ 131E-193 through 131E-199: Reserved for future codification purposes.

Article 10.

Hospice Licensure Act.

§ 131E-200. Title; purpose.

This Article shall be known as the "Hospice Licensure Act." The purpose of this Article is to establish licensing requirements for hospices. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1987, c. 34.)

§ 131E-201. Definitions.

As used in this Article, unless a different meaning or construction is clearly required by the context:

(1) "Commission" means the North Carolina Medical Care Commission.

(2) "Department" means the Department of Health and Human Services.

(3) "Hospice" means any coordinated program of home care with provision for inpatient care for terminally ill patients and their families. This care is provided by a medically directed interdisciplinary team, directly or through an agreement under the direction of an identifiable hospice administration. A hospice program of care provides palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual, and special needs of patients and their families, which are experienced during the final stages of terminal illness and during dying and bereavement.

(3a) "Hospice inpatient facility" means a freestanding licensed hospice facility or a designated inpatient unit in an existing health service facility which provides palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual, and special needs of terminally ill patients and their families in an inpatient setting.

(4) "Hospice patient" means a patient diagnosed as terminally ill by a physician licensed to practice medicine in North Carolina, who the physician anticipates to have a life expectancy of weeks or months, generally not to exceed six months, and who alone, or in conjunction with designated family members, has voluntarily requested and been accepted into a licensed hospice program.

(5) "Hospice patient's family" means the hospice patient's immediate kin, including a spouse, brother, sister, child, or parent. Other relations and individuals with significant personal ties to the hospice patient may be designated as members of the hospice patient's family by mutual agreement among the hospice patient, the relation or individual and the hospice team.

(5a) "Hospice residential care facility" means a freestanding licensed hospice facility which provides palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual, and special needs of terminally ill patients and their families in a group residential setting.

(5b) "Hospice services" means the provision of palliative and supportive medical and other health services to meet the physical, psychological, social, spiritual, and special needs of patients and their families, which are experienced during the final stages of terminal illness and during dying and bereavement.

(6) "Hospice team" or "Interdisciplinary team" means the following hospice personnel: physician licensed to practice medicine in North Carolina; nurse holding a valid, current license as required by North Carolina law; social worker; clergy member; and trained hospice volunteer. Other health care practitioners may be included on the team as the needs of the patient dictate or at the request of the physician. Other providers of special services may also be included as the needs of the patient dictate.

(7) "Identifiable hospice administration" means an administrative group, individual, or legal entity that has an identifiable organizational structure, accountable to a governing board directly or through a chief executive officer. This administration shall be responsible for the management of all aspects of the program.

(8) "Palliative care" means treatment directed at controlling pain, relieving other symptoms, and focusing on the special needs of the patient and family as they experience the stress of the dying process, rather than the treatment aimed at investigation and intervention for the purpose of cure or prolongation of life. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1993, c. 376, s. 5; 1997-443, s. 11A.118(a).)

§ 131E-202. Licensing.

(a) The Commission shall adopt rules for the licensing and regulation of hospices, hospice inpatient facilities, and hospice residential care facilities pursuant to this Article for the purpose of providing care, treatment, health, safety, welfare, and comfort of hospice patients. These rules shall include, but not be limited to:

(1) The qualifications and supervision of licensed and nonlicensed personnel;

(2) The provision and coordination of home and inpatient care, including the development of a written care plan;

(3) The management, operation, staffing, and equipping of the hospice program;

(4) Clinical and business records kept by the hospice, hospice inpatient care facility, and hospice residential care facility; and

(5) Procedures for the review of utilization and quality of care.

(b) The Department shall provide applications for hospice licensure. Each application filed with the Department shall contain all information requested therein. A license shall be granted to the applicant upon determination by the Department that the applicant has complied with the provisions of this Article and with the rules adopted by the Commission thereunder. Each license shall be issued only for the premises and persons named therein, shall not be transferable or assignable except with the written approval of the Department, and shall be posted in a conspicuous place on the licensed premises. The Department shall charge the applicant a nonrefundable annual license fee in the amount of four hundred dollars ($400.00).

(c) The Department shall renew the license in accordance with this Article and with rules adopted thereunder. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1993, c. 376, s. 6; 2009-451, s. 10.76(h).)

Editor's Note. — Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.5 is a severability clause.

Effect of Amendments. — Session Laws 2009-451, s. 10.76(h), effective August 14, 2009, added the last sentence of subsection (b).

§ 131E-203. Coverage.

(a) Except as provided in subsection (b) of this section, no person or other entity shall operate or represent himself or itself to the public as operating a hospice, a hospice inpatient facility, or a hospice residential care facility, or offer or represent himself or itself to the public as offering hospice services without obtaining a license from the Department pursuant to this Article.

(b) Hospices administered by local health departments established under Article 2 of Chapter 130A of the General Statutes shall not be required to be licensed under this Article. Additionally, health care facilities and agencies licensed under Article 5 or 6 of Chapter 131E of the General Statutes shall not be required to be separately licensed under this Article. However, any facility or agency exempted from licensure under this subsection which operates a hospice, a hospice inpatient facility, or a hospice residential care facility, or offers hospice services shall be subject to rules adopted pursuant to this Article.

(c) Hospice care shall be available 24 hours a day, seven days a week. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1993, c. 376, s. 7.)

§ 131E-204. Inspections.

The Department shall inspect all hospices that are subject to rules adopted pursuant to this Article in order to determine compliance with the provisions of this Article and with rules adopted thereunder. Inspections shall be conducted in accordance with rules adopted by the Commission. (1983 (Reg. Sess., 1984), c. 1022, s. 1.)

§ 131E-205. Adverse action on a license; appeal procedures.

(a) The Department may suspend, revoke, cancel, or amend a license when there has been a substantial failure to comply with this Article or with rules and regulations adopted thereunder.

(b) Chapter 150B of the General Statutes, the Administrative Procedure Act, shall govern all administrative action pursuant to subsection (a) and all judicial review arising therefrom. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1987, c. 827, s. 1.)

§ 131E-206. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Department may maintain an action in the name of the State for injunctive relief or other process against any person to restrain or prevent the establishment, conduct, management, or operation of a hospice without a license.

(b) Notwithstanding the provisions of G.S. 131E-203(b) or the existence of any other remedy, the Department may maintain an action in the name of the State for injunctive relief or other process against any person to restrain or prevent substantial noncompliance with this Article or the rules adopted thereunder.

(c) If any person shall hinder the proper performance of duty of the Department in carrying out the provisions of this Article, the Department may institute an action in the superior court of the county in which the hindrance occurred for injunctive relief against the continued hindrance. (1983 (Reg. Sess., 1984), c. 1022, s. 1.)

§ 131E-207. Confidentiality.

(a) Notwithstanding G.S. 8-53 or any other law relating to confidentiality of communications between physician and patient, in the course of an inspection conducted under G.S. 131E-204:

(1) Department representatives may review any writing or other record concerning the admission, discharge, medication, treatment, medical condition, or history of any person who is or has been a hospice patient; and

(2) Any person involved in treating a patient at or through a hospice may disclose information to a Department representative unless the patient objects in writing to review of his records or disclosure of the information. A hospice shall not release any information or allow any inspections under this section without first informing each affected patient in writing of his right to object to and thereby prohibit release of information or review of records pertaining to him.

A hospice, its employees and any other person interviewed in the course of an inspection shall be immune from liability for damages resulting from disclosure of any information to the Department.

(b) The Department shall not disclose:

(1) Any confidential or privileged information obtained under this section unless the patient or his legal representative authorizes disclosure in writing or unless a court of competent jurisdiction orders disclosure; or

(2) The name of anyone who has furnished information concerning a hospice without that person's consent.

The Department shall institute appropriate policies and procedures to ensure that unauthorized disclosure does not occur. Any Department employee who willfully discloses this information without appropriate authorization or court order shall be guilty of a Class 3 misdemeanor and upon conviction only fined at the discretion of the court but not to exceed five hundred dollars ($500.00).

(c) All confidential or privileged information obtained under this section and the names of persons providing this information shall be exempt from Chapter 132 of the General Statutes. (1983 (Reg. Sess., 1984), c. 1022, s. 1; 1993, c. 539, s. 965; 1994, Ex. Sess., c. 24, s. 14(c).)

§§ 131E-208, 131E-209: Reserved for future codification purposes.

ARTICLE 11.

North Carolina Medical Database Commission.

§§ 131E-210 through 131E-213: Repealed by Session Laws 1995, c. 517, s. 39, effective October 1, 1995.

ARTICLE 11A.

Medical Care Data.

§ 131E-214. Title and purpose.

(a) This Article is the Medical Care Data Act.

(b) The General Assembly finds that, as a result of rising medical care costs and the concern expressed by medical care providers, medical care consumers, third-party payors, and health care planners involved with planning for the provision of medical care, there is an urgent and continuing need to understand patterns and trends in the use and cost of medical care services in this State. The purposes of this Article are as follows:

(1) To ensure that there is an information base containing medical care data from throughout the State that can be used to improve the appropriate and efficient use of medical care services and maintain an acceptable quality of health care services in this State.

(2) To ensure that the necessary medical care data is available to university researchers, State public policymakers, and all other interested persons to improve the decision-making process regarding access, identified needs, patterns of medical care, charges, and use of appropriate medical care services.

(3) To ensure that a data processor receiving data under this Article protects patient confidentiality.

These purposes are to be accomplished by requiring that all hospitals and freestanding ambulatory surgical facilities submit information necessary for a review and comparison of charges, utilization patterns, and quality of medical services to a data processor that maintains a statewide database of medical care data and that makes medical care data available to interested persons, including medical care providers, third-party payors, medical care consumers, and health care planners. (1995, c. 517, s. 39(b).)

Advisory Commission on Hospital Infection Control and Disclosure. — Session Laws 2007-480, provides in its preamble: "Whereas, the Centers for Disease Control and Prevention (CDC) reports that approximately 2,000,000 people annually become ill from hospital-acquired infections, called nosocomial infections, and about 90,000 people die each year from hospital-acquired infections; and

"Whereas, the CDC reports that hospital-acquired infections add at least $5,000,000,000 annually to the nation's health care bill; and

"Whereas, a Pennsylvania report on hospital-acquired infections found that 76% of the cost for treating infections in that state was billed to public health insurance; and

"Whereas, the CDC reports that despite the risks associated with nosocomial infections, information on nosocomial infection rates is hard to obtain, even though basic data is compiled as hospitals monitor infections, particularly in intensive care units and following surgery; and

"Whereas, the CDC estimates, based on voluntary reporting, that hospital-acquired infections have become America's leading cause of death from infectious disease; and

"Whereas, it is the intent of the General Assembly to enact a law requiring public disclosure of hospital-acquired infection incidence rates to become effective in 2010; Now, therefore, The General Assembly of North Carolina enacts:"

Session Laws 2007-480, s. 1, provides: "(a) There is established the Advisory Commission on Hospital Infection Control and Disclosure (Advisory Commission). The purpose of the Advisory Commission is to prepare State agencies, hospitals, and the public for the reporting and public disclosure of hospital-acquired infection incidence rates as may be required by law for specific clinical procedures under the following categories:

"(1) Class I surgical site infections.

"(2) Ventilator-associated pneumonia.

"(3) Central line-related bloodstream infections.

"(b) The Advisory Commission shall consist of 13 members appointed as follows:

"(1) Four shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives, as follows:

"a. One member who is a hospital infection control professional, as recommended by the North Carolina Hospital Association;

"b. One physician who is a member of the Society for Health Care Epidemiology, as recommended by the Society for Health Care Epidemiology;

"c. The Director of the Statewide Program for Infection Control and Epidemiology at the School of Medicine of the University of North Carolina at Chapel Hill; and

"d. One who is a member of the general public but who is neither a health care professional nor affiliated with a health care facility.

"(2) Four shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate, as follows:

"a. One physician who is a member of the Society for Health Care Epidemiology, as recommended by the Society for Health Care Epidemiology;

"b. One member who is a hospital infection control professional, as recommended by the North Carolina Hospital Association;

"c. The Director of the Duke Inspection Control Network, or the Director's designee; and

"d. One who is a member of the general public but who is neither a health care professional nor affiliated with a health care facility.

"(3) Five shall be appointed by the Governor, as follows:

"a. A representative of the North Carolina Institute of Medicine, as recommended by the North Carolina Institute of Medicine;

"b. The Director of the NC Center for Hospital Quality and Patient Safety;

"c. The Director of the Consumer Protection Division of the Office of the NC Attorney General;

"d. The State Health Director; and

"e. The State Epidemiologist.

"The Governor shall appoint the Chair of the Advisory Committee.

"(c) Subject to the approval of the Legislative Services Commission, the Advisory Commission may meet in the State Legislative Building or the Legislative Office Building. The Legislative Services Commission, through the Legislative Services Officer, shall assign professional staff to assist in the work of the Advisory Commission. The Directors of Legislative Assistants for the House of Representatives and the Senate shall assign clerical staff to the Advisory Commission, and the expenses relating to the clerical employees shall be borne by the Advisory Commission. The Advisory Commission, while in the discharge of its official duties, may exercise all the powers provided under G.S. 120-19 and G.S. 120-19.1 through G.S. 120-19.4. The Commission may meet during a regular or extra session of the General Assembly, subject to the approval of the President Pro Tempore of the Senate and the Speaker of the House of Representatives. Members of the Commission shall receive per diem, subsistence, and travel allowances in accordance with G.S. 138-5 or G.S. 138-6, as applicable.

Session Laws 2007-480, s. 2, provides: "(a) The Advisory Commission shall be meaningfully involved in the development of all aspects of the methodology used for collecting, analyzing, and disclosing publicly the information on hospital-acquired infection incidence rates, including collection methods, formatting, and methods and means for release and dissemination.

"(b) The Advisory Commission shall develop a process to ensure that information and data on hospital-acquired infection incidence rates available for dissemination to the general public shall not be made available in any form unless the information and data have been reviewed, adjusted, and validated according to the following process:

"(1) The entire methodology for collecting and analyzing the data shall be disclosed to all relevant organizations and to all hospitals and ambulatory surgical facilities that are the subject of any information to be made available to the public before any public disclosure of the information or data.

"(2) Data collection and analytical methodologies shall be used that meet accepted standards of validity and reliability before any information is made available to the public.

"(3) Comparisons among hospitals and freestanding ambulatory surgical facilities shall adjust for patient case mix and other relevant risk factors and control for provider peer groups, when appropriate.

"(4) The limitations of the data sources and analytical methodologies used to develop comparative hospital and freestanding ambulatory surgical facility information shall be clearly identified and acknowledged, including the appropriate and inappropriate uses of the data.

"(5) To the greatest extent possible, comparative hospital and freestanding ambulatory surgical facility information initiatives shall use standard-based norms derived from widely accepted provider-developed practice guidelines.

"(6) Comparative hospital and freestanding ambulatory surgical facility information and other information that the statewide data processor or Department has compiled regarding the hospital or freestanding ambulatory surgical facility shall be shared with the hospital or freestanding ambulatory surgical facility under review prior to public dissemination of the information, and the hospital or freestanding ambulatory surgical facility shall have 30 days to make corrections and to add helpful explanatory comments about the information before the publication.

"(7) Safeguards shall be implemented to:

"a. Protect against the unauthorized use or disclosure of hospital and freestanding ambulatory surgical facility information; and

"b. Protect against the dissemination of inconsistent, incomplete, invalid, inaccurate, or subjective hospital or freestanding ambulatory surgical facility data.

"(8) A process to ensure the quality and accuracy of information reported by a hospital or freestanding ambulatory surgical facility under this section and its data collection, analysis, and dissemination methodologies are evaluated regularly.

"(9) A process to ensure that only the most basic identifying information from submitted reports are used, and except as otherwise authorized by Article 11A of Chapter 131E of the

General Statutes, information identifying a patient, employee, or licensed professional shall not be released.

"(c) The Advisory Commission shall establish standardized criteria and methods for data submitted to the statewide data processor under G.S. 131E-214.2.

Session Laws 2007-480, s. 3, provides: "(a) The Advisory Commission shall submit an interim report on its activities to the General Assembly on or before May 1, 2008. The Advisory Commission shall submit its final report to the 2009 General Assembly upon its convening with recommendations and proposed legislation for requiring hospital-acquired infection incidence rates public disclosure. Upon submission of its final report, the Commission shall terminate.

"(b) It is the intent of the General Assembly to enact legislation before adjournment sine die of the 2009 General Assembly requiring hospitals to report and publicly disclose hospital-acquired infection incidence rates.

Session Laws 2007-480, s. 4, provides: "The Legislative Services Officer shall allocate funds appropriated to the General Assembly for this purpose to implement this act.

Session Laws 2007-480, s. 5, provides: "This act is effective when it becomes law."

Session Laws 2009-451, s. 10.28, provides: "The Department of Health and Human Services shall apply for federal funds that are available through the American Recovery and Reinvestment Act of 2009, P.L. 111-5, to implement a mandatory statewide hospital-acquired infections surveillance and reporting system, as recommended by the Joint Study Committee on Hospital Infection Control and Disclosure."

Editor's Note. — Session Laws 1995, c. 517, which enacted this article, in s. 39(e) provided that this article does not require a person, corporation, or other entity not previously required to report data to the Medical Database Commission to report data under this article, nor does it require a person, corporation, or other entity to be a statewide data processor.

Session Laws 2009-451, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2009'."

Session Laws 2009-451, s. 28.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2009-2011 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2009-2011 fiscal biennium."

Session Laws 2009-451, s. 28.5 is a severability clause.

§ 131E-214.1. Definitions.

As used in this Article:

(1) "Division" means the Division of Health Service Regulation of the Department of Health and Human Services.

(2) "Freestanding ambulatory surgical facility" means a facility licensed under Part D of Article 6 of this Chapter.

(3) "Hospital" means a facility licensed under Article 5 of this Chapter or Article 2 of Chapter 122C of the General Statutes, but does not include the following:

a. A facility with all of its beds designated for medical type "LTC" (long-term care).

b. A facility with the majority of its beds designated for medical type "PSY-3" (mental retardation).

c. A facility operated by the North Carolina Department of Correction.

(4) "Patient data" means data that includes a patient's age, sex, race, ethnicity, zip code, third-party coverage, principal and other diagnosis, date of admission, procedure and discharge date, principal and other procedures, total charges and components of the total charges, attending physician identification number, and hospital or freestanding ambulatory surgical facility identification number.

(5) "Patient identifying information" means the name, address, social security number, or similar information by which the identity of a patient can be determined with reasonable accuracy and speed either directly or by reference to other publicly available information. The term does not include a number assigned to a patient by a health care provider if that number does not consist of or contain numbers, including social security or drivers license numbers, that could be

used to identify a patient with reasonable accuracy and speed from sources external to the health care provider.

(6) "Statewide data processor" means a data processor certified by the Division as capable of complying with the requirements of G.S. 131E-214.4. The Division may deny, suspend, or revoke a certificate, in accordance with Chapter 150B of the General Statutes, if the statewide data processor does not comply with or is not capable of complying with the requirements of G.S. 131E-214.4. The Division is authorized to promulgate rules concerning the receipt, consideration, and limitation of a certificate applied for or issued under this Article. (1995, c. 517, s. 39(b); 1997-443, s. 11A.118(a); 2007-182, s. 1; 2008-119, s. 2.)

Effect of Amendments. — Session Laws 2008-119, s. 2, effective January 1, 2010, inserted "race, ethnicity" in subdivision (4).

§ 131E-214.2. Data submission required.

Except as prohibited by federal law or regulation, each hospital and freestanding ambulatory surgical facility shall submit patient data to a statewide data processor within 60 calendar days after the close of each calendar quarter for patients that were discharged or died during that quarter. (1995, c. 517, s. 39(b).)

§ 131E-214.3. Patient data not public records.

(a) The following are not public records under Chapter 132 of the General Statutes:

(1) Patient data furnished to and maintained by a statewide data processor pursuant to this Article.

(2) Compilations of patient data prepared for release or dissemination by a statewide data processor pursuant to this Article.

(3) Patient data furnished by a statewide data processor to the State.

(b) Compilations of data under subdivision (a)(3) of this section, prepared for release or dissemination by the State, are public records.

(c) The State shall not allow proprietary information, including patient data, that it receives from a statewide data processor to be used by a person for commercial purposes. The State shall require the person requesting this information to certify that it will not use the information for commercial purposes.

(d) A person is immune from liability for actions arising from the required submission of data under this Article. (1995, c. 517, s. 39(b).)

§ 131E-214.4. Statewide data processor.

(a) A statewide data processor shall perform the following duties:

(1) Make available annually to the Division, at no charge, a report that includes a comparison of the 35 most frequently reported charges of hospitals and freestanding ambulatory surgical facilities. The report is a public record and shall be made available to the public in accordance with Chapter 132 of the General Statutes. Publication or broadcast by the news media shall not constitute a resale or use of the data for commercial purposes.

(2) Receive patient data from hospitals and freestanding ambulatory surgical facilities throughout this State.

(3) Compile and maintain a uniform set of data from the patient data submitted.

(4) Analyze the patient data.

(5) Compile reports from the patient data and make the reports available upon request to interested persons at a reasonable charge determined by the data processor.

(6) Ensure that adequate measures are taken to provide system security for all data and information received from hospitals and freestanding ambulatory surgical facilities pursuant to this Article.

(7) Protect the confidentiality of patient records and comply with applicable laws and regulations concerning patient confidentiality, including the confidentiality of patient-identifying information. The data processor shall not disclose patient-identifying information unless (i) the information was originally submitted by the party requesting disclosure or (ii) the State Health Director requests specific individual records for the purpose of protecting and promoting the public health under Chapter 130A of the General Statutes, and the disclosure is not otherwise prohibited by federal law or regulation. Such records shall be made available to the State Health Director at a reasonable charge. Such records made available to the State Health Director are not public records; the State Health Director shall maintain their confidentiality and shall not make the records available notwithstanding G.S. 130A-374(a)(2).

(b) The Department of Health and Human Services may take adverse action against a hospital under G.S. 131E-78 or G.S. 122C-24 or against a freestanding ambulatory surgical center under G.S. 131E-148 for a violation of this Article. (1995, c. 517, s. 39(b); 1997-443, s. 11A.118(a).)

§§ 131E-214.5 through 131E-214.10: Reserved for future codification purposes.

Article 12.

Disclosure and Contract Requirements for Continuing Care Facilities.

§§ 131E-215 through 131E-224: Repealed by Session Laws 1989, c. 758, s. 2.

Cross References. — For present provisions pertaining to disclosure and contract requirements for continuing care facilities, see G.S. 58-64-1 et seq.

Editor's Note. — Section 3 of Session Laws 1989, c. 758 provided that the act would not be construed to obligate the General Assembly to make any appropriation to implement the provisions of the act, and that the act would not become effective unless monies necessary to implement the act were appropriated. Such an appropriation was made. However, Session Laws 1991, c. 720, s. 2 provides that section 3 is repealed effective July 16, 1991.

§§ 131E-225 through 131E-229: Reserved for future codification purposes.

Article 13.

Temporary Management of Long-Term Care Facilities.

§ 131E-230. Legislative findings.

The General Assembly finds that:

(1) A substantial number of citizens of this State now reside, or in the future may reside, in long-term care facilities within this State;

(2) Improper operation of long-term care facilities may tend to create a substantial risk of serious physical injury to residents;

(3) The closure of a long-term care facility can have adverse effects on the residents thereof, especially if the closure and transfer of residents is done hastily;

(4) The general health and welfare of the people of this State, particularly those persons residing in long-term care facilities within this State, would be enhanced by development of a procedure for the court appointment of a temporary manager to assure the proper operation of a long-term care facility in certain instances until a manager chosen by the facility is prepared to properly operate the facility, or until the residents can be safely transferred to a proper alternative setting; and

(5) The use of a temporary manager is intended as a temporary measure and the ongoing or long-term operation of a nursing facility by a temporary manager is neither beneficial nor appropriate. (1993, c. 390, s. 1.)

§ 131E-231. Definitions.

As used in this Article, unless otherwise specified:

(1) "Long-term care facility" means a nursing home as defined in G.S. 131E-101(6) and an adult care home as defined in G.S. 131D-2.1(3) or G.S. 131E-101(4).

(2) "Resident" means a person who has been admitted to a long-term care facility.

(3) "Respondent" means the person or entity holding a license pursuant to G.S. 131E-102 or G.S. 131D-2.4 or a person or entity operating a long-term care facility subject to licensure without a license. (1993, c. 390, s. 1; 1995, c. 535, s. 26; 2008-187, s. 38(b); 2009-462, s. 4(*l*).)

Effect of Amendments. — Session Laws 2008-187, s. 38(b), effective August 7, 2008, substituted "G.S 131D-2(a)(1b) or G.S. 131E-101(4)" for "G.S. 131D-2(a)(3) or G.S. 131E-101(4)" in subdivision (1).

Session Laws 2009-462, s. 4(*l*), effective October 1, 2009, in subdivision (1), substituted "G.S. 131D-2.1(3)" for "G.S. 131D-2(a)(1b)"; and in subdivision (3), substituted "G.S. 131D-2.4" for "G.S. 131D-2."

§ 131E-232. Who may petition; contents of petition.

The Department may petition a court of competent jurisdiction to appoint a temporary manager to operate a long-term care facility. The petition shall set forth material facts showing that one or more of the grounds for appointment of a temporary manager set forth in G.S. 131E-234 exist, that the facts set forth in the petition have been brought to the attention of the respondent, and that the conditions described in the petition have not been remedied within a reasonable period of time. The petition shall also set forth a brief description of the action or actions necessary to remedy the alleged conditions. (1993, c. 390, s. 1.)

§ 131E-233. Procedures for appointment; evidence in defense.

(a) The procedure for petitioning the superior court for the appointment of a temporary manager, including service of process shall be in accordance with the North Carolina Rules of Civil Procedure. If personal service of a copy of the petition cannot be made with due diligence upon the respondent, service may be made upon the respondent by sending a copy of the summons and petition to the respondent by registered mail at the respondent's last known address and by hand-delivering or mailing a copy to the administrative or staff person in charge of the facility.

(b) A hearing shall be held on the petition within 20 days of service of the petition upon the respondent. Both the Department and the respondent may present evidence and written and oral argument at the hearing regarding the allegations of the petition. It shall be relevant evidence in defense to a petition that the conditions alleged in the petition do not in fact exist, that such conditions do not exist to the extent alleged, or that such conditions have been remedied or removed.

(c)(1) Upon petition by the Department for emergency intervention, a court may order the appointment of an emergency temporary manager after finding that there is reasonable cause to believe that:

a. Conditions or a pattern of conditions exist in the long-term care facility that create an immediate substantial risk of death or serious physical harm to residents; or

b. The long-term care facility is closing or intends to close before the time in which a hearing would ordinarily be scheduled, and:

1. Adequate arrangements for relocating residents have not been made, or

2. Quick relocation would not be in the best interest of residents.

(2) The court shall appoint an emergency temporary manager to serve until a hearing is conducted in accordance with ordinary procedures and shall direct the temporary manager to make only such changes in administration as necessary to protect the health or safety of residents until the emergency condition is resolved.

(3) The court shall schedule a hearing on the appointment of an emergency temporary manager within three days after service of notice of the filing of the petition. Notice of the filing of the petition and other relevant information, including the factual basis of the belief that an emergency temporary manager is needed shall be served upon the facility as provided in this Article. The notice shall be given at least 24 hours prior to the hearing of the petition for emergency intervention, except that the court may issue an immediate emergency order ex parte upon a finding as fact that:

a. The conditions specified above exist, and

b. There is likelihood that a resident may suffer irreparable injury or death if the order is delayed.

The order shall contain a show-cause notice to each person upon whom the notice is served directing the person to appear immediately or at any time up to and including the time for the hearing of the petition for emergency services and show cause, if any exists, for the dissolution or modification of the order. Unless dissolved by the court for good cause shown, the emergency order ex parte shall be in effect until the hearing is held on the petition for emergency services. At the hearing, if the court determines that the emergency continues to exist, the court may order the provision of emergency services in accordance with subsections (a) and (b) of this section. (1993, c. 390, s. 1; 1999-334, s. 1.11.)

§ 131E-234. Grounds for appointment of temporary manager.

Upon a showing by the Department that one or more of the following grounds exist, the court may appoint a temporary manager for an initial period of 30 days or the first review by a superior court judge pursuant to G.S. 131E-243, whichever is longer:

(1) Conditions or a pattern of conditions exist in the long-term care facility that create a substantial risk of death or serious physical harm to residents or that death or serious physical harm has occurred, and it is probable that the facility will not or cannot immediately remedy those conditions or pattern of conditions, or the facility has shown a pattern of failure to comply with applicable laws and rules and continues to fail to comply;

(2) The long-term care facility is operating without a license;

(3) The license of the long-term care facility has been revoked or the long-term care facility is closing or intends to close and: (i) adequate arrangements for relocating residents have not been made, or (ii) quick relocation would not be in the best interest of the residents; or

(4) A previous court order has been issued requiring the respondent to act or refrain from acting in a manner directly affecting the care of the residents and the respondent has failed to comply with the court order. (1993, c. 390, s. 1; 1999-334, s. 1.12.)

§ 131E-235. Alternative to appointment of temporary manager.

(a) After the hearing described in G.S. 131E-233(b), if the court finds that the evidence warrants the granting of the relief sought and the respondent applies to the court for permission to promptly remove or remedy the conditions or pattern specified in the petition and demonstrates the ability to promptly undertake and complete the removal or remedying of such conditions or pattern, the court, in lieu of appointing a temporary manager, may issue an order permitting the respondent to remove or remedy the conditions in accordance with a time schedule and subject to conditions determined by the court, including the posting of security for the performance of the work as may be fixed by the court.

(b) If, after entry of an order pursuant to subsection (a) of this section, it appears that the respondent is not proceeding in accordance with the court's order in removing or remedying the conditions found by the court to exist, the Department, upon notice to the respondent, may move the court for an order appointing a temporary manager pursuant to the court's findings at the original hearing. If upon hearing the matter, the court finds that the respondent is not proceeding in accordance with the court's order, the court may appoint a temporary manager as authorized by G.S. 131E-234. If the respondent has posted security to ensure removal or remedying of the conditions found by the court, the security or any part of the security as is necessary may be used by the temporary manager to remedy the conditions. (1993, c. 390, s. 1.)

§ 131E-236. Compensation of temporary manager.

The court shall set the compensation of the temporary manager. (1993, c. 390, s. 1.)

§ 131E-237. Candidates for temporary managers.

In the petition the Department shall nominate at least one candidate for temporary manager and shall include the name, address, and qualifications of each nominee. The Department shall maintain a list of persons qualified to act as temporary managers. The person or persons nominated by the Department to serve as temporary manager shall either be employed by the Department or be one of the persons on the list of qualified persons maintained by the Department. This nominee shall be approved by the court reviewing the Department's petition for appointment of a temporary manager. (1993, c. 390, s. 1.)

§ 131E-238. Temporary manager; powers and duties.

A temporary manager appointed under this section:

(1) May exercise those powers and shall perform those duties ordered by the court;

(2) Shall operate the long-term care facility in compliance with State and federal laws and assure the safety of the residents and the delivery of services to them;

(3) May operate the facility under a temporary license issued by the Department in the event that the license of the original operator has been revoked or suspended or was never issued;

(4) Shall have the same rights as the respondent to possession of the building in which the long-term care facility is located and of all goods and fixtures located in the building at the time the temporary manager is appointed. If the court finds that between the time the petition is filed and the temporary manager is appointed, the respondent has transferred assets for the purpose of frustrating the intent of this section, the court may require the respondent to repay to the temporary manager the value of such transferred assets. The temporary manager shall take all actions necessary to protect and conserve the assets and property of which the temporary manager takes possession, and the proceeds of any transfer, and may use them only in the performance of the powers and duties set forth in this section and as may be ordered by the court;

(5) May use the building, fixtures, furnishings, and any accompanying consumable goods in providing care and services to residents and to any other persons receiving services from the long-term care facility at the time the petition for temporary management was filed. The temporary manager shall collect payment for all goods and services provided to residents or others at the same rate and method of payment as was charged by the respondent at the time the petition for temporary management was filed, unless a different rate is set by the State or other third-party payors. The temporary manager shall owe a duty to the owner of the long-term care facility to protect and preserve, and to avoid the waste or diminution of, the building, fixtures, furnishings, consumable goods, receipts, and other assets of the facility and to prevent the use of those assets for any purpose other than the reasonable operation of the facility;

(6) May correct or eliminate any deficiency in the structure or furnishings of the long-term care facility that endangers the safety or health of

residents, provided the total cost of correction of all such deficiencies does not exceed one thousand dollars ($1,000);

(7) Shall submit to the court a plan in accordance with G.S. 131E-239 for correction or elimination of any deficiency or deficiencies in the structure or furnishings of the long-term care facility that endanger the safety or health of residents and that are estimated to exceed one thousand dollars ($1,000), and shall carry out the plan with any modification approved by the court;

(8) May enter into contracts and hire agents and employees to carry out the powers and duties created under this section, provided that the temporary manager must notify the court and the respondent prior to entering into any substantially new contract obligating the respondent to pay more than one thousand dollars ($1,000);

(9) Except as specified in G.S. 131E-241, shall honor all leases, mortgages, and secured transactions governing the building in which the long-term care facility is located and all goods and fixtures in the building of which the temporary manager has taken possession, but, in the case of a rental agreement, only to the extent of payments that are for the use of the property during the period of the temporary management, or, in the case of a purchase agreement, come due during the period of the temporary management;

(10) Shall have full power to direct, manage, and discharge employees of the long-term care facility, consistent with applicable State and federal laws governing the employment of these employees;

(11) If transfer of the residents is necessary, shall cooperate with the Department or local departments of social services or both in carrying out the transfer of residents to an alternative placement;

(12) Shall be entitled to and shall take possession of all property or assets of residents in the possession of the respondents. The temporary manager shall preserve all property, assets, and records of residents of which the temporary manager takes possession and shall provide for the prompt transfer of the property, assets, and records to the alternative placement of any transferred resident. No owner, licensee, or administrator of a facility under temporary management shall be liable for the waste, mismanagement, or other negligent or intentional wrongful act of a temporary manager with respect to the property or assets of residents; and

(13) May be held liable in his personal capacity only for his own gross negligence or intentional acts. (1993, c. 390, s. 1.)

§ 131E-239. Plan for correction of deficiencies in excess of one thousand dollars ($1,000).

(a) If the temporary manager determines that it is necessary to correct a deficiency or deficiencies in the structure or furnishings reasonably estimated by the temporary manager to cost in excess of one thousand dollars ($1,000), the temporary manager shall submit to the court a written plan that contains the following:

(1) A description of the deficiency or deficiencies that require correction;

(2) A description of the method proposed by the temporary manager for correction of the deficiency or deficiencies; and

(3) An estimate of the cost of the correction or corrections.

(b) A copy of the plan shall be served upon the Department and the respondent on the same day that it is submitted to the court.

(c) If the Department or respondent makes a written request for a hearing within seven days after the submission of the plan to the court, a hearing on the proposed plan of correction shall be held. If a hearing is requested by a party, the hearing shall be held within 14 days of the written request. The Department, respondent, and temporary manager shall have the opportunity to present evidence at the hearing regarding the proposed plan. Upon hearing the evidence, the court may approve the plan, modify the plan, or, if the court determines as a result of the evidence that the alleged deficiency does not require correction, it may reject the plan. If no party requests a hearing on the plan in accordance with this subsection, the court may order the temporary manager to proceed to implement the plan.

(d) In the event of an emergency situation involving the structure or furnishings of the facility the correction of which will cost in excess of one thousand dollars ($1,000) and where failure to correct the situation immediately will likely result in serious physical harm or death to residents, the temporary manager may proceed to correct the situation in the most economical and efficient manner under the circumstances without prior court approval of a plan. If the court later determines pursuant to G.S. 131E-244(b) that the expenditure was not necessary or reasonable under the circumstances, payment for the expenditure or any part determined to be unreasonable or unnecessary by the court, must be paid from the contingency fund described in G.S. 131E-242. If the payment was initially made by the temporary manager from the contingency fund, the respondent shall have no obligation to repay those funds to the contingency fund upon a finding that the expenditure was unreasonable or unnecessary. If the payment was initially made by the temporary manager from operating revenues of the facility, the respondent shall be entitled to repayment of those amounts from the contingency fund. (1993, c. 390, s. 1.)

§ 131E-240. Payment to temporary manager.

(a) A person served with notice of an order of the court appointing a temporary manager and of the temporary manager's name and address shall be liable to pay the temporary manager for any goods or services provided by the temporary manager after the date of the order if the person would have been liable for the goods or services supplied by the respondent or an agent of the respondent. The temporary manager shall give a receipt for each payment and shall keep a copy of each receipt on file. The temporary manager shall deposit amounts received in a special account and shall use this account for all disbursements.

(b) The temporary manager may bring an action to enforce the liability created by subsection (a) of this section. Proof of payment to the temporary manager is as effective in favor of the person making the payment as payment of the amount to the person who, but for this subsection, would have been entitled to receive the sum paid.

(c) A resident may not be discharged, nor may any contract or rights be forfeited or impaired, nor may forfeiture or liability be increased, by reason of an omission to pay a respondent, licensee, or other person a sum paid to the temporary manager. (1993, c. 390, s. 1.)

§ 131E-241. Avoidance of preexisting leases, mortgages, and contracts.

(a) A temporary manager shall not be required to honor any lease, mortgage, secured transaction, or other wholly or partially executory contract entered into by the respondent, licensee, or administrator of the long-term care facility if the temporary manager demonstrates to the court that the rental price, rate of interest, or other compensation to be paid under the contract or agreement is unreasonable in light of conditions existing at the time the agreement was entered into by the parties or in light of the relationship of the parties.

(b) If the temporary manager is in possession of real estate or goods subject to a lease, mortgage, security interest, or other contract that the temporary manager is permitted to avoid under subsection (a) of this section, and if the real estate or goods are necessary for the continued operation of the long-term care facility, the temporary manager may apply to the court to set a reasonable rental price, rate of interest, or other compensation to be paid by the temporary manager during the duration of the temporary management. The court shall hold a hearing on the application within 15 days after receipt of the application. At least 10 days prior to the hearing, the temporary manager shall send notice of the application to any known person with any beneficial interest in the property involved.

(c) Payment by the temporary manager of the amount determined by the court to be reasonable is a defense to any action against the temporary manager for payment or for possession of the goods or real estate subject to the lease, mortgage, security interest, or other contract involved by any person who received such notice, but the payment does not relieve the obligee of liability for the difference between the amount paid by the temporary manager and the amount due under the original lease, mortgage, or security interest involved. (1993, c. 390, s. 1.)

§ 131E-242. Contingency fund.

(a) The Department may maintain a temporary management contingency fund.

(b) Upon a showing that proper expenses of the temporary management under this Article exceed the operating funds of the long-term care facility, the court, in its discretion, may order that the Department provide funds from the contingency fund to the temporary manager to operate the facility and compensate the temporary manager.

(c) When the total funds available in the contingency fund exceed five hundred thousand dollars ($500,000), the Department may reallocate any or all of the amount in excess of five hundred thousand dollars ($500,000) for other activities intended to protect the health and property of residents. (1993, c. 390, s. 1; 1995, c. 535, s. 27; 1998-215, s. 78(d); 1999-334, s. 1.13.)

Legal Periodicals. — For a survey of 1996 developments in constitutional law, see 75 N.C.L. Rev. 2252 (1997).

§ 131E-243. Review and termination of temporary management.

(a) The operations and continuing need for a temporary manager shall be reviewed by the court every 30 days following the appointment of the temporary manager.

(b) The court may order the replacement of a temporary manager upon a showing that the temporary manager has mismanaged the long-term care facility.

(c) The court shall order the termination of the temporary management upon the recommendation of the Department or upon a showing that the conditions leading to imposition of the temporary management have been resolved.

(d) When a long-term care facility is returned to its owner, the court may impose conditions to assure compliance with applicable laws and regulations. (1993, c. 390, s. 1.)

§ 131E-244. Accounting lien for expenses.

(a) Within 30 days after termination of the temporary management, the temporary manager shall give the court a complete accounting of:

(1) All property of which the temporary manager took possession;
(2) All funds collected under this Article;
(3) Expenses of the temporary management; and
(4) All disbursements or transfers of facility funds or other assets made during the period of temporary management. On the same day the accounting is filed with the court, the temporary manager shall serve on the respondent by registered mail a copy of this accounting.

(b) If the operating funds collected during the temporary management exceed the reasonable expenses of the temporary management, the court shall order payment of the excess to the respondent, after reimbursement to the contingency fund. If the operating funds are insufficient to cover the reasonable expenses of the temporary management, the respondent shall be liable for the deficiency, except as described in this section. If the respondent demonstrates to the court that repayment of amounts spent from the contingency fund would significantly impair the provision of appropriate care or services to residents, the court may order repayment over a period of time with or without interest or may order that the respondent be required to repay only part or none of the amount spent from the contingency fund. In reaching this decision, the court may consider all assets, revenues, debts and other obligations of the long-term care facility, the likelihood of the sale of the long-term care facility where repayment forgiveness would result in unjust enrichment of the respondent, and shall consider the impact of its determination on the provision of care to residents. The respondent may petition the court to determine the reasonableness of any expenses of the temporary management. The respondent shall not be responsible for expenses in excess of amounts the court finds to be reasonable. Payment recovered from the respondent shall be used to reimburse the contingency fund for amounts used by the temporary manager.

(c) The court may order that the Department have a lien for any reasonable costs of the temporary management that are not covered by the operating funds collected by the temporary manager and for any funds paid out of the contingency fund during the temporary management upon any beneficial interest, direct or indirect, of any respondent in the following property:

(1) The building in which the long-term care facility is located;
(2) The land on which the long-term care facility is located;
(3) Any fixtures, equipment, or goods used in the operation of the long-term care facility; or
(4) The proceeds from any conveyance of property described in subdivisions (1), (2), and (3) of this subsection made by the respondent within one year prior to the filing of the petition for temporary management unless such transfers were made in good faith, in the ordinary course of business, and without intent to frustrate the intent of subsection (b) of this section. Transfers made coincidental with serious deficiencies in resident care may be considered evidence of intent to frustrate the intent of subsection (b) of this section.

(d) To the extent permitted by other provisions of applicable State or federal law, the lien provided for in this section is superior to any lien or other interest that arises subsequent to the filing of the petition for temporary management under this section, except for a construction or mechanic's lien arising out of work performed with the express consent of the temporary manager.

(e) The clerk of court in the county in which the long-term care facility is located shall record the filing of the petition for temporary management in the lien docket opposite the names of the respondents and licensees named in the petition.

(f) Within 60 days after termination of the temporary management, the temporary manager shall file a notice of any lien created under this section. If the lien is on real property, the notice shall be filed with the clerk of court in the county where the long-term care facility is located and entered on the lien docket. If the lien is on personal property, the lien shall be filed with the person against whom the lien is claimed, and shall state the name of the temporary manager, the date of the petition for temporary management, the date of the termination of temporary management, a description of the property involved, and the amount claimed. No lien shall exist under this section against any person, on any property, or for any amount not specified in the notice filed under this section. (1993, c. 390, s. 1.)

§ 131E-245. Obligations of licensee.

Nothing in this Article shall relieve any respondent, licensee, or administrator of a long-term care facility placed in temporary management of any civil or criminal liability, or any duty imposed by law, by reason of acts or omissions of the respondent, licensee, or administrator prior to the appointment of the temporary manager. Nothing in this Article shall suspend during the temporary management any obligation of the respondent, licensee, or administrator for payment of taxes, other operating and maintenance expenses of the long-term care facility, nor the respondent, licensee, or administrator or any other person for the payment of mortgages or liens. No owner, licensee, or administrator shall be held personally liable for acts or omissions of the temporary manager or the temporary manager's employees during the term of the temporary management. No licensee or administrator may be held responsible or liable for licensure fines, sanctions or penalties, or other administrative sanctions, arising or imposed as a result of acts or omissions occurring during the period of temporary management unless those sanctions result from acts or omissions by the licensee or administrator. (1993, c. 390, s. 1.)

§ 131E-246. Conflict of laws.

In the event of a conflict between federal laws or regulations and State law or rules, the federal laws or regulations shall control. (1993, c. 390, s. 1.)

§§ 131E-247 through 131E-249: Reserved for future codification purposes.

Article 14.

Disposal of Surplus Property to Aid Other Countries.

§ 131E-250. Disposition of surplus property by public and State hospitals.

(a) As used in this section, "public hospital" has the same meaning as in G.S. 159-39. A State hospital is any hospital operated by the State.

(b) A public hospital or a State hospital may donate medical equipment it determines is no longer needed by the hospital to any of the following if the property so donated is to be used by a hospital or medical facility in another country:

(1) A corporation that is exempt from taxation under section 501(c) of the Internal Revenue Code of 1986.
(2) The United States or any agency of it.
(3) The government of a foreign country or any political subdivision of that country.
(4) The United Nations or an agency of it.
(5) Other eleemosynary institutions and groups. (1993, c. 529, s. 7.6; 1995, c. 509, s. 73.)

Editor's Note. — This section was enacted as G.S. 131E-248, and was recodified as G.S. 131E-250 by the Revisor of Statutes.

§§ 131E-251 through 131E-254: Reserved for future codification purposes.

ARTICLE 15.

Health Care Personnel Registry.

§ 131E-255. Nurse Aide Registry.

(a) Pursuant to 42 U.S.C. § 1395i-3(e) and 42 U.S.C. § 1396r(e), the Department shall establish and maintain a registry containing the names of all nurse aides working in nursing facilities in North Carolina. The Department shall include in the nurse aide registry any findings by the Department of neglect of a resident in a nursing facility or abuse of a resident in a nursing facility or misappropriation of the property of a resident in a nursing facility by a nurse aide.

(b) A nurse aide who wishes to contest a finding of resident neglect, resident abuse, or misappropriation of resident property made against the aide, is entitled to an administrative hearing as provided by the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days of the mailing of the written notice by certified mail of the Department's intent to place findings against the aide in the nurse aide registry.

(c) "Nursing facility", as used in this section, means a "combination home" as defined in G.S. 131E-101(1) and a "nursing home" as defined in G.S. 131E-101(6) and also means "facility" as that term is defined in G.S. 131E-116(2).

(d) The Commission shall adopt, amend, and repeal all rules necessary for the implementation of this section.

(e) No person shall be liable for providing any information for the nurse aide registry if the information is provided in good faith. Neither an employer, potential employer, nor the Department shall be liable for using any information from the nurse aide registry if the information is used in good faith for the purpose of screening prospective applicants for employment or reviewing the employment status of an employee. (1991, c. 185, s. 1; c. 761, s. 26; 1995 (Reg. Sess., 1996), c. 713, ss. 3(a), (b).)

Editor's Note. — This section was formerly numbered G.S. 131E-111. It was recodified as G.S. 131E-255 by Session Laws 1995 (Reg. Sess., 1996), c. 713, s. 3.

CASE NOTES

Applied in Allen v. N.C. Dep't of Health & Human Servs., 155 N.C. App. 77, 573 S.E.2d 565, 2002 N.C. App. LEXIS 1634 (2002).

§ 131E-256. Health Care Personnel Registry.

(a) The Department shall establish and maintain a health care personnel registry containing the names of all health care personnel working in health care facilities in North Carolina who have:

(1) Been subject to findings by the Department of:

a. Neglect or abuse of a resident in a health care facility or a person to whom home care services as defined by G.S. 131E-136 or hospice services as defined by G.S. 131E-201 are being provided.

b. Misappropriation of the property of a resident in a health care facility, as defined in subsection (b) of this section including places where home care services as defined by G.S. 131E-136 or hospice services as defined by G.S. 131E-201 are being provided.

c. Misappropriation of the property of a health care facility.

d. Diversion of drugs belonging to a health care facility.

d1. Diversion of drugs belonging to a patient or client of the health care facility.

e. Fraud against a health care facility.

e1. Fraud against a patient or client for whom the employee is providing services.

(2) Been accused of any of the acts listed in subdivision (1) of this subsection, but only after the Department has screened the allegation and determined that an investigation is required.

The Health Care Personnel Registry shall also contain all findings by the Department of neglect of a resident in a nursing facility or abuse of a resident in a nursing facility or misappropriation of the property of a resident in a nursing facility by a nurse aide that are contained in the nurse aide registry under G.S. 131E-255.

(a1) The Department shall include in the registry a brief statement of any individual disputing the finding entered against the individual in the health care personnel registry pursuant to subdivision (1) of subsection (a) of this section.

(b) For the purpose of this section, the following are considered to be "health care facilities":

(1) Adult Care Homes as defined in G.S. 131D-2.1.
(2) Hospitals as defined in G.S. 131E-76.
(3) Home Care Agencies as defined in G.S. 131E-136.
(4) Nursing Pools as defined by G.S. 131E-154.2.
(5) Hospices as defined by G.S. 131E-201.
(6) Nursing Facilities as defined by G.S. 131E-255.
(7) State-Operated Facilities as defined in G.S. 122C-3(14)f.
(8) Residential Facilities as defined in G.S. 122C-3(14)e.
(9) 24-Hour Facilities as defined in G.S. 122C-3(14)g.
(10) Licensable Facilities as defined in G.S. 122C-3(14)b.
(11) Multiunit Assisted Housing with Services as defined in G.S. 131D-2.1.

(c) For the purpose of this section, the term "health care personnel" means any unlicensed staff of a health care facility that has direct access to residents, clients, or their property. Direct access includes any health care facility unlicensed staff that during the course of employment has the opportunity for direct contact with an individual or an individual's property, when that individual is a resident or person to whom services are provided.

(d) Health care personnel who wish to contest findings under subdivision (a)(1) of this section are entitled to an administrative hearing as provided by the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case shall be filed within 30 days of the mailing of the written notice of the Department's intent to place its findings about the person in the Health Care Personnel Registry.

(d1) Health care personnel who wish to contest the placement of information under subdivision (a)(2) of this section are entitled to an administrative hearing as provided by the Administrative Procedure Act, Chapter 150B of the General Statutes. A petition for a contested case hearing shall be filed within 30 days of the mailing of the written notice of the Department's intent to place information about the person in the Health Care Personnel Registry under subdivision (a)(2) of this section. Health care personnel who have filed a petition contesting the placement of information in the health care personnel registry under subdivision (a)(2) of this section are deemed to have challenged any findings made by the Department at the conclusion of its investigation.

(d2) Before hiring health care personnel into a health care facility or service, every employer at a health care facility shall access the Health Care Personnel Registry and shall note each incident of access in the appropriate business files.

(e) The Department shall provide an employer at a health care facility or potential employer at a health care facility of any person listed on the Health Care Personnel Registry information concerning the nature of the finding or allegation and the status of the investigation.

(f) No person shall be liable for providing any information for the health care personnel registry if the information is provided in good faith. Neither an employer, potential employer, nor the Department shall be liable for using any information from the health care personnel registry if the information is used in good faith for the purpose of screening prospective applicants for employment or reviewing the employment status of an employee.

(g) Health care facilities shall ensure that the Department is notified of all allegations against health care personnel, including injuries of unknown source, which appear to be related to any act listed in subdivision (a)(1) of this section. Facilities must have evidence that all alleged acts are investigated and must make every effort to protect residents from harm while the investigation is in progress. The results of all investigations must be reported to the Department within five working days of the initial notification to the Department.

(g1) Health care facilities defined in subsection (b) of this section are permitted to provide confidential or other identifying information to the Health Care Personnel Registry, including social security numbers, taxpayer identification numbers, parent's legal surname prior to marriage, and dates of birth, for verifying the identity of accused health care personnel. Confidential or other identifying information received by the Health Care Personnel Registry is not a public record under Chapter 132 of the General Statutes.

(h) The North Carolina Medical Care Commission shall adopt, amend, and repeal all rules necessary for the implementation of this section.

(i) In the case of a finding of neglect under subdivision (1) of subsection (a) of this section, the Department shall establish a procedure to permit health care personnel to petition the Department to have his or her name removed from the registry upon a determination that:

(1) The employment and personal history of the health care personnel does not reflect a pattern of abusive behavior or neglect;

(1a) The health care personnel's name was added to the registry for a single finding of neglect;

(2) The neglect involved in the original finding was a singular occurrence; and

(3) The petition for removal is submitted after the expiration of the one-year period which began on the date the petitioner's name was added to the registry under subdivision (1) of subsection (a) of this section.

(i1) Health care personnel who wish to contest a decision by the Department to deny a removal of a single finding of neglect from the Health Care Personnel Registry under subdivision (1a) of subsection (i) of this section are entitled to an administrative hearing under Chapter 150B of the General Statutes. A petition for a contested case hearing shall be filed within 30 days of the mailing of the written notice of the Department's denial of a removal of a finding of neglect.

(j) Removal of a finding of neglect from the registry under this section may occur only once with respect to any person. (1995 (Reg. Sess., 1996), c. 713, s. 3(b); 1998-212, s. 12.16E; 1999-159, s. 1; 2000-55, s. 1; 2004-203, ss. 52(a), (b), (c); 2007-544, s. 2; 2009-316, ss. 1(a), (b), 2; 2009-462, s. 4(m).)

Effect of Amendments. — Session Laws 2007-544, s. 2, effective January 1, 2008, in subdivision (a)(1)d, deleted "or to a patient or client" following "facility"; in subdivision (a)(1)e, deleted "or against a patient or client for whom the employee is providing services" following "facility"; added subdivisions (a)(1)d1, (a)(1)e1, and (b)(10) through (b)(13); rewrote subsection (c); and in subsection (e), inserted "at a health care facility" both places it appears.

Session Laws 2009-316, ss. 1 and 2, effective July 17, 2009, in subdivision (i)(1), substituted "health care personnel" for "nurse aid"; added subdivision (i)(1a); and added subsections (g1), (i1), and (j).

Session Laws 2009-462, s. 4(m), effective October 1, 2009, substituted "G.S. 131D-2.1" for "G.S. 131D-2" in subdivisions (b)(1) and (b)(11).

CASE NOTES

Applied in Allen v. N.C. Dep't of Health & Human Servs., 155 N.C. App. 77, 573 S.E.2d 565, 2002 N.C. App. LEXIS 1634 (2002).

§ 131E-256.1. Adverse action on a license; appeal procedures.

(a) The Department may suspend, cancel, or amend a license when a facility subject to this Article has substantially failed to comply with this Article or rules adopted under this Article.

(b) Administrative action taken by the Department under this section shall be in accordance with Chapter 150B of the General Statutes. (2000-55, s. 2.)

ARTICLE 15A.

Public Hospital Personnel Act.

§ 131E-257. Title; purpose; applicability of other laws; "public hospital" defined.

(a) This Article shall be known and may be cited as the "Public Hospital Personnel Act".

(b) The purpose of this Article is to protect the privacy of the personnel records of public hospital employees and to authorize public hospitals to determine employee compensation and personnel policies and to establish employee benefit plans.

(c) Unless otherwise provided, none of the provisions of Part 4, Article 5, Chapter 153A and Part 4, Article 7, Chapter 160A shall apply to public hospitals.

(d) If any provision of this Article is inconsistent with any provision of any other law, the provision of this Article shall be controlling.

(e) As used in this Article, unless the context clearly indicates otherwise, the term "public hospital" has the same meaning as in G.S. 159-39. (1997-517, s. 2.)

CASE NOTES

Public Hospital Employee Records. — Trial court erred in granting summary judgment to a newspaper in its action under the Public Records Act, G.S. 132-1 et seq., and the Public Hospital Personnel Act, G.S. 131E-257 et seq., seeking disclosure of public hospital employee salary information, as such was protected from disclosure, except as to current salary, pursuant to G.S. 131E-257.2; information contained in an employee's personnel file was "gathered" by the hospital, pursuant to the use of that term under G.S. 131E-257.2(a), as it was not construed narrowly, but rather, read to mean amassed or collected in one place. Knight Publ'g Co. v. Charlotte-Mecklenburg Hosp. Auth., 172 N.C. App. 486, 616 S.E.2d 602, 2005 N.C. App. LEXIS 1784 (2005), cert. denied, — N.C. —, 626 S.E.2d 298,299 (2005).

Cited in Allen v. N.C. Dep't of Health & Human Servs., 155 N.C. App. 77, 573 S.E.2d 565, 2002 N.C. App. LEXIS 1634 (2002).

§ 131E-257.1. Compensation; personnel policies; employee benefits plans.

(a) A public hospital shall determine the pay, expense allowances, and other compensation of its officers and employees, and may establish position classification and pay plans and incentive compensation plans.

(b) A public hospital may:

(1) Adopt personnel policies and procedures regarding, without limitation, vacations, personal leave, service award programs, other personnel policies and procedures, and any other measures that enhance the ability of a public hospital to hire and retain employees.

(2) Determine the work hours, workdays, and holidays applicable to its employees.

(3) Establish and pay all or part of the cost of benefit plans for its employees and former employees, including without limitation, life, health and disability plans, pension, profit sharing, deferred compensation and other retirement plans, and other fringe benefit plans.

(4) Pay severance payments and provide other employee severance benefits to its employees and former employees pursuant to a severance plan established in connection with a reduction in the size of the workforce of a public hospital or, with respect to an individual employee, pursuant to an employment agreement entered into prior to the date the employee receives notice of termination of employment.

(c) The provisions of G.S. 159-30 and G.S. 159-31 are not applicable to public hospitals with respect to the investment of escrowed or trusteed retirement and deferred compensation funds. Public hospitals may invest such escrowed and trusteed funds in property or securities in which trustees, guardians, personal representatives, and others acting in a fiduciary capacity may legally invest funds under their control. (1997-517, s. 2.)

§ 131E-257.2. Privacy of employee personnel records.

(a) Notwithstanding the provisions of G.S. 132-6 or any other general law or local act concerning access to public records, personnel files of employees and applicants for employment maintained by a public hospital are subject to inspection and may be disclosed only as provided by this section. For purposes of this section, an employee's personnel file consists of any information in any form gathered by the public hospital with respect to an employee and, by way of illustration but not limitation, relating to the employee's application, selection or nonselection, performance, promotions, demotions, transfers, suspensions and other disciplinary actions, evaluation forms, employment contracts, leave, salary, and termination of employment. As used in this section, "employee" includes both current and former employees of a public hospital.

(b) The following information with respect to each public hospital employee is a matter of public record:

(1) Name.
(2) Age.
(3) Date of original employment.
(4) Current position title.
(5) Date of the most recent promotion, demotion, transfer, suspension, separation or other change in position classification.
(6) The office to which the employee is currently assigned.

In addition, the following information with respect to each licensed medical provider employed by or having privileges to practice in a public hospital shall be a matter of public record: educational history and qualifications, date and jurisdiction or original and current licensure; and information relating to medical board certifications or other qualifications of medical specialists.

(b1) In addition, the following information for the last completed fiscal year, beginning with the fiscal year ending in 2008, of a public hospital with respect to each Covered Officer and the five key employees (who are not Covered Officers) with the highest annual compensation of a public hospital is a matter of public record:

(1) Base salary.
(2) Bonus compensation.
(3) Plan-based incentive compensation.
(4) Dollar value of all other compensation, which includes any perquisites and other personal benefits.

(b2) As used in this section:

(1) "Covered Officer" means each of the following:
  a. All individuals serving as the public hospital's chief executive officer or acting in a similar capacity at any time during the last completed fiscal year, regardless of compensation level.
  b. The public hospital's four most highly compensated executive officers, determined by the aggregate amount reportable under subdivisions (1) through (4) of subsection (b1) of this section, other than the chief executive officer, who were serving as executive officers at the end of the last completed fiscal year.
  c. Any individual for whom disclosure would have been provided pursuant to sub-subdivision b. of this subsection but for the fact that the individual's service as an executive officer of the public hospital terminated during the last completed fiscal year.
(2) "Executive officer" means each employee of the public hospital specifically appointed by the governing board of the public hospital to serve as an officer.
(3) "Key employee" means any person having responsibilities, powers, or influence similar to those of an officer. The term includes the chief management and administrative officials of a public hospital.

(b3) The governing board of a public hospital shall determine in what form and by whom this information will be maintained. Any person may have access to this information for the purpose of inspection, examination, and copying, during regular business hours, subject only to such rules and regulations for the safekeeping of public records as the governing board of the public hospital may have adopted. Any person denied access to this information may apply to the appropriate division of the General Court of Justice for an order compelling disclosure, and the court shall have jurisdiction to issue such orders.

(c) All information contained in a public hospital employee's personnel file, other than the information made public by subsection (b) of this section, is confidential and shall be open to inspection only in the following instances:

(1) The employee or the employee's duly authorized agent may examine all portions of the employee's personnel file, except letters of reference solicited prior to employment.

(2) A licensed physician designated in writing by the employee may examine the employee's medical record.

(3) A public hospital employee having supervisory authority over the employee may examine all material in the employee's personnel file.

(4) By order of a court of competent jurisdiction, any person may examine such portion of an employee's personnel file as may be ordered by the court.

(5) An official of an agency of the State or federal government, or any political subdivision of the State, may inspect any portion of a personnel file when the inspection is deemed by the person having custody of the file to be inspected to be necessary and essential to the pursuance of a proper function of the inspecting agency, but no information shall be divulged for the purpose of assisting in criminal prosecution of the employee, or for the purpose of assisting in an investigation of the employee's tax liability. However, the official having custody of the records may release the name, address, and telephone number from a personnel file for the purpose of assisting in a criminal investigation.

(6) An employee may sign a written release, to be placed with the employee's personnel file, that permits the person with custody of the file to provide, either in person, by telephone, or by mail, information specified in the release to prospective employers, educational institutions, or other persons specified in the release.

(d) Even if considered part of an employee's personnel file, the following information need not be disclosed to an employee nor to any other person:

(1) Testing or examination material used solely to determine individual qualifications for appointment, employment, or promotion in the public hospital's service, when disclosure would compromise the objectivity or the fairness of the testing or examination process.

(2) Investigative reports or memoranda and other information concerning the investigation of possible criminal actions of an employee, until the investigation is completed and no criminal action taken, or until the criminal action is concluded.

(3) Information that might identify an undercover law enforcement officer or a law enforcement informer.

(4) Notes, preliminary drafts, and internal communications concerning an employee. In the event such materials are used for any official personnel decision, then the employee or his duly authorized agent shall have a right to inspect such materials.

(e) The governing board of a public hospital may permit access, subject to limitations they may impose, to selected personnel files by a professional representative of a training, research, or academic institution if that representative certifies that he or she will not release information identifying the employees whose files are opened and that the information will be used solely for statistical, research, or teaching purposes. This certification shall be retained by the public hospital as long as each personnel file so examined is retained.

(f) The governing board of a public hospital that maintains personnel files containing information other than the information mentioned in subsection (b) of this section shall establish procedures whereby an employee who objects to material in his or her file on grounds that it is inaccurate or misleading may seek to have the material removed from the file or may place in the file a statement relating to the material.

(g) A public hospital director, trustee, officer, or employee who knowingly, willfully, and with malice permits any person to have access to information contained in a personnel file, except as is permitted by this section, is guilty of a Class 3 misdemeanor; however, conviction under this subsection shall be punishable only by a fine not to exceed five hundred dollars ($500.00).

(h) Any person not specifically authorized by this section to have access to a personnel file designated as confidential, who shall knowingly and willfully examine in its official filing place, or remove, or copy any portion of a confidential personnel file shall be guilty of a Class 3 misdemeanor; however, conviction under this subsection shall be punishable, in the discretion of the court, by a fine not to exceed five hundred dollars ($500.00). (1997-517, s. 2; 2007-508, s. 5.5.)

CASE NOTES

Construction. — Although documents under the definition of "public records" of G.S. 132-1(a) of the Public Records Act, G.S. 132-1 et seq., were usually subject to disclosure, an exemption existed for public hospital personnel files under the clear and unambiguous language of G.S. 131E-257.2 of the Public Hospital Personnel Act, and "personnel files" was defined broadly in G.S. 131E-257.2(a); the interpretation of what information was to be disclosed from those files was based on statutory history, including changes made from predecessor language, as well as the legislature's intent to carve out a privacy niche for public hospital employees for all information regarding compensation except "current salary." Knight Publ'g Co. v. Charlotte-Mecklenburg Hosp. Auth., 172 N.C. App. 486, 616 S.E.2d 602, 2005 N.C. App. LEXIS 1784 (2005), cert. denied, — N.C. —, 626 S.E.2d 298,299 (2005).

"Gathered." — Trial court erred in granting summary judgment to a newspaper in its action under the Public Records Act, G.S. 132-1 et seq., and the Public Hospital Personnel Act, G.S. 131E-257 et seq., seeking disclosure of public hospital employee salary information, as such was protected from disclosure, except as to current salary, pursuant to G.S. 131E-257.2; information contained in an employee's personnel file was "gathered" by the hospital, pursuant to the use of that term under G.S. 131E-257.2(a), as it was not construed narrowly, but rather, read to mean amassed or collected in one place. Knight Publ'g Co. v. Charlotte-Mecklenburg Hosp. Auth., 172 N.C. App. 486, 616 S.E.2d 602, 2005 N.C. App. LEXIS 1784 (2005), cert. denied, — N.C. —, 626 S.E.2d 298,299 (2005).

OPINIONS OF ATTORNEY GENERAL

Settlement Agreement Not Confidential. — Only medical malpractice settlements in which the State is a party are exempt from disclosure; a settlement agreement, not involving medical malpractice, between a doctor and a State hospital, even one purporting to keep the settlement or related matters confidential, must be released to the requestor in its unredacted form, with the exception of information from the doctor's personnel file which was first gathered by the hospital. See opinion of Attorney General to Mr. Fred M. Carmichael Summrell, Sugg, Carmichael & Ashton, P.A., 1997 N.C.A.G. 68 (11/26/97).

§§ 131E-258 through 131E-264: Reserved for future codification purposes.

Article 16.

Miscellaneous Provisions.

§ 131E-265. Criminal history record checks required for certain applicants for employment.

(a) Requirement; Nursing Home or Home Care Agency. — An offer of employment by a nursing home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An offer of employment by a home care agency licensed under this Chapter to an applicant to fill a position that requires entering the patient's home is conditioned on consent to a criminal history record check of the applicant. In addition, employment status change of a current employee of a home care agency licensed under this Chapter from a position that does not require entering the patient's home to a position that requires entering the patient's home shall be conditioned on consent to a criminal history record check of that current employee. If the applicant for employment or if the current employee who is changing employment status has been a resident of this State for less than five years, then the offer of employment or change in employment status is conditioned on consent to a State and national criminal history record check. The national criminal history record check shall include a check of the applicant's or current employee's fingerprints. If the applicant or current employee has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant or current employee applying for a change in employment status. A nursing home or a home care agency shall not employ an applicant who refuses to consent to a criminal history record check required by this section. In addition, a home care agency shall not change a current employee's employment status from a position that does not require entering the patient's home to a position that requires entering the patient's home who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, a nursing home or home care agency shall submit a request to the Department of Justice under G.S. 114.19.10 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. Notwithstanding G.S. 114-19.10, the Department of Justice shall return the results of national criminal history record checks for employment positions not covered by Public Law 105-277 to the Department of Health and Human Services, Criminal Records Check Unit. Within five business days of receipt of the national criminal history of the person, the Department of Health and Human Services, Criminal Records Check Unit, shall notify the nursing home or home care agency as to whether the information received may affect the employability of the applicant. In no case shall the results of the national criminal history record check be shared with the nursing home or home care agency. Nursing homes and home care agencies shall make available upon request verification that a criminal history check has been completed on any staff covered by this section. All criminal history information received by the home or agency is confidential and may not be disclosed, except to the applicant as provided in subsection (b) of this section.

(a1) Requirement; Contract Agency of Nursing Home or Home Care Agency. — An offer of employment by a contract agency of a nursing home or home care agency licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned upon consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A contract agency of a nursing home or home care agency shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, a contract agency of a nursing home or home care agency shall submit a request to the Department of Justice under G.S. 114-19.10 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. Notwithstanding G.S. 114-19.10, the Department of Justice shall return the results of national criminal history record checks for employment positions not covered by Public Law 105-277 to the Department of Health and Human Services, Criminal Records Check Unit. Within five business days of receipt of the national criminal history of the person, the Department of Health and Human Services, Criminal Records Check Unit, shall notify the contract agency of the nursing home or home care agency as to whether the information received may affect the employability of the applicant. In no case shall the results of the national criminal history record check be shared with the contract agency of the nursing home or home care agency. Contract agencies of nursing homes and home care agencies shall make available upon request verification that a criminal history check has been completed on any staff covered by this section. All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section.

(b) Action. — If an applicant's criminal history record check reveals one or more convictions of a relevant offense, the nursing home or home care agency, or the contract agency of a nursing home or home care agency, shall consider all of the following factors in determining whether to hire the applicant:

(1) The level and seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.
(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
(7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the nursing home or home care agency, or the contract agency of the nursing home or home care agency. If a nursing home, home care agency, or contract agency of a nursing home or home care agency disqualifies an applicant after consideration of the relevant factors, then the nursing home, home care agency, or contract agency may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

(c) Limited Immunity. — An entity and an officer or employee of an entity that, in good faith, complies with this section is not liable for the failure of the entity to employ an individual on the basis of information provided in the criminal history record check of the individual.

(d) Relevant Offense. — As used in this section, the term "relevant offense" has the same meaning as in G.S. 131D-40.

(e) Penalty for Furnishing False Information. — Any applicant for employment who willfully furnishes, supplies, or otherwise gives false information on an employment application that is the basis for a criminal history record check under this section shall be guilty of a Class A1 misdemeanor.

(f) Conditional Employment. — A nursing home or home care agency may employ an applicant conditionally prior to obtaining the results of a criminal history record check regarding the applicant if both of the following requirements are met:

(1) The nursing home or home care agency shall not employ an applicant prior to obtaining the applicant's consent for a criminal history record check as required in subsection (a) of this section or the completed fingerprint cards as required in G.S. 114-19.10.

(2) The nursing home or home care agency shall submit the request for a criminal history record check not later than five business days after the individual begins conditional employment.

(g) Immunity From Liability. — An entity and officers and employees of an entity shall be immune from civil liability for failure to check an employee's history of criminal offenses if the employee's criminal history record check is requested and received in compliance with this section.

(h) For purposes of this section, the term "private entity" means a business regularly engaged in conducting criminal history record checks utilizing public records obtained from a State agency. (1995 (Reg. Sess., 1996), c. 606, s. 3; 1997-125, s. 2; 1997-140, s. 4; 2000-154, ss. 3(a),(b); 2004-124, s. 10.19D(a); 2005-4, ss. 8, 9; 2007-444, s. 3.2.)

Editor's Note. — The number of this Article and the number of this section were assigned by the Revisor of Statutes, the numbers as enacted by Session Laws 1995 (Reg. Sess., 1996), c. 606, s. 3, having been Article 15 and G.S. 131E-255.

Session Laws 2001-465, s. 2(a), effective November 16, 2001, provides: "The requirements of G.S. 131E-265(a1) for contract agencies of nursing homes and home care agencies, G.S. 131D-40 for adult care homes and contract agencies of adult care homes, and of G.S. 122C-80 for area mental health, developmental disabilities, and substance abuse services authorities, to conduct national criminal history record checks are suspended until January 1, 2003."

Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 10.8E, effective July 1, 2003, provides: "Notwithstanding any other provision of law to the contrary, the requirements of G.S. 131E-265 for nursing homes to conduct national criminal history record checks for employment positions other than those involving direct patient care shall become effective no earlier than January 1, 2005. Notwithstanding any other provision of law to the contrary, the requirements of G.S. 131D-2 for adult care homes to conduct national criminal records checks for all staff positions shall become effective no earlier than January 1, 2005. For similar provision setting effective date of no earlier than January 1, 2003, see Session Laws 2001-465, s. 2(b). For similar provision setting effective date of no earlier than January 1, 2004, see Session Laws 2002-126, s. 10.10C."

Session Laws 2003-284, s. 49.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2003-2005 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2003-2005 fiscal biennium."

Session Laws 2003-284, s. 49.5, is a severability clause.

§ 131E-266. Compliance history provider file.

The Department of Health and Human Services shall establish and maintain a provider file to record and monitor compliance histories of facilities, owners, operators, and affiliates of nursing homes and adult care homes. (1999-334, s. 3.8.)

Editor's Note. — Session Laws 1999-334, s. 3.8, was codified as this section and G.S. 131D-41 at the direction of the Revisor of Statutes.

§ 131E-267. Fees for departmental review of licensed health care facility or Medical Care Commission bond-financed construction projects.

(a) The Department of Health and Human Services shall charge a fee for the review of each health care facility construction project to ensure that project plans and construction are in compliance with State law. The fee shall be charged on a one-time, per-project basis as provided in this section. In no event may a fee imposed under this section exceed two hundred thousand dollars ($200,000) for any single project. The first seven hundred twelve thousand six hundred twenty-six dollars ($712,626) in fees collected under this section shall remain in the Division of Health Service Regulation. Additional fees collected shall be credited to the General Fund as nontax revenue and are intended to offset rather than replace appropriations made for this purpose.

(b) The fee imposed for the review of a hospital construction project varies depending upon the square footage of the project:

Over	**Up To**	**Project Fee**
0	5,000	$1,500 plus $0.25 per square foot
5,000	10,000	$3,000 plus $0.25 per square foot
10,000	20,000	$4,500 plus $0.45 per square foot
20,000	NA	$6,000 plus $0.45 per square foot

(c) The fee imposed for the review of a nursing home construction project varies depending upon the square footage of the project:

Over	**Up To**	**Project Fee**
0	2,000	$250.00 plus $0.15 per square foot
2,000	NA	$500.00 plus $0.25 per square foot

(d) The fee imposed for the review of an ambulatory surgical facility construction project varies depending upon the square footage of the project:

Over	**Up To**	**Project Fee**
0	2,000	$200.00 plus $0.15 per square foot
2,000	NA	$400.00 plus $0.25 per square foot

(e) The fee imposed for the review of a psychiatric hospital construction project varies depending upon the square footage of the project:

Over	**Up To**	**Project Fee**
0	5,000	$750.00 plus $0.25 per square foot
5,000	10,000	$1,500.00 plus $0.25 per square foot
10,000	20,000	$2,250.00 plus $0.45 per square foot
20,000	NA	$3,000.00 plus $0.45 per square foot

(f) The fee imposed for the review of an adult care home construction project varies depending upon the square footage of the project:

Over	Up To	Project Fee
-0-	2,000	$175.00 plus $0.10 per square foot
2,000	NA	$350.00 plus $0.20 per square foot

(g) The fee imposed for the review of the following residential construction projects is:

Residential Project	Project Fee
Family Care Homes	$225.00 flat fee
ICF/MR Group Homes	$350.00 flat fee
Group Homes: 1-3 beds	$125.00 flat fee
Group Homes: 4-6 beds	$225.00 flat fee
Group Homes: 7-9 beds	$275.00 flat fee
Other residential:	
More than 9 beds	$275.00 plus $0.15 per square foot of project space.

(2003-284, s. 34.11(a); 2005-276, s. 41.2(j); 2006-66, s. 10.22; 2007-323, s. 30.5(a); 2008-107, s. 29.5(a).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

Session Laws 2008-107, s. 1.2, provides: "This act shall be known as 'The Current Operations and Capital Improvements Appropriations Act of 2008'."

Session Laws 2008-107, s. 30.5 is a severability clause.

Effect of Amendments. — Session Laws 2008-107, s. 29.5(a), effective July 20, 2008, rewrote the section.

§ 131E-268: Reserved for future codification purposes.

§ 131E-269. Authorization to charge fee for certification of facilities suitable to perform abortions.

The Department of Health and Human Services shall charge each hospital or clinic certified by the Department as a facility suitable for the performance of abortions, as authorized under G.S. 14-45.1, a nonrefundable annual certification fee in the amount of seven hundred dollars ($700.00). (2003-284, s. 34.7(a); 2005-276, s. 41.2(g).)

Editor's Note. — Session Laws 2003-284, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2003'."

Session Laws 2003-284, s. 48.1, provides: "Parts 32 through 47 of this act do not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by those parts before the effective date of its amendment or repeal; nor do they affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal."

Session Laws 2003-284, s. 49.5, is a severability clause.

§ 131E-270. Medication Aide Registry.

(a) The Department shall establish and maintain a Medication Aide Registry containing the names of all health care personnel in North Carolina who have successfully completed a medication aide training program that has been approved by the North Carolina Board of Nursing, passed a State-administered medication aide competency exam, and met any other requirements set by the Medical Care Commission.

(b) Before allowing an individual to serve as a medication aide, an employer shall access the Medication Aide Registry to verify that the individual is listed on the Registry and shall note each incidence of access in the appropriate business file. Employers may not use an individual as a medication aide unless the individual is listed on the Medication Aide Registry.

(c) Employers shall access the Health Care Personnel Registry prior to employing a medication aide. Any substantiated action as defined in G.S. 131E-256(a)(1) listed against the medication aide shall disqualify the medication aide from employment in any facility or agency covered by Part 1 of Article 6 of this Chapter. (2005-276, s. 10.40C(c); 2007-444, s. 4(b).)

Editor's Note. — Session Laws 2005-276, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2005'."

Session Laws 2005-276, s. 10.40C(d), provides: "This section becomes effective July 1, 2006. The North Carolina Board of Nursing and the Department of Health and Human Services shall report on the implementation of this act to the House of Representatives Appropriations Subcommittee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division not later than March 1, 2006, and annually thereafter."

Session Laws 2005-276, s. 46.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 2005-2007 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 2005-2007 fiscal biennium."

Session Laws 2005-276, s. 46.5 is a severability clause.

§ 131E-271: Reserved for future codification purposes.

§ 131E-272. Initial licensure fees for new facilities.

The following fees are initial licensure fees for new facilities and are applicable as follows:

Facility Type	**Number of Beds**	**Initial License Fee**	**Initial Bed Fee**
Adult Care Licensure	More than 6	$400.00	$19.00
	6 or Fewer	$350.00	$ —
Acute and Home Care			
General Acute Hospitals	1-49	$550.00	$19.00
	50-99	$750.00	$19.00

ARTICLE 17.

Provider Sponsored Organization Licensing.

§ 131E-275. General provisions.

(a) The General Assembly acknowledges that section 1855, et seq., of the federal Social Security Act permits provider sponsored organizations that are organized and licensed under State law as risk-bearing entities, or that are otherwise certified as such by the federal government, to be eligible to offer Medicare health insurance or health benefits coverage in each state in which the provider sponsored organization offers a Medicare+Choice plan. The General Assembly declares that provider sponsored organizations are beneficial to North Carolina citizens who are Medicare beneficiaries and should be encouraged, subject to appropriate regulation by the Division of Medical Assistance of the Department of Health and Human Services. The General Assembly further declares that, because provider sponsored organizations provide health care directly and assume responsibility for the provision of health care services to Medicare beneficiaries under the requirements of the federal Medicare program, they require different regulatory oversight to protect the public than health maintenance organizations and insurance companies. The General Assembly further declares that the organizers and operators of provider sponsored organizations which are licensed under the terms of this Article as risk-bearing entities authorized to contract directly with the federal Medicare+Choice program shall not be subject to Chapter 58 of the General Statutes or the insurance laws of this State, unless otherwise specified in this Article.

It is the intent of the General Assembly to encourage innovative methods by which sponsoring providers can directly or indirectly share substantial financial risk in the PSO in any lawful manner.

(b) As set forth in this Article, the Division of Medical Assistance of the Department of Health and Human Services shall be the agency of the State authorized to license provider sponsored organizations to contract with Medicare to provide health care services to Medicare beneficiaries and to engage in the other related activities described in this Article.

(c) Each provider sponsored organization shall obtain a license from the Division or shall otherwise be certified by the federal government prior to establishing, maintaining, and operating a health care plan in this State for Medicare+Choice beneficiaries. Nothing in this Article shall be construed to authorize a provider sponsored organization to establish, maintain, or operate a health care plan other than exclusively for Medicare+Choice beneficiaries. (1998-227, s. 1.)

Editor's Note. — Session Laws 1998-227, s. 6, appropriates initial funds and further provides for the allocation of $50,000 from funds appropriated to the Department of Health and Human Services for the 1998-99 fiscal year to be used by the Division of Medical Assistance to implement the Act and further provides that nothing in the Act shall obligate the General Assembly to appropriate or allocate additional funds to implement the Act.

§ 131E-276. Definitions.

As used in this Article, unless the context clearly implies otherwise, the following definitions apply:

(1) "Affiliated provider" means a health care provider that is affiliated with another provider if, through contract, ownership, or otherwise: (i) one provider directly controls, is controlled by, or is under common control with the other provider; (ii) each provider participates in a lawful combination under which they share substantial financial risk for the organization's operation; (iii) both providers are part of a controlled group of corporations as defined under section 1563 of the Internal Revenue Code of 1986; or (iv) both providers are part of an affiliated service group under section 414 of this Code. Control is presumed if one party directly or indirectly owns, controls, or holds the power to vote, or proxies for, at least fifty-one percent (51%) of the voting or governance rights of another.

(2) "Beneficiary" or "beneficiaries" means a beneficiary or beneficiaries of the Medicare+Choice program who are enrolled with the provider sponsored organization (PSO) under the terms of a contract between the PSO and the Medicare program.

(3) "Current assets" means cash, marketable securities, accounts receivable, and other current items that will be converted into cash within 12 months.

(4) "Current liabilities" means accounts payable and other accrued liabilities, including payroll, claims, and taxes that will need to be paid within 12 months.

(5) "Current ratio" means the ratio of current assets divided by current liabilities calculated at the end of any accounting period.

(6) "Division" means the Division of Medical Assistance of the Department of Health and Human Services.

(7) "Emergency services" has the same meaning as defined in G.S. 58-50-61(a)(5).

(8) "Health care delivery assets" means any tangible asset that is part of a PSO operation, including hospitals, medical facilities, and their ancillary equipment, and any property that may reasonably be required for the PSO's principal office or for any purposes that may be necessary in the transaction of the business of the PSO.

(9) "Health plan contract" or "Medicare contract" means a PSO's direct contract with the United States Department of Health and Human Services under section 1857 of the federal Social Security Act.

(10) "Out-of-network services" means health care items or services that are covered services under a PSO's Medicare contract and that are provided to beneficiaries by health care providers that are not participating providers in the PSO's network of health care providers.

(11) "Parent of a sponsoring provider" means the public or private entity that owns or controls a controlling interest in the sponsoring provider or that has the power to appoint a controlling number of the governing board of a sponsoring provider or that has the power to direct the management policy and decisions of the sponsoring provider.

(12) "Provider" or "health care provider" means: (i) any individual that is engaged in the delivery of health care services and that is required by North Carolina law or regulation to be licensed to engage in the delivery of these health care services and is so licensed; (ii) any entity that is engaged in the delivery of health care services and that is required by North Carolina law or regulation to be licensed to engage in the delivery of these health care services and is so licensed; or (iii) any entity that is owned or controlled entirely by individuals or entities described in subparts (i) or (ii) of this definition.

(13) "Provider sponsored organization" or "PSO" means a public or private entity domiciled in this State, including a business corporation, a nonprofit corporation, a partnership, a limited liability company, a professional limited liability company, a professional corporation, a sole proprietorship, a public hospital, a hospital authority, a hospital district, or a body politic: (i) that is established, organized, and operated by sponsoring providers; (ii) in which physicians licensed pursuant to Article 1 of Chapter 90 of the General Statutes or to the laws of any state of the United States comprise no less than fifty percent (50%) of the governing board or body, unless otherwise prohibited by law; and (iii) that provides a substantial proportion of the services under each Medicare contract directly through the sponsoring provider. The requirement in subpart (ii) of this definition shall not preclude a PSO that includes a tax-exempt hospital from adopting a bylaw provision that provides a veto for the tax-exempt hospital over actions of the PSO necessary to maintain the hospital's tax-exempt status. A PSO shall not be out of compliance with the requirement in subpart (ii) due to temporary vacancies on its governing board or body. Subpart (ii) of this subdivision applies only if a hospital licensed under this Chapter or Chapter 122C of the General Statutes is the sponsoring provider or a member of the group of affiliated health care providers that comprises the sponsoring provider.

(14) "Sponsoring providers" of a PSO means the health care provider domiciled in this State that assumes, or group of affiliated health care providers that directly or indirectly shares, substantial financial risk in the PSO and that has at least a majority financial interest in the PSO.

(15) "Substantial proportion of the services" means at least seventy percent (70%), or sixty percent (60%) for PSOs whose beneficiaries reside primarily in rural areas, of the annual health care expenditures. (1998-227, s. 1.)

§ 131E-277. Direct or indirect sharing of substantial financial risk.

In order for sponsoring providers to directly or indirectly share substantial financial risk in the PSO, the PSO shall do one or more of the following:

(1) Provide services under its Medicare contract at a capitated rate;
(2) Provide designated services or classes of services under its Medicare contract for a predetermined percentage of premium or revenue from the Medicare program;
(3) Use significant financial incentives for its sponsoring providers, as a group to achieve specified cost-containment and utilization management goals either by:
  a. Withholding from all sponsoring providers a substantial amount of the compensation due to them, with distribution of that amount to the sponsoring providers based on performance of all sponsoring providers in meeting the cost-containment goals of the network as a whole; or
  b. Establishing overall cost or utilization targets for the PSO, with the sponsoring providers subject to subsequent substantial financial rewards or penalties based on group performance in meeting the targets; or
(4) Agree to provide a complex or extended course of treatment that requires the substantial coordination of care by sponsoring providers in different specialties offering a complementary mix of services, for a fixed, predetermined payment, when the costs of that course of treatment for any individual patient can vary greatly due to the individual patient's treatment or other factors; or
(5) Agree to any other arrangement that the Division determines to provide for the sharing of substantial financial risk by the sponsoring providers. (1998-227, s. 1.)

§ 131E-278. Applicability of other laws.

Unless otherwise required by federal law, provider sponsored organizations licensed pursuant to the terms of this Article are exempt from all regulation under Chapter 58 of the General Statutes. Plan contracts, provider contracts, and other arrangements related to the provision of covered services by these licensed networks or by health care providers of these PSOs when operating through these PSOs shall likewise be exempt from regulation under Chapter 58 of the General Statutes. (1998-227, s. 1.)

§ 131E-279. Approval.

(a) Unless otherwise required by federal law, the Division shall be the agency of the State that shall license provider sponsored organizations that seek to contract with the federal government to provide health care services directly to Medicare beneficiaries under the Medicare+Choice program.

(b) Provider sponsored organizations which have been granted a waiver pursuant to 42 U.S.C. § 1395w-25(a)(2) and which otherwise meet the requirements of the PSO's Medicare contract shall be deemed by the State to be licensed under this Article for so long as the waiver or Medicare contract remains in effect. The foregoing shall not limit the Division's authority to regulate such PSOs and their respective sponsoring providers and affiliated providers as may be permitted in 42 U.S.C. § 1395w-25(a)(2)(G) or the PSO's Medicare contract.

(c) The Division shall license a PSO as a risk-bearing entity eligible to offer health benefits coverage in this State to Medicare beneficiaries if the PSO complies with the requirements of this Article. This license shall be granted or denied by the Division not longer than 90 days after the receipt of a substantially complete application for licensing. Within 45 days after the Division receives an application for licensing, the Division shall either notify the applicant that the application is substantially complete, or clearly and accurately specify in writing to the applicant all additional specific information required by the applicant to make the application a substantially completed application. This agency response shall set forth a date and time for a meeting within 30 days after it is sent to the applicant, at which a representative of the Division will explain with particularity the additional information required by the Division in the response to make the application substantially complete. The Division shall be bound by the response unless the Division determines that it must be modified in order to meet the purposes of this Article. The Division shall not delegate the authority to modify the response. If an applicant provides the additional information set forth in the response, the application shall be considered substantially complete. If the Division has not acted on an application within 90 days after it is deemed substantially complete, the Division shall immediately issue a license to the applicant, and the applicant shall be considered to have been licensed by the Division. Any reapplication which corrects the deficiencies which were specified by the Division in the response shall be approved by the Division.

(d) For purposes of determining, under 42 U.S.C. § 1395w-25(a)(2)(B), or any successor thereof, the date of receipt by the State of a substantially complete application, the date the Division receives the applicant's written response to the agency response or an earlier date considered by the Division shall be considered to be that date. The foregoing shall not limit the Division's authority to consider an application not substantially complete under subsection (c) of this section if the applicant's response to the response does not provide substantially the information specified in the response.

(e) A license shall be denied only after the Division complies with the requirements of G.S. 131E-305. (1998-227, s. 1.)

§ 131E-280. Applicants for license.

Each application for licensing as a provider sponsored organization authorized to do business in North Carolina shall be certified by an officer or authorized representative of the applicant, shall be in a form prescribed by the Division, and shall be set forth or be accompanied by the following:

(1) A copy of the basic organizational document, if any, of the applicant and each sponsoring organization that holds greater than a five percent (5%) interest in the PSO, such as the articles of incorporation, articles of organization, partnership agreement, trust agreement, or other applicable documents, and all amendments thereto;

(2) A copy of the respective bylaws, rules and regulations, or similar documents, if any, regulating the conduct of the internal affairs of the applicant and each sponsoring provider which holds greater than a five percent (5%) interest in the PSO;

(3) Copies of the document evidencing the arrangements between the applicant and each sponsoring provider that create the relationships and obligations described in G.S. 131E-276(1);

(4) A list of the names, addresses, and official positions of persons who are to be responsible for the conduct of the affairs of the applicant and of each sponsoring provider that holds greater than a five percent (5%) interest in the PSO, respectively, including all members of the respective boards of directors, boards of trustees, executive committees, or other governing boards or committees, the principal officers in the case of a corporation, and the partners or members in the case of a partnership or association;

(5) A copy of any contract form made or to be made between any class of providers and the PSO and a copy of any contract form made or to be

made between third-party administrators, marketing consultants, or persons listed in subdivision (3) of this subsection and the PSO;

(6) A statement generally describing the provider sponsored organization, its sponsoring providers, its health care plan or plans, facilities, and personnel and certifying that its medical director or other person charged with determining and overseeing the PSO's medical policies is a medical doctor holding an unrestricted license to practice medicine under Article 1 of Chapter 90 of the General Statutes;

(7) A copy of the hospital license of each sponsoring provider that is a hospital, a copy of the license to practice medicine of each sponsoring provider or owner of a sponsoring provider that is a licensed physician, and a copy of the health care service or facility license held by any other licensed sponsoring provider;

(8) Financial statements showing the applicant's assets, liabilities, sources of financial support, and the financial statements of each sponsoring provider that holds greater than a five percent (5%) interest in the PSO showing the sponsoring provider's assets, liabilities, and sources of support. If the applicant's or any such sponsoring provider's financial affairs are audited by independent certified public accountants, a copy of the applicant's or sponsoring provider's most recent regular certified financial statement shall be considered to satisfy this requirement unless the Division directs that additional or more recent financial information is required for the proper administration of this Article;

(9) If the applicant's obligations under G.S. 131E-282, 131E-283, 131E-297, 131E-298, and 131E-299 are guaranteed by one or more guarantors:
  a. Documentation that each guarantor meets the following requirements:
    1. The guarantor is a legal entity authorized to conduct business in North Carolina.
    2. The guarantor is not under federal bankruptcy or State receivership or rehabilitation proceedings.
    3. The guarantor has a net worth, not including other guarantees, intangibles, and restricted reserves, equal to three times the amount of the PSO's guarantee.
  b. Financial statements showing each guarantor's assets, liabilities, and source of financial support.
  c. If a guarantor's financial affairs are audited by independent certified public accountants, a copy of the guarantor's most recent regular audited financial statement shall be considered to satisfy this requirement unless the Division directs that additional or more recent financial information is required for the proper administration of this Article.
  d. The guarantee document, including a statement of the financial obligation covered by the guarantee, an agreement to unconditionally fulfill the financial obligations covered by the guarantee, an agreement not to subordinate the guarantee to any other claim on the resources of the guarantor and a declaration that the guarantor must act on a timely basis to satisfy the financial obligations covered by the guarantee.

(10) A financial plan, satisfactory to the Division, covering the first 12 months of operation under the PSO's Medicare contract and which meets the requirements of G.S. 131E-283. If the financial plan projects losses, the financial plan must cover the period through 12 months beyond the projected breakeven;

(11) A statement reasonably describing the geographic area or areas to be served;
(12) A description of the procedures to be implemented to meet the protection against insolvency requirements of G.S. 131E-298; and
(13) Any other information the Division may require to make the determinations required in G.S. 131E-282. (1998-227, s. 1.)

§ 131E-281. Additional information.

(a) In addition to the information filed under G.S. 131E-280, each application shall include a description of the following:
(1) The program to be used to evaluate whether the applicant's network of sponsoring providers and contracted providers is sufficient, in numbers and types of providers, to assure that all health care services will be accessible without unreasonable delay;
(2) The program used to evaluate whether the sponsoring providers provide a substantial portion of services under each Medicare contract of the PSO;
(3) The program to be used for verifying provider credentials;
(4) The utilization review program for the review and control of health care services provided or paid for by the applicant;
(5) The quality management program to assure quality of care and health care services managed and provided through the health care plan; and
(6) The applicant's network of sponsoring providers and contracted providers and evidence of the ability of that network to provide all health care services other than out-of-network services and emergency services to the applicant's prospective beneficiaries.

(b) The Division may promulgate rules and regulations exempting from the filing requirements of subsection (a) of this section those items it deems unnecessary. (1998-227, s. 1.)

§ 131E-282. Issuance of license.

(a) Before issuing a PSO license, the Division may make an examination or investigation as it deems expedient. The Division shall issue a license after receipt of a substantially complete application and upon satisfaction of the following requirements:
(1) The applicant is duly organized as a provider sponsored organization as defined by this Article.
(2) The PSO has initially a minimum net worth of one million five hundred thousand dollars ($1,500,000). In the event the PSO submits a financial plan that demonstrates that the PSO does not have to create but has or has available to it an administrative infrastructure that shall reduce the PSO's start-up costs, the Division may lower the initial minimum net worth required to one million dollars ($1,000,000) or to any lower amount as determined by the Division if the PSO operates primarily in rural areas.
(3) The PSO shall have at least seven hundred fifty thousand dollars ($750,000) in cash or equivalents on its balance sheet, except that the Division may permit a PSO operating primarily in rural areas to have a lesser amount held in cash or equivalents on its balance sheets.
(4) The applicant submits a financial plan satisfactory to the Division which covers the first 12 months of operation of the PSO's Medicare contract and which meets the requirements of G.S. 131E-283. If the plan projects losses, the financial plan shall cover the period through 12 months beyond projected breakeven.

(5) The Division determines that the applicant has sufficient cash flow to meet its obligations as they become due. In making that determination, the Division shall consider the following:
   a. The timeliness of payment;
   b. The extent to which the current ratio is maintained at one-to-one, or whether there is a change in the current ratio over a period of time; and
   c. The availability of outside financial resources.

(b) In calculating the net worth of a PSO, the Division shall admit the following:

(1) One hundred percent (100%) of the book value of health care delivery assets on the balance sheet of the applicant.

(2) One hundred percent (100%) of the value of cash and cash equivalents on the balance sheet of the applicant.

(3) If at least one million dollars ($1,000,000) of the initial minimum net worth requirement is met by cash or cash equivalents, then one hundred percent (100%) of the book value of the PSO's intangible assets up to twenty percent (20%) of the minimum net worth amount required. If less than one million dollars ($1,000,000) of the initial minimum net worth requirement is met by cash or cash equivalents or if the Division has used its discretion to reduce the initial net worth requirement below one million five hundred thousand dollars ($1,500,000), then the Division shall admit one hundred percent (100%) of the book value of intangible assets of the PSO up to ten percent (10%) of the minimum net worth amount required.

(4) Standard accounting principles treatment shall be given to other assets of the PSO not used in the delivery of health care for the purposes of meeting the minimum net worth requirement.

(5) Deferred acquisition costs shall not be admitted. (1998-227, s. 1.)

§ 131E-283. Financial plan.

(a) The financial plan shall include the following:

(1) A detailed marketing plan;
(2) Statements of revenue and expense on an accrual basis;
(3) Cash flow statements;
(4) Balance sheets; and
(5) The assumptions and justifications in support of the financial plan.

(b) In the financial plan, the PSO shall demonstrate that it has the resources available to meet the projected losses for the entire period to break even. Except for the use of guaranties as provided in subsection (c) of this section, letters of credit as provided in subsection (e) of this section, and other means as provided in subsection (f) of this section, the resources must be assets on the balance sheet of the PSO in a form that is either cash or convertible to cash in a timely manner, pursuant to the financial plan.

(c) Guaranties shall be acceptable as a resource to meet projected losses, under the following conditions:

(1) For the first year of the PSO's operation of the PSO's Medicare contract, the guarantor must provide the PSO with cash or cash equivalents to fund the projected losses, as follows:
   a. Prior to the beginning of the first quarter, in the amount of the projected losses for the first two quarters;
   b. Prior to the beginning of the second quarter, in the amount of the projected losses through the end of the third quarter; and
   c. Prior to the beginning of the third quarter, in the amount of the projected losses through the end of the fourth quarter.

(2) If the guarantor provides the cash or cash equivalents to the PSO in a timely manner on the above schedule, this funding shall be considered in compliance with the guarantor's commitment to the PSO. In the third quarter, the PSO shall notify the Division if the PSO intends to reduce the period of funding of projected losses. The Division shall notify the PSO within 60 days of receiving the PSO's notice if the reduction is not acceptable.

(3) If the above guaranty requirements are not met, the Division may take appropriate action, such as requiring funding of projected losses through means other than a guaranty. The Division retains discretion which shall be reasonably exercised to require other methods or timing of funding, considering factors such as the financial condition of the guarantor and the accuracy of the financial plan.

(d) The Division may modify the conditions in subsection (c) of this section in order to clarify the acceptability of guaranty arrangements.

(e) An irrevocable, clean, unconditional letter of credit may be used as an acceptable resource to fund projected losses in place of cash or cash equivalents if satisfactory to the Division.

(f) If approved by the Division, based on appropriate standards promulgated by the Division, PSOs may use the following to fund projected losses for periods after the first year: lines of credit from regulated financial institutions, legally binding agreements for capital contributions, or other legally binding contracts of a similar level of reliability.

(g) The exceptions in subsections (c), (e), and (f) of this section may be used in an appropriate combination or sequence. (1998-227, s. 1.)

§ 131E-284. Modifications.

(a) A provider sponsored organization shall file a notice describing any significant change in the information required by the Division under G.S. 131E-280. Such notice shall be filed with the Division prior to the change. If the Division does not disapprove within 90 days after the filing, this modification shall be considered approved. Changes subject to the terms of this section include expansion of service area, addition or deletion of sponsoring providers, changes in provider contract forms, and group contract forms when the distribution of risk is significantly changed, and any other changes that the Division describes in properly adopted rules. Every PSO shall report to the Division for the Division's information material changes in the network of sponsoring providers and affiliated providers of services to beneficiaries enrolled with the PSO, the addition or deletion of any Medicare contracts of the PSO or any other information the Division may require. This information shall be filed with the Division within 15 days after implementation of the reported changes. Every PSO shall file with the Division all subsequent changes in the information or forms that are required by this Article to be filed with the Division.

(b) The Division may adopt rules exempting from the filing requirements of subsection (a) of this section those items it considers unnecessary. (1998-227, s. 1.)

§ 131E-285. Deposits.

(a) At the time of application, the Division shall require a deposit of one hundred thousand dollars ($100,000) in cash or securities or a combination thereof for all provider sponsored organizations. The deposits shall be included in the calculations of a PSO's or applicant's net worth.

(b) All deposits required by this section shall be restricted to use in the event of insolvency to help assume continuation of services or pay costs associated with receivership or liquidation. (1998-227, s. 1.)

§ 131E-286. Ongoing financial standards — Net worth.

(a) Beginning the first day of operation of the PSO and except as otherwise provided in subsection (d) of this section, every PSO shall maintain a minimum net worth equal to the greatest of the following amounts:

(1) One million dollars ($1,000,000);

(2) Two percent (2%) of annual premium revenues as reported on the most recent annual financial statement filed with the Division on the first one hundred fifty million dollars ($150,000,000) of premium and one percent (1%) of annual premium on the premium in excess of one hundred fifty million dollars ($150,000,000);

(3) An amount equal to the sum of three months uncovered health care expenditures as reported on the most recent financial statement filed with the Division;

(4) An amount equal to the sum of:

a. Eight percent (8%) of annual health care expenditures paid on a noncapitated basis to nonaffiliated providers as reported on the most recent financial statement filed with the Division; and

b. Four percent (4%) of annual health care expenditures paid on a capitated basis to nonaffiliated providers plus annual health care expenditures paid on a noncapitated basis to affiliated providers; and

c. Zero percent (0%) of annual health care expenditures paid on a capitated basis to affiliated providers regardless of downstream arrangements from the affiliated provider.

(b) In calculating net worth, liabilities shall not include fully subordinated debt or subordinated liabilities. For purposes of this provision, subordinated liabilities are claims liabilities otherwise due to providers that are retained by the PSO to meet net worth requirements and are fully subordinated to all creditors.

(c) In calculating net worth for purposes of this section, the items described in G.S. 131E-282(b) shall be admitted, except as follows:

(1) For intangible assets, if at least the greater of one million dollars ($1,000,000) or sixty-seven percent (67%) of the ongoing minimum net worth requirement is met by cash or cash equivalents, then the Division shall admit the book value of intangible assets up to twenty percent (20%) of the minimum net worth amount required. If less than the greater of one million dollars ($1,000,000) or sixty-seven percent (67%) of the ongoing minimum net worth requirement is met by cash or cash equivalents, then the Division shall admit the book value of intangible assets up to ten percent (10%) of the minimum net worth amount required; and

(2) Deferred acquisition costs shall not be admitted.

(d) The Division may lower the minimum ongoing net worth threshold, and the amount held in cash or cash equivalents for PSOs that operate primarily in rural areas.

(e) During the start-up phase of the PSO, the pre-break-even financial plan requirements shall apply. After the point of breakeven, the financial plan requirement shall address cash needs and the financing required for the next three years.

(f) If a PSO, or the legal entity of which the PSO is a component, did not earn a net operating surplus during the most recent fiscal year, the PSO shall submit a financial plan, satisfactory to the Division, meeting all of the requirements established for the initial financial plan. (1998-227, s. 1.)

§ 131E-287. PSO Reporting.

(a) The PSO shall file with the Division financial information relating to PSO solvency standards described in this Article, according to the following schedule:

(1) On a quarterly basis until breakeven; and
(2) On an annual basis after breakeven, if the PSO has a net operating surplus; or
(3) On a quarterly or monthly basis, as specified by the Division, after breakeven, if the PSO does not have a net operating surplus.

(b) To the extent not preempted by federal law or otherwise mandated by the Medicare program, the PSO shall annually, on or before the first day of March of each year, file with the Division the following information for the previous calendar year:

(1) The number of and reasons for grievances and complaints received from Medicare beneficiaries enrolled with the PSO under the PSO's Medicare contract regarding medical treatment. The report shall include the number of covered lives, total number of grievances categorized by reason for the grievance, the number of grievances referred to the second level grievance review, the number of grievances resolved at each level and their resolution, and a description of the actions that are being taken to correct the problems that have been identified through grievances received. Every PSO shall file with the Division, as part of its annual grievance report, a certificate of compliance stating that the PSO has established and follows, for its Medicare contract, grievance procedures that comply with this Article.
(2) The number of Medicare beneficiaries enrolled with the PSO under the PSO's Medicare contract who terminated their enrollment with the PSO for any reason.
(3) The number of provider contracts between the PSO and network providers for the provision of covered services to Medicare beneficiaries that were terminated and reasons for termination. This information shall include the number of providers leaving the PSO network and the number of new providers in the network. The report shall show voluntary and involuntary terminations separately.
(4) Data relating to the utilization, quality, availability, and accessibility of service. The report shall include the following:
    a. Information on the PSO's program to determine the level of network availability, as measured by the numbers and types of network providers, required to provide covered services to covered persons. This information shall include the PSO's methodology under its Medicare+Choice program for:
        1. Establishing performance targets for the numbers and types of providers by specialty, area of practice, or facility type, for each of the following categories: primary care physicians, specialty care physicians, nonphysician health care providers, hospitals, and nonhospital health care facilities.
        2. Determining when changes in PSO Medicare+Choice program enrollees will necessitate changes in the provider network.

    The report shall also include: the availability performance targets for the previous and current years; the numbers and types of providers currently participating in the PSO's provider network; and an evaluation of actual plan performance against performance targets.
    b. The PSO's method for arranging or providing health care services from nonnetwork providers, both within and outside of its service

area, when network providers are not available to provide covered services.

c. Information on the PSO's program under its Medicare+Choice program to determine the level of provider network accessibility necessary to serve its Medicare enrollees. This information shall include the PSO's methodology for establishing performance targets for member access to covered services from primary care physicians, specialty care physicians, nonphysician health care providers, hospitals, and nonhospital health care facilities. The methodology shall establish targets for:

1. The proximity of network providers to members, as measured by member driving distance, to access primary care, specialty care, hospital-based services, and services of nonhospital facilities.
2. Expected waiting time for appointments for urgent care, acute care, specialty care, and routine services for prevention and wellness.

The report shall also include: the accessibility performance targets for the previous and current years; data on actual overall accessibility as measured by driving distance and average appointment waiting time; and an evaluation of actual Medicare+Choice plan performance against performance targets. Measures of actual accessibility may be developed using scientifically valid random sample techniques.

d. A statement of the PSO's methods and standards for determining whether in-network services are reasonably available and accessible to a Medicare enrollee for the purpose of determining whether such enrollee should receive the in-network level of coverage for services received from a nonnetwork provider.

e. A description of the PSO's program to monitor the adequacy of its network availability and accessibility methodologies and performance targets, Medicare+Choice plan performance, and network provider performance.

f. A summary of the PSO's utilization review program activities for the previous calendar year under its Medicare+Choice program. The report shall include the number of: each type of utilization review performed, noncertifications for each type of review, each type of review appealed, and appeals settled in favor of Medicare enrollees. The report shall be accompanied by a certification from the carrier that it has established and follows procedures that comply with this Article.

(5) Aggregate financial compensation data, including the percentage of providers paid under a capitation arrangement, discounted fee-for-service or salary, the services included in the capitation payment, and the range of compensation paid by withhold or incentive payments. This information shall be submitted on a form prescribed by the Division.

The name, or group or institutional name, of an individual provider may not be disclosed pursuant to this subsection. No civil liability shall arise from compliance with the provisions of this subsection, provided that the acts or omissions are made in good faith and do not constitute gross negligence, willful or wanton misconduct, or intentional wrongdoing.

(c) Disclosure Requirements. — To the extent not otherwise prohibited by federal law or under the terms of the PSO's Medicare contract, each PSO shall provide the following applicable information to Medicare beneficiaries enrolled with the PSO under the PSO's Medicare contract and bona fide prospective enrollees upon request:

(1) The evidence of coverage under the Medicare+Choice plan provided by the PSO to Medicare beneficiaries under the terms of the PSO's Medicare contract;

(2) An explanation of the utilization review criteria and treatment protocol under which treatments are provided for conditions specified by the prospective enrollee. This explanation shall be in writing if so requested;

(3) If denied a recommended treatment, written reasons for the denial and an explanation of the utilization review criteria or treatment protocol upon which the denial was based;

(4) The plan's restrictive formularies or prior approval requirements for obtaining prescription drugs, whether a particular drug or therapeutic class of drugs is excluded from its formulary, and the circumstances under which a nonformulary drug may be covered; and

(5) The procedures and medically based criteria under the PSO's Medicare contract for determining whether a specified procedure, test, or treatment is experimental.

(d) Effective January 1, 1999, PSOs shall make the reports that are required under subsection (b) of this section and that have been filed with the Division available on their business premises and shall provide any Medicare beneficiary enrolled with the PSO access to them upon request, unless otherwise prohibited by federal law or under the terms of the PSO's Medicare contract.

(e) Every PSO licensed under this Article shall annually on or before the first day of March of each year, file with the Division a sworn statement verified by at least two of the principal officers of the PSO showing its condition on the thirty-first day of December, then next preceding; which shall be in such form as the Division shall prescribe. In case the PSO fails to file the annual statement as herein required, the Division is authorized to suspend the license issued to the PSO until the statement shall be properly filed.

(f) A PSO shall report to the Division the efforts it has undertaken to foster measurable improvements in the health status of the community's Medicare population, increase access to health care for noncovered benefits, and address critical health care needs of the community's Medicare population. (1998-227, s. 1.)

§ 131E-288. Liquidity.

(a) Each PSO shall have sufficient cash flow to meet its obligations as they become due. In determining the ability of a PSO to meet this requirement, the Division shall consider the following:

(1) The timeliness of payment;

(2) The extent to which the current ratio is maintained at one-to-one or whether there is a change in the current ratio over a period of time; and

(3) The availability of outside financial resources.

(b) The following corresponding remedies apply:

(1) If the PSO fails to pay obligations as they become due, the Division shall require the PSO to initiate corrective action to pay all overdue obligations.

(2) The Division may require the PSO to initiate corrective action if either of the following is evident: (i) the current ratio declines significantly; or (ii) there is a continued downward trend in the current ratio. The corrective action may include a change in the distribution of assets, a reduction of liabilities, or alternative arrangements to secure additional funding requirements to restore the current ratio to one-to-one.

(3) If there is a change in the availability of the outside resources, the Division shall require the PSO to obtain funding from alternative financial resources.

(c) Nothing in the foregoing liquidity requirements shall be interpreted to require the PSO to maintain a current ratio of one-to-one if the PSO can demonstrate to the Division that it is able to pay its obligations as they become due and the current ratio maintained by the PSO has neither declined significantly nor is on a continued downward trend. (1998-227, s. 1.)

§ 131E-289. Minimum of net worth that must be in cash or cash equivalents.

(a) Except as otherwise provided in subsection (b) of this section, each PSO shall, on an ongoing basis, maintain a minimum net worth in cash or cash equivalents of the greater of:

(1) Seven hundred fifty thousand dollars ($750,000) cash or cash equivalents; or

(2) Forty percent (40%) of the minimum net worth required.

(b) The Division may lower the threshold for minimum net worth held in cash or cash equivalents by PSOs that operate primarily in rural areas.

(c) Cash or cash equivalents held to meet the net worth requirement shall be current assets of the PSO. (1998-227, s. 1.)

§ 131E-290. Prohibited practice.

(a) No provider sponsored organization or sponsoring provider, unless licensed as an insurer under Chapter 58 of the General Statutes may use in its name, contracts, or literature any of the words “insurance”, “casualty”, “surety”, “mutual”, or any other words descriptive of the insurance, casualty, or surety business or deceptively similar to the name or description of any insurance or surety corporation doing business in this State.

(b) No provider sponsored organization or sponsoring provider shall engage in any activity or conduct which is prohibited by the terms of the PSO’s Medicare contract.

(c) Unless otherwise preempted by federal law or mandated by the Medicare program, a PSO shall not discriminate with respect to participation, reimbursement, or indemnification as to any provider who is acting within the scope of the provider’s license or certification under applicable State law, solely on the basis of that license or certification. This subsection does not preclude a PSO from including providers only to the extent necessary to meet the needs of the organization’s enrollees or from establishing any measure designed to maintain quality and control costs consistent with the responsibilities of the organization. (1998-227, s. 1.)

§ 131E-291. Collaboration with local health departments.

A provider sponsored organization and a local health department shall collaborate and cooperate within available resources regarding health promotion and disease prevention efforts that are necessary to protect the public health. (1998-227, s. 1.)

§ 131E-292. Coverage.

(a) Provider sponsored organizations subject to this Article shall provide coverage for the medically appropriate and necessary services specified under the PSO’s Medicare contract.

(b) In the event a PSO's Medicare contract or federal law, regulations, or rules governing coverage by the PSO of items or services to Medicare beneficiaries permits a PSO, sponsoring provider, or participating provider to object on moral or religious grounds to providing an item or service to Medicare beneficiaries, it is the policy of this State to permit this objection and allow the participating provider to refuse to provide the item or service. (1998-227, s. 1.)

§ 131E-293. Rates.

Rates charged by provider sponsored organizations to the Medicare program and charges by PSOs and sponsoring providers for items or services to beneficiaries shall be governed by the terms of the PSO's Medicare contract. (1998-227, s. 1.)

§ 131E-294. Additional consumer protection and quality standards.

Unless otherwise preempted by federal law or mandated by the Medicare program, the Division shall apply to provider sponsored organizations the same standards and requirements that the Department of Insurance applies to health maintenance organizations under Chapter 58 of the General Statutes with respect to the following consumer protection and quality matters:

(1) Quality management programs (11 NCAC 20.0500, et seq.);
(2) Utilization review procedures (G.S. 58-67-61 and G.S. 58-67-62);
(3) Unfair or deceptive trade practices (Article 63 of Chapter 58 of the General Statutes);
(4) Antidiscrimination (G.S. 58-3-25(b) and (c), 58-3-120, 58-63-15(7), and 58-67-75);
(5) Provider accessibility and availability (11 NCAC 20.0300, et seq.);
(6) Network provider credentialing (11 NCAC 20.0400, et seq.); and
(7) Data reporting requirements under G.S. 58-67-50(e). (1998-227, s. 1.)

§ 131E-295. Powers of insurers and medical service corporations.

Notwithstanding any provision of the insurance and hospital or medical service corporation laws contained in Articles 1 through 67 of Chapter 58 of the General Statutes, an insurer or a hospital or medical service corporation may contract with a provider sponsored organization to provide insurance or similar protection against the cost of care provided through provider sponsored organizations and their sponsoring providers to beneficiaries and to provide coverage in the event of the failure of the provider sponsored organization or its sponsoring providers to meet its obligations under the PSO's Medicare contract. The beneficiaries of a provider sponsored organization constitute a permissible group under these laws. Among other things, under these contracts, the insurer or hospital or medical service corporation may make benefit payments to provider sponsored organizations for health care services rendered by providers pursuant to the health care plan. (1998-227, s. 1.)

§ 131E-296. Examinations.

The Division may make an examination of the affairs of any provider sponsored organization and the contracts, agreements, or other arrangements pursuant to its health care plan as often as the Division considers necessary for the protection of the interests of the people of this State but not less frequently than once every three years. (1998-227, s. 1.)

§ 131E-297. Hazardous financial condition.

(a) Whenever the financial condition of any provider sponsored organization indicates a condition such that the continued operation of the provider sponsored organization might be hazardous to its beneficiaries, creditors, or the general public, then the Division may order the provider sponsored organization to take any action that may be reasonably necessary to rectify the existing condition, including one or more of the following steps:

(1) To reduce the total amount of present and potential liability for benefits by reinsurance;
(2) To reduce the volume of new business being accepted;
(3) To reduce the expenses by specified methods;
(4) To suspend or limit the writing of new business for a period of time;
(5) To require an increase to the provider sponsored organization's net worth by contribution;
(6) To add or delete sponsoring providers;
(7) To increase the amount of payments from the PSO which sponsoring providers agree to forego; or
(8) To require additional guaranties from sponsoring providers or from parents of sponsoring providers.

(b) If the Division determines that the standards in G.S. 131E-286, 131E-288, and 131E-289 do not provide sufficient early warning that the continued operation of any provider sponsored organization might be hazardous to its beneficiaries, creditors, or the general public, the Division may adopt rules to set uniform standards and criteria for such an early warning and to set standards for evaluating the financial condition of any provider sponsored organization, which standards shall be consistent with the purposes expressed in subsection (a) of this section. (1998-227, s. 1.)

§ 131E-298. Protection against insolvency.

(a) The Division shall require deposits in accordance with the provisions of G.S. 131E-285.

(b) If a provider sponsored organization fails to comply with the net worth requirements of G.S. 131E-286, the Division may take appropriate action to assure that the continued operation of the provider sponsored organization will not be hazardous to the beneficiaries enrolled with the PSO.

(c) Every provider sponsored organization shall have and maintain at all times an adequate plan for protection against insolvency acceptable to the Division. In determining the adequacy of such a plan, the Division shall consider:

(1) A reinsurance agreement preapproved by the Division covering excess loss, stop-loss, or catastrophies. The agreement shall provide that the Division will be notified no less than 60 days prior to cancellation or reduction of coverage;
(2) A conversion policy or policies that will be offered by an insurer to the beneficiaries in the event of the provider sponsored organization's insolvency;
(3) Legally binding unconditional guaranties by adequately capitalized sponsoring provider or adequately capitalized sponsoring corporations of sponsoring providers;
(4) Legally binding obligations of sponsoring providers to forego payment for items or services provided by the sponsoring provider in order to avoid the financial insolvency of the PSO;
(5) Legally binding obligations of sponsoring providers or parents of sponsoring providers to make capital infusions to the PSO; and

(6) Any other arrangements offering protection against insolvency that the Division may require. (1998-227, s. 1.)

§ 131E-299. Hold harmless agreements or special deposit.

(a) Unless the PSO maintains a special deposit in accordance with subsection (b) of this section, each contract between every PSO and a participating provider of health care services shall be in writing and shall set forth that in the event the PSO fails to pay for health care services as set forth in the contract, the Medicare subscriber or beneficiary shall not be liable to the provider for any sums owed by the PSO. No other provisions of these contracts shall, under any circumstances, change the effect of this provision. No participating provider or agent, trustee, or assignee thereof may maintain any action at law against a subscriber or beneficiary to collect sums owed by the PSO.

(b) In the event that the participating provider contract has not been reduced to writing or that the contract fails to contain the required prohibition, the PSO shall maintain a special deposit in cash or cash equivalent as follows:

(1) If at any time uncovered expenditures exceed ten percent (10%) of total health care expenditures the PSO shall either:

a. Place an uncovered expenditures insolvency deposit with the Division, or with any organization or trustee acceptable to the Division through which a custodial or controlled account is maintained, cash or securities that are acceptable to the Division. This deposit shall at all times have a fair market value in an amount of one hundred twenty percent (120%) of the PSO's outstanding liability for uncovered expenditures for enrollees, including incurred but not reported claims, and shall be calculated as of the first day of the month and maintained for the remainder of the month. If a PSO is not otherwise required to file a quarterly report, it shall file a report within 45 days of the end of the calendar quarter with information sufficient to demonstrate compliance with this section; or

b. Maintain adequate insurance or a guaranty arrangement approved in writing by the Division, to pay for any loss to beneficiaries claiming reimbursement due to the insolvency of the PSO. The Division shall approve a guaranty arrangement if the guarantying organization is a sponsoring provider, has been operating for at least 10 years, and has a net worth, including organization-related land, buildings, and equipment of at least fifty million dollars ($50,000,000), unless the Division finds that the approval of this guaranty may be financially hazardous to beneficiaries.

(2) The deposit required under sub-subdivision a. of subdivision (1) of this subsection is an admitted asset of the PSO in the determination of net worth. All income from these deposits or trust accounts shall be assets of the PSO and may be withdrawn from the deposit or account quarterly with the approval of the Division;

(3) A PSO that has made a deposit may withdraw that deposit or any part of the deposit if (i) a substitute deposit of cash or securities of equal amount and value is made, (ii) the fair market value exceeds the amount of the required deposit, or (iii) the required deposit under this subsection is reduced or eliminated. Deposits, substitutions, or withdrawals may be made only with the prior written approval of the Division;

(4) The deposit required under sub-subdivision a. of subdivision (1) of this section is in trust and may be used only as provided under this

section. The Division may use the deposit of an insolvent PSO for administrative costs associated with administering the deposit and payment of claims of enrollees of the PSO.

(c) Whenever the reimbursements described in this section exceed ten percent (10%) of the PSO's total costs for health care services over the immediately preceding six months, the PSO shall file a written report with the Division containing the information necessary to determine compliance with sub-subdivision a. of subdivision (1) of subsection (b) of this section no later than 30 business days from the first day of the month. Upon an adequate showing by the PSO that the requirements of this section should be waived or reduced, the Division may waive or reduce these requirements to an amount it deems sufficient to protect beneficiaries of the PSO consistent with the intent and purpose of this Article. (1998-227, s. 1.)

§ 131E-300. Continuation of benefits.

The Division shall require that each PSO have a plan for handling insolvency, which plan allows for continuation of benefits for the duration of the contract period for which premiums have been paid and continuation of benefits to beneficiaries who are confined in an inpatient facility until their discharge or expiration of benefits. In considering such a plan, the Division may require:

(1) Insurance to cover the expenses to be paid for benefits after an insolvency;
(2) Provisions in provider contracts that obligate the provider to provide services for the duration of the period after the PSO's insolvency for which premium payment has been made and until the beneficiaries' discharge from inpatient facilities;
(3) Insolvency reserves as the Division may require;
(4) Letters of credit acceptable to the Division;
(5) Additional guaranties from a sponsoring provider of the PSO or from the parent of a sponsoring provider;
(6) Legally binding obligations of sponsoring providers to forego payment from the PSO for services provided to beneficiaries in order to avoid the insolvency of the PSO; and
(7) Any other arrangements to assure that benefits are continued as specified. (1998-227, s. 1.)

§ 131E-301. Insolvency.

(a) In the event of an insolvency of a PSO upon order of the Division, all providers that were sponsoring providers of the PSO within the previous 12 months from the order of the Division shall, for 30 days after the order, offer all beneficiaries enrolled with the insolvent PSO, covered services without charge other than for any applicable co-payments, deductibles, or coinsurance permitted to be charged to beneficiaries under the PSO's Medicare contract.

(b) If the Division determines that the sponsoring providers lack sufficient health care delivery resources to assure that health care services will be available and accessible to all of the beneficiaries of the insolvent PSO, then, in the event the Health Care Financing Administration of the United States Department of Health and Human Services fails to make such allocations in a timely manner, the Division shall allocate the insolvent PSO's contracts for these groups among all other PSOs that operate within a portion of the insolvent PSO's service area, taking into consideration the health care delivery resources of each PSO. Each PSO to which beneficiaries are so allocated by the Division shall offer such group or groups that PSO's existing coverage that is most similar to each beneficiary's coverage with the insolvent PSO at rates determined in accordance with the successor PSO's existing rating methodology.

(c) Taking into consideration the health care delivery resources of each such PSO, then in the event the Health Care Financing Administration of the United States Department of Health and Human Services fails to make such allocations in a timely manner, the Division shall also allocate among all PSOs that operate within a portion of the insolvent PSO's service area the insolvent PSO's beneficiaries who are unable to obtain other coverage. Each PSO to which beneficiaries are so allocated by the Division shall offer such beneficiaries that PSO's existing coverage for individual or conversion coverage as determined by the beneficiary's type of coverage in the insolvent PSO at rates determined in accordance with the successor PSO's Medicare contract. (1998-227, s. 1.)

§ 131E-302. Replacement coverage.

(a) Any carrier providing replacement coverage with respect to hospital, medical, or surgical expense or service benefits, within a period of 60 days from the date of discontinuance of a prior PSO contract or policy providing these hospital, medical, or surgical expense or service benefits, shall immediately cover all beneficiaries who were validly covered under the previous PSO contract or policy at the date of discontinuance and who would otherwise be eligible for coverage under the succeeding carrier's contract, regardless of any provisions of the contract relating to hospital confinement or pregnancy.

(b) Except to the extent benefits for the condition would have been reduced or excluded under the prior carrier's contract or policy, no provision in a succeeding carrier's contract of replacement coverage that would operate to reduce or exclude benefits on the basis that the condition giving rise to benefits preceded the effective date of the succeeding carrier's contract shall be applied with respect to those beneficiaries validly covered under the prior carrier's contract on the date of discontinuance. (1998-227, s. 1.)

§ 131E-303. Incurred but not reported claims.

(a) Every PSO shall, when determining liability, include an amount estimated in the aggregate to provide for any unearned premium and for the payment of all claims for health care expenditures that have been incurred, whether reported or unreported, that are unpaid and for which such PSO is or may be liable, and to provide for the expense of adjustment or settlement of such claims.

(b) These liabilities shall be computed in accordance with rules adopted by the Division upon reasonable consideration of the ascertained experience and character of the PSO. (1998-227, s. 1.)

§ 131E-304. Suspension or revocation of license.

(a) The Division may suspend, revoke, or refuse to renew a PSO license if the Division finds that the PSO:

(1) Is operating significantly in contravention of its basic organizational document, or in a manner contrary to that described in and reasonably inferred from any other information submitted under G.S. 131E-280, unless amendments to these submissions have been filed with and approved by the Division;

(2) Issues evidences of coverage or uses a schedule of premiums for health care services that do not comply with Medicare or Medicaid program requirements as applicable;

(3) No longer maintains the financial reserve specified in G.S. 131E-286 or is no longer financially responsible and may reasonably be expected to be unable to meet its obligations to beneficiaries or prospective beneficiaries;

(4) Knowingly or repeatedly fails or refuses to comply with any law or rule applicable to the PSO or with any order issued by the Division after notice and opportunity for a hearing;

(5) Has knowingly made to the Division any false statement or report;

(6) Has sponsoring providers that fail to provide a substantial proportion of the services under any health plan during any 12-month period;

(7) Has itself or through any person on its behalf advertised or merchandised its items or services in an untrue, misrepresentative, misleading, or unfair manner;

(8) If continuing to operate would be hazardous to beneficiaries; or

(9) Has otherwise substantially failed to comply with this Article.

(b) A license shall be suspended or revoked only after compliance with G.S. 131E-305.

(c) When a PSO license is suspended, the PSO shall not, during the suspension, enroll any additional beneficiaries and shall not engage in any advertising or solicitation.

(d) When a PSO license is revoked, the PSO shall proceed, immediately following the effective date of the order of revocation, to wind up its affairs and shall conduct no further business except as may be essential to the orderly conclusion of the affairs of the PSO. The PSO shall engage in no advertising or solicitation. The Division may, by written order, permit any further operation of the PSO that the Division may find to be in the best interest of beneficiaries, to the end that beneficiaries will be afforded the greatest practical opportunity to obtain continuing health care coverage. (1998-227, s. 1.)

§ 131E-305. Administrative procedures.

(a) When the Division has cause to believe that grounds for the denial of an application for a license exist, or that grounds for the suspension or revocation of a license exist, it shall notify the provider sponsored organization in writing specifically stating the grounds for denial, suspension, or revocation and fixing a time of at least 30 days thereafter for a hearing on the matter.

(b) After this hearing, or upon the failure of the provider sponsored organization to appear at this hearing, the Division shall take the action it considers advisable or make written findings that shall be mailed to the provider sponsored organization. The action of the Division shall be subject to review by the Superior Court of Wake County. The court may, in disposing of the issue before it, modify, affirm, or reverse the order of the Division in whole or in part.

(c) The provisions of Chapter 150B of the General Statutes apply to proceedings under this section to the extent that they are not in conflict with subsections (a) and (b) of this section. (1998-227, s. 1.)

§ 131E-306. Expired.

Editor's Note. — Session Laws 1998-227, s. 1, which enacted this section, provided that the section would expire January 1, 2000.

§ 131E-307. Penalties and enforcement.

(a) The provisions of G.S. 58-2-70, modified to replace the word "Commissioner" by the word "Division", applies to this Article. The Division may, in addition to or in lieu of suspending or revoking a license under G.S. 131E-304, proceed under G.S. 58-2-70, as so modified, provided that the provider sponsored organization has a reasonable time within which to remedy the defect in its operations that gave rise to the procedure under G.S. 58-2-70.

(b) Any person who violates this Article shall be guilty of a Class 1 misdemeanor.

(c) If the Division shall for any reason have cause to believe that any violation of this Article has occurred or is threatened, the Division may give notice to the provider sponsored organization and to the representatives or other persons who appear to be involved in such suspected violation to arrange a conference with the alleged violators or their authorized representatives for the purpose of attempting to ascertain the facts relating to such suspected violation, and, in the event it appears that any violation has occurred or is threatened, to arrive at an adequate and effective means of correcting or preventing such violation.

Proceedings under this subsection shall not be governed by any formal procedural requirements and may be conducted in such manner as the Division may deem appropriate under the circumstances.

(d) The Division may issue an order directing a provider sponsored organization or a representative of a provider sponsored organization to cease and desist from engaging in any act or practice in violation of the provisions of this Article.

Within 30 days after service of the order of cease and desist, the respondent may request a hearing on the question of whether acts or practices in violation of this Article have occurred. These hearings shall be conducted pursuant to Chapter 150B of the General Statutes, and judicial review shall be available as provided by this Chapter.

(e) In the case of any violation of the provisions of this Article, if the Division elects not to issue a cease and desist order, or in the event of noncompliance with a cease and desist order issued pursuant to subsection (d) of this section, the Division may institute a proceeding to obtain injunctive relief, or seeking other appropriate relief, in the Superior Court of Wake County. (1998-227, s. 1.)

§ 131E-308. Statutory construction and relationship to other laws.

(a) Except as otherwise provided in this Article, provisions of the insurance laws and provisions of hospital or medical service corporation laws shall not be applicable to any provider sponsored organization granted a license under this Article or to its sponsoring providers when operating under such a license. This provision shall not apply to an insurer or hospital or medical service corporation licensed and regulated pursuant to the insurance laws or the hospital or medical service corporation laws of this State except with respect to its provider sponsored organization activities authorized and regulated pursuant to this Article.

(b) Solicitation of beneficiaries by a provider sponsored organization granted a license, or its representatives, shall not be construed to violate any provision of law relating to solicitation or advertising by health professionals or health care providers.

(c) Any provider sponsored organization licensed under this Article shall not be considered to be a provider of medicine and shall be exempt from the provisions of Chapter 90 of the General Statutes relating to the practice of medicine: provided, however, that this exemption does not apply to individual providers under contract with or employed by the provider sponsored organization or sponsoring providers or to the sponsoring providers.

(d) Except as otherwise limited by this Article, a PSO may organize in the same manner and may exercise the same prerogatives, powers, and privileges as other entities that are organized and existing under the same laws as the PSO. (1998-227, s. 1.)

§ 131E-309. Filings and reports as public documents.

Except for information that constitutes a bona fide trade secret, proprietary information or competitively sensitive information of a sponsoring provider or parent of a sponsoring provider, all applications, filings, and reports required under this Article shall be treated as public documents. (1998-227, s. 1.)

§ 131E-310. Confidentiality of medical information.

Any data or information pertaining to the diagnosis, treatment, or health of any beneficiary or applicant obtained from the person or from any provider by any provider sponsored organization or by any provider acting pursuant to its provider contract with a provider sponsored organization shall be held in confidence and shall not be disclosed to any person except to the extent that it may be necessary to carry out the purposes of this Article; or upon the express consent of the beneficiary or applicant; or pursuant to statute; or pursuant to court order for the production of evidence or the discovery thereof; or in the event of claim or litigation between such person and the provider sponsored organization wherein such data or information is pertinent. A provider sponsored organization shall be entitled to claim any statutory privileges against such disclosure which the provider who furnished such information to the provider sponsored organization is entitled to claim. (1998-227, s. 1; 1999-272, s. 2.)

§ 131E-311. Conflicts; severability.

To the extent that the provisions of this Article may be in conflict with any other provision of this Chapter, the provisions of this Article shall prevail and apply with respect to provider sponsored organizations. Notwithstanding the absence of adopted rules, the Division shall continue to process applications for provider sponsored organization licenses as described in this Article. If any section, term, or provision of this Article shall be adjudged invalid for any reason, these judgments shall not affect, impair, or invalidate any other section, term, or provision of this Article, but the remaining sections, terms, and provisions shall be and remain in full force and effect. (1998-227, s. 1.)

§ 131E-312. Regulations.

This Article shall be self-implementing. No later than six months after the date of enactment of this Article, the Division may adopt rules consistent with this Article to authorize and regulate provider sponsored organizations to contract directly with the federal Medicare program to provide health care services to the beneficiaries of such programs. The Division shall issue permanent rules and, may issue temporary rules, to the extent these rules may be necessary. The Division shall limit its regulation of provider sponsored organizations to the licensing and regulating of these organizations as risk-bearing entities contracting directly with the Medicare program and to the consumer protection and quality standards as provided in G.S. 131E-294 and shall not regulate any matters described in 42 U.S.C. § 1395W-26(b)(3), or any successor thereof. (1998-227, s. 1.)

§ 131E-313. Utilization review and grievances.

Unless otherwise preempted by federal law or mandated by the Medicare program, the provisions of G.S. 58-50-61 and G.S. 58-50-62 apply to a PSO licensed under this Article as if the PSO was an "insurer" under those sections, except that the Division rather than the Commissioner of Insurance shall regulate a PSO's compliance with those sections. (1998-227, s. 1.)

§ 131E-314. Division Reporting.

The Division of Medical Assistance of the Department of Health and Human Services shall report quarterly to the Joint Legislative Health Care Oversight Committee on its regulatory activities in the enforcement of this act [Article] and shall provide the Committee with a summary of nonconfidential information on the financial plans and operations of PSOs. The report to the Committee shall include a description and explanation of any regulations or regulatory interpretations that differ from Department of Insurance regulations applicable to HMOs. The report shall also include PSO efforts to improve community health status. The Division shall develop processes or methods to measure improvements in health outcomes for Medicare beneficiaries served by managed care organizations and shall report quarterly to the Joint Legislative Health Care Oversight Committee on the development of these standards. (1998-227, ss. 4, 5.)

Editor's Note. — Session Laws 1998-227, s. 4, effective November 5, 1998, was codified as G.S. 131E-314 at the direction of the Revisor of Statutes, and was amended by Session Laws 1998-227, s. 5, effective January 1, 2000, also codified as this section at the direction of the Revisor of Statutes.

131F-33. Rule-making authority.

ARTICLE 1.
General Provisions.

§ 131F-1. Purpose.

The General Assembly recognizes the right of persons or organizations to conduct solicitation activities. It is the intent of the General Assembly to protect the public by requiring full disclosure by persons who solicit contributions from the public of the purposes for which the contributions are solicited and how the contributions are actually used. It is the intent of the General Assembly to prohibit deception, fraud, and misrepresentation in the solicitation and reporting of contributions. (1981, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

Editor's Note. — Session Laws 1998-212, s. 12.14(a), provides all functions, powers, duties, and obligations previously vested in the Department of Health and Human Services under Chapter 131F of the General Statutes are transferred to and vested in the Department of the Secretary of State as if by a Type I transfer defined in G.S. 143A-6; all statutory authority, powers, duties, functions, records, personnel, property, and unexpended balances of appropriations or other funds of the program transferred pursuant to this section shall be transferred in their entirety.

Session Laws 1998-212, s. 30.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1998-99 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1998-99 fiscal year."

Session Laws 1998-212, s. 1.1, provides: "This act shall be known as the 'Current Operations Appropriations and Capital Improvement Appropriations Act of 1998.'"

Session Laws 1998-212, s. 30.5, contains a severability clause.

Legal Periodicals. — For survey, "An Informed Consumer is the Best Defense: Charitable Solicitation Regulation in North Carolina Under N.C. Gen. Stat. G.S. 131F-1 to -28," see 73 N.C.L. Rev. 2303 (1995).

CASE NOTES

Constitutionality of Former Charitable Solicitation Licensure Act. — See Optimist Club v. Riley, 563 F. Supp. 847 (E.D.N.C. 1982).

Purpose. — The former Charitable Solicitation Licensure Act was enacted to protect the general public and to establish and enforce standards for the use and solicitation of charitable funds. Optimist Club v. Riley, 563 F. Supp. 847 (E.D.N.C. 1982).

Where corporate solicitor operated bingo games in connection with promotion of the sale of combs and candies, the element of bingo in corporate solicitor's fundraising scheme brought all activity connected to the operation of that game within the ambit of the bingo statutes, even if corporate solicitor fit within the former Charitable Solicitation Licensure Act's definition of "charitable sales promotion." Animal Protection Soc'y of Durham, Inc. v. State, 95 N.C. App. 258, 382 S.E.2d 801 (1989).

§ 131F-2. Definitions.

The following definitions apply in this Chapter:

(1) "Association" means any voluntary statewide organization of persons for common ends especially as in an organized group working together or periodically meeting because of common interests, beliefs, or professions. These associations may serve charitable organizations including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.

(2) "Charitable" means for a benevolent purpose, including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.

(3) "Charitable organization" means any person who has or holds out as having a section 501(c)(3) tax exempt determination by the Internal Revenue Service and operates for a charitable purpose, or a person who is or holds himself out to be established for a charitable or civic purpose; or a person who employs a charitable or civic appeal as the basis of a solicitation, or employs an appeal that suggests there is a charitable or civic purpose for the appeal. "Charitable organization" includes a chapter, branch, area office, or similar affiliate soliciting contributions within the State for a charitable organization which has its principal place of business outside the State.

(4) "Charitable sales promotion" means an advertising or sales campaign that represents that the purchase or use of goods or services offered by a coventurer is to benefit a charitable organization. The provision of advertising services alone to a charitable organization does not constitute a charitable sales promotion.

(5) "Contribution" means a promise, pledge, grant of any money or property, financial assistance, or any other thing of value in response to a solicitation. "Contribution" includes, in the case of a charitable organization or sponsor offering a good or service to the public, the excess of the price at which the charitable organization or sponsor or any person acting on behalf of the charitable organization or sponsor sells the good or service to the public over the fair market value of the good or service. "Contribution" does not include bona fide fees, dues, or assessments paid by members if the membership is not conferred solely as consideration for making a contribution in response to a solicitation. "Contribution" does not include funds obtained by a charitable organization or sponsor under government grants or contracts.

(6) "Coventurer" means any person who, for compensation, conducts a charitable sales promotion or a sponsor sales promotion, other than in connection with the solicitation of contributions.

(7) "Department" means the Department of the Secretary of State.

(8) "Emergency service employees" means employees who are firefighters, ambulance drivers, emergency medical technicians, or paramedics.

(9) "Federated fund-raising organization" means a federation of independent charitable organizations which have voluntarily joined together, including a united way, united arts fund, or community chest, for the purpose of raising and distributing contributions and where membership does not confer operating authority and control of the individual organization upon the federated group organization.

(10) "Fund-raising consultant" means any person who meets all of the following:

a. Is retained by a charitable organization or sponsor for a fixed fee or rate under a written agreement to plan, manage, conduct, consult, or prepare material for the solicitation of contributions in this State.

b. Does not solicit contributions or employ, procure, or engage any person to solicit contributions.

c. Does not at any time have custody or control of contributions.

(11) "Fund-raising costs" means those costs incurred in inducing others to make contributions to a charitable organization or sponsor for which the contributors will receive no direct economic benefit. Fund-raising costs include salaries, rent, acquiring and obtaining mailing lists, printing, mailing, all direct and indirect costs of soliciting, and the cost of unsolicited merchandise sent to encourage contributions.

(12) "Law enforcement officers" means persons who are elected, appointed, or employed by the State or any political subdivision of the State and who meet either of the following:

a. Are vested with the authority to bear arms and make arrests and have primary responsibility to prevent and detect crime or enforce the criminal, traffic, or highway laws of the State.

b. Have responsibility for supervision, protection, care, custody, or control of inmates within a correctional institution.

(13) "Membership" means the relationship of a person to an organization that entitles that person to the privileges, professional standing, honors, or other direct benefits of the organization in addition to the right to vote, elect officers, and hold office in the organization.

(14) "Owner" means any person who has a direct or indirect interest in any fund-raising consultant or solicitor.

(15) "Parent organization" means that part of a charitable organization or sponsor which coordinates, supervises, or exercises control over policy, fund-raising, and expenditures, or assists or advises one or more chapters, branches, or affiliates of a charitable organization or sponsor.

(16) "Person" means any individual, organization, trust, foundation, association, group, entity, partnership, corporation, society, or any combination of these acting as a unit.

(17) "Religious institution" means any church, ecclesiastical, or denominational organization, or any established physical place for worship in this State at which nonprofit religious services and activities are regularly conducted, and any bona fide religious groups that do not maintain specific places of worship. "Religious institution" includes any separate group or corporation that forms an integral part of a religious institution that is exempt from federal income tax under the

provisions of section 501(c)(3) of the Internal Revenue Code, and that is primarily supported by funds solicited inside its own membership or congregation.

(18) "Solicitation" means a request, directly or indirectly, for money, property, financial assistance, or any other thing of value on the plea or representation that it will be used for a charitable or sponsor purpose or will benefit a charitable organization or sponsor. "Solicitation" may occur by any of the following methods:
a. Any oral or written request.
b. Any announcement to the press, radio, or television, by telephone or telegraph, or by any other communication device.
c. Distributing, posting, or publishing any handbill, written advertisement, or other publication that directly or by implication seeks to obtain any contribution.
d. Selling or offering or attempting to sell any good, service, chance, right, or any thing of value to benefit a charitable organization or sponsor.

The selling or offering or attempting to sell is a "solicitation" whether or not the person making the solicitation receives any contribution. It is not a "solicitation" when a person applies for a grant or an award to the government or to an organization that is exempt from federal income taxation under section 501(a) of the Internal Revenue Code and described in section 501(c) of the Internal Revenue Code.

(19) "Solicitor" means any person who, for compensation, does not qualify as a fund-raising consultant and does either of the following:
a. Performs any service, including the employment or engagement of other persons or services, to solicit contributions for a charitable organization or sponsor.
b. Plans, conducts, manages, consults, whether directly or indirectly, in connection with the solicitation of contributions for a charitable organization or sponsor.

(20) "Sponsor" means a person who is or holds out to others as soliciting contributions by the use of any name that implies affiliation with emergency service employees or law enforcement officers and who is not a charitable organization. "Sponsor" includes a chapter, branch, or affiliate that has its principal place of business outside the State, if this chapter, branch, or affiliate solicits or holds out to be soliciting contributions in this State.

(21) "Sponsor purpose" means any program or endeavor performed to benefit emergency service employees or law enforcement officers.

(22) "Sponsor sales promotion" means an advertising or sales campaign conducted by a coventurer who represents that the purchase or use of goods or services offered by the coventurer will be used for a sponsor purpose or donated to a sponsor. The provision of advertising services alone to a sponsor does not constitute a sponsor sales promotion. (1981, c. 886, s. 1; 1985, c. 497, s. 2; 1993 (Reg. Sess., 1994), c. 759, s. 2; 1997-443, s. 11A.118(a); 1998-212, s. 12.14(b).)

CASE NOTES

Leasing Office Space Not a Fund-Raising Expense. — To "solicit" under the former Charitable Solicitation Licensure Act included oral and written requests, announcements through the press, television, or telephone, distribution and circulation of handbills and advertisements, and the sale of advertisements, advertising space, subscriptions, and tickets, but nothing in the definition of solicitation encompassed an activity such as leasing office space or indicated that leasing space could be considered "a part" of solicitation; therefore, leasing office space was not a fund-raising expense. Kirkland v. National Civic Assistance Group, Inc., 108 N.C. App. 326, 423 S.E.2d 822 (1992).

§ 131F-3. Exemptions.

The following are exempt from the provisions of this Chapter:

(1) Any person who solicits charitable contributions for a religious institution.

(2) Solicitation of charitable contributions by the federal, State, or local government, or any of their agencies.

(3) Any person who receives less than twenty-five thousand dollars ($25,000) in contributions in any calendar year and does not provide compensation to any officer, trustee, organizer, incorporator, fundraiser, or solicitor.

(4) Any educational institution, the curriculum of which, in whole or in part, is registered, approved, or accredited by the Southern Association of Colleges and Schools or an equivalent regional accrediting body, and any educational institution in compliance with Article 39 of Chapter 115C of the General Statutes, and any foundation or department having an established identity with any of these educational institutions.

(5) Any hospital licensed pursuant to Article 5 of Chapter 131E or Article 2 of Chapter 122C of the General Statutes and any foundation or department having an established identity with that hospital if the governing board of the hospital, authorizes the solicitation and receives an accounting of the funds collected and expended.

(6) Any noncommercial radio or television station.

(7) A qualified community trust as provided in 26 C.F.R. § 1.170A-9(e)(10) through (e)(14).

(8) A bona fide volunteer or bona fide employee or salaried officer of a charitable organization or sponsor.

(9) An attorney, investment counselor, or banker who advises a person to make a charitable contribution.

(10) A volunteer fire department, REACT (Radio Emergency Associated Communications Teams), rescue squad, or emergency medical service.

(11) A Young Men's Christian Association or a Young Women's Christian Association.

(12) A nonprofit continuing care facility licensed under Article 64 of Chapter 58 of the General Statutes.

(13) Any tax exempt nonprofit fire or emergency medical service organization involved in the sale of goods or services that does not ask for a donation. (1981, c. 886, s. 1; 1983, c. 320, ss. 1, 2; 1991, c. 45, s. 24; 1993 (Reg. Sess., 1994), c. 759, s. 2; 1995 (Reg. Sess., 1996), c. 650, s. 1; 1997-329, s. 1; 2003-373, s. 3; 2005-230, s. 1.)

§ 131F-4: Reserved for future codification purposes.

ARTICLE 2.

Charitable Organizations and Sponsors.

§ 131F-5. Licensure of charitable organizations and sponsors required.

(a) License Required. — Unless exempted under G.S. 131F-3, a charitable organization, sponsor, or person that intends to solicit contributions in this

State, to have funds solicited on its behalf, or to participate in a charitable sales promotion or sponsor sales promotion shall obtain a license by filing an application with the Department, obtaining approval of that application by the Department, and paying the applicable fee.

(b) Departmental Review. — The Department shall examine each application filed by a charitable organization or sponsor and shall determine whether the licensing requirements are satisfied. If the Department determines that the requirements are not satisfied, the Department shall notify the charitable organization or sponsor within 10 days after its receipt of the application. If the Department does not notify the charitable organization or sponsor within 10 days, the application is deemed to be approved and the license shall be granted. Within seven days after receipt of a notification that the requirements are not satisfied, the charitable organization or sponsor may file a petition for a contested case. The State has the burden of proof in the contested case. The contested case hearing must be held within seven days after the petition is filed. A recommended decision must be made within three days of the hearing. A final decision must be made within two days after the recommended decision. The contested case hearing proceedings shall be conducted in accordance with Chapter 150B of the General Statutes except that the time limits and provisions set forth in this section shall prevail to the extent of any conflict. The applicant shall be permitted to continue to operate or continue operations pending judicial review of the Department's denial of the application. The Department shall make rules regarding the custody and control of any funds collected during the review period and disposal of such funds in the event the denial of the application is affirmed on appeal.

(c) License Renewal. — The license shall be renewed on an annual basis. Any change in information from the original application for a license shall be filed annually on or before the fifteenth day of the fifth calendar month after the close of each fiscal year in which the charitable organization or sponsor solicited in this State, or by the date of any applicable extension of the federal filing date, whichever is later, provided that extensions given under this section shall not exceed three months after the initial renewal date or eight months after the conclusion of the year for which financial information is due at the time of renewal. A charitable organization or sponsor whose federal filing date has been extended shall, within seven days after receipt, forward a copy of the document granting the extension to the Department.

(d) Extension of Time. — For good cause shown, the Department may extend the time for the license renewal and the annual filing of updated information for a period not to exceed 60 days, during which time the previous license shall remain in effect. (1981, c. 886, s. 1; 1985, c. 497, s. 3; 1987, c. 827, ss. 1, 239; 1989, c. 566, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

Legal Periodicals. — For survey, "An Informed Consumer is the Best Defense: Charitable Solicitation Regulation in North Carolina Under N.C. Gen. Stat. G.S. 131F-1 to -28," see 73 N.C.L. Rev. 2303 (1995).

§ 131F-6. Information required for licensure.

(a) Initial Information Required. — The initial application for a license for a charitable organization or sponsor shall be submitted on a form provided by the Department, signed under oath by the treasurer or chief fiscal officer of the charitable organization or sponsor, and shall include the following:

(1) The name of the charitable organization or sponsor, the purpose for which it is organized, the name under which it intends to solicit contributions, and the purpose for which the contributions to be solicited will be used.

(2) The principal street address and telephone number of the charitable organization or sponsor and the street address and telephone numbers of any offices in this State or, if the charitable organization or sponsor does not maintain an office in this State, the name, street address, and telephone number of the person who has custody of its financial records. The parent organization that files a consolidated registration statement under G.S. 131F-7 on behalf of its chapters, branches, or affiliates shall additionally provide the street addresses and telephone numbers of all of its locations in this State.

(3) The names and street addresses of the officers, directors, trustees, and the salaried executive personnel.

(4) The date when the charitable organization's or sponsor's fiscal year ends.

(5) A list or description of the major program activities.

(6) The names, street addresses, and telephone numbers of the individuals or officers who have final responsibility for the custody of the contributions and who will be responsible for the final distribution of the contributions.

(7) The name of the individuals or officers who are in charge of any solicitation activities.

(8) A financial report for the immediately preceding fiscal year upon a form provided by the Department. The report shall include the following:

a. The balance sheet.

b. A statement of support, revenue, and expenses, and any change in the fund balance.

c. Repealed by Session Laws 1995 (Regular Session, 1996), c. 748, s. 1.3.

d. A statement of expenses in the following categories:

1. Program.
2. Management and general.
3. Fund-raising.

(9) In substitution for the information described in subdivisions (3), (4), (5), (6), and (8) of this subsection, a charitable organization or sponsor may submit, at the time the application is filed, a copy of its Internal Revenue Service Form 990 and Schedule A filed for the preceding fiscal year, or a copy of its Form 990-EZ filed for the preceding fiscal year.

(10) A charitable organization or sponsor may include a financial report which has been audited by an independent certified public accountant or an audit with opinion by an independent certified public accountant. In the event that a charitable organization or sponsor elects to file this, this optional filing shall be noted in the Department's annual report submitted under G.S. 131F-30.

(11) A newly organized charitable organization or sponsor with no financial history shall file a budget for the current fiscal year.

(12) A statement indicating all of the following:

a. Whether or not the charitable organization or sponsor is authorized by any other state to solicit contributions.

b. Whether or not the charitable organization or sponsor or any of its officers, directors, trustees, or salaried executive personnel have been enjoined in any jurisdiction from soliciting contributions or have been found to have engaged in unlawful practices in the solicitation of contributions or administration of charitable assets.

c. Whether or not the charitable organization or sponsor has had its authority denied, suspended, or revoked by any governmental agency, together with the reasons for the denial, suspension, or revocation.

d. Whether or not the charitable organization or sponsor has voluntarily entered into an assurance of voluntary compliance or agreement similar to that set forth in G.S. 131F-24(c), together with a copy of that agreement.

(13) The names, street addresses, and telephone numbers of any solicitor, fund-raising consultant, or coventurer who is acting or has agreed to act on behalf of the charitable organization or sponsor, together with a statement setting forth the specific terms of the arrangements for salaries, bonuses, commissions, expenses, or other compensation to be paid the fund-raising consultant, solicitor, or coventurer, and the amounts received from each of them, if any.

(14) With initial licensing only, when and where the organization was established, the tax-exempt status of the organization, and a copy of any federal tax exemption determination letter. If the charitable organization or sponsor has not received a federal tax exemption determination letter at the time of initial licensing, a copy of the determination shall be filed with the Department within 30 days after receipt of the determination by the charitable organization or sponsor. If the organization is subsequently notified by the Internal Revenue Service of any challenge to its continued entitlement to federal tax exemption, the charitable organization or sponsor shall notify the Department of this fact within 30 days after receipt.

(b) Renewal Information Required. — A license shall be renewed on an annual basis. The charitable organization or sponsor shall submit any changes in the information submitted from the initial application. (1981, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2; 1995 (Reg. Sess., 1996), c. 748, s. 1.3.)

§ 131F-7. Consolidated application and renewal.

(a) Election to File Consolidated Application. — Each chapter, branch, member, or affiliate of a parent organization or association that is required to obtain a license under G.S. 131F-5 shall either file a separate application or shall report the required information to its parent organization or association. The parent organization or association may then file, on a form provided by the Department, a consolidated application for the parent organization or association and its chapters, branches, members, and affiliates located in this State.

(b) Consolidated Financial Information. — If all contributions received by chapters, branches, or affiliates are remitted directly into the parent organization's centralized accounting system from which all disbursements are made, the parent organization may submit one consolidated financial report as part of the application on a form provided by the Department.

(c) Renewal Information. — The parent organization or association may file the information required for a renewal of a license in a consolidated form provided by the Department. (1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-8. License fees.

(a) Required Fees. — Except as provided in subsections (b) and (c) of this section, every charitable organization or sponsor shall pay the following fees with each license application:

(1) Fifty dollars ($50.00), if the contributions received for the last fiscal year were less than one hundred thousand dollars ($100,000).

(2) One hundred dollars ($100.00), if the contributions received for the last fiscal year were one hundred thousand dollars ($100,000) or more, but less than two hundred thousand dollars ($200,000).

(3) Two hundred dollars ($200.00), if the contributions received for the last fiscal year were two hundred thousand dollars ($200,000) or more.

(b) Exemption. — A licensed charitable organization or sponsor that received less than five thousand dollars ($5,000) in the last calendar or fiscal year shall not pay a fee.

(c) Parent Organization. — A parent organization or association filing on behalf of one or more chapters, branches, members, or affiliates shall pay a single license fee for itself and its other chapters, branches, members, or affiliates. These license fees shall be imposed as follows:

(1) One hundred dollars ($100.00) for a parent organization or association and one to five chapters, branches, members, or affiliates.
(2) Two hundred dollars ($200.00) for a parent organization or association and 6 to 10 chapters, branches, members, or affiliates.
(3) Two hundred fifty dollars ($250.00) for a parent organization or association and 11 to 15 chapters, branches, members, or affiliates.
(4) Four hundred dollars ($400.00) for a parent organization or association and 16 or more chapters, branches, members, or affiliates.

(d) Late Filing. — A charitable organization or sponsor which fails to file the renewal information by the due date may be assessed an additional fee for the late filing. The late filing fee shall be established by rule of the Department and shall not exceed twenty-five dollars ($25.00) for each month or part of a month after the date on which the information was due to be filed or after the period of extension granted for the filing. (1981, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-9. Disclosure requirements of charitable organizations and sponsors.

(a) Contributions for Expressed Purpose. — A charitable organization or sponsor shall solicit contributions only for the purpose expressed in its application and may apply contributions only in a manner substantially consistent with that purpose.

(b) Disclosures. — A charitable organization or sponsor soliciting in this State shall include all of the following disclosures at the point of solicitation:

(1) The name of the charitable organization and state of the principal place of business of the charitable organization or sponsor.
(2) A description of the purpose for which the solicitation is being made.
(3) Upon request, the name and either the address or telephone number of a representative to whom inquiries could be addressed.
(4) Upon request, the amount of the contribution which may be deducted as a charitable contribution under federal income tax laws.
(5) Upon request, the source from which a written financial statement may be obtained. The financial statement shall be for the immediate past fiscal year and shall be consistent with G.S. 131F-6. The written financial statement shall be provided within 14 days after the request and shall state the purpose for which funds are raised, the total amount of all contributions raised, the total costs and expenses incurred in raising contributions, the total amount of contributions dedicated to the stated purpose or disbursed for the stated purpose, and whether the services of another person or organization have been contracted to conduct solicitation activities.

(c) Printed Disclosure. — Every charitable organization or sponsor that is required to obtain a license under G.S. 131F-5 shall conspicuously display in type of a minimum size nine points, the following statement on every printed solicitation, written confirmation, receipt, or reminder of a contribution:

"Financial information about this organization and a copy of its license are available from the State Solicitation Licensing Branch at [telephone number]. The license is not an endorsement by the State."

The statement shall be made conspicuous by use of one or more of the following: underlining, a border, or bold type. When the solicitation consists of more than one piece, the statement shall be displayed prominently in the solicitation materials, but not necessarily on every page. (1985, c. 497, s. 8; 1989, c. 566, s. 3; 1993 (Reg. Sess., 1994), c. 759, s. 2; 1995 (Reg. Sess., 1996), c. 748, s. 1.1.)

§§ 131F-10 through 131F-14: Reserved for future codification purposes.

ARTICLE 3.

Fund-Raising Consultants, Solicitors, and Coventurers.

§ 131F-15. License required for fund-raising consultant.

(a) License Required. — Unless exempted under G.S. 131F-3, a person shall not act as a fund-raising consultant in this State unless that person has obtained a license from the Department.

(b) License Application. — Applications for a license or renewal of a license shall be submitted on a form provided by the Department, shall be signed under oath, and shall include the following:

(1) The street address and telephone number of the principal place of business of the applicant and any street addresses of business locations in this State if the principal place of business is located outside this State.
(2) The form of the applicant's business.
(3) The names and residence addresses of all officers, directors, and owners.
(4) Whether any of the owners, directors, officers, or employees of the applicant are related as parent, child, spouse, or sibling to any of the following individuals:
    a. Other directors, officers, owners, or employees of the applicant.
    b. Any officer, director, trustee, or employee of any charitable organization or sponsor under contract to the applicant.
    c. Any supplier or vendor providing goods or services to any charitable organization or sponsor under contract to the applicant.
(5) Whether the applicant or any of the applicant's officers, directors, employees, or owners have, within the last five years, been convicted of any felony, or of any misdemeanor arising from the conduct of a solicitation for a charitable organization or sponsor or charitable or sponsor purpose, or been enjoined from violating a charitable solicitation law in this or any other state.

(c) Fees. — The application for an initial or renewal license shall be accompanied by a license fee of two hundred dollars ($200.00). A fund-raising consultant that is a partnership or corporation may obtain a license for and pay a single fee on behalf of all of its partners, members, officers, directors, agents, and employees. In that case, the names and street addresses of all of the officers, employees, and agents of the fund-raising consultant and all other persons with whom the fund-raising consultant has contracted to work under its direction shall be listed in the license application. Each license is valid for one year or a part of one year and expires on March 31 of each year. The license may be renewed on or before March 31 of each year for additional one-year periods upon application to the Department and payment of the license fee.

(d) Contracts. — Every contract or agreement between a fund-raising consultant and a charitable organization or sponsor shall be in writing, signed by two authorized officials of the charitable organization or sponsor, and filed by the fund-raising consultant with the Department at least five days prior to the performance of any service by the fund-raising consultant. Solicitation under the contract or agreement shall not begin before the filing of the contract or agreement. The contract shall contain all of the following provisions:

(1) A statement of the charitable purpose or sponsor purpose for which the solicitation campaign is being conducted.
(2) A statement of the respective obligations of the fund-raising consultant and the charitable organization or sponsor.
(3) A clear statement of the fee that will be paid to the fund-raising consultant.
(4) The effective and termination dates.
(5) A statement that the fund-raising consultant shall not, at any time, have control or custody of contributions.

(e) Departmental Review. — The Department shall examine each application or renewal filed by a fund-raising consultant and determine whether the requirements are satisfied. If the Department determines that the requirements are not satisfied, the Department shall notify the fund-raising consultant within 10 days after its receipt of the application or renewal. If the Department does not respond within 10 days, the license is deemed approved. Within seven days after receipt of a notification that the license requirements are not satisfied, the applicant may file a petition for a contested case. The State has the burden of proof in the contested case. The contested case hearing must be held within seven days after the petition is filed. A recommended decision must be made within three days of the hearing. A final decision must be made within two days after the recommended decision. The contested case hearing proceedings shall be conducted in accordance with Chapter 150B of the General Statutes, except that the time limits and provisions set forth in this section shall prevail to the extent of any conflict. The applicant shall be permitted to continue to operate or continue operations pending judicial review of the Department's denial of the application. The Department shall make rules regarding the custody and control of any funds collected during the review period and disposal of such funds in the event the denial of the application is affirmed on appeal.

(f) Fund. — All license fees shall be paid to the Department and deposited into the Solicitation of Contributions Fund to be used to pay the costs incurred in administering and enforcing this Chapter.

(g) Change in Information. — Unless otherwise provided, any material change in information filed with the Department pursuant to this section shall be reported in writing to the Department within seven working days after the change occurred. (1981, c. 886, s. 1; 1985, c. 497, s. 1; 1989, c. 566, s. 2; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-16. License required for solicitors.

(a) Licensure Required. — Unless exempted under G.S. 131F-3, a person shall not act as a solicitor in this State unless that person has obtained a license from the Department and paid the applicable fees.

(b) Applications. — Applications for a license or renewal of a license shall be submitted on a form provided by the Department, shall be signed under oath, and shall include the following information:

(1) The street address and telephone number of the principal place of business of the applicant and any North Carolina street addresses if the principal place of business is located outside this State.

(2) The form of the applicant's business.
(3) The place and date when the applicant, if other than an individual, was legally established.
(4) The names and residence addresses of all officers, directors, and owners.
(5) A statement as to whether any of the owners, directors, officers, or employees of the applicant are related as parent, spouse, child, or sibling to:
  a. Any other directors, officers, owners, or employees of the applicant.
  b. Any officer, director, trustee, or employee of any charitable organization or sponsor under contract to the applicant.
  c. Any supplier or vendor providing goods or services to any charitable organization or sponsor under contract to the applicant.
(6) A statement as to whether the applicant or any of the directors, officers, persons with a controlling interest in the applicant, or employees or agents involved in solicitation have been convicted, within the last five years, of any felony, or of a misdemeanor arising from the conduct of a solicitation for any charitable organization or sponsor or charitable or sponsor purpose, or been enjoined from violating a charitable solicitation law in this or any other state.
(7) The names of all persons in charge of any solicitation activity.

(c) Fees. — The application for an initial or renewal license shall be accompanied by a fee of two hundred dollars ($200.00). A solicitor that is a partnership or corporation may register for and pay a single fee on behalf of all of the partners, members, officers, directors, agents, and employees. In that case, the names and street addresses of all the officers, employees, and agents of the solicitor and all other persons with whom the solicitor has contracted to work under that solicitor's direction, including solicitors, shall be listed in the license application or furnished to the Department within five days after the date of employment or contractual arrangement. Each license is valid for one year or a part of one year and expires on March 31 of each year. The license may be renewed on or before March 31 of each year for an additional one-year period upon application to the Department and payment of the license fee.

(d) Bond. — A solicitor shall, at the time of application or renewal of the license, file with and have approved by the Department a bond with a surety authorized to do business in this State and to which the solicitor is the principal obligor. The amount of the bond shall be determined as follows:
(1) Twenty thousand dollars ($20,000), if the contributions received for the last fiscal year were less than one hundred thousand dollars ($100,000).
(2) Thirty thousand dollars ($30,000), if the contributions received for the last fiscal year were at least one hundred thousand dollars ($100,000) but less than two hundred thousand dollars ($200,000).
(3) Fifty thousand dollars ($50,000), if the contributions received for the last fiscal year were at least two hundred thousand dollars ($200,000).

The solicitor shall maintain the bond in effect as long as the license is in effect. The liability of the surety under the bond shall not exceed an all-time aggregate liability of fifty thousand dollars ($50,000). The bond, which may be in the form of a rider to a larger blanket liability bond, shall be payable to the State and to any person who may have a cause of action against the principal obligor of the bond for any liability arising out of a violation by the obligor of any provision of this Chapter or any rule adopted under this Chapter.

(d1) In lieu of the bond required under subsection (d) of this section, a solicitor may submit a certificate of deposit in the amount as for a bond pursuant to subsection (d) of this section. The certificate of deposit shall be payable to the State and unrestrictively endorsed to the Department; or, in the case of a negotiable certificate of deposit, unrestrictively endorsed to the Department; or, in the case of a nonnegotiable certificate of deposit, assigned to the Department in a form satisfactory to the Department. Access to the certificate of deposit in favor of the State is subject to the same conditions as for a bond under subsection (d) of this section and shall extend for a period not less than four years after the solicitor ceases activities that are subject to this Chapter. The Department shall deliver to the State Treasurer certificates of deposit submitted under this section.

(e) Departmental Review. — The Department shall examine each application filed by a solicitor. If the Department determines that the requirements are not satisfied, the Department shall notify the solicitor within 10 days after its receipt of the application. If the Department does not respond within 10 days, the license is deemed approved. Within seven days after receipt of a notification that the requirements are not satisfied, the applicant may request a hearing. The state shall bear the burden of proof at such hearing. The hearing shall be held within seven days after receipt of the request. Any recommended order, if one is issued, shall be rendered within three days after the hearing. The final order shall then be issued within two days after the recommended order. If there is no recommended order, the final order shall be issued within five days after the hearing. The proceedings shall be conducted in accordance with Chapter 150B of the General Statutes, except that the time limits and provision set forth in this subsection prevail to the extent of any conflict. The applicant shall be permitted to continue to operate or continue operations pending judicial review of the Department's denial of the application. The Department shall make rules regarding the custody and control of any funds collected during the review period and disposal of such funds in the event the denial of the application is affirmed on appeal.

(f) Solicitation Notice. — No less than five days before commencing any solicitation campaign or event, the solicitor shall file with the Department a solicitation notice on a form provided by the Department. The notice shall be signed and sworn to by the contracting officer of the solicitor and shall include:

(1) A description of the solicitation event or campaign.
(2) Each location and telephone number from which the solicitation is to be conducted.
(3) The legal name and residence address of each person responsible for directing and supervising the conduct of the campaign.
(4) A statement as to whether the solicitor will, at any time, have custody of contributions.
(5) The account number and location of each bank account where receipts from the campaign are to be deposited.
(6) A full and fair description of the charitable or sponsor program for which the solicitation campaign is being carried out as provided in the contract between the solicitor and the charitable organization or sponsor.
(7) The fund-raising methods to be used.
(8) A copy of the contract executed in accordance with subsection (g) of this section.

(g) Contracts. — Each contract or agreement between a solicitor and a charitable organization or sponsor for each solicitation campaign shall be in writing, shall be signed by two authorized officials of the charitable organization or sponsor, one of whom shall be a member of the organization's governing body and one of whom shall be the authorized contracting officer for the solicitor. Each contract or agreement shall contain all of the following provisions:

(1) A statement of the charitable or sponsor purpose and program for which the solicitation campaign is being conducted.

(2) A statement of the respective obligations of the solicitor and the charitable organization or sponsor.

(3) A statement of the guaranteed minimum percentage of the gross receipts from contributions which will be remitted to the charitable organization or sponsor. If the solicitation involves the sale of goods, services, or tickets to a fund-raising event, the percentage of the purchase price which will be remitted to the charitable organization or sponsor. Any stated percentage shall exclude any amount which the charitable organization or sponsor shall pay as fund-raising costs.

(4) A statement of the percentage of the gross revenue for which the solicitor shall be compensated. If the compensation of the professional solicitor is not contingent upon the number of contributions or the amount of revenue received, the compensation shall be expressed as a reasonable estimate of the percentage of the gross revenue, and the contract shall clearly disclose the assumptions upon which the estimate is based. The stated assumptions shall be based upon all of the relevant facts known to the solicitor regarding the solicitation to be conducted by the solicitor.

(5) The effective and termination dates of the contract.

(h) Financial Report. — Within 90 days after a solicitation campaign has been completed and on the anniversary of the commencement of a solicitation campaign lasting more than one year, the solicitor shall provide to the charitable organization or sponsor and file with the Department a financial report of the campaign, including the gross revenue received, an itemization of all expenses incurred, and the fixed percentage of the gross revenue that the charitable organization or sponsor received as a benefit from the solicitation campaign. The report shall be completed on a form provided by the Department and shall be signed by an authorized official of the solicitor who shall certify under oath that the report is true and correct.

(i) Handling of Contributions. — Each contribution collected by or in the custody of the solicitor shall be solely in the name of the charitable organization or sponsor on whose behalf the contribution was solicited. Not later than two days after receipt of each contribution, the solicitor shall deposit the entire amount of the contribution in an account at a bank or other federally insured financial institution, which account shall be in the name of that charitable organization or sponsor. The charitable organization or sponsor shall have sole control of all withdrawals from the account and the solicitor shall not be given the authority to withdraw any deposited funds from the account.

(j) Records of Solicitors. — During each solicitation campaign, and for not less than three years after its completion, the solicitor shall maintain the following records:

(1) The date and amount of each contribution received and the name, address, and telephone number of each contributor.

(2) The name and residence street address of each employee, agent, and any other person, however designated, who is involved in the solicitation, the amount of compensation paid to each, and the dates on which the payments were made.

(3) A record of all contributions that at any time are in the custody of the solicitor.

(4) A record of all expenses incurred by the solicitor for the payment of which the solicitor is liable.

(5) A record of all expenses incurred by the solicitor for the payment of which the charitable organization or sponsor is liable.

(6) The location of each bank or financial institution in which the solicitor has deposited revenue from the solicitation campaign and the account number of each account in which the deposits were made.

(7) A copy of each pitch sheet or solicitation script used during the completed solicitation campaign.

(8) If a refund of a contribution has been requested, the name and address of each person requesting the refund. If a refund was made, the amount and the date it was made.

(k) Records of Tickets. — If the solicitor sells tickets to any event and represents that the tickets will be donated for use by another person, the solicitor shall maintain for at least three years the following records:

(1) The name and address of each contributor who purchases or donates tickets and the number of tickets purchased or donated by the contributor.

(2) The name and address of each organization that receives the donated tickets for the use of others, and the number of tickets received by the organization.

(*l*) Review of Records. — Any of the records described in this section shall be made available to the Department upon request and shall be furnished within 10 days after the request.

(m) Change in Information. — Unless otherwise provided in this Chapter, any change in any information filed with the Department under this section shall be reported in writing to the Department within seven days after the change occurs.

(n) License Rescinded. — Any person licensed as a solicitor shall permanently lose that person's license if it is determined that that person, any officer or director thereof, any person with a ten percent (10%) or greater interest therein, or any person the solicitor employs, engages, or procures to solicit for compensation, has been convicted in the last five years of a crime arising from the conduct of a solicitation for a charitable organization or sponsor or a charitable purpose or sponsor purpose. (1981, c. 886, s. 1; 1985, c. 497, s. 1; 1989, c. 566, s. 2; 1993 (Reg. Sess., 1994), c. 759, s. 2; 1997-124, s. 1; 2003-373, s. 2.)

CASE NOTES

Unconstitutionally Overbroad. — North Carolina's licensure procedure, as it read prior to the 1989 amendment to the former Charitable Solicitation Licensure Act, infringed upon the rights protected by U.S. Const., Amend. I, of those organizations which, for various reasons, had to rely on professional solicitors. The fact that (1) the licensure process was subject to North Carolina's Administrative Procedure Act (Chapter 150B), and (2) licenses had in the past been considered expeditiously was not enough to save the statute. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd, 817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

Subsection (b) of former G.S. 131C-4 and former G.S. 131C-6, 131C-16.1, 131C-17.2 and 131C-21.1(c), as they read prior to the 1989 amendment, were unconstitutionally overbroad and infringed upon rights protected by U.S. Const., Amend. I. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd, 817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

The licensing requirement of former G.S. 131C-6, as it read prior to the 1989 amendment, as to professional fundraisers was unconstitutional. A speaker's rights were not lost merely because compensation was received, and the State's asserted power to license professional fundraisers carried with it (unless properly constrained) the power directly and substantially to affect the speech they uttered. Consequently, the statute was subject to scrutiny under U.S. Const., Amend. I. Riley v. National Fed'n of Blind of N.C., Inc., 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

Generally, speakers need not obtain a license to speak. Even assuming that the State's interest in regulating those who solicit money justifies requiring fundraisers to obtain a license before soliciting, such a regulation must provide that the licensor will, within a specified brief period, either issue a license or go to court. That requirement was not met in former G.S. 131C-6, for that section permitted a delay without limit. Riley v. National Fed'n of Blind of N.C., Inc., 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988), decided prior to the 1989 amendments to the former Charitable Solicitation Licensure Act.

The purpose of the bond requirement of former G.S. 131C-10 was to protect those who had made charitable contributions; the bond was not meant to be used to satisfy obligations on a lease which was already in default at the time the bond was issued. Kirkland v. National Civic Assistance Group, Inc., 108 N.C. App. 326, 423 S.E.2d 822 (1992).

§ 131F-17. Disclosure requirements of solicitors.

(a) General Disclosures. — A solicitor shall comply with the following disclosures:

(1) Prior to orally requesting a contribution or along with a written request for a contribution, a solicitor shall clearly disclose:
  a. The name of the solicitor as on file with the Department.
  b. If the individual acting on behalf of the solicitor identifies himself by name, the individual's legal name.
  c. That the caller is a paid solicitor.

(2) In the case of a solicitation campaign conducted orally, whether by telephone or otherwise, any written confirmation, receipt, or reminder sent to any person who has contributed or has pledged to contribute, shall include a clear disclosure of the information required under subdivision (1) of this subsection.

(3) In addition to the information required by subdivision (1) of this subsection, any written confirmation, receipt, or reminder of contribution made pursuant to an oral solicitation and any written solicitation shall conspicuously state in type of a minimum of nine points: "Financial information about the solicitor and a copy of its license are available from the State Solicitation Licensing Branch at [telephone number]. The license is not an endorsement by the State."

The statement shall be made conspicuous by use of one or more of the following: underlining, a border, or bold type. When the solicitation materials consist of more than one piece, the statement shall be displayed prominently in the solicitation materials, but not necessarily on every page.

(4) If requested by the person being solicited, the solicitor shall inform that person, in writing, within 14 days of the request, of the fixed percentage of the gross revenue or the reasonable estimate of the percentage of the gross revenue that the charitable organization or sponsor will receive as a benefit from the solicitation campaign.

(5) If requested by the person being solicited, the solicitor shall inform that person, in writing, within 14 days of the request, of the percentage of the contribution which may be deducted as a charitable contribution under federal income tax laws.

(b) Tickets. — A solicitor shall not represent that tickets to any event will be donated for use by another person, unless:

(1) The solicitor has the written commitments from persons stating that they will accept donated tickets and specifying the number of tickets they are willing to accept.

(2) The written commitments are filed with the Department prior to any solicitation.

The contributions solicited for donated tickets shall not be more than the amount representing the number of ticket commitments received from persons and filed with the Department. At least seven days before the date of the event, the solicitor shall give all donated tickets to each person that made the written commitment to accept them. (1993 (Reg. Sess., 1994), c. 759, s. 2; 1995 (Reg. Sess., 1996), c. 748, s. 1.2.)

Legal Periodicals. — For survey, "An Informed Consumer is the Best Defense: Charitable Solicitation Regulation in North Carolina Under N.C. Gen. Stat. G.S. 131F-1 to -28," see 73 N.C.L. Rev. 2303 (1995).

CASE NOTES

Editor's Note. *— The case below was decided prior to the 1989 amendments to the former Charitable Solicitation Licensure Act.*

Unconstitutionally Overbroad. — Former G.S. 131C-16.1 and former G.S. 131C-4(b), former 131C-6, 131C-17.2 and 131C-21.1(c) were unconstitutionally overbroad and infringed upon rights protected under U.S. Const., Amend. I. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd, 817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

Disclosure Requirement Unconstitutional. — The requirement of former G.S. 131C-16.1, as it read prior to the 1989 amendment, that professional fundraisers disclose to potential donors, before an appeal for funds, the percentage of charitable contributions collected during the previous 12 months that were actually turned over to charity, was unconstitutional. Riley v. National Fed'n of Blind of N.C., Inc., 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

State's Interest Not Sufficiently Weighty. — Under the former Charitable Solicitation Licensure Act, G.S. 131C-16.1, the State's interest in informing donors how the money they contribute was spent in order to dispel the alleged misperception that the money they give to professional fundraisers goes in greater-than-actual proportion to benefit charity, was not sufficiently weighty, and the means chosen to accomplish it were unduly burdensome and not narrowly tailored. Riley v. National Fed'n of Blind of N.C., Inc., 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

§ 131F-18. Requirements of coventurers.

(a) Written Consent. — Prior to the commencement of any charitable sales promotion or sponsor sales promotion in this State conducted by a coventurer on behalf of a charitable organization or sponsor, the coventurer shall obtain the written consent of the charitable organization or sponsor whose name will be used during the charitable sales promotion or sponsor sales promotion.

(b) Rules. — The Department may adopt rules requiring disclosure in advertising for a charitable sales promotion or sponsor sales promotion of information relating to the portion or amount that will benefit the charitable organization or sponsor or the charitable purpose or sponsor purpose.

(c) Final Accounting. — A final accounting for each charitable sales promotion or sponsor sales promotion shall be prepared by the coventurer following completion. The final accounting shall be provided to the charitable organization or sponsor on whose behalf the sales promotion was conducted within 10 days after a request by the charitable organization or sponsor. The final accounting shall be kept by the coventurer for a period of three years, unless the coventurer and the charitable organization or sponsor mutually agree that the accounting should be kept by the charitable organization or sponsor instead of the coventurer. A copy of the final accounting shall be provided to the Department no later than 10 days after the Department requests it. (1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-19: Reserved for future codification purposes.

ARTICLE 4.

Prohibited Acts and Enforcement.

§ 131F-20. Prohibited acts.

It is unlawful for any person to:

(1) Violate or fail to comply with the requirements of this Chapter.

(2) Act as a fund-raising consultant or solicitor after the expiration, suspension, or revocation of that person's license.
(3) Enter into any contract or agreement with or employ a fund-raising consultant or solicitor unless that fund-raising consultant or solicitor is licensed by the Department.
(4) Knowingly file false or misleading information in any document required to be filed with the Department or in response to any request or investigation by the Department or the Attorney General.
(5) Make misrepresentations or misleading statements to the effect that any other person sponsors or endorses the solicitation, approves of its purpose, or is connected therewith, when that person has not given written consent to the use of that person's name.
(6) Represent that a contribution is for or on behalf of a charitable organization or sponsor, or to use any emblem, device, or printed matter belonging to or associated with a charitable organization or sponsor, without first being authorized in writing to do so by the charitable organization or sponsor.
(7) Use a name, symbol, emblem, device, service mark, or statement so closely related or similar to that used by another charitable organization or sponsor that the use would mislead the public.
(8) Falsely state that the person is a member of or a representative of a charitable organization or sponsor or falsely state or represent that the person is a member of or represents law enforcement officers or emergency service employees.
(9) Misrepresent or mislead anyone by any manner, means, practice, or device to believe that the person on whose behalf the solicitation or sale is being conducted is a charitable organization or sponsor, or that any of the proceeds of the solicitation or sale will be used for charitable or sponsor purposes.
(10) Represent that a charitable organization or sponsor will receive a fixed or estimated percentage of the gross revenue from a solicitation campaign greater than that identified in filings with the Department under this Chapter, or that a charitable organization or sponsor will receive an actual or estimated dollar amount or percentage per unit of goods or services purchased or used in the charitable or sponsor sales promotion that is greater than that agreed to by the coventurer and the charitable organization or sponsor.
(11) Use or exploit the fact of registration or the filing of any report with any governmental agency to lead any person to believe that the registration in any manner constitutes an endorsement or approval by the State. However, use of the statement required in G.S. 131F-9(c) or G.S. 131F-17(a)(3) is not a prohibited use or exploitation.
(12) Make misrepresentations or misleading statements to the effect that the donation of a contribution or the display of any sticker, emblem, or insignia offered to contributors shall entitle a person to any special treatment by emergency service employees or law enforcement officers in the performance of their official duties.
(13) Solicit contributions from another person while wearing the uniform of an emergency service employee or law enforcement officer, or while on duty as an emergency service employee or law enforcement officer, except where the solicitation is for a charitable organization or sponsor or except when soliciting contributions to benefit an emergency service employee or law enforcement officer who has been injured in the line of duty or to benefit the family or dependents of an emergency service employee or law enforcement officer who has been killed in the line of duty.

(14) Solicit contributions on behalf of another person using any statement that the failure to make a contribution shall result in a reduced level of law enforcement services being provided to the public or the person solicited.

(15) Employ in any solicitation any device or scheme to defraud or to obtain a contribution by means of any deception, false pretense, misrepresentation, or false promise.

(16) Notify any other person by any means, as part of an advertising scheme or plan, that the other person has won a prize, received an award, or has been selected or is eligible to receive anything of value if the other person is required to purchase goods or services, pay any money to participate in, or submit to a promotion effort.

(17) Fail to provide complete and timely payment to a charitable organization or sponsor of the proceeds from a solicitation campaign or a charitable or sponsor sales promotion.

(18) Fail to apply contributions in a manner substantially consistent with the solicitation.

(19) Fail to identify the professional relationship to the person for whom the solicitation is being made.

(20) To send to any person a writing which simulates or resembles an invoice unless the intended recipient has contracted for goods, property, or services from the charitable organization or solicitor who sends the writing. (1981, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

CASE NOTES

Editor's Note. *— The case below was decided prior to the 1989 amendments to the former Charitable Solicitation Licensure Act.*

Former G.S. 131C-17.1 was a reasonable exercise of the State's police power. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd, 817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

§ 131F-21. Violation as deceptive or unfair trade practice.

Any person who commits an act or practice that violates any provision of this Chapter engages in an unfair trade practice in violation of G.S. 75-1.1. (1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-22. Criminal penalties.

Except as otherwise provided in this Chapter and in addition to any administrative or civil penalties, any person who willfully and knowingly violates a provision of this Chapter commits a Class 1 misdemeanor. (1981, c. 886, s. 1; 1993, c. 539, s. 952; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-23. Enforcement.

(a) Investigation. — The Department may conduct an investigation of any person whenever there is an allegation or appearance, either upon complaint or otherwise, that a violation of this Chapter or of any rule adopted or of any order issued pursuant to this Chapter has occurred or is about to occur.

(b) Subpoena Power. — The Department may issue and serve subpoenas and subpoenas duces tecum to compel the attendance of witnesses and the production of all books, accounts, records, and other documents and materials relevant to an examination or investigation. The Department, or its duly authorized representative, may administer oaths and affirmations to any person.

(c) Court Action. — In the event of substantial noncompliance with a subpoena or subpoena duces tecum issued or caused to be issued by the Department, the Department may petition the superior court of the county in which the person subpoenaed resides or has the principal place of business for an order requiring the subpoenaed person to appear and testify and to produce any books, accounts, records, and other documents as are specified in the subpoena duces tecum. The court may grant injunctive relief restraining the person from collecting contributions and any other relief, including the restraint by injunction or appointment of a receiver, or any transfer, pledge, assignment, or other disposition of the person's assets, or any concealment, alteration, destruction, or other disposition of subpoenaed books, accounts, records, or other documents and materials as the court deems appropriate, until the person or organization has fully complied with the subpoena or subpoena duces tecum and the Department has completed its investigation or examination. The court may also order the person to produce a financial statement that has been audited by an independent certified public accountant. Costs incurred by the Department to obtain an order granting, in whole or in part, a petition for enforcement of a subpoena or subpoena duces tecum shall be taxed against the subpoenaed person and failure to comply with the order shall be contempt of court.

(d) Violations. — The Department may enter an order imposing one or more of the penalties set forth in subsection (e) of this section if the Department finds that a charitable organization, sponsor, fund-raising consultant, or solicitor, or their officers, agents, directors, or employees have engaged in any of the following acts:

(1) Violated or is operating in violation of any of the provisions of this Chapter or of the rules adopted or orders issued under this Chapter.
(2) Made a false statement in an application, statement, or report required to be filed under this Chapter.
(3) Refused or failed, after notice, to produce any records or to disclose any information required to be disclosed under this Chapter or the rules adopted by the Department.
(4) Made a false statement in response to any request or investigation by the Department or the Attorney General.

(e) Penalties. — Upon a finding as set forth in subsection (d) of this section, the Department may enter an order as follows:

(1) Imposing an administrative penalty not to exceed one thousand dollars ($1,000) for each act or omission which constitutes a violation of this Chapter or a rule or an order.
(2) Issuing a cease and desist order that directs that the person cease and desist specified fund-raising activities.
(3) Refusing to register or cancelling or suspending a registration.
(4) Placing the registrant on probation for a period of time, subject to such conditions as the Department may specify.
(5) Issuing of a letter of concern.
(6) Cancelling an exemption granted under G.S. 131F-3.

(f) Procedures. — Except as otherwise provided in this section, the administrative proceedings which could result in the entry of an order imposing any of the penalties specified in subsection (e) of this section are governed by Chapter 150B of the General Statutes.

(g) Disposition of Penalties. — The clear proceeds of penalties provided for in subsection (e) of this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1993 (Reg. Sess., 1994), c. 759, s. 2; 1998-215, s. 81.)

CASE NOTES

***Editor's Note.** — The case below was decided prior to the 1989 amendments to the former Charitable Solicitation Licensure Act.*

Unconstitutionally Overbroad. — Subsection (c) of former G.S. 131C-21.1 and former G.S. 131C-4(b), former 131C-6, 131C-16.1, and former 131C-17.2, as they read prior to the 1989 amendment, were unconstitutionally overbroad and infringed upon rights protected by U.S. Const., Amend. I. National Fed'n of Blind of N.C., Inc. v. Riley, 635 F. Supp. 256 (E.D.N.C. 1986), aff'd, 817 F.2d 102 (4th Cir. 1987), aff'd, 817 F.2d 102 (4th Cir. 1987), 487 U.S. 781, 108 S. Ct. 2667, 101 L. Ed. 2d 669 (1988).

§ 131F-24. Civil remedies and enforcement.

(a) Civil Remedies. — In addition to other remedies authorized by law, the Attorney General may bring a civil action in superior court to enforce this Chapter. Upon a finding that any person has violated this Chapter, a court may make any necessary order or enter a judgment, including a temporary or permanent injunction, a declaratory judgment, the appointment of a master or receiver, the sequestration of assets, the reimbursement of persons from whom contributions have been unlawfully solicited, the distribution of contributions in accordance with the charitable or sponsor purpose expressed in the registration statement or in accordance with the representations made to the person solicited, the reimbursement of the Department for attorneys' fees and costs, including investigative costs, and any other equitable relief the court finds appropriate. Upon a finding that any person has violated any provision of this Chapter, a court may enter an order imposing a civil penalty in an amount not to exceed ten thousand dollars ($10,000) per violation.

The clear proceeds of penalties imposed pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(b) Attorney General. — The Attorney General may conduct any investigation necessary to bring a civil action under this section, including administering oaths and affirmations, subpoenaing witnesses or material, and collecting evidence.

(c) Voluntary Compliance. — The Attorney General may terminate an investigation or an action upon acceptance of a person's written assurance of voluntary compliance with this Chapter. Acceptance of an assurance may be conditioned on commitment to reimburse donors or to take other appropriate corrective action. An assurance is not evidence of a prior violation of any of this Chapter. Unless an assurance has been rescinded by agreement of the parties or voided by a court for good cause, subsequent failure to comply with the terms of an assurance is prima facie evidence of a violation of this Chapter. (1993 (Reg. Sess., 1994), c. 759, s. 2; 1998-215, s. 82.)

§§ 131F-25 through 131F-29: Reserved for future codification purposes.

Article 5.

Miscellaneous.

§ 131F-30. Public information; annual report.

(a) Public Information Program. — The Department shall develop a public information program to further the purposes of this Chapter. The purpose of the program is to help the public recognize unlawful, misleading, deceptive, or fraudulent solicitations and make knowledgeable, informed decisions concerning contributions.

(b) Information to Be Included. — The program shall include information concerning:

(1) The laws governing solicitations, including licensing and disclosure requirements, prohibited acts, and penalties.

(2) The means by which the public can report suspected violations or file a complaint.

(3) Any other information the Department believes will assist the public in making knowledgeable and informed decisions concerning contributions.

(c) Annual Report. — The Department shall prepare an annual report to be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives and to be made available to the public by publishing it on the Department's web site, summarizing the information filed under this Chapter which the Department determines will assist the public in making informed and knowledgeable decisions concerning contributions. The report shall include the following:

(1) A list of complaints filed for which violations were found to have occurred in each of the following categories: charitable organizations, sponsors, solicitors, and fund-raising consultants.

(2) A list of the number of investigations by the Department, enforcement actions commenced under this Chapter, and the disposition of those actions.

(3) A list of those charitable organizations and sponsors that have voluntarily submitted an audited financial statement pursuant to G.S. 131F-6(a)(10) or an audit with an opinion prepared by an independent certified public accountant.

(4) A list of all solicitors licensed under this Chapter and the fixed percentage of the gross revenue that the charitable organization or sponsor will receive as a benefit from the solicitation campaign, the reasonable estimate of the percentage of the gross revenue that the charitable organization or sponsor will receive as a benefit from the solicitation campaign, or the guaranteed minimum percentage of the gross revenue that the charitable solicitation or sponsor will receive as a benefit from the solicitation campaign as provided in the contract between the solicitor and the charitable organization or sponsor, whichever of these three amounts is least. This list shall appear in order of percentages, from lowest to highest.

(d) Each year immediately following the submission of the report under subsection (c) of this section, the Secretary of State shall issue that report as a press release to all print and electronic news media that provide general coverage. (1993 (Reg. Sess., 1994), c. 759, s. 2; 2003-373, s. 1.)

Editor's Note. — The numbers of G.S. 131F-30 to 131F-33 were assigned by the Revisor of Statutes, the numbers in the enacting act having been G.S. 131F-25 to 131F-28.

§ 131F-31. Contributions solicited for, or accepted by or on behalf of, a named individual.

(a) Trust Account Required. — Contributions solicited for, or accepted by or on behalf of, a named individual shall be deposited in a trust account opened by a trustee named in a properly established trust document.

(b) Use of Trust Funds. — Contributions deposited in the trust fund may be used only for the purpose for which the contributions were solicited; if the contributions are no longer needed for the purpose for which they were solicited, they may be used for another similar charitable purpose. The trustee may disburse funds from the trust account only after making a written record verifying the purpose for which the funds will be used accompanied by documentation of the identity of the payee and the justification for the payment. The Trustee shall retain these records for each disbursement from the trust account for a period of three years after the disbursement. (1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-32. Records.

Each charitable organization, sponsor, fund-raising consultant, and solicitor shall keep, for a period of at least three years, true and accurate records as to their activities in the State. The records shall be made available to the Department for inspection and shall be furnished no later than 10 days after the request was made. (1981, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-33. Rule-making authority.

The Department shall have the authority to adopt rules necessary for the implementation of this Chapter or to prevent false or deceptive statements or conduct in the solicitation of charitable contributions. (1981, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

solicited, they may be used for another similar charitable purpose. The trustee may disburse funds from the trust account only after making a written record verifying the purpose for which the funds will be used accompanied by documentation of the identity of the payee and the justification for the payment. The Trustee shall retain these records for each disbursement from the trust account for a period of three years after the disbursement. (1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-32. Records.

Each charitable organization, sponsor, fund-raising consultant, and solicitor shall keep, for a period of at least three years, true and accurate records as to their activities in the State. The records shall be made available to the Department for inspection and shall be furnished no later than 10 days after the request was made. (1987, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

§ 131F-33. Rule-making authority.

The Department shall have the authority to adopt rules necessary for the implementation of this Chapter or to prevent false or deceptive statements or conduct in the solicitation of charitable contributions. (1987, c. 886, s. 1; 1993 (Reg. Sess., 1994), c. 759, s. 2.)

Chapter 132.

Public Records.

Sec.
132-1. "Public records" defined.
132-1.1. Confidential communications by legal counsel to public board or agency; State tax information; public enterprise billing information; Address Confidentiality Program information.
132-1.2. Confidential information.
132-1.3. Settlements made by or on behalf of public agencies, public officials, or public employees; public records.
132-1.4. Criminal investigations; intelligence information records; Innocence Inquiry Commission records.
132-1.5. 911 database.
132-1.6. Emergency response plans.
132-1.7. Sensitive public security information.
132-1.8. Confidentiality of photographs and video or audio recordings made pursuant to autopsy.
132-1.9. Trial preparation materials.
132-1.10. Social security numbers and other personal identifying information.
132-1.11. Economic development incentives.
132-1.12. Limited access to identifying information of minors participating in local government parks and recreation programs.
Sec.
132-2. Custodian designated.
132-3. Destruction of records regulated.
132-4. Disposition of records at end of official's term.
132-5. Demanding custody.
132-5.1. Regaining custody; civil remedies.
132-6. Inspection and examination of records.
132-6.1. Electronic data-processing records.
132-6.2. Provisions for copies of public records; fees.
132-7. Keeping records in safe places; copying or repairing; certified copies.
132-8. Assistance by and to Department of Cultural Resources.
132-8.1. Records management program administered by Department of Cultural Resources; establishment of standards, procedures, etc.; surveys.
132-8.2. Selection and preservation of records considered essential; making or designation of preservation duplicates; force and effect of duplicates or copies thereof.
132-9. Access to records.
132-10. Qualified exception for geographical information systems.

§ 132-1. "Public records" defined.

(a) "Public record" or "public records" shall mean all documents, papers, letters, maps, books, photographs, films, sound recordings, magnetic or other tapes, electronic data-processing records, artifacts, or other documentary material, regardless of physical form or characteristics, made or received pursuant to law or ordinance in connection with the transaction of public business by any agency of North Carolina government or its subdivisions. Agency of North Carolina government or its subdivisions shall mean and include every public office, public officer or official (State or local, elected or appointed), institution, board, commission, bureau, council, department, authority or other unit of government of the State or of any county, unit, special district or other political subdivision of government.

(b) The public records and public information compiled by the agencies of North Carolina government or its subdivisions are the property of the people. Therefore, it is the policy of this State that the people may obtain copies of their public records and public information free or at minimal cost unless otherwise specifically provided by law. As used herein, "minimal cost" shall mean the actual cost of reproducing the public record or public information. (1935, c. 265, s. 1; 1975, c. 787, s. 1; 1995, c. 388, s. 1.)

Local Modification. — Alamance: 1987 (Reg. Sess., 1988), c. 950, s. 1(c); Ashe: 1991, c. 163, s. 1(c), as amended by 2007-527, s. 21(dd); Caldwell: 1987, c. 472, s. 1(c), as amended by 2007-527, s. 21(s); Cleveland: 1989, c. 173, s. 1(c), as amended by 2007-527, s. 21(aa); Cumberland: 1993, ch. 413, s. 5; Davidson: 1993, c. 453, s. 1(c), as amended by 2007-527, s. 21(ii); Davie: 1989 (Reg. Sess., 1990), c. 928, s. 1(c); Gaston: 1987, c. 618, s. 1(c), as amended by

2007-527, s. 21(w); Guilford: 1993, c. 82, s. 1; 1995, c. 432, s. 1; Henderson: 1987, c. 172, s. 5(c), as amended by 2007-527, s. 21(p); Hertford: 1987 (Reg. Sess., 1988), c. 979, s. 1(c); Hyde: 1991, c. 230, s. 1(c), as amended by 2007-527, s. 21(ee); Lee: 1987, c. 538, s. 1(c), as amended by 2007-527, s. 21(u); Lenoir: 1987, c. 561, s. 1(c), as amended by 2007-527, s. 21(v); Lincoln: 1993, c. 549, s. 1, as amended by 2007-527, s. 21(jj); Mecklenburg: 1993, c. 82, s. 1; 1995, c. 432, s. 1; Mitchell: 1987, c. 141, s. 1(c), as amended by 2007-527, s. 21(m); Nash: 1987, c. 32; 1993, c. 82, s. 1; 1993, c. 545; 1995, c. 432, s. 1; New Hanover: 1995, c. 432, s. 1; Pender: 1987 (Reg. Sess., 1988), c. 970, s. 1(c) (repealed by 2001-439, s. 6.1, on effective date of a tax levied under the 2001 act); Pitt: 1987, c. 143, s. 1(c), as amended by 2007-527, s. 21(n); 1993, c. 82, s. 1; 1993, ch. 410, s. 1; 1995, c. 432, s. 1; Rowan: 1987, c. 379, s. 1(c); 1991 (Reg. Sess., 1992), c. 882; Rutherford: 1991, c. 577, s. 5(c), as amended by 2007-527, s. 21(gg); Wake: 1991, c. 594, s. 9, as amended by 2007-527, s. 21(hh); 1995, c. 458, s. 5; Washington: 1991 (Reg. Sess., 1992), c. 821; Yancey: 1987, c. 140, s. 1(c), as amended by 2007-527, s. 21(*l*); city of Albemarle: 1991 (Reg. Sess., 1992), c. 915 (repealed on effective date of a tax levied under 2001-434, ss. 6, 7, by the County of Stanly); (As to Chapter 132) city of Charlotte: 2000-26, s. 1, as amended by 2007-255, s.1; city of Conover: 1987, c. 319, s. 1; city of Greensboro: 1987, c. 51; 1989, c. 383, s. 1; 1993, c. 82, s. 1; 1995, c. 432, s. 1; city of Hickory: 1987, c. 319, s. 1; city of High Point: 1993, c. 82, s. 1; 1995, c. 432, s. 1; city of Kinston: 1993 (Reg. Sess., 1994), c. 648, s. 1(c), as amended by Session Laws 2007-527, s. 21(*ll*); (As to Chapter 132) city of Rocky Mount: 2003-327, as amended by 2009-74; city of Thomasville: 1993, c. 453, s. 1(c); city of Wilmington: 1995, c. 432, s. 1; town of Blowing Rock: 1987, c. 171, s. 1(c); town of Cary: 1989 (Reg. Sess., 1990), c. 874, s. 1(c); town of Columbus: 1991, c. 632, s. 1(c); town of Garner: 1989, c. 660, s. 1(c); town of Hillsborough: 1993, c. 449, s. 1(e); town of Oriental: 1993 (Reg. Sess., 1994), c. 695, s. 1(c); town of Wake Forest: 1989, c. 604, s. 1(c); Averasboro Township: 1987, c. 142; village of Bald Head Island: 1991, c. 664, s. 2(c).

Cross References. — For the Address Confidentiality Program, see G.S. 15C-1 et seq. As to the use and confidential nature of actual addresses of Address Confidentiality Program participants by boards of elections for election-related purposes, see G.S. 15C-8. For requirements regarding marking and issuance of license plates for publicly owned vehicles, see G.S. 20-39.1. For provision that the report and affidavit required by G.S. 58-21-35 and the quarterly report required by G.S. 58-21-80 are not public records under this section, see G.S. 58-21-35. For provision that records, papers, and other documents containing information collected and compiled by the Board of Law Examiners or its members or employees as a result of investigations, inquiries, or interviews conducted in connection with examinations or licensing matters, are not public records within the meaning of this Chapter, see G.S. 84-24. As to records of education agencies, see G.S. 115C-3. As to diaries kept in connection with construction or repair contracts, see G.S. 136-28.5.

For comment, "You Can't Always Get What You Want: A Look at North Carolina's Public Records Law," see 72 N.C.L. Rev. 1527 (1994).

CASE NOTES

Legislative Intent. — By enacting the Public Records Act, the legislature intended to provide that, as a general rule, the public would have liberal access to public records. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Access to public records in this State is governed by Chapter 132 which provides for liberal access. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

Construction. — The framers' use of the imperative word "shall" places constitutional limits on a court's discretion in exercising control of its proceedings and creates a strong presumption that court proceedings be open to the litigants and the public; however, there are some circumstances when a court may close proceedings and seal court records. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

Trial court erred in granting summary judgment to a newspaper in its action under the Public Records Act, G.S. 132-1 et seq., and the Public Hospital Personnel Act, G.S. 131E-257 et seq., seeking disclosure of public hospital employee salary information, as such was protected from disclosure, except as to current salary, pursuant to G.S. 131E-257.2; information contained in an employee's personnel file was "gathered" by the hospital, pursuant to the use of that term under G.S. 131E-257.2(a), as it was not construed narrowly, but rather, read to mean amassed or collected in one place. Knight Publ'g Co. v. Charlotte-Mecklenburg Hosp. Auth., 172 N.C. App. 486, 616 S.E.2d 602, 2005 N.C. App. LEXIS 1784 (2005), cert. denied, — N.C. —, 626 S.E.2d 298,299 (2005).

Because the North Carolina Public Records Law was enacted pursuant to the state's general policy that the people may obtain copies of their public records and public information free or at minimal cost unless otherwise specifically provided by law, and nothing in the Public Records Law refers to or specifically pertains to either pardons or clemency, it is not a law relative to the manner of applying for pardons under N.C. Const., Art. III, § 5(6). News & Observer Publ'g Co. v. Easley, 182 N.C. App. 14, 641 S.E.2d 698, 2007 N.C. App. LEXIS 490 (2007).

When a county employee wrote to the board of county commissioners about the employee's experience working with the county medical director, when the board was considering whether to renew the director's contract, and recommended another person for the director's job and discussed the employee's interaction with the board regarding the board's decision-making process, the letter was a public record because it was undisputed that the letter was written by a county employee, who was required to work with the medical director, and was received by the board in connection with the board's decision regarding whom to hire as medical director, an independent county contractor. News Reporter Co. v. Columbus County, 184 N.C. App. 512, 646 S.E.2d 390, 2007 N.C. App. LEXIS 1471 (2007).

What Must Be Made Available for Inspection. — In the absence of clear statutory exemption or exception, documents falling within the definition of "public records" in the Public Records Act must be made available for public inspection. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

It is beyond argument that minutes of a city council's closed session are "public records" within the meaning of North Carolina's Public Records Law, G.S. 132-1 et seq. Boney Publishers, Inc. v. Burlington City Council, 151 N.C. App. 651, 566 S.E.2d 701, 2002 N.C. App. LEXIS 859 (2002), cert. denied, 356 N.C. 297, 571 S.E.2d 221 (2002).

Under G.S. 143-318.10, minutes of all official meetings, including closed sessions, are public records within meaning of Public Records Law, G.S. 132-1 et seq. Boney Publishers, Inc. v. Burlington City Council, 151 N.C. App. 651, 566 S.E.2d 701, 2002 N.C. App. LEXIS 859 (2002), cert. denied, 356 N.C. 297, 571 S.E.2d 221 (2002).

Although documents under the definition of "public records" of G.S. 132-1(a) of the Public Records Act, G.S. 132-1 et seq., were usually subject to disclosure, an exemption existed for public hospital personnel files under the clear and unambiguous language of G.S. 131E-257.2 of the Public Hospital Personnel Act, and "personnel files" was defined broadly in G.S. 131E-257.2(a); the interpretation of what information was to be disclosed from those files was based on statutory history, including changes made from predecessor language, as well as the legislature's intent to carve out a privacy niche for public hospital employees for all information regarding compensation except "current salary." Knight Publ'g Co. v. Charlotte-Mecklenburg Hosp. Auth., 172 N.C. App. 486, 616 S.E.2d 602, 2005 N.C. App. LEXIS 1784 (2005), cert. denied, — N.C. —, 626 S.E.2d 298,299 (2005).

In resolving a dispute as to whether certain records pertaining to clemency were subject to the North Carolina Public Records Law, the court noted that neither G.S. 147-16(a)(1) nor G.S. 147-21 included any provision specifying whether the records involved in the statutes were considered public records; thus, the court was unable to determine that the General Assembly, in exercising its constitutional authority under N.C. Const., Art. III, § 5(6), intended to provide that the application process for pardons was subject to the Public Records Law. News & Observer Publ'g Co. v. Easley, 182 N.C. App. 14, 641 S.E.2d 698, 2007 N.C. App. LEXIS 490 (2007).

When a county employee wrote to the board of county commissioners about the employee's experience working with the county medical director, when the board was considering whether to renew the director's contract, and recommended another person for the director's job and discussed the employee's interaction with the board regarding the board's decision-making process, the fact that the county manager chose to place the letter in the employee's personnel file had no bearing on whether the letter was exempt from public disclosure under G.S. 132-1 as a personnel record covered by G.S. 153A-98 because whether it was a personnel record depended on the nature of the document and not where it was filed, and an exemption on this basis would allow governmental officials to avoid public disclosure of a document by placing it in an employee's personnel file. News Reporter Co. v. Columbus County, 184 N.C. App. 512, 646 S.E.2d 390, 2007 N.C. App. LEXIS 1471 (2007).

Parts of the letter to the board of county commissioners recommending a certain person for the medical director's job and discussing the employee's interaction with the board were subject to public disclosure under G.S. 132-1 because G.S. 153A-98(a), protecting certain employee information from public disclosure, did not protect all information "with respect to" an employee, as the information had to relate to an illustrative list of subjects arising out of the employment, and there was no basis for considering these parts of the letter to be "any information" gathered by the county "with respect to" the types of matters governed by G.S. 153A-98(a). News Reporter Co. v. Columbus County, 184 N.C. App. 512, 646 S.E.2d 390, 2007 N.C. App. LEXIS 1471 (2007).

Chapter Contemplates Disclosure as Well as Storage. — A presumed legislative intent to mandate the extensive preservation of public records prescribed by this Chapter, with storage at public expense, but to which the public is denied access, is untenable. Preservation for its own sake, absent access, would be an absurdity. Advance Publications, Inc. v. City of Elizabeth City, 53 N.C. App. 504, 281 S.E.2d 69 (1981).

The phrase "pursuant to law or ordinance in connection with the transaction of public business" should include, in addition to those records required by law, those records that are kept in carrying out lawful duties. News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981), cert. denied, 305 N.C. 302, 291 S.E.2d 151, 459 U.S. 803, 103 S. Ct. 26, 74 L. Ed. 2d 42 (1982).

No Deliberative Process Privilege Exception. — The North Carolina's Public Records Act contains no deliberative process privilege exception. Whether one should be made is a question for the legislature, not the court. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

This Chapter Compared with the Open Meetings Law. — The Public Records Act (G.S. 132-1 et seq.) and the Open Meetings Law (G.S. 143-318.10) are discrete statutes, each designed to promote in a different way openness in government. There is no suggestion in either statute that an agency not subject to one is, ipso facto, exempt from the other. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

The Public Records Law may apply to minutes from meetings of an agency exempt from the Open Meetings Law. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Open Courts Provision. — This statute only prohibits a court from restricting the publication of reports regarding matter presented "in open court"; thus, although court records may generally be public records under this section, a trial court may shield portions of court proceedings and records from public view subject to statutory and constitutional limitation. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

Balance of Competing Interests. — In deciding whether to close court proceedings or seal court records, a court must balance the competing interests and policies at stake in light of the particular circumstances of the case but must give substantial weight to the presumption of open access. Virmani v. Presbyterian Health Servs. Corp., 127 N.C. App. 629, 493 S.E.2d 310 (1997), aff'd in part and rev'd in part on other grounds, 350 N.C. 449, 515 S.E.2d 675 (1999).

Judicial Application of Exception in former G.S. 143-318.11(d). — Courts should ensure that the exception in former subsection (d) of G.S. 143-318.11 to the disclosure requirement should extend no further than necessary to protect ongoing efforts of a public body, respecting the policy against secrecy in government that underlies both the Public Records Act and Open Meetings Law. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

"Agency of North Carolina Government or Its Subdivisions". — The phrase "agency of North Carolina government or its subdivisions" in this section need be construed only upon the plain meaning of this section and in the context of the public records statutes. News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981), cert. denied, 305 N.C. 302, 291 S.E.2d 151, 459 U.S. 803, 103 S. Ct. 26, 74 L. Ed. 2d 42 (1982).

Trial court did not err in holding that the records the newspaper sought, with limited exceptions, were public records that had to be made available by the town for public inspection and copying; the town could not assert that because the town attorneys, and not the town itself, possessed the records that the records were not public records, as the town attorneys were an agency or subdivision of the town, were public officers, and a ruling otherwise would mean that a town could give records to its town attorneys to shield what otherwise would be public records from disclosure. Womack Newspapers, Inc. v. Town of Kitty Hawk, 181 N.C. App. 1, 639 S.E.2d 96, 2007 N.C. App. LEXIS 81 (2007).

Wake County Hospital System is an agency of the county under the North Carolina public records statutes. News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981), cert. denied, 305 N.C. 302, 291 S.E.2d 151, 459 U.S. 803, 103 S. Ct. 26, 74 L. Ed. 2d 42 (1982).

By virtue of the definitions in G.S. 143-318.10(b) and 159-39(a), the Wake County Hospital System is a "public body" that must, by law, record settlement terms considered in executive sessions. The public has the right to know the terms of settlements made by the system in actions for wrongful terminations of its agreements, since the funds from which the settlements were paid must be considered the county's funds. News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981), cert. denied, 305 N.C. 302, 291 S.E.2d 151, 459 U.S. 803, 103 S. Ct. 26, 74 L. Ed. 2d 42 (1982).

Documents filed as exhibits attached to plaintiff's complaint entered the public domain for purposes of the Public Records Act, and the public's right to inspect court records under G.S. 7A-109, and became "public records" once the complaint was filed with the clerk of the court, even though these exhibits would otherwise have been shielded by G.S. 131E-95(b) of the Hospital Licensure Act. Virmani v. Presbyterian Health Servs. Corp., 350 N.C. 449, 515 S.E.2d 675, 1999 N.C. App. LEXIS 432 (1999), cert. denied, 529 U.S. 1033, 120 S. Ct. 1452, 146 L. Ed. 2d 337 (2000).

Criminal Investigatory Information. — Copies of recordings the plaintiff sought to obtain pursuant to this section were unquestionably gathered by city police department in the course of a criminal investigation and were part of the State's file in a pending criminal action; however plaintiff was precluded under Article 48 of ch. 15A, G.S. 15A-901 et seq. Piedmont Publishing Co. v. City of Winston-Salem, 334 N.C. 595, 434 S.E.2d 176 (1993).

S.B.I. records are not public records and access to them is not available under the Public Records Act. Access to S.B.I. records is controlled entirely by G.S. 114-15. News & Observer Publishing Co. v. State ex rel. Starling, 312 N.C. 276, 322 S.E.2d 133 (1984).

Information contained in research applications for projects involving animal experiments was subject to disclosure, where such information could be redacted, and release would not cause a "chilling effect" on research. S.E.T.A. Unc-Ch, Inc. v. Huffines, 101 N.C. App. 292, 399 S.E.2d 340 (1991).

Letter from Engineer Consulting for City. — A letter received by the manager of defendant-city from a consulting engineer whom defendant-city employed to inspect construction work on additions and modifications to its water treatment plant is a public record subject to disclosure. Advance Publications, Inc. v. City of Elizabeth City, 53 N.C. App. 504, 281 S.E.2d 69 (1981).

Work product of local government attorney not protected from disclosure. — Language of G.S. 132-1(b) has been interpreted to only recognize an exception to the North Carolina Public Records Act in the face of a clear statutory exemption or exception to the Public Records Act; in other words, the Public Records Act grants public access to documents it defines as "public records," absent a specific statutory exemption. Therefore, because there was no statute specifically exempting from public access materials held by a local government attorney that qualified as work product, a city attorney's documents were not protected from disclosure as work product. McCormick v. Hanson Aggregates Southeast, Inc., 164 N.C. App. 459, 596 S.E.2d 431 (2004).

Records made by contractors and subcontractors (contractors) of the former North Carolina Low-Level Radioactive Waste Management Authority, kept by the contractors and not actually received by the Authority, are not public records, as defined under this section, until they are received by the Authority in the proper exercise of its discretion. Durham Herald Co. v. North Carolina Low-Level Radioactive Waste Mgt. Auth., 110 N.C. App. 607, 430 S.E.2d 441, cert. denied, 334 N.C. 619, 435 S.E.2d 334 (1993).

Application to Private Corporate Entity. — Though a housing authority was once a governmental agency, it was not subject to the North Carolina Open Meetings Law, G.S. 143-318.9 et seq., and the North Carolina Public Records Law, G.S. 132-1 et seq., because it was changed to a private corporation and only public entities were subject to the Public Records Law. Chatfield v. Wilmington Hous. Fin. & Dev., Inc., 166 N.C. App. 703, 603 S.E.2d 837, 2004 N.C. App. LEXIS 2027 (2004), cert. denied, — N.C. —, 609 S.E.2d 393 (2005).

App. LEXIS 1070 (July 7, 2009).

OPINIONS OF ATTORNEY GENERAL

North Carolina's Northeast Partnership is an "agency" within the meaning of subsection (a) of this section, and accordingly is fully subject to the Public Records Act; the Northeastern North Carolina Regional Economic Development Commission from which it emerged is an agency located administratively in the North Carolina Department of Commerce although it has attempted to remove itself from the Department. See opinion of Attorney General to Melanie Thompson, Fiscal Manager, North Carolina's Northeast Partnership, 1999 N.C.A.G. 9 (3/9/99).

Police Arrest and Disposition Records Subject to Public Examination. — See opinion of Attorney General to Mr. Samuel M. Moore, 41 N.C.A.G. 407 (1971).

Documents generated by the Department of Administration relating to an internal workplace assessment survey are public records. See opinion of Attorney General to Mr. R. Glen Peterson, General Counsel, N.C. Department of Administration, 1999 N.C.A.G. 5 (1/12/99).

A governmental entity is not required to provide the public a means to monitor its 800 megahertz radio communications as such a communication is not a public record. See opinion of Attorney General to Mr. J. Mark Payne, Johnston County Attorney, 2002 N.C. AG LEXIS 3 (1/22/02).

Textbook lists of state universities are public records. See opinion of Attorney General to Mr. J.D. Wright, North Carolina State University at Raleigh, 41 N.C.A.G. 199 (1971).

Applications for licensure as speech and language pathologists and audiologists are public records. See opinion of Attorney General to Mariana Newton, Phd., Chairman, Board of Examiners for Speech and Language Pathologists and Audiologists, 45 N.C.A.G. 188 (1976).

Municipal records and papers, such as budgets, bank statements, tax levies, utility accounts, minutes of meetings, etc., are public records. See opinion of Attorney General to Honorable R.L. Davis, 43 N.C.A.G. 274 (1973).

Licensure Procedures. — The application and other information obtained during the Private Protective Services Board's licensure procedure which are not otherwise exempt by law are public records subject to public inspection and examination under G.S. 132-6. See opinion of Attorney General to W. A. "Doc" Hoggard, III PPS Board Administrator Private Protective Services Board, 1997 N.C.A.G. 50 (8/15/97).

Sheriff's department investigative reports and memoranda concerning investigation of crimes are not public records within the sense of this Chapter and are not thereby subject to public inspection. Opinion of Attorney General to Honorable J. Hubert Haynes, 44 N.C.A.G. 340 (1975).

Copies of Forms Maintained by Law Enforcement Officers. — The copy of form HP-332 (affidavit form) maintained by the arresting officer which is completed when a person refuses to take a chemical test to determine alcoholic content of the blood is not a public record and subject to inspection. See opinion of Attorney General to Barbara Smith, Assistant Secretary, Department of Crime Control and Public Safety, 48 N.C.A.G. 63 (1978).

The copy of HP-332A (rights of person requested to take chemical test to determine alcoholic content of blood), maintained by arresting officer is not a public record and subject to inspection. See opinion of Attorney General to Barbara Smith, Assistant Secretary, Department of Crime Control and Public Safety, 48 N.C.A.G. 63 (1978).

The copy of the alcohol influence report (HP-327) which is maintained by the arresting officer and the copy of which is maintained at troop headquarters is not a public record and subject to inspection. See opinion of Attorney General to Barbara Smith, Assistant Secretary, Department of Crime Control and Public Safety, 48 N.C.A.G. 63 (1978).

The departmental copy of the N.C. uniform traffic ticket and complaint, which is submitted by a highway patrolman to the district first sergeant who transmits it to the Traffic Record Section of the Division of Motor Vehicles, is not a public record and subject to inspection during the time it is maintained at the patrol district headquarters. See opinion of Attorney General to Barbara Smith, Assistant Secretary, Department of Crime Control and Public Safety, 48 N.C.A.G. 63 (1978).

The enforcement division copy of the N.C. uniform traffic ticket and complaint, which is maintained by the officer issuing the complaint and includes his notes and other evidence, is not a public record and subject to inspection prior to trial of the offense charged in the complaint. See opinion of Attorney General to Barbara Smith, Assistant Secretary, Department of Crime Control and Public Safety, 48 N.C.A.G. 63 (1978).

The enforcement division copy of the N.C. uniform traffic ticket and complaint is not a public record and subject to inspection in the patrol district headquarters after the trial of the offense charged in the complaint. See opinion of Attorney General to Barbara Smith, Assistant Secretary, Department of Crime Control and Public Safety, 48 N.C.A.G. 63 (1978).

The chemical test operator's log (DHS-2069) is not a public record and subject to inspection while in the possession of the chemical test operator. See opinion of Attorney General to Barbara Smith, Assistant Secretary, Department of Crime Control and Public Safety, 48 N.C.A.G. 63 (1978).

The breathalyzer operational checklist (DHS-2012) which is completed and maintained by the breathalyzer operator is not a public record and subject to inspection. See opinion of Attorney General to Barbara Smith, Assistant Secretary, Department of Crime Control and Public Safety, 48 N.C.A.G. 63 (1978).

Qualification of New Members. — If a person elected to the board of education who is also employed by the board does not resign before the second Monday in December following the election due to his continued employment with the board, a vacancy on the board will occur on that date. See opinion of Attorney General to L. Wardlaw Lamar, Valentine, Adams, and Lamar, L.L.P., 2004 N.C. AG LEXIS 13 (12/2/04).

Provisional Voters. — Ordinarily, applications to vote provisionally are viewed as public records which must be disclosed pursuant to this Chapter because these documents are separate from ballots and there are a sufficient quantity of provisional ballots so that no vote could be attributed to any particular provisional voter. However, when there is only one provisional voter, that voter has an overriding and personal right to a secret ballot under Article VI, Section 5 of the North Carolina Constitution, and a County Board of Elections is prohibited from disclosing any information that would identify the provisional voter. See opinion of Attorney General to Mr. Stephen T. Gheen, Chairman Gaston County Board of Elections, 1997 N.C.A.G. 67 (11/6/97).

Contracts Between Universities and Coaches. — Contracts under which institutions employ coaches and contracts between the institutions and certain vendors or suppliers which involve or concern those coaches or other documents related to those contracts are public records. See opinion of Attorney General to Charles J. Waldrup, Associate Vice President for Legal Affairs, University of North Carolina, 2003 N.C.A.G. 2 (2/6/03).

Applicability of Secrecy Law to Tax Review Board Members. — Members of the Tax Review Board and staff must comply with both the confidentiality obligations of G.S. 105-259 (b) section and the obligations for disclosure set forth in the Public Records Law with respect to the release of records and other information; the obligation does not vary based upon whether the Board receives a request for information prior to or after publication of an order by the Board. See opinion of Attorney General to The Honorable Richard H. Moore, Treasurer, State of North Carolina, 2004 N.C.A.G. 10 (10/12/04).

§ 132-1.1. Confidential communications by legal counsel to public board or agency; State tax information; public enterprise billing information; Address Confidentiality Program information.

(a) Confidential Communications. — Public records, as defined in G.S. 132-1, shall not include written communications (and copies thereof) to any public board, council, commission or other governmental body of the State or of any county, municipality or other political subdivision or unit of government, made within the scope of the attorney-client relationship by any attorney-at-law serving any such governmental body, concerning any claim against or on behalf of the governmental body or the governmental entity for which such body acts, or concerning the prosecution, defense, settlement or litigation of any judicial action, or any administrative or other type of proceeding to which the governmental body is a party or by which it is or may be directly affected. Such written communication and copies thereof shall not be open to public inspection, examination or copying unless specifically made public by the governmental body receiving such written communications; provided, however, that such written communications and copies thereof shall become public records as defined in G.S. 132-1 three years from the date such communication was received by such public board, council, commission or other governmental body.

(b) State and Local Tax Information. — Tax information may not be disclosed except as provided in G.S. 105-259. As used in this subsection, "tax information" has the same meaning as in G.S. 105-259. Local tax records that contain information about a taxpayer's income or receipts may not be disclosed except as provided in G.S. 153A-148.1 and G.S. 160A-208.1.

(c) Public Enterprise Billing Information. — Billing information compiled and maintained by a city or county or other public entity providing utility services in connection with the ownership or operation of a public enterprise, excluding airports, is not a public record as defined in G.S. 132-1. Nothing contained herein is intended to limit public disclosure by a city or county of billing information:

(1) That the city or county determines will be useful or necessary to assist bond counsel, bond underwriters, underwriters' counsel, rating agencies or investors or potential investors in making informed decisions regarding bonds or other obligations incurred or to be incurred with respect to the public enterprise;

(2) That is necessary to assist the city, county, State, or public enterprise to maintain the integrity and quality of services it provides; or

(3) That is necessary to assist law enforcement, public safety, fire protection, rescue, emergency management, or judicial officers in the performance of their duties.

As used herein, "billing information" means any record or information, in whatever form, compiled or maintained with respect to individual customers by any owner or operator of a public enterprise, as defined in G.S. 160A-311, excluding subdivision (9), and G.S. 153A-274, excluding subdivision (4), or other public entity providing utility services, excluding airports, relating to services it provides or will provide to the customer.

(d) Address Confidentiality Program Information. — The actual address and telephone number of a program participant in the Address Confidentiality Program established under Chapter 15C of the General Statutes is not a public record within the meaning of Chapter 132. The actual address and telephone number of a program participant may not be disclosed except as provided in Chapter 15C of the General Statutes.

(e) Controlled Substances Reporting System Information. — Information compiled or maintained in the Controlled Substances Reporting System established under Article 5E of Chapter 90 of the General Statutes is not a public record as defined in G.S. 132-1 and may be released only as provided under Article 5E of Chapter 90 of the General Statutes.

(f) Personally Identifiable Admissions Information. — Records maintained by The University of North Carolina or any constituent institution, or by the Community Colleges System Office or any community college, which contain personally identifiable information from or about an applicant for admission to one or more constituent institutions or to one or more community colleges shall be confidential and shall not be subject to public disclosure pursuant to G.S. 132-6(a). Notwithstanding the preceding sentence, any letter of recommendation or record containing a communication from an elected official to The University of North Carolina, any of its constituent institutions, or to a community college, concerning an applicant for admission who has not enrolled as a student shall be considered a public record subject to disclosure pursuant to G.S. 132-6(a). Nothing in this subsection is intended to limit the disclosure of public records that do not contain personally identifiable information, including aggregated data, guidelines, instructions, summaries, or reports that do not contain personally identifiable information or from which it is feasible to redact any personally identifiable information that the record contains. As used in this subsection, the term "community college" is as defined in G.S. 115D-2(2), the term "constituent institution" is as defined in G.S. 116-2(4), and the term "Community Colleges System Office" is as defined in G.S. 115D-3. (1975, c. 662; 1993, c. 485, s. 38; 1995 (Reg. Sess., 1996), c. 646, s. 21; 2001-473, s. 1; 2002-171, s. 7; 2003-287, s. 1; 2005-276, s. 10.36(b); 2007-372, s. 2.)

Cross References. — For the Address Confidentiality Program, see G.S. 15C-1 et seq.

Editor's Note. — Session Laws 2005-276, s. 1.2, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 2005'."

Session Laws 2005-276, s. 46.5 is a severability clause.

Effect of Amendments. — Session Laws 2007-372, s. 2, effective August 19, 2007, and applicable to public records existing before, on, or after that date, added subsection (f).

Legal Periodicals. — For survey of 1981 administrative law, see 60 N.C.L. Rev. 1165 (1982).

CASE NOTES

Only written communications to a public agency by its attorney are excepted from public inspection under the circumstances set out in this section. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Commission Minutes May Have Been Protected. — Trial court erred in not considering whether the minutes of a Commission formed to investigate improprieties in a university athletic program were protected by the Public Records Act attorney-client privilege provided in this section. News & Observer Publishing Co. v. Poole, 330 N.C. 465, 412 S.E.2d 7 (1992).

Because the portions of the documents a city was attempting to protect via the attorney-client privilege were more than three years old, the city lost the privilege by operation of the statute. MCI Constr., LLC v. Hazen & Sawyer, P.C., 213 F.R.D. 268, 2003 U.S. Dist. LEXIS 2560 (M.D.N.C. 2003).

Limited attorney-client privilege. — Statutory protection for privileged information is more narrow than the traditional common law attorney-client privilege. According to N.C. Gen. Stat. § 132-1.1(a), the North Carolina Public Records Act provides only one exception (based on privilege) to its mandate of public access to public records: written statements to a public agency, by any attorney serving the government agency, made within the scope of the attorney-client privilege, and involving a claim, defense, settlement, litigation, or administrative proceeding. McCormick v. Hanson Aggregates Southeast, Inc., 164 N.C. App. 459, 596 S.E.2d 431 (2004).

Cited in News & Observer Publishing Co. v. Wake County Hosp. Sys., 55 N.C. App. 1, 284 S.E.2d 542 (1981); North Carolina Press Ass'n v. Spangler, 87 N.C. App. 169, 360 S.E.2d 138 (1987); State ex rel. Utilities Comm'n v. MCI Telecommunications Corp., 132 N.C. App. 625, 514 S.E.2d 276 (1999).

OPINIONS OF ATTORNEY GENERAL

Attorney-Client Communications to City on Personnel Matters. — Written attorney-client communications to a city (including the city manager and city council) on specific personnel matters related to an employee that are more than three years old, and which are confidential under G.S. 160A-168(a), are not public records; by its specific terms, G.S. 160A-168(a) supersedes the requirement in G.S. 132-1.1 that privileged attorney-client communications must be disclosed three years after they are received. See opinion of Attorney General to Mr. Grady Joseph Wheeler, Jr., Esq., Attorney, 2001 N.C. AG LEXIS 15 (5/30/2001).

§ 132-1.2. Confidential information.

Nothing in this Chapter shall be construed to require or authorize a public agency or its subdivision to disclose any information that:

(1) Meets all of the following conditions:
  a. Constitutes a "trade secret" as defined in G.S. 66-152(3).
  b. Is the property of a private "person" as defined in G.S. 66-152(2).
  c. Is disclosed or furnished to the public agency in connection with the owner's performance of a public contract or in connection with a bid, application, proposal, industrial development project, or in compliance with laws, regulations, rules, or ordinances of the United States, the State, or political subdivisions of the State.
  d. Is designated or indicated as "confidential" or as a "trade secret" at the time of its initial disclosure to the public agency.

(2) Reveals an account number for electronic payment as defined in G.S. 147-86.20 and obtained pursuant to Articles 6A or 6B of Chapter 147 of the General Statutes or G.S. 159-32.1.

(3) Reveals a document, file number, password, or any other information maintained by the Secretary of State pursuant to Article 21 of Chapter 130A of the General Statutes.

(4) Reveals the electronically captured image of an individual's signature, date of birth, drivers license number, or a portion of an individual's social security number if the agency has those items because they are on a voter registration document.

(5) Reveals the seal of a licensed design professional who is licensed under Chapter 83A or Chapter 89C of the General Statutes that has been submitted for project approval to (i) a municipality under Part 5 of Article 19 of Chapter 160A of the General Statutes or (ii) to a county under Part 4 of Article 18 of Chapter 153A of the General Statutes. Notwithstanding this exemption, a municipality or county that receives a request for a document submitted for project approval that contains the seal of a licensed design professional who is licensed under Chapter 83A or Chapter 89C of the General Statutes and that is otherwise a public record by G.S. 132-1 shall allow a copy of the document without the seal of the licensed design professional to be examined and copied, consistent with any rules adopted by the licensing board under Chapter 83A or Chapter 89C of the General Statutes regarding an unsealed document. (1989, c. 269; 1991, c. 745, s. 3; 1999-434, s. 7; 2001-455, s. 2; 2001-513, s. 30(b); 2003-226, s. 5; 2004-127, s. 17(b); 2009-346, s. 1.)

Editor's Note. — Session Laws 2003-226, s. 1, provides: "The purpose of this act is to ensure that the State of North Carolina has a system for all North Carolina elections that complies with the requirements for federal elections set forth in the federal Help America Vote Act of 2002, Public Law 107-252, 116 Stat. 1666 (2002), codified at 42 U.S.C. §§ 15481-15485.

"The General Assembly finds that the education and training of election officials as required by G.S. 163-82.34 has met and continues to meet the mandate for the education and training of precinct officials and other election officials in section 254(a)(3) of the Help America Vote Act of 2002. The General Assembly further finds that the establishment, development, and continued operation of the statewide list maintenance program for voter registration set forth in G.S. 163-82.14 has met and continues to meet the mandates of section 303(a)(2) of the Help America Vote Act of 2002.

"In certain other areas of the election statutes and other laws, the General Assembly finds that the statutes must be amended to comply with the Help America Vote Act."

Effect of Amendments. — Session Laws 2009-346, s. 1, effective October 1, 2009, added subdivision (5).

CASE NOTES

Private Corporation Classified as Public Agency. — Private corporations can be classified as a public agency for the purposes of this section; the critical inquiry is whether the corporation's independent authority is overshadowed by the governmental control of that corporation. State ex rel. Utilities Comm'n v. MCI Telecommunications Corp., 132 N.C. App. 625, 514 S.E.2d 276 (1999).

Public Utilities as Private Persons. — Telephone service providers were "private persons" under this section for purposes of their claim that information filed with an agency constituted "trade secrets," even though providers were public utilities subject to fair regulation, since such regulation was not comprehensive and did not overshadow independent authority exercised by providers over operation of their own businesses. State ex rel. Utilities Comm'n v. MCI Telecommunications Corp., 132 N.C. App. 625, 514 S.E.2d 276 (1999).

The addition of the language "or indicated" acts to clarify the otherwise ambiguous word "designated." As such, any application of this section either before or after 1991, should interpret the word "designated" as meaning "designated or indicated." North Carolina Elec. Membership Corp. v. North Carolina Dep't of Economic & Community Dev., 108 N.C. App. 711, 425 S.E.2d 440 (1993).

Information Held Confidential. — Documents containing valuable business information such as projections by a cooperative electric membership corporation of electric rates for sales to its members and its methodologies for forecasting such price information, which was alleged to be of actual value to its competitors and would cause irreparable competitive harm to the corporation, were protected from disclosure by injunction under this Act. North Carolina Elec. Membership Corp. v. North Carolina Dep't of Economic & Community Dev., 108 N.C. App. 711, 425 S.E.2d 440 (1993).

Price Lists in Contract Between Hospital and HMO. — Where price lists in a contract between a public hospital and a private HMO are not property of a private person within the meaning of this section, they are not trade secrets as defined by G.S. 66-152(3) and are subject to disclosure under the North Carolina Public Records Act, pursuant to G.S. 132-1 et seq. Wilmington Star-News, Inc. v. New Hanover Regional Medical Ctr., Inc., 125 N.C. App. 174, 480 S.E.2d 53 (1997), appeal dismissed, 346 N.C. 557, 488 S.E.2d 826 (1997).

Factors in Determining Whether Information Is Trade Secret. — Proper factors to consider in determining whether information is a trade secret are: (1) the extent to which it is known outside the business; (2) the extent to which it is known to employees and others involved in the business; (3) the extent of measures taken to guard its secrecy; (4) its value to the business and competitors; (5) the amount of money or effort expended in its development; and (6) the ease or difficulty with which it could properly be acquired or duplicated by others. State ex rel. Utilities Comm'n v. MCI Telecommunications Corp., 132 N.C. App. 625, 514 S.E.2d 276 (1999).

Applied in S.E.T.A. UNC-CH, Inc. v. Huffines, 107 N.C. App. 440, 420 S.E.2d 674 (1992).

OPINIONS OF ATTORNEY GENERAL

Information Relating to State's Investments. — Basic fund information and management fee information are not trade secrets and are not exempt from disclosure under the Public Records Act. Review of case law shows that portfolio company information meets tests of "trade secret" as defined by.G.S. § 66-152(3). See opinion of Attorney General to The Honorable Richard H. Moore, State Treasurer, Department of State Treasurer, 2006 N.C. AG LEXIS 2 (6/6/06).

§ 132-1.3. Settlements made by or on behalf of public agencies, public officials, or public employees; public records.

(a) Public records, as defined in G.S. 132-1, shall include all settlement documents in any suit, administrative proceeding or arbitration instituted against any agency of North Carolina government or its subdivisions, as defined in G.S. 132-1, in connection with or arising out of such agency's official actions, duties or responsibilities, except in an action for medical malpractice against a hospital facility. No agency of North Carolina government or its subdivisions, nor any counsel, insurance company or other representative acting on behalf of such agency, shall approve, accept or enter into any settlement of any such suit, arbitration or proceeding if the settlement provides that its terms and conditions shall be confidential, except in an action for medical malpractice against a hospital facility. No settlement document sealed under subsection (b) of this section shall be open for public inspection.

(b) No judge, administrative judge or administrative hearing officer of this State, nor any board or commission, nor any arbitrator appointed pursuant to the laws of North Carolina, shall order or permit the sealing of any settlement document in any proceeding described herein except on the basis of a written order concluding that (1) the presumption of openness is overcome by an overriding interest and (2) that such overriding interest cannot be protected by any measure short of sealing the settlement. Such order shall articulate the overriding interest and shall include findings of fact that are sufficiently specific to permit a reviewing court to determine whether the order was proper.

(c) Except for confidential communications as provided in G.S. 132-1.1, the term "settlement documents," as used herein, shall include all documents which reflect, or which are made or utilized in connection with, the terms and conditions upon which any proceedings described in this section are compromised, settled, terminated or dismissed, including but not limited to correspondence, settlement agreements, consent orders, checks, and bank drafts. (1989, c. 326.)

OPINIONS OF ATTORNEY GENERAL

Settlement Resulting from Investigation of Sheriff. — A conciliation agreement between an EEOC claimant and a county board of commissioners, resulting from an investigation of the sheriff and involving the appropriation of over $21,000.00, should be made available to the public. See opinion of Attorney General Mr. Charles L. Revelle, III, Assistant Hertford County Attorney, 1998 N.C.A.G. 14 (3/4/98).

Settlement Agreement Not Confidential. — Only medical malpractice settlements in which the State is a party are exempt from disclosure; a settlement agreement, not involving medical malpractice, between a doctor and a State hospital, even one purporting to keep the settlement or related matters confidential, must be released to the requestor in its unredacted form, with the exception of information from the doctor's personnel file which was first gathered by the hospital. See opinion of Attorney General to Mr. Fred M. Carmichael Summrell, Sugg, Carmichael & Ashton, P.A., 1997 N.C.A.G. 68 (11/26/97).

§ 132-1.4. Criminal investigations; intelligence information records; Innocence Inquiry Commission records.

(a) Records of criminal investigations conducted by public law enforcement agencies, records of criminal intelligence information compiled by public law enforcement agencies, and records of investigations conducted by the North Carolina Innocence Inquiry Commission, are not public records as defined by G.S. 132-1. Records of criminal investigations conducted by public law enforcement agencies or records of criminal intelligence information may be released by order of a court of competent jurisdiction.

(b) As used in this section:

(1) "Records of criminal investigations" means all records or any information that pertains to a person or group of persons that is compiled by public law enforcement agencies for the purpose of attempting to prevent or solve violations of the law, including information derived from witnesses, laboratory tests, surveillance, investigators, confidential informants, photographs, and measurements.

(2) "Records of criminal intelligence information" means records or information that pertain to a person or group of persons that is compiled by a public law enforcement agency in an effort to anticipate, prevent, or monitor possible violations of the law.

(3) "Public law enforcement agency" means a municipal police department, a county police department, a sheriff's department, a company police agency commissioned by the Attorney General pursuant to G.S. 74E-1, et seq., and any State or local agency, force, department, or unit responsible for investigating, preventing, or solving violations of the law.

(4) "Violations of the law" means crimes and offenses that are prosecutable in the criminal courts in this State or the United States and infractions as defined in G.S. 14-3.1.

(5) "Complaining witness" means an alleged victim or other person who reports a violation or apparent violation of the law to a public law enforcement agency.

(c) Notwithstanding the provisions of this section, and unless otherwise prohibited by law, the following information shall be public records within the meaning of G.S. 132-1.

(1) The time, date, location, and nature of a violation or apparent violation of the law reported to a public law enforcement agency.
(2) The name, sex, age, address, employment, and alleged violation of law of a person arrested, charged, or indicted.
(3) The circumstances surrounding an arrest, including the time and place of the arrest, whether the arrest involved resistance, possession or use of weapons, or pursuit, and a description of any items seized in connection with the arrest.
(4) The contents of "911" and other emergency telephone calls received by or on behalf of public law enforcement agencies, except for such contents that reveal the name, address, telephone number, or other information that may identify the caller, victim, or witness.
(5) The contents of communications between or among employees of public law enforcement agencies that are broadcast over the public airways.
(6) The name, sex, age, and address of a complaining witness.

(d) A public law enforcement agency shall temporarily withhold the name or address of a complaining witness if release of the information is reasonably likely to pose a threat to the mental health, physical health, or personal safety of the complaining witness or materially compromise a continuing or future criminal investigation or criminal intelligence operation. Information temporarily withheld under this subsection shall be made available for release to the public in accordance with G.S. 132-6 as soon as the circumstances that justify withholding it cease to exist. Any person denied access to information withheld under this subsection may apply to a court of competent jurisdiction for an order compelling disclosure of the information. In such action, the court shall balance the interests of the public in disclosure against the interests of the law enforcement agency and the alleged victim in withholding the information. Actions brought pursuant to this subsection shall be set down for immediate hearing, and subsequent proceedings in such actions shall be accorded priority by the trial and appellate courts.

(e) If a public law enforcement agency believes that release of information that is a public record under subdivisions (c)(1) through (c)(5) of this section will jeopardize the right of the State to prosecute a defendant or the right of a defendant to receive a fair trial or will undermine an ongoing or future investigation, it may seek an order from a court of competent jurisdiction to prevent disclosure of the information. In such action the law enforcement agency shall have the burden of showing by a preponderance of the evidence that disclosure of the information in question will jeopardize the right of the State to prosecute a defendant or the right of a defendant to receive a fair trial or will undermine an ongoing or future investigation. Actions brought pursuant to this subsection shall be set down for immediate hearing, and subsequent proceedings in such actions shall be accorded priority by the trial and appellate courts.

(f) Nothing in this section shall be construed as authorizing any public law enforcement agency to prohibit or prevent another public agency having custody of a public record from permitting the inspection, examination, or copying of such public record in compliance with G.S. 132-6. The use of a public record in connection with a criminal investigation or the gathering of criminal intelligence shall not affect its status as a public record.

(g) Disclosure of records of criminal investigations and criminal intelligence information that have been transmitted to a district attorney or other attorney authorized to prosecute a violation of law shall be governed by this section and Chapter 15A of the General Statutes.

(h) Nothing in this section shall be construed as requiring law enforcement agencies to disclose the following:

(1) Information that would not be required to be disclosed under Chapter 15A of the General Statutes; or

(2) Information that is reasonably likely to identify a confidential informant.

(i) Law enforcement agencies shall not be required to maintain any tape recordings of "911" or other communications for more than 30 days from the time of the call, unless a court of competent jurisdiction orders a portion sealed.

(j) When information that is not a public record under the provisions of this section is deleted from a document, tape recording, or other record, the law enforcement agency shall make clear that a deletion has been made. Nothing in this subsection shall authorize the destruction of the original record.

(k) The following court records are public records and may be withheld only when sealed by court order: arrest and search warrants that have been returned by law enforcement agencies, indictments, criminal summons, and nontestimonial identification orders.

(*l*) Records of investigations of alleged child abuse shall be governed by Article 29 of Chapter 7B of the General Statutes. (1993, c. 461, s. 1; 1998-202, s. 13(jj); 2006-184, s. 7.)

Editor's Note. — Session Laws 2006-184, s. 7, effective August 3, 2006, and applicable to claims of factual innocence filed on or before December 31, 2010, added "Innocence Inquiry Commission records" at the end of the section catchline; and, in the first sentence of subsection (a), substituted "agencies" for "agencies or" near the beginning and inserted "and records of investigations conducted by the North Carolina Innocence Inquiry Commission" and made minor punctuation changes.

Legal Periodicals. — For comment, "You Can't Always Get What You Want: A Look at North Carolina's Public Records Law," see 72 N.C.L. Rev. 1527 (1994).

CASE NOTES

City attorney's office qualifies as public law enforcement agency. — As the City Attorney's Office for the City of Raleigh was responsible for investigating, preventing, and solving zoning violations, it qualified as a "public law enforcement agency" under G.S. 132-1.4(b)(3); any organizational unit within a county or city that is responsible for enforcement of a statute, ordinance, or regulation that carries misdemeanor or infraction penalties is capable of generating records that are covered by the statute. McCormick v. Hanson Aggregates Southeast, Inc., 164 N.C. App. 459, 596 S.E.2d 431 (2004).

Continuing investigation. — Trial court ordered certain records withheld by a city attorney on the basis of G.S. 132-1.4 be produced because the statute of limitations for prosecuting a misdemeanor had expired. On appeal, the court agreed with the city attorney that the trial court erred in adopting a straight-line rule through the application of two-year statute of limitations for misdemeanors; in light of the broad scope and purposes behind the criminal investigation exception, the trial court should have conducted an in camera review, as requested by the city attorney, to properly determine, based on the purpose in compiling each withheld document and the definitions for "records of criminal investigations" and "records of criminal intelligence information" found in G.S. 132-1.4(b)(1)-(2), whether the material was subject to the exception. McCormick v. Hanson Aggregates Southeast, Inc., 164 N.C. App. 459, 596 S.E.2d 431 (2004).

Discretionary disclosure of non-public records G.S. 132-1.4(a) grants the trial court the discretion to disclose documents that do not qualify as public records under G.S. 132-1.4 if they could be obtained by defendant pursuant to the normal rules of discovery. McCormick v. Hanson Aggregates Southeast, Inc., 164 N.C. App. 459, 596 S.E.2d 431 (2004).

Records for Reinvestigation. — Where exhibits were returned to district attorney's office at the conclusion of first trial for use in the reinvestigation and preparation of a retrial, the exhibits again became "records of criminal investigations" and were specifically exempted from disclosure under subsection (g). Times-News Publishing Co. v. State, 124 N.C. App. 175, 476 S.E.2d 450 (1996), appeal dismissed, 345 N.C. 645, 483 S.E.2d 717 (1997).

Cited in Jane Doe 1 v. Swannanoa Valley Youth Dev. Ctr., 163 N.C. App. 136, 592 S.E.2d 715, 2004 N.C. App. LEXIS 299 (2004).

OPINIONS OF ATTORNEY GENERAL

Investigation records of the Secretary of State obtained to report lobbying violations under former G.S. 120-47.10 are public records, and do not fall within the exception to the Public Records Act found in G.S. 132-1.4. See opinion of Attorney General to Rodney S. Maddox, Chief Deputy Secretary of State, North Carolina Department of the Secretary of State, 2006 N.C. AG LEXIS 1 (4/3/06).

§ 132-1.5. 911 database.

Automatic number identification and automatic location identification information that consists of the name, address, and telephone numbers of telephone subscribers, or the e-mail addresses of subscribers to an electronic emergency notification or reverse 911 system, that is contained in a county or municipal 911 database, or in a county or municipal telephonic or electronic emergency notification or reverse 911 system, is confidential and is not a public record as defined by Chapter 132 of the General Statutes if that information is required to be confidential by the agreement with the telephone company by which the information was obtained. Dissemination of the information contained in the 911, electronic emergency notification or reverse 911 system, or automatic number and automatic location database is prohibited except on a call-by-call basis only for the purpose of handling emergency calls or for training, and any permanent record of the information shall be secured by the public safety answering points and disposed of in a manner which will retain that security except as otherwise required by applicable law. (1997-287, s. 1; 2007-107, s. 3.2(a).)

§ 132-1.6. Emergency response plans.

Emergency response plans adopted by a constituent institution of The University of North Carolina, a community college, or a public hospital as defined in G.S. 159-39 and the records related to the planning and development of these emergency response plans are not public records as defined by G.S. 132-1 and shall not be subject to inspection and examination under G.S. 132-6. (2001-500, s. 3.1.)

§ 132-1.7. Sensitive public security information.

(a) Public records, as defined in G.S. 132-1, shall not include information containing specific details of public security plans and arrangements or the detailed plans and drawings of public buildings and infrastructure facilities.

(b) Public records as defined in G.S. 132-1 do not include plans to prevent or respond to terrorist activity, to the extent such records set forth vulnerability and risk assessments, potential targets, specific tactics, or specific security or emergency procedures, the disclosure of which would jeopardize the safety of governmental personnel or the general public or the security of any governmental facility, building, structure, or information storage system.

(c) Information relating to the general adoption of public security plans and arrangements, and budgetary information concerning the authorization or expenditure of public funds to implement public security plans and arrangements, or for the construction, renovation, or repair of public buildings and infrastructure facilities shall be public records. (2001-516, s. 3; 2003-180, s. 1.)

Editor's Note. — The number of this section was assigned by the Revisor of Statutes, the number in the 2001 act having been G.S. 132-1.6.

§ 132-1.8. Confidentiality of photographs and video or audio recordings made pursuant to autopsy.

Except as otherwise provided in G.S. 130A-389.1, a photograph or video or audio recording of an official autopsy is not a public record as defined by G.S. 132-1. However, the text of an official autopsy report, including any findings and interpretations prepared in accordance with G.S. 130A-389(a), is a public record and fully accessible by the public. For purposes of this section, an official autopsy is an autopsy performed pursuant to G.S. 130A-389(a). (2005-393, s. 1.)

Editor's Note. — Session Laws 2005-393, s. 4, provides: "This act becomes effective December 1, 2005, and applies to offenses committed on or after that date. This act applies to all unauthorized disclosures of autopsy photographs or video or audio recordings that occur on or after the effective date, regardless of whether the autopsy was performed before or after that date."

§ 132-1.9. Trial preparation materials.

(a) Scope. — A request to inspect, examine, or copy a public record that is also trial preparation material is governed by this section, and, to the extent this section conflicts with any other provision of law, this section applies.

(b) Right to Deny Access. — Except as otherwise provided in this section, a custodian may deny access to a public record that is also trial preparation material. If the denial is based on an assertion that the public record is trial preparation material that was prepared in anticipation of a legal proceeding that has not commenced, the custodian shall, upon request, provide a written justification for the assertion that the public record was prepared in anticipation of a legal proceeding.

(c) Trial Preparation Material Prepared in Anticipation of a Legal Proceeding. — Any person who is denied access to a public record that is also claimed to be trial preparation material that was prepared in anticipation of a legal proceeding that has not yet been commenced may petition the court pursuant to G.S. 132-9 for determination as to whether the public record is trial preparation material that was prepared in anticipation of a legal proceeding.

(d) During a Legal Proceeding. —

(1) When a legal proceeding is subject to G.S. 1A-1, Rule 26(b)(3), or subject to Rule 26(b)(3) of the Federal Rules of Civil Procedure, a party to the pending legal proceeding, including any appeals and postjudgment proceedings, who is denied access to a public record that is also claimed to be trial preparation material that pertains to the pending proceeding may seek access to such record only by motion made in the pending legal proceeding and pursuant to the procedural and substantive standards that apply to that proceeding. A party to the pending legal proceeding may not directly or indirectly commence a separate proceeding for release of such record pursuant to G.S. 132-9 in any other court or tribunal.

(2) When a legal proceeding is not subject to G.S. 1A-1, Rule 26(b)(3), and not subject to Rule 26(b)(3) of the Federal Rules of Civil Procedure, a party to the pending legal proceeding, including any appeals and postjudgment proceedings, who is denied access to a public record that is also claimed to be trial preparation material that pertains to the pending legal proceeding may petition the court pursuant to G.S. 132-9 for access to such record. In determining whether to require the custodian to provide access to all or any portion of the record, the court or other tribunal shall apply the provisions of G.S. 1A-1, Rule 26(b)(3).

(3) Any person who is denied access to a public record that is also claimed to be trial preparation material and who is not a party to the pending legal proceeding to which such record pertains, and who is not acting in concert with or as an agent for any party to the pending legal proceeding, may petition the court pursuant to G.S. 132-9 for a determination as to whether the public record is trial preparation material.

(e) Following a Legal Proceeding. — Upon the conclusion of a legal proceeding, including the completion of all appeals and postjudgment proceedings, or, in the case where no legal proceeding has been commenced, upon the expiration of all applicable statutes of limitations and periods of repose, the custodian of a public record that is also claimed to be trial preparation material shall permit the inspection, examination, or copying of such record if any law that is applicable so provides.

(f) Effect of Disclosure. — Disclosure pursuant to this section of all or any portion of a public record that is also trial preparation material, whether voluntary or pursuant to an order issued by a court, or issued by an officer in an administrative or quasi-judicial legal proceeding, shall not constitute a waiver of the right to claim that any other document or record constitutes trial preparation material.

(g) Trial Preparation Materials That Are Not Public Records. — This section does not require disclosure, or authorize a court to require disclosure, of trial preparation material that is not also a public record or that is under other provisions of this Chapter exempted or protected from disclosure by law or by an order issued by a court, or by an officer in an administrative or quasi-judicial legal proceeding.

(h) Definitions. — As used in this section, the following definitions apply:

(1) Legal proceeding. — Civil proceedings in any federal or State court. Legal proceeding also includes any federal, State, or local government administrative or quasi-judicial proceeding that is not expressly subject to the provisions of Chapter 1A of the General Statutes or the Federal Rules of Civil Procedure.

(2) Trial preparation material. — Any record, wherever located and in whatever form, that is trial preparation material within the meaning of G.S. 1A-1, Rule 26(b)(3), any comparable material prepared for any other legal proceeding, and any comparable material exchanged pursuant to a joint defense, joint prosecution, or joint interest agreement in connection with any pending or anticipated legal proceeding. (2005-332, s. 1; 2005-414, s. 4.)

§ 132-1.10. Social security numbers and other personal identifying information.

(a) The General Assembly finds the following:

(1) The social security number can be used as a tool to perpetuate fraud against a person and to acquire sensitive personal, financial, medical, and familial information, the release of which could cause great financial or personal harm to an individual. While the social security number was intended to be used solely for the administration of the federal Social Security System, over time this unique numeric identifier has been used extensively for identity verification purposes and other legitimate consensual purposes.

(2) Although there are legitimate reasons for State and local government agencies to collect social security numbers and other personal identifying information from individuals, government should collect the information only for legitimate purposes or when required by law.

(3) When State and local government agencies possess social security numbers or other personal identifying information, the governments should minimize the instances this information is disseminated either internally within government or externally with the general public.

(b) Except as provided in subsections (c) and (d) of this section, no agency of the State or its political subdivisions, or any agent or employee of a government agency, shall do any of the following:

(1) Collect a social security number from an individual unless authorized by law to do so or unless the collection of the social security number is otherwise imperative for the performance of that agency's duties and responsibilities as prescribed by law. Social security numbers collected by an agency must be relevant to the purpose for which collected and shall not be collected until and unless the need for social security numbers has been clearly documented.
